Borough of The Bronx.

Minutes of the Local Board of Chester, 23d District.

Pursuant to call by President Miller, the members of the Local Board of Chester, 23d District, met in the office of the President of the Borough of The Bronx on Wednesday, June 22, 1910, at 8 p. m. Present—Alderman Mulhearn, Alderman Sheridan and the President of the Borough of The Bronx. Minutes of the previous meeting were adopted as type-written.

Hearings.

124. Constructing sewers and appurtenances in Glebe ave., between Parker st. and Lyon ave., and in Starling ave., between Glebe ave. and Castlehill ave. Petition signed by William Buhl and two others. Estimated cost, \$8,850; assessed value of the real estate, with improvements, included within the probable area of assessment, is \$162,450. Probable assessment for this work upon property benefited will not exceed \$90 per each 25-foot lot. This is based upon the assumption that the Board of Assessors will assess the property indirectly benefited at \$25 per each 25-foot lot. No one appeared in opposition. One owner appeared in favor. Alderman Mulhearn said he had heard of no opposition and believed that the improvement was a very necessary one. On motion, seconded, it was

Resolved, That proceedings be and the same hereby are initiated for constructing sewers and appurtenances in Glebe ave., between Parker st. and Lyon ave., and in Starling ave., between Glebe ave. and Castlehill ave., Borough of The Bronx, City of New York.

Unanimously adopted.

Laid Over Matters.

109. Regulating, grading, etc., E. 222d st., from Bronxwood ave. to Hutchinson River. Petition signed by George W. Hunt, Irving Realty Co., Baychester Realty Co., Isidor Phillips, Geo. H. Taylor, J. Brownshield, agent. Under date of June 21, 1910, J. Brownshield wrote to President Miller as follows:

"Honored Sir—In regard to the application for the regulating and grading of 222d st., from Bronxwood ave. to Hutchinson River, would state that I was very sorry to be delayed at the last meeting. I am interested in the Seton, McAvoy and Hunt properties, which are located on both sides of 222d st., and practically all the property from Arnov ave. to Hutchinson River is under my control. The most expensive part of the regulating and grading of 222d st. is from Arnov ave. to the river, on account of various gullies and creeks. There is another application before you for regulating 222d st., from Bronxwood ave. to Adea ave. Adea ave. is one long block from Arnov ave. The regulating of that one block is not such a very expensive one, so that the amount of assessment for the whole work will not be increased much. As for the rest of the property, from Arnov ave. to the river, the owners of the properties are willing to take care of it themselves. This should be a compromise to the property owners who want the regulating only up to Adea ave. I would also like to state that 222d st. is absolutely useless, unless the people can get down to the waterfront. That is what 222d st. was created for. Most of all the water-front property has changed hands in the last few months, and the present intent is to spend millions of dollars to improve the bulkhead line and make a northern terminal in The Bronx. Trusting you will give this your careful consideration, I remain, very respectfully yours, (Signed) James Brownshield."

See also page 114 of the Local Board minutes, 1910. On motion, seconded, the matter was laid over until June 29, 1910.

110. Acquiring title to Hunt ave., from White Plains ave. to Bronxville ave. See Local Board minutes, page 114, of 1910. Laid over until June 29, 1910, awaiting deeds of cession from Mr. Kitchen and others.

112. Laying out an extension of Williamsbridge road, from Bronxwood ave. to White Plains ave. and Burke ave. See

also page 114 of Local Board minutes, 1910. Petition signed by C. Adelbert Becker, Wm. C. Arnov and ten others. Under date of June 6, 1910, the report of the Topographical Bureau suggested that the petition be not approved. On motion, seconded, the matter was laid over until the next meeting after June 29, 1910, so as to give an opportunity for all interested parties to be heard. Mr. Weiss, of the Westchester Board of Trade, appeared in favor of the extension and said that he might have to pay part of the assessment. Mr. Michael J. Mack appeared at first to be opposed to the proposed extension, but later on in the meeting he withdrew his opposition. Dr. C. A. Becker appeared in favor, as did also Mr. Wm. C. Arnov.

87. Acquiring title to Baker ave., from Garfield st. to Van Nest ave. See previous minutes in this book on pages 92, 93 and 116. "The New York, New Haven and Hartford R. R. Co., New Haven, Conn., June 11, 1910. Cyrus C. Miller, President, Borough of The Bronx: Dear Sir—My attention has been called to letter dated May 16, addressed to you and signed by Mr. C. M. Sheafe, Jr., for this company, notifying you that this company will consent to laying out Baker ave., through the old Strang farm at Van Nest, provided the northerly line of Baker ave. be located 350 feet south of the southerly side of Van Nest ave. and parallel with the street in order that the new street may be half way between Van Nest ave. and another street which may be eventually located next to the railroad tracks. I also understand that this letter contains certain conditions and was not to be considered in any sense as a dedication. I as Commissioner of Real Estate for this company, and having in full charge all matters of this nature affecting its property, hereby notify you that the offer in said letter is absolutely withdrawn and the railroad company will protect whatever rights it may have in such manner as it may be advised. Yours truly (Signed), A. A. Maxwell, Commissioner of Real Estate." On motion, seconded, it was

Resolved, That proceedings be and the same hereby are initiated for acquiring title to the lands necessary for Baker ave., from Garfield st. to Van Nest ave., Borough of The Bronx.

Unanimously adopted.

767 of 1907. Regulating and grading, etc., E. 217th st., from White Plains road to Oakley (Ash) ave. Estimated cost, \$36,500; assessed valuation of the real estate included within the probable assessment is \$338,000. Lot cost about \$140.50. Two owners appeared in favor of the petition, which was signed by John Van Horn, Emma E. Van Horn, E. M. Hilkeman and 21 others. Opposition by one owner, who stated that several owners, who resided in Brooklyn, were opposed to the improvement. On motion, seconded, it was Resolved, That this proceeding be laid over until the meeting to be held after June 29, 1910. Adopted.

Miscellaneous — 145. Constructing a bridge at McLean ave., Webster ave. on the west to Nereid ave. on the east over Bronx River Valley, the N. Y. & H. R. R. and the N. Y., N. H. & H. R. R. tracks. The letter of Consulting Engineer Schaeffer, dated June 18, 1910, was read. Dr. How, Dr. Durland and Mr. Ullman and others appeared in opposition, and after discussion, the matter was laid over until the latter part of September. Mr. Martin Fletcher and others appeared in favor. Tentative map showing the laying out of Bronx Park East, from Morris Park ave. to White Plains road, and Fillmore st., from Park ave. to Bronx Park East, and modifying the lines of Unionport road, between Van Nest ave. and Burchill ave. See page 440, Letter Book 3, and page 20, Letter Book 1. This matter was submitted to the Local Board on a report dated June 18, 1910, from Mr. A. L. Schaeffer, Consulting Engineer. Alderman Mulhearn objected to the tentative map now before the Board being adopted unless Bronx Park East was to be used as a part of the proposed rapid transit route. On motion, seconded, it was

Resolved, That this Local Board hereby recommends to the favorable consideration of the Board of Estimate and Apportionment the tentative map showing the laying out of Bronx Park East, from Morris Park ave. to White Plains road; Fillmore st., from Park ave. to Bronx Park East, and modifying the lines of Unionport road, between Van Nest ave. and Burchill ave.

Affirmative—Alderman Sheridan and the President of the Borough of The Bronx. Negative—Mulhearn. Adopted.
