With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.*

- Win More Contracts at [nyc.gov/competetowin](http://nyc.gov/competetowin)

The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”*

**HHS ACCELERATOR**

To respond to human services Requests for Proposals (RFPs) released Fall 2013 and later, vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. To establish this, the City of New York is using the innovative procurement method, as permitted and in accordance with Section 3-12 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”). The new process will remove redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding will be more focused on program design, scope, and budget.

Important information about the new method:

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

RFPs to be managed by HHS Accelerator are listed on the NYC Procurement Roadmap located at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

**Participating NYC Agencies**

HHS Accelerator, led by the Deputy Mayor for Health and Human Services, is governed by an Executive Steering Committee of Agency

Heads who represent the following NYC Client and Community-based Services Agencies:

## AGENCY RULES

### ENVIRONMENTAL CONTROL BOARD

#### ■ NOTICE

#### Notice of Promulgation of Rule

**NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED in the Environmental Control Board (ECB)** in accordance with Sections 1049-a and 1043 of the New York City Charter and Chapter 14 of Title 17 of the Administrative Code. The ECB has amended its Health Code and Miscellaneous Food Vendor Violations Penalty Schedule. This schedule is found in Section 3-110 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York. It contains penalties for notices of violation issued by the New York City Department of Health and Mental Hygiene (DOHMH). The rule was published in The City Record on March 18, 2014 and a Public Hearing was held on April 22, 2014.

#### Statement of Basis and Purpose of Final Rule

ECB has amended its penalty schedule to allow for enforcement of new laws and rules that set limits on volatile organic compound (VOC) emissions in carpets and carpet cushions. Local Law 2 of 2012 added a new Chapter 13 to Title 17 of the Administrative Code, effective July 1, 2013. After the law was passed, DOHMH enacted rules implementing this new chapter. Those rules became effective on August 23, 2013.

The ECB held a public hearing on April 22, 2014 regarding amendments to its Health Code and Miscellaneous Food Vendor Violations Penalty Schedule found in Section 3-110 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York. A representative from the NYC Department of Health and Mental Hygiene ("DOHMH") attended the April 22, 2014 public hearing. Neither written comments nor oral testimony were presented at the April 22, 2014 public hearing concerning the Proposed Rule regarding amendments to ECB's Health Code and Miscellaneous Food Vendor Violations Penalty Schedule.

VOCs are common chemical contaminants that easily evaporate into the air. Some VOCs may have short - or long-term adverse health effects. U.S. Environmental Protection Agency studies have consistently found that VOC levels can be two to five times higher indoors than outdoors. Their presence can be noticed as an odor from new building materials including carpet, carpet backing, carpet cushion and adhesives. Carpet products that limit VOC emissions protect public health by improving the indoor air quality in homes and workplaces.

The rule sets seven penalties, ranging from \$150 to \$500, related to VOC emissions:

1. Non-compliant carpet or carpet cushion sold, offered for sale or installed, first violation.
2. Non-compliant carpet or carpet cushion sold, offered for sale or installed, second violation.

3. Required notice not posted in a conspicuous location, or not provided in written or electronic form.
4. Required documentation not provided within three business days of request.
5. Receipt not provided to consumer.
6. Posted sign does not meet required specifications.
7. Notice text does not conform to wording requirement.

The penalties are within the limits of the penalty amounts authorized in Administrative Code section 17-1409. For violations issued under section 17-1402, a second and subsequent violation is a violation by the same respondent of the same section of law.

ECB's authority for these rules is also found in section 1049-a of the New York City Charter.

New material is underlined.

[Deleted material is in brackets.]

**§ 1. The Environmental Control Board has amended its Health Code and Miscellaneous Food Vendor Violations Penalty Schedule found in Section 3-110 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York and has revised the head notes by adding the following paragraph immediately after the paragraph ending in "See Health Code, section 3.11." to read as follows:**

For violations issued under section 17-1402, a second and subsequent violation is a violation by the same respondent of the same section of law.

**§ 2. The Environmental Control Board has amended its Health Code and Miscellaneous Food Vendor Violations Penalty Schedule found in Section 3-110 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York and has added 7 new charges after the entry in that schedule for NYC Admin. Code 17-197, "Improperly restraining animal out of doors" to read as follows:**

#### Notice of Promulgation of Rule

**NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED in the Environmental Control Board (ECB)** in accordance with Sections 1043(a) and 1049-a of the New York City Charter and Chapter 4-D of Title 16 of the Administrative Code of the City of New York. The ECB has amended its Sanitation Penalty Schedule found in Section 3-122 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York (RCNY). The amendments create penalties for new Administrative Code sections pertaining to the bulk collection of recyclable containers. These rules have created penalties for offenses that are heard and decided by ECB pursuant to Sections 1048, and 1049-a of the New York City Charter and Chapter 3 of Title 48 of the RCNY. The rule was published in The City Record on March 18, 2014 and a public hearing was held on April 22, 2014.

#### Statement of Basis and Purpose of Final Rule

On August 12, 2013, Mayor Bloomberg signed into law Intro. No. 893-A, also referred to as Local Law No. 57 of 2013. This law created a new chapter in Title 16 of the Administrative Code of the City of New York,

Chapter 4-D, which establishes several new violations related to the bulk collection of recyclable containers using motor vehicles.

The ECB held a public hearing on April 22, 2014 regarding amendments to its Sanitation Penalty Schedule found in Section 3-122 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York. A representative from the NYC Department of Health and Mental Hygiene (“DOHMH”) attended the April 22, 2014 public

hearing. Neither written comments nor oral testimony were presented at the April 22, 2014 public hearing concerning the Proposed Rule regarding amendments to ECB’s Sanitation Penalty Schedule.

The law prohibits the use of a motor vehicle to accept, receive, or collect recyclable containers in bulk from more than one person on streets and in public areas, except for by authorized city employees or agents or private carters licensed or registered pursuant to section 16-505 of the Administrative Code. It also restricts the transfer of recyclable containers in bulk from one vehicle to another on or in any street where one or more of the vehicles involved in the transfer has a commercial license plate. The use of city streets for this activity creates significant health and safety risks for pedestrians and drivers. Any owner of a motor vehicle used in violation of this law is also liable unless he or she can show that the vehicle was used without his or her knowledge.

On private property, if individuals wish to accept, receive, or otherwise collect recyclable containers in bulk from more than two persons, or to transfer recyclable containers in bulk from one motor vehicle to another, they must register with the Department of Sanitation. They must also ensure that they do not create nuisances or hazardous conditions by maintaining clean sidewalks and roadways around their sites. They also must satisfy annual reporting requirements, as specified in Administrative Code 16-473.

Pursuant to Sections 1048 and 1049-a of the New York City Charter and Chapter 3 of Title 48 of the RCNY, the New York City Environmental Control Board (ECB) hears and decides notices of violation issued for violations of the Administrative Code requirements pertaining to the acceptance of recyclable containers in bulk using motor vehicles. These requirements can be found in Chapter 4-D of Title 16 of the Administrative Code, enacted by Local Law 57 of 2013. The rule sets forth the penalties for these violations, which can result in fines of \$250 to \$1000 and/or an owner’s vehicle being impounded.

ECB’s authority for these rules is found in Chapter 4-D of Title 16 of the Administrative Code of the City of New York and Sections 1043(a) and 1049-a of the New York City Charter.

New material is underlined.

**Section 1. The Environmental Control Board has amended its Sanitation Penalty Schedule found in Section 3-122 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York by adding 8 new entries after the entry in the penalty schedule for Section 16-463(d)\*\*\*\*\*, “Unlawful receipt of refrigerant-containing item” to read as follows:**

■ NOTICE

DEPARTMENT OF HOUSING PRESERVATION & DEVELOPMENT (HPD) OFFICE OF MANAGEMENT AND BUDGET (OMB)

COMMUNITY DEVELOPMENT BLOCK GRANT - DISASTER RECOVERY PROGRAM

**EARLY NOTICE AND PUBLIC REVIEW OF A PROPOSED ACTIVITY IN A 100-YEAR FLOODPLAIN AND WETLANDS**

To: All Interested Agencies, Groups, and Individuals:

This is to give notice that the City of New York ("City") is proposing to undertake activities within a 100-year floodplain relating to the United States Department of Housing and Urban Development's ("HUD") Community Development Block Grant-Disaster Recovery ("CDBG-DR") program. President Obama signed the "Disaster Relief Appropriations Act, 2013" (Public Law 113-2) into law on January 29, 2013. Among other appropriations, the Act included \$16 billion in CDBG-DR funds "for necessary expenses related to disaster relief, long-term recovery, restoration of infrastructure and housing, and economic revitalization in the most impacted and distressed areas resulting from Hurricane Sandy". This notice is required by Section 2(a)(4) of Executive Order 11988 for Floodplain Management and is implemented by HUD Regulations found at 24 CFR 55.20(b) for the HUD action that is within and/or affects a floodplain. Under 24 CFR Part 58, the City, as the Recipient of the grant funds, has identified its Office of Management and Budget (OMB) as the Responsible Entity (RE) for maintaining the CDBG-DR Environmental Review Record (ERR).

Projects funded with CDBG-DR would be located in areas of impact from Hurricane Sandy throughout the five Boroughs of New York City. The City anticipates that most of the grant would be targeted toward rehabilitation or reconstruction activities designed to help victims of Hurricane Sandy, including homeowners and tenants of rental properties to achieve permanent, sustainable housing solutions that allow them to remain in New York City, and return to their neighborhoods where possible.

The City's initial allocation of CDBG-DR funds is \$1,772,820,000. Of this total, the City has allocated \$648 million in funding for assistance to address the various unmet housing needs it has identified so far. The focus of this notice is the Multi-family Building Rehabilitation Program, which will be administered by the Department of Housing Preservation & Development ("HPD"). Of the initial \$648 million of CDBG-DR allocated to housing, \$225 million would be provided to HPD for the rehabilitation of multifamily buildings (5+ units) and 3-4 unit buildings that are not owner-occupied. The properties shown below are subject to this public notice:

This public notice and the associated maps for the affected properties listed above are available for viewing using the following link <http://www.nyc.gov/builditback> and then clicking on "Reports and Public Notices".

There are three primary purposes for this notice. First, people who may be affected by activities in floodplains and those who have an interest in the protection of the natural environment should be given an opportunity to express their concerns and provide information about these areas. Second, an adequate public notice program can be an important public educational tool. The dissemination of information about floodplains can facilitate and enhance Federal efforts to

reduce the risks associated with the occupancy and modification of these special areas. Third, as a matter of fairness, when the Federal government determines it will participate in actions taking place in floodplains, it must inform those who may be put at greater or continued risk. The 8-Step Decision Making Process includes public notices and the examination of practicable alternatives to building in the floodplain as well as potential mitigation measures. Applicants receiving CDBG-DR construction assistance for residential properties partially or wholly situated within the 100-year floodplain will be required to participate in the National Flood Insurance Program.

HPD is interested in alternatives and public perceptions of possible adverse impacts that could result from these projects as well as potential mitigation measures. The activities will occur in areas served by existing infrastructure. All interested persons, groups and agencies are invited to submit comments regarding the proposed use of federal funds to support a project located in a floodplain. Written comments should be sent to HPD at 100 Gold Street, New York, NY 10038, Attn: Patrick Blanchfield, Director of Environmental Planning, Office of Development, Room 9I-7. Comments may also be submitted electronically to [nepa\\_env@hpd.nyc.gov](mailto:nepa_env@hpd.nyc.gov). All comments must be received on or before the 15th day following the date of this notice.
