

2020-06-16

To: Sustainability, Mayor's Office of (Sustainability)

From: Municipal Library Staff

The New York City Charter, Chapter 49, Section 1133, requires that agencies submit to the Department of Records and Information Services (DORIS) all reports, documents, studies and publications required by local law, executive order, or mayoral directive to be published, issued, or transmitted to the City Council or Mayor, within 10 business days of their publication. For any report that is not received within 10 business days of the publication date, DORIS is required to email the agency to request the report, and to provide the text of that email in place of the report in the Government Publications Portal.

Consistent with these requirements, DORIS hereby requests the transmission of the report shown below, which DORIS has not received as of 2020-06-16. Please submit this report to the Government Publications Portal. If you have questions, please contact staff at the Municipal Library at appdev@records.nyc.gov.

Required Report Type: Preliminary Report on Study on Feasibility of Implementing Community Choice Aggregation Programs

Report Description: Preliminary report of progress of study including analysis of potential economic and environmental impacts of implementing such program(s) in the city, including costs to individual consumers and a discussion of any potential fees related to the operation of such program would be required; 2. A discussion of any potential regulatory barriers to implementing such program(s) in the city; 3. Recommendation of any regulatory and consumer protections that should be implemented with such program(s); 4. An analysis of the tradeoffs of different partnership models; 5. An assessment of whether such program(s) should be implemented citywide, on a borough-wide basis, at a community district level or in environmental justice areas; 6. The costs and benefits of implementation of an opt-in program and an opt-out program, and a comparison of the two types of programs, and whether the potential geographic area of a program would affect such costs and benefits

Reporting Frequency: Once
