"Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and Women-Owned Businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

• Win More Contracts, at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design scope and budget funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at http://www.nyc.gov/html/hhsaccelerator/html/ roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)

Department for the Aging (DFTA)

Department of Consumer Affairs (DCA)

Department of Corrections (DOC)

COMMISSION ON HUMAN RIGHTS

■ NOTICE

Notice of Adoption

NOTICE IS HEREBY GIVEN, pursuant to the authority vested in the New York City Commission on Human Rights ("Commission") by section 905(e)(9) of the New York City Charter and in accordance with the requirements of Section 1043 of the Charter, that the Commission has adopted new rules governing pre-employment testing for marijuana.

The required public hearing was held on April 16, 2020. The Commission voted to adopt the final rules at a public meeting held on June 16, 2020.

Statement of Basis and Purpose of Rule

The New York City Commission on Human Rights (the "Commission") is amending its rules to add exceptions to the general prohibition on preemployment testing for tetrahydrocannabinols or marijuana.

The Commission's authority for these rules is found in sections 905(e)(9) and 1043 of the New York City Charter and section 8-107(31) of the Administrative Code.

New material is underlined.

[Deleted material is in brackets.]

"Shall" and "must" denotes mandatory requirements and may be used accordingly, unless otherwise specified or unless the context clearly indicates otherwise.

Chapter 2 of title 47 of the Official Compilation of the Rules of the City of New York is amended by adding a new section 2-07 to read as follows:

§ 2-07 Exceptions to the General Prohibition on Preemployment Testing for Tetrahydrocannabinols or Marijuana

- (a) Exceptions Based on Significant Impact to Health or Safety:

 A position is deemed to significantly impact the health or
 safety of employees or members of the public and to be
 exempt from the prohibition on preemployment testing for
 tetrahydrocannabinols or marijuana under section 8-107(31)
 of the Administrative Code if:
 - (1) The position requires that an employee regularly, or within one week of beginning employment, work on an active construction site;
 - (2) The position requires that an employee regularly operate heavy machinery;
 - (3) The position requires that an employee regularly work on or near power or gas utility lines;
 - (4) The position requires that an employee operate a motor vehicle on most work shifts;
 - (5) The position requires work relating to fueling an aircraft, providing information regarding aircraft weight and balance, or maintaining or operating aircraft support equipment; or
 - (6) Impairment would interfere with the employee's ability to take adequate care in the carrying out of his or her job duties and would pose an immediate risk of death or serious physical harm to the employee or to other people.
- (b) For purposes of this section, a "significant impact on health and safety" does not include concerns that a positive test for tetrahydrocannabinols or marijuana indicates a lack of trustworthiness or lack of moral character.

ADMINISTRATION FOR CHILDREN'S SERVICES

■ NOTICE

In advance of the release of Request for Proposals for Family Enrichment Centers, NYC Administration for Children Services (ACS) is issuing a concept paper presenting the purpose and plan for this program. The Family Enrichment Centers program is one of ACS' continuum of services to engage with families to address preventable, poverty-driven challenges and to strengthen families to help avert child welfare system involvement.

Through the RFP, ACS is seeking appropriately qualified vendors, to provide services, at the Family Enrichment Centers (FECs). The purpose of the FECs is to build protective factors that strengthen well-being and stability. Key aspects of the program approach that support this include creating a welcoming, safe, and accessible home-like environment that is open to all, where neighbors can connect, contribute, to their community, find resources, support one another, and build protective factors that help their families thrive.

The Concept Paper will be posted on the ACS website, www.nyc.gov/acs from June 19, 2020 through August 10, 2020.

All comments in response, to the Concept Paper should be in writing via email to: FEC-CP@acs.nyc.gov, by 2:00 P.M. on August 10, 2020.
