Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise; and that he has offered himself as a surety in good faith, and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

Bidders will state the price for doing either of the works by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect within five days after notice that the contract has been awarded to him to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Payment will be made by a requisition on the Comptroller, issued in the manner specified in the contract.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

The form of the agreement, including specifications, and showing the manner of payment for the work, will be furnished at the office of the Department.

**CHAPTER 33.**  
AN ACT relative to the collection of taxes and assessments,  
and of arrears of taxes and assessments, and Croton  
water rents, in the City of New York.

(Passed March 16, 1881; three-fifths being present.)  
The People of the State of New York, represented in  
Senate and Assembly, do enact as follows:

Section 1. If any taxes of any year shall remain unpaid  
on the first day of November, after the assessment-rolls  
and the warrants to collect such taxes have been delivered  
to the Receiver of Taxes in the City of New York, it shall  
be the duty of said Receiver to give public notice, by ad-  
vertisement for at least ten days, in two of the daily news-  
papers, and in the CITY RECORD, printed and published in  
said city, respectively, that unless the same shall be paid  
to him at his office on or before the first day of December,  
in any such year, he will immediately thereafter proceed  
to collect such unpaid taxes, as provided in the following  
section of this act:

Section 2. If any such tax shall remain unpaid on the  
said first day of December, it shall be the duty of the said  
Receiver of Taxes in said city to charge, receive, and collect  
upon such tax so remaining unpaid on that day, in addi-  
tion to the amount of such tax, one per centum on the  
amount thereof; and to charge, receive, and collect upon  
such tax so remaining unpaid on the first day of January  
thereafter, interest upon the amount thereof at the rate of  
seven per centum per annum, to be calculated from the  
day on which said assessment-rolls and warrants shall  
have been delivered to the said Receiver of Taxes to the  
date of payment.

The same rate of interest shall be so charged and col-  
lected upon any tax levied in the year eighteen hundred  
and eighty, remaining unpaid at the date of the passage of  
this act.

Section 3. All existing provisions of law which impose a  
charge and require the collection of interest at the rate of  
twelve per centum per annum upon arrears of taxes on  
real and personal estate within the City of New York,  
upon arrears of assessments for local improvements and  
street openings in said city, and upon arrears of Croton  
water rents in said city, are hereby repealed; and in lieu  
of such charge of interest at the rate of twelve per centum  
per annum, there shall be charged and collected by the  
officer authorized to collect and receive any such arrears  
of taxes and assessments and Croton water rents, interest  
upon the amount thereof at the rate of seven per centum

quired by law to be calculated thereon. This provision  
shall apply to taxes, assessments, or Croton water rents  
remaining unpaid and due, for the non-payment of which  
the lands and tenements liable therefor shall be hereafter  
sold at public auction as now provided by law; provided,

affect the rights of purchasers at sales for taxes, assess-  
ments, or Croton water rents, heretofore made, or to  
authorize the redemption of lands and tenements from  
sales heretofore made for any lesser sums than the sums  
collectible for such redemption under the provisions of  
existing laws.

Section 4. It shall be the duty of the Comptroller of the  
City of New York to give public notice by advertisement

for at least ten days, in the CITY RECORD, printed and

of any assessment for a local improvement or street open-  
ing in said city, that the same has been confirmed  
specifying the title of such assessment and the date of its  
confirmation by the Board of Revision and Correction of  
Assessments in proceedings for local improvements, and

ments kept in the Bureau for the Collection of Assessments,  
and of Arrears of Taxes and Assessments, and of Croton  
water rents, notifying all persons, owners of property  
affected by any such assessment, that, unless the amount  
assessed for benefit on any person or property shall be  
paid within sixty days after the date of said entry of any  
such assessment, interest shall thereafter be collected  
thereon as provided in the following section of this act,  
and all provisions of law or ordinance requiring any other  
or different notice of assessments and interest thereon are  
hereby repealed.

Section 5. If any such assessment shall remain unpaid  
for the period of sixty days after the date of entry thereof  
in the said record of titles of assessments, it shall be the  
duty of the officer authorized to collect and receive the  
amount of such assessment, to charge, collect, and receive  
legal interest thereon, at the rate of seven per centum per
