#### "Compete To Win" More Contracts!

*Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.*

- Win More Contracts at [nyc.gov/competetowin](http://nyc.gov/competetowin)

*"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."*

#### HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.

- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

**Participating NYC Agencies**

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)

## AGENCY RULES

### OFFICE OF THE MAYOR

■ NOTICE

**MAYOR'S OFFICE OF CITYWIDE EVENT COORDINATION AND MANAGEMENT  
STREET ACTIVITY PERMIT OFFICE  
NOTICE OF ADOPTION**

**NOTICE IS HEREBY GIVEN, PURSUANT TO THE AUTHORITY VESTED IN THE** Office of Citywide Events Coordination and Management by Executive Order No. 105 of 2007, and in accordance with Section 1043 of the Charter, that the Office of Citywide Events Coordination and Management proposes to amend Chapter 1 of Title 50 of the Official Compilation of Rules of the City of New York relating to street activity permits. This rule proposal was not included in the regulatory agenda because it was not contemplated at the time of publication of the regulatory agenda.

Notice regarding a public hearing about the amendment was first published on October 31, 2018, with a hearing held November 30, 2018 and the agency accepting comments until November 30, 2018. The agency was prepared to make available for public inspection all written and oral comments it received on the matter, within a reasonable time after receipt, between the hours of 9:30 A.M. and 4:30 P.M. at the Office of Citywide Events Coordination and Management, 253 Broadway, 6th Floor, New York, NY 10007.

This amendment will take effect immediately.

**Statement of Basis and Purpose of Rule**

The Office of Citywide Events Coordination and Management (OCECM), Street Activity Permit Office (SAPO) administers New York City's permit system for street activities, block parties and fairs.

Each year SAPO issues permits to over 200 street fairs and over 5,000 other events, most of which include the use of multiple blocks over several days, the erection of structures, the vending of food, apparel and other goods and the use of amplified sound and the performance of music. Events like these require additional police officers which increases overtime costs to the City. These events also divert police officers from core crime fighting, public safety and counter terrorism duties.

To more effectively deploy police resources and control overtime costs, the New York City Police Department has requested that SAPO exercise its discretion temporarily to deny permits for additional events scheduled for calendar year 2019. The rule will authorize SAPO to deny permits to these events only if the event was not held in the calendar year 2018. Events that received permits in calendar year 2018 will be eligible to receive permits again in calendar year 2019.

SAPO authority for these rules is found in Section 1043 of the New York City Charter and Executive Order No. 105 of 2007.

New material is underlined.  
[Deleted material is in brackets.]

“Shall” and “must” denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1-05(d) of Chapter 1 of Title 50 of the Rules of the City of New York is amended to read as set forth below.

(d) For the calendar year [2018] 2019, the Director will deny applications for Street event permits for street fairs not held in the calendar year [2017] 2018.

**Statement of Substantial Need for Earlier Implementation**

I hereby find, pursuant to Section 1043(f)(1)(c) of the New York City Charter, that there is a substantial need for the implementation, immediately upon its final publication in The City Record, of a rule to extend, for an additional one-year period, the authority of the Director of the Office of Citywide Event Coordination and Management (OCECM), set forth in Section 1-05(d) of Chapter 1 of Title 50 of the Rules of the City of New York, to deny applications for street activity permits for events not held in the preceding calendar year.

Up to 200 SAPO-permitted street fairs and over 5,000 events occur annually within the City. Almost all of these events involve permits for the use of multiple blocks over several days, the erection of structures, the vending of food, apparel and other goods and the use of amplified sound and the performance of music. Such events require additional police presence and increase overtime expenditure by the City. In order to effectively deploy police resources, the New York City Police Department has requested for the calendar year 2019 that SAPO exercise its discretion temporarily to deny permits for additional events that place an excessive burden on police resources and divert uniformed personnel from core crime fighting, public safety and counter terrorism duties.

In the interests of protecting the City and its inhabitants, these rules will authorize SAPO to deny permits to events for an additional year if the event was not held prior to the new effective date.
