In connection therewith the Deputy and Acting Comptroller presented the following report and offered the following resolution:

March 23, 1916.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—On March 15th, 1916, the Commissioner of Docks requested that the Commissioners of the Sinking Fund approve of and consent to the execution by the Commissioner of Docks of a lease to the Central Railroad of New Jersey, of land under water for an extension to Pier No. 46, North River, Borough of Manhattan.

The company is to build or to cause to be built at its own expense the extension to said pier. The lease is to commence on the date the Chief Engineer of Docks and Ferries shall certify that the extension is completed and ready for occupation, but

not later than July 1st, 1916, and is to expire on October 25, 1924, the date of expiration of the lease of the pier.

The annual rental to be 27½ cents per square foot for the area of land under water covered by said extension.

The lessee to have the right to erect and maintain during the continuance of the lease, an extension to Pier No. 46 North River, together with a shed on said extension. The said extension to the pier and the shed erected thereon are to revert to the City at the expiration or sooner termination of the lease.

The remaining terms and conditions of the lease, excepting in so far as they are inconsistent herewith, are to be similar to those contained in leases of land under water now used by the Department of Docks and Ferries.

The rental fixed, 27½ cents per square foot for land under water, I consider reasonable, and the same as that approved for similar cases.

I therefore recommend the adoption of the attached resolution approving the request. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution by the Commissioner of Docks of a lease to the Central Railroad of New Jersey, of the land under water to be covered by extension to Pier 46, North River, bounded and described as follows: Beginning at a point in the northwest corner of Pier 46, North River, and running thence southerly and along the outer end of said pier a distance of sixty feet (60 ft.), more or less, to the southwest corner; thence westerly and along the prolongation of the southerly side of the pier seventy-six and forty-three hundredths feet (76.43 ft.) to the pierhead line modified by the Secretary of War, March 1, 1913; thence northerly and along the said pierhead line to its intersection with the westerly prolongation of the northerly side of Pier 46; thence easterly and along said prolongation seventy-four and ninety-one hundredths feet (74.91 ft.) to the point or place of beginning. Comprising an area of four thousand five hundred and forty and twenty-hundredths square feet (4,540.20 sq. ft.). The lease of said extension to commence upon the day when the Chief Engineer of the Department of Docks and Ferries certifies that the said extension is completed and ready for occupation, but not later than July 1, 1916, and expiring October 25, 1924. The annual rental to be at the rate of twenty-seven and one-half cents (27½ cents) per square foot for the area of land covered by said extension as said area shall be shown by the surveys of the Department of Docks and Ferries. The lessee shall have the right to erect and maintain during the continuance of the lease upon the land under water above described an extension to Pier 46, North River, together with a shed on said extension; any shed and any and all structures erected under and in pursuance of the provisions of this lease shall be constructed under the direction and supervision of the Chief Engineer of the Department of Docks and Ferries and shall revert to and become the property of the City of New York at the expiration or sooner termination of the lease. The remaining terms and conditions of the lease except in so far as they are inconsistent herewith shall be similar to those contained in leases of land under water now used by the Department of Docks and Ferries.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

Dock Department—Lease to the Thedford-Eltz Coal Company, of Property at the Foot of West 58th Street, Borough of Manhattan.

The following communication was received from the Commissioner of Docks: February 26, 1916.

Hon. John Purroy Mitchel, Mayor and Chairman of the Commissioners of the Sinking Fund.

Sir: A lease has been granted to the Navigazione Generale Italiana of the piers foot of West 56th Street and West 57th Street and the bulkhead commencing at a point 100.17 feet north of the northerly line of West 55th Street extended and running thence northerly a distance of 566.69 feet, which contains the following provision:

"It is understood and agreed that the City will not lease the south side of West 58th Street pier, the half bulkhead adjoining the south side of said pier, and the water adjacent thereto without the consent of the lessee; but it is the intention of the City that this property shall be used for the purposes of the Department of Docks and Ferries and for such commercial purposes as will not interfere with the proper operation of the lessee's business."

I therefore beg to recommend that the Commissioners of the Sinking Fund adopt a resolution approving of and consenting to the execution by the Commissioner of Docks of the following described lease:

Proposed Lessee: The Thedford-Eltz Coal Company, a corporation organized and existing under the laws of the State of New York and having an office at No. 615 West 57th Street, in the Borough of Manhattan, City of New York.

Description of Premises: Fifty (50) feet of the south side, inner end of the pier at the foot of West 58th Street, North River, with the half bulkhead adjoining the said south side, 95.73 feet in length, and upland fifty (50) feet in width in rear of said bulkhead, containing an area of 4,786.50 square feet.

Term: The lease shall commence on the date that the lessee takes possession of the premises but not later than May 1, 1916, and shall be for a term of five (5) years, with privilege of renewal for a further term of five (5) years.

Rental: The rental shall be \$4,200 per annum for the first five years and 10 per cent. advance for the renewal term.

Coal Pockets, Etc.: The lessee shall have the privilege of erecting on the premises hereinbefore described such coal pockets and coal handling appliances as are necessary for carrying on its business.

Dredging: The Department will dredge to a depth of at least 15 feet at mean low water in the slip adjoining the premises, making such depth as close to the bulkhead wall as practicable, before commencement of the lease.

Consent of Navigazione Generale Italiana: The Navigazione Generale Italiana have consented to the lease by the City of said fifty (50) feet at the inshore end of the south side of West 58th Street pier and of the bulkhead adjoining the south side of said pier and the waters adjacent thereto, reserving the right to cancel its consent if the berthing of boats and the handling of coal should prove detrimental to the comfort of its passengers and proper operation of its traffic. It is understood and agreed, therefore, that this lease shall be subject to the reservation of the Navigazione Generale Italiana of the right to cancel its consent to the granting of the lease if the berthing of boats and the handling of coal shall prove detrimental to the comfort of passengers and the proper operation of the traffic of said lines.

Remaining Terms: The remaining terms and conditions of the lease except insofar as they are inconsistent herewith shall be the same as those contained in leases of wharf property now used by this Department. Yours respectfully,

R. A. C. SMITH, Commissioner of Docks.

Street Cleaning Department—Lease for, of the Premises at No. 166 East 205th Street, Borough of The Bronx.

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

March 24, 1916.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The Commissioner of the Department of Street Cleaning, in a communication to your Board under date of March 18, 1916, requests a lease of a plot of land 50.42 feet by about 133 feet deep, with two and one-half frame building thereon, at 166 East 205th Street, Borough of the Bronx, for a period of three years from May 1, 1916, at an annual rental of \$360.

The building is approximately 16 feet by 32 feet and contains eight rooms and cellar, and is to be used as a section station for Section No. 12, consisting of twenty-eight men who are now using, with Section No. 11, comprising twenty-five men, the premises at 535 Fordham Road. These latter premises are not centrally located for the men working in Section 12, and are inadequate to house the men of both sections.

The property at 166 East 205th Street has been appraised by the Division of Real Estate of this Department at \$5,200, and the rental of \$360 a year is therefore 6 12-13 per cent. of said value. The previous tenant of these premises paid \$30 a month, the same as now asked.

Deeming the rent reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease of the premises at 166 East 205th Street, Borough of the Bronx, consisting of a plot of land approximately 50 feet front by 133 feet deep, with a two and one-half story frame building thereon, for use of the Department of Street Cleaning, for a period of three years from May 1, 1916, at an annual rental of \$360, payable quarterly; the lessor to put the premises in tenantable condition, pay taxes and water rates and make inside and outside repairs, the lessee to furnish heat, light and janitor service. Lessor, Eleanor R. King, 2783 Webster Avenue, Borough of the Bronx. Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution by the Commissioner of Street Cleaning, of a lease to the City of premises at No. 166 East 205th Street, Borough of The Bronx, consisting of a plot of land approximately 50 feet front by 133 feet deep, with a two and one-half story frame building thereon, for use of the Department of Street Cleaning, for a period of three years from May 1, 1916, at an annual rental of three hundred and sixty dollars (\$360), payable quarterly; the lessor to put the premises in tenantable condition, pay taxes and water rates and make inside and outside repairs; the lessee to furnish heat, light and janitor service; lessor, Eleanor R. King; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

Street Cleaning Department—Lease for, of Premises at No. 320 Evergreen Avenue, Borough of Brooklyn.

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

March 17, 1916.

To the Commissioners of the Sinking Fund, City of New York:

Gentlemen—The Commissioner of the Department of Street Cleaning, in a communication to your Board under date of January 31, 1916, requests a lease of premises at No. 320 Evergreen Avenue, Borough of Brooklyn, for a period of three years from May 1, 1916, at an annual rental of \$300.

The premises in question consist of a store floor 20 feet by 56 feet, with cellar space of size 25 feet by 35 feet, and part of yard 10 feet by 18 feet, in premises No. 320 Evergreen Avenue, corner of Stanhope Street, Borough of Brooklyn, and are for use of Section 26, consisting of twenty-eight men, who are at present sharing, with Section 25, the premises at 608 Hart Street, Borough of Brooklyn, and which premises are inadequate to house the men of both sections.

The rental of \$300 a year is less than paid for similar store premises at No. 304 Evergreen Avenue, which are rented for \$480 a year.

Deeming the rent reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease of the store floor with cellar space, 25 feet by 35 feet, and yard space, 10 feet and 18 feet, in the premises No. 320 Evergreen Avenue, Borough of Brooklyn, for use of the Department of Street Cleaning, for a period of three years from May 1, 1916, at an annual rental of \$300, payable quarterly; the lessor to pay taxes and assessments, put the premises in tenantable condition satisfactory to the Commissioner of the Department of Street Cleaning, and make outside repairs; the lessee to pay water rates, furnish heat, light and caretaker, and make such inside repairs as it may deem necessary during occupation. Lessor, Elizabeth Olvany, 320 Evergreen Avenue, Borough of Brooklyn. Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Commissioner of Street Cleaning, of a lease to the City, of the store floor with cellar and yard space in the premises No. 320 Evergreen Avenue, Borough of Brooklyn, for use of the Department of Street Cleaning for a period of three years from May 1, 1916, at an annual rental of three hundred dollars (\$300), payable quarterly; the lessor to pay taxes and assessments, put the premises in tenantable condition satisfactory to the Commissioner of the Department of Street Cleaning and make outside repairs; the lessee to pay water rates, furnish heat, light and caretaker and make such inside repairs as it may deem necessary during occupation; lessor, Elizabeth Olvany; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

Street Cleaning Department—Lease for, of Premises at No. 332 East 24th Street, Borough of Manhattan.

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

March 24, 1916.

To the Commissioners of the Sinking Fund, City of New York:

Gentlemen—The Commissioner of the Department of Street Cleaning, in a communication to your Board under date of February 18, 1916, requests a lease of the premises No. 332 East 24th Street, Borough of Manhattan, for a period of three years from May 1, 1916, at an annual rental of \$600.

The premises in question consist of a store 16 feet (average) wide by 61 feet deep, yard space 25 feet wide by 14 feet deep, and cellar space 20 feet by 25 feet, and are for use as a section station, to take the place of premises now used for such purposes at 319 East 24th Street, the lease of which expires May 1, 1916, and is not to be renewed, as said premises are inadequate to properly house the men attached to this section and are not large enough to store the equipment and tools used in said district.

The premises proposed to be leased were formerly rented at \$720 a year, and through the efforts of the Division of Real Estate of this department the lessor has agreed to rent the same to the City at a rental of \$480 a year. This will affect a saving of \$360 for the term, over the amount mentioned in the Commissioner's letter.

Deeming the rent reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease of the store floor, yard space 25 feet wide by 14 feet deep, and space of approximately 20 feet by 25 feet in the cellar of the premises at No. 332 East 24th Street, Borough of Manhattan, for use of the Department of Street Cleaning, for a period of three years from May 1, 1916, at an annual rental of \$480, payable quarterly; the lessor to put the premises in tenantable condition satisfactory to the Department of Street Cleaning, pay taxes and make outside repairs; the lessee to furnish heat and light, pay for water used in the demised premises, furnish janitor service for premises leased to the City and make such inside repairs as it may deem necessary. Lessor, Sampson Realty Corporation, 40 West 111th Street, Borough of Manhattan.

Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Commissioner of Street Cleaning, of a lease to the City, of the store floor, yard space, and space of approximately 20x25 feet in the cellar of premises at No. 332 East 24th Street, Borough of Manhattan, for use of the Department of Street Cleaning, for a period of three years from May 1, 1916, at an annual rental of four hundred and eighty dollars (\$480), payable quarterly; the lessor to put the premises in tenantable condition satisfactory to the Department of Street Cleaning, pay taxes and make outside repairs; the lessee to furnish heat and light, pay for water used in the demised premises, furnish janitor service for premises leased to the City, and make such inside repairs as it may deem necessary; lessor, Sampson Realty Corporation; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable, and that it would be for the interests of the City that such lease be made.

Gentlemen—At a meeting of your Board held February 23, 1916, a resolution was adopted authorizing the Comptroller to pay to William C. Bergen, without the necessity of entering into a lease therefor, rent for a period of not more than two months from March 1, 1916, at the rate of 75 cents per square foot per annum, for certain space in the modern fireproof building adjacent to and adjoining the present building known as the Bergen Building, located on the southeast corner of Tremont and Arthur Avenues, Borough of The Bronx, which included 1,040 square feet in the front of the fourth floor, for the use of the District Attorney as a Grand Jury room, and 1,700 square feet in the front of the third floor to be used as a library.

It has been found possible to provide quarters for the Grand Jury in the Court House Building at 161st Street and Third Avenue, and inasmuch as it is necessary to establish another Part of the County Court of Bronx County for the trial of civil cases, it has been arranged that the space referred to in this resolution as 1,700 square feet in the front of the third floor to be used as a library, shall be used for this purpose, and the 1,040 square feet in the front of the fourth floor mentioned in this resolution, for the use of the District Attorney as a Grand Jury room, shall be used as a Law Library.

I therefore respectfully recommend that the above mentioned resolution be rescinded, and that the attached resolution be adopted in place thereof.

Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

Public Administrator, New York County—Renewal of Lease for, of Premises at No. 119 Nassau Street, Borough of Manhattan.

Laid over.

Second Battalion Naval Militia—Hiring by, of Rooms at No. 2 Rector Street, Borough of Manhattan.

Laid over.

Board of Inebriety—Renewal of Lease for, of Premises on Edenville Road, Warwick, Orange County, New York.

The Deputy and Acting Comptroller presented the following report and offered the following resolutions:

March 24, 1916.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—On February 23, 1916, the Commissioners of the Sinking Fund adopted a resolution authorizing a renewal of the lease to the City of the premises located on Edenville Road, Warwick, Orange County, New York, for use of the Medical Director of the Board of Inebriety, for a period of one year from May 1, 1916, at a rental of \$100 a month, payable monthly, and upon certain terms and conditions; one of the conditions providing that the lessee is to furnish men from the institution to work and care for the grounds, garden, buildings, etc.

I am now in receipt of a communication from the Executive Secretary of the Board of Inebriety, dated March 13, 1916, transmitting letter from the Medical Director, suggesting certain changes in the renewal of this lease, in conformity with the understanding tentatively agreed to by the said Medical Director and the Executors of the Johnson Estate, which provides for the discontinuance of the employment of a second man by the Estate, and the assurance that the City would supply such inmate labor as might be necessary for the proper upkeep of the grounds, garden, building, etc., to supplement the work of the farm superintendent employed by the Estate.

These changes are, in my opinion, an advantage to the City, inasmuch as they require the Estate to pay and maintain one man to work and care for the premises in question and do not vest the entire responsibility for the garden, grounds, etc., on the City.

I, therefore, respectfully recommend that the resolution hereinbefore referred to and adopted February 23, 1916, be rescinded, and the rent being reasonable and just, that the Commissioners of the Sinking Fund adopt a further resolution authorizing a renewal of the lease of premises owned by the Estate of S. W. Johnson, and located on Edenville Road, between Dublin Road and Van Duzer Avenue, Warwick, Orange County, New York, consisting of a tract of 31 acres, with three-story and cellar frame building, completely furnished, and five outbuildings, for a period of one year from May 1, 1916, at a rental of \$100 a month, payable monthly, for use of the Medical Director of the Board of Inebriety; the lessors to pay taxes and water rates; pay for fire insurance on the said buildings herein demised and the contents thereof; keep the said premises in good and tenantable condition and to make all inside and outside repairs thereto during the said term or any renewal thereof; also to pay and maintain one man to work and care for the grounds, garden, buildings, etc.; the lessee to supply the necessary assistance with inmate labor, and furnish heat and light. The lease to contain a clause whereby the same may be cancelled on sixty days' notice in writing by either party. Lessors, Edward H. Johnson and Francis B. Sanford, as Executors of the Estate of S. W. Johnson, deceased, 165 Broadway, Manhattan.

Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.
Resolved, That the resolution adopted by this Board at meeting held February 23, 1916, authorizing a renewal of the lease to the City of premises located on Edenville Road, Warwick, Orange County, New York, for use of the Medical Director of the Board of Inebriety, for a period of one year from May 1, 1916, be and the same is hereby rescinded.

Resolved, That the Comptroller be and is hereby authorized and directed to execute a renewal of the lease to the City of the premises owned by the estate of S. W. Johnson, and located on Edenville Road, between Dublin Road and VanDuzer Avenue, Warwick, Orange County, New York, consisting of a tract of 31 acres, with three-story and cellar frame building, completely furnished, and five outbuildings, for a period of one year from May 1, 1916, at a rental of one hundred dollars (\$100) a month, payable monthly, for use of the Medical Director of the Board of Inebriety; the lessors to pay taxes and water rates, pay for fire insurance on the said buildings herein demised and the contents thereof; keep the said premises in good and tenantable condition and to make all inside and outside repairs thereto during the said term or any renewal thereof; also to pay and maintain one man to work and care for the grounds, garden, buildings, etc.; the lessee to supply the necessary assistance with inmate

labor, and furnish heat and light. The lease to contain a clause whereby the same may be cancelled on sixty days' notice in writing by either party; lessors, Edward H. Johnson and Francis B. Sanford, executors of the estate of S. W. Johnson, deceased; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolutions severally adopted, all the members present voting in the affirmative.

President, Borough of Queens—Hiring by, of Storage Space at the Foot of 22nd Street, Known as Roger's Basin, Borough of Brooklyn.

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

March 24, 1916.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The Commissioner of Public Works of the Borough of Queens in a communication to your Board under date of February 1, 1916, states that there was presented to his office bills from the Dime Savings Bank of Brooklyn, for \$146 and \$184, respectively, for the storage of a floating bath from July 1, 1914, to December 31, 1914, and January 1, 1915, to May 26, 1915, making in all a period of 330 days, at the rate of \$1 a day, or the sum of \$330.

A communication under date of November 24, 1914, addressed to the Honorable James A. Dayton, Commissioner of Public Works, Borough of Queens, and signed by Joseph Sullivan, Superintendent of Public Buildings and Offices, reads in part as follows:

"There is but one floating bath under the jurisdiction of the President, which is now located at the basin foot of East 22nd Street, South Brooklyn.

"The bath was not in use during the year 1914, owing to its condition. Early in the year 1914, a request was made for an issue of Special Revenue Bonds in the sum of \$1,604, for the purpose of making necessary repairs and for maintenance of floating bath No. 1. At a meeting of the Board of Estimate and Apportionment held July 9, 1914, an issue of Special Revenue Bonds was authorized for the above mentioned purpose in the sum of \$1,584, with the proviso that all obligations contracted for be incurred during the year 1914. With the exception of preparation of specifications for the proposed repairs, nothing has been done.

"At the present place of storage, the rate is \$1 per day, which includes watchman services.

"To secure a suitable berthing place from a sanitary standpoint, which at the same time affords a convenient location for those who desire to take advantage of bathing, has been given much consideration, but at the present time no suitable berthing place can be suggested.

"On account of the polluted condition of the waters where the bath would have to be located for the accommodation of those who would most use it, and as no provision has been made for the maintenance of the bath for the coming year, I would suggest that it be disposed of."

It would appear from the above communication that there was but one floating bath, which was never in use in the Borough of Queens for the purpose for which it was intended, having been kept in storage for the period above mentioned at the foot of West 22nd Street, Borough of Brooklyn, known as Rogers Basin.

The charge of \$1 a day with caretaker is the usual charge for all baths stored in said basin.

In pursuance of a resolution of the Commissioners of the Sinking Fund adopted March 3, 1915, this bath was sold at auction May 27, 1915.

Deeming the rent reasonable and just and it being the same as heretofore paid, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing the Comptroller to pay to the Dime Savings Bank of Brooklyn rental for storage space at the foot of 22nd Street, Borough of Brooklyn, known as Rogers Basin, for the storage of a public bath, which was formerly under the jurisdiction of the President of the Borough of Queens, from July 1, 1914, to December 31, 1914, and January 1, 1915, to May 26, 1915, at the rate of \$1 a day, or the sum of \$330, said rent to be paid for the actual number of days said bath was stored in Rogers Basin, payment to be made upon two separate vouchers, one in the sum of \$146 and the other in the sum of \$184, the same to be certified by the Commissioner of Public Works of the Borough of Queens, without the necessity of entering into a lease therefor, and to be payable from and chargeable to "Code 729, 1914, General Plant Service, Borough of Queens." Lessor, Dime Savings Bank of Brooklyn, DeKalb Avenue and Fulton Street, Brooklyn. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Comptroller be and is hereby authorized to pay to the Dime Savings Bank of Brooklyn rental for storage space at the foot of 22d Street, Borough of Brooklyn, known as Rogers Basin, for the storage of a public bath which was formerly under the jurisdiction of the President of the Borough of Queens, from July 1, 1914, to December 31, 1914, and January 1, 1915, to May 26, 1915, at the rate of one dollar a day, or the sum of three hundred and thirty dollars (\$330), said rent to be paid for the actual number of days said bath was stored in Rogers Basin; payment to be made upon two separate vouchers, one in the sum of one hundred and forty-six dollars (\$146) and the other in the sum of one hundred and eighty-four (\$184), the same to be certified by the Commissioner of Public Works of the Borough of Queens, without the necessity of entering into a lease therefor, and to be payable from and chargeable to Code 729-1914, General Plant Service, Borough of Queens.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

This letting to be subject to the condition that employes of the Police Department shall enter the premises only by the right of way at the north side of the property. The lessor to pay taxes; the lessee to make any necessary alterations or repairs. Respectfully,

President, Borough of Richmond—Assignment to, of Plot of Land Between Targee and Gordon Streets, in the Borough of Richmond, Turned Over by the Board of Education.

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

March 17, 1916.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The Commissioner of Public Works of the Borough of Richmond, in a communication to your Board under date of March 3, 1916, states that the Bureau of Highways is very much in need of a store yard in Stapleton, and requests the assignment to the President of the Borough of Richmond of a plot of land owned by the City of New York in the Borough of Richmond, 100 feet north of Elm Street, between Targee and Gordon Streets.

This plot of land was acquired by the City in 1907 and was surrendered to the Commissioners of the Sinking Fund by resolution of the Board of Education dated February 10, 1915.

I therefore respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution assigning to the President of the Borough of Richmond the vacant plot of land in the Borough of Richmond, bounded and described as follows:

Beginning at a point on the easterly side of Targee Street, said point being located 100 feet northerly from the intersection of the easterly side of Targee Street with the northerly side of Elm Street; running thence easterly and parallel with Elm Street 204 feet to the westerly side of Gordon Street; running thence northerly along the westerly side of Gordon Street 150 feet; running thence westerly and parallel with Elm Street 204 feet to the easterly side of Targee Street; running thence southerly along the easterly side of Targee Street 150 feet to the point or place of beginning, said premises being known and designated on the tax

maps of the City of New York, Borough of Richmond, as Lot 373, Plot 5, Volume 1, Ward 2.

—said assignment to continue during the pleasure of the Commissioners of the Sinking Fund. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

—said assignment to continue during the pleasure of the Commissioners of the Sinking Fund.

Park Department, Brooklyn—Application of, for Assignment of Property on Carroll Street, Between Hicks and Henry Streets, Borough of Brooklyn, for Use as a Playground.

The following was received:

Mr. JOHN KORB, Jr., Secretary, Sinking Fund Commission, Municipal Building New York City:

Dear Sir—Nearly two years ago I communicated with the Sinking Fund Commission requesting that an old unused school site at Carroll Street, near Henry Street, in the Borough of Brooklyn, be turned over to this department for the purpose of using it as a children's playground. Is it not possible to obtain some action on this request? We have only a few genuine public playgrounds in Brooklyn. Our borough is most inadequately supplied. In this particular section there is undoubtedly need for a playground and no question but what it would be crowded with children. The property involved has depreciated in value and could not be sold to very good advantage. Furthermore, vacant land in this section which has previously been used for makeshift playgrounds during the summer is being built up so that the section is less supplied than ever.

The city is not purchasing any new land in Brooklyn for parks or playgrounds, although the need is great and the population growing rapidly. It seems to me that the least the city can do is to make some of the property which it now holds available for this purpose.

Hoping that you will give this matter further consideration and that I may hear from you soon, I am, Very truly yours,

RAYMOND V. INGERSOLL, Commissioner.

This matter was considered by the Commissioners of the Sinking Fund at a meeting held March 25, 1914 (see minutes, 1914, page 316), at which the Comptroller presented a report in which he concluded as follows:

"The plot of ground on Hicks and Henry Streets was purchased by The City of New York through an issue of corporate stock, which means that the site was paid for by all the taxpayers within the Greater City.

At a meeting of the Board of Estimate and Apportionment held July 31, 1913, a resolution was adopted requesting the Corporation Counsel to acquire title to four square blocks of property in the Brownsville section of the Borough of Brooklyn, and to assess the entire cost thereof upon a certain area deemed to be benefited thereby. These lands are estimated to cost about \$240,000.

In adopting the above resolution the Board of Estimate and Apportionment determined upon the policy that no additional playgrounds would be acquired by The City of New York unless the owners of property within the district the playground is proposed to serve were willing to have the cost thereof proportionately assessed.

At a meeting of the Board of Estimate and Apportionment held October 16, 1913, a communication was presented from the President of the Harlem Board of Commerce, relative to the exchange of property owned by the Watt Estate, covering the square block bounded by Lenox Avenue, 7th Avenue, 139th and 140th Streets, in the Borough of Manhattan, for property owned by the City, which communication was referred to the Commissioners of the Sinking Fund, and in turn transmitted to me for consideration and report. The premises which the Harlem Board of Commerce desire the City to exchange for premises owned by the City is assessed for the year 1913 at \$738,500. This application should be denied, on the same grounds as the one under consideration, and I am presenting a report at this meeting recommending such action.

In my opinion there is no merit in the argument that because the City owns these premises they should be assigned to the Public Recreation Commission for playground purposes, as great injustice would be done to the Brownsville taxpayers, who are to pay for their playground by assessment. The only fair way to dispose of the matter is for the City to sell the school site in question, so that the proceeds will inure to the benefit of all the taxpayers in the Greater City.

I therefore recommend that the applications of the Old South Brooklyn Civic League and the Public Recreation Commission be denied, and that the Secretary of this Board be directed to send to the Board of Estimate and Apportionment a copy of this report."

A committee, consisting of the then President of the Board of Aldermen and the Chairman of the Finance Committee, Board of Aldermen, to which the matter was referred at the time, presented a report concluding as follows:

"It is accordingly the recommendation of your Committee that no definite policy as to defraying the cost of playgrounds be adopted, but each proposition be considered on its merits.

In respect to the Carroll Street site, your Committee has had an examination made of the property in question, and finds that it is situated in a section where additional playground facilities are needed. Within a half mile radius there is a population of between sixty and seventy thousand, largely Italian. The site in question is in the heart of this congested neighborhood and in and around it there are some six schools, four public and two parochial. None of these are provided with any recreational facilities, and in no way help to solve this problem. The nearest parks are Carroll and Red Hook Park; the former within two blocks of the site, but containing no playground, nor does this highly cultivated park lend itself to playground purposes. Red Hook Park has adjoining it a playground, but this is more than half a mile from the Carroll Street site, and even taking this into consideration, it is estimated that about ninety per cent. of the children of this congested neighborhood are without proper recreational advantages. Although of the opinion that a playground is needed in this neighborhood, your Committee is not absolutely convinced at this time that the Carroll Street property is the best location that could be chosen, and pending a final report recommends that no action be taken with a view to disposing of this property until such time as this Committee make a further report."

The report was accepted and the matter referred back to the Committee for a further report.

The matter has been in Committee ever since, and the present request of the Park Commissioner for action in the matter was referred to the Committee. The following report was received:

March 22, 1916,

To the Honorable Commissioners of the Sinking Fund:

Sirs—On March 18, 1916, Deputy and Acting Comptroller Brough sent us a communication dated March 7, 1916, from the Commissioner of Parks of the Borough of Brooklyn, asking for action on a request to turn over property on Carroll Street purchased in 1907 for a school site to his department for use as a playground. This proposition has been pending before the Commission for quite a long period, and we find that on March 25, 1914, a report was made by our predecessors to the effect that while, in their opinion, a playground is needed in this neighborhood, they were not absolutely convinced that this property is the best location that could be

chosen. We further find a communication addressed to the Sinking Fund Commission on February 19, 1914, signed by Comptroller Prendergast, in which he recommends that this application be denied, that the city sell the school site in question and that if a playground is established in this neighborhood, it be paid for by assessment.

This site is located just over the border line of the District represented by the Chairman of the Finance Committee of the Board of Aldermen, and he has made a personal inquiry as to the attitude toward this proposition held by residents and managers of institutions in this vicinity, and, from what he can ascertain, a playground at this location is not desired by those people. After due consideration of this matter, we feel that the suggestion of the Comptroller given above offers a proper solution, and we so report. Respectfully,

FRANK L. DOWLING, President, Board of Aldermen; FRANCIS P. KENEY, Chairman Finance Committee, Board of Aldermen.

The Commissioner of Parks, Dr. Crawford, representing the Brooklyn Civic League; Mr. Mills, a property owner in the neighborhood, and several ladies were heard in favor of the proposed playground.

Discussion followed. The following resolution was then offered for adoption:

Resolved, That the application of the Commissioner of Parks, Borough of Brooklyn, for the assignment to his Department of property on Carroll Street, between Hicks and Henry Streets, Borough of Brooklyn, for use as a playground, be and the same is hereby denied.

Which resolution was adopted by the following vote:

Ayes—The Acting Mayor, Deputy and Acting Comptroller, and Chairman of the Finance Committee, Board of Aldermen—3.
Nay—The Chamberlain—1.

Sale of Encroachments Lying Within the Lines of 20th Avenue from West Street to Gravesend Avenue in the Borough of Brooklyn.

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

March 13, 1916.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—A request has been received from the President of the Borough of Brooklyn for the removal of the encroachments within the lines of 20th Avenue, from West Street to Gravesend Avenue, in the Borough of Brooklyn, to permit the improvement of the street.

These encroachments consist of buildings and other improvements, some of which are only partly taken in this proceeding, and their estimated removal value apportioned by damage parcels is as follows: Damage Parcels No. 71—\$75.00, No. 75—\$250.00, making a total of \$325.00, which amount should be realized by their sale.

I therefore request that the Commissioners of the Sinking Fund, pursuant to the authority vested in them by Sections 205 and 1553 of the Revised Charter, adopt a resolution authorizing and ordering that the said encroachments be offered for sale at the upset or minimum prices named above, and also authorizing and ordering the President of the Borough of Brooklyn, to demolish and remove those encroachments that are not sold at the said upset prices, as encumbrances upon a public street, and such a resolution is herewith transmitted. Yours respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Whereas, The President of the Borough of Brooklyn has requested the removal of the encroachments lying within the lines of 20th Avenue, from West Street to Gravesend Avenue, in the Borough of Brooklyn; and

Whereas, If this improvement is offered for sale at an upset price it would probably realize a fair return in proportion to the award given; it is therefore

Resolved, That the Commissioners of the Sinking Fund, by virtue of the powers vested in them by law, hereby authorize and order the sale at public auction or by sealed bids, at the following upset or minimum prices, Damage Parcels Nos. 71, \$75; 75, \$250, making a total of \$325 of all the buildings, parts of buildings, etc., lying within the lines of 20th Avenue, from West Street to Gravesend Avenue, in the Borough of Brooklyn, upon the terms and conditions for the sale of buildings, etc., as authorized by the Commissioners of the Sinking Fund at a meeting held October 4, 1910, and the President of the Borough of Brooklyn is hereby authorized and ordered to demolish and remove all those encroachments that do not realize the said upset prices, as encumbrances upon a public highway, in the manner provided by section 205 of the Revised Charter, as amended by chapter 398 of the Laws of 1909.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

Sale at Public Auction of Certain Premises on Eastern Parkway, Between Underhill and Washington Avenues, Borough of Brooklyn.

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

March 27, 1916.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The City is the owner of a parcel of land located on the northerly side of Eastern Parkway, between Washington Avenue and Underhill Avenue, Borough of Brooklyn. This plot of ground is about 100x215 feet, and runs through from Eastern Parkway to Lincoln Place.

I am in receipt of an offer to bid the sum of \$39,500 for this property, in the event of the same being offered at public auction by the City, providing the City will take back a mortgage for 65 per cent. of the amount bid, such mortgage to be in the usual form of a purchase money mortgage at 5 per cent., and to be for a term of two years from the date of the sale, the purchaser to have the privilege of paying off the same upon sixty (60) days' notice to the City.

This amount, to my mind, is the fair and reasonable value of the property.

I therefore respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a sale at public auction of all that certain piece or parcel of land, situate, lying and being in the Borough of Brooklyn, City of New York, bounded and described as follows:

Beginning at a point on the southerly line of Lincoln Place distant 575 feet easterly from the corner formed by the intersection of the southerly line of Lincoln Place with the easterly line of Underhill Avenue; running thence southerly and parallel with Underhill Avenue 204 feet 2 inches to the northerly line of Eastern Parkway; running thence easterly and along the northerly line of Eastern Parkway 100 feet 7¾ inches; thence northerly and parallel with Underhill Avenue 215 feet 7 inches to the southerly line of Lincoln Place; thence westerly along Lincoln Place 100 feet to the point or place of beginning; said premises being shown on the present Tax Maps as Lot 27, Block 1179 of the Borough of Brooklyn,

—at a minimum or upset price of \$39,500, which I deem to be a fair appraisal of the value thereof, and upon the following terms and conditions:

Sale at Public Auction of the Lease of Plot of Land at the St. George Ferry Terminal in the Borough of Richmond.

The Deputy and Acting Comptroller presented the following report and offered the following resolutions:

March 27, 1916.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—On October 6, 1915, the Commissioners of the Sinking Fund adopted a resolution authorizing the sale at public auction of a lease of certain property belonging to the City of New York, and located in the Borough of Richmond, which was turned over by the Department of Docks and Ferries. This lease was to be for a period of ten years from January 1, 1916, at an upset rental of \$2,300 per annum, with the privilege of renewal for an additional term of ten years, under conditions as mentioned in said resolution.

Subsequent to the adoption of this resolution the Co-operative Consumers, Inc., who made the original offer for a lease of these premises, determined that the area authorized to be leased was too large for their use, and that one-half thereof would be sufficient, providing the City would construct an approach thereto.

These premises were originally under the jurisdiction of the Department of Docks and Ferries, who turned the same over to the Commissioners of the Sinking Fund on September 17, 1915. In his communication, the Commissioner states that the Department of Docks receives a total rental of \$19,370 per annum for concessions at the St. George Terminal of the Staten Island Ferry, and \$28,137 per annum for concessions at the Manhattan Terminal, which amounts would doubtless be affected by the sale of similar goods in the premises to be leased.

I therefore think that the terms of sale of this lease should contain a clause, whereby the successful bidder would be prohibited from selling any of these goods. The upset price fixed in the former resolution was based at the rate of 10c per square foot, which the prospective bidders found to be too high. After considerable negotiations, they have agreed to bid the sum of 7c per square foot, which to my mind, is fair and reasonable, especially as the use to which they intend to convert these premises is for the sale of commodities that will be beneficial to the general public in the Borough of Richmond. The lessee is to construct an approach to the premises to be leased, at their own expense, and according to plans prepared and approved by the Department of Docks and Ferries; the cost of such construction to be deducted from the rental.

I therefore respectfully recommend that the resolution above mentioned adopted on October 6, 1915, be rescinded, and that the Commissioners of the Sinking Fund adopt the attached resolution in place thereof. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the resolution adopted by this Board at meeting held October 6, 1915, authorizing a sale at public auction of a lease of certain property belonging to the City of New York at the St. George Terminal in the Borough of Richmond, which was turned over by the Department of Docks and Ferries, for a period of ten years from January 1, 1916, at a minimum or upset rental of Twenty-three hundred dollars (\$2,300) per annum, be and the same is hereby rescinded.

Resolved, That, pursuant to the provisions of section 205 of the Greater New York Charter, as amended, the Commissioners of the Sinking Fund hereby authorize and order a sale at public auction or by sealed bids for the highest rental after public advertisement, a lease of the following described property belonging to the City of New York, situate, lying and being in the Borough of Richmond, City of New York, bounded and described as follows:

Beginning at a point distant 247 feet northerly of the established bulkhead line along the southerly side of South Street approach, Borough of Richmond, and 160 feet west of the established bulkhead line along the easterly side of St. George Ferry Terminal; running thence northerly along a line parallel with the last mentioned bulkhead line a distance of 115 feet, more or less; running thence westerly and along a line at right angles to last mentioned bulkhead line 100 feet; running thence southerly and at right angles to last mentioned line 115 feet more or less, to a point 247 feet northerly of the established bulkhead line along the southerly side of South Street approach; running thence easterly and along a line distant 247 feet northerly of and parallel to the last mentioned bulkhead line a distance of 100 feet to the point or place of beginning;

—for a period of ten years from June 1, 1916, with the privilege of renewal for a further period of ten years at an increased rental of ten (10) per cent per annum on the rental for the first period. The minimum or upset rental at which said lease shall be sold be and is hereby appraised and fixed at the sum of eight hundred and five dollars (\$805) per annum, payable quarterly in advance, and the Comptroller be and is hereby authorized and directed to take the necessary steps for conducting the sale upon the following terms and conditions:

The highest bidder will be required to pay twenty-five per cent. (25%) of the amount of the yearly rental at the time and place of sale; the amount so paid for one quarter's rent shall be forfeited if the successful bidder does not execute the lease when notified that it is ready for execution.

He will also be required to give an undertaking in the amount of the annual rental bid with sufficient surety to be approved by the Comptroller for the payment of the rent quarterly in advance and for the performance of the terms and covenants of the lease.

No person shall be received as lessee or surety who is a delinquent on any former lease from the corporation, and no bid shall be accepted from any person who is in arrears to the corporation upon debt or contract, or who is a defaulter as surety or otherwise upon any obligation to the City, as provided by law.

The lease to be in the usual form of leases of like property, and will contain, in addition to other terms, covenants and conditions, as follows:

The City reserves the right for itself, its agents or contractors to enter upon and use said premises, or any part thereof, for the purpose of carrying on any public improvement, or making examinations or doing work preparatory thereto, or for the purpose of making repairs, alterations or additions to the columns, supports, drains or drainage pipes and appurtenances, which are now or may hereafter be placed by the City or its agents or contractors upon the premises and for the repairs, maintenance, alterations or additions to the platform over the property leased.

And in any and all such cases the lessee shall at his own expense remove any and all structures erected under the provisions of the lease which may be required to be removed for the purpose of doing such work.

The persons or corporations using the surface of the platform over the property leased shall have the right of access at all times to the premises for the purpose of repairs or maintenance of said platform or altering, repairing or maintaining the railroad tracks, drains and drainage pipes and other appurtenances, and the lessee shall remove any and all structures erected under the provisions of the lease, which may be required to be removed, for the purpose of doing such work. The reasonable cost of such removal and replacement to be borne by the parties doing the work.

The lessee may construct an approach or right of way from the ferry entrance to the proposed street adjacent to the rear wall of the ferry building, in order to provide access to the premises to be demised, as shown on a map prepared by the Department of Docks and Ferries, and on file in the office of said Department at Pier A, North River. The cost of such construction to be credited to the lessee as rent, to an amount not exceeding \$1,000; the work to be done under the supervision of the Department of Docks and Ferries. Said approach or right of way to be used

by the lessee and its sub-tenants only as a means of access to the property to be leased. In all other respects the said right of way shall be maintained free and clear for use as a passageway for the City and its employees, and for other persons desiring ingress and egress over and across said right of way.

The lessee shall not in any event sell or dispose of or derive any revenue from any of the following articles or privileges upon the demised premises during the term of the lease or renewal thereof:

Automatic machines, books, bootblacking, Cent-a-drink fountains, cigars, confectionery, flowers, fruit, lunch counter and checking privilege, mineral water (bottled), and soda water; news bureau, newspapers, periodicals, telephone booths, tobacco, use of premises for any purposes in connection with wireless telegraphy; barber shop, handling of express matter, ice cream and soda water, Post Office, restaurant, telegraph office.

The lessee shall not erect or construct any building or buildings or other alterations or improvements upon the demised premises, unless the plans thereof have first been approved by the Commissioner of Docks and Ferries.

The Comptroller shall have the right to reject any and all bids if deemed to be to the interest of The City of New York.

The report was accepted and the resolutions severally adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

March 23, 1916.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—In a petition dated May 23, 1914, to the Commissioners of the Sinking Fund, the Empire City Lumber Company stated that they were the owners of certain property located on the westerly side of Chester Street, near Dumont Avenue, Borough of Brooklyn, and requesting a release of the interest of the City in that portion of Hunterfly Road abutting the premises owned by them.

Subsequent to the filing of this petition, the premises owned by the Empire City Lumber Company were conveyed to Morris Lashewitz, and the attorney for the Empire City Lumber Company has requested that the release be made to him.

These premises were appraised by the Division of Real Estate of this Department at \$2,197.80. Under the rule adopted by the Commissioners of the Sinking Fund, this property may be released for 50 per cent. of such appraisal, or \$1,098.90, plus an additional charge of \$12.50 for the preparation of the necessary papers, to which the attorney for the petitioner has agreed.

Sale at Public Auction of a Parcel of Land in the Town of Mount Pleasant, Westchester County.

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

March 29, 1916.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The City of New York is the owner of a parcel of land which was acquired by condemnation for the purpose of the Catskill water supply and situated in the Town of Mt. Pleasant, Westchester County. It was formerly a part of the Kensico Cemetery. The land on both sides thereof is owned by the Trustees of St. Patrick's Cathedral. Through a part of this land the Catskill Aqueduct has been constructed, and upon the surface of another part of this parcel there is now stored 29,000 cubic yards of spoil which will have to be removed by the City at an expense of over \$20,000. This, the City is obliged to do under an order of the Supreme Court in the proceedings acquiring the same.

The Board of Water Supply turned this property over to the Commissioners of the Sinking Fund for sale, with the understanding that the successful purchaser will landscape the property and assume the care thereof at its own expense, under the supervision of the Board of Water Supply. The City reserves the right to erect and maintain pole lines for power and telephone wires across the same, and the land is not to be used for any purpose not consistent with its use as an aqueduct right-of-way, cemetery purposes being strictly prohibited thereon.

The property contains 2.285 acres. The cost of acquiring this property for the City was \$15,051.30, exclusive of costs of condemnation. The Trustees of St. Patrick's Cathedral have offered to remove the spoil from this parcel if the City will convey the premises to them. Under Section 205 of the Charter, however, this can only be done at public auction. As the property now stands, it not only has no value but is a debit to the City account, inasmuch as the cost of removing the spoil therefrom is far in excess of the value of the property.

I therefore respectfully recommend that the Commissioners of the Sinking Fund authorize a sale at public auction of all that certain piece or portion of Parcel 1013 shown on map, entitled, "City of New York, Board of Water Supply, Southern Aqueduct Department, Parcel No. 1013, Section No. 15," as Parcel 1013B, more particularly bounded and described as follows:

Beginning at a point in the westerly line of parcel 1013, said point being 201.4 feet from the southerly end of the course N. 31 degrees 39 minutes E.; and running thence N. 31 degrees 39 minutes E. 40.3 feet; thence N. 59 degrees 57 minutes E. 175.0 feet; thence N. 24 degrees 57 minutes E. 282.8 feet; thence N. 69 degrees 57 minutes E. 310.0 feet; thence S. 20 degrees 3 minutes E. 225 feet; thence S. 69 degrees 57 minutes W. 716.7 feet to the point or place of beginning, containing 2.285 acres;

—being premises located in the Town of Mt. Pleasant, Westchester County, State of New York, at a minimum or upset price of \$1.00, which I deem to be a fair appraisal of the value thereof, and upon the following terms and conditions:

The Highest bidder will be required to pay the amount bid, together with the auctioneer's fees, at the time of the sale.

The delivery of the deed shall be within sixty (60) days from the date of the sale.

The deed shall be in the form of a bargain and sale deed without covenants.

The successful bidder to assume the burden and expense of removing all the spoil from the premises to be demised, and to restore the surface and top soil and to grass over any parts of Parcel 1013, shown on the above mentioned map, as shall be required by the Board of Water Supply.

The successful bidder shall also landscape Parcel 1013A, shown on the above mentioned map, (all cemetery purposes being strictly prohibited thereon), the surface of said parcel is not to be used at any time for any purpose or purposes inconsistent with its use as an aqueduct right of way.

The successful bidder to have the use of the access road to the siphon chamber from the public highway jointly with the City, and to have the privilege of crossing the parcel at any place or part thereof or at any time so long as such use or crossing does not interfere with the free and uninterrupted use of said parcel 1013A by the City for the purposes for which it was acquired.

The successful bidder shall remove all spoil from Parcel 1013A, as shown on the above mentioned map, and assume the care of said parcel in its present condition and at his own expense shall grade, plant and do other landscape work, subject to the approval of the Board of Water Supply.

The City of New York reserves to itself the exclusive right of renting, leasing, selling, erecting, maintaining, or otherwise using, poles, pole lines, for power and

telephone wires on and across parcels 1013, 1013A and 1035B, as shown on above mentioned map, and agrees that said poles will be of substantial and ornamental appearance, and will be located in such places as shall be agreed upon between the successful bidder and the Board of Water Supply.

The City of New York reserves to itself the right to build conduits between the surface of parcel 1013A, as shown on the above mentioned map, and to construct two (2) additional pipe siphons at any time it may elect without payment for disturbance and restoration of the landscape features, and to maintain, operate, repair and have access to at any and all times, the existing pipe siphons, siphon chamber ducts, pole lines and their appurtenances, which may be constructed in the future.

The Comptroller may, at his option, resell the property if the successful bidders shall fail to comply with the terms of the sale, and the person or persons so failing to comply therewith will be held liable for any deficiency which may result from such resale.

The right is reserved to reject any and all bids. Respectfully,
ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That, that pursuant to the provisions of section 205 of the Greater New York Charter, as amended, the Commissioners of the Sinking Fund hereby authorize a sale at public auction of all that certain piece or portion of Parcel 1013 shown on map, entitled "City of New York Board of Water Supply, Southern Aqueduct Department, Parcel No. 1013, Section No. 15," as Parcel 1013B, more particularly bounded and described as follows:

Pleasant, Westchester County, State of New York.

—the minimum or upset price at which said property shall be sold be and is hereby appraised and fixed at the sum of One Dollar (\$1.00), [by reason of the fact that pursuant to the order of the Supreme Court, dated September 28, 1912, and entered in the office of the County Clerk of Westchester County, the spoil must be removed therefrom], and the Comptroller be and is hereby authorized and directed to take the necessary steps for conducting such sale upon the following terms and conditions:

The highest bidder will be required to pay the amount bid, together with the auctioneer's fees, at the time of the sale.

The delivery of the deed shall be within sixty (60) days from the date of the sale.

The deed shall be in the form of a bargain and sale deed, without covenants.

The successful bidder to assume the burden and expense of removing all the spoil from the premises to be demised and to restore the surface and topsoil and to grass over any parts of Parcel 1013, shown on the above mentioned map, as shall be required by the Board of Water Supply.

The successful bidder shall also landscape Parcel 1013A, shown on the above mentioned map (all cemetery purposes being strictly prohibited thereon), the surface of said parcel is not to be used at any time for any purpose or purposes inconsistent with its use as an aqueduct right of way.

The successful bidder to have the use of the access road to the siphon chamber from the public highway jointly with the City, and to have the privilege of crossing the parcel at any place or part thereof or at any time so long as such use or crossing does not interfere with the free and uninterrupted use of said parcel 1013A by the City for the purposes for which it was acquired.

The successful bidder shall remove all spoil from parcel 1013A, as shown on the above mentioned map, and assume the care of said parcel in its present condition and at his own expense shall grade, plant and do other landscape work, subject to the approval of the Board of Water Supply.

The City of New York reserves to itself the exclusive right of renting, leasing, selling, erecting, maintaining or otherwise using poles, pole lines or other appurtenances necessary therefor, for power and telephone wires on and across parcels 1013, 1013A and 1013B, as shown on above mentioned map, and agrees that said poles will be of substantial and ornamental appearance and will be located in such places as shall be agreed upon between the successful bidder and the Board of Water Supply.

The City of New York reserves to itself the right to build conduits between the surface of parcel 1013A, as shown on the above mentioned map, and to construct two (2) additional pipe siphons at any time it may elect without payment for disturbance and restoration of the landscape features, and to maintain, operate, repair and have access to at any and all times, the existing pipe siphons, siphon chamber ducts, pole lines and their appurtenances, or any pipe siphons, siphon chamber ducts, pole lines and their appurtenances which may be constructed in the future.

March 28, 1916.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The Register of the County of the Bronx, in a communication to your Board under date of March 17, 1916, requests the leasing of 2,557 square feet additional floor space on the seventh floor of the Bergen Building, corner Arthur and Tremont Avenues, for a period from April 1, 1916, to July 1, 1917, at an annual rental of \$1,917.75.

Since the establishment of the Register's Office of Bronx County, additional maps and libers have been transferred from the New York County Register's Office, and still more are to be transferred, and the Register states that this additional space is absolutely necessary for the proper conduct of the office, which is growing rapidly.

The space to be leased is on the seventh floor, immediately adjoining that now occupied by the Register. The rental asked is at the rate of 75 cents a square foot and is the same as paid for similar space on this floor.

I therefore respectfully recommend, the rent being reasonable and just, that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease of 2,557 square feet of space at the south end of the seventh floor of the Bergen Building, southeast corner of Tremont and Arthur Avenues, Borough of the Bronx, for use of the Register of the County of the Bronx, for a period from April 1, 1916, to July 1, 1917, at the rate of \$1,917.75 per annum, payable quarterly; the lessor to furnish and erect such partitions as may be required by the Register of Bronx County, make inside and outside repairs, pay taxes and water rates and furnish heat, light, elevator and janitor service. Lessor, William C. Bergen, 130 West 180th Street, The Bronx. Respectfully,
ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City from William C. Bergen, of 2,557 square feet of space at the south end of the seventh floor of the Bergen Building, southeast corner of Tremont and Arthur Avenues, Borough of The Bronx, for use of the Register of the County of The Bronx, for a period from April 1, 1916, to July 1, 1917, at a rental at the rate of One thousand nine hundred and seventeen dollars and seventy-five cents (\$1,917.75) per annum, payable quarterly; the lessor to furnish and erect such partitions as may be required by the Register of Bronx County, make inside and outside repairs, pay taxes and water rates and furnish heat, light, elevator and janitor service; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

Sale at Public Auction of the Lease of Premises No. 154 Clinton Street, Borough of Manhattan.

The Deputy and Acting Comptroller presented the following report and offered the following resolutions:

March 25, 1916.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—On December 29, 1915, the Commissioners of the Sinking Fund adopted a resolution authorizing a sale at public auction of the lease of premises known as No. 154 Clinton Street, Borough of Manhattan, for a period of five years from February 1, 1916, at an upset price of \$1,800 per annum.

In accordance with this resolution, a notice of sale was published in the City RECORD for a period of fifteen days, and the sale was held on January 21, 1916. No bids, however, were received at this sale.

I, therefore, respectfully recommend that the resolution above mentioned be rescinded, and that the attached resolution be adopted in place thereof.

Respectfully,
ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the resolution adopted by this Board at meeting held December 29, 1915, authorizing a sale at public auction, of the lease of premises known as No. 154 Clinton Street, Borough of Manhattan, for a period of five years from February 1, 1916, at a minimum or upset rental of Eighteen hundred dollars (\$1,800) per annum, be and the same is hereby rescinded.

Resolved, That pursuant to the provisions of section 205 of the Greater New York Charter the Commissioners of the Sinking Fund hereby authorize and order a sale at public auction or by sealed bids, of a lease of premises situated on the easterly side of Clinton Street, 100 feet north of Grand Street, and known as No. 154 Clinton Street, Borough of Manhattan, with the improvements thereon, for a period of five years commencing July 1, 1916.

The minimum or upset rental at which such lease shall be sold be and is hereby appraised and fixed at the sum of Eighteen hundred dollars (\$1,800) per annum, payable quarterly in advance, and the Comptroller be and is hereby authorized and directed to take the necessary steps for conducting such sale upon the following terms and conditions.

The highest bidder will be required to pay twenty-five per cent. (25%) of the amount of the yearly rental at the time and place of sale; the amount so paid for one quarter's rent shall be forfeited if the successful bidder does not execute the lease when notified it is ready for execution.

He will also be required to give an undertaking in the amount of the annual rental bid, with sufficient surety to be approved by the Comptroller, for the payment of the rent quarterly in advance and for the performance of the terms and covenants of the lease.

No person shall be received as lessee or surety who is a delinquent on any former lease from the corporation, and no bid shall be accepted from any person who is in arrears to the corporation upon debt or contract, or who is a defaulter as surety or otherwise upon any obligation to the City, as provided by law.

The lease will be in the usual form of leases of like property and will contain in addition to other terms covenants and conditions, as follows:

First—A clause providing that the lessee shall pay the usual rates for water, per meter measurements, and comply with the rules and regulations of the Department of Water Supply, Gas and Electricity.

Second—A clause providing that the lessee shall not make any alterations or improvements on the property, except with the consent and approval of the Comptroller.

Third—A clause providing that during the term of the lease the lessee shall keep the buildings in proper repair, both inside and outside, at his own cost and expense, and shall comply with all the laws and ordinances of The City of New York.

Fourth—A clause providing that all repairs, alterations and improvements made on or to the property by the lessee during the period of the lease shall become the property of The City of New York at the expiration of said lease.

Fifth—A clause providing that the lessee shall have possession of the premises immediately upon the execution of the lease without the necessity of paying rent until the date of the commencement of the lease, but he shall be liable for any damages which may occur in or to the premises to be demised from the date of possession.

The Comptroller shall have the right to reject any or all bids if deemed to be to the interest of the City of New York.

The report was accepted and the resolutions severally adopted, all the members present voting in the affirmative.

Adjourned. JOHN KORB, JR., Secretary.

Bellevue and Allied Hospitals.

A regular meeting of the Board of Trustees of Bellevue and Allied Hospitals was held on Tuesday, March 7, 1916, at 3.30 P. M.

Present—Dr. Brannan, the President, in the chair; Messrs. Paulding, Farley, Sachs and Stern, Trustees. Excused—Mr. O'Keeffe, Mr. Robbins and Mr. Kingsbury, Commissioner of Public Charities.

The minutes of the meeting of Feb. 29, 1916, were held as read and approved.

Dr. O'Hanlon, the General Medical Superintendent, reported as follows:

The daily average census at the various hospitals during the month of Feb., 1916, was as follows: Bellevue, 1,354; Gouverneur, 192; Harlem, 233; Fordham, 180; Neponsit, 86.

Two days last week we were obliged to loan an ambulance to the Reception Hospital in order that their district might be covered, and to-day we are covering a district for Flower Hospital.

Pending the approval by the Board of Estimate of our request for special revenue bonds, the services of special nurses have been temporarily dispensed with.

On separate motion, duly seconded and carried in each instance, action was taken upon the report of the General Medical Superintendent as follows:

It was resolved to request Commissioner Fetherston to remove the snow from 26th Street.

Mr. Sachs was requested to meet with the Mayor on the department's need of funds to provide special nurses when necessary.

COMMITTEE REPORTS.

Dr. Brannan presented a list of bids received at the office of the Central Purchase Committee on March 2 for furnishing cleaning materials, paints and oils.

On the recommendation of the Central Purchase Committee and the Committee on Supplies, it was moved, seconded and carried to award the contracts to the low formal bidders on all lines except 68 and 72 for linseed oil, as the other City departments interested in these items have rejected the bids, and line 95 for wood alcohol was rejected as the price appeared too high.

Mr. Sachs stated that he had received a report from C. M. Ripley on the cost of furnishing electric current in private plants as compared with public plants. After discussion, it was moved, seconded and carried, to request Mr. Sachs to make further inquiry of concerns having private plants of their experience with such plants as compared with the purchase of current from public utility companies.

The President referred to a communication in regard to the treatment of alcoholic and drug cases and spoke of the need of the Trustees looking into the nature of such cases very carefully. After discussion, it was moved, seconded and carried, to request the Executive Committee to undertake a comprehensive investigation, call upon such authorities as may be required and avail themselves of all resources obtainable with a view to adopting the most advanced methods in the treatment of such patients that come to Bellevue, and when their investigation is completed to present their recommendations to the Trustees; and it was further Resolved, To request the Committee to consult with Dr. Gregory, the director of this service, in their work.

The President referred to the advisability of obtaining the plot of ground from 26th to 27th Streets and the East River, directly east of the Bellevue Training School for Nurses. After discussion, it was moved, seconded and carried, to request the Commissioners of the Sinking Fund to assign this property to Bellevue and Allied Hospitals.

On motion, duly seconded and carried, it was resolved to request the Commis-

sioners of the Sinking Fund to renew the lease of the premises No. 157 East 37th Street, occupied by the General Medical Superintendent, for a period of two years with a privilege of renewal.

Dr. Brannan, Mr. Paulding, Mr. Sachs and Mr. Stern reported that on that afternoon they had met in conference with the following representatives from the universities and the non-collegiate division affiliated with Bellevue Hospital: Dr. Samuel W. Lambert and Dr. George E. Brewer, representing the College of Physicians and Surgeons, Columbia University; Dr. W. M. Polk and Dr. W. G. Thompson, representing Cornell University; Dr. S. A. Brown and Dr. George D. Stewart, representing New York University and Bellevue Medical College; Dr. Joseph B. Bissell and Dr. C. E. Nammack, representing the non-collegiate division. At this conference the several divisions outlined in a general way the plan they proposed to follow on the special assignments to be made to them, which scheme is to follow the general plan of the second surgical division approved by the Trustees on August 3d, 1915. The several universities expressed themselves as being satisfied with the following proposed assignments: Tuberculosis, Nose, Throat and Ear, First Division under direction of Dr. Miller, Neurological, Second Division, under direction of Dr. Kennedy. Dermatology, Orthopaedic, Third Division, under direction of Dr. Sayre. Obstetrical, Second and Third Divisions. Eye, Fourth Division. After discussion, it was moved, seconded and carried, to defer definite action in awarding these services until the universities shall have formally presented to the Trustees an outline of the plan they propose to adopt in carrying out the work. The Conference Committee was requested to formulate a plan of organization for the Fourth Division.

The minutes of the Executive Committee of the Medical Board of Bellevue Hospital for February 9th were presented. After discussion, it was moved, seconded and carried, to inform Commissioner Lewis that the Trustees regret that it is impossible to comply with his request, as the trucking of supplies through the hospital enclosure would disturb the patients, create noise and dust and interfere with the discipline of the hospital.

A letter was presented from the Fire Department under date of Feb. 23, in regard to the re-equipment and use as dormitories for employees those parts of the building vacated by patients as a result of their report of Nov. 29 on Bellevue Hospital, and calling attention to the fact that the Fire Department did not contemplate the removal of patients and reoccupancy by employees, and suggesting that it would be desirable to file plans with the Fire Department to use as a basis for checking up the necessary alterations to reduce the fire hazards. The Chairman of the Building Committee reported that he had conferred with the architects in regard to carrying out the suggestions of the Fire Department. After discussion, it was moved, seconded and carried, to refer this communication to the Building Committee and to instruct the General Medical Superintendent to provide two exits for every room used by employees as sleeping quarters.

On motion, duly seconded and carried, the Examining Committee was requested to meet with the Trustees at their next meeting.

A letter dated March 7, was also presented from the Southern Surety Company, the surety on this contract, requesting this department for additional time to decide whether they would proceed to complete the work.

After consideration and discussion, it was moved, seconded and carried, to refer these requests to a special committee, consisting of Mr. Farley, Mr. Paulding and Mr. Stern, with power, and to instruct this Committee to give the contractor a hearing.

NOTICE TO BIDDERS AT SALES OF OLD BUILDINGS, ETC.

TERMS AND CONDITIONS UNDER WHICH BUILDINGS, ETC., WILL BE SOLD FOR REMOVAL FROM CITY PROPERTY.

THE BUILDINGS AND APPURTENANCES

thereto will be sold to the highest bidder, who must pay cash or certified check, drawn to the order of the Comptroller of The City of New York, and must also give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of \$50, the sum of \$50 shall be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.

The purchaser shall not lease, occupy, cause or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal nor shall he collect any rental or other revenue for the use of either the land or the buildings, etc., situated thereon. The breach of either or any of these conditions shall forthwith void the sale and cause immediate forfeiture of the purchase money and the security deposited for the faithful performance of the conditions of the sale. The placing therein or permitting the occupancy of any such building by any tenant free, for rent or otherwise, excepting the necessary watchmen or the workmen engaged in the actual demolition thereof, shall of itself be a breach of the above conditions of sale.

The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstances of vacating the structures of their tenants will permit.

All the material of the buildings, sheds, walks, structures and cellars of whatsoever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the exterior walls of the buildings and their foundations and the sidewalks and curb in front of said buildings, extending within the described area, shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point. The exterior walls and their foundations shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building. Where there is no curb the elevation of the surrounding ground shall be considered curb level. All wells, cesspools, sinks, etc., existing on the property must be filled to the level of the surrounding ground with clean earth.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all house sewer connections to the main sewer in the street and the openings of the main sewer in street shall be properly closed in compliance with the directions of the Bureau of Sewers in the Borough in which the buildings are situated, and furnish the Department of Finance with a certificate from the Bureau of Sewers that the work has been properly performed.

The permit for all openings in the street to be obtained by and at the expense of the purchaser of the building.

Failure to remove said buildings, appurtenances, or any part thereof, within thirty days

from the day of possession will work forfeiture of ownership of such buildings, appurtenances or portions as shall then be left standing, together with all moneys paid by said purchaser on account thereof at the time of the sale, and the bidder's assent to the above conditions being understood to be implied by the act of bidding, and The City of New York will, without notice to the purchaser, cause the same to be removed, and the cost and expense thereof charged against the security above mentioned.

The work of removal must be carried on in every respect in a thorough and workmanlike manner, and must be completed within thirty days from the day of possession, and the successful bidder will provide and furnish all materials of labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless The City of New York, its officers, agents and servants, and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against and from all damage and costs to which it, they or any of them be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of said buildings.

Where party walls are found to exist between buildings purchased by different bidders, the materials of said party walls shall be understood to be equally divided between the separate purchasers.

Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All furrings, plaster, chimneys, projecting brick, etc., on the faces of such party walls are to be taken down and removed. The walls shall be made permanently self-supporting, beam holes, etc., bricked up, and the wall pointed and made to exclude wind and rain and present a clean exterior. The roofs and adjacent buildings shall be properly flashed and painted and made watertight where they have been disturbed by the operations of the Contractor.

NOTICE TO CONTRACTORS.

GENERAL INSTRUCTIONS TO BIDDERS.

The person or persons making a bid or estimate for any services, work, materials or supplies for The City of New York, or for any of its departments, bureaus or officers, shall furnish the same in a sealed envelope, indorsed with the title of the supplies, materials, work or services for which the bid or estimate is made, with his or their name or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the estimates received will be publicly opened by the President or Board or head of said Department and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, and names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of The City of New York is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true.

No bid or estimate will be considered unless as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money or corporate stock or certificates of indebtedness of any nature issued by The City of New York, which the Comptroller shall approve as of equal value with the security required in the advertisement to the amount of not less than three nor more than five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The amount shall be as specified in the proposals or instructions to bidders and shall not be in excess of 5 per cent.

The certified check or money should not be inclosed in the envelope containing the bid or estimate, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation of the City.

The contract must be bid for separately.

The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Department for which the work is to be done. Plans and drawings of construction work may also be seen there.
