CITY PLANNING COMMISSION

■ PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN THAT RESOLUTIONS Have been adopted by the City Planning Commission Scheduling public hearings on the following matters to be held at Spector Hall, 22 Reade Street New York, New York, on Wednesday, October 19, 2011 at 10:00 A.M.

> **BOROUGH OF MANHATTAN** No. 1 THEATER SUBDISTRICT FUND PROPOSED RULE CHANGE

In accordance with Sections 192 and 1043 of the New York City Charter, and pursuant to Section 81-744(a)(5) of the New York City Zoning Resolution (the "Zoning Resolution"), the New York City Planning Commission ("City Planning Commission") proposes to amend Subchapter C of Chapter 3 of Title 62 of the Rules of the City of New York. This rule was not included in the agency's 2011-2012 regulatory agenda.

<u>Instructions</u>

- Any person in attendance at this hearing shall be given a reasonable opportunity to present oral or written statements and to submit other documents concerning the proposed changes.
- Each speaker shall be allotted a maximum of three (3) minutes.
- Persons who require that a sign language interpreter or other form of reasonable accommodation for a disability be provided at the hearing are asked to notify Wesley O'Brien by September 28th, 2011 at the following address: Office of the Counsel, New York City Department of City Planning, 22 Reade Street, New York, NY 10007.
- Prior to the hearing, you may submit written comments about the proposed rule to Wesley O'Brien by mail or electronically through NYC Rules at www.nyc.gov/nycrules.
- Until November 2, 2011, written comments received and a recording of oral comments received at the hearing will be available for public inspection within a reasonable time after receipt between the hours of 9:00 A.M. and 5:00 P.M. at 22 Reade Street, New York, NY 10007, by contacting the Records Access Officer at (212) 720-3208.

Statement of Basis and Purpose of Proposed Rule

This rule is promulgated pursuant to the authority of the City Planning Commission under Sections 192 and 1043 of the

New York City Charter and pursuant to Section 81-744(a)(5) of the Zoning Resolution. Section 81-744 of the Zoning Resolution requires that every three to five years the City Planning Commission must review and adjust the contribution amount that is required in conjunction with transfers of development rights from listed theaters in the Theater Subdistrict. Such adjustment must specifically reflect the change in assessed value of all properties on zoning lots wholly within the Theater Subdistrict. This rule is exempt from Local Law 46 of 2010 pursuant to section 1043(d)(4)(iii) of the New York City Charter.

$Statement\ of\ Purpose$

In accordance with Section 81-744 of the Zoning Resolution, the City Planning Commission shall allow the transfer of development rights from listed theaters in the Theater Subdistrict by certification or authorization. Certification or authorization shall be granted, provided that, among other requirements, the appropriate legal documents are executed ensuring that a contribution in an amount, which is presently established to be \$14.91 per square foot of transferred floor area, is deposited in the Theater Subdistrict Fund. The City Planning Commission is required to periodically review the contribution amount and to adjust such amount to reflect any change in the assessed value of all properties on zoning lots situated entirely within the Theater Subdistrict.

Based on data provided by the New York City Department of Finance ("DOF"), it was determined that from 1998 to 2006 the assessed value of all properties situated entirely within the Theater Subdistrict increased 49.06% per square foot. Accordingly, a 2006 rule increased the required Theater Subdistrict Fund contribution from \$10.00 to \$14.91 per square foot of development rights transferred from designated theaters.

Based on DOF data, it has been determined that from 2006 to 2011 the assessed value of all properties situated entirely within the Theater Subdistrict has increased 18% per square foot. DOF data shows that in 2006, the total built floor area of the Theater Subdistrict was 81,642,687 square feet, the total assessed value of such properties was \$8,621,852,552, and therefore the total assessed value per square foot was \$105.60. DOF data also shows that in 2011, the total built floor area in the Theater Subdistrict was 95,701,919 square feet, the total assessed value of such properties was \$11,926,866,079, and therefore the total assessed value per square foot was \$124.63. Given that the assessed value of all properties has increased \$19.02 per square foot or 18%from 2006 to 2011, the proposed rule would correspondingly increase the required Theater Subdistrict Fund contribution by 18%, from \$14.91 to \$17.60 per square foot of development rights transferred from the listed theaters.

All DOF data referenced above is on file at the Department of City Planning and available for public inspection between the hours of 9:00 A.M. and $\hat{5}$:00 P.M. at 22 Reade Street, New York, NY 10007, by contacting the Records Access Officer at (212) 720-3208.

Summary of Provisions

The proposed rule amends Section 3-08 of Subchapter C of Chapter 3 of Title 62 of the Rules of the City of New York to provide that a contribution of \$17.60 per square foot must be made in conjunction with development rights transferred

Material to be deleted is enclosed in [brackets] and material to be added is underlined.

Section 1. Section 3-08 of Subchapter C of Chapter 3 of Title 62 of the Rules of the City of New York is amended to read as

SUBCHAPTER C. CONTRIBUTIONS

§3-08. Contributions to Theater Subdistrict Fund Pursuant to Section 81-744 of the New York City Zoning Resolution.

Contributions to the Theater Subdistrict Fund pursuant to Section 81-744 of the New York City Zoning Resolution shall be made in an amount equal to \$[14.91]17.60 per square foot of floor area transferred.

AGENCY RULES

TAXI AND LIMOUSINE COMMISSION

■ NOTICE

Notice of Promulgation of Rules

Notice is hereby given in accordance with section 1043(b) of the Charter of the City of New York ("Charter") that the Taxi and Limousine Commission ("TLC") promulgates rules changing service requirements for owners of independent taxicabs.

These rules are promulgated pursuant to sections 1043 and 2303(b) of the Charter and section 19-503 of the Administrative Code of the City of New York.

On September 15, 2011, a public hearing was held by the TLC at its offices at 33 Beaver Street., New York, New York, 10004. These rules will take effect 30 days after publication.

Statement of Basis and Purpose of Rule

These rules make important changes to the Taxi and Limousine Commission's owner-must-drive requirements.

Background

At its hearing on June 16, 2011, the Taxi and Limousine Commission modified the driving requirements that apply to owners of independent taxicab medallions who bought their medallions after January 6, 1990. This rule is known as the "owner must drive" requirements. 'owner-must-drive" requirement.

Under both current and former TLC rules, anyone who acquires an interest in an independent medallion after January 6, 1990, including a spouse who acquires the medallion by inheritance, is subject to the owner-must-drive requirement. The June revisions did not address extending the exclusion from the owner-must-drive requirements to spouses who inherit medallion purchased before January 7, 1990. In response to public testimony at the June 16 hearing, the Commission directed the staff to consider that

This rule is the result of that review. Under this rule, a spouse or registered domestic partner of the owner of an independent medallion will step into the service requirement held by the deceased spouse. Specifically, if the deceased spouse was not required to drive because he or she acquired the medallion before 1990, the inheriting spouse is also not required to drive. To obtain the benefit of this proposed rule, the inheriting spouse must notify the TLC of the death of the owner within 120 days.

Rule Changes

<u>New material is underlined.</u> [Material inside brackets indicates deleted material.]

Section 1. Section 58-20(a)(3)(iv) of Title 35 of the Rules of the City of New York is amended to read as follows

(iv) Special Rule for inheriting spouses. A spouse (including a registered domestic partner) inheriting an interest in an Independent Medallion from the [sole] Owner of that Medallion will not be required to meet the Owner-Must-Drive requirement for 180 days following the Owner's death. In order to benefit from this special rule, the inheriting spouse must notify the Commission of the Owner's death within 120 days, unless this requirement is waived by the Chairperson. This rule does not apply to children or other heirs, and it does not apply to an inheriting spouse's future spouses.

A. After 180 days,

[(1)] the inheriting spouse is subject to the same requirement the deceased Owner was subject to, [(]that is, no required shifts, 180 nine hour shifts or 150 seven hour shifts[) if the deceased Owner was required to drive].

[(2) the inheriting spouse is subject to the 180 nine hour shift requirement initially if the deceased Owner was not required to drive because the deceased Owner acquired the Medallion before January 7, 1990.]

B. For purposes of determining compliance with the Owner-Must-Drive requirements, those requirements will be prorated on a monthly basis in any applicable calendar years to account for the 180 days for which compliance is excused.

Example: An Owner subject to the 150 day driving requirement dies on December 1, 2011. The minimum applicable requirement for calendar year 2011 will be 137 seven hour shifts. The minimum applicable requirement for calendar year 2012 will be 88 seven hour shifts.

READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH), Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nvc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

ACCO

CSB

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City's website at www.nyc.gov/selltonyc

HOW TO READ CR PROCUREMENT NOTICES

OLB/d other: (specify)

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
