APPROVED PAPERS.

Ordinances, Resolutions etc., approved by the Mayor during the week ending September 8, 1877.

Whereas. An order of judgment of the Superior Court of this city, dated the eleventh day of January, eighteen hundred and seventy-six, was served on the officers of this Board, declaring or in some manner pertaining to the rights and powers of the New York City Central Underground Railway Company and its successors, to make an underground railway in this city, and an application is now pending before this Board for certain privileges in connection therewith ; it is therefore Resolved, That his Honor the Mayor be requested to obtain the opinion of the Corporation Counsel concerning the rights and powers claimed as aforesaid, for the information and guidance of this Board in any action it may take in relation thereto.

Adopted by the Board of Aldermen, August 16, 1877. Approved by the Mayor, September 3, 1877.

Whereas, The importance to this city, and many of its inhabitants, of direct communication by water, between the upper, lower, and intermediate portions of this city, cannot be overestimated; be it therefore

be it therefore Resolved, That the Commissioners of the Sinking Fund be and are hereby directed, in advertis-ing the sale of the franchise for a ferry between Harlem and Peck slip, and from Mott Haven to Ful-ton Market slip, to stipulate for a landing at or near the foot of Eighty-fourth street, East river, by the boats used by both ferries, each way, as often as the public convenience may require, but not less than once every hour, between the hours of 7 and 9 A. M. and 3 and 7 P. M. ; and the said Commissioners of the Sinking Fund are hereby directed not to execute any lease for either of said ferries unless the stipulation above mentioned is included in such lease.

Adopted by the Board of Aldermen, August 16, 1877. Received from his Honor the Mayor, September 3, 1877, without his approval or objections thereto; therefore, as provided in section 11, chapter 335, Laws of 1873, the same became adopted.

Whereas, In a large portion of the arrests made by the police for disorderly conduct, or intoxica-tion, the persons so arrested, are found to have on them at the time, a pistol of some kind, and as the records of the criminal courts will show that in the largest portion of the arrests for murder or felonious assault the criminal claims he was drunk ; and, was therefore unfit to carry any weapon of any kind, particularly as the majority of those arrested are under twenty-five years of age, and as such persons are always ready and willing to insult respectable citizens and draw a pistol on any and every occasion, while the better and law abiding class try to obey the laws and protect themselves with nothing but nature's weapons ; therefore be it Resolved, That any person arrested for disorderly conduct or intoxication, and having on the person at the time of arrest a pistol of any kind, the fact shall be stated to the police magistrate, and the officer shall state the fact in the complaint sworn to by him, and on the complaint being proven to the court, a fine shall be imposed not exceeding one hundred dollars or to stand committed not exceeding one hundred days. Any person, however, who has occasion to carry a pistol for his protection, shall apply to the officer in command at the station-house of the precinct wherein he resides, and he, if satisfied that the applicant is a proper and law abiding person, shall give said person a recommendation to the Super-intendent of Police or the Inspector in command at the Central Office in the absence of the Superin-tendent, who shall issue a permit to the said person allowing him to carry a weapon of the above description, and any person carrying one without a permit, shall be arrested for volation of this ordinance, and shall be fined or imprisoned the same as if he was also disorderly or intoxicated. This ordinance to take effect immediately.
