FINANCE DEPARTMENT—COMPTROLLER'S OFFICE,
 July 10, 1878.

To the Board of Estimate and Apportionment:

I submit herewith a communication from the Counsel to the Corporation, in relation to an appropriation of twenty-five thousand dollars, to be "raised by tax in the year 1878," as authorized by chapter 417 of the Laws of 1878, to be expended by the Department of Public Parks, in improving and regulating the several public squares and places laid out and established within the lines of Fourth avenue, between Sixty-seventh and Ninety-sixth streets.

The Counsel to the Corporation is of the opinion that, if the Board of Estimate and Apportionment sees fit to appropriate the sum of \$25,000 for the purpose mentioned in the act, the amount should be included in the Final Estimate for the year 1878, and certified in the usual manner to the Board of Aldermen. The Department of Public Parks, by resolution adopted on the 19th of June, 1878, having requested the Board to make the said appropriation, I recommend the adoption of the resolution herewith presented.

Respectfully,

JOHN KELLY, Comptroller.

LAW DEPARTMENT,
 OFFICE OF THE COUNSEL TO THE CORPORATION,
 NEW YORK, July 2, 1878.

Hon. JOHN KELLY, Comptroller:

SIR—With your letter to me of the 27th of June last was transmitted a copy of an act passed June 14, 1878, which contains, among other things, the following provision:

"The Board of Estimate and Apportionment of the City of New York are authorized to appropriate and raise by tax, in the year 1878, twenty-five thousand dollars, to be expended by the Department of Parks in improving and regulating the several public squares and places laid out and established within the lines of Fourth avenue, in the city of New York, between Sixty-seventh and Ninety-sixth streets."

You call my attention to certain provisions of section 112 of the Charter of 1873, and request to be advised whether the Board of Estimate and Apportionment is to literally carry out the above-quoted provision of the act of 1878, and "is to raise by tax, in the year 1878," the sum of twenty-five thousand dollars, or whether it is to proceed according to the provisions of said section of the charter.

A literal compliance with said provision of said act of 1878, is, of course, impossible, as neither said act nor any other statute, creates the machinery necessary to enable the Board of Apportionment "to raise a tax" for any purpose. The language used must be construed with reference to other existing provisions of law, and interpreted, if possible, in such manner as to give effect to the intention of the Legislature. That intention evidently was, that if the Board of Estimate and Apportionment should see fit to do so, it could appropriate twenty-five thousand dollars for the purpose mentioned in the act, and cause the same to be raised by tax during the year 1878, in the same manner in which other taxes are raised in this city.

I am of the opinion, therefore, that if the Board of Apportionment sees fit to appropriate said sum of twenty-five thousand dollars, that amount should be included in the final estimate for this year, and certified in the usual manner to the Board of Aldermen, as an item of such final estimate.

I am, sir, yours respectfully,

WM. C. WHITNEY, Counsel to the Corporation.

And offered for adoption the following preamble and resolution:

Whereas, It appears by the opinion of the Counsel to the Corporation, of July 2, 1878, that the sum of twenty-five thousand dollars should be included in the final estimate for the year 1878, in conformity with the intention of the Legislature authorizing the appropriation of that sum by the provisions of chapter 417, of the Laws of 1878, for the purpose of "improving and regulating the several public squares and places laid out and established within the lines of Fourth avenue, in the city of New York, between Sixty-seventh and Ninety-sixth streets"; and

Whereas, The authority of the Board of Estimate and Apportionment is necessary to make said appropriation in addition to the sum appropriated in the final estimate adopted on December 29, 1877, and which has been, pursuant to law, certified by the Comptroller to the Board of Supervisors; therefore

Resolved, That pursuant to the provisions of chapter 417 of the Laws of 1878, the sum of twenty-five thousand dollars be and the same is hereby appropriated for the purpose of "improving and regulating the several public squares and places laid out and established within the lines of Fourth avenue, in the city of New York, between Sixty-seventh and Ninety-sixth streets," and that the said amount be added to and included in the final estimate for the year 1878, to be raised by tax in said year, as by said act provided; and the Comptroller is hereby authorized and directed to certify said appropriation to the Board of Supervisors.

The Chairman put the question whether the Board would agree with said resolution.

Which was decided in the affirmative by the following vote:

Affirmative—The Mayor of the City of New York (Chairman), the Comptroller of the City of New York, and the President of the Department of Taxes and Assessments—3.

The Chairman presented a communication from a Committee of the Board of Trustees of the College of the City of New York, asking for an increase of \$7,500 in the appropriation for that institution for the year 1878.

Which was referred to and original papers sent to the Comptroller.

On motion, the Board adjourned.

JOHN WHEELER, Secretary.

and the purchaser of this lot will be required
to take the premises in the condition in which
they may be in on 1st May, 1879.)

TERMS AND CONDITIONS OF THE SALE.

The Department will make, prior to the commence-
ment of the term of lease in each case, such repairs
to any of the above premises, in the judgment of the
Commissioners, needing them, as they may consider nec-
essary to place them in suitable condition for service
during the terms for which leases are to be sold; but
all the premises must be taken in the condition in which
they may be in on the date of commencement of said
terms, respectively; and no claim that the property is
not in suitable condition at the commencement of the
lease, will be allowed by the Department; and all repairs
and rebuilding required and necessary, during the terms
leased, are to be done at the expense and cost of the
lessees.

Purchasers will be allowed three months, from date of
commencement of their leases, in which to notify the De-
partment that dredging is required at the premises leased;
and the Commissioners guarantee to do all possible dredg-
ing, as soon after being notified of the necessity therefor,
as the work of the Department will permit; but in no case
will the Department dredge where a depth of ten feet at
mean low water already exists, nor after that depth shall
have been obtained by dredging; and no claim will be
received or considered by the Department, for loss of
wharfage or otherwise, consequent upon any delay in
doing the work of such dredging, or consequent upon the
premises being occupied for dredging purposes. All
dredging required at any of the above premises, of which
the purchaser of the lease thereof, shall neglect or omit to
notify the Department during the first three months of
the term of the lease, and all dredging necessary during
the remainder of such term, is to be done at the expense

will be fixed by the Department of Docks, and announced
by the auctioneer at the time of the sale.

Each purchaser of a lease will be required at the time
of the sale, and in addition to the auctioneer's fees, to pay
to the Department of Docks twenty-five per cent. of the
amount of annual rent bid, as security for the execution
of the lease, and which twenty-five per cent. will be
applied to the payment of the rent first accruing under
the lease when executed, or forfeited, if the purchaser
neglects or refuses to execute the lease and bond
within five days after being duly notified that the lease
is prepared and ready for signature. The Commis-
sioners reserve the right to resell the leases bid off by
those failing to comply with these terms; the party so
failing to be liable for any deficiency which may result
from such resale.

Lessees will be required to pay their rent quarterly, in
advance, in compliance with a stipulation therefor in the
form of lease adopted by the Department.

Two sureties, each a freeholder and householder in the
City of New York, and to be approved by the Commis-
sioners of Docks, will be required, under each lease, to
enter into a bond jointly with the lessee, in the sum of an
amount double the annual rent, for the faithful per-
formance of all the covenants of the lease; and each pur-
chaser will be required to submit, at the time of the sale,
the names and address of his proposed sureties.

Each purchaser will be required to agree that he will,
upon being notified so to do, execute a lease prepared
upon the printed form adopted by the Department, which

No person will be received as lessee or surety who is
