**Dock Department—New Plan for Improvement of the Waterfront at Dreamland Park, Coney Island.**

The Chair called for a hearing in the matter of the new plan for improvement of the waterfront and harbor of The City of New York at Dreamland Park, Coney Island, adopted by the Commissioner of Docks in accordance with law July 30, 1915. (Affidavit as to publication of notice of hearing in THE CITY RECORD on file with the papers.)

No one appearing in opposition the Deputy and Acting Comptroller presented the following report and offered the following resolution:

September 8, 1915.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—On July 30, 1915, the Commissioner of Docks transmitted for approval a new plan for the improvement of the waterfront and harbor of The City of New York at Dreamland Park, Coney Island.

The plan proposed and adopted by the Commissioner consists of a pier and landing platform near West 8th Street, in front of Dreamland Park, on the southerly side of Coney Island, Borough of Brooklyn.

The purpose of this improvement is to provide public landing facilities to accommodate general water traffic for which inadequate facilities now exist.

If reasons to the contrary are not advanced at the public hearing, I believe the Commissioners of the Sinking Fund may properly approve of such plan as submitted by the Commissioner of Docks.

If the Board approves of the plan at the public hearing I recommend the adoption of the attached resolution approving the plan. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of the New Plan layout for the improvement of the water front and harbor of the City of New York, near West 8th Street in front of Dreamland Park, on the southerly side of Coney Island, Borough of Brooklyn, as adopted by the Commissioner of Docks on July 30th, 1915, in accordance with law.

The report was accepted and the resolution unanimously adopted.

The chair then declared the hearing closed.

Note—A discussion then took place with reference to the proposed demolition of the old Dreamland Pier. The Commissioner of Parks for the Borough of Brooklyn was heard in regard to the matter, and the Commissioner of Docks, who has jurisdiction over the pier, stated that he proposed to utilize the pier in connection with the work of constructing the new pier which will shortly be commenced, and that as soon as the new pier was completed the old pier will be turned over for such disposition as the Commissioners may desire to make.

**Dock Department—New Plan for Improvement of the Waterfront in the Vicinity of Pier 97, North River, Borough of Manhattan.**

A communication was received from the Commissioner of Docks, transmitting for approval proposed amendment to the new plan for improvement of the waterfront in the vicinity of Pier No. 97, at the foot of 57th Street, North River, Borough of Manhattan.

A public hearing being necessary, the following resolution was offered for adoption:

Resolved, That the Commissioners of the Sinking Fund hereby fix 11 o'clock in the forenoon, on Wednesday, October 6th, 1915, in Room 16, City Hall, Borough of Manhattan, as the time and place for a public hearing relative to the request of the Commissioner of Docks for approval of proposed amendment to the new plan for improvement of the waterfront of the City of New York in the vicinity of Pier No. 97, at the foot of West 57th Street, North River, Borough of Manhattan, made and adopted by the Commissioner of Docks in accordance with law September 10, 1915.

Which resolution was unanimously adopted.

On May 7, 1915, a resolution was adopted by the Board of Estimate and Apportionment, pursuant to the recommendation of the Commissioners of the Sinking Fund, authorizing the Comptroller to issue corporate stock for the purpose mentioned to an amount not to exceed \$222,500.

The contract has been awarded for the building of the pier at \$116,148.50, leaving a balance of \$106,351.50 from the authorized appropriation of \$222,500.00.

Deficiency in amount of appropriation ..... \$12,138 50

I, therefore, beg to recommend that the Commissioners of the Sinking Fund adopt a resolution recommending to the Board of Estimate and Apportionment that the Comptroller be authorized to issue corporate stock of the City of New York to an amount not exceeding \$12,138.50, the proceeds, to the amount of the par value thereof, to be used by this department for the construction of a shed on the pier foot of 29th Street, Borough of Brooklyn; this being the balance required for that purpose. Respectfully yours,

CHAS. I. FARLEY, Deputy and Acting Commissioner of Docks.

(\$12,138.50), the proceeds to the amount of the par value thereof to be used by the Department of Docks and Ferries for the construction of a shed on the pier at the foot of 29th Street, Borough of Brooklyn, this being the balance required for that purpose. Which resolution was unanimously adopted.

**Board of Education—Lease for, of Premises Nos. 209-213 East 23rd Street, Borough of Manhattan.**

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

September 9th, 1915.

*To the Honorable the Commissioners of the Sinking Fund:*

Gentlemen—The Assistant Secretary of the Board of Education, in a communication to your Board under date of August 12, 1915, states that at a meeting of the Board of Education held August 11, 1915, the following resolution was adopted:

"Resolved, That the Commissioners of the Sinking Fund be, and they are hereby respectfully requested, subject to financial ability, to approve of and consent to the execution by the Board of Education of a lease to that portion of the premises Nos. 209-213 East 23rd Street, Manhattan, occupied by the Manhattan Trade School for Girls, together with the store floor at No. 213 East 23rd Street, formerly leased to the Crown Cork & Seal Co. of Baltimore, Md., for a period of one year from September 1, 1915, at an annual rental of \$7,381, a proportionate amount of the \$81 allowed to the Board of Education for furnishing light and heat for said store floor and for Room 52 at No. 209 East 23rd Street, to be deducted therefrom by reason of the proposed occupancy of the store floor mentioned for school purposes, otherwise upon the same conditions as contained in the existing lease. Owners, Board of Trustees, Manhattan Trade School for Girls."

The existing lease, which does not include the store floor at 213 East 23rd Street, contains a renewal privilege of one year, provided that on September 1, 1915, the Board of Education shall have let a contract for the erection of a building for the Manhattan Trade School for Girls. The Board of Education state that plans and specifications have been completed for the excavation and foundation work for the new building for the Manhattan Trade School for Girls, at the northwest corner of Lexington Avenue and East 22nd Street, and it is expected that the contract therefor will be awarded in the near future.

The need for increased accommodations is shown by the fact that the average daily attendance increased from 537 in September, 1914, to 716 in July, 1915.

The premises proposed to be leased consist of six floors (with the exception of Room 52 on the fifth floor), being 73 feet by 89 feet each, and the store 23 feet by 89 feet on the ground floor of No. 213, at a total rental of \$7,381 a year.

It has been determined, however, that the yearly rental shall be \$7,316, which sum includes the proportionate amount agreed upon for heat and light, for Room 52 at No. 209 East 23rd Street, which is leased to Peter A. Julev.

These six floors were previously rented to the City for \$5,881 a year, which sum included \$81 to be deducted from the said \$5,881 for furnishing heat and light to Room 52 and the store floor at No. 213 East 23rd Street, the store having been rented to private parties at \$1,500 a year.

Deeming the rent reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution approving of and consenting to the execution by the Board of Education of a lease of the premises Nos. 209-213 East 23rd Street, Borough of Manhattan (except Room 52 in No. 209 East 23rd Street, which is leased to Peter A. Julev), for use of the Board of Education, for a term of one year from September 1, 1915, at a rental of \$7,316 a year, payable quarterly; the lessor to pay taxes and make outside repairs, including repairs to the roof; the lessee to pay water rates, furnish heat, light and janitor service and make such inside alterations and repairs as it may deem necessary, the lessee also to furnish light and heat for Room 52 in No. 209 East 23rd Street, occupied by Peter A. Julev, in consideration of which the lessor shall grant and allow the Board of Education the sum of \$16 a year, which shall be deducted from the rent in four equal installments, and the lessor to grant the use of the equipment in the premises, consisting of office furniture, cutting tables, forms, sewing machines, etc., for its own use and enjoyment free of charge during the term of this lease, or until the same has been purchased by the Board of Education, the Board of Education to have the right at any time during the term of this lease to purchase said equipment for the sum of \$4,400, otherwise upon the same terms and conditions as contained in the existing lease. Lessor, Board of Trustees, Manhattan Trade School for Girls. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

"Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Board of Education, of a lease to the City from the Board of Trustees of the Manhattan Trade School for Girls, of the premises Nos. 209-213 East 23rd Street, Borough of Manhattan (except Room 52 in No. 209 East 23rd Street, which is leased to Peter A. Julev), for use of the Board of Education, for a term of one year from September 1, 1915, at a rental of Seven thousand three hundred and sixteen dollars (\$7,316) a year, payable quarterly; the lessor to pay taxes and make outside repairs, including repairs to the roof; the lessee to pay water rates, furnish heat, light and janitor service and make such inside alterations and repairs as it may deem necessary; the lessee to also furnish light and heat for Room 52 in No. 209 East 23rd Street, occupied by Peter A. Julev, in consideration of which the lessor shall grant and allow the Board of Education the sum of \$16 a year, which shall be deducted from the rent in four equal installments, and the lessor to grant the use of the equipment in the premises, consisting of office furniture, cutting tables, forms, sewing machines, etc., for its own use and enjoyment free of charge during the term of this lease, or until the same has been purchased by the Board of Education; the Board of Education to have the right at any time during the term of the lease to purchase said equipment for the sum of Four thousand four hundred dollars (\$4,400), otherwise upon the same terms and conditions as contained in the existing lease; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution unanimously adopted.

Lessor, State Court Holding Corporation, 44 Court Street, Brooklyn. Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City from the State Court Holding Corporation, of the third floor of the premises No. 98 Court Street, Borough of Brooklyn, for use of the Children's Court for the County of Kings, for a period from October 1, 1915, to February 15, 1918, with the privilege to the City of terminating said lease on February 15, 1916, at a rental of Five hundred and forty dollars (\$540) a year, payable quarterly; the lessor to pay taxes and water rates, make inside and outside repairs during the term of this lease or any renewal thereof; cut an opening in the wall at the third floor and place door connecting the demised premises with No. 100 Court Street, all of said alterations and repairs to be completed to the satisfaction of the Justices of said Court; lessee to furnish heat, light and janitor service; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved as to form by the Corporation Counsel pursuant to the provisions of Sections 149 and 217 of the Greater New York Charter.

**Board of Estimate and Apportionment—Assignment to, of Premises at Nos. 125-127 Worth Street, Borough of Manhattan.**

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

September 11, 1915.

**To the Honorable the Commissioners of the Sinking Fund:**

Gentlemen—The Director of the Bureau of Contract Supervision of the Board of Estimate and Apportionment in a communication to your Board under date of August 26, 1915, requests that the first floor of the building owned by the City at 125-127 Worth Street, Borough of Manhattan, be assigned to the use of the Central Testing Laboratory.

The main office of the laboratory occupies part of the fifth floor, and it is proposed to move this office to the first floor, thereby affording better control over the work which is now scattered over several floors, and make it more convenient for every one having business at the laboratory, as there will be no necessity for long waits while the elevator is in use for carrying freight.

I therefore respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution assigning to the Bureau of Contract Supervision of the Board of Estimate and Apportionment the first floor of the building at Nos. 125-127 Worth Street, Borough of Manhattan.

Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

The Commissioner of Docks agreed to turn the property over, and the Secretary was directed to bring the matter up for consideration at the special meeting to be held on the 22nd inst.

**Applications of Henry Baedecker, Jr., and Herman Schumacher, Tenants of the City in West Washington Market, Having Restaurants with Bar Privileges, for Consent to a Renewal of Their Liquor Tax Licenses.**

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

September 8, 1915.

**To the Commissioners of the Sinking Fund:**

Gentlemen—Messrs. Henry Baedecker, Jr., and Herman Schumacher, tenants of the City in West Washington Market, having restaurants with bar privileges, have made applications to the Commissioners of the Sinking Fund for a renewal of their liquor tax licenses, as required by the Special Commission of Excise.

These market restaurants have always been among the most orderly places of the kind in the city, and the fact of their having practically no trade to supply on Sunday has rendered the tenants free from even the temptation of violating the Sunday Closing Law.

The restaurants are a great convenience to the market men and the public having business in the market.

At a meeting held September 16, 1914, this Board granted a similar request for the same tenants.

I see no objection to the granting of the applications, and submit them to the Board for its consideration.

Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to a renewal of the liquor tax licenses to Messrs. Henry Baedecker, Jr., and Herman Schumacher, tenants of the City in West Washington Market.

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution.

September 11, 1915.

*To the Honorable The Commissioners of the Sinking Fund:*

Gentlemen—I am in receipt of a communication to the Commissioners of the Sinking Fund from Charles W. Gould, requesting on behalf of his clients, Samuel A. Lando and Maxwell S. Joffe, a release of the city's interest in a certain portion of Spruce Street which was discontinued and closed by the opening of Roosevelt Avenue, Borough of Queens, and no award made to the abutting owners therefor. The petitioners are willing to waive any award for such closing, in consideration of a release from the city of that portion of Spruce Street adjoining and abutting their premises.

This is to my mind a fair and reasonable proposition.

I therefore respectfully recommend that the Commissioners of the Sinking Fund authorize a release to Samuel A. Lando and Maxwell S. Joffe of the city's interest in all that portion of Spruce Street, Borough of Queens, City of New York, discontinued and closed, and bounded and described as follows:

Beginning at a point formed by the intersection of the northerly line of Spruce Street, as discontinued and closed, with the westerly line of 46th Street; running thence westerly along said northerly line of Spruce Street, as discontinued and closed, 94 feet 11 1/4 inches; running thence southerly and along a line parallel with 46th Street 18 feet 1 3/4 inches; running thence easterly 29 feet 3 1/2 inches to the center line of Spruce Street, discontinued and closed; running thence easterly along the said center line of Spruce Street, discontinued and closed, 66 feet 5 7/8 inches to the westerly line of 46th Street; running thence northerly along said westerly line of 46th Street 25 feet to the point or place of beginning, —in consideration of the sum of \$101, plus an additional charge of \$12.50 for the

preparation of the necessary papers. The release to contain the following terms and conditions:

That the grantees waive any and all claim for damages arising out of the closing of the street or avenue.

That the grantees are the owners of the land fronting on the section of the street or avenue to be conveyed.

The deed not to be delivered until the grantees have paid whatever taxes and assessments are liens against the premises to be conveyed. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Whereas, Samuel A. Lando and Maxwell S. Joffe have requested a release of the City's interest in a certain portion of Spruce Street, in the Borough of Queens, more particularly hereinafter described.

Resolved, That the Commissioners of the Sinking Fund hereby determine that the land described as follows is not needed for any public use:

All that certain portion of Spruce Street, Borough of Queens, City of New York, discontinued and closed, and bounded and described as follows:

Beginning at a point formed by the intersection of the northerly line of Spruce Street, as discontinued and closed, with the westerly line of 46th Street; running thence westerly along said northerly line of Spruce Street, as discontinued and closed, 94 feet 11 1/4 inches; running thence southerly and along a line parallel with 46th Street 18 feet 1 3/4 inches; running thence easterly 29 feet 3 1/2 inches to the center line of Spruce Street, discontinued and closed; running thence easterly along the said center line of Spruce Street discontinued and closed 66 feet 5 7/8 inches to the westerly line of 46th Street; running thence northerly along said westerly line of 46th Street 25 feet to the point or place of beginning.

—and be it further

Resolved, That, pursuant to the provisions of section 205 of the Greater New Charter, the Commissioners of the Sinking Fund hereby authorize a release to Samuel A. Lando and Maxwell S. Joffe, of the City's interest in the property hereinabove in this resolution bounded and described, in consideration of the sum of one hundred and one dollars (\$101) plus the additional charge of twelve dollars and fifty cents (\$12.50) for the preparation of the necessary papers. That the grantees are the owners of the land fronting on the section of the street or avenue to be conveyed.

The deed not to be delivered until the grantees have paid whatever taxes and assessments are liens against the premises to be conveyed.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—I am in receipt of a communication from Fred Durr in which he states that he ceded to the City for street purposes a strip of land in front of property owned by him on Holland Avenue, Borough of The Bronx, which was to be opened at a sixty-foot street. Subsequent to the date of cession the width of Holland Avenue was reduced to fifty feet, five feet being taken from each side of the original lay-out.

This leaves a strip of land five feet wide between the property owned by Durr and the line of Holland Avenue as now laid out. It is this five-foot strip which Durr requests to have released to him.

Beginning at a point on the easterly line of Holland Avenue, as now laid out, 50 feet wide, distant 1,120.09 feet north of the north line of Morris Park Avenue; running thence easterly and parallel to Morris Park Avenue five feet; running thence northerly and at right angles to Morris Park Avenue 75 feet; running thence westerly parallel to Morris Park Avenue 5 feet to the easterly line of Holland Avenue as now laid out 50 feet wide; running thence southerly and along said easterly line of Holland Avenue 75 feet to the point or place of beginning.

Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

Whereas, William Duerr in a communication addressed to the Commissioners of the Sinking Fund requests a release of the City's interest in a strip of land fronting on his property on Holland Avenue, Borough of The Bronx, more particularly hereinafter described.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—I am in receipt of a communication from Katie Deery requesting a release of the City's interest in a certain piece of property located on the southwesterly corner of Spencer Street and Flushing Avenue, Borough of Brooklyn.

The strip in question is a portion of what was formerly contained in old Wallabout Bridge Road, and is 25 feet in length, 8 feet 6 inches in depth on one end and running to nothing on the other end. It has been occupied, as shown by affidavits submitted by the petitioner, since 1865 by the petitioner's predecessors in interest. This strip of land has no monetary value, and the City has no interest therein.

Beginning at a point formed by the intersection of the southerly line of Flushing Avenue with the westerly line of Spencer Street; running thence westerly along said southerly line of Flushing Avenue 25 feet to a point where Flushing Avenue intersects the southerly line of Old Wallabout Bridge Road; running thence easterly along said southerly line of old Wallabout Bridge Road to a point on the westerly line of Spencer Street distant 8 feet 6 inches southerly from the corner formed by the intersection of the southerly line of Flushing Avenue with the westerly line of Spencer Street; running thence northerly 8 feet 6 inches along said westerly line of Spencer Street to the point or place of beginning.

—in consideration of the sum of \$1.00, plus an additional charge of \$12.50 for the preparation of the necessary papers. The release to contain the following terms and conditions:

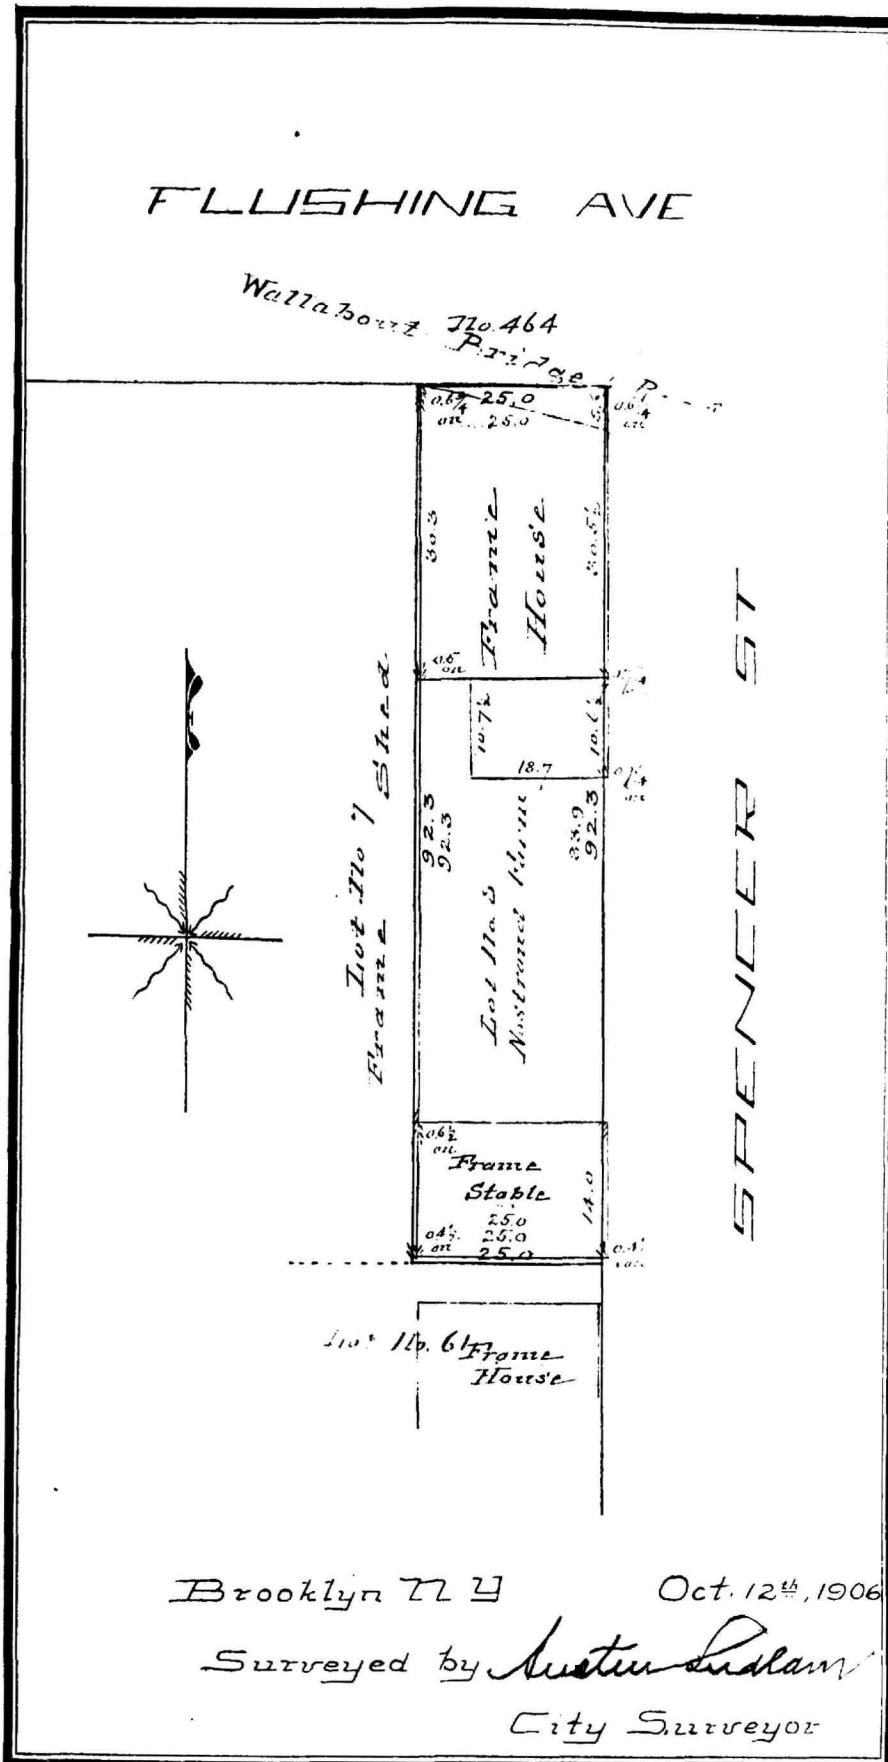

That the grantee waive any and all claim for damages arising out of the closing of the street or avenue.

That the grantee is the owner of the land fronting on the section of the street or avenue to be conveyed.

Respectfully,

ALEX. BROUGH, Deputy & Acting Comptroller.

Health Department—Assignment to, of Floor Space at No. 47 Lafayette Street, Borough of Manhattan.

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

September 14, 1915.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The Secretary to the Commissioner of the Department of Health in a communication to this department under date of September 7, 1915, calls attention to the inadequate accommodations provided for said department in connection with the operation of the Occupational Clinic at 49 Lafayette Street, Manhattan.

At a meeting of your Board held June 16, 1915, a resolution was adopted assigning to the Department of Health for use of the Occupational Clinic, about 1,135 square feet of floor space in the south part of the sixth floor of said building.

The work of this clinic has assumed proportions far beyond that anticipated, and unless more room is provided, the work will be greatly hampered.

The balance of this floor is at present vacant. The building No. 49 Lafayette Street was acquired by the City in 1913, in the proceedings for the new Court House site.

I therefore respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution assigning to the Department of Health the remainder of the unassigned floor space on the sixth floor of premises No. 49 Lafayette Street, Borough of Manhattan. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby assign to the Department of Health the remainder of the unassigned floor space on the sixth floor of premises No. 49 Lafayette Street, Borough of Manhattan.

In connection therewith, the Deputy and Acting Comptroller presented the following report and offered the following resolution:

September 15th, 1915.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—I am in receipt of a petition to the Commissioners of the Sinking Fund from Daniel Coffey and Mary Coffey, his wife, in which they state that they are the owners of certain property located in the Fifth Ward, Long Island City, Queens County, known on a certain map entitled, "Map of Property in the Fifth Ward of Long Island City, Queens County, belonging to E. P. Woolsey, surveyed by Robert A. Serrell, City Surveyor of New York City, dated Long Island, December, 1887," and filed in the office of the Clerk of the County of Queens as Lot No. 189, on Block lettered E (Tax Map Lot 18, Block 87).

This property is located on the southerly side of Debevoise Avenue, 500 feet westerly from the southwesterly corner of Debevoise Avenue and Potter Avenue, Queens. It appears that Debevoise Avenue at this point was laid out at a width of 150 feet on the Commissioners' map of Long Island City, filed on April 25, 1873, and that the Estate of Emma P. Woolsey filed a sales map on May 8, 1888, showing Debevoise Avenue at a width of 150 feet.

On September 1, 1892, the executors of the Woolsey Estate conveyed the land within the lines of Debevoise Avenue, as shown on said maps, to Long Island City for highway purposes, which conveyance was accepted by a resolution of the Common Council of Long Island City on October 4, 1892, and recorded in the office of the County Clerk of Queens on October 20, 1892.

On August 27, 1894, the General Improvement Commission filed a map in the office of the County of Queens showing Debevoise Avenue as 100 feet in width, and leaving outside the lines of the street so laid out a strip 25 feet in width on either side of the 100-foot street, which 25-foot strips had been included within Debevoise Avenue, as laid out on the map filed April 25, 1873.

It is one of these 25-foot strips of Debevoise Avenue as formerly laid out which the petitioners request to have released to them.

On December 4, 1914, a report of the Chief Engineer of the Board of Estimate and Apportionment on the petition of property owners requesting a release of the above mentioned strips of land 25 feet wide on each side of Debevoise Avenue was referred to the Corporation Counsel for advice as to whether all the necessary steps had been taken to close those portions of Debevoise Avenue, and in the event that all formalities had been complied with, the suggestion be made to the Commissioners of the Sinking Fund that the City transfer whatever title it has in these strips to the abutting owners upon the payment by them of all unpaid taxes and assessments and the cost of making the transfers.

In a communication to the Board of Estimate and Apportionment dated March 8, 1915, the Corporation Counsel stated that no further legal action was necessary to accomplish the abandonment of the twenty-five foot strips of land between the old and new lines of Debevoise Avenue.

I therefore respectfully recommend that the Commissioners of the Sinking Fund authorize a conveyance to Daniel Coffey and Mary Coffey, his wife, of the City's interest in and to all that certain piece or parcel of land situate, lying and being in the First Ward of the Borough of Queens, City of New York (formerly the Fifth Ward of Long Island City), County of Queens and State of New York, bounded and described as follows:

Beginning at a point on the easterly side of Second Avenue as the same is laid down on the assessment map of the First Ward of the Borough of Queens as reduced to one hundred (100) feet in width, distant fifty (50) feet southerly from the corner formed by the intersection of the southerly side of Pleasure Avenue with the easterly side of Second Avenue; running thence easterly at right angles to Second Avenue, and parallel with Pleasure Avenue, twenty-five (25) feet; thence southerly parallel with Second Avenue twenty-five (25) feet; thence westerly and parallel with Pleasure Avenue twenty-five (25) feet to the easterly side of Second Avenue, and thence northerly and along the easterly side of Second Avenue twenty-five (25) feet to the point or place of beginning.

—in consideration of the sum of \$1, plus an additional charge of \$12.50 for the preparation of the necessary papers. The release to contain the following terms and conditions:

That the grantees waive any and all claim for damages arising out of the closing of the street or avenue.

That the grantees are the owners of the land fronting on the section of the street or avenue to be conveyed.

The deed not to be delivered until the grantees have paid whatever taxes and assessments are liens against the premises to be conveyed. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Whereas, Daniel Coffey and Mary Coffey, his wife, in a petition addressed to the Commissioners of the Sinking Fund, requests a conveyance of the City's interest in certain property on the southerly side of Debevoise Avenue, 500 feet westerly from the southwesterly corner of Debevoise Avenue and Potter Avenue, in the Borough of Queens, and more particularly hereinafter described.

Resolved, That the Commissioners of the Sinking Fund hereby determine that the land described as follows is not needed for any public use:

All that certain piece or parcel of land situate, lying and being in the First Ward of the Borough of Queens, City of New York (formerly the Fifth Ward of Long Island City), County of Queens and State of New York, bounded and described as follows:

Beginning at a point on the easterly side of Second Avenue as the same is laid down on the assessment map of the First Ward of the Borough of Queens as reduced to one hundred (100) feet in width, distant fifty (50) feet southerly from the corner formed by the intersection of the southerly side of Pleasure Avenue with the easterly side of Second Avenue; running thence easterly at right angles to Second Avenue, and parallel with Pleasure Avenue, twenty-five (25) feet; thence southerly parallel with Second Avenue twenty-five (25) feet; thence westerly and parallel with Pleasure Avenue twenty-five (25) feet to the easterly side of Second Avenue, and thence northerly and along the easterly side of Second Avenue twenty-five (25) feet to the point or place of beginning;

—and be it further

Resolved, That, pursuant to the provisions of section 205 of the Greater New York Charter, the Commissioners of the Sinking Fund hereby authorize a conveyance to Daniel Coffey and Mary Coffey, his wife, of the City's interest in and to the property hereinabove in this resolution bounded and described, in consideration of the sum of one dollar (\$1), plus the additional charge of twelve dollars and fifty cents (\$12.50) for the preparation of the necessary papers. The release to contain the following terms and conditions:

That the grantees waive any and all claim for damages arising out of the closing of the street or avenue.

That the grantees are the owners of the land fronting on the section of the street or avenue to be conveyed.

The deed not to be delivered until the grantees have paid whatever taxes and assessments are liens against the premises to be conveyed.

The report was accepted and the resolution unanimously adopted.

**Park Department, Queens—Request of, for an Exchange of Property Owned by the City for Private Property to be Used as an Addition to Rainey Park, in the Ridgewood Section of Long Island City.**

The Deputy and Acting Comptroller presented the following report:

September, 1915.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—I am in receipt of a communication from the Commissioner of Parks, Borough of Queens, enclosing a letter received from Henry H. Fuller, of Goodale, Perry & Dwight, with reference to the acquisition of additional property for Rainey Park, in the Ridgewood section of Long Island City. His suggestion is that the City exchange some unused property in another section of the City for this tract.

The Commissioner states that Rainey Park is located on the water front opposite Blackwells Island, and is an ideal spot for park and recreation purposes for that section, and that recently he has opened a playground and has undertaken to provide some means of amusement for children in that location. He further states that if an exchange could be arranged upon satisfactory terms, he thinks it would be wise to do so, and that he would be glad to confer with some representative of this Department with a view to carrying out this plan.

In my opinion this is a question that should be first considered by the Commissioners of the Sinking Fund. I am presenting this report to your Board at the request of the Park Commissioner of the Borough of Queens, who stated that he would be present at the meeting.

I therefore submit the matter to your Board without recommendation, and suggest that a Committee be appointed to confer with the Park Commissioner thereon.

Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

On motion the matter was referred to a select committee consisting of the President of the Board of Aldermen and Chairman of the Finance Committee, Board of Aldermen.

Adjourned.

Cars may be operated upon the remaining said tracks described in Section 1 hereof by electric power or by any other motive power except locomotive steam power or horse power, which may be approved by the Board and consented to by the abutting property owners, in accordance with the provisions of law, and by the Public Service Commission for the First District of the State of New York. It is understood, however, that no overhead wires, except trolley wires, shall be permitted for the operation of said tracks by electric power."

8. Section 2, Twelfth, of said contract of June 29, 1911, is hereby amended by striking out therefrom the word "passengers" and inserting in lieu thereof the word "pedestrians."

9. Section 2, Nineteenth, of said contract of June 29, 1911, is hereby amended by striking out in the third line thereof the word "street."

10. All of Section 2, Twenty-fifth, of said contract of June 29, 1911, is hereby stricken out and the following substituted therefor:

"Twenty-fifth—This grant is upon the express condition that the Company, within thirty (30) days after the signing of this contract by the Mayor, and before anything is done in exercise of the rights conferred hereby, shall deposit with the Comptroller of the City the sum of Five thousand dollars (\$5,000), and on or before December 31, 1915, shall deposit with the Comptroller an additional sum of Two thousand five hundred dollars (\$2,500), either in money or securities, to be approved by him, both of which sums shall constitute a fund which shall be security for the performance by the Company of all of the terms and conditions of this contract and compliance with all orders of the Board acting under the powers herein reserved, especially those which relate to the payment of the annual charges for the privilege hereby granted, the rendering of efficient public service at reasonable rates, the repairs of the street pavement, the removal of snow and ice, the quality of construction of the railroad and the maintenance of the property in good condition throughout the whole term of this contract, and in case of default in the performance by the Company of such terms and conditions, or compliance with such orders or either or any of them, the City shall have the right to cause the work to be done and the materials to be furnished for the performance thereof after due notice, and shall collect the reasonable cost thereof from the said fund without legal proceedings; or after default in the payment of the annual charges, shall collect the same, with interest, from the said fund after ten (10) days' notice to the Company; or in case of failure to observe the said terms and conditions of this contract and orders of the Board acting hereunder, relating to the obstruction of traffic, the maintenance of gates and flagmen, the Company shall pay a penalty of fifty dollars (\$50) per day for each day of violation, all of which sums shall be deducted from said fund.

The procedure for the imposition and collection of the penalties in this contract shall be as follows:

The Board, on complaint made, shall give notice to the Company, directing its President, or other officer, to appear before the Board on a certain day not less than ten (10) days after the date of such notice, to show cause why the Company should not be penalized in accordance with the foregoing provisions. If the Company fails to make an appearance, or, after a hearing appears in the judgment of the Board to be in fault, said Board shall forthwith impose the prescribed penalty, or where the amount of the penalty is not prescribed herein, such amount as appears to the Board to be just, and without legal procedure direct the Comptroller to withdraw the amount of such penalty from the security fund deposited with him. In case of any drafts made upon the security fund the Company shall, upon ten (10) days' notice, pay to the City a sum sufficient to restore said security fund to the original amount of seven thousand five hundred dollars (\$7,500), and in default thereof, this contract shall be canceled and annulled at the option of the Board, acting on behalf of the City. No action or proceeding or right under the provisions of this contract shall affect any other legal rights, remedies or causes of action belonging to the City."

11. Section 2 of said contract of June 29, 1911, is hereby further amended by adding at the end thereof the following additional clauses, numbered, respectively, Thirtieth, Thirty-first, Thirty-second, Thirty-third, Thirty-fourth, Thirty-fifth, Thirty-sixth, Thirty-seventh, Thirty-eighth and Thirty-ninth:

"Thirtieth—The words "Jay Street Terminals" wherever used in this contract shall be deemed to mean the freight yards or terminals, so-called, at the present time lying within the districts generally described as follows:

Old Terminal: Bounded on the north by the East River; bounded on the east by Gold Street; bounded on the south by John Street; bounded on the west by Jay Street.

New or Proposed Terminal:

Bounded on the north by the East River; bounded on the east by Main Street; bounded on the south by Water Street; bounded on the west by New Dock Street.

—or as such yards or terminals may hereafter be extended or changed; together with the tracks, connections, turnouts and switches contained in or comprising said yards or terminals, which said yards or terminals are maintained or operated either by the firm or partnership known as The Jay Street Terminal or by any individual, firm or corporation which may acquire or succeed to the rights or interests of the said The Jay Street Terminal in or to either or both of said yards or terminals.

Thirty-first—The words "South Brooklyn Marginal Freight Railroad" wherever used in this contract shall be deemed to mean any freight railroad along or near the water-front in the Borough of Brooklyn, westerly or southwesterly from the tracks or extensions herein authorized, which shall be constructed or operated by the

City, or under a contract with the City, any part of which railroad shall be so located that a connection can be made with the tracks or extensions of the Company herein authorized, or with any portion thereof.

Thirty-second—The Company hereby agrees that the City shall have, and it hereby grants to the City, the right to use in common with the Company the tracks, structures, equipment and power of the Company, necessary for the operation of cars and locomotives of or from the South Brooklyn Marginal Freight Railroad upon that portion of the tracks and extensions herein authorized, described as follows:

Beginning at a point in Extension B where the same is intersected by the tracks hereinabove described as Extension D; thence westerly along Plymouth Street to the westerly line of Main Street, also southerly along Main Street over the tracks hereinabove described as Extension E, together with all connections, turnouts or sidings which are now or may hereafter be authorized from said Extension E and that portion of Extension B herein described.

Such use shall be permitted to the City upon notice to the Company by resolution of the Board. The compensation to be paid by the City for such use shall be fixed by agreement between the City and the Company. In case of failure of the City and the Company to agree, however, upon such compensation, the City shall nevertheless have the right, after the expiration of thirty (30) days from the date of such notice as above, to make the necessary connections or connections with the tracks above described and thereafter use such tracks for the operation thereon of cars and locomotives of or from the South Brooklyn Marginal Freight Railroad. The compensation to be paid by the City for the use of such tracks, structures, equipment and power shall in such case be determined by arbitrators selected in the manner provided by this contract.

It is agreed that nothing herein contained shall be construed to give to the South Brooklyn Marginal Freight Railroad the right to use the locomotives or rolling stock of any kind of The Jay Street Connecting Railroad.

Thirty-third—The City and the Company hereby agree to interchange loaded or empty cars between the railroad of the Company and the South Brooklyn Marginal Freight Railroad at transfer points to be hereafter agreed upon between the City and the Company; the Company on its part and behalf agreeing to accept such cars from said South Brooklyn Marginal Freight Railroad and deliver the same to any point along its railroad, or to the Jay Street Terminals as herein defined, at the same rates as similar service is performed for any individual, firm or corporation served by the Company, and the City on behalf of the South Brooklyn Marginal Freight Railroad agreeing to accept such cars from the railroad of the Company and deliver the same to any point along the said South Brooklyn Marginal Freight Railroad at the same rates as similar service is performed for any individual, firm or corporation served by said South Brooklyn Marginal Freight Railroad.

The City and the Company shall share equally the cost of protecting and maintaining the necessary transfer facilities at such points as may be agreed upon as above.

Thirty-fourth—It is agreed that the Board, upon six (6) months' notice to the Company, shall have the right to terminate the rights and privileges hereby granted as to Extensions C and D hereinabove described, and all connections therefrom. Such right may be exercised by the Board at any time after the expiration of ten (10) years from and after July 1, 1915, except that in the event the City shall exercise its right to acquire or condemn the remaining tracks of the Company, known and described herein as Main Track, Extension B and Extension E, together with the connections therefrom, and also the terminal property or properties herein defined as the Jay Street Terminals, then the right of the Board to terminate the franchise as to said Extensions C and D and the connections therefrom may be exercised and such termination shall take effect as of the date when the City shall become vested with title to the tracks and property acquired under condemnation proceedings, as herein provided. The right of the Board to terminate the franchise as to Extensions C and D and the connections therefrom shall, however, be upon condition that the City shall pay to the Company an amount to be determined as follows: Beginning with the date of the completion of construction or installation of the tracks, structures and equipment which may be recaptured as herein provided, or of any portion thereof, should said tracks, structures and equipment be constructed or installed at different periods, it shall be assumed that the Company has provided a fund to consist of such payments made annually out of the revenues of the Company, computed at four (4) per cent. compound interest, as will at the end of the term of this contract equal the actual cost of such property when constructed or installed. The accumulations from such fund which may or should have accrued up to the time when the City shall exercise its right of recapture shall be deducted from such actual cost of such tracks, structures and equipment to be recaptured and the remainder shall represent the sum which the City shall pay to the Company for such tracks, structures and equipment; provided, however, that in no event shall the sum to be paid by the City to the Company exceed the actual value of the tracks, structures and equipment to be recaptured, at the time of such recapture, and provided further that no compensation shall be paid to the Company for any tracks, structures or equipment forming or included in any connection with the building or premises of any individual, firm or corporation where such tracks, structures or equipment have been constructed or installed at the expense of such individual, firm or corporation.

At the time of the recapture of the tracks, structures and equipment as herein provided, the Company shall furnish the Board a statement of the actual cost of such tracks, structures and equipment when constructed, as determined by said arbitrators, shall be taken as and for the actual cost thereof for the purposes herein specified. In case the question of the fair value of the tracks, structures and equipment to be recaptured shall be submitted to arbitrators, as hereinabove provided, and such arbitrators shall determine as such fair value, a sum less than the actual cost of the property as certified by the Company and upon which it is assumed that the aforesaid fund is based, then the amount to be deducted upon the recapture of the property, as hereinabove provided, shall be reduced in a like proportion.

Thirty-fifth—The rights hereby granted shall not become operative until the Company shall itself execute and shall procure and cause to be

executed by the firm or partnership known as The Jay Street Terminal, proved in proper form for record, and shall deliver to the Board an agreement whereby and wherein the Company shall consent on behalf of itself, its successors and assigns, to the condemnation by the City of any and all of the remaining tracks known and described herein as Main Track, Extension B and Extension E, together with the connections therefrom and the structures and equipment within the streets and the franchise authorizing the same owned by the Company as part of or in connection with the railroad authorized by this contract or as the same may be hereafter notified. Such consent shall only become operative in the event that the City shall acquire, by condemnation or otherwise, the Jay Street Terminals, as herein defined.

In said agreement the Company shall further agree that in any such condemnation proceeding no award or compensation shall be claimed for the value of the franchise granted by this contract or as the same may be hereafter modified. The said agreement shall further provide that said The Jay Street Terminal shall agree that during such time as it shall maintain or engage in the business of operating or maintaining a freight terminal, lighterage or car-float service, it will receive, handle and lighter at, to or from the Jay Street Terminals, as herein defined, the cars coming from or destined to the South Brooklyn Marginal Freight Railroad, and furnish the necessary car-float service for the handling or transit of such cars between the Jay Street Terminals as herein defined and any of the trunk line railroads with which they have connection.

The said The Jay Street Terminal shall further agree that the service to be furnished the South Brooklyn Marginal Freight Railroad shall be the same service furnished to the Company and at the same rates as may be charged for similar service to the Company.

Thirty-sixth—The Board, upon application of the Company, may by a resolution authorize the construction, maintenance and operation of such further connections, in addition to those herein authorized, as may be necessary to permit the Company to furnish service to any individual, firm or corporation whose building or premises shall be situated on any of the streets or avenues through or along which the Company is herein authorized to construct, maintain and operate its tracks or extensions.

Thirty-seventh—The Board may, by resolution, direct the Company to construct such further reasonable and practicable connections, in addition to those herein authorized, as may be necessary to permit the Company to furnish service to any individual, firm or corporation whose building or premises shall be situated on any of the streets or avenues through or along which the Company is herein authorized to construct, maintain and operate its tracks and extensions. The cost of constructing such connections shall be borne by the individual, firm or corporation whose building or premises is so connected. The connections shall, however, when constructed, be the property of the Company and shall be a part of the railroad herein authorized. If and when so directed, the Company agrees to construct and to thereafter maintain and operate such necessary connections and to furnish service to such individual, firm or corporation in the same manner and at the same rates as such class of service is furnished to any other individual, firm or corporation served by the Company. It is agreed by the parties hereto, and it is the intention of this contract, that the Company shall maintain as part of its railroad the connections referred to in this subdivision. Nothing contained in this subdivision shall, however, prejudice the right of the Company to recover the cost of such maintenance from the individual, firm or corporation whose premises may be connected, as herein provided. In case of the failure of the Company to construct any such connection within four (4) months after being so directed by the Board, and after such individual, firm or corporation has paid, or in writing agreed to pay, the cost of construction thereof, or in case of the Company's failure to thereafter maintain and operate the said connections and furnish its service as herein provided, the rights hereby granted may be forfeited by resolution of the Board.

Thirty-eighth—Should it be necessary to submit any question or matter to arbitration, pursuant to the terms of this contract, the arbitrators shall be disinterested persons appointed in the following manner:

When the necessity for such arbitration arises, either party may appoint its arbitrator and give written notice of such appointment to the other party. Within thirty (30) days after the receipt of such notice, such other party shall appoint its arbitrator. Within thirty (30) days after the appointment of the second arbitrator, the two arbitrators so appointed shall choose a third arbitrator. A determination concurred in by any two of such arbitrators shall be conclusive and binding upon the parties hereto. Should either party fail to appoint its arbitrator within thirty (30) days after notice from the other party as above, or should the two arbitrators appointed as above fail to choose the third arbitrator within thirty (30) days after their appointment, then the question or matter shall be determined by a referee or commissioner appointed by the Supreme Court on the application of either party. Should no two arbitrators concur in a determination within sixty (60) days after the appointment of all the arbitrators as above, then such submission to arbitrators shall be deemed to have been revoked any provision of law to the contrary notwithstanding, and no written revocation shall be necessary; the question or matter shall in such case be determined by a referee or commissioner appointed by the Supreme Court on the application of either party.

The compensation and expenses of the said arbitrators or of said referee or commissioner shall be borne jointly by the City and the Company, each paying one-half thereof.

Thirty-ninth—This contract and the rights of the parties under it shall at the option of the Company cease and determine if The Jay Street Terminal goes out of the lighterage and terminal business.

12. All of Section 4 of said contract of June 29, 1911, is hereby stricken out and the following substituted therefor:

"Sec. 4. This grant is also upon the further and express condition that all the provisions of the Railroad Law pertinent thereto shall be strictly complied with by the Company."

SECTION 2. The grant of this privilege is subject to the following conditions:

First—All the terms, provisions and conditions contained in said contract dated June 29, 1911, excepting those which are herein expressly amended or modified, shall remain unchanged and shall apply to the routes herein described in Section 1 of this contract with the same force and effect as when they applied to the routes described in said contract dated June 29, 1911.

Section 3. It is understood and agreed by the parties hereto that the security deposit of Five thousand dollars (\$5,000) required by Section 1, clause 10, of this contract to be made "within thirty (30) days after the signing of this contract by the Mayor," refers to and is intended to mean the sum of Five thousand dollars (\$5,000) heretofore deposited with the Comptroller of the City, pursuant to the terms of the said contract of June 29, 1911.

Section 4. The Company covenants and agrees to abandon and relinquish, and does hereby abandon, surrender and relinquish to the City

all of its rights and franchises to construct, maintain and operate a railroad in, upon or across the streets on those portions of the route described in the said contract dated June 29, 1911, which are not covered by the description of the new and amended routes as herein described, and which are not shown on the map of such new and amended routes, a copy of which is attached hereto and made a part hereof.

SECTION 5. The Company promises, covenants and agrees on its part and behalf to conform to and abide by and perform all the terms, conditions and requirements in this contract fixed and contained.

IN WITNESS WHEREOF, The party of the first part, by its Mayor, thereunto duly authorized by the Board of Estimate and Apportionment of said City, has caused the corporate name of said City to be hereunto signed and the corporate seal of said City to be hereunto affixed; and the party of the second part, by its officers, thereunto duly authorized, has caused its corporate name to be hereunto signed and its corporate seal to be hereunto affixed, the day and year first above written.
