Executive Summary

AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

The *Proposed 2019 Consolidated Plan One-Year Action Plan* is the City of New York's annual application to the United States Department of Housing and Urban Development (HUD) for the four Office of Community Planning and Development entitlement programs: Community Development Block Grant (CDBG), HOME Investment Partnerships (HOME), Emergency Solutions Grant (ESG) and Housing Opportunities for Persons with AIDS (HOPWA).

In addition, the Proposed Action Plan serves not only as the City's application for the entitlement funds, but also as the HOPWA grant application for the New York HOPWA Eligible Metropolitan Statistical Area (HOPWA EMSA). The EMSA is comprised of the five boroughs of the City of New York plus three upstate New York jurisdictions (the counties of Westchester, Rockland and Orange), as well as three counties in central New Jersey (Middlesex, Monmouth and Ocean).

The 2019 Action Plan represents the fifth and final year of a five-year strategy for New York City's Consolidated Plan years 2015 through 2019. The five-year strategy was articulated in Volume 3 of the amended 2015 Consolidated Plan.

For the 2019 Program Year, the City expects to receive \$294,129,949 from the four HUD formula grant programs: \$166,843,617 for CDBG; \$69,126,329 for HOME; \$44,033,544 for HOPWA; and \$14,126,459 for ESG.

Overall, the City's 2019 grant award amounts represent an approximate \$5,715,300 decrease from the amount the City received in 2018 (a reduction of approximately 2 percent). The changes in the grant award amounts reflect program allocations in the FFY19 HUD Appropriations Bill. The City's 2019 CDBG program grant award amount remained basically unchanged from its 2018 program award (a \$238,120 increase). This minor increase is consistent with the national CDBG Program amount which remained basically unchanged. The City's ESG program received a 4 percent increase (\$596,553) for 2019 which mirrors the national ESG program's increase in funding. These slight increases, however, did not offset the \$6,355,405 decrease to the City's HOME Program award amount. The City's approximately 8 percent decrease in 2019 HOME Program funds is consistent with the 8 percent reduction in FFY19 HUD funds appropriated to the national HOME program.

After the passage and signage of the Housing Opportunity through Modernization Act (HOTMA) in July 2016, which modernized the HOPWA allocation formula from cumulative AIDS cases to living with HIV/AIDS, the NYC EMSA anticipated a decrease in the City's HOPWA 2019 grant award. However, a 5% increase to the national HOPWA program in the final FFY19 appropriation bill offset what would have been a larger funding cut to the City's 2019 HOPWA award as per the new formula guidelines. As a result, the City's 2019 HOPWA grant received a small reduction of \$194,604.

It should be noted the expected resources do not currently contain a potential subgrant of the federal Housing Trust Fund. New York State Homes and Community Renewal controls the State's allocation and

will decide on any suballocations later in 2019. If the City receives a subgrant award, it will amend its Action Plan to include the HTF funds accordingly.

2. Summarize the objectives and outcomes identified in the Plan

Both the current and previous mayoral administrations recognize that safe and affordable housing as a priority in maintaining the City's vitality. In May 2014, Mayor Bill de Blasio released *Housing New York: A Five-Borough, Ten-Year Plan*, a comprehensive plan to build and preserve 200,000 affordable units over the coming decade. In November of 2017, Mayor de Blasio released his *Housing New York 2.0* plan accelerating and expanding the original *Housing New York* plan. *Housing 2.0* introduced a suite of initiatives under development to create 200,000 affordable homes two years ahead of schedule, by 2022, and reach a new goal of 300,000 newly constructed or preserved units by 2026. The housing related activities within the Proposed 2019 Consolidated Plan One-Year Action Plan are part of the Mayor's broader housing strategy.

Although safe affordable housing is crucial to improving the lives of New Yorkers, the City allocates a large share of HUD entitlement funds to community redevelopment programs as part of a holistic approach to improving resident's quality of life.

For the 2019 Consolidated Plan Program Year, New York City intends to achieve its strategic objectives in the following manner:

01 Accessibility to Decent Affordable Housing

7 Formula Entitlement-funded Projects will receive a cumulative total of **\$82,751,916.00**

- 270,000 Persons provided with public service activities within the Bronx River and the adjacent areas.

- 70,000 Public Housing Units will benefit from rehabilitation of NYCHA buildings.

07 Availability/Accessibility to Economic Opportunity

2 Formula Entitlement-funded Projects will receive a cumulative total of **\$3,829,000.00**

This funding is indented to reach the following goals:

- 1,702 Persons assisted with new/improved access to literacy, educational or vocational services.

- 57 Commercial districts in low-/moderate-income areas revitalized.

08 Not-Applicable-Planning & Program Administration

14 Formula Entitlement-funded projects for which performance goal indicators are Not Applicable (N/A).

3. Evaluation of past performance

Regarding New York City's past performance in its use of formula entitlement funds, please refer to the City's *2017 Consolidated Plan Annual Performance and Evaluation Report (CAPER)*, the most recent Performance Report available. The 2017 CAPER can be accessed on the New York City Department of City Planning's website at: <http://www1.nyc.gov/site/planning/about/consolidated-plan-apr.page?tab=8>.

The 2017 Consolidated Plan Annual Performance and Evaluation Report was submitted to HUD in late April 2018 for their review and subsequently approved in mid-June.

4. Summary of Citizen Participation Process and consultation process

The Consolidated Plan Formulation Process

The City of New York conducted a public hearing to solicit comments on the formulation of the Proposed 2019 Consolidated Plan One-Year Action Plan, on December 6, 2018.

New Yorkers were invited to attend and participate in the formulation and development of the Consolidated Plan. Over 1,800 notification letters were sent to New York City residents, organizations and public officials inviting participation in the public hearing. In addition, notices regarding the public hearing were published in four local newspapers: an English-, a Spanish-, Russian-, and a Chinese-language daily, each with citywide circulation. Furthermore, the notice was posted on DCP's website. Lastly, a notice was placed as a public service message on the City-operated local cable television access channel. The respective notices included relevant Plan-related information so that informed comments are facilitated. Testimony could be given orally at the hearing or submitted by mail or email in lieu of attendance.

The Public Comment Review Period and Public Hearing

The City used the same notification methods to notify the public of the Proposed 2019 Action Plan's release for public review, and the federally-required public hearing on the document.

To provide access to the document copies of the Proposed 2019 Action Plan were obtainable by the public at the City Planning Bookstore, 120 Broadway, 31st Floor, New York, NY 10271, Phone: 212-720-3667, (Walk-ins: Monday, Tuesday: 9:30 am-11:30 am, Wednesday: 1-3 pm with arrangements made for other days/times) or any of the DCP borough offices. In addition, copies of the Proposed Action Plan are referenceable in the City's Municipal Reference & Research Center (City Hall Library), and the main public library in each of the five boroughs. Furthermore, an Adobe Acrobat version of the Proposed Action Plan was posted on DCP's website (<http://www.nyc.gov/planning>) for public review.

The public comment period began **May 7, 2019** and extends for approximately 30 days ending **June 7, 2019**. The public hearing on the Proposed 2019 Consolidated Plan One-Year Action Plan will be conducted on **June 4, 2019** starting at **5:30 pm**, in the City Planning Commission Hear Room, 120 Broadway, Lower Concourse, Manhattan. A question and answer session with City agency representatives in attendance will follow.

The public is instructed to submit their written comments on the Proposed 2019 Action Plan by close of business, **June 7, 2019** to: Charles V. Sorrentino, New York City Consolidated Coordinator Plan, Department of City Planning, 120 Broadway 31st Floor, New York, New York 10271, email: Con-PlanNYC@planning.nyc.gov.

Comments received are to be summarized and agencies' responses incorporated into the version submitted to HUD.

5. Summary of public comments

Comments from the Public Hearing on the Formulation of the Proposed 2019 One-Year Action Plan

The hearing began with opening remarks and the floor was then opened to testimony to those in attendance. However, no member of the public gave testimony. One organization submitted comments in lieu of speaking.

The City received written testimony from Neighborhood Housing Services of New York City (NHSNYC), a non-profit partner to the City that serves as a servicer of funding for a couple of programs that are funded by HOME and CDBG as managed by HPD and OMB. NHSNYC's comments encouraged HUD to continue funding CDBG and HOME in addition to encouraging the City to continue to make those programs a priority.

RESPONSE: The City of New York shares NHSNYC's opinion that CDBG and HOME provide services that are critical to the New Yorkers that they serve and encourages HUD to continue to fund these programs.

Narrative

The Department of City Planning is the lead agency in the City's Consolidated Plan application process and is responsible for the formulation, preparation and development of each year's proposed Plan in conjunction with the Consolidated Plan Committee member agencies and HUD.

The City's CDBG, HOME, HOPWA, and ESG programs are administered by the: Office of Management and Budget (OMB), the Department of Housing Preservation and Development (HPD), the Department of Health and Mental Hygiene (DOHMH) - Division of Disease Control, and the Department of Homeless Services (DHS), respectively.

The New York City Consolidated Plan also serves as the HOPWA grant application for six (6) surrounding counties within the New York Eligible Metropolitan Statistical Area (EMSA): The New York counties of Orange, Rockland and Westchester and the New Jersey counties of Middlesex, Monmouth, and Ocean, respectively.

HPD promotes the construction and preservation of affordable housing for low- and moderate-income families in thriving and diverse neighborhoods throughout the five boroughs. Using federal, state and local funds, HPD finances affordable housing development and preservation while also enforcing housing quality standards and endeavoring to ensure sound management of the city's affordable housing stock. In partnership with 13 sister agencies, advocates, developers, tenants, community organizations, elected officials, and financial institutions HPD is responsible for carrying out the Mayor's ten-year housing plan.

The New York City Housing Authority (NYCHA), using primarily Public Housing Capital funds, administers public housing new construction, rehabilitation and modernization activities, and home ownership opportunity programs, along with a Section 8 rental certificate and voucher program.

The Human Resources Administration (HRA) and DHS operate under an integrated management structure coordinating services to prevent and alleviate homelessness for families with children and individuals and households without children. HRA provides public benefits and services which assist in

homelessness prevention, diversion and rehousing services, including the administration of rental assistance to move homeless families and adults into permanent housing. DHS is responsible for shelter operations and services to street homeless individuals. Programs for runaway and homeless youth and children aging out of foster care are administered by the Department of Youth and Community Development (DYCD), and Administration for Children's Services (ACS), respectively. HRA's HIV/AIDS Services Administration (HASA) provide emergency and supportive housing assistance and services for persons with HIV-related illness or AIDS.

DOHMH, along with the State's Office of Mental Health (OMH); Office for People with Developmental Disabilities (OPWDD); and, Office of Alcoholism and Substance Abuse Services (OASAS), plans, contracts for and monitors services for these disability areas and provides planning support to OASAS in the field of substance abuse services. DOHMH's Bureau of Mental Health, through contracted agencies, provides an array of mental health recovery oriented services and supportive housing programs to prevent homelessness and works collaboratively with Federal, City and State agencies to assure continuity of services.

The Department for the Aging, the Mayor's Office for People with Disabilities, and the Mayor's Office to Combat Domestic Violence address the concerns of targeted groups of citizens by providing housing information and supportive housing services assistance.

1. Introduction

New York City's Consolidated Plan citizen participation and formulation process is part of the City's larger Charter mandated budget process.

This process, specified in the City Charter, provides for citizen participation on all programs, projects and services funded by the City's Expense, Capital and Community Development Block Grant (CDBG) budgets.

As stated previously, the Consolidated Plan is the City's application for the four HUD Office of Community Planning and Development Entitlement Programs: CDBG, HOME, ESG, and HOPWA. The allocation of these funds will be for housing, homeless, supportive housing and community development programs and are determined during the City's Budget Process. The Consolidated Plan focuses on the money expected to be received from HUD and the matching funds that the City uses primarily from City Tax Levy; however, funds from the State, the private sector, and nonprofit organizations are also described.

The City's budget is required to be adopted on or before the start of its fiscal year (July 1st to June 30th). Citizens are encouraged to get involved in this decision-making process. The City's Budget Process, which is voted on by the City Council, is subject to extensive public review and participation. The City has an established citizen participation process that is divided into three phases: 1. Needs assessment and budget preparation (May to November); 2. Preliminary Budget (November to April); and 3. Executive and Adopted Budget (April to July). The Budget Process solicits citizen comments at several stages before the final budget is adopted. For opportunities for individuals, community boards, and other organizations to participate in the planning and budgeting process, please refer to the schedule on OMB's website at <http://www1.nyc.gov/site/omb/about/new-york-city-budget-cycle.page>.

Citizen participation in developing the budget is mandated by the City Charter. Through months of consultations with the 59 community boards, expense and capital budgets for operating agencies are established. Additionally, public hearings may be held by individual agencies to assist in the development and enhancement of their respective programs and operations. This provides agencies with a significant understanding of community priorities for capital project and service delivery improvements.

This schedule emphasizes the participation of the community boards at the local level because, by City Charter mandate, the boards are charged with monitoring City service delivery, proposing budget priorities, and reviewing development and land use proposals at the community level. The 59 local community boards are the primary mechanism for citizen participation in the budget process in New York City. Others seeking input into the City's budgetary decisions find it appropriate and useful to obtain a community board's endorsement of their proposals. Each board is composed of up to 50 people who live or work in the community district.

Citizens have an opportunity to participate in the above process in several ways including participating locally with the community board and organizations represented on community board committees and

attending and testifying at local hearings held by community boards and those held by the City Council. Hearings held in the fall facilitate the community boards' development of their Statement of Community District Needs and Priorities and their Capital and Expense/CD Budget project/program requests. In February, citizens have an opportunity to testify at a community board public hearing on the Preliminary Budget in relation to community needs. Public hearings are held by the City Council in May on the Executive Budget and the Proposed Community Development Budget before final adoption of the budget.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(I))

DHS, as the recipient of the ESG funds, works closely with public agencies and non-for-profit partners to reduce street homelessness, provide emergency shelter for single adults and to assist homeless families in the transition from temporary housing into permanent housing. DHS collaborates with governmental and non-governmental human services entities to enhance the provision of prevention and homeless services. As of April 2016, HRA oversees homeless prevention services as part of a new integrated services structure between DHS and HRA established to provide a more seamless and effective delivery of client services. The NYC Coalition on the Continuum of Care (NYC CCoC), DHS and HRA are working on the implementation of a HUD mandated coordinated entry system (CES) furthering the coordination of resources available to persons experiencing homelessness.

New York City is fully participating in the Medicaid Expansion under the ACA. As a result, CoC and 100% of project recipients and subrecipients participated in efforts to educate and facilitate healthcare enrollment among low income and homeless individuals and families. Outreach, in-person assistors, certified application counselors, brokers, and navigators provided in person enrollment and assistance with the Marketplace. In addition to the Continuum of Care (CoC) services and outreach, its partnership with NYC Health Insurance Link, Health and Hospital Corporation, Medicaid Health Homes, ensures that chronically homeless are assessed and enrolled in healthcare services. DHS also works closely with the NYC CCoC SOAR Taskforce and SAMHSA SOAR State Team to train case managers on SOAR to improve approval rates of Supplemental Security Income (SSI) or Social Security Disability Insurance (SSDI) benefits for eligible individuals and families served within the NYC continuum.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

DHS, the ESG recipient and collaborative applicant for the NYC CoC, coordinates extensively with CoC providers and the Consolidated Plan jurisdiction. Coordination takes place through monthly meetings between representatives from both groups in an effort to align priorities and share efforts toward the NYC's five year Con Plan. This collaboration has resulted in goals which are aligned and stated in the CoC's strategic plan as: Investing in proven strategies to reduce the number of homeless individuals on the streets; Preventing those families and individuals at-risk of homelessness from entering shelter; Ensuring that shelter is a short-term solution to a housing crisis by rapidly re-housing families and

individuals. The aim is to end homelessness, with an emphasis on veterans, chronic and youth homelessness.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

The Homebase prevention, street outreach, and emergency shelter providers are evaluated based on HUD system performance measure. DHS shared this work with the Continuum of Care Steering Committee and will review periodically with the NYC CCoC Data Management Committee. DHS will utilize its HMIS to monitor system performance through the following indicators:

- Length of time homeless
- Returns to homelessness within 6 to 12 months; returns within two years
- Number of persons served
- Number of first time homeless persons
- Placement from Street Outreach and retention of Permanent Housing

For reference, see Emergency Solutions Grant Written Standards in Appendix 2.

Narrative

To prepare the portion of its consolidated plan concerning lead-based paint hazards, the grantee jurisdiction consulted with the NYC Department of Health and Mental Hygiene (DOHMH), the agency charged with conducting environmental investigations for children with elevated blood lead levels

(EBLL). The jurisdiction also examined existing data related to lead-based paint hazards and EBLLs, including DOHMH data on the addresses of housing units in which children have been identified as having elevated blood lead levels. For both Public Housing and the Section 8 Housing Choice Voucher programs, DOHMH provides NYCHA with information regarding its investigations of children with EBLLs where that investigation has identified lead paint hazards.

DOHMH issues NYCHA a Commissioner's Order to Abate (COTA) when DOHMH is notified of an EBLL child residing in a unit owned by NYCHA, and DOHMH has identified lead hazards in the unit requiring abatement through a DOHMH environmental investigation. After DOHMH issues NYCHA a COTA, NYCHA does the contestation and abatement work simultaneously regardless of outcome of the contestation. NYCHA pursues contestation, it must be made within three days of receiving DOHMH's COTA. DOHMH can then either rescind the COTA or not based on the results of the contestation. At the same time NYCHA begins the abatement process in the index unit by notifying, within five days of receipt of a COTA, DOHMH about the start date of abatement work. After abatement work has been completed and clearance is achieved, NYCHA provides the resident an updated lead abatement work disclosure form based on the clearance test results. NYCHA also provides DOHMH a notice confirming the abatement completion and dust wipe clearance results. Once DOHMH receives the dust wipe clearance results, they will verify the results and close the COTA.

The Consolidated Plan Formulation Process

The City of New York conducted a public hearing to solicit comments on the formulation of the Proposed 2019 Consolidated Plan One-Year Action Plan, on December 6, 2018.

New Yorkers were invited to attend and participate in the formulation and development of the Consolidated Plan. Over 1,800 notification letters were sent to New York City residents, organizations and public officials inviting participation in the public hearing. In addition, notices regarding the public hearing were published in four local newspapers: an English-, a Spanish-, Russian-, and a Chinese-language daily, each with citywide circulation. Furthermore, the notice was posted on DCP's website. Lastly, a notice was placed as a public service message on the City-operated local cable television access channel. The respective notices included relevant Plan-related information so that informed comments are facilitated. Testimony could be given orally at the hearing or submitted by mail or email in lieu of attendance.

The Public Comment Review Period and Public Hearing

The City used the same notification methods to notify the public of the Proposed 2019 Action Plan's release for public review, and the federally-required public hearing on the document.

To provide access to the document copies of the Proposed 2019 Action Plan were obtainable by the public at the City Planning Bookstore, 120 Broadway, 31st Floor, New York, NY 10271, Phone: 212-720-3667, (Walk-ins: Monday, Tuesday: 9:30 am-11:30 am, Wednesday: 1-3 pm with arrangements made for other days/times) or any of the DCP borough offices. In addition, copies of the Proposed Action Plan are referenceable in the City's Municipal Reference & Research Center (City Hall Library), and the main public library in each of the five boroughs. Furthermore, an Adobe Acrobat version of the Proposed Action Plan was posted on DCP's website (<http://www.nyc.gov/planning>) for public review.

The public comment period began **May 7, 2019** and extends for approximately 30 days ending **June 7, 2019**. The public hearing on the Proposed 2019 Consolidated Plan One-Year Action Plan will be conducted as scheduled on **June 4, 2019** starting at **5:30 pm**, in the City Planning Commission Hearing Room, 120 Broadway, Lower Concourse, Manhattan. A question and answer session with City agency representatives in attendance will follow.

The public is instructed to submit their written comments on the Proposed 2019 Action Plan by close of business, **June 7, 2019** to: Charles V. Sorrentino, New York City Consolidated Coordinator Plan, Department of City Planning, 120 Broadway 31st Floor, New York, New York 10271, email: Con-PlanNYC@planning.nyc.gov.

Comments received are to be summarized and agencies' responses incorporated into the version submitted to HUD.
