Development Site 1 would be redeveloped pursuant to the existing R6A zoning district.

Land uses within the surrounding area include residential uses (primarily multi-family walk-up buildings), institutional, open space, and some commercial uses as well. There are several NYCT bus routes that provide service to the area including B38, B44, and B44-Select Bus Service (SBS).

Development Site 2

 Development Site 2 is located at 648-654 DeKalb Avenue (Block 1779, Lots 22, 24, 26) along the south side of DeKalb Avenue between Nostrand and Marcy Avenues. Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

● Win More Contracts at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Pregualification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)

Department for the Aging (DFTA) Department of Consumer Affairs (DCA) Department of Corrections (DOC)

Department of Health and Mental Hygiene (DOHMH)

Department of Homeless Services (DHS)

Department of Probation (DOP)

Department of Small Business Services (SBS)

Department of Youth and Community Development (DYCD)

Housing and Preservation Department (HPD) Human Resources Administration (HRA)

Office of the Criminal Justice Coordinator (CJC)

To sign up for training on the new system, and for additional information about HHS Accelerator, including background materials, user guides and video tutorials, please visit www.nyc.gov/hhsaccelerator.

INTENT TO ENTER NEGOTIATION ACQUISITION WITH IRON MOUNTAIN - Negotiated Acquisition - Other - PIN#86019N0001 -Due 6-14-19 at 7:00 A.M.

The Department of Records and Information Services (DORIS), intends to enter into a negotiated acquisition, with Iron Mountain.

This contract will be for the ongoing lease of storage space necessary in York City agencies. The Department of Records and Information Services (DORIS), does not have the resources necessary to properly construct and administer a microform storage facility of the necessary size, with suitable environmental controls. This contract will be for ongoing storage services currently at Iron Mountain, which DORIS has leased and stored records since 1991. This negotiated acquisition will cover lease storage services from FY 2019 to FY 2033. Due to the large number of microforms to be stored and the nature of the storage itself, it would be impractical to have a short term contract; therefore the contract is for a period of five years with two renewal options of the original term.

FINANCE

■ NOTICE

NOTICE OF RULE MAKING

Pursuant to the power vested in me as Commissioner of Finance by Sections 1043 and 1054 of the New York City Charter, I hereby promulgate the amendment to rules concerning the monetary penalties for failing to file the income and expense statement by owners of income-producing property. The rule was published in the proposed form on April 10, 2019. The hearing for public comment was held on May 10, 2019.

Jacques Jiha Commissioner of Finance

S/S

STATEMENT OF BASIS AND PURPOSE

Section 11-208.1 of the Administrative Code of the City of New York requires that owners of income-producing real property in New York

City file income and expense statements each year for the property. The Department of Finance uses the information in the statements to assess the value of real property in the City.

This rule amendment increases the monetary penalties for failure to file income and expense statements set forth in Chapter 33 of Title 19 of the Rules of the City of New York by:

Establishing a higher penalty amount for owners of incomeproducing property who fail to file a required income and expense statement for three consecutive years.

The rule is intended to discourage property owners who repeatedly fail to file income and expense statements for their properties.

Pursuant to Section 1043(d)(4)(ii) of the New York City Charter, this proposed rule is not subject to review under Charter Section 1043(d).

Matter underlined is new. Matter in brackets [] is to be deleted.

Statement of Basis and Purpose

In 2018, Chapter 7 of Title 24 of the Rules of the City of New York ("RCNY") was repealed and re-promulgated to, among other things, provide a list of monetary penalties associated with violations of the New York City Health Code and other applicable law or regulations.

This proposed rule change would amend the Chapter 7 penalty associated with failure to remove canine waste by aligning it with the maximum penalty prescribed in state law. With certain exceptions, New York State Public Health Law § 1310 ("PHL § 1310") requires a dog owner or person having possession, control or custody of a dog to remove any feces left by such dog from any public area. PHL § 1310 provides that a violation of that duty is punishable by a fine of not more than \$250. Currently, Appendix 7-A of Chapter 7 of 24 RCN with the initial popular for following to the pure property and the second of the sets the initial penalty for failure to remove canine waste at \$100 with a default penalty of \$200. The Department proposes to amend the penalty for both an initial and default violation to match the \$250 penalty provided in PHL § 1310.

Statutory Authority

This proposed amendment is authorized by PHL § 1310; New York City Charter §§ 555(b)(2), 556, 558(b) and (e) and 1043; and § 3.11 of the Health Code

PHL § 1310 provides that a failure to remove canine waste from a public space is punishable by a fine not exceeding \$250. • i12

- Section 555(b)(2) of the Charter authorizes the Commissioner of Health and Mental Hygiene to assess penalties for healthrelated regulations.
- Section 556 of the Charter authorizes the Department to regulate all matters affecting health in the City of New York.
- Section 558 of the Charter authorizes the Board of Health to set civil penalties for the enforcement of the Health Code.
- Section 1043 of the Charter gives the Department rulemaking powers.
- Section 3.11 of the Health Code provides the penalty range for violations of the Health Code or applicable law or regulation.

New material is underlined.

Section 1. The penalty for NYS PHL § 1310 contained in Appendix 7-A of Chapter 7 of Title 24 of the Rules of the City of New York is amended to read as follows:

NYS PHL 1310	Failure to remove canine waste	[100] <u>250</u>	[200] <u>250</u>

CIVIC ENGAGEMENT COMMISSION

■ MEETING

The Civic Engagement Commission, will hold a public meeting, at 3:00 P.M., on Wednesday, June 19, 2019, at The David N. Dinkins Municipal Building, 1 Centre Street, 9th Floor, New York, NY 10007.

In November 2018, New York City voters approved Charter revisions that established the New York City Civic Engagement Commission, which can be found in <u>Chapter 76 of the New York City Charter.</u> The Commission's purpose is to enhance civic participation through a variety of initiatives, including participatory budgeting, expanded poll site interpretation and assistance to community boards.

This will be the second meeting of the Commission. For more information about the Commission please visit the Commission's <u>website</u>.

The meeting is open to the public. Because this is a public meeting and not a public hearing, the public will have the opportunity to observe the Commission's discussions, but not testify before it.

What if I need assistance to participate in the meeting? The meeting location is accessible to individuals using wheelchairs or other mobility devices. Free induction loop systems and ASL interpreters will be available upon request. Free interpretation services will be available in Spanish and other languages upon request. Please make any such requests or other accessibility requests by 5:00 P.M., no later than Thursday, June 13, 2019, by emailing civicengagement@cityhall. nyc.gov, or calling (212) 788-6574.

The public can view a video of this meeting along with past Commission meetings and hearings, on the Commission's website, in the <u>meetings section</u>.
