#### AUTOMATED SUBSTITUTE TEACHER AND PARAPROFESSIONAL PLACEMENT SYSTEM - Request for Proposals - PIN#R1465040 - Due 7-10-24 at 1:00 P.M.

The New York City Department of Education (NYCDOE) on behalf of the Office of School Support is seeking proposals from organizations experienced and capable in delivering COTS+ solutions in automated pedagogical absence management and substitute placement systems to school districts, which will result in high quality implementation of an Absence Management System.

PROPOSALS MUST BE RECEIVED BY NO LATER THAN 1:00 P.M. EST, July 10, 2024. LATE PROPOSALS WILL NOT BE ACCEPTED.

This RFP will result in the award of one agreement. The awarded contract will be for a term of five (5) years. The NYCDOE reserves the unilateral option to extend the contract(s) for two (2) additional two-year periods. It is anticipated that services will commence on about September 2025.

A virtual pre-proposal conference will be held on <u>June 6, 2024, at 2:00</u> <u>P.M. EST</u>. The City of New York will be utilizing the Microsoft Teams platform. The link to the pre-proposal conference is https://teams. microsoft.com//meetup-join/19%3ameeting\_OTBINDk2MDgtOTBIMy0 0ODM5LTg4MTMtZTY1NzEwMDM4Y2Q5%40thread.v2/0?context=% 7b%22Tid%22%3a%2218492cb7-ef45-4561-8571-0c42e5f7ac07%22%2c %22Oid%22%3a%22afd10f01-a2f0-423a-bea1-235d222b1645%22%7d.

Attendance for the pre-proposal conference is optional and does not require prior registration or RSVP.

<u>Please note the following procedures</u>: Proposal submissions in response to the RFP must be sent via electronic mail ("The Proposal Submission Email") to DCPSubmissions@schools.nyc.gov (the "RFP Submission Email Address"). RFP Submissions sent to any other email address will be disregarded. The subject line of your RFP Submission Email must include the solicitation number and the name of the submitting vendor (e.g. R1465 – ABC Corporation). Please attach the completed RFP and proposal documents to the RFP Submission Email as separate files. Please name proposal attachment "RFP Proposal."

If the files accompanying your proposal submission are too large to be transmitted as email attachments, please include in the first line of your RFP Submission Email a link to a Microsoft OneDrive folder containing all of your RFP-related documents. Please note that if you are using OneDrive, do not attach any documents to the RFP Submission Email. Further, please include a separate folder within your OneDrive folder which includes the separate RFP Proposal file. Please name this folder and the RFP Proposal file "RFP Proposal." The name of your OneDrive folder must match the subject line of your RFP submission, and your OneDrive folder must not contain any files unrelated to the RFP Submission.

<u>Guidance for first-time Microsoft One-Drive Users:</u> Microsoft OneDrive ("OneDrive") is a file hosting and synchronization service operated by Microsoft as part of its web version of Microsoft Office. OneDrive allows users to grant access to files which are too large to transmit via electronic mail to other users. If you do not have Office 365, please take the following steps to gain access to a free version of OneDrive so that you can upload those RFP submission documents which are too large to transmit via electronic mail: 1. Conduct an internet search for "Microsoft OneDrive;" 2. Navigate to the official Microsoft website and sign up for a free account; 3. Once you have created a folder for the solicitation whose name matches the subject line of your RFP Submission Email, upload the documents relevant to your RFP submission in this folder. 4. Create a share link for this folder; 5. Be sure to check your share settings so that anyone receiving the link that you create will be able to open the link and access the files. If your share link permissions are restricted (e.g. to only your organization in Office 365), the DOE will not be able to view your solicitation documents. It is your responsibility to ensure that the link(s) you provide allows the DOE to view, download and/or open your documents; and 6. Include the link which you have created as the first line of your RFP Submission Email.

For hard copy (paper) Proposal submissions, please follow the below instructions: Further to prior instructions regarding submissions of Proposals. In addition to electronic submission via email, the proposer may choose to hand deliver their Proposal packages to NYC DOE at any time prior to the Proposal Due Date/Time. If you plan to submit a paper Proposal. You must provide notice by emailing DCPSubmissions@schools.nyc.gov, including "Paper Submission Request for Solicitation # R1465" in the subject line, at least three (3) business days in advance of the anticipated date and time you or your agent plan to arrive at 65 Court Street, Brooklyn, NY 11201, Room 1201 to drop off your Proposal. Proposers should include in their notification e-mail the name of the person who will be delivering the Proposal or advise that the Proposal Package will be arriving by messenger. Proposers who fail to provide advance notification of intent to hand-deliver a proposal risk not having anyone to receive the Proposal Package. Hard (paper) copy proposals MUST be hand delivered to 65 Court Street, Brooklyn, NY 11201, Room 1201 prior to the Due Date and Time.

To download the solicitation, go to https://vendorportal.nycenet.edu/ vendorportal/login.aspx. If you cannot download, send an e-mail to VendorHotline@schools.nyc.gov. Include your company's name, address, phone and fax numbers, email address, Tax ID Number, RFP Number and Title.

# **AGENCY RULES**

# CONFLICTS OF INTEREST BOARD

■ NOTICE

### Notice of Adoption

**NOTICE IS HEREBY GIVEN** pursuant to authority vested in the New York City Conflicts of Interest Board by Sections 1043, 2603, and 2604 of the New York City Charter that the Conflicts of Interest Board has amended Chapter 1 of Title 53 of the Rules of the City of New York and has repealed Section 4-03 of Chapter 4 of Title 53 of the Rules of the City of New York to update its rule defining substantial policy discretion.

The proposed Rules were published in the City Record on March 12, 2024, and a public hearing was held on April 17, 2024. After consideration of the written comments received, the Conflicts of Interest Board added the final sentence at the end of Sections 1-02(b) (2) and 1-02(c) to clarify that the Board will promptly post to its website an updated list of public servants with substantial policy discretion and will promptly notify affected public servants of their status. The Conflicts of Interest Board now adopts the following Rules.

#### STATEMENT OF BASIS AND PURPOSE

Board Rules § 1-02 defines which public servants are charged with "substantial policy discretion" (also known as "policymakers") for the purposes of City Charter § 2604(b)(12), which prohibits policymakers from fundraising for the campaigns of City elected officials or candidates for City elected offices; Charter § 2604(b)(15), which prohibits policymakers from holding certain political party positions; Administrative Code § 3-1102(e)(6), which prohibits policymakers from fundraising for legal defense trusts except their own; and Administrative Code § 12-110(b)(3)(a), which requires policymakers to file an annual disclosure report with the Conflicts of Interest Board (the "Board"). Board Rules § 1-02 requires each City agency to make its list of policymakers available to the public, to report that list annually to the Board, and to notify policymakers of the additional restrictions on their political activities found in Charter §§ 2604(b)(12).

The Board amends Board Rules § 1-02 for four purposes: first, to make non-substantive improvements to the readability of the definition of policymakers; second, to change the date by which City agencies must report their lists of policymakers to the Board and to add a second reporting date; third, to establish a mechanism by which an agency head can dispute a Board determination to add or remove a policymaker from that agency's list; and, fourth, to codify the current practice that the Board, and not City agencies, notifies policymakers of the additional restrictions on their political activities.

Board Rules § 1-02(a) makes formatting and other nonsubstantive changes to the text of the existing definition of who is a policymaker to improve its readability, including by separating into individual subcategories the general definition and the specific positions identified in the Rule.

In Board Rules § 1-02(b), the Board moves the deadline for City agencies to provide their policymakers lists to the Board each year from February 28 to February 7 to coordinate with the administrative need for agencies to identify their required filers in advance of the annual filing period under the Annual Disclosure Law. Additionally, the Board adds a second date (August 7) for City agencies to provide their lists of policymakers. In 1997, the Board amended a prior version of this Rule to change the then real-time reporting requirement to an annual requirement, after finding that the real-time requirement was overly burdensome. The Board has found annual reporting to be too infrequent, resulting in delays in the identification and notification of public servants who are policymakers. Thus, the Board adopts a middle ground by requiring reporting and notification semiannually. Additionally, the Board adds to Board Rules § 1-02(b) a mechanism by which an agency head can dispute a Board determination to add or remove a policymaker from that agency's list, which is missing from existing Board Rules § 1-02.

In Board Rules § 1-02(c), the Board codifies its existing practice of itself, and not City agencies, notifying policymakers of their status under the Rule; the Board has assumed this obligation from City agencies to ensure that the educational purpose of this requirement is fulfilled. Board Rules § 1-02(b)(2) codifies the Board's current practice of making agencies' policymakers lists public by posting them on the Board's website; the Board has created a centralized place for the public to obtain this information.

Finally, the Board repeals Board Rules § 4-03 because it is redundant to City Administrative Code § 12-110(a)(12), and Board Rules § 1-02 makes clear that its definition applies for the purposes of the Annual Disclosure Law.

#### NOTE:

- Federal excise taxes are imposed on taxable fuels, (i.e., gasoline, kerosene, and diesel), when removed from a taxable fuel terminal. This fuel 1. excise tax does not include Leaking Underground Storage Tank (LUST) tax. LUST tax applies to motor fuels for both diesel and gasoline invoices. Going forward, LUST Tax will appear as an additional fee at the rate of \$0.001 per gallon and will be shown as a separate line item on your invoice.
- 2. The National Oil Heat Research Alliance (NORA) has been extended until February 6, 2029. A related assessment of \$.002 per gallon has been added to the posted weekly fuel prices and will appear as a separate line item on invoices. This fee applies to heating oil only and since 2015 has included #4 heating oil. All other terms and conditions remain unchanged.
- Items 1 4 on contract 4287148 and 5 20 on contract 4287149 are effective as of June 1st, 2022. 3.
- Items 1 4 on contract 4387063 are effective as of December 19, 2022. 4.
- 5. Federal Superfund Tax is included in the DCAS weekly pricing schedule, and it should not show as an additional fee.

### **REMINDER FOR ALL AGENCIES:**

All entities utilizing DCAS fuel contracts are reminded to pay their invoices on time to avoid interruption of service. Please send inspection copy of receiving report for all gasoline (E70, UL PREM) delivered by tank wagon to OCP/Bureau of Quality Assurance (BQA), 1 Centre Street, 18th Floor, New York, NY 10007.

Starting April 1st, city agencies must transition from winterized fuel to non-winterized fuel. Please make sure your agency orders non-winter fuel according to the fuel options listed on the weekly price schedule.
