MONDAY, NOVEMBER 5, 1900.

The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for building three Ambulances for Bellevue Hospital and one City Hearse for Harlem Hospital," with his or their name or names and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President of said Department, or his duly authorized agent, and read.

THE BOARD OF PUBLIC CHARITIES RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

The work required is to be completed and accepted in four months.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the amount of One Thousand (\$1,000) Dollars.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. When more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders, in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in The City of New York, and is worth the amount of the security required for the completion of this contract over and above all his debts of every nature and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by the Revised Ordinances if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of The City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National or State banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by The City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

For particulars as to the quantity and quality of the supplies or the nature and extent of the work required or the materials to be furnished, bidders are referred to the printed specifications and plans.

Bidders will state the price for the two items as well as the items separately. The entire work will be given in one contract.

Bidders are cautioned to examine the specifications for particulars of the work, etc., required before making their estimates, and are cautioned against referring to any specifications other than those furnished by the Department. Such references are cause for rejecting bids whenever they are written, and will in no case govern the action of the Department officers in passing upon tenders.

Bidders will write out the amount of their estimates in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract. Blank forms of bids or estimates, the proper envelopes in which to inclose the same, the specifications and agreement approved as to form by the Corporation Counsel, and any further information desired can be obtained at the office of the Department of Public Charities, and bidders are cautioned to examine each and all of its provisions carefully, as the Board of Public Charities will insist upon its absolute enforcement in every particular.

Dollars (\$4,000).

Each bid or estimate shall contain and state the name
and place of residence or place of business of each of the
persons making the same, the names of all persons inter-
ested in him or them therein, and if no other person
beside interested it shall distinctly state that fact; also
that it is made without any connection with any other
person making an estimate for the same purpose, and
is in all respects fair and without collusion or fraud,
and that no member of the Municipal Assembly,
head of a department, chief of a bureau, deputy
thereof or clerk therein, or other officer of the Cor-
poration, is directly or indirectly interested therein, or in
the work to which it relates, or in any portion
of the profits thereof. The bid or estimate must be
verified by the oath, in writing, of the party or parties
making the estimate, that the several matters stated
therein are in all respects true. Where more than one
person is interested it is requisite that the verification
be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the
consent, in writing, of two householders or freeholders,
or of a guaranty or surety company duly authorized
by law to act as surety in the City of New York,
with their respective places of business or residence,
to the effect that if the contract be awarded to the
person making the estimate, they will, on its being
so awarded, become bound as his sureties for his faithful
performance, and that if he shall omit or refuse to
execute the same, they shall pay to the Corporation
any difference between the sum to which he would be
entitled on its completion and that which the Cor-
poration may be obliged to pay to the person or persons to
whom the contract may be awarded at any subsequent
letting. The consent above mentioned shall be accom-
panied by the oath or affirmation, in writing, of each
of the persons signing the same, that he is a house-
holder or freeholder in the City of New York and is
worth the amount of the security required for the com-
pletion of this contract, over and above all his debts
of every nature, and over and above his liabilities as
bail, surety or otherwise, and that he has offered him-
self as a surety in good faith and with the intention
to execute the bond required by the Revised Ordinances
of the City of New York if the contract shall be
awarded to the person or persons for whom he consents
to become surety.

No bid or estimate will be considered unless accom-
panied by either a certified check upon one of the
National or State banks of the City of New York,
drawn to the order of the Comptroller, or money to the
amount of five per centum of the amount of the security
required for the faithful performance of the contract.
Such check or money must not be inclosed in the
sealed envelope containing the estimate, but must be
handed to the officer or clerk of the Department
who has charge of the estimate box, and no
estimate can be deposited in said box until such check
or money has been examined by said officer or clerk
and found to be correct. All such deposits, except that
of the successful bidder, will be returned to the per-
sons making the same within three days after the con-
tract is awarded. If the successful bidder shall refuse
or neglect, within five days after notice that the contract
has been awarded to him, to execute the same, the
amount of the deposit made by him shall be forfeited to
and retained by the City of New York as liquidated
damages for such neglect or refusal; but if he shall
execute the contract within the time aforesaid the
amount of his deposit will be returned to him.

Should the person or persons to whom the contract
may be awarded neglect or refuse to accept the contract
within five days after written notice that the same has
been awarded to him or their bid or proposal, or if he or
they accept but do not execute the contract and give the
proper security, he or they will be considered as having
abandoned it and as in default to the Corporation, and
the contract will be re-advertised and relet, as provided
by law.

For particulars as to the quantity and quality of
the supplies or of the nature and extent of the work re-
quired or of the materials to be furnished, bidders
are referred to the printed specifications and the plans.
Such work and materials must conform in every
respect to printed specifications and plans. Bidders
are cautioned to examine the specifications for par-
ticulars of the articles, etc., required, before making
their estimates.

Plans and specifications may be seen and blank pro-
posals obtained at the estimating room, eighth floor,
Hall of the Board of Education, corner of Park avenue
and Fifty-ninth street, Borough of Manhattan.

The By-Laws may be examined at the office of the
