## POLICE DEPARTMENT.

September 23, 1908.

The following proceedings were this day directed by the Police Commissioner:

Whereas, in an opinion of the Corporation Counsel, dated May 1, 1903, the Police Commissioner is advised that in making contract for telephones for the use of the Police Department of The City of New York he is not required to comply with section 419 of the Greater New York Charter, which requires the letting of contracts upon sealed bids at public letting, etc., viz.: "While the provisions of the section of the Consolidation Act corresponding to section 419 of the present Charter and of the section mentioned of the present Charter are very general in form, it has been held repeatedly by the courts that contracts need not be let at competitive bidding in cases where competition is impossible. The cases on this point are quite numerous, and among them may be mentioned the following: Harlem Gas Light Company against the Mayor, 33 N. Y., 309; Baird against the Mayor, 96 N. Y., 583; Gleason against Dalton, 28 App. Div., 555; Blank against Kearney, 44 App. Div., 502. The decisions cited and others hold, and under a great variety of circumstances, the principle which I have mentioned, that competitive bidding is not required, notwithstanding the broad language of the Charter, where competition is impossible. Coming to the exact subject of your communication, I have to say that this Department has held for many years that the renting of telephones is not governed by the provisions of the section which is now 419 of the Charter."

Ordered, That a contract be entered into with the New York and New Jersey Telephone Company for telephone service in the Boroughs of Brooklyn and Queens, in accordance with specifications named therein, for the sum and price of \$5,054.50, and that such contract be executed by the Police Commissioner, on approval of sureties by the Comptroller, providing the Corporation Counsel approves the form of such contract.
