- *Win More Contracts at nyc.gov/competetowin*

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)

FRIENDLY VISITING AND WEEKEND HOME DELIVERED MEALS - Sole Source - Available only from a single source -
PIN# 12517S0003 - Due 9-29-16 at 9:30 A.M.

This notice is for informational purposes only. The NYC Department for the Aging (DFTA) intends to enter into a sole source contract with Citymeals on Wheels Inc. (CMOW), for three years from 7/1/16 to 6/30/19, to implement a Friendly Visiting (FV) program as part of the NYC Thrive behavioral health program and to help support a weekend home-delivered meals program for homebound seniors. The FV program is being targeted to isolated, largely homebound seniors who are served through the Department's contracted case management and home delivered meals providers.

CMOW has the existing capacity to carry out a friendly visiting program embedded in case management and home delivered meals programs spread across the City. CMOW's work with DFTA-funded case management and home delivered meals providers means that they are deeply familiar with the homebound clients served by those programs, and these are the very clients to be served through the friendly visiting program. CMOW's experience is also unique in the fact that it already runs a friendly visiting program in which a significant portion of case management and home delivered meals programs currently participate, so that the infrastructure and the programmatic know-how already exist and can serve as a solid foundation for the ThriveNYC expansion.

Organizations interested in receiving information for future solicitations may send a request to Betty Lee, Department for the Aging, 2 Lafayette Street, Room 400, New York, NY 10007.

BROOKLYN BRIDGE PARK

PIER 1 TERRACE CONCESSION - Request for Proposals -
PIN# 110416 - Due 11-4-16 at 3:00 P.M.

The Brooklyn Bridge Park Corporation, d/b/a Brooklyn Bridge Park (BBP), is seeking proposals from qualified operators ("Respondents") to develop a food and beverage concession of premium quality in terms of both experience and offerings. The renaissance that Brooklyn has experienced over the past decade is nowhere more evident than in the innovative and energetic restaurant scene and food culture that have come to be one of the borough's defining characteristics. Brooklyn food culture is on the cutting edge of many national trends featuring local, organic, and fresh ingredients prepared using both time-tested and unique methods.

The Pier 1 Terrace Concession offers a unique opportunity to cater to a wide variety of customers from its premier location, at the confluence of DUMBO, Brooklyn Heights, and Downtown Brooklyn. BBP is seeking a concessionaire tenant who will build-out, operate, and maintain the concession at the highest standards, making a significant improvement to the quality and ambiance of the Park.

The selected respondent ("licensee") will be responsible for the implementation of capital improvements necessary to create a suitable space for the concession ("licensed premises") and the ongoing day-to-day operation of the concession. The concession will operate pursuant to a license agreement between BBP and the licensee. The initial term will be for 10 years, with one three-year renewal option granted at BBP's sole discretion.

BBP reserves the right to postpone or cancel this RFP or reject all proposals, if in its judgment it deems it to be in the best interest of BBP to do so.

Respondents are advised that BBP has the option of selecting the respondent without conducting discussions or negotiations. Therefore, respondents should submit their best proposals initially, since discussions or negotiations may not take place.

Respondents are also advised that the award of this concession is subject to applicable provisions of Federal, State, and Local laws and executive orders requiring affirmative action and equal employment opportunity.

All RFP submission materials become the property of BBP. Proposal submission material will generally be made available for inspection and copying by interested parties upon written request, except when exempted from disclosure under the New York State Freedom of Information Law.

BBP is subject to the New York State Freedom of Information Law, which governs the process for the public disclosure of certain records maintained by BBP. (See Public Officers Law, Sections 87 and 89). Individuals or firms that submit proposals to BBP may request that BBP except all or part of such a proposal from public disclosure, on the grounds that the proposal contains trade secrets, proprietary information, or that the information, if disclosed, would cause substantial injury to the competitive position of the individual or firm submitting the information. Such exception may extend to information contained in the request itself, if public disclosure would defeat the purpose for which the exception is sought. The request for such an exception must be in writing and state, in detail, the specific reasons for the requested exception. It must also specify the proposal or portions thereof for which the exception is requested.

If BBP grants the request for exception from disclosure, BBP shall keep such proposal or portions thereof in secure facilities.

BBP shall not be liable for any costs incurred by respondents in the preparation of proposals or for any work performed in connection therein.

Respondents should be aware that this concession will be developed and operated pursuant to a license agreement issued by BBP. In the event the license agreement is terminated for cause, BBP will not consider proposals for reimbursement of licensee's unamortized capital improvement costs as of the date of termination.

A respondent may submit a modified proposal to replace all or any portion of a proposal submitted up until the proposal submission deadline. BBP will only consider the latest version of the proposal. Late proposals and late modifications will not be considered for evaluation, unless accepted by BBP. Respondents may withdraw their proposals from consideration at any time before the proposal submission deadline by submitting written notice to BBP. A respondent may not withdraw its proposal before the expiration of Forty-Five (45) calendar days after the date of the opening of proposals; thereafter a respondent may only withdraw its proposal by submitting written notice to BBP in advance of an actual grant of a concession.

Technical addenda issued by BBP will be the only authorized method for communicating clarifying information to all potential respondents. Respondents should contact BBP before submitting a proposal to verify that they have received any addenda issued. Respondents shall acknowledge the receipt of any addenda in their proposal submissions.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

DPR is seeking to evaluate and pre-qualify a list of general contractors (a "PQL") exclusively to conduct non-complex general construction site work involving the construction and reconstruction of DPR parks and playgrounds projects not exceeding \$3 million per contract ("General Construction").

By establishing contractor's qualification and experience in advance, DPR will have a pool of competent contractors from which it can draw to promptly and effectively reconstruct and construction its parks, playgrounds, beaches, gardens and green-streets. NYC Construction Mentorship focuses on increasing the use of small NYC contracts, and winning larger contracts with larger values. Firms participating in NYC Construction Mentorship will have the opportunity to take management classes and receive on-the-job training provided by a construction management firm.

■ PUBLIC HEARINGS

CITY OF NEW YORK COMMUNITY DEVELOPMENT BLOCK GRANT - DISASTER RECOVERY

NOTICE OF PROPOSED ACTION PLAN AMENDMENT

TO RESIDENTS, BUSINESS OWNERS, GROUPS, COMMUNITY BOARDS AND AGENCIES:

New York City has completed a proposed amendment to its plan for the \$4.21 billion in Federal disaster aid from the Department of Housing and Urban Development (HUD) to help with recovery from Hurricane Sandy. The proposed Community Development Block Grant – Disaster Recovery (CDBG-DR) Action Plan Amendment 12 contains the following changes:

General

- Reallocates funding across program areas to fund the completion of the Build it Back and Business Loan and Grant Programs.
- Funding transferred to Housing for capital projects will be fully replaced with City Capital dollars already committed as part of the September 2016 Capital Commitment Plan. All current planned projects will move forward without delays or gaps in funding (\$350 million). Certain disaster response expenses, incurred by the City in prior fiscal years, will no longer be reimbursed with CDBG-DR funding (\$150 million).
- Updates need assessments and funding justifications to reflect the reallocation of funds.
- Updates program descriptions where needed to provide clarifying detail or current project status and information.

Housing

- Reallocates \$500 million to the Single Family Build it Back program to serve all eligible applicants.
- Updates Single Family Build it Back program description, explaining program pathways, additional benefits and needs assessment.
- Reduces Temporary Disaster Assistance Program (TDAP) allocation by \$10 million to reflect eligible population needs.
- Creates a new program benefit for TDAP to allow arrears payments to be made to landlords on behalf of beneficiaries that experience a gap in subsidy while transitioning from the program to Section 8 rental assistance.
- Reallocates \$9 million to NYCHA's Program Allocation from the City's Planning and Administration funding.
- Creates a new workforce development program targeting NYCHA residents.

Business

- Reallocates \$10 million to the Hurricane Sandy Business Loan and Grant Program to serve all eligible applicants.
- Reallocates \$12 million from the Restoration of Saw Mill Creek Marsh and \$15 million from the Rockaways Commercial Corridor Resiliency programs to fund needs in other program areas. Both programs will move forward with other sources of funding, including Capital funds the City is providing as part of the September 2016 Capital Commitment Plan.
- Updates the program description of the Coney Island Resiliency Improvements program, which was formerly referred to as the Coney Island Green Infrastructure Improvements program.

Infrastructure and Other City Services (IOCS)

- Updates the overall IOCS allocation from \$755 million to \$419 million in order to fund needs in other program areas. CDBG-DR funding has been reduced across all IOCS program areas, however, all projects previously identified either have already occurred and will now be funded with City funds instead of CDBG-DR, or will move forward with City funding, including Capital funds the City is providing as part of the September 2016 Commitment Plan. (Note: A version of this notice appearing in newspapers on September 23, 2016 incorrectly indicates that the remaining IOCS allocation is \$434 million.)
- Reorganizes chapter to clarify where CDBG-DR funds have been committed and removes detail for programs that are no longer anticipated to receive CDBG-DR funding.

Resiliency

- Reallocates \$152 million from the Coastal Protection program to fund needs in other program areas. The Raise Shorelines and Red Hook Integrated Flood Protection System programs will move forward with other sources of City funding, including Capital funds the City is providing as part of the September 2016 Capital Commitment Plan.

Planning and Administration

- Describes efforts to apply lessons learned and to develop tools for preparedness for future disasters.

READER'S GUIDE

The City Record (CR) is published each business day. The Procurement section of the City Record is comprised of notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Notice of solicitations and other notices for most procurement methods valued at or above \$100,000 for goods, services, and construction must be published once in the City Record, among other requirements. Other procurement methods authorized by law, such as sole source procurements, require notice in the City Record for five consecutive editions. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these

entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City's website at www.nyc.gov/selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards, and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
