### BOROUGH PRESIDENT - MANHATTAN

#### MEETING

The October 2021 Manhattan Borough Board Meeting will be held on Thursday, October 21, 2021, at 8:30 A.M. on Zoom. Please register to attend at Manhattan Borough Board - Gale Brewer ([nyc.gov](http://nyc.gov)). The meeting will include a presentation from Hon. Shahabuddeen A. Ally on the recent work of the Frank H. Williams Commission, an independent arm of the court system created to address racial and ethnic inequities.

Created in 1988, the New York State Judicial Commission on Minorities (now known as the Franklin H. Williams Judicial Commission) conducted a comprehensive study on minority participation in the courts and legal profession and perceptions regarding the treatment of minorities in the courts. In 1991, the Commission released a detailed report of findings and recommendations and was established as a permanent entity charged with the responsibility for developing programs to improve the perception of fairness within the court system and to ensure equal justice in New York State. The members of the Franklin H. Williams Judicial Commission are judges, lawyers and court administrators all appointed by the Chief Judge of the State of New York.

Gun violence is, without question, the biggest obstacle to a full recovery in New York City. Housed within MOCJ, the Office of Neighborhood Safety (ONS), is tasked with helping communities develop and scale-up solutions to public safety issues by directly engaging networks most affected by gun violence, amplifying holistic assistance for New Yorkers affected by violence, and improving the design of physical and social environments to contribute to long term vitality. The Crisis Management System (CMS), launched in 2014 by Mayor Bill de Blasio and coordinated by OPGV, is a partnership of more than 70 organizations that promote peace, community stewardship of public safety, and healing in neighborhoods most affected by gun violence. As of 2020, the CMS network is operating citywide in 21 neighborhoods, which account for upwards of 50% of NYC's shooting incidents. CMS is a model of civilianizing public safety, building on the talent, resiliency, and creativity that reside in neighborhoods across New York City. The core components of CMS include (1) deployment of the Cure Violence public health model of violence intervention, (2) school-based conflict mediation, and (3) therapeutic mental health services. CMS engagement strategies are responsive, to the inequities in health, wealth, and safety resulting from generational divestment and extractive economic conditions, racist housing, lending, education, employment, and over-policing in Black and brown communities.

**AMB CARE SHOW RFP** - Request for Proposals - PIN#2574 - Due 11-8-21 at 5:00 P.M.

NYC Health + Hospitals' (NYC H+H) Street Health Outreach and Wellness (SHOW) program utilizes mobile units, to provide health screenings, vaccinations, wound care, basic material necessities such as socks and bottled water, behavioral health and social service referral supports, and harm reduction services to New Yorkers who are unsheltered. A further goal of the program is to connect patients to NYC H+H facility-based clinics, where they can receive ongoing medical care, including primary and preventive care and treatment for physical, behavioral or mental health needs. NYC H+H is seeking a vendor, to provide, maintain, and operate the mobile units. NYC H+H will provide its own clinical and administrative staff and IT capabilities so is not seeking those services as part of this RFP. The SHOW program includes the services listed below:

- A. Clinical Services
  - a. COVID-19 testing (both PCR and rapid)
  - b. COVID-19 vaccination
  - c. Additional vaccinations (e.g., TDAP, Hepatitis A, flu)
  - d. Wound care (including ultrasound, wound dressing, and antibiotics)
  - e. Basic evaluation of symptoms or health concerns
- B. Behavioral Health Support and Harm Reduction
  - a. Engagement and education around mental health questions or concerns
  - b. Screening, brief intervention, and referral to treatment for substance use disorders
  - c. Harm reduction services, such as naloxone administration training & kit distribution
  - d. Linkage to additional support as needed
- C. Snack and Hygiene Product Distribution
  - a. Non-perishable snacks and water
  - b. Hygiene kits containing: toothbrush, toothpaste, soap, surgical mask, baby wipes, tissue, menstrual products
  - c. Socks, resumable plastic bags, and potentially additional TBD

Each of the SHOW mobile clinics will be outfitted, to provide e-consultations with NYC H+H clinicians, located at affiliated clinics.

Each unit will also have a "roving team," including a clinician and a social worker, who will canvass the area surrounding the mobile unit in order to encourage individuals to visit the mobile clinic and/or provide services on-site to individuals who cannot come, to the mobile unit. NYC H+H is also exploring the feasibility of additional services including a syringe exchange program, distribution of basic medications (including prescription and over-the-counter medications), and additional behavioral health supports.

**SUPPLEMENTAL CODING AND VALIDATION** - Request for Proposals - PIN#2553 - Due 11-23-21 at 5:00 P.M.

NYC Health + Hospitals (H+H), seeks to identify contractor(s) for medical record coding and validation. H+H requires remote coders to supplemental employee work during periods of high demand (staff absences, holidays, etc.). H+H requires assistance coding Inpatient, Emergency, Ambulatory Surgery and Outpatient medical records, coding validation of Inpatient and Outpatient records and secondary review of coding. Records will be coded & reviewed electronically in the H+H systems by the Contractors(s). Records for validation will be identified by criteria set up in Epic and by the coding scrubber.

Validation support will be needed to supplement employee work during absences and vacancies pending hiring. Volume for coding and validation will fluctuate and the contractors(s) are expected, to provide the staffing necessary to facilitate timely coding of all records as designated by H+H. H+H may increase or decrease the number of records that require coding/validation per week. Changes in coded case volume will be provided as far in advance as possible to allow contractor(s) to reassign staff appropriately. NYC Health + Hospitals (H+H) is also seeking to set up a secondary review of coding of Inpatient, Emergency, Ambulatory Surgery

and Outpatient cases as a way to maintain high level of coding accuracy for billing and compliance purposes. Twenty-five records per quarter per account type or 100 records per account type per year is expected to be reviewed for coding accuracy. Proposals should include contractors' proposed plan to achieve this goal.

All coding and validation services will be performed remotely. It is necessary that the contractors(s) to demonstrate an ability to connect to H+H systems and provide first level support, to their coders. Contractors(s) will need to connect remotely to both the EMR and H+H's coding product and to meet H+H security requirements to do the same. H+H uses Epic as the EMR and 3M's Encompass for all Inpatient, Ambulatory Surgery and Emergency records coding. Majority of outpatient records are coded using Epic's Simple visit coding and about 25% are reviewed and corrected.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids, at date and time specified above.

**Statement of Basis and Purpose of Proposed Rule**

This proposed rule would add a new Section 101-17 to Subchapter A of Chapter 100 of Title 1 of the Rules of the City of New York that would create a new voluntary major projects development program. The major projects development program would provide owners of proposed new buildings that will be 20 stories or more, and other large, complex development projects, with dedicated project coordination and guidance services in order to cause construction to be performed more efficiently and in a manner that promotes public safety. The proposed rule would set out eligibility and requirements for participation in this program.

The Department of Buildings proposes to promulgate rules that would establish this program in order to help large, complex development projects proceed in an orderly and code compliant manner. By providing owners with dedicated project coordination and guidance services at an early stage, as well as continuing engagement throughout the major projects development, owners' applicants will be able to navigate the myriad of applicable laws, rules and regulations applicable to such projects, attain permits in the most efficient sequencing, and avoid or expeditiously address field violations that may arise during construction and which often create extensive delays due to the need to stop work. This coordination and guidance would reduce the impact of prolonged construction projects on the surrounding community. Facilitating code compliance would also minimize the economic impacts that sometimes befall complex construction projects and, more broadly, help revitalize the city, which was recently subject to substantial losses of jobs, revenue and economic vitality as a result of the COVID pandemic.

The guidance that the Department of Buildings would provide through this program would relate to (1) zoning and code compliance, (2) phasing of filings, permits, and occupancy, (3) construction, site safety, and public safety, and (4) the issuance of a Temporary Certificate of Occupancy and Final Certificate of Occupancy. This robust engagement process would support the entire project in an efficient and comprehensive manner.

The proposed rule would also amend section 101-03 to establish fees for the services associated with this major projects development program.

The Department of Buildings' authority to promulgate rules establishing this program is found in sections 643 and 1043 of the New York City Charter and Title 28 of the New York City Administrative Code, particularly sections 28-104.1 and 28-105.5 and Article 118 of such Title. Section 28-112.1 of the Administrative Code authorizes the imposition of fees for permits or other service or privilege regulated by this code.

New material is underlined.  
[Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. Section 101-03 of Subchapter A of Chapter 100 of Title 1 of the Rules of the City of New York is amended by adding the following entries at the end of the table set forth in that section:

|   |          |
|---|----------|
| <u>Consultations for a major project development covered by the program set out in section 101-17 of these rules regarding all phases of construction including applications, permitting, and the issuance of a certificate of occupancy.</u>   | \$50,000 |
| <u>Consultations for a major project development covered by the program set out in section 101-17 of these rules regarding all phases of construction including applications, permitting, and the issuance of a certificate of occupancy for a development that the New York City Department of Housing Preservation and Development certifies is for the construction or rehabilitation of affordable housing and has received or, based on documentation deemed sufficient to the department, reasonably expects to receive (i) a conveyance of municipally owned property pursuant to Article 15 or 16 of the General Municipal Law, (ii) a loan, grant or tax exemption pursuant to the Private Housing Finance Law or the General Municipal Law, (iii) a tax exemption pursuant to Section 420-c of the Real Property Tax Law, (iv) a transfer pursuant to an in rem foreclosure judgment pursuant to section 11-412.1 of the code, or (v) funding for repairs pursuant to Section 778 of the Real Property Actions and Proceedings Law.</u> | \$25,000 |

§2. Subchapter A of Chapter 100 of Title 1 of the Rules of the City of New York is amended by adding a new section 101-17 to read as follows:

**§101-17 Major projects development program.** The major projects development program will offer dedicated project coordination and guidance services to participating projects as set forth in subdivision (a), below. Such services will include consultations with dedicated Department staff throughout the life of a project, including, but not limited to, pre-application development consultations, pre-construction consultations, pre-inspection consultations, and consultations regarding construction phasing and scheduling as needed. The consultations may cover (1) zoning and code compliance, (2) phasing of filings, permits, and occupancy, (3) construction, site safety, and public safety checks, and (4) the issuance of a Temporary Certificate of Occupancy and Final Certificate of Occupancy.

**(a) Applicability.** The major projects development program is a voluntary program that applies to:

- (1) owners of proposed new buildings that will be 20 stories or greater, regardless of whether such proposed building preserves existing building elements;
- (2) owners of proposed new buildings that preserve existing building elements and for which the resulting building includes additional floor area of 100,000 square feet or more;
- (3) owners of proposed new buildings with a total floor area of 500,000 square feet or more; and
- (4) owners of existing or proposed buildings designated by the commissioner as eligible for this program due to unique hazards associated with the construction or demolition of the structure, including complex construction logistics potentially impacting adjoining properties or public safety.

Acceptance into the program is on a first-come-first-served rolling basis, depending on program capacity.

**(b) Requirements.** Owners who choose to participate in this program shall:

- (1) provide all project scope information, required filings, project schedule, sequencing and phasing information, and provide timely updates of such information, as directed by the Department;
- (2) attend all scheduled consultations and provide any additional information and documentation requested by the Department; and
- (3) address any objections and deficient conditions on the work site in a timely manner.

**(c) Fee.** In order to participate in this program, the owner will be charged a fee as provided in section 101-03 of this title. Such fee will be charged in addition to all other applicable fees set out in such section 101-03 or Article 112 of Title 28 of the Administrative Code.

**(d) Removal from program.** The Department may, on written notice to the owner, remove a project from the program for failure to comply with the requirements and conditions of the program. The notice shall inform the owner of the reasons for the proposed removal from the program and that the owner has the right to present to the Department within 10 business days of delivery of the notice by hand or electronically to the owner's email address, or 15 calendar days of the posting of notice by mail, information as to why the project should not be removed from the program.

**(e) Withdrawal from program.** An owner who wishes to withdraw a project from the program for financial or any other reasons must inform the Department in writing. After withdrawal, such owner must comply with all applicable requirements in the same way as owners of other projects that were not part of the program.

NOTICE

COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM

NOTICE OF FINDING OF NO SIGNIFICANT IMPACT AND
NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS

This notice shall satisfy two separate but related procedural
requirements for activities to be undertaken by the City of New York.

REQUEST FOR RELEASE OF FUNDS

On or about November 1, 2021, the City of New York (the City)
anticipates submitting a request to the U.S. Department of Housing
and Urban Development for the release of Community Development
Block Grant (CD) funds authorized under the Housing and Community
Development Act of 1992, to undertake the City's Demolition Program
Citywide.

The Department of Housing Preservation and Development's (HPD)
has authority to contract out for emergency and non-emergency
demolitions when an owner fails to do so pursuant to a Department
of Buildings (DOB) declaration, as established by the New York
City Administrative Code. The Code requires the treatment of any
structure that may become "dangerous or unsafe, structurally or as
a fire hazard, or dangerous or detrimental to human life, health, or
morals." Pursuant to DOB guidelines, this would include deteriorated
residential and commercial structures determined to be unsafe and/
or debilitated in any area. HPD is responsible for surveying the site,
providing a scope of work and cost estimate, and overseeing and
approving all demolition, cleaning, and grading of land. CD funds are
expended for full and partial demolition of privately-owned residential
and commercial properties, and some City-owned properties.

The Demolition program is funded at \$10,957,000 in the Calendar Year
2021/CD Year 47 budget. Please note that Federal Fiscal Year 2021
funds cannot be spent on demolitions until the City receives HUD's
environmental clearance at the conclusion of the environmental review
process.

FINDING OF NO SIGNIFICANT IMPACT

New York City's Office of Management and Budget is the Responsible
Entity for this project and has determined that the project will have no
significant impact on the human environment. Therefore, an
Environmental Impact Statement under the National Environmental
Policy Act of 1969 (NEPA) is not required. Additional project
information is contained in the Environmental Review Record (ERR).
The ERR will be made available to the public for review either
electronically or by U.S. mail. Please submit your request by U.S. mail
to Julie Freeman, Assistant Director, New York City Office of
Management and Budget, 255 Greenwich Street, 8th Floor, New York,
New York 10007 or by email to freemanj@omb.nyc.gov.

PUBLIC COMMENTS

Any individual, group, or agency may submit written comments
on the ERR to NYC OMB at the above address or via email to
CDBGComments@omb.nyc.gov. All comments received by October 31,
2021 will be considered by NYC OMB prior to authorizing submission
of a request for release of funds. Comments should specify which Notice
they are addressing.

ENVIRONMENTAL CERTIFICATION

NYC OMB certifies to HUD that the City and Julie Freeman, in her
capacity as Certifying Officer of the City's Community Development
Block Grant Program, consents to accept the jurisdiction of the Federal
Courts if an action is brought to enforce responsibilities in relation
to the environmental review process and that these responsibilities
have been satisfied. HUD's approval of the certification satisfies its
responsibilities under NEPA and related laws and authorities and
allows the City of New York to use CD funds.

OBJECTIONS TO RELEASE OF FUNDS

HUD will accept objections to its release of funds and NYC OMB's
certification for a period of fifteen days following its actual receipt of

the request only if they are on one of the following bases: (a) the certification was not executed by the Certifying Officer of NYC OMB; (b) NYC OMB has omitted a step or failed to make a decision or finding required by HUD regulations at 24 CFR Part 58; (c) the grant recipient or other participants in the development process have committed funds, incurred costs or undertaken activities not authorized by 24 CFR Part 58 before approval of a release of funds by HUD; or (d) another Federal agency acting pursuant to 40 CFR Part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality. Objections must be prepared and submitted in accordance with the required procedures (24 CFR Part 58) and shall be addressed to CPD\_COVID-19OEE-NY@hud.gov. Potential objectors should contact HUD to verify the actual last day of the objection period.
