place the bids or estimates received will be publicly

THE BOARD OF PUBLIC CHARITIES AND CORRECTION
RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES
IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS
PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.
No bid or estimate will be accepted from, or contract
awarded to, any person who is in arrears to the Cor-
poration upon debt or contract, or who is a defaulter,
as surety or otherwise, upon any obligation to the Cor-
poration.

The award of the contract will be made as soon as
practicable after the opening of the bids.

Any bidder for this contract must be known to be en-
gaged in and well prepared for the business, and must
have satisfactory testimonials to that effect; and the
person or persons to whom the contract may be awarded
will be required to give security for the performance of
the contract, by his or their bond, with two sufficient
sureties, each in the penal amount of **TEN
THOUSAND (\$10,000) DOLLARS.**

Each bid or estimate shall contain and state the name
and place of residence of each of the persons making the
same; the names of all persons interested with him or
them therein; and if no other person be so interested,
it shall distinctly state that fact; also that it is made
without any connection with any other person making an estimate
for the same purpose, and is in all respects fair and with-
out collusion or fraud; and that no member of the Com-
mon Council, head of a department, chief of a bureau,
deputy thereof or clerk therein, or other officer of the
Corporation, is directly or indirectly interested therein,
or in the supplies to which it relates, or in any
portion of the profits thereof. The bid or estimate must
be verified by the oath, in writing, of the party or parties
making the estimate, that the several matters stated
therein are in all respects true. Where more than one
person is interested, it is requisite that the verification
be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the con-
sent, in writing, of two householders or freeholders in
the City of New York, with their respective places of
business or residence, to the effect that if the contract
be awarded to the person making the estimate, they will,
on its being so awarded, become bound as his sureties for
its faithful performance, and that if he shall omit or re-
fuse to execute the same, they will pay to the Corporation
any difference between the sum to which he would be
entitled on its completion and that which the Corporation
may be obliged to pay to the person or persons to
whom the contract may be awarded at any subsequent
letting; the amount in each case to be calculated upon
the estimated amount of the supplies by which
the bids are tested. The consent above mentioned
shall be accompanied by the oath or affirmation, in
writing, of each of the persons signing the same, that he
is a householder or freeholder in the City of New York,
and is worth the amount of the security required for
the completion of this contract over and above all
his debts of every nature, and over and above his li-
abilities as bail, surety or otherwise; and that he has
offered himself as a surety in good faith and with the
intention to execute the bond required by section 12 of
chapter 7 of the Revised Ordinances of the City of New
York, if the contract shall be awarded to the person or
persons for whom he consents to become surety. The
adequacy and sufficiency of the security offered is to be
approved by the Comptroller of the City of New York.

No bid or estimate will be received or considered unless
accompanied by either a certified check upon one
of the State or National banks of the City of New
York, drawn to the order of the Comptroller, or
money to the amount of five per centum of the
amount of the security required for the faithful per-
formance of the contract. Such check or money must not
be inclosed in the sealed envelope containing the esti-
mate, but must be handed to the officer or clerk of the
Department who has charge of the estimate-box, and
no estimate can be deposited in said box until such
check or money has been examined by said officer or
clerk and found to be correct. All such deposits, except
that of the successful bidder, will be returned to the
persons making the same within three days after the
contract is awarded. If the successful bidder shall
refuse or neglect, within five days after notice that the
contract has been awarded to him, to execute the same,
the amount of the deposit made by him shall be for-
feited to and retained by the City of New York, as
liquidated damages for such neglect or refusal; but if he
shall execute the contract within the time aforesaid, the
amount of his deposit will be returned to him.

Should the person or persons to whom the contract
may be awarded neglect or refuse to accept the contract
within five days after written notice that the same has
been awarded to his or their bid or proposal, or if he or
they accept but do not execute the contract and give
the proper security, he or they shall be considered as
having abandoned it, and as in default to the Corporation,
and the contract will be readvertised and relet, as provided
by law.

Bidders are to state the special arrangement con-
templated by their proposal, as specified at foot of
PAGE 7, SPECIFICATIONS FOR CENTRAL
ISLIP.

Bidders will write out the amount of their estimate in
addition to inserting the same in figures.

Payment will be made by a requisition on the Com-
ptroller, in accordance with the terms of the contract.

The form of the contract, including specifications, and
showing the manner of payment, can be obtained at the
office of the Architect, Leopold Edlitz, No. 160 Fifth
avenue, New York City, and bidders are cautioned to
examine each and all of their provisions carefully,

particular.

TO CONTRACTORS.

(No. 436.)

PROPOSALS FOR ESTIMATES FOR FURNISHING GRANITE STONES FOR BULKHEAD OR RIVER WALL.

ESTIMATES FOR FURNISHING GRANITE
Stones for Bulkhead or River Wall will be received
by the Board of Commissioners at the head of the
Department of Docks, at the office of said Department,
on Pier "A," foot of Battery place, North River, in the
City of New York, until 1 o'clock P. M. of

THURSDAY, MARCH 30, 1893.

at which time and place the estimates will be publicly
opened by the head of said Department. The award
of the contract, if awarded, will be made as soon as
practicable after the opening of the bids.

Any person making an estimate for the work
shall furnish the same in a sealed envelope to said Board,
at said office, on or before the day and hour above named,
which envelope shall be indorsed with the name or
names of the person or persons presenting the same,
the date of its presentation, and a statement of the
work to which it relates.

The bidder to whom an award is made shall give
security for the faithful performance of the contract in
the manner prescribed and required by ordinance, in the
sum of Eight Thousand Eight Hundred Dollars.

The Engineer's estimate of the work to be done is as
follows, to be furnished, cut in accordance with speci-
fications:

1,002 pieces of Granite, consisting of 546 Headers and
546 Stretchers, containing about 21,823 cubic feet.

For further particulars, see the drawings referred to
in the specifications forming part of the contract.

N. B.—As the above-mentioned quantities of cubic
feet, though stated with as much accuracy as is possible,
in advance, are approximate only, bidders are required
to submit their estimates upon the following express
conditions, which shall apply to and become a part of
every estimate received:

1st. Bidders must satisfy themselves by personal
examination of similar stones now owned by the De-
partment of Docks, and of the plans, and by such other
means as they may prefer, as to the accuracy
of the foregoing Engineer's estimate, and shall
not at any time after the submission of an estimate, dis-
pute or complain of the above statement of quantities, nor
assert that there was any misunderstanding in regard
to the nature or amount of the work to be done.

2d. Bidders will be required to complete the entire
work to the satisfaction of the Department of Docks,
and in substantial accordance with the specifications of
the contract and the plans therein referred to. No
extra compensation, beyond the amount payable for
the work before mentioned, which shall be actually
performed, at the price therefor, per cubic foot, to be
specified by the lowest bidder, shall be due or payable
for the entire work.

The first delivery of granite under this contract
will be made as soon as practicable after the date of the
execution of this contract, and will proceed thereafter
with reasonable despatch, and all the work to be done
under this contract is to be fully completed on or before
the fifteenth day of June, 1893, and the amounts in each
delivery are to be divided between the several classes,
as ordered by the Engineer-in-Chief. The damages
to be paid by the contractor for each day that the
contract may be unfulfilled after the time fixed for the
fulfillment thereof has expired, are, by a clause in the
contract, determined, fixed and liquidated at Fifty
Dollars per day.

Bidders will state in their estimates a price per cubic
foot for the stones to be furnished, in conformity with
the approved form of agreement and the specifications
therein set forth, by which price the bids will be tested.
This price is to cover all expenses of every kind in-
volved in or incidental to the fulfillment of the contract,
including any claim that may arise through delay, from
any cause, in the performing of the work thereunder.

Bidders will distinctly write out, both in words and
in figures, the amount of their estimates for doing the
work.

The person or persons to whom the contract may be
awarded will be required to attend at this office, with
the sureties offered by him or them, and execute the
contract within five days from the date of the service of
a notice to that effect, and in case of failure or neglect
so to do, he or they will be considered as having
abandoned it, and as in default to the Corporation; and
the contract will be readvertised and relet, and so on
until it be accepted and executed.

Bidders are required to state in their estimates their
names and places of residence, the names of all persons
interested with them therein; and if no other person be
so interested, the estimate shall distinctly state that fact;
also, that the estimate is made without any connection
with any other person making an estimate for the same
work, and that it is in all respects fair and without col-
lusion or fraud; and also, that no member of the Common
Council, head of a department, chief of a bureau, deputy
thereof, or clerk therein, or other officer of the Cor-
poration, is directly or indirectly interested therein, or in
the supplies or work to which it relates, or in any portion
of the profits thereof; which estimate must be verified
by the oath, in writing, of the party making the esti-
mate, that the several matters stated therein are in all
respects true. Where more than one person is interested,
it is requisite that the verification be made and sub-
scribed to by all the parties interested.

Each estimate shall be accompanied, by the consent, in
writing, of two householders or freeholders in the City
of New York, with their respective places of business or
residence, to the effect that if the contract be awarded
to the person or persons making the estimate, they will,
upon its being so awarded, become bound as his or their
sureties for its faithful performance; and that if said
person or persons shall omit or refuse to execute the
contract they will pay to the Corporation of the City of
New York any difference between the sum to which said
person or persons would be entitled upon its completion,
and that which said Corporation may be obliged to pay to
the person to whom the contract may be awarded at any
subsequent letting; the amount in each case to be cal-
culated upon the estimated amount of the work to be
done in each class by which the bids are tested. The con-
sent above mentioned shall be accompanied by the oath or
affirmation, in writing, of each of the persons
signing the same that he is a householder or freeholder
in the City of New York and is worth the amount of
the security required for the completion of the contract,
over and above all his debts of every nature, and over
and above his liabilities as bail, surety and otherwise;
and that he has offered himself as surety in good
faith and with the intention to execute the bond
required by law. The adequacy and sufficiency of
the security offered will be subject to approval by the
Comptroller of the City of New York after the award
is made and prior to the signing of the contract.

No estimate will be received or considered unless ac-
companied by either a certified check upon one of the
State or National banks of the City of New York, drawn
to the order of the Comptroller, or money to the amount
of five per centum of the amount of security required
for the faithful performance of the contract. Such check

or money must not be inclosed in the sealed envelope
containing the estimate, but must be handed to the
officer or clerk of the Department who has charge of the
estimate-box, and no estimate can be deposited in said box
until such check or money has been examined by said
officer or clerk and found to be correct. All such de-
posits, except that of the successful bidder, will be
returned to the persons making the same, within
three days after the contract is awarded. If the
successful bidder shall refuse or neglect within
five days after notice that the contract has been
awarded to him to execute the same, the amount of the
deposit made by him shall be forfeited to and retained
by the City of New York as liquidated damages for
such neglect or refusal; but if he shall execute the
contract within the time aforesaid, the amount of his
deposit will be returned to him.

Bidders are informed that no deviation from the
specifications will be allowed, unless under the written
instructions of the Engineer-in-Chief.

No estimate will be accepted from, or contract
awarded to, any person who is in arrears to the Cor-
poration, upon debt or contract, or who is a defaulter as
surety or otherwise, upon any obligation to the Cor-
poration.

**THE RIGHT TO DECLINE ALL THE ESTI-

Said coal and wood will be inspected, and said coal weighed, under the supervision of the Inspector of Fuel of the Board of Education.

The contractor will be required to present with every bill for deliveries a bill of lading with each box-load as partial evidence of the kind and quality of the coal claimed to have been delivered, and with all bills to present his affidavit stating the quantity and quality of coal delivered, where the same was weighed, and certifying the correctness of his claim.

The coal and wood must be delivered at the schools as follows: Two-thirds of the quantity of each between the fifteenth of May and the fifteenth of October, and the remainder as required by the Committee on Supplies; the contracts for supplying said coal and wood to be binding until the first day of May, eighteen hundred and ninety-four.

Two stipulated sureties, or bond by one of the Guarantee Companies, for the faithful performance of the contract, will be required, and each proposal must be accompanied by the signatures and residences of the proposer's sureties. No compensation above the contract price will be allowed for delivering said coal and wood at any of the schools, nor for putting or piling the same in the yards, cellars, vaults, or bins of said school buildings.

Proposals must be directed to the Committee on Supplies of the Board of Education, and should be indorsed "Proposals for Coal," or "Proposals for Wood," as the case may be.

The Committee reserves to itself the right to impose such conditions and penalties in the contract as it may deem proper, and to reject any or all proposals received when deemed best for the public interest.

Any further information can be obtained from the Clerk of the Board of Education.

No estimate will be received or considered after the hour named.

For information as to the amount and kind of work to be done, bidders are referred to the specifications, which form part of these proposals.

The form of the agreement (showing the manner of payment for the work), with specifications, may be seen, and forms of proposals may be obtained at the office of the Department.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

The work is to be completed and delivered as provided in the contract.

The damages to be paid by the contractor for each day that the contract may be unfulfilled after the time specified for the completion thereof shall have expired, are fixed and liquidated at ten (10) dollars.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the work shall present the same in a sealed envelope to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation and a statement of the work to which they relate, specifying the kind of cables it is proposed to furnish.

The Fire Department reserves the right to decline any and all bids or estimates, or any part thereof, if deemed to be for the public interest. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as sureties for its faithful performance in the sum of seven hundred (700) dollars; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made and prior to the signing of the contract.

No estimate will be considered unless accompanied by either a certified check upon one of the banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of one thousand (1,000) dollars. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept, but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as sureties for its faithful performance in the sum of four thousand (\$4,000) dollars; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made and prior to the signing of the contract.

No estimate will be considered unless accompanied by either a certified check upon one of the banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of two hundred (\$200) dollars. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it, and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

TO CONTRACTORS.

BIDS OR ESTIMATES, INCLOSED IN A sealed envelope, with the title of the work and the name of the bidder indorsed thereon, also the number of the work as in the advertisement, will be received at this office, on Tuesday, March 28, 1893, until 12 o'clock M., at which place and hour they will be publicly opened by the head of the Department.

No. 1. FOR THE CONSTRUCTION OF A BRIDGE OVER THE HARLEM SHIP CANAL, ON THE LINE OF KINGSBRIDGE ROAD OR BROADWAY, BETWEEN TWO HUNDRED AND EIGHTEENTH AND ASHLEY STREETS.

Each estimate must contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and if no other person be so interested, it shall distinctly state that fact. That it is made without any connection with any other person making an estimate for the same work, and is in all respects fair and without collusion or fraud. That no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation is directly or indirectly interested in the estimate, or in the work to which it relates or in the profits thereof.

Each estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount to be calculated upon the estimated amount of the work by which the bids are tested.

The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as surety in good faith, with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of the deposit will be returned to him.

THE COMMISSIONER OF PUBLIC WORKS RESERVES THE RIGHT TO REJECT ALL BIDS RECEIVED FOR ANY PARTICULAR WORK IF HE DEEMS IT FOR THE BEST INTERESTS OF THE CITY.

Blank forms of bid or estimate, the proper envelopes in which to inclose the same, the specifications and agreements, and any further information desired, can be obtained at Room No. 31 Chambers street.

TO OWNERS OF LANDS ORIGINALLY ACQUIRED BY WATER GRANTS.

ATTENTION IS CALLED TO THE RECENT act of the Legislature (chapter 449, Laws of 1889), which provides that whenever any streets or avenues in the city, described in any grant of land under water, from the Mayor, Aldermen and Commonalty containing covenants requiring the grantees and their successors to pave, repave, keep in repair or maintain such streets, shall be in need of repairs, pavement or repavement, the Common Council may, by ordinance, require the same to be paved, repaved or repaired, and the expense thereof to be assessed on the property benefited; and whenever the owner of a lot so assessed shall have paid the assessment levied for such paving, repaving or repairing, such payment shall release and discharge such owner from any and every covenant and obligation as to paving, repaving and repairing, contained in the water grant under which the premises are held, and no further assessment shall be imposed on such lot for paving, repaving or repairing such street or avenue, unless it shall be petitioned for by a majority of the owners of the property (who shall also be the owners of a majority of the property in frontage) on the line of the proposed improvement.

The act further provides that the owner of any such lot may notify the Commissioner of Public Works, in writing, specifying the ward number and street number of the lot that he desires, for himself, his heirs and assigns, to be released from the obligation of such covenants, and elects and agrees that said lot shall be thereafter liable to be assessed as above provided, and thereupon the owner of such lot, his heirs and assigns shall thenceforth be relieved from any obligation to pave, repair, uphold or maintain said street, and the lot in respect of which such notice was given shall be liable to assessment accordingly.

The Commissioner of Public Works desires to give the following explanation of the operation of this act: When notice, as above described, is given to the Commissioner of Public Works, the owner of the lot or lots therein described, and his heirs and assigns, are forever released from all obligation under the grant in respect to paving, repaving or repairing the street in front of or adjacent to said lot or lots, except one assessment for such paving, repaving or repairs, as the Common Council may, by ordinance, direct to be made thereafter.

No street or avenue within the limits of such grants can be paved, repaved or repaired until said work is authorized by ordinance of the Common Council, and when the owners of such lots desire their streets to be paved, repaved or repaired, they should state their desire and make their application to the Board of Aldermen and not to the Commissioner of Public Works, who has no authority in the matter until directed by ordinance of the Common Council to proceed with the pavement, repavement or repairs.

MICHAEL T. DALY,
 Commissioner of Public Works.
