COMMISSIONERS OF THE SINKING FUND OF THE CITY OF NEW YORK.

Proceedings of the Commissioners of the Sinking Fund, at a Meeting held at the Mayor's Office at 12 o'clock M., on Thursday, June 20, 1901.

Present—Robert A. Van Wyck, Mayor; Edgar J. Levey, Deputy and Acting Comptroller; Patrick Keenan, Chamberlain; Randolph Guggenheimer, President of the Council, and Robert Mulr, Chairman, Finance Committee, Board of Aldermen.

On motion of the Deputy Comptroller Mr. Reeves E. Selmes was unanimously elected temporary secretary for the meeting.

The minutes of the meeting held June 13, 1901, were approved as printed.

The Deputy Comptroller presented the following report of the Engineer of the Department of Finance relative to the improvement of the water-front on the North river, between Seventy-seventh and Eighty-first streets, and offered the following resolution:

MAY 29, 1901.

Hon. BIRD S. COLER, Comptroller:

SIR—The Department of Docks and Ferries in communication to the Commissioners of the Sinking Fund May 21, 1901, says:

"At a meeting of the Board of Docks held on the 17th instant the following resolution was adopted:

"Resolved, That the map or plan submitted by the Engineer-in-Chief for the improvement of the water-front on the North river, between Seventy-seventh and Eighty-first streets, be and hereby is approved and directed to be transmitted to the Commissioners of the Sinking Fund for their approval."

"This plan provides for the improvement of that portion of the water-front between Seventy-seventh and Eighty-first streets, North river, which, by the terms of chapter 152 of the Laws of 1894, providing for the extension of Riverside Park, remains under the control of this Department. It comprises a stretch of water-front, running from a point 500 feet south of the southerly line of Seventy-ninth street, being at or near the centre line of Seventy-seventh street, to a point 500 feet north of the northerly line of Seventy-ninth street, being at or near the centre line of Eighty-first street, in all a distance of 1,000 feet.

"The adoption of this plan is necessary for the purpose of enabling the Department to proceed with the construction of new piers as laid out under the plan, and which are required for commercial use and to relieve the congestion in this district.

"The bulkhead-line as proposed is substantially on a line with the present existing bulkhead and runs in a straight line from the outermost portion of the crib-bulkhead at or near the centre line of Eighty-first street, to the outermost point of the crib-bulkhead at or near the centre line of Seventy-seventh street. It is not intended at the present time to disturb the existing bulkhead. The construction of piers in this locality is, however, extremely desirable and necessary, and the adoption of the plan will enable the Department to proceed with the work under the new plan."

A reference to the plans submitted, in connection with the description given in the above communication, gives a clear idea of what it is intended to do.

I think the improvement a useful one, and I have no adverse criticism to make. I think the plans may properly receive the approval of the Commissioners of the Sinking Fund.

Respectfully,

EUG. E. McLEAN, Engineer.

Resolved, That the Commissioners of the Sinking Fund hereby approve of the map or plan submitted by the Department of Docks and Ferries for the improvement of the water-front on the North river, between Seventy-seventh and Eighty-first streets, in the Borough of Manhattan, as adopted by the Board of Docks on May 17, 1901.

The report was accepted and the resolution unanimously adopted.

The Deputy Comptroller presented the following report of the Engineer of the Department of Finance relative to the improvement of the water-front on the North river, between Ninety-fourth and Ninety-eighth streets, and offered the following resolution:

MAY 31, 1901.

Hon. BIRD S. COLER, Comptroller:

SIR—The Department of Docks and Ferries in communication to the Commissioners of the Sinking Fund May 21, 1901, says:

"At a meeting of the Board of Docks, held on the 24th instant, the following resolution was adopted:

"Resolved, That the map or plan submitted by the Engineer-in-Chief for improving the water-front on the North river, between Ninety-fourth and Ninety-eighth streets, be and hereby is approved, and the Secretary be and hereby is directed to transmit same to the Commissioners of the Sinking Fund for their approval."

"This plan provides for the improvement of that portion of the water-front between Ninety-fourth and Ninety-eighth streets, North river, which by the terms of chapter 152 of the Laws of 1894, providing for the extension of Riverside Park, remains under the control of this Department. It comprises the section of the water-front running from a point 362 feet 6 inches south of the southerly line of Ninety-sixth street, being at or near the centre line of the block between Ninety-fourth and Ninety-fifth streets, to a point 203 feet 6 inches north of the northerly side of Ninety-sixth street, being at or near the centre line of the block between Ninety-seventh and Ninety-eighth streets, in all a distance of 825 feet.

"The adoption of this plan is necessary for the purpose of enabling the Department to proceed with the construction of new piers, as laid out under this new plan, and which are required for commercial use and to relieve the congestion in this district. The Board is very desirous that this plan be approved as soon as possible in order that there may be no delay in proceeding with the building of a new pier at the foot of Ninety-sixth street, for which there is great demand and the construction of which has already been decided upon.

I transmit herewith the plan referred to above, in duplicate, and request that the matter be brought before the Commissioners of the Sinking Fund as soon as possible."

A reference to the plans submitted, in connection with the description given in the above communication, gives a clear idea of what it is intended to do.

I think the improvement a useful one, and I have no adverse criticism to make. I think the plans may properly receive the approval of the Commissioners of the Sinking Fund.

Respectfully,

EUG. E. McLEAN, Engineer.

Resolved, That the Commissioners of the Sinking Fund hereby approve of the map or plan submitted by the Department of Docks and Ferries for the improvement of the water-front on the North river, between Ninety-fourth and Ninety-eighth streets, in the Borough of Manhattan, as adopted by the Board of Docks on May 24, 1901.

The report was accepted and the resolution unanimously adopted.

The Deputy Comptroller brought up the matter of the proposed purchase from Michael Halpin of wharfage rights, etc., appertaining to the northerly half of Pier, old 54, East river, Borough of Manhattan:

(Min. 1900, p. 320, 1901, pp. 15, 146.)

NEW YORK, December 29, 1900.

EDGAR J. LEVEY, Esq., Secretary, Commissioners of the Sinking Fund, Room 11, No. 280 Broadway, New York City:

SIR—I transmit herewith for the approval of the Commissioners of the Sinking Fund an agreement with Michael Halpin for the purchase of the wharfage rights, etc., appertaining to the northerly half of Pier, old 54, East river, Borough of Manhattan.

Yours respectfully,

WM. H. BURKE, Secretary.

Inclosure.

This agreement made and entered on the 12th day of December, 1900, by and between Michael Halpin, party of the first part, and The City of New York, acting by the Board of Docks of said city, party of the second part, witnesseth:

Whereas, The said party of the first part is the proprietor of all the wharfage rights, terms, easements and privileges, etc., appertaining to the northerly half of Pier, old 54, East river, Borough of Manhattan, City of New York, and all right, title and interest in and to said pier or any portion thereof, not now owned by The City of New York.

Whereas, By section 822 of chapter 378 of the Laws of 1897, the Board of Docks of the said city is authorized to acquire by purchase, in the name of and for the benefit of the Corporation

of The City of New York, wharf property in said city, and all rights appertaining thereto not now owned by the Corporation of The City of New York, subject to the approval of the Commissioners of the Sinking Fund, and to pay to such owners the price agreed; and

Whereas, The said party of the second part is desirous of acquiring said wharfage rights, terms, easements, and privileges and the wharf property heretofore described, not now owned by The City of New York, in accordance with the conditions of a certain resolution of the Board of Docks passed the 2d day of November, 1900, and which said resolution is as follows, to wit:

"Whereas, Michael Halpin is the owner in fee simple of all right, title and interest in and to the northerly half of Pier, old 54, East river; and

"Whereas, At a meeting of the Board of Docks, held this date, said Michael Halpin offered to sell to the City the above-described premises, including the riparian and wharfage rights, for the sum of twenty-five thousand dollars.

"Resolved, That this Board hereby enters into an agreement for the purchase of the above-described property, with all its hereditaments, for the sum of twenty-five thousand dollars; provided, however, that a good and sufficient title in all respects to said property, together with all the rights, terms, easements and privileges pertaining thereto, or connected therewith, can be acquired by The City of New York, free and clear from all incumbrances, subject, however, to the approval of the Commissioners of the Sinking Fund."

Now, therefore, this agreement witnesseth that the said party of the first part for and in consideration of the premises, and in the sum of one dollar to him in hand paid by the said party of the second part, the receipt whereof is hereby acknowledged, hereby agrees to sell and convey by good and sufficient deeds of conveyance unto the said party of the second part,

All the wharfage rights, terms, easements and privileges, etc., appertaining to the northerly half of Pier, old 54, East river, Borough of Manhattan, City of New York, including all right, title and interest in and to said northerly half of said pier or any portion thereof, for the sum of twenty-five thousand (\$25,000) dollars lawful money of the United States of America, or by warrant on the City Treasury for that amount.

It being stipulated by the party of the first part and is of the essence of this agreement that the said party of the first part is to convey, or cause to be conveyed, good title to the said wharfage rights, etc., appertaining to the northerly half of Pier, old 54, East river, Borough of Manhattan, City of New York, and all right, title and interest in and to the northerly half of said pier, with the rights to the lands under water and riparian and other rights, if any, in front thereof and connected therewith not now owned by The City of New York or by the People of the State of New York.

And the said party hereto of the second part hereby agrees to purchase the said wharfage rights of the said party of the first part, of, in and to said wharf property, and his right, title and interest in and to the said northerly half of said pier and to pay said party of the first part therefor the sum of twenty-five thousand (\$25,000) dollars in the manner aforesaid on the 31st day of January, 1901, subject, nevertheless, to the approval of the Commissioners of the Sinking Fund.

And it is further agreed that said deed or deeds shall be delivered and the consideration paid at the office of the Comptroller of The City of New York on the 31st day of January, 1901, at 12 o'clock M., and that the consideration may be paid in a warrant or warrants of the said Comptroller, drawn in favor of the party of the first part, and the said party of the first part on receiving such payment at the time and in the manner above mentioned shall at his own proper costs and expense, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered to the said party of the second part, a proper deed for the conveyance and assurance to them of all the wharfage rights, terms, easements and privileges, etc., and wharf property, heretofore mentioned, free and clear in all respects of all charges, liens and incumbrances of whatever kind, name or nature.

And it is further mutually covenanted and agreed by and between the several parties hereto that this contract is made subject to the approval of the Commissioners of the Sinking Fund, and the said party of the second part hereby agrees to submit this contract to said Commissioners for approval, and to serve written notice of the action of said Commissioners upon the party of the first part within thirty days from the date hereof, and that unless said Commissioners shall approve the same, and the said party of the second part shall serve said notice within thirty days as aforesaid, and unless the said party of the second part shall complete this contract, if approved, on the 31st day of January, 1901, as heretofore mentioned, this contract shall at the option of the said party of the first part be utterly void, it being expressly understood that time is of the essence of this contract, and that the stipulations aforesaid are to apply to and bind the successors or assigns of the respective parties.

In witness whereof, the said Board of Docks have executed these presents for and on behalf of the said City of New York, and has caused the seal of the Department of Docks and Ferries to be hereunto affixed, attested and proved by its Secretary, and the party hereto of the first part has hereunto set his hand and seal the day and year first above written, and the parties hereto have executed this agreement in four parts, one of which is to remain with the party of the first part, one with the Board of Docks, one with the Corporation Counsel, and one with the Comptroller of The City of New York.

Discussion followed, whereupon the Deputy Comptroller offered the following resolution:

Resolved, That the Commissioners of the Sinking Fund hereby approve of the purchase by the Board of Docks, from Michael Halpin, of wharfage rights, etc., appertaining to the northerly half of Pier, old 54, East river, Borough of Manhattan, for the sum of twenty-five thousand dollars (\$25,000), as described in an agreement entered into by the Board of Docks with said Michael Halpin, dated the 12th day of December, 1900.

Which was unanimously adopted.

The following report and resolution were received from the Board of Education relative to a renewal of the lease of premises on Burnet place, Springhurst, Borough of The Bronx:

To the Board of Education:

The Committee on Buildings, to which was referred a report and resolution adopted by the School Board for the Boroughs of Manhattan and The Bronx on June 5, 1901, requesting that the lease of the premises on Burnet place, Springhurst, Borough of The Bronx, used as an annex to Public School 152, be renewed for two years on the same terms and conditions as the former lease, respectfully reports as follows:

The Borough Superintendent has stated that the building is required for a longer period, as the neighborhood is a growing one, and recommended that it be rehired. The rental asked, \$720, which includes keeping the building in repair and janitor's services, is considered reasonable. Your committee therefore recommends that the request of the School Board be granted, and submits the following resolution for adoption.

Resolved, That the Commissioners of the Sinking Fund be and they are hereby requested to authorize the Comptroller to execute a renewal of the lease of the premises on Burnet place, Springhurst, Borough of The Bronx, occupied as an annex to Public School 152, for two years from September 15, 1901, at an annual rental of seven hundred and twenty dollars, on the same terms and conditions as the lease now existing.

A true copy of report and resolution adopted by the Board of Education on June 12, 1901.

A. E. PALMER, Secretary, Board of Education.

In connection therewith the Comptroller offered the following resolution:

Resolved, That the Comptroller be and is hereby authorized and directed to execute a renewal of the lease to the City, from Charles G. Jorgensen, of premises occupied by the Board of Education on Burnet place, Springhurst, Borough of The Bronx, for a term of two years from

September 15, 1901, at an annual rental of seven hundred and twenty dollars (\$720), otherwise upon the same terms and conditions as contained in the existing lease—the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interest of the City that such lease be made.

Which was unanimously adopted.

The following report and resolution were received from the Board of Education relative to a renewal of the lease of the Strang Building, on First Avenue or Lockwood street, Long Island City.

To the Board of Education:

The Committee on Buildings, to which was referred a resolution adopted by the School Board for the Borough of Queens on May 21, 1901, requesting that the Strang Building, now used as an annex to Public School 5, Long Island City, be released from month to month until new Public School 5 is completed, respectfully submits the following:

Your Committee has been informed by the President of the School Board that this building will be required until the completion of the new school building in course of construction at Academy and Lockwood streets, Long Island City. The owner, however, has declined to lease the premises from month to month, insisting upon a term of one year, and it is therefore recommended that the building in question be leased for one year from February 1, 1901.

The following resolution is submitted for adoption:

Resolved, That the Commissioners of the Sinking Fund be and they are hereby requested to authorize the Comptroller to execute a renewal of the lease of the Strang Building, situated on the west side of First Avenue or Lockwood street, about two hundred feet south of Grand Avenue, Long Island City, Borough of Queens, for one year from February 1, 1901, at an annual rental of four hundred and fifty dollars, the other terms and conditions to be the same as the present lease.

A true copy of report and resolution adopted by the Board of Education on June 12, 1901.

A. E. PALMER, Secretary, Board of Education.

In connection therewith the Deputy Comptroller offered the following resolution:

Resolved, That the Comptroller be and is hereby authorized and directed to execute a renewal of the lease to the City, from Mrs. J. R. N. Strang, of premises known as the Strang Building, situated on the west side of First Avenue or Lockwood street, about two hundred feet south of Grand Avenue, Long Island City, Borough of Queens, occupied by the Board of Education, for a term of one year from February 1, 1901, at an annual rental of four hundred and fifty dollars (\$450), otherwise upon the same terms and conditions as contained in the existing lease—the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution unanimously adopted.

The following resolution was received from the Board of Education, relative to an amendment to resolution authorizing a lease of premises Nos. 58 to 70 West One Hundred and Thirty-fifth street:

Resolved, That the resolution adopted by the Board of Education on March 27, 1901 (see Journal, page 371), requesting the Commissioners of the Sinking Fund to authorize the Comptroller to execute a renewal of the lease of the premises Nos. 58 to 70 West One Hundred and Thirty-fifth street, Manhattan, occupied as an annex to Public School 89, for one year from May 17, 1901, be and it is hereby amended by striking out the clause "with the privilege of renewal for an additional year."

A true copy of resolution adopted by the Board of Education on June 12, 1901.

A. E. PALMER, Secretary, Board of Education.

In connection therewith the Deputy Comptroller offered the following resolution:

Resolved, That the resolution adopted by this Board April 10, 1901, and amended May 17, 1901, authorizing a renewal of the lease of premises Nos. 58 to 70 West One Hundred and Thirty-fifth street, Borough of Manhattan, for the use of the Board of Education, be and the same is hereby further amended by striking out the words "with the privilege of a renewal for an additional year."

Which was unanimously adopted.

The Deputy Comptroller presented the following report of the Engineer of the Department of Finance and offered the following resolution relative to the transfer of Nos. 49, 51 and 53 Ridge street, to the Board of Education for school purposes:

JUNE 15, 1901.

Hon. BIRD S. COLE, Comptroller:

SIR—At a meeting of the Board of Education, held on June 12, 1901, the following proceedings were had:

"Whereas, This Board on April 7, 1897 (Journal, pages 661 and 662), requested the Police Department to consent to the transfer of the lands and premises known as Nos. 49, 51 and 53 Ridge street, on the northerly side of Grammar School No. 92 (now Public School 92), to the Commissioners of the Sinking Fund, so that they might be turned over to the Board of Education for school purposes; and

"Whereas, The Police Department on November 12, 1897 (as set forth in a communication addressed to the President of the Board, which communication was referred to the Committee on Sites on this date), relinquished and surrendered the said lands and premises to the Commissioners of the Sinking Fund; and

"Whereas, The Board of Education has no property available for the erection of a school building in this immediate neighborhood; and

"Whereas, All the schools in this vicinity are greatly overcrowded, many children receiving instruction in part or half time classes, as follows:

- "Public School 92, adjoining said plot, 322 pupils.
- "Public School 4, Rivington and Ridge streets, 424 pupils.
- "Public School 174, Attorney street, near Rivington street, 372 pupils.
- "Public School 34, Broome and Sheriff streets, 958 pupils.

"—therefore be it

"Resolved, That the Commissioners of the Sinking Fund be and they are hereby respectfully requested to take such action as may be necessary to secure for the use of the Board of Education, for school purposes, the lands and premises Nos. 49, 51 and 53 Ridge street, commencing one hundred feet north of Broome street, and being situated on the northerly side of Public School 92, said lands and premises having been relinquished and surrendered to the Commissioners of the Sinking Fund by the Police Department on November 12, 1897, and title thereto having been heretofore acquired by The Mayor, Aldermen and Commonalty of the City of New York, by condemnation proceedings for the use of the Police Department."

In reply, I beg to report as follows:

The property in question was acquired by condemnation proceedings, for Police purposes, pursuant to chapter 350 of the Laws of 1892, and title to the same was vested in the City on February 4, 1895.

Plans for a station-house, prison and stable were presented to, and approved by, the Commissioners of the Sinking Fund on March 24, 1897 (see Minutes, page 815).

Subsequently objection was raised to the erection of a station-house and prison immediately adjoining a public school, and in an opinion of the Corporation Counsel dated May 23, 1897, to the Board of Education, he states that "as a Police station-house contains cells for the detention of prisoners, it is a prison within the meaning of the statute, and that it would be a violation of said statute to erect a Police station within two hundred feet of a public school building."

Under this opinion, the Police Department relinquished and surrendered the premises to the Commissioners of the Sinking Fund (see Minutes, November 27, 1897, page 1080).

Similar resolutions to those quoted at the commencement of this report were passed by the Board of Education on November 17, 1897 (see Minutes, Commissioners of the Sinking Fund, August 8, 1898), and under date of August 2, 1898, I reported upon the matter (see Minutes, Commissioners of the Sinking Fund, August 8, 1898, page 201), in which report I stated:

"I think there can be no doubt that the property should be transferred to the Board of Education, for the extension of Public School 92."

—and further, that as there seemed to be some legal objection to transfer the property, the Corporation Counsel was requested to give an opinion.

Such opinion was rendered on December 27, 1898, in which the Corporation Counsel held that the Commissioners of the Sinking Fund had no power under the Charter to transfer lands of the City to any department, but could sell the same. Whereupon, a resolution was adopted authorizing the Comptroller to take the necessary steps to sell the property (see Minutes, Sinking Fund Commission, January 20, 1899, page 1).

So far as I know no further action has been taken in this matter.

The property is in charge of the Collector of City Revenue, and is leased from month to month, producing a revenue of about \$1,320 per annum.

Under the provisions of section 205 of the new charter, which will go into effect January 1, 1902:

"The commissioners of the sinking fund shall have power to assign for any public purposes any city property, for whatsoever purpose originally acquired, which may be found by the department having control thereof to be no longer required for such purpose."

I would therefore suggest that the Commissioners of the Sinking Fund pass a resolution directing the Board of Education to proceed with the preparation of plans, and the advertising of a contract for the improvement of this property, so that the same may be in readiness upon January 1, 1902, when the new charter goes into effect, at which time the Commissioners of the Sinking Fund will have the power to assign the premises for the use of the Board of Education.

Respectfully,

EUG. E. McLEAN, Engineer.

Whereas, The property known as Nos. 49 to 53 Ridge street, Borough of Manhattan, was acquired by The City of New York, pursuant to the provisions of chapter 350 of the Laws of 1892, for police purposes, and which property is not available for a police station on account of its proximity to a public school; and

Whereas, The same was surrendered and turned over to the Commissioners of the Sinking Fund by the Police Department on November 12, 1897; and

Whereas, The Board of Education has made application that the said premises be assigned for its use, for the purpose of building an addition to Public School 92, wherein increased accommodation is urgently needed; and

Whereas, The Corporation Counsel has given it as his opinion that the Commissioners of the Sinking Fund have no power, under the present charter, to make such assignment; and

Whereas, pursuant to section 205 of the new charter, which will go into effect on January 1, 1902, the Commissioners of the Sinking Fund will have power to make such assignment; be it therefore

Resolved, That it is the sense of this Commission that the said property should be assigned for the use of the Board of Education in order that additional school facilities may be gained; and be it further

Resolved, That, in order to expedite the matter, the Board of Education be advised to proceed with the preparation of plans and the advertising of a contract for the necessary improvement of this property, so that the same shall be in readiness for the construction of a building after January 1, 1902, when the formal assignment of the property for the use of the Board of Education can properly be made.

The report was accepted and the resolution unanimously adopted.

The following communication was received from the Department of Highways relative to a renewal of the lease of a plot of land between Jersey street and York Avenue, Borough of Richmond:

NEW YORK, June 13, 1901.

Hon. ROBERT A. VAN WYCK, Mayor, and Chairman, Commissioners of the Sinking Fund:

DEAR SIR—I respectfully request the Commissioners of the Sinking Fund to authorize the renewal of the lease of a plot of land about 60 feet by 150 feet, situated between Jersey street and York Avenue, about 86 feet six inches north of Brighton Avenue, Borough of Richmond, said plot to be used as a Corporation Yard by the Department of Highways.

The former lease expired June 1, 1901, and I request that it be renewed for a period of two years at the former rental of \$100 per annum, payable quarterly, with the privilege of renewal for a similar period.

The lessor is William K. Walsh, New Brighton, Borough of Richmond.

Very respectfully,

JAMES P. KEATING, Commissioner of Highways.

In connection therewith the Deputy Comptroller offered the following resolution:

Resolved, That the Comptroller be and is hereby authorized and directed to execute a renewal of the lease to the City, from William K. Walsh, of a plot of land sixty feet by one hundred and thirty feet, situated between Jersey street and York Avenue, north of Brighton Avenue, Borough of Richmond, occupied by the Department of Highways, for a term of two years from June 1, 1901, with the privilege of a renewal for a similar period, at an annual rental of one hundred dollars (\$100), payable quarterly, otherwise upon the same terms and conditions as contained in the existing lease—the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

Which was unanimously adopted.

The following communications were received from the Department of Street Cleaning relative to a lease of a plot of ground at the corner of Jamaica Avenue and Gillen place, Borough of Brooklyn:

NEW YORK, May 13, 1901.

Hon. ROBERT A. VAN WYCK, Mayor, Chairman, Board of Commissioners of the Sinking Fund:

SIR—I desire the consent of your Board, pursuant to section 541 of the Greater New York Charter, as amended, for a lease from William F. Donovan of a plot of ground on the northeast corner of Jamaica Avenue and Gillen place, with the stable to be thereon erected, for a term of ten (10) years from the date of occupancy by this Department, at an annual rental of \$3,500, payable quarterly.

The plot of ground is 60 feet front by 150 feet in depth. The stable is to be a three-story brick structure erected in conformity with law and according to the plans and specifications herewith submitted. The lessor to agree to put and keep said premises in tenable condition, pay all ground taxes, not including water rates on houses, make necessary repairs and alterations, and conform to such other requirements as may be deemed necessary to be incorporated in said lease.

I transmit herewith the said plans and specifications, consisting of, for the specifications, typewritten description in 13 pages, and four sheets of drawings.

Respectfully,

P. E. NAGLE, Commissioner.

NEW YORK, June 6, 1901.

Hon. ROBERT A. VAN WYCK, Mayor, Chairman, Board of Sinking Fund Commissioners:

SIR—I desire the consent and approval of your Board, pursuant to section 541 of the Greater New York Charter, for a lease from William F. Donovan of the plot of ground in the Borough of Brooklyn bounded and described as follows:

Beginning at a point on the northerly line of Jamaica Avenue twenty-eight (28) feet eight (8) inches east of the easterly line of Gillen place, running northerly and parallel with Gillen place two hundred and thirty-six (236) feet, thence easterly at right angles with the easterly line of Gillen place sixty (60) feet, thence southerly and parallel with the easterly line of Gillen place two hundred and two (202) feet, more or less, to the northerly line of Jamaica Avenue, thence westerly along the northerly line of Jamaica Avenue sixty-eight (68) feet nine and one half (9½) inches, more or less, to the point or place of beginning, with the stable to be erected thereon in accordance with the plans and specifications submitted to your Board, May 13, 1901, for a term of ten (10) years from the completion and occupancy of said stable, at an annual rental of three thousand five hundred (\$3,500) dollars, payable quarterly; the lessor to put and keep the premises in good tenable condition, to pay all ground taxes not including charges for water used on premises and to make all necessary repairs and alterations; the City to pay for the water used on the premises.

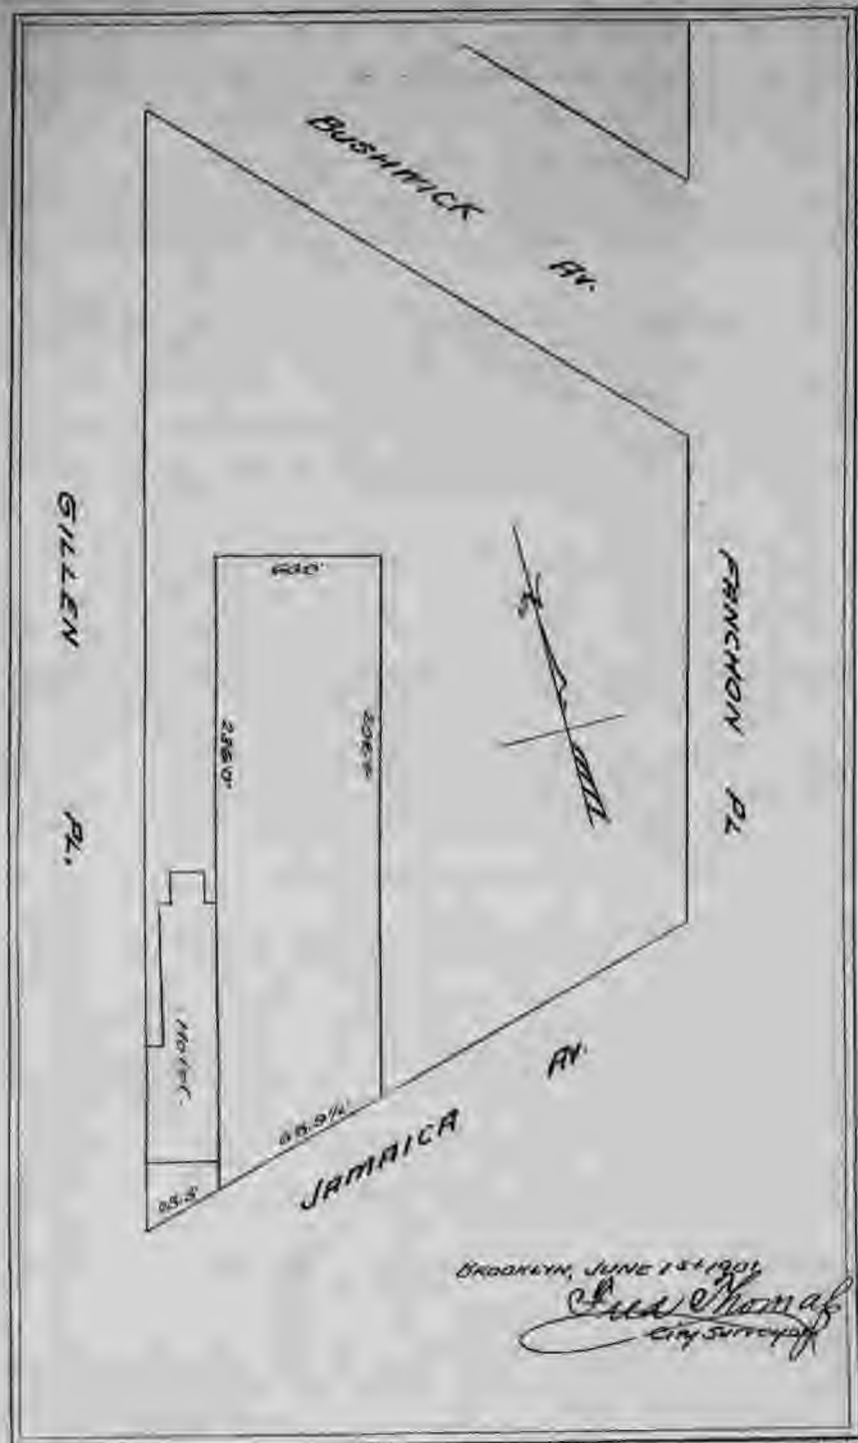

The stable is to be a three-story brick structure, erected in conformity with the law, and will contain on the first floor an office twenty-six (26) feet by twenty-two (22) feet, with water connections, gas, washstand, water-closet, clothes closet, one carriage washstand and about seven thousand two hundred and eighty-six (7,286) square feet of space for storage of carts, etc. On the second floor there will be one hundred and twelve (112) stalls with water-troughs and feed pots. On the third floor there will be one harness room, two feed-bins, with chutes to the second floor, and two large feed stoverooms.

I desire in making this request to withdraw from all further consideration on the part of your Board the communications and propositions of the above-mentioned date, with the acceptance of the plans and specifications.

I inclose a plot of the ground described.

Respectfully,

F. W. GIBSON, Deputy Commissioner, Borough of Manhattan, designated with full powers of the Commissioner.

In connection therewith the Deputy Comptroller presented the following report and offered the following resolution:

JUNE 17, 1901.

Hon. BIRD S. COLER, Comptroller:

Sir—F. M. Gilson, Deputy Commissioner, Department of Street Cleaning, by letters dated May 13 and June 6, 1901, requests the consent and approval of the Commissioners of the Sinking Fund, pursuant to section 541 of the Greater New York Charter, for a lease from William F. Donovan, of the plot of ground in the Borough of Brooklyn, bounded and described as follows:

Beginning at a point on the northerly line of Jamaica avenue, 28 feet 8 inches east of the easterly line of Gillen place; running thence northerly and parallel with Gillen place 236 feet; thence easterly at right angles with the easterly line of Gillen place 60 feet; thence southerly and parallel with the easterly line of Gillen place 202 feet 4 inches, more or less, to the northerly line of Jamaica avenue; thence westerly along the northerly line of Jamaica avenue 68 feet 9 1/2 inches, more or less, to the point or place of beginning, with the stable to be erected thereon, in accordance with the accompanying plans and specifications, for a term of 10 years from the completion and occupancy of said stable, at an annual rental of \$3,500, payable quarterly; the lessor to put and keep the premises in good tenantable condition, to pay all ground taxes; the City to pay for water used on the premises.

In reply I would report that, according to the plans and specifications submitted, the stable to be erected is a three-story and brick structure (60 feet by 143 feet), and will contain on the first floor an office (26 feet by 22 feet), with water connections, gas, washstand, water-closet, clothes closet, one carriage wash-rack and about 7,200 square feet of space for storage of carts, etc. On the second floor there will be 112 stalls for water-troughs and feed pots. The third story does not extend the full depth of the building, only 60 feet wide by 56 feet deep, and is arranged with a harness room, two feed-bins, with chutes to the second floor, and two large feed store-rooms.

There is no cellar under the building, no heating apparatus, but a fine built in the front wall in order that stoves may be used in the office, harness room, etc.

The stable when built will be well suited for the purposes to which it is to be used, but the rental asked, \$3,500 per annum, I consider excessive.

I consider the following a full estimate of the value of the land and building:

Land	\$12,500 00
Building	25,000 00
Total	\$37,500 00

Therefore, in my opinion, \$3,000 per annum would be a full rental, being 8 per cent. upon an investment of \$37,500.

Respectfully,

EUG. E. McLEAN, Engineer.

Approved, June 19, 1901:

EDGAR J. LEVEY, Deputy and Acting Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution of a lease to the City by the Commissioner of Street Cleaning from William F. Donovan of the plot of ground in the Borough of Brooklyn, bounded and described as follows:

Beginning at a point on the northerly line of Jamaica avenue, 28 feet 8 inches east of the easterly line of Gillen place; running thence northerly and parallel with Gillen place, 236 feet; thence easterly at right angles with the easterly line of Gillen place, 60 feet; thence southerly and parallel with the easterly line of Gillen place, 202 feet 4 inches, more or less, to the northerly line of Jamaica avenue; thence westerly along the northerly line of Jamaica avenue, 68 feet 9 1/2 inches, more or less, to the point or place of beginning, with the stable to be erected thereon in accordance with the plans and specifications submitted to this Board,

—for a term of ten years from the completion and occupancy of said stable at an annual rental of three thousand dollars, payable quarterly, the lessor to put and keep the premises in good tenantable condition, and to pay all ground taxes; the City to pay for water used on the premises—

the Commissioners of the Sinking Fund deeming the said rent fair and reasonable, and that it would be for the interest of the city that such lease be made.

The report was accepted and the resolution unanimously adopted.

The following communications were received from the Department of Public Charities relative to a lease of property at the foot of East Fifty-second street, Borough of Manhattan:

New York, June 7, 1901.

To the Commissioners of the Sinking Fund, EDGAR J. LEVEY, Secretary, No. 230 Broadway, City:

GENTLEMEN—Under advice from the Law Department I make formal application hereby for authorization to lease the property between East Fifty-first street and East Fifty-second street now occupied by the Department of Public Charities and the Department of Correction as a landing place for boats plying to Blackwell's Island, at a rental of \$1, for five years. This property belongs to the F. & M. Schaeffer Brewing Company and has been occupied heretofore free of cost to the City. The F. & M. Schaeffer Brewing Company now insists that the City shall pay for the use of the property in order to protect its rights therein. The proposition is to lease the property to the City for \$1 for a term of five years. I have presented all the facts in the case to the Counsel to the Corporation, who in turn has made a personal investigation and rendered an opinion, the final clause of which is as follows:

"The course to be pursued by you, therefore, is to present to the Commissioners of the Sinking Fund a request that a lease of the premises required for the approach to said dock and waiting-room be authorized for a term of five years at a rental of \$1."

Yours truly,

JOHN W. KELLER.

New York, June 11, 1901.

Hon. EDGAR J. LEVEY, Secretary, Sinking Fund Commission:

DEAR SIR—I inclose herewith copy of the Corporation Counsel's opinion, dated May the 10th, in regard to the F. & M. Schaeffer Brewing Company's property, East river, between Fifty-first and Fifty-second streets, used as a landing place by this Department; also copy of letter from Ashbel P. Fitch to the Commissioner, dated December 21, 1900, and one dated March 19, 1901; also one from Frederick E. Grant to the Commissioner, dated February 26, 1901, all on the same subject.

These are sent as per the request of some one in your office and should be attached to the letter from Commissioner Keller to the Sinking Fund Commission dated June 7, 1901, asking that the Sinking Fund Commission prepare a lease for the term of five years for this property at a rental of one dollar.

Yours truly,

J. MCKEE BORDEN, Secretary.

LAW DEPARTMENT,

OFFICE OF THE CORPORATION COUNSEL,

New York, April 10, 1901.

Hon. JOHN W. KELLER, Commissioner of Charities:

SIR—I am in receipt of your communication of December 24, 1900, including communication from Ashbel P. Fitch to you, in which you are requested to write a letter to the F. & M. Schaeffer Brewing Company, asking for the use of its property where a landing place is maintained for boats plying to Blackwell's Island. Mr. Fitch claims that said landing is maintained upon the property of the Brewing Company.

You further state that you can find no evidence that the property in question belongs to the Brewing Company; that the matter was brought to the attention of your Department in 1895, but that no conclusion was reached as far as your records show.

Your communication concludes as follows:

"As there seems to be some doubt as to the ownership of the property occupied by this Department as landing place at the foot of East Fifty-second street, I refer the matter to you for advice as to the course to be pursued."

I have caused an investigation to be made.

From such investigation it appears that Fifty-second street was opened to the East river, so that no question arises as to the title to the land within the lines of the street.

The dock upon which the waiting-room is built is situated about midway in the block between Fifty-first and Fifty-second streets, partially upon land under water and partially upon land above high-water mark.

From this dock a gangway is built northward to a platform situated south of the south line of Fifty-second street. From this platform a flight of stairs leads to the foot of a wall across Fifty-second street and another flight of stairs leads to the top of the wall at the foot of the street.

So far, therefore, as the means of communication between the dock and the foot of Fifty-second street is concerned, I am of the opinion so much of the same as lies south of the south line of Fifty-second street is upon private property.

So much of the dock or platform as is above the high-water mark is also upon private property.

I have communicated with the attorney for the Brewing Company, and he has informed me that the company is willing to grant a lease of the premises required at a rent of one dollar.

Under section 217 of the Charter all application to lease real estate for the purpose of The City of New York must be presented to and passed upon by the Commissioners of the Sinking Fund.

The course to be pursued by you, therefore, is to present to the Commissioners of the Sinking Fund a request that a lease of the premises required for the approach to said dock and waiting-room be authorized for a term of five years at a rental of one dollar.

At the same time I would suggest that you present the reasons for making such request.

Yours respectfully,

(Signed) JOHN WHALEN, Corporation Counsel.

In connection therewith the Deputy Comptroller presented the following report and offered the following resolution:

JUNE 17, 1901.

Hon. BIRD S. COLER, Comptroller:

Sir—Hon. John W. Keller, Commissioner of Public Charities, in a communication under date of June 7, 1901, to Commissioners of the Sinking Fund, states:

"Under advice from the Law Department I make formal application hereby for authorization to lease the property between East Fifty-first street and East Fifty-second street, now occupied by the Department of Public Charities and the Department of Correction as a landing place for boats plying to Blackwell's Island, at a rental of \$1 for five years. This property belongs to the F. & M. Schaeffer Brewing Company and has been occupied heretofore free of cost to the City. The F. & M. Schaeffer Brewing Company now insists that the City shall pay for the use of the property in order to protect its rights therein. The proposition is to lease the property to the City for \$1 for a term of five years. I have presented all the facts in the case to the Counsel to the Corporation who in turn has made a personal investigation and rendered an opinion, the final clause of which is as follows:

"The course to be pursued by you, therefore, is to present to the Commissioners of the Sinking Fund a request that a lease of the premises required for the approach to said dock and waiting-room be authorized for a term of five years at a rental of \$1."

Copies of the communications from the attorneys of the F. & M. Schaeffer Brewing Company, and the full opinion of the Corporation Counsel, have been furnished to me, and are inclosed with this report.

I have caused a survey to be made of the property between Fifty-first and Fifty-second streets, on the East river, which is shown on the accompanying sketch, and upon this sketch I have plotted the original high-water line, as shown on the Randel map.

No grants were made by The City of New York for any land under water between East Fifty-first and Fifty-second streets, and in consequence all rights of wharfage, etc., are reserved to The City of New York.

It would, however, appear from this sketch that part of the City's dock has been constructed upon the uplands, not the property of The City of New York, and that in order to reach the dock from Fifty-second street use must be made of private property.

It now appears that the F. & M. Schaeffer Brewing Company, who claim to be the owners of the uplands, object to the continued use of the same by the City, except a formal acknowledgment is made by the City that the uplands so used are private property, and they therefore offer to rent to The City of New York said uplands as now used at the nominal sum of \$1 for a term of five years.

It appears to me that there is no reason why the City should occupy these premises continuously without making acknowledgment of the private ownership, and I would therefore recommend that the lease be authorized for a term of five years from the date of execution, for the sum of \$1, of the following described premises:

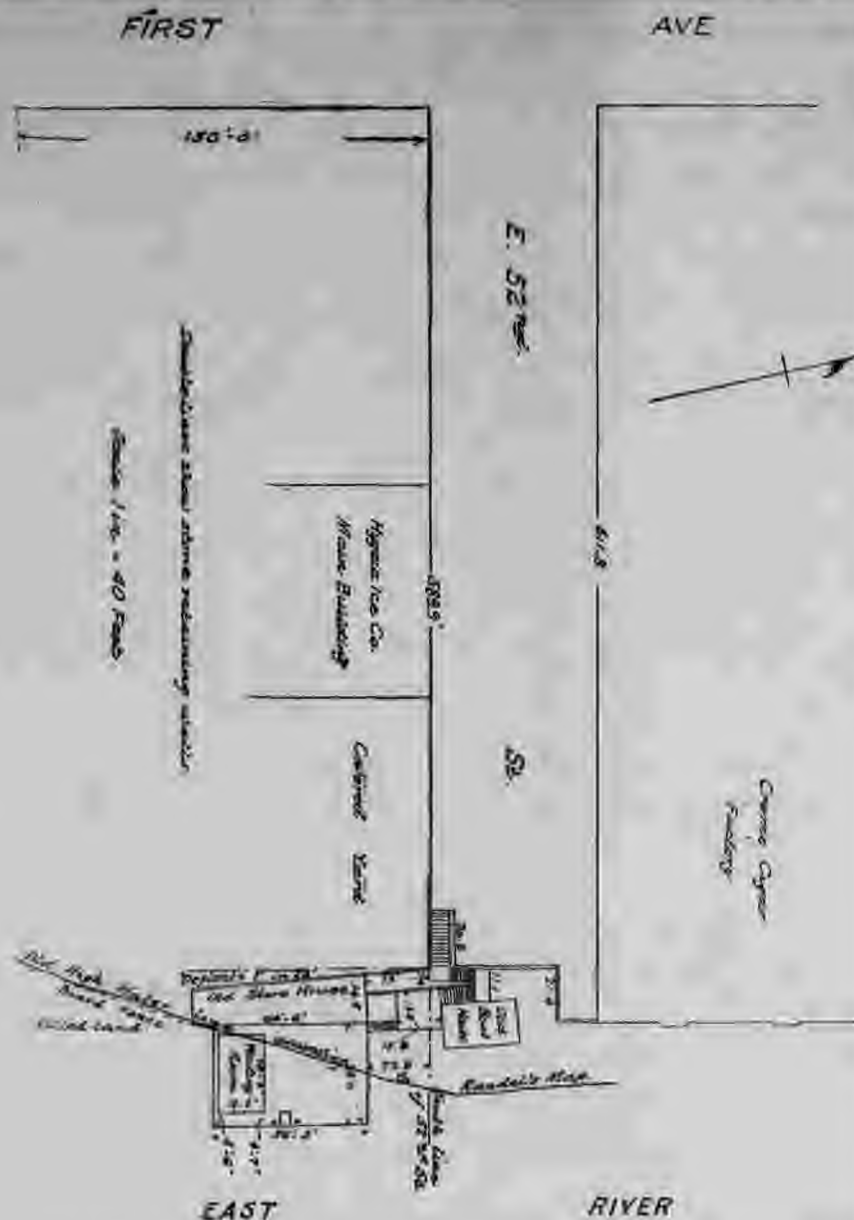

Beginning at a point on the southerly side of East Fifty-second street distant 589.9 feet from the easterly line of First avenue, and thence running easterly along the southerly line of Fifty-second street to its intersection with the original high-water line, as shown on the Randel map; thence southwesterly along the said high-water line to its intersection with an old storehouse, which point is about 77 feet south of the southerly line of Fifty-second street, and about 608 feet easterly from the easterly line of First avenue; thence northerly along the easterly line of the said storehouse, about 62 feet to the northerly side of the said storehouse; and thence westerly along the northerly side of the said storehouse, 14.5 feet to a retaining-wall; thence northerly along the said retaining-wall, 23 feet to East Fifty-second street, the point and place of beginning, be the said several dimensions more or less.

Respectfully,

EUG. E. McLEAN, Engineer.

Approved June 19, 1901.

EDGAR J. LEVEY, Deputy Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City from the F. & M. Schaeffer Brewing Company of the following described property for the use of the Department of Public Charities as a landing place and waiting-room for boats plying between said dock and Blackwell's Island:

"Beginning at a point on the southerly side of East Fifty-second street distant 58.9 feet from the easterly line of First avenue, and thence running easterly along the southerly line of Fifty-second street to its intersection with the original high-water line, as shown on the Randel map; thence southwesterly along the said high-water line to its intersection with an old storehouse, which point is about 77 feet south of the southerly line of Fifty-second street and about 608 feet easterly from the easterly line of First avenue; thence northerly along the easterly line of the said storehouse, about 62 feet to the northerly side of the said storehouse; and thence westerly along the northerly side of the said storehouse 14.5 feet to a retaining-wall; thence northerly along the said retaining-wall 23 feet to East Fifty-second street, the point and place of beginning, be the said several dimensions more or less."

—for a term of five years from the date of execution, at the nominal rent of one dollar (\$1); and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable, and that it would be for the interests of the City that such lease be made, the Comptroller is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted and the resolution unanimously adopted.

The following communication was received from the Chamberlain relative to fees for payment of State taxes:

JUNE 13, 1901.

To the Honorable the Commissioners of the Sinking Fund:

GENTLEMEN—I am directed by the Chamberlain to notify you that the Commission allowed him by the State for the payment over of the State taxes for the County of New York, amounting to five thousand dollars (\$5,000), has been paid by him into the Sinking Fund.

Respectfully,

J. H. CAMPBELL, Deputy Chamberlain.

Which was ordered filed.

The Deputy Comptroller presented the following report of the Engineer of the Department of Finance, and offered the following resolution relative to the sale of the franchises of the Fulton, Wall, Catharine, South and Hamilton Avenue ferries:

JUNE 18, 1901.

Hon. BIRD S. COLE, Comptroller:

SIR—The Department of Docks and Ferries, through the Secretary, William H. Burke, transmits to the Commissioners of the Sinking Fund, for their approval, "a form of advertisement" and terms and conditions of sale of the franchises of the Fulton, Wall, Catharine, South and Hamilton Avenue ferries."

Also a copy of a communication from the Union Ferry Company accepting and approving of the valuation of its property at \$3,229,401.

The form of advertisement submitted is similar in every respect to the one submitted April 25, 1901, which was approved by the Commissioners of the Sinking Fund, except that the upset price is changed from \$88,403.18 to the sum of four and one-half per centum of the gross receipts.

The upset price fixed by resolution of the Commissioners of the Sinking Fund September 8, 1893, was seven and three-quarters per centum of the gross receipts, and is the rate of the present lease.

The upset price of \$88,403.18, fixed by the Board of Docks and Ferries, is eleven and sixty-six hundredths per centum of the gross receipts.

The 4½ per cent, fixed as the upset price would give the estimated amount of \$34,117.86 for the total payment per annum; 3½ per cent. would give \$26,536.12. At the present rate, 7½ per cent. of the gross receipts, the total amount is \$58,758.53 per annum.

In reply to a communication from the Comptroller of June 13, 1901, the Department of Docks, in the inclosed communications, dated June 13 and 17, 1901, gives the rental value of the property used by the Union Ferry Company, in case the ferries were removed and the property used for wharfage purposes, as follows:

Borough of Manhattan.	
Hamilton and South ferries.....	\$12,000 00
Wall Street Ferry.....	5,000 00
Fulton Ferry.....	10,000 00
Catharine Ferry.....	10,000 00
Borough of Brooklyn	\$37,000 00
Total	\$40,210 00
The 4½ per cent. proposed by the Department of Docks and Ferries as the upset price would only yield.....	34,117 86
Being less than the rental value in the sum of.....	\$6,092 14

It would appear to me that this upset price should be at the least the total rental value of the property used.

This sum of \$40,210 would be 5.3-10 per cent. of the estimated gross receipts, and would represent the sum which, in my opinion, should be proposed as the upset price.

But under section 822 of the Charter, this matter of appraisal is left to the Department of Docks and Ferries.

With the exception of this upset price, in my opinion, the Commissioners of the Sinking Fund may properly approve the terms and conditions of the advertisement.

Respectfully,

EUG. E. McLEAN, Engineer.

Resolved, That the Commissioners of the Sinking Fund decline to approve of the terms and conditions of the sale of the franchises of the Fulton, Wall, Catharine, South and Hamilton Avenue ferries, as transmitted by the Department of Docks and Ferries under date of June 4, 1901, on the ground that the upset price fixed thereon is less than the rental which could be obtained for the wharf property of the City if leased for other than ferry purposes, and that if a sale should be made on the terms proposed, not only would the City receive nothing for the franchises for operating the ferries, but would in effect be subsidizing the ferry companies to the extent of the difference between such upset price and the fair market rental of said wharf property; and be it furthermore

Resolved, That in returning this advertisement of sale unapproved to the Department of Docks and Ferries, the Commissioners of the Sinking Fund suggest that new terms and conditions be considered by the Board of Docks on one of the three following bases:

- (1) An upset price of five and three-tenths per cent.
- (2) An upset price of forty thousand two hundred and ten dollars; any competitive bids being made by increasing such amount instead of by percentages of gross receipts; and
- (3) An upset price of one dollar for the franchise privileges, the rental for the wharf property being charged separately at forty thousand two hundred and ten dollars (\$40,210).

The report was accepted and the resolution unanimously adopted.

The Deputy Comptroller presented the following statement and offered the following resolution relative to the refunding of Croton water rents paid in error:

POLICE DEPARTMENT.

NEW YORK, June 13, 1901.

The following proceedings were this day directed by the Police Commissioner:

Whereas, It appears that Charles F. White, appointed Doorman on probation by order of the Commissioner June 6, 1901, was also appointed Patrolman by order of the Commissioner June 4, 1901, his name appearing upon eligible list both for Patrolman and for Doorman,

Ordered, That the appointment of Charles F. White on probation as Doorman in the Police Department of The City of New York be and is hereby revoked.

On reading and filing communication from Second Deputy Commissioner Bernard J. York, dated June 11, 1901, including report from commanding officers of several precincts in Brooklyn as to officers who had performed any act of heroism or meritorious act which would entitle them to be considered in the award of the Brooklyn Police Medal, the following proceedings were had:

Whereas, There was in the year 1897 a fund created by a committee of citizens of the late City of Brooklyn, for the purpose of annually awarding a medal to a member of the Police force of the late City of Brooklyn who is shown to be entitled thereto by reason of heroic or meritorious conduct or action during the year; and

Whereas, A deed of trust was duly executed, wherein and whereby the Mayor of the then City of Brooklyn, the President of the Hamilton Trust Company and the Police Commissioner of Brooklyn were named as a committee to select and determine the member of the Police force entitled to the award of said medal; and

Whereas, The original deed of trust cannot after due diligence be found, and by reason thereof the Commissioner of Police had directed an inquiry to be made as to the conditions contained in said deed, and pursuant thereto the Second Deputy Commissioner of Police having made a report showing the conditions contained in the deed of trust, and that there is now on deposit with the Hamilton Trust Company the principal sum of two thousand eight hundred and sixty-five dollars and six cents, and interest to January 1, 1901, four hundred and twenty dollars and eighty-one cents, making in all the sum of three thousand two hundred and eighty-five dollars and eighty-seven cents;

Now, therefore, for the purpose of settling the present and future status of said fund, it is

Ordered, That a medal be awarded in each calendar year to the member of the Police force performing duty in the Borough of Brooklyn, such member of the force to be selected from among those who shall have performed an heroic or meritorious act, by the majority decision of a committee consisting of the President of the Borough of Brooklyn, the President of the Hamilton Trust Company, Borough of Brooklyn, and the Police Commissioner. That such medal shall be known as the Brooklyn Citizens' Medal for Valor; further

Ordered, That the committee before mentioned be and are authorized and empowered to draw upon the said fund before stated for the sum of money sufficient to pay for such medal in each year.

It is further

Ordered, That the said reports be returned to the Second Deputy Commissioner with the request that the same be submitted to the President of the Borough of Brooklyn and the President of the Hamilton Trust Company, members of the Committee of Award, with the opinion of the Police Commissioner that the case of Roundsmen Michael J. O'Loughlin, Forty-eighth Precinct, is the one most worthy of favorable consideration in awarding the medal.

This officer is proven to have jumped into the frozen river in the month of February, at 2 o'clock A. M. At this hour it was very dark. The officer did not know where he was jumping, but took his chances, and found broken ice where there might have been logs or other material. Hook upon this act, performed at that hour in the morning, as one of the most heroic that could be performed, and unhesitatingly recommend that Roundsmen Michael J. O'Loughlin, Forty-eighth Precinct, be awarded the first medal for his heroic act.

Ordered, That Patrolman John Quinn, First Precinct, be and is hereby promoted to the grade of Roundsmen for heroic and meritorious service in rescuing an attempted suicide named Patrick Murray from drowning on the 10th day of June, 1896, and in having on many occasions risked his life in rescuing persons from drowning in the East river, in several instances being held by the feet by citizens, and in other cases jumping overboard to effect his purpose, as will appear by memoranda filed this day in relation thereto.

The highest bidder will be required to pay the auctioneer's fee and twenty-five per cent. of the amount of the yearly rental bid at the time and place of sale. The amount so paid for one quarter's rent to be forfeited if the successful bidder does not execute the lease for the said premises when notified that it is ready for execution. He will also be required to give a bond in double the amount of the annual rental bid, with two sufficient sureties to be approved by the Comptroller, conditioned for the payment of the rent quarterly, in advance, and for the performance and fulfillment of the covenants and terms of the lease on his part.

The lease will in terms contain the following covenants: That the lessee shall erect upon the said premises substantial buildings, the same to be erected in accordance with and to conform on all respects with the plans as made by Mr. William H. Luby, the architect for the City as per contract made with him by the City of Brooklyn, pursuant to the provisions of chapter 326, Laws of 1897, and which plans were heretofore adopted for buildings to be erected in Wallabout Market; the plans and specifications for said buildings to be submitted to and approved by the Commissioners of the Sinking Fund and the Department of Buildings.

That the lessee covenants and agrees that in the event of his making default in the payment of the rental at the time when the same becomes payable, or in case of his surrender and abandonment of the lease without the written consent of the Comptroller of The City of New York, then and in either of these events the buildings erected on the said premises shall revert to and become the property of The City of New York, without the payment of any compensation by the City to the lessee for the value of the buildings thereon, as hereinafter provided for to be paid upon the termination of the term of the lease or the renewal term thereof.

That the lessee further covenants that the buildings so erected upon the premises leased shall, upon the expiration of the lease, and if renewed upon the expiration of said renewal term, revert to and become the property of The City of New York, upon payment to the lessee or his legal representatives or assigns of the then value of the buildings built as heretofore provided, such value to be fixed, determined and agreed upon by and between the Comptroller of The City of New York and the said lessee, his legal representatives or assigns, not less than four months prior to the expiration of said lease or of the renewal thereof, if renewed, and in the event that no such agreement can be reached by the said Comptroller and the said lessee four months prior to and preceding the expiration of such lease or of the renewal thereof, then such value shall be ascertained by three disinterested Commissioners to be nominated and appointed by a Justice of the Supreme Court on the application of the Comptroller of The City of New York, on ten days' notice of such application to the lessee or lessees of said premises, or their legal representatives or assigns. The finding of the Commissioners appointed as aforesaid as to the value of such building or buildings shall be final and conclusive upon all parties, and the expenses of such Commissioners shall be paid and borne, one-half by the City and one-half by the lessee.

No person will be received as lessee or surety who is a delinquent on any former lease from the Corporation, and no bid will be accepted from any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter as surety or otherwise upon any obligation to the Corporation, as provided by law.

The Comptroller shall have the right to reject any bid if deemed to be for the best interests of The City.

CITY OF NEW YORK—DEPARTMENT OF FINANCE,

THE CITY OF NEW YORK—DEPARTMENT OF FINANCE,
COMPTROLLER'S OFFICE.

By the Holders of the New York Gold Consolidated Stock of the County of New York, payable July 1, 1904.

THE FOLLOWING IS AN EXTRACT FROM the proceedings of the Commissioners of the Sinking Fund at a meeting held Tuesday, February 10, 1904:

The Comptroller presented the following report and accompanying resolution relative to the redemption of six percent Gold Consolidated Stock of the County of New York, maturing July 1, 1904:

CITY OF NEW YORK, DEPARTMENT OF FINANCE,
COMPTROLLER'S OFFICE, February 10, 1904.

To the Commissioners of the Sinking Fund:

RECEIVED—Six per cent Gold Consolidated Stock, amounting to eight millions eight hundred and eighty-five thousand five hundred dollars (\$8,855,000), which was issued by the County of New York prior to its consolidation with the former City of New York, mature on July 1, 1904.

The said stock is all held by the public and is payable from the Sinking Fund for the Redemption of the City Debt (No. 2), under the provisions of section 203 of chapter 378 of the Laws of 1901.

Under an amendment to the Constitution of the State of New York adopted at the general election held in the year 1895, the said stock is exempted from the distributive purposes of section 10 of article VIII of the Constitution, from classification as a City debt.

In view of the present heavy demands upon the City's debt-paying capacity, especially for rapid transit and bridge construction, it is desirable to retain the advantage gained by such exemption. This advantage would be especially lost in the event of said stock if it were to be redeemed out of the Sinking Fund, or if it were refunded by the issue of Corporate Stock of the City of New York.

I therefore propose to extend the maturity of a considerable proportion, if not the whole of such stock, for periods not exceeding twenty years, under the authority conferred upon me by chapter 509 of the Laws of 1904 upon the less obtainable terms for the City.

It is not unlikely, however, that it may prove impossible to extend certain portions of said stock upon advantageous terms, and I therefore recommend that a resolution be adopted authorizing the Comptroller to redeem from the Sinking Fund such portions of said stock.

Respectfully,
(Signed) BIRD S. COLER,
Comptroller.

Whereas, Six per cent Gold Consolidated Stock issued by the County of New York prior to its consolidation with the former City of New York, amounting to eight millions eight hundred and eighty-five thousand five hundred dollars (\$8,855,000), mature on July 1, 1904, and is payable from the Sinking Fund for the Redemption of the City Debt (No. 2) under the provisions of section 203 of chapter 378 of the Laws of 1901;

Whereas, the Comptroller proposes, under the authority of chapter 509 of the Laws of 1904, to extend for periods not exceeding twenty years the maturity of as much of said stock as he may be able to so extend upon terms advantageous to the City; therefore

Resolved, That the Comptroller be, and he is hereby authorized to pay out of the Sinking Fund for the Redemption of the City Debt (No. 2), such portion of the six per cent Gold Consolidated Stock of the County of New York, payable July 1, 1904, as he may be able to extend upon terms deemed by him to be advantageous to the City.

The report was accepted and the resolution unanimously adopted.

For the reasons set forth in the foregoing report to the Commissioners of the Sinking Fund, the Comptroller of the City of New York will avail himself of the provisions of chapter 509 of the Laws of 1904, which reads as follows:

CHAPTER 509.

AN ACT to authorize the extension of the funded indebtedness of the counties of New York, Kings, Queens and Richmond.

AS ENACTED BY THE CITY.

Be it enacted by the City of New York, that the following be the provisions of chapter 509 of the Laws of 1904, to be added to the Charter of the City of New York, in its discretion, to provide for the extension of all or any part of the funded indebtedness of the counties of New York, Kings, Queens and Richmond, as the same may from time to time exist.

Certificates of stock or bonds or extended shall bear interest at a rate not exceeding seven and one-half per cent, per annum, and shall be stamped across their face with the terms of such extension, which shall be for a period not exceeding twenty years.

Sec. 2. This act shall take effect immediately. Proposals will be received by the Comptroller at his office, No. 32, Broadway, New York City, from the holders of six per cent Gold Consolidated Stock of the County of New York, payable July 1, 1904, for extending the maturity of all or any part of the respective portions of such stock held by them to the following dates:

JULY 1, 1907,
JULY 1, 1910,
JULY 1, 1915,
JULY 1, 1920, and
JULY 1, 1925.

Stock so extended will be payable in gold and will bear interest from July 1, 1904, at the rate of seven and three-eighths (7 3/8) per cent, per annum, payable, plus in gold, semi-annually, on the first day of January and of July in each year. The Comptroller proposes to appoint the amount of stock thus extended so that, as nearly as practicable, one-fifth of the whole amount extended shall be redeemable at each of the five maturity dates above mentioned. Preference will, as far as possible, be given to the proposals received according to priority as the dates of their receipt, the proposal first received being entitled to the privilege of the longest extension period, unless such proposal shall indicate a preference for the shorter terms. The stock which is to be extended in accordance with the terms of this circular must be delivered to the Comptroller upon demand, when the certificates will be stamped across their face with the terms of the extension. In accordance with the provisions of chapter 509 of the Laws of 1904, provided, however, that such stock now outstanding in coupon form when presented for extension will be extended in the form of registered stock. Thereafter transfers may be made of such stock on the books of the Corporation in accordance with the general provisions of law and the rules of the Department of Finance in regard thereto. The right to discontinue the offer contained in this circular at any time without further notice is expressly reserved.

Dated New York, June 3, 1904.

BIRD S. COLER, Comptroller.

Each estimate shall be accompanied by the amount, in writing, of two hundred dollars or fresh holders in The City of New York, with their respective places of business or residence, or of a guaranty or surety company duly authorized by law to act as surety, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum in which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting, the amount in such case to be calculated upon the estimated amount of the work by which the bids are tested. The amount above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a household or freeholder in The City of New York, and is worth the amount of the security required for the completion of the contract, as stated in the proposals, over and above all his debts of every nature, and over and above his liabilities as a surety, and otherwise, and that he has offered himself as a surety in good faith, and with an intention to execute the bond required by law. Bidders must state in writing, and also in figures, a price for the whole work complete, which price is to cover the furnishing of all necessary materials and labor and the performance of all the work set forth in the specifications and form of agreement.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per cent of the amount of the security required for the faithful performance of the contract. Such check or money must not be included in the sealed envelope containing the estimate, but must be handed to the office or clerk who has charge of the estimates tax, and no estimate can be deposited to said box until such check or money has been received by said office or clerk and filed to the proper. All such deposits, except that of the successful bidder, will be returned to the person making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited in and retained by The City of New York as liquidated damages for each neglect or refusal, but if he shall execute the contract and give the proper security within the time aforesaid, the amount of his deposit will be returned to him.
