HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)
- Human Resources Administration (HRA)
- Office of the Criminal Justice Coordinator (CJC)

To sign up for training on the new system, and for additional information about HHS Accelerator, including background materials, user guides and video tutorials, please visit www.nyc.gov/hhsaccelerator

Statement of Basis and Purpose of Proposed Rule

The Campaign Finance Board ("CFB" or "the Board") is a nonpartisan, independent City agency that empowers New Yorkers to make a greater impact in elections. The CFB administers the City's campaign finance system and oversees and enforces the regulations related to campaign financing, and holds candidates accountable for using public funds responsibly. The CFB publishes detailed public information about money raised and spent in City elections by candidates and independent spenders, and engages and educates voters through community outreach, the Voter Guide, and the Debate Program.

The CFB is proposing amendments to several of its rules regarding the timing of public funds payments.

The proposed rules are amendments to existing rules to conform to Local Law No. 168 for the year 2016, which provided for early public funds payments. Local Law No. 168 will go into effect on January 1, 2018. Previously, the first public funds payment for a primary election was issued after the Board of Elections concluded its hearings on petition challenges. Pursuant to Local Law No. 168, a limited early payment may be issued four business days after the final day to file a certification for that election.

The Board's authority for these rules is found in Sections 1043 and 1052(a)(8) of the New York City Charter, and Section 3-708 of the New York City Administrative Code.

New material is underlined.
[Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of the Board, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. A new definition in Section 1-02 of Chapter 1 of Title 52 of the rules of the City of New York is added, in alphabetical order, as follows:

"Optional early public funds payment" means the disbursement of optional public financing occurring prior to two weeks after the last day to file designating petitions for a primary election.

§ 2. Subdivision a of Section 2-07 of Chapter 2 of Title 52 of the rules of the City of New York is amended to read as follows:

(a) Public funds eligibility. [A] To be eligible for public funds, a participant must qualify to be on the ballot, and be opposed on the ballot, [to be eligible for public funds] or for the optional early public funds payment, certify that he or she intends to meet all the requirements of law to have his or her name on the ballot for the primary or general election.

§ 3. Subparagraph ii of Paragraph 2 of Subdivision a of Section 5-01 of Chapter 5 of Title 52 of the rules of the City of New York is amended to read as follows:

(ii) Participants seeking additional public funds, pursuant to §3-705(7)(b) of the Code must file a signed statement with the Board pursuant to §3-705(7)(b) no later than the due date for the disclosure statement immediately preceding the public funds payment for which the participant is seeking to receive the additional public funds; provided, however, that participants seeking to receive the additional public funds on the first date payments are made by the Board [for a primary election] after the optional early public funds payment, must file the signed statement with the Board no later than the day before the first date the Board of Elections conducts hearings on any ballot petition filed by any candidate seeking nomination for election in any primary occurring in the same election cycle for which the candidate is seeking nomination for election, without regard to whether such hearings are related to a petition filed by an opponent of the participant.

§ 4. Paragraphs 1 and 2 of Subdivision i of Section 5-01 of Chapter 5 of Title 52 of the rules of the City of New York are amended to read as follows:

(1) Pursuant to §§ 3-709(5) and (6) of the Code: (i) no public funds shall be paid to participants in a primary or general election any earlier than [two weeks after the last day to file designating petitions for such primary election] four business days after the final day to file a written certification for such election pursuant to Paragraph (c) of Subdivision 1 of Section 3-703 of the Code; (ii) no public funds shall be paid to participants in a runoff primary election or general election any earlier than the day after the day of the primary election held to nominate candidates for such election; and (iii) no public funds shall be paid to participants in a runoff special election held to fill a vacancy any earlier than the day after the day of the special election for which such runoff special election is held.

(2) Pursuant to §3-703(1)(a) and (5) of the Code, public funds are not payable to a participant who has not met the legal requirements to have his or her name on the ballot, [or] who is unopposed, or for the optional early public funds payment, who has not certified that he or she intends to meet all the requirements of law to have his or her name on the ballot, [To enable the Board to ascertain whether a candidate has met the legal requirements to be on the ballot and is opposed, the Board shall first make payments in an election after the Board of Elections conducts hearings on the ballot petitions filed in that election except if the Board determines that delays in Board of Elections proceedings or determinations warrant first making payments earlier.]

CITY PLANNING

NOTICE

FORMULATION OF THE PROPOSED 2018 CONSOLIDATED PLAN ONE-YEAR ACTION PLAN

TO ALL INTERESTED AGENCIES, COMMUNITY BOARDS, GROUPS, AND PERSONS:

In accordance with 24 CFR 91.105 of the U.S. Department of Housing and Urban Development (HUD) Consolidated Plan regulations regarding citizen participation, the Department of City Planning, along with the agencies responsible for implementing the City of New York's *Consolidated Plan* have scheduled a:

Public Hearing on the Formulation of the Proposed 2018 Consolidated Plan: One-Year Action Plan.
Thursday, October 26, 2017, 10:30 A.M. to 12:00 P.M.
Spector Hall, Department of City Planning, 22 Reade Street, Manhattan

The *Proposed Consolidated Plan Action Plan* is required by the United States Department of Housing and Urban Development (HUD). It consolidates the statutory requirements of the Cranston-Gonzalez Housing Act's Comprehensive Housing Affordability Strategy, and the City's annual application for the four HUD Office of Community Planning and Development's entitlement programs: Community Development Block Grant (CDBG), HOME Investment Partnership, Emergency Solutions Grant (ESG), and Housing Opportunities for Persons with AIDS (HOPWA).

The Proposed Action Plan serves not only as the City's application for the funds, but also as the HOPWA grant application for the New York HOPWA Eligible Metropolitan Statistical Area (HOPWA EMSA). The HOPWA EMSA is comprised of the five boroughs of the City of New York plus three upstate New York counties (Westchester, Rockland and Orange), as well as three counties in central New Jersey: Middlesex, Monmouth and Ocean, respectively. The County of Westchester administers the HOPWA funds for the cities of Mount Vernon, New Rochelle, and Yonkers which are incorporated within its boundaries.

The Public Hearing has been scheduled to obtain comments on the formulation of the document and on the City's use of Federal funds to address housing, services for the homeless, supportive housing service and community development needs, affirmatively further fair housing, and the development of proposed activities. Another purpose of this session is to answer and discuss questions concerning the *Proposed 2018 Consolidated Plan: One Year Action Plan*. In addition, at this forum, agency representatives will receive comments on the City's performance of Consolidated Plan activities in 2017.

New York City's Federal Fiscal Year (FFY) 2017 Federal allocation is expected to be approximately \$261.3 million from the four HUD

entitlement grant programs (approximately \$150.3 million (CDBG); \$53.3 million (HOME Program); \$13.5 million (ESG); and, \$44.2 million (HOPWA), respectively). However, Congress has yet to pass the FFY 2018 HUD Appropriations Bill. As a result, the actual grant amounts the City will receive for 2018 remain to be determined.

Questions concerning New York City's Consolidated Plan should be sent to Charles V. Sorrentino, the New York City Consolidated Plan Coordinator, at the Department of City Planning, 22 Reade Street 4N, New York, NY 10007, or call (212) 720-3337.

Persons unable to attend the hearing may submit their comments regarding the *Proposed 2018 Consolidated Plan One-Year Action Plan* in a MS Word or Adobe PDF file to: Con-PlanNYC@planning.nyc.gov.

The City of New York:
Bill de Blasio, Mayor

OFFICE OF MANAGEMENT AND BUDGET

■ NOTICE

**OFFICE OF MANAGEMENT AND BUDGET
COMMUNITY DEVELOPMENT BLOCK GRANT
PROGRAM (CD / CDBG)**

NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS

TO ALL INTERESTED AGENCIES, COMMUNITY BOARDS, GROUPS AND PERSONS:

This document constitutes the Notice of Intent to Request Release of Funds for the programs identified below, which are funded in the Forty-Third Community Development Year (CD 43/Calendar Year 2017/ Federal Fiscal Year 2017). On October 23, 2017, the City will submit to HUD its Request for Release of Funds for these projects. In accordance with 24 CFR Part 58.35 of the HUD Environmental Review Procedures for Title I CDBG Programs, the City has determined the activities conducted under these programs to be categorically excluded from the Environmental Assessment requirements of the National Environmental Policy Act. The programs do not involve new construction or the expansion of a building's footprint. This notice is prepared on a programmatic basis. Specific reviews will be conducted as sites are identified for CD funding. This notice is not related to the CDBG - Disaster Recovery Program.

7A PROGRAM

The Department of Housing Preservation and Development (HPD) uses CD funds to address hazardous conditions by correcting code violations and to provide systems renovations through 7A Financial Assistance packages to buildings under the management of a 7A administrator. CD 43 Allocation: \$1,455,000.

ALTERNATIVE ENFORCEMENT PROGRAM (AEP)

AEP is an additional HPD enforcement mechanism that is intended to alleviate the serious physical deterioration of the City's most distressed multiple dwellings. The program forces owners to make effective repairs or have HPD do so in a more comprehensive fashion so that emergency conditions are alleviated and the underlying physical conditions are addressed. As described in the law, HPD will notify an owner that based upon criteria in the law, his or her multiple dwelling has been chosen for participation in AEP. An owner will have four months to repair the violations, pay all outstanding HPD emergency repair charges and liens, submit a current and valid property registration statement and request a re-inspection. If the owner fails to meet all of the requirements for discharge within the first four months, HPD will perform a building-wide inspection and issue an order outlining the necessary actions to address the emergency conditions and the underlying causes of those conditions (to minimize reoccurrence of those conditions). HPD will prepare a scope of work that will address the conditions cited in the order. Should an owner fail to comply with the order, HPD will perform the work. CD 43 Allocation: \$8,841,000.

PROJECT OPEN HOUSE

The Mayor's Office for People with Disabilities uses CD funds to remove architectural barriers from the homes of low- and moderate-income City residents who have mobility impairments. Work may include grab bar installations; main entry components (ramp, chair lift, and door); and kitchen and bathroom modifications. CD 43 Allocation: \$196,000.

NEW YORK CITY HOUSING AUTHORITY (NYCHA) FACADE IMPROVEMENT PROGRAM

NYC Local Law 11, also known as the Façade Inspection Safety Program, requires that all exterior walls and appurtenances of buildings with six or more stories be inspected periodically by a licensed professional. In order to become compliant with Local Law 11, NYCHA will perform construction where necessary that includes, but

is not limited to, repair and replacement of brickwork, bulkheads, water towers, or compactor stack; cracked, bulged, and spalled brickwork; expansion and mortar joints; parapet walls; roof railings; window lintels and sills; concrete coping stones, stucco, and terra-cotta; and caulking around windows. Construction will also include asbestos abatement, waterproofing, and installation of sidewalk sheds and chain link fences. Additionally, various necessary building upkeep work will be done, such as cleaning fire damaged bricks, cleaning and painting lintels, stabilizing bulged masonry panels, pinning of existing brickwork, and relocating and protecting CCTV cameras and equipment. CD 43 Allocation: \$29,708,000 (this will be comprised of FFY '16 and '17 CD funds).

LANDMARKS HISTORIC PRESERVATION GRANT PROGRAM

The Landmarks Preservation Commission provides façade improvement grants to homeowners and nonprofits that own a property that is a designated landmark, is located within a designated historic district, or is listed in or is eligible to be listed in the National Register of Historic Places. Additionally, nonprofits may be awarded grants for interior improvements provided the building has a designated interior. CD 43 Allocation: \$114,000.

CODE VIOLATION REMOVAL IN SCHOOLS

The Department of Education (DOE) uses CD funds to prevent or remove code violations in New York City schools. The activities may include the installation, repair, or replacement of emergency lighting; elevator guards; doors and hardware; panic hardware; fire alarm, suppression, and extinguishing systems; radiator shields; potable water systems; sewage systems; kitchen ventilation/exhaust systems; heating/cooling/refrigeration systems; flame-proof curtains; building and sidewalk elevators; bleachers; retaining walls; interior masonry; damaged flooring and ceilings, electrical fixtures; mandated signage; and lead testing and remediation. To avoid archaeological concerns, playground resurfacing may be performed provided there is no increase in the playground area and no excavation is proposed. CD 43 Allocation: \$16,350,000.

DEPARTMENT OF EDUCATION SCHOOL KITCHEN RENOVATIONS

DOE uses CD funds to partially fund the expansion of the "Breakfast in the Classroom" program to approximately 500 schools with 300,000 students. This will especially benefit children from low- and moderate-income families. DOE will use CD funds purchase refrigerators and freezers to store the food and for facility improvements where necessary. The facility improvements will involve the installation of wiring, electrical outlets, and panel boxes. CD 43 Allocation: \$5,112,000.

DFTA SENIOR CENTER IMPROVEMENTS

CD funds will be used for the renovation of the physical plant and the rectification of code violations in senior centers. Activities may include plumbing upgrades; installation of lighting and emergency lighting systems, security systems, air conditioning/heating/ventilation systems, kitchen fire extinguishing systems, hot water heaters, fire doors, and ramps; window upgrade/replacement; ceiling and roof rehabilitation; kitchen upgrade; bathroom renovation; re-wiring; floor replacement; handicapped access; and security and elevator improvements. CD 43 Allocation: \$1,920,000.

GREENTHUMB

Established in 1978, GreenThumb remains the nation's largest urban gardening program, assisting over 550 neighborhood groups in the creation, maintenance, and enhancement of both community and school gardens aimed at increasing civic participation and encouraging neighborhood revitalization through collective stewardship. Administered by the Department of Parks and Recreation, GreenThumb provides education and technical support/assistance and manages the license agreements for all community gardens located on City property. Other assistance to gardens in low- and moderate-income areas includes providing lumber, mulch, soil, compost and supplies; removing and planting trees and shrubs; grading/leveling sites; installing fencing, rainwater systems, sidewalks, gravel pathways, gazebos, greenhouses and sheds; and constructing retaining walls.

GreenThumb also provides outreach, education, and technical support to registered Grow to Learn school gardens that primarily benefit students from low- and moderate-income households throughout New York City. Technical support is provided in the form of on-site technical assistance with larger projects such as erecting garden structures, as well as deliveries of lumber, mulch, soil, and compost to schools that request these materials at appropriate workshops.

READER'S GUIDE

The City Record (CR) is published each business day. The Procurement section of the City Record is comprised of notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Notice of solicitations and other notices for most procurement methods valued at or above \$100,000 for goods, services, and construction must be published once in the City Record, among other requirements. Other procurement methods authorized by law, such as sole source procurements, require notice in the City Record for five consecutive editions. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these

entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards, and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
