Enclosed bicycle parking spaces

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

In all districts, as indicated, enclosed #accessory# bicycle parking spaces shall be provided for at least that amount specified for the applicable #use# set forth in the table below.

For the purposes of calculating the number of required bicycle parking spaces, any fraction of a space 50 percent or greater shall be counted as an additional space. For #residences#, the #accessory# bicycle parking requirement shall be calculated separately for separate #buildings# or #building segments#.

Where any #building# or #zoning lot# contains two or more #uses# having different bicycle parking requirements as set forth in the following table, the bicycle parking requirements for each type of #use# shall apply to the extent of that #use#.

Where an enclosed #accessory group parking facility# is provided, the required number of bicycle parking spaces for the #use# to which such facility is #accessory# shall be the amount set forth for such #use# in the table below, or one for every 10 automobile parking spaces that are enclosed within a #building# or other structure# or located on the roof of a #building#, whichever will require a greater number of bicycle parking spaces.

REQUIRED BICYCLE PARKING SPACES FOR RESIDENTIAL OR COMMUNITY FACILITY USES

Table with 2 columns: Type of #Use#, Bicycle Parking Spaces Required in Relation to Specified Unit of Measurement. Rows include FOR RESIDENTIAL USES (Use Group 1, Use Group 2), FOR COMMUNITY FACILITY USES* (College or #school# student dormitories, Colleges, universities, seminaries, Theaters, auditoriums, Libraries, museums, Monasteries, convents, All other Use Group 3 and Use Group 4).

* #Non-profit hospital staff dwellings# shall be subject to the requirements for Use Group 2 #residential uses#.

** Up to half of these spaces may be provided as unenclosed bicycle parking spaces pursuant to the requirements of Section 25-83 (Restrictions on Operation, Size and Location of Enclosed Bicycle Parking Spaces).

However, the bicycle parking requirements set forth in the above table shall be waived for bicycle parking spaces that are #accessory# to:

(a) #residential buildings# or #residential building segments# containing 10 #dwelling units# or less;

Authorization for Reduction of Spaces

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

In all districts, as indicated, the City Planning Commission may authorize a reduction in the number of required bicycle parking spaces set forth in Section 25-811 (Enclosed bicycle parking spaces), or a waiver of all such spaces, upon finding there are subsurface conditions, below-ground infrastructure or other site planning constraints that would make accommodating such bicycle parking spaces infeasible. The Commission may request reports from licensed engineers or registered architects in considering such reduction.

25-83

Restrictions on Operation, Size and Location of Enclosed Bicycle Parking Spaces

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

R1 R2 R3 R4 R5 R6 R7 R8 R9 R10

In all districts, as indicated, space provided for enclosed #accessory# bicycle parking spaces pursuant to the standards

of this section shall be excluded from the definition of #floor area#, provided that:

- (a) the space excluded from #floor area# does not exceed an amount equal to 15 square feet multiplied by the number of required spaces, or if spaces are waived pursuant to paragraphs (a), (b), (c) or (d) of Section 25-811 (Enclosed bicycle parking spaces), the number that would have been required but for the waiver; and
(b) the #accessory# bicycle parking spaces provided meet the standards for required bicycle parking of Section 25-83 (Restrictions on Operation, Size and Location of Enclosed Bicycle Parking Spaces). In all districts, as indicated, all #accessory# bicycle parking spaces shall be provided on the same #zoning lot# as the #building# or #use# to which such spaces are #accessory#, except as provided in Section 36-74 (Certification for Off-Site Bicycle Parking Spaces).

Name, Description, and Location of Proposal:

North Flushing Rezoning

The proposal involves an application by the Department of City Planning to rezone all or portions of 257 blocks in the North Flushing and Beechhurst neighborhoods in Queens, Community Districts 7 and 11. The proposed rezoning area is generally bounded by Union Street to the west; the Clearview Expressway and Francis Lewis Boulevard to the east; 25th Avenue to the north; and Northern Boulevard and Depot Road to the south. A small portion of the rezoning area is located north of Powell's Cove Boulevard on the east side of 159th Street, in Beechhurst, to the north of North Flushing.

The proposed action consists of a zoning map amendment and a zoning text amendment. The zoning map amendment would change the existing zoning in the area from R1-2, R2, R3X, R3-2, R4, R4-1, R5, and R6 to R1-2A (a newly created district, as described below), R2A, R2, R3X, R3-1, R3-2, R4, R4A, R4-1, R4B, R5B, and R5D. In addition, existing C1-3 commercial overlays mapped to a depth of 100 feet rather than 150 feet, will replace C1-2 commercial overlays, or be mapped on one block where no overlays currently exist. The proposed text amendment would establish a new R1-2A district, a single-family detached residence district. The proposed R1-2A district regulations would require the same single-family detached housing type as currently required under R1-2 district regulations, but with revised floor area exemptions, front yard setbacks, lot coverage, and height regulations.

The proposed action is intended to preserve the established low-density character of North Flushing and Beechhurst and to encourage future residential development that would reinforce the existing patterns of one- and two-family, detached, semi-detached, and attached housing. The proposed changes to commercial overlay districts are intended to prevent commercial intrusion into residential blocks and better reflect the location of existing commercial uses.

As a result of the proposed rezoning, 2 two-family houses could be constructed, on two sites in areas proposed to be rezoned from R2 to R3X. Absent the proposed rezoning these sites which are developed with 2 single-family houses would remain in their current use.

The proposed R1-2A district is intended for low-density areas characterized by single-family detached houses built on large zoning lots. It is possible that the proposed R1-2A district will

be mapped in such areas in the near future.

Statement of No Significant Effect:

The Environmental Assessment and Review Division of the Department of City Planning, on behalf of the City Planning Commission, have completed its technical review of the Environmental Assessment Statement, dated January 15, 2009, prepared in connection with the ULURP Application (090281 ZMQ/ N090282 ZRY). The City Planning Commission has determined that the proposed action will have no significant effect on the quality of the environment.

Supporting Statement:

The above determination is based on an environmental assessment which finds that no significant adverse effects on the environment which would require an Environmental Impact Statement are foreseeable.

This Negative Declaration has been prepared in accordance with Article 8 of the Environmental Conservation Law 6NYCRR part 617.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists-free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:

Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application. If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.
