SEC. 3. It shall be the duty of said commissioners, after having viewed the premises, to lay out and determine upon an area of assessment embracing the lands and premises on each side of said improvement, or as nearly adjacent thereto as said commissioners may deem to be benefited thereby, to cause a map of the same to be made showing the limits of said area of assessment, the names of the parties owning or in possession of the lands within the same, so far as the same can be ascertained, and the quantity of land belonging to such owner, and the quantity belonging to such unknown owners whose names cannot be ascertained, and the location of the same on said map as nearly as they can ascertain the same, and to make a just and equitable assessment of the value of the benefit and advantage of such improvement to the respective owners, persons or parties in interest, entitled to or interested in the said respective lands and premises within said area of assessment, in proportion as nearly as may be to the advantage which each shall be deemed to acquire thereby, and in each and every case where the owners or parties in interest, or their respective estates and interests, are not known or are not fully known to the said commissioners, it shall be sufficient for them to assess and set forth in general terms the respective sums to be paid by the owners and proprietors generally of said lands and premises and parties interested therein, and to report the same to the supreme court without any unnecessary delay. An abstract of the assessment of said commissioners, containing the names of the owners of the parcels of land, so far as the same can be ascertained, the numbers and description of such parcels as they appear upon said map, together with such map, the amount of assessments made against each owner or party in interest, and also all affidavits, estimates and other documents which were used by said commissioners in making their said report, shall be deposited in the clerk's office of the city and county of New York, for the inspection of whomsoever it may concern, for at least thirty days before said commissioners make their report to said court. SEC. 4. Any person or party whose rights may be affected by the said assessment, and who shall object to the same or any part thereof, may, within ten days after the first publication of the said notice, state his, her or their objections to the same in writing to the said commissioners, which statements shall not be received by them unless verified by his, her or their affidavits, or the affidavits of other persons; and it shall be the duty of the said commissioners, in all cases, to transmit to said court, together with their said report, all the written statements and affidavits which may have been served upon them within the time aforesaid. And at the expiration of the said ten days, it shall be the duty of the said commissioners to give at least ten days' notice, by publication as aforesaid, of a time and place when and where any person or persons, who may consider themselves aggrieved by such assessment, shall be heard in opposition to the same; and the said commissioners shall have power to adjourn from time to time, within the space of ten judicial days, until such person or persons are fully heard. Said commissioners, or such of them as shall make such assessment, in case any objections be made to them and stated in writing, and verified as aforesaid, shall reconsider their said assessment, or the part or parts thereof so objected to, and in case the same shall appear to them to require correction, but not otherwise, they shall and may correct the same accordingly.

SEC. 5. Upon the coming in of said report, signed by said commissioners or any two of them, the said court, at a special term thereof, shall, after hearing any matter which may be alleged against the same, either confirm the said report or refer the same to the same commissioners for revision and correction, or to new commissioners to be appointed by said court to reconsider the subject-matter thereof, and the commissioners, to whom said report shall be so referred, shall return the same report corrected and revised, or a new report to be made by them in the premises, to the said court, and the same, on being so returned, shall be confirmed or again referred by the said court in manner aforesaid as right and justice shall require, and so from time to time until a report shall be made in the premises which the said court shall confirm, and such report, when made, shall be final and conclusive upon the owners, persons or parties in interest and entitled to any lands and premises mentioned in said report, and also, upon all other persons and parties whatsoever; and the several assessments thereby confirmed shall thereupon become a lien upon the several lands and premises so as aforesaid severally assessed, to the extent of the amount so assessed upon each parcel set forth in said report within said area of assessment.

SEC. 6. The sums assessed for benefit as the same shall appear by the report of assessment so as aforesaid confirmed, shall be paid by the parties against whom the same are assessed, to the comptroller of the city of New York, who is hereby authorized to receive and apply the same in the manner hereinafter directed. After the confirmation of said report, the said comptroller shall forthwith cause a notice to be published for twenty days, in three of the public newspapers issued in said city of New York, of the confirmation of said report, that the assessments therein made are to be paid at his office within thirty days from the date of the confirmation of said report, without interest, and that if the same are not paid within ninety days from such confirmation, the proceedings provided for by this act will be taken for the enforcement and collection of the same, with interest thereon at the rate of eight per centum after thirty days from such confirmation. Said assessments may be paid to the said comptroller at any time after the confirmation of the said report of assessment, and within thirty days thereafter without interest. And if not paid within thirty days thereafter, interest at the rate of eight per centum per annum shall accrue and be paid upon the same until the same are paid; and as to all such assessments as shall not be paid within ninety days from the time said report of assessment is confirmed, the said comptroller is hereby authorized and directed, immediately upon the expiration of said ninety days, to issue his warrant for the collection of such unpaid assessments. Such warrant shall be signed by the said comptroller, and directed to the sheriff of the city and county of New York. It shall contain the names of all the persons and parties assessed, who have not paid the sums assessed against them by said report of assessment, the amounts due from such persons and parties respectively; the number and description of the parcels of lands and premises assessed for benefit, owned by such persons or parties respectively, and the amounts due from unknown owners, if any, with the number and description of all parcels assessed to such unknown owners, as set forth in said report of assessment and the map filed therewith. If any such persons or parties shall be the owners of, or interested in, any of the lands and premises taken for such improvement, to whom an award for compensation shall have been made in said report of assessment as confirmed, the amount awarded for such compensation shall be deducted from the amount assessed for benefit, and the excess only shall be the sum inserted in said warrant as the sum to be collected from such persons or parties. Said warrant shall command the sheriff to collect from the persons and parties named in said warrant, the sum or sums due from them respectively, with interest at the rate of eight per centum per annum from and after the expiration of thirty days from the date of the confirmation of said report of assessment, pursuant to the provisions and under the authority of this act, and to return the same with the moneys collected thereon, to said comptroller within the period of sixty days from the date thereof. The said comptroller is hereby authorized to renew said warrant after the expiration of said sixty days, from time to time, until the whole amount due for said assessments shall be collected.

SEC. 7. The sheriff of the city and county of New York shall thereupon, by virtue of said warrant and the authority hereby given, collect the several amounts so directed to be

collected from the several persons or parties named therein, and from the several lands and premises numbered and described therein as belonging to such persons or parties, and he shall have the same power to enforce the collection of the same or any renewal thereof as if said warrant or any renewal thereof were an execution issued in due form of law, upon a judgment of a court of record of this state, against the persons and parties named therein, as against the several parcels of land and premises numbered and described in said warrant. If any of the parcels numbered and described in said warrant shall be assessed to unknown owners, and the amount so assessed shall not be paid to said sheriff within twenty days after said warrant shall have come into his hands, said sheriff is hereby authorized and directed immediately after the expiration of said twenty days to advertise the several parcels so assessed to unknown owners in the same manner and for the same period of time as in the case of known owners, except that for the name or names of the persons or parties as set forth in the notice of sale and other proceedings subsequent thereto, taken by him, the description of "unknown owners" may be inserted therein.

Sec. 8. From the moneys so collected by said comptroller, he shall pay all sums which have been awarded to the persons and parties as owners, or interested in the lands and premises taken or to be taken for the purpose of said improvement, as the same shall appear by the report of the commissioners of estimate, made in pursuance of the provisions of the acts hereby amended, and as amended, when confirmed, and the expenses, charges and disbursements of the proceedings taken under said acts and under the same as hereby amended as taxed and certified by a justice of the supreme court; and whenever it shall appear by the report of the commissioners of estimate, as provided in the acts hereby amended, and as hereby amended, and by the report of the commissioners of assessments as provided by this act, that an award for compensation for the lands taken or to be taken for the purposes of said improvement, has been made to the same owners or parties in interest upon whom and upon whose lands and premises an assessment for benefit has been made in which the award for compensation is greater than the assessment for benefit, said comptroller shall pay to the said owners or parties in interest the excess only of such compensation so awarded over the amount assessed upon such owners or parties in interest; and whenever an assessment for benefit upon the owners or parties in interest of lands and premises within said area of assessment is made against the same owners or parties in interest, to whom compensation is awarded, for lands and premises taken or to be taken, for said improvement, and such assessment for benefit exceeds such award for compensation, such owners or parties in interest shall be liable only to pay such excess; and upon receipt of the amount of such excess with interest, as above provided, said comptroller is hereby authorized and required to discharge such assessment and the lien created thereby.

Sec. 9. Such of the provisions of chapter one hundred and forty-seven of the laws of eighteen hundred and seventy-six, and chapter three hundred and forty-five of the laws of eighteen hundred and seventy-nine, as are inconsistent with the provisions of this act are hereby repealed, except that this act shall not affect any proceedings heretofore taken under the acts hereby amended, but the court in which said proceedings may be pending may amend the same or any orders heretofore made therein, so as to make the same conform with the provisions of this act. In case there shall be received by said comptroller under this act, from said assessments and interest thereon, a greater sum than will be required to pay the several amounts hereinbefore directed to be paid from the same, the several persons and parties in interest who have paid such assessments shall be entitled to receive from said comptroller the proportion of said surplus which the sums so paid by them bear to the whole amount of said surplus.

## JURORS.

### NOTICE IN RELATION TO JURORS FOR STATE COURTS

OFFICE OF THE COMMISSIONER OF JURORS,  
NEW COUNTY COURT-HOUSE,  
NEW YORK, June 1, 1879.

APPLICATIONS FOR EXEMPTIONS WILL BE  
heard here, from 9 to 4 daily, from all persons hitherto  
liable or recently serving who have become exempt, and  
all needed information will be given.  
Those who have not answered as to their liability, or  
proved permanent exemption, will receive a "jury enroll-  
ment notice," requiring them to appear before me this  
year. Whether liable or not, such notices must be an-  
swered (in person, if possible, and at this office only) under  
severe penalties. If exempt, the party must bring proof of  
exemption; if liable, he must also answer in person, giving  
full and correct name, residence, etc., etc. No attention  
paid to letters.

Persons "enrolled" as liable must serve when called  
or pay their fines. No mere excuse will be allowed or  
interference permitted. The fines, received from those  
who, for business or other reasons, are unable to serve at  
the time selected, pay the expenses of this office, and if  
unpaid will be entered as judgments upon the property of  
the delinquents.

All good citizens will aid the course of justice, and  
secure reliable and respectable juries, and equalize their  
duty by serving promptly when summoned, allowing their  
clerks or subordinates to serve, reporting to me any attempt  
at bribery or evasion, and suggesting names for enrollment.  
Persons between sixty and seventy years of age, summer  
absentees, persons temporarily ill, and United States and  
District Court jurors are not exempt. It is a misde-  
meanor to give any jury paper to another to answer.  
It is also punishable by fine or imprisonment to give or  
receive any present or bribe, directly or indirectly, in re-  
lation to a jury service, or to withhold any paper or make  
any false statement, and every case will be fully prose-  
cuted.

## GAS COMMISSION.

DEPARTMENT OF PUBLIC WORKS,  
COMMISSIONER'S OFFICE, ROOM 19, CITY HALL,  
NEW YORK, March 30, 1880.

### PROPOSALS FOR LIGHTING THE PUBLIC LAMPS.

PROPOSALS FOR FURNISHING THE GAS OR  
other illuminating material for, and Lighting, Ex-  
tinguishing, Cleaning, Repairing, and Maintaining the  
Public Lamps (and supplying Gas, etc., for new lamps  
when required) on the Streets, Avenues, Piers, Parks, and  
places in the City of New York, under the care and charge  
of the Department of Public Works, excepting the Twenty-  
third Ward, and that portion of the Twenty-fourth Ward,  
formerly known as the Town of West Farms, for the period  
of one year, commencing May 1st, 1880, and ending April  
30th, 1881, both days inclusive.

Proposals for the above, made in accordance with Sec.  
73, Chap. 335, Laws of 1873, and Chap. 478 of the Laws  
of 1879, and the Revised Ordinances of the City of New  
York, Chap. 8, Article 2, and enclosed in a sealed en-  
velope, endorsed, "Proposals for furnishing the illuminating  
material for, and lighting and extinguishing, cleaning, re-  
pairing, and maintaining the public lamps," with the name  
of the party making the same written thereon, will be  
received at the office of the Commissioner of Public Works,  
until 12 o'clock M. of Saturday, April 10, 1880, at which  
place and hour they will be publicly opened by said Com-  
missioner and read.

Bidders are required to state in their proposals their  
names and places of residence; the names of all persons  
interested with them, and if no other person be so inter-  
ested, they shall distinctly state the fact; also, that it is  
made without any connection with any other person making  
any estimate for the same supplies and work; and that it is  
in all respects fair, and without collusion or fraud; and  
also, that no member of the Common Council, Head of a  
Department, Chief of a Bureau, Deputy thereof, or Clerk  
therein, or other officer of the Corporation, is directly or  
indirectly interested therein, or in the supplies or work to  
which it relates, or in any portion of the profits thereof;  
which proposals must be verified by the oath, in writing, of  
the party making the estimate, that the several matters  
stated therein are in all respects true; where more than  
one person is interested, it is requisite that the verification  
be made and subscribed by all the parties interested.

Each proposal shall be accompanied by the consent, in  
writing, of two householders or freeholders of the City of  
New York, with their respective places of business or  
residence, to the effect that if the contract be awarded to  
the person or persons making the bid or proposal, they  
will, on its being so awarded, become bound as his or  
their sureties for its faithful performance; and that if he or  
they shall omit or refuse to execute the same, they will pay  
to the Corporation any difference between the sum to  
which he or they would be entitled upon its completion,  
and that which the Corporation may be obliged to pay to  
the person to whom the contract may be awarded at any  
subsequent letting; the amount in each case to be calcu-  
lated upon the estimated amount of the work by which  
the bids are tested. The consent above mentioned shall  
be accompanied by the oath or affirmation, in writing, of  
each of the persons signing the same, that he is a house-  
holder or freeholder in the City of New York, and is worth  
the amount of security required for the completion of the  
contract, and stated in the proposals, over and above all  
his debts of every nature, and over and above his liabilities  
as bail, surety, and otherwise; that he has offered himself  
as a surety in good faith, and with an intention to execute  
the bond required by Section 27, Article 2, Chapter 8, of  
the Revised Ordinances of the City of New York, if the  
contract shall be awarded to the person or persons for  
whom he consents to become surety. The adequacy and  
sufficiency of the sureties offered to be determined by the  
Comptroller.

Bidders are required to state in their proposals the  
several streets or parts of streets in which they propose to  
perform the requirements herein contained, and also the  
illuminating or candle-power of the gas they propose to  
furnish, when tested at a distance of not less than one  
mile from the place of manufacture, and bidders proposing  
to furnish any illuminating material other than illuminating  
or coal gas, must state distinctly what kind of material  
they propose to furnish, and the illuminating power of the  
burner they propose to use for the same.

Bidders are also required to state the price for which  
they will furnish the gas (of not less than sixteen-candle  
power by photometrical test, at a distance of not less than  
one mile from the place of manufacture) or other illuminat-  
ing material for each lamp, including the lighting, ex-  
tinguishing, cleaning, repairing, reglazing, and painting  
lamp-posts and lanterns, and replacing the cocks, tubes,  
burners, cross heads, lamp irons, and lanterns thereto,  
for the period from May 1st, 1880, to April 30th, 1881, both  
days inclusive, stating the price, for the above named  
period of one year, for each lamp.

Bidders are also required to state a price for which they  
will repair lamp-posts, including straightening and relead-  
ing, and for each new lamp fitted up, as follows:

For each lamppost straightened, stating the price per  
post.

For each column releaded, stating the price per post.

For each column refitted, stating the price per post.

For each lamppost removed, stating the price per post.

For each lamppost reset, stating the price per post.

For each new lamp fitted up, stating the price per post.

The bidders are required to write out the amount of their  
bids in their estimates, in addition to inserting the same in  
figures.

The number of public lamps to be contracted for is about  
20,000.

The burners for illuminating gas are to be of a capacity  
to burn three cubic feet of gas per hour under a pressure  
of one inch, and in case the illuminating material shall be  
other than illuminating gas, then the burners to be used  
for such illuminating material shall give a light (by pho-  
tometrical test) equal to the light given by the gas-burners  
in use in the public lamps in the City of New York.

Should any alteration or any attachment be required to  
any portion of the lamps for which proposals are made in  
consequence of the use of illuminating material other than  
gas, then such alteration shall be done and such attach-  
ment placed on the lamps without expense to the city.

The number of hours the lamps are to be kept burning  
during the contract is 4,000.

The amount of security required is \$60,000 on all con-  
tracts which will amount to \$100,000 or more; and on  
smaller contracts the security shall be sixty per cent. of  
the total amount of the bid.

The award of the contract will be made as soon as prac-  
ticable after the opening of the bids.

Should the person or persons to whom the contract is so  
awarded neglect or refuse to accept to contract within  
forty-eight hours after written notice that the same has  
been awarded to his bid or proposal, or if he accept, but  
does not execute the contract and give the proper security,  
it may be readvertised and relet as provided by law and  
ordinance.

Bidders are informed that no deviation from the speci-  
fications will be allowed, unless a written permission shall  
have been previously obtained from the Mayor, Compt-  
roller, and Commissioner of Public Works.

The right is reserved to assign and designate to any  
bidder, whose bid shall be accepted, the number and loca-  
tion of the lamps to be lighted by such bidder, in any  
portion of the city for which proposals are received, and to  
increase or diminish such number.

The right is reserved to determine and designate, after  
the proposals are opened, what illuminating material shall  
be used in the public lamps, or any number of them, dur-  
ing the period before mentioned; also to decline any or all  
proposals if deemed for the interests of the Corporation,  
and no proposal will be accepted from or contract awarded  
to any person who is in arrears to the Corporation, upon  
debt or contract, or who is a defaulter, as security or  
otherwise, upon any obligation to the Corporation.

If the proposal of any bidder proposing to furnish  
illuminating gas shall include any lamps with which the  
pipes or mains of such bidder are not connected at the  
time of the making of the bid, and a contract for furnish-  
ing the gas for and lighting, extinguishing, cleaning, re-  
pairing, and maintaining any such lamps shall be  
awarded to such bidder, in that case, thirty days from  
the date of the execution of such contract and such further  
time, not exceeding thirty days, as may be deemed reason-  
able by the Commissioner of Public Works, shall be  
allowed to such bidder in which to connect such pipes or  
mains with such lamps.

But no payment to such bidder, on account of any such  
lamps, will be made for the time so allowed, nor until the  
same shall have been connected with the mains of such  
bidder, nor except for the time during which all the require-  
ments herein mentioned shall have been fully performed.

Blank forms of proposals can be obtained on application  
at the office of the Commissioner of Public Works.

## TERMS AND CONDITIONS OF THE SALE.

The Department will make, prior to the commence-  
ment of the term of lease in each case, such repairs to  
any of the above-named premises, in the judgment of the  
Commissioners, needing them, as they may consider neces-  
sary to place the premises in suitable condition for  
service during the terms for which leases are to be sold,  
except that no repairs will be made to any of the above-  
named premises where it is stated that they will not be  
repaired by the Department; but all the premises must  
be taken in the condition in which they may be on  
the date of commencement of said terms, respectively;  
and no claim that the property is not in suitable condition  
at the commencement of the lease, will be allowed by  
the Department; and all repairs and rebuilding required  
and necessary, during the terms leased, are to be done at  
the expense and cost of the lessees.

Purchasers will be allowed three months, from date of  
commencement of their leases, in which to notify the De-  
partment that dredging is required at the premises leased;  
and the Commissioners guarantee to do all possible dredg-  
ing, as soon after being notified of the necessity therefor,  
as the work of the Department will permit, except that no  
dredging will be done at any of the above-named premises  
where it is stated that they will not be dredged by the De-  
partment; but in no case will the Department dredge  
where a depth of ten feet at mean low water already exists,  
nor after that depth shall have been obtained by dredg-  
ing; and no claim will be received or considered by the  
Department, for loss of wharfage or otherwise, consequent  
upon any delay in doing the work of such dredging, or  
consequent upon the premises being occupied for dredging  
purposes. All dredging required at any of the above  
premises, of which the purchaser of the lease therefor  
shall neglect or omit to notify the Department during the  
first three months of the term of the lease, and all dredg-  
ing necessary during the remainder of such term, is to be  
done at the expense and cost of the lessee.

The up-set price for each of the above-named premises  
will be fixed by the Department of Docks, and announced  
by the auctioneer at the time of the sale.

Each purchaser of a lease will be required, at the time  
of the sale, and in addition to the auctioneer's fees, to pay  
to the Department of Docks twenty-five per cent. of the  
amount of annual rent bid, as security for the execution  
of the lease, and which twenty-five per cent. will be  
applied to the payment of the rent first accruing under  
the lease, when executed, or forfeited if the purchaser  
neglects or refuses to execute the lease and bond within  
five days after being duly notified that the lease is pre-  
pared and ready for signature. The Commissioners  
reserve the right to resell the leases bid off for those failing  
to comply with these terms; the party so failing to be  
liable for any deficiency which may result from such  
resale.

Lessees will be required to pay their rent quarterly, in  
advance, in compliance with a stipulation therefor in the  
form of lease adopted by the Department.

Two sureties, each a freeholder and householder in the  
City of New York, and to be approved by the Commis-  
sioners of Docks, will be required, under each lease, to  
enter into a bond jointly with the lessee in the sum of an  
amount double the annual rent for the faithful per-  
formance of all the covenants of the lease; and each pur-  
chaser will be required to submit, at the time of the sale,  
the names and address of his proposed sureties.

Each purchaser will be required to agree that he will,  
upon being notified so to do, execute a lease prepared  
upon the printed form adopted by the Department, which  
can be seen upon application to the Secretary, at the  
office, 119 Duane street.

No person will be received as lessee or surety who is  
delinquent on any former lease from the Corporation; and  
no bid will be accepted from any person who is in arrears  
to the Corporation upon debt or contract, or who is a de-  
fault, as surety or otherwise, upon any obligation to the  
Corporation.
