PROCUREMENT

“Compete To Win” More Contracts!

Thanks to a new City initiative - “Compete To Win” - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and Women-Owned Businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- Win More Contracts, at nyc.gov/competetowin

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy

by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)

- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)
- Human Resources Administration (HRA)
- Office of the Criminal Justice Coordinator (CJC)

To sign up for training on the new system, and for additional information about HHS Accelerator, including background materials, user guides and video tutorials, please visit www.nyc.gov/hhsaccelerator

Statement of Basis and Purpose of Proposed Rule

A Stoop Line Stand license is required when an existing business sells fruits, vegetables, soft drinks, flowers, confectionery, or ice cream from a stand outside of and directly adjacent to its existing retail establishment. The Department of Consumer Affairs ("DCA" or "Department") is proposing amendments to the rules governing stoop line stands. These amendments will make it easier to understand how a business can comply with the rules.

Specifically, the proposed rules:

- Clarify how stoop line stands must be constructed. The current language, which uses both "fence" and "partition," has created confusion for businesses and at administrative hearings. The proposed rule would use only the term "partition." In addition, the proposed amendment would use language that is easier to understand and better reflects the construction of commonly used stands.
Clarify that stoop line stands may not contain partitions extending to the roof or awning above the stand and that all items must be displayed on a valid stand. These changes will provide better notice to businesses about stoop line stand obligations.
Make explicit that a stoop line stand may not be used for preparation of any articles sold at the stand, including the packaging of fruit salad or the blending of smoothies or juices.
Require that a stoop line stand license be held by the same entity that appears on the certificate of authority for the adjacent store, as required by the Administrative Code. This proposed subdivision will allow the Department to ensure that stoop line stands are owned and operated by the adjacent store.
Change "sidewalk stands" to "stoop line stands" for uniformity with the Administrative Code.

Sections 1043 and 2203(f) of the New York City Charter, and Sections 20-104(b) and 20-233 of the New York City Administrative Code authorize the Department of Consumer Affairs to make these proposed rules.

New material is underlined. [Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Proposed Rule Amendments

Section 1. Part 2 of subchapter G of chapter 2 of title 6 of the Rules of the City of New York is amended to read as follows:

§ 2-70.2 Physical Characteristics, Requirements and Prohibitions.

(a) Every [licensed] stoop line stand [shall be enclosed at both ends and in front by a fence or partition] must be constructed of wood or some other rigid material and have a lip or barrier on both ends and in front to prevent spillage. A stoop line stand must not be enclosed by any partition that extends to the roof or awning above the stand. [, and no box, barrel or any other obstruction shall at any time be maintained outside such enclosure.] No items may be kept in the space allotted for a stoop line stand unless such items are kept on a stoop line stand. The outside surface of [such enclosure] a stoop line stand [shall at all times] must be kept smooth and free and clear of all projections which might tend to damage the clothing of passing pedestrians or which might cause bodily injury to such pedestrians. No items may be kept on the sidewalk outside of a stoop line stand.

(b) [On all streets where a distance of four (4) feet outward from

the building line exceeds more than one-third the entire width of the sidewalk.]On all sidewalks where the width is twelve feet or less, no [sidewalk]stoop line stand [licensed by the Department of Consumer Affairs] shall extend outward from the building line to a point beyond one-third the width of the sidewalk.

(c) A [sidewalk]stoop line stand license application may be denied [where a showing is made that] if the Department shows that pedestrian traffic movement or public safety or convenience would be significantly impeded by the presence of the stand or that the area is not zoned for retail commercial uses.

(d) A [sidewalk]stoop line stand which uses ice or water in its display of food or flowers [shall]must be constructed and maintained in a fashion such that ice or water does not escape from the stand to the sidewalk. The sidewalk adjacent to the stand [shall]must at all times be kept free of such ice or water.

(e) [Occupants of stores who are licensed to maintain stoop line stands in front of such stores and their employees or agents shall only accept payment inside of such stores for merchandise sold or displayed at such stoop line stands] Payment for merchandise sold or displayed at a stoop line stand may only be accepted inside of the store adjacent to the stoop line stand.

(f) A stoop line stand licensee and his or her employees or agents [shall]must not use such stoop line stand or the sidewalk adjacent thereto [to wash, trim, bunch or otherwise prepare any fruit, vegetables, flowers or other]for the preparation of any articles sold or displayed at such stoop line stand, including, but not limited to, the washing, trimming, or bunching of fruit, vegetables, or flowers; the packaging of fruit salad; or the blending of smoothies or juices.

(g) A licensee shall not display or offer for sale on its stoop line stand any item that is not specifically [enumerated]listed as an item that may be sold or displayed on a stoop line stand in § 20-233(b) of Chapter 2 of Title 20 of the Administrative Code of the City of New York.

(h) A stoop line stand license must be held by the same entity listed on the certificate of authority for the store adjacent to the stoop line stand. If the store adjacent to the stoop line stand does not hold a certificate of authority, a stoop line stand license must be held by the same entity operating the adjacent store.

Statement of Basis and Purpose of Proposed Rule

On March 15, 2020, the Department of Consumer Affairs (“DCA” or

“Department”) promulgated an emergency rule pursuant to section 1043(i) of chapter 45 of the New York City Charter (the “Emergency Rule”) declaring as unconscionable the practice of price gouging certain personal and household goods and services. The Emergency Rule added a new section 5-42 of chapter 5 of title 6 of the Rules of the City of New York and amended the penalty schedule in section 6-47 of chapter 6 of title 6.

The Department is proposing a new permanent rule declaring as unconscionable the practice of price gouging goods and services that are essential to health, safety and welfare, or are marketed or advertised as being essential to health, safety and welfare during a declared State of Emergency in the City of New York.

New York City Administrative Code § 20-701(b) permits DCA to declare as unconscionable:

Any act or practice in connection with the sale, lease, rental or loan or in connection with the offering for sale, lease, rental or loan of any consumer goods or services, or in the extension of consumer credit, or in the collection of consumer debts which unfairly takes advantage of the lack of knowledge, ability, experience or capacity of a consumer; or results in a gross disparity between the value received by a consumer and the price paid, to the consumer’s detriment.[.]

Price gouging occurs when a merchant takes advantage of an abnormal disruption in the marketplace and charges excessive prices, taking advantage of the consumer’s inability to bargain or seek a better price, resulting in a “gross disparity between the value received by a consumer and the price paid.” Such marketplace disruptions often occur during a State of Emergency. This rule assists in protecting consumers when they are at their most vulnerable.

The permanent rule declares price gouging conduct unconscionable and aligns New York City with many jurisdictions across the country that prohibit price gouging in emergency circumstances, including New York State. The rule includes an illustrative list of goods that are essential to health, safety or welfare, and could therefore be subject to price gouging. The rule also establishes a threshold for prohibited pricing of ten percent above the price at which consumers in New York City could obtain such goods or services 30 to 60 days prior to the declaration of a State of Emergency in the City of New York. This is similar to the standard used by several other jurisdictions, including the states of New Jersey and California, in laws that prohibit price gouging.

To ensure that no merchant is penalized unfairly, the permanent rule provides a defense if the merchant can show that the price increase was directly attributable to additional costs imposed on it by the supplier of the goods, or directly attributable to additional costs for labor or materials used to provide the services. The permanent rule further provides an exemption for merchants who did not exploit the State of Emergency and charged the same price both 30 days prior to the declaration of a State of Emergency and during that State of Emergency.

The Emergency Rule added an entry for the new price gouging prohibition to the penalty schedule for consumer protection law violations found in section 6-47 of subchapter B of chapter 6 of title 6 of the Rules of the City of New York. This entry is included in the permanent rule.

This permanent rule is necessary so that DCA can prevent this unconscionable trade practice and take action to protect the residents of New York City during a State of Emergency. Pursuant to section 1041(i)(2) of the New York City Charter, the Emergency Rule is hereby extended for 60 days beyond its original expiration date to allow time for issuance of the permanent rule by the normal rulemaking procedure provided for in the Charter.

New material is underlined.
[Deleted material is in brackets.]

“Shall” and “must” denote mandatory requirements and may be used interchangeably in the rules of the Department, unless otherwise specified or unless the context clearly indicates otherwise.

Proposed Rule Amendments

Section 1. Part 4 of subchapter A of chapter 5 of Title 6 of the Rules of the City of New York is amended by adding a new section 5-42, to read

as follows:

§ 5-42 Unlawful Price Gouging.

(a) Definitions.

“Covered goods or services.” The term “covered goods or services” means goods or services that are essential to health, safety or welfare, or are marketed or advertised as such, including but not limited to staple consumer food items such as milk, eggs and bread, goods or services used for emergency cleanup, or emergency supplies such as water, flashlights, radios, batteries, candles, blankets, soaps, diapers, toiletries, medical supplies such as medications, bandages, gauze, isopropyl alcohol, medical masks, and antibacterial products, or gasoline or other motor fuels.

“Excessive price.” The term “excessive price” means 10 percent or more above the price at which the same or similar good or service could have been obtained by a buyer in the City of New York 30-60 days prior to the declaration of a state of emergency.

“Merchant.” The term “merchant” means a seller, lessor, or creditor or any other person who makes available either directly or indirectly, goods, services or credit, to consumers. “Merchant” includes manufacturers, wholesalers and others who are responsible for any act or practice prohibited by this subchapter.

(b)(1) It is an unconscionable trade practice for a merchant to sell or offer for sale covered goods or services at an excessive price during a declared state of emergency in the City of New York.

(2) Exceptions. A merchant is permitted to sell or offer for sale covered goods or services at an excessive price if such merchant:

(i) has increased its price of such goods or services to an excessive price as a direct result of costs imposed on such merchant by the supplier of such goods or services, or such increase in the price of such goods or services is directly attributable to additional costs for labor or materials used to provide the goods or services, provided that the increase charged to the buyer is comparable to the increase incurred by the merchant; or

(ii) sold or offered for sale such covered goods or services to buyers in the City of New York at an excessive price 30 days prior to the declaration of a state of emergency and such merchant has not increased the price of such goods or services during the state of emergency, or in the 30 days prior to such declaration, except in accordance with subdivision (i).

(3) Each sale or offer for sale in violation of this rule constitutes a separate violation.

Section 2. Section 6-47 of subchapter B of chapter 6 of Title 6 of the Rules of the City of New York is amended, to read as follows:

§ 6-47 Consumer Protection Law Penalty Schedule.

All citations are to Title 20 of the Administrative Code of the City of New York or Title 6 of the Rules of the City of New York.

Unless otherwise specified, the penalties set forth for each section of law or rule shall also apply to all subdivisions, paragraphs, subparagraphs, clauses, items, or any other provision contained therein. Each subdivision, paragraph, subparagraph, clause, item, or other provision charged in the Notice of Violation shall constitute a separate violation of the law or rule.

For the fine amounts marked by a single asterisk, if the respondent timely submits the appropriate proof of having cured a first-time violation, the respondent will not be subject to a civil penalty pursuant to Local Law 153 of 2013.

Pursuant to Section 20-703(b) of the Administrative Code of the City of New York, the knowing violation of any provision of subchapter 1 of chapter 5 of title 20 of the Administrative Code of the City of New York or of any rule promulgated thereunder is subject to a maximum penalty of \$500.

Unless otherwise specified by law, a second or third or subsequent violation means a violation by the same respondent, whether by pleading guilty, being found guilty in a decision, [or] entering into a settlement agreement for violating the same provision of law or rule, within two years of the prior violation(s).
