Required Report Type: Annual Compliance Report of the Industrial Development Agency in Attempting to Recapture Incentives

Report Description: Report detailing its efforts to provide living wage jobs, indicating whether an agreement with the economic development subsidy recipient mandated the payment of a living wage for any jobs created by the project. If the agreement includes such a mandate, the city or city economic development entity will provide an analysis outlining the number of living wage jobs anticipated to be created beyond those jobs for which a living wage is required pursuant to this section and a description of the applicable penalties if the wage requirement in the agreement is not ultimately fulfilled.
