BOARD OF CITY RECORD.

The Board of City Record met in the Mayor's Office, Monday, June 8, 1874.

Present-The Mayor, Counsel to the Corpora tion, and Commissioner of Public Works.

On motion the reading of the minutes of the last meeting was dispensed with.

The Counsel to the Corporation submitted the following opinion in relation to the legality of the several bids for printing and distributing the City

> LAW DEPARTMENT, OFFICE OF THE COUNSEL TO THE CORPORATION, NEW YORK, June 8, 1874.

The Honorable William F. Havemeyer, Mayor of the City of New York,

SIR: At a recent meeting of the Mayor, the Counsel to the Corporation and the Commissioner of Public Works, convened to consider the bids for the printing of the CITY RECORD, all the proposals were referred to me for my examination, with a request that I would give my opinion upon the question to whom the award should be

First-None of these bids are in the form prescribed by the ordinances of the Common Council, except that of Martin B. Brown. (See Revised Ordinances, p. 190, §§ 18, 19, 20 and 21 of article 2, of chapter 7 of the Ordinances of

Second-I think the provisions of the ordinances above referred to apply to the making of a contract for the printing of the CITY RECORD.

Section III, of the charter of 1873, provides that the CITY RECORD shall be published "under a contract to be made as hereinafter provided." The same section also declares as follows: "All the expenses connected with its publication and distribution, except the salary of the person appointed to supervise the same, and the salaries of his assistants, shall be covered by a contract for printing, to be made in the same manner as other contracts."

The words "other contracts" might possibly refer to other contracts for printing, but the more natural construction is that they refer to other contracts generally. The manner in which contracts generally, for work done or supplies furnished for the city, are to me made, is prescribed by section 91, of the charter of 1873, and that therefore, whether Mr. Brown can be regarded section declares that such contracts involving the expenditure of more than \$1,000 shall be made under such regulations concerning them as shall be established by ordinances of the Common Council, with certain exceptions, of which printing is not one.

Section 119, of the Charter of 1873, declares that all ordinances in force April 1, 1870, "are hereby revived and continued in full torce" as city ordinances; the above cited provisions of the ordinances are therefore now in full force except when inconsistent with subsequent legisla-

In addition to the declaration that the contract for printing shall be made in the same manner as other contracts, section III contains other language indicating an intention that this contract, as well as contracts for other printing for the city, should be made in the manner provided by Section 91. It is declared that "all printing for said city, including the printing of the CITY RECORD, shall be executed, and all stationery shall be supplied under contract, to be entered into by the Mayor, Corporation Counsel and the Commissioner of Public Works." This section also provides that the first contract for printing the CITY RECORD should be awarded after an advertisement in the five daily newspapers print-

ing and stationery shall be based upon specifications to be filed in the Department of Public Works;" that "the bids shall be given for such number of each printed description of blanks," &c., and that "separate contracts shall be made with the lowest bidder for any one description of printing, or any article of stationery involving an expense of more than \$500.

The Mayor, Corporation Counsel and Commissioner of Public Works, under certain circumstances, may and are authorized to annul the contract, and the statute provides that, in that case, they shall immediately give notice for the other bids for such printing during the remainder of the term of contract.'

All these expressions indicate an intention on the part of the Legislature that the Mayor, Counsel to the Corporation and Commissioner of Public Works should not privately contract for printing and stationery, but that they should make contracts in the manner prescribed in section q1; that is, upon bids made in compliance with public advertisement in THE CITY RECORD; and, taken in connection with the declaration above referred to, that the expenses of publication shall be covered by a contract for printing, to be made in the same manner as other contracts, leave little room for doubt that the provisions of section 91 do apply, and that the bids must be made in the form prescribed by the ordinance of 1866 above referred to.

Third. Section 1 of cap. 308 of the Laws of 1861 provides that "all contracts by or on behalf of the Mayor, Aldermen and Commonalty of the City of New York shall be awarded to the lowest bidder for the same respectively, with adequate security, and every such contract shall be deemed confirmed in and to such lowest bidder at the time of the opening of the bids, estimates or proposals therefor, and such contract shall be forthwith duly executed, in the name of the said Mayor, Aldermen and Commonalty, by the head of the department having cognizance thereof with such lowest bidder." This provision of law has never been repealed and is still in force, and section III of the charter of 1873 also declares that separate contracts shall be made with the lowest bidder for any one description of printing, or any article of stationery involving an expense of more than

Upon the face of the bids, the lowest bidder for printing the CITY RECORD was W. C. Rhodes, whose bid amounted to \$13,053 90. Mr. Brown's bid was \$18,549 84, there being, in all, six bids lower than Mr. Brown's, and one bid which was higher. The question arises, as the "lowest bidder."

These words have been construed by the courts to mean the lowest bidder, whose bid is regular. Thss question was considered in the case of Russ vs. The Mayor, 12 Legal Observer, p. 38. In that case the Judge said "It is next his (the officer making the contract) duty to award the contract to the lowest bidder, that is, the lowest bidder among those left after the rejection of such as are detective. The only class of bidders then consists of persons whose proposals do comply with the provisions of the sections referred to, but the full determination as to those who have complied is suspended for 24 hours to give the opportunity to amend.

" If the officer reject the lowest proposal as incapable of amendment, or if it is not amended, then. I apprehend, the next lowest bidder whose proposal is free from defects becomes, by the very terms of the ordinance, entitled to the award, and he is so entitled by virtue of a contract contained in such ordinance." The contract in this case, (Russ vs. the Mayor), was made under the ordinances of 1849, which allowed parties twenty-four hours to amend their bids, if found defective in matters of form. This provision, however, is no longer in force.

Fourth. It seems to me that this contract must Sec. 5. The provisions of this ordinance shall apply only to dogs owned or claimed by residents of this city, and any person who shall present any such dog and claim payment for the capurte thereof which shall not be owned or captured within the corporate limits of this city shall

thereby incur a penalty of ten dollars. This ordinance shall apply only to any such dogs of the age of six months and upwards.

Sec. 6. Chapter XLIV. of the Revised Ordinances of 1866, and all other ordinances or parts of ordinances inconsistent or conflicting with the provisions of this ordinance are hearty repealed.

It is also declared that "all proposals for printcited Law of 1861, however, declares that all contracts shall be confirmed in and to the lowest bidder at the opening of the bids, and it does not seem to me competent for the Mayor, Connsel to the Corporation and Commissioner of Public Works to decide that the printing of the CITY RECORD shall not be done under a contract, after they have undertaken to have the work done by contract, after bids made in compliance with public advertisement.

> I am, Sir, with great respect, Your obedient servant, E. DELAFIELD SMITH, Counsel to the Corporation.
