Patrolmen Appointed.

William Mulcare, Thirty-second Precinct. William J. McGloin, Thirty-first Precinct. Resolved, That full pay while sick be and is hereby granted to the following officers : Sergeant John McNamara, Nineteenth Sub-precinct, from November 12, 1884, to April 18,

1885. Patrolman John R. Keeling, Twenty-seventh Precinct, forty days', from January 24 to April

Patrolman John R. Keeling, Twenty-seventh Precinct, forty days', from January 24 to April Patrolman John R. Keeling, Twenty-seventh Precinct, forty days', from January 24 to April 15, 1885.
Resolved, That respectful application be and is hereby made to the Board of Estimate and Appertionment to transfer the sum of \$10,000 from the appropriation made to the Police Department for the year 1884, entitled "Police Fund—Salaries of Commissioners, Superintendent, Surgeons and Uniformed Force," which is in excess of the amounts required for the purposes and objects thereof, to the appropriation for the same Department for the year 1885, entitled "Alterations, Fitting-up, Additions to and Repairs of Station Houses," which is insufficient, to enable the said Department to make repairs to the Fourteenth Precinct Station House, as required by the Bureau of Buildings, and to meet other unforeseen expenditures, including a large amount for plumbing work at Central Department building.
On reading communication from the Mayor, inclosing copy of resolution of the Board of Aldermen directing reports to be made to the Fire Department of violations of the law relating to fire-escapes, and asking report thereon, it was
Resolved, That the copy of resolution of the Fire Commissioners the number and location of the ement and apartment houses in the several precincts which have not complied with the law relating to fire-escapes, be placed on file, and his Honor the Maryor b2 respectfully requested to disapprove the same for the following reasons:
Section 409, chapter 410, of the Laws of 1882, unmistakably places the responsibility for fire-escapes upon buildings with the Fire Department, and they must be placed upon such buildings "as directed" by them. They have uniformed men and other officers in every portion of the city who could make to them the reports asked for, and whom they could hold directly responsible for any failure so to do.

city who could make to them the reports asked for, and whom they could hold directly responsible for any failure so to do. The number of police force in this city is now inadequate for the proper protection of the lives and property of its citizens, and it is with the greatest difficulty its immense territory can be properly patrolled. To increase their duties by imposing upon them additional labors, clearly the work of another department, and so established by law, would not only be an injustice to this Department, but would materially interfere with its police efficiency. Resolved, That the following bills be approved, and the Treasurer authorized to pay the same all ave :

Upon reading and filing a certified copy of the record of conviction of Sergeant David H. Crowley, Thirty-fifth Precinct, in the Court of General Sessions, on the 15th day of May, 1885, on an indictment for crime, it was Resolved, That in pursuance of law and the statutes in such case made and provided (section 268, chapter 410 of the Laws of 1882), such conviction is deemed to be and is a removal from office ; and that Sergeant David H. Crowley, Thirty-fifth Precinct, has ceased to be a member of the Police force, and that he be dropped from the rolls of the Police Department and force—all aye. Adjourned. Adjourned.
