#### MESSAGES FROM HIS HONOR THE MAYOR.

The President laid before the Board the following message from his Honor the Mayor :  
CITY OF NEW YORK—OFFICE OF THE MAYOR,  
March 14, 1895.

Hon. JOHN JEROLOMAN, President, Board of Aldermen :

DEAR SIR—I return herewith, without approval, resolution requesting the Commissioner of Public Works to pave Sixty-third street, West, between the Boulevard and Columbus avenue.

The Commissioner of Public Works reports upon this matter as follows :

"While an asphalt pavement on this part of Sixty-third street in place of the trap-block pavement which was laid in 1881, appears desirable, there is now an appropriation of only \$250,000 for repavements for 1895, which will be utterly inadequate for repavements which are of much greater necessity. Furthermore, no repavement under this appropriation can be made, and no ordinance or resolution of the Common Council would be operative without previous certificate by the Commissioner of Public Works that the safety, health and convenience of the public require the repavement, as provided in section 321 of the Consolidation Act. The resolution, if approved, would embarrass this Department."

Yours, respectfully,

W. L. STRONG, Mayor.

Resolved, That the Commissioner of Public Works be and he is hereby respectfully requested to pave Sixty-third street, West, from the Boulevard to Columbus avenue, about one hundred and twenty-eight feet in length, with asphalt, as soon as the funds in his possession will allow the same.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :  
CITY OF NEW YORK—OFFICE OF THE MAYOR,

Hon. JOHN JEROLOMAN, President, Board of Aldermen :

DEAR SIR—I return herewith, without approval, resolution permitting Simon Sagalowitz to keep a soda-water, etc., stand in front of No. 111 Forsyth street.

This resolution is in violation of section 86, subdivision 3, of the Consolidation Act. The "etc." might be stretched to include almost any salable article, the sale of which on such stands is prohibited by this statute, which empowers the Board of Aldermen to grant permits for booths to sell "newspapers, periodicals, fruits or soda-water only."

Yours, respectfully,

W. L. STRONG, Mayor.

Resolved, That, upon the annexed consent filed herewith, permission be and hereby is granted to Simon Sagalowitz to erect, keep and maintain a stand for the sale of soda-water, etc., in front of the premises No. 111 Forsyth street, in the City of New York, but within the stoop-line of said premises, and which shall not extend over four feet from the house-line, nor exceed six feet in length, the work to be done and material furnished at the cost and expense of said Simon Sagalowitz, under the direction of the Commissioner of Public Works ; the permission hereby granted to continue during the pleasure of the Common Council.

DEAR SIR—I return herewith, without approval, resolution permitting Nathan Wasserberger to erect stand for the sale of soda-water at No. 109 Rivington street.

The Commissioner of Public Works reports that the Superintendent of Incumbrances is in receipt of numerous complaints from storekeepers of unjust discrimination and unfair competition in allowing people to use the public sidewalks for the sale of articles of trade free of rental while they have to pay rent for their stores. Furthermore, such stands become fixed obstructions outside the jurisdiction of the Department of Public Works, the existence of which is to be deplored upon such narrow streets as Rivington.

Yours, respectfully,

W. L. STRONG, Mayor.

Yours, respectfully,

W. L. STRONG, Mayor.

NEW YORK, March 19, 1895.

To the Honorable Board of Aldermen, WILLIAM L. STRONG, Mayor of the City of New York:

I, the undersigned, respectfully submit the following resolution:

It is, therefore, Resolved, that the street now known as Elm street, of this city, shall be changed, and receive the name, hereafter, "Parkhurst avenue."

WEDNESDAY, March 13, 1895.

To the Common Council of the City of New York:

The accompanying petition is hereby respectfully presented:

In support of it I would state that three counts, made by me on Sunday, March 10, 1895, at different times, showed, respectively, 840 bicycles per hour, 540 bicycles per hour and 490 bicycles per hour passing through One Hundred and Eighth street, between Boulevard and Riverside Drive, and indicated that on Sundays and holidays, in fine weather, from 5,000 to 10,000 bicycles pass through the block daily, besides many light carriages. It is the natural highway from the Boulevard to Riverside Drive.

Very truly, yours,  
WINTHROP PARKER.

Which was referred to the Committee on Streets.

By Alderman Noonan—

The Mayor, Aldermen and Commonalty of the City of New York, Greeting:

The undersigned petitioners of the City of New York respectfully represent:

First—That Hester street and the streets adjacent thereto have been until recently an open market centre for the past twenty-five years.

Second—That the removal of Hester Street Market, together with the privileges heretofore granted to hucksters, vendors and push-cart peddlers to expose, sell and dispose of their wares, goods and merchandise, between certain hours of the morning, has entailed upon us and the residents of this locality great hardship and inconvenience.

Third—That this locality is essentially different from that of any other in the city, being chiefly composed of Hebrews, who seldom go more than a block or so from their homes, and remain content and happy in bartering and trading among themselves.

Fourth—That to deprive them of this privilege is a peculiar hardship to a very large number of residents of this locality, many of whom are solely depending on their business as vendors, push-cart peddlers and hucksters for the support of themselves and families.

Fifth—That the recent regulations preventing us from carrying on business as heretofore has been the means of dispossessing many families, and forcing them to remain upon the public streets all night, without food or shelter.

Sixth—That a majority of those living in this locality are extremely poor and compelled to make small purchases from day to day and almost hour to hour of the necessities of life, and the vender and push-cart dealers are a necessity to them, as well as a great convenience.

Wherefore your petitioners respectfully submit for the consideration of your Honorable Body, that hucksters, vendors and push-cart peddlers shall be allowed to vend, sell and dispose of their goods, wares and merchandise along Hester street, between Orchard street and Clinton street, and along Orchard, Ludlow and Essex streets, from Canal to Grand street, and along Norfolk and Suffolk streets, from Division to Grand street, upon the following conditions:

First—That the public traffic shall not be inconvenienced and that at all times there shall be kept an open space on the sidewalks for the accommodation of pedestrians.

Second—That no head, entrails or scales of fish, vegetables, or tops of vegetables, or feathers, or other matter, or things whatsoever, shall be thrown upon, or scattered on the public street or sidewalk.

Third—That no fish, fowl, meat, or vegetables shall be exposed for sale from any cart, wagon, vehicle, or stand, except between the hours of six A. M. and twelve M.

Fourth—That the dealers, at their own expense, shall employ and provide four laborers for the purpose of keeping said streets clean of all market refuse or other things whatsoever, by reason of the privileges herein requested.

Respectfully submitted,

THE RIVERSIDE PARK PROPERTY OWNERS' ASSOCIATION,  
NEW YORK, March 16, 1895.

To the Common Council of the City of New York, New York, N. Y.:

GENTLEMEN—The Association I represent is opposed to tearing up the pavement of One Hundred and Eighth street, and substituting asphalt—as per the blank slip enclosed.

Personally, I own all the lots on both sides of the street, together with the two corner houses, and when having the street paved I asked for blocks, for the good reason that the street was vacant, and tearing up the street for connections to each new house would destroy asphalt, but would not harm the blocks.

Further, this proposed plan is a needless expense to the City, as it is the intention to asphalt the Boulevard up to One Hundred and Twenty-fifth street at once. When this is done, then any of the unpaved streets farther north than One Hundred and Eighth street can be selected—thus giving the wheelmen what they want, without doing any injustice to any of the property-owners.

Very respectfully,  
S. G. BAYNE, Chairman.

The Committee on County Affairs, to whom was referred the annexed resolution with regard to the so-called "Marriage Bureau," respectfully

#### REPORT:

That, having examined the subject, they believe the proposed improvement to be necessary. They therefore recommend that the said resolution be adopted.

Resolved, That the so-called "Marriage Bureau" be transferred to Room No. 3 of the City Hall, opposite the office of the City Record, and that the Commissioner of Public Works be hereby requested and directed to prepare Room No. 13 in proper order for use as a committee-room of this Board.

Resolved, That the Clerk of this Board appoint two persons to be in charge, without salary, of said so-called "Marriage Bureau," upon the understanding and direction that they be allowed to demand from the contracting parties no fee whatever, but to state to them that any payment made by them for their marriage certificate is wholly voluntary.

Resolved, That printed notices, in the English, French, Italian and Hebrew languages be posted conspicuously in said Room No. 3 to the effect that no person is authorized a fee for the marriage ceremony or certificate.

WILLIAM M. K. OLCOTT, } Committee  
JOHN T. OAKLEY, } on  
THOMAS DWYER, } County Affairs.

Alderman Hall offered the following as a substitute report:

The Committee on County Affairs, to which were recommitted the various resolutions and reports relating to the so-called "Marriage Bureau" in Room 13 of the City Hall, respectfully reports that your Committee has made investigation and examined numerous witnesses under oath, and finds the following facts, viz:

That Room 13, which has been designated as a committee-room of this Board, has been, without any proper authority, occupied by persons by the name of Fitzgerald and Van Pelt as a marriage bureau; that said Fitzgerald, although holding a quasi-public position, and though occupying a public room in the City Hall, presumably with the authority of an official, has repeatedly been found intoxicated; that he has been accustomed to demand as large fees as he could get from the persons married by the Aldermen, giving such persons to understand that they could not have their wedding certificates until they paid such fees; that the law requiring notices of marriages to be filed with the Bureau of Vital Statistics within a specified time has constantly been violated.

In view of these facts, and the almost certain future repetition of the abuses above referred to under any system allowing attendants to receive fees from the poor and ignorant who come to the City Hall to be married, your Committee believes that it is not only beneath the dignity of this Board, but improper, and demoralizing to those who make a living on such fees plundered from the poor.

For these reasons your Committee respectfully suggest the adoption of the following resolutions: Resolved, That the present use of Room 13 be abolished, and that Room 3 in the City Hall be designated as a headquarters for those seeking the services of the Aldermen in matrimonial matters.

Resolved, That no Clerk, Messenger or other employee of this Board be allowed to receive any fee, gratuity or compensation of any nature from or on behalf of persons married by Aldermen at the City Hall, under penalty of dismissal.

Resolved, That copies of this rule be posted conspicuously in said Room 3, and also notices in the English, German, Italian and French languages that no person is allowed to pay any fee or gratuity to any person for services performed in said room, or in connection with any marriage therein.

Resolved, That the Commissioner of Public Works be requested to put Room 13 in condition for its proper and designated use as the committee-room of the Board of Aldermen.

BENJAMIN E. HALL,  
FREDERICK A. WARE.

Alderman Goodman moved that the substitute report and accompanying resolutions be amended by inserting at the end thereof the words "and that a Clerk be permitted to officiate in Room No. 3, and to charge fifty cents, and no more, for each marriage certificate furnished."

Alderman Hall accepted the amendment.

The President put the question whether the Board would agree with said report and resolutions as amended.

Which was decided in the negative by the following vote:

Affirmative—The President, Aldermen Goodman, Hall, Ware, and Woodward—5.

Negative—The Vice-President, Aldermen Brown, Campbell, Dwyer, Goetz, Goodwin, Hackett, Kennefick, Lantry, Marshall, Muh, Murphy, Noonan, Oakley, O'Brien, Olcott, Parker, Randall, Robinson, Schilling, School, Tait, Wines, and Wund—24.

Alderman Olcott then moved the adoption of the majority report.

Alderman Goodman then moved that the majority report be amended by striking out the words "is wholly voluntary" and inserting in lieu thereof "not more than one dollar shall be exacted."

The President put the question whether the Board would agree with said amendment.

Which was decided in the negative by the following vote:

Affirmative—The President, Aldermen Goodman, Hall, Randall, Robinson, Ware, and Woodward—7.

Negative—The Vice-President, Aldermen Brown, Campbell, Goetz, Goodwin, Hackett, Kennefick, Lantry, Marshall, Muh, Murphy, Noonan, Oakley, O'Brien, Olcott, Parker, School, Tait, Wines, and Wund—20.

The Committee on County Affairs, to whom was referred the annexed resolution and ordinance in favor of authorizing the expenditure of not more than \$250 in connection with the reapportionment of the City into thirty-five assembly districts, respectfully

#### REPORT:

That, having examined the subject, they believe the proposed appropriation desirable and recommend that said resolution be adopted with the following amendment to be added at the end thereof, viz., "such expenditure to be made only on the direction of the Committee on County Affairs."

Resolved, That the Clerk of this Board be and he is hereby authorized to expend a sum not exceeding two hundred and fifty dollars, the same to be paid out of the appropriation for "City Contingencies," in making proper and suitable preparations for the reapportionment of the City and County of New York into thirty-five assembly districts, as provided by section 5 of article III. of the New Constitution.

Whereas, The minutes of the proceedings of this Board have been published in the CITY RECORD, in accordance with the requirements of the Consolidation Act, which provides that abstracts be so published; and

Whereas, The Honorable Supervisor of the City Record, with an honest and commendable desire for economy, has changed the form of arrangement and the style of publishing the proceedings from the manner in which they have heretofore appeared; and

Whereas, Said modified form (while reducing the cost of publication somewhat) seriously affects the efficacy of the printed proceedings, is not a correct transcript of the minutes in all details, makes it difficult to trace any particular matter which is to be referred to, and so disarranges the several subjects by crowding them together, or "running in," that the reduction in expense being comparatively small, is not warranted by the results attained; therefore

Resolved, That the Honorable John A. Schleicher, Supervisor of the City Record, be and he is hereby respectfully requested to have the Aldermanic proceedings published in the CITY RECORD in the manner in which they have heretofore appeared, or as near thereto as is consistent with the provisions of the Consolidation Act; and be it further

Resolved, That the Board of City Record be respectfully petitioned to consider the legality and advisability of publishing in the CITY RECORD the exact form of the minutes of this Board as they appear in the Journal, thereby, by the use of but one form only, for both purposes, cause a saving of composition, and in consequence a material reduction in expense, without impairing the style of compilation or arrangement of the minutes in any particular.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.  
Delivery will be required to be made from time to time and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of fifty (50) per cent of the bid for each article.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy chief, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The oaths and affirmations, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as a surety in good faith, and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box; and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it, and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares and merchandise must conform in every respect to the samples of the same on exhibition at the office of the said Department, or, in the absence of samples, to the

All repairs, maintaining or rebuilding required or necessary to be done to or upon the premises, or any part thereof, during the continuance of the term of the lease, shall be done by and at the cost and expense of the lessee or purchaser.

No claim or demand will be considered or allowed by the Department for any loss or deprivation of wharfage or otherwise, resulting from or occasioned by any delay on account or by reason of the premises or any part thereof being occupied for or on account of any repairs, rebuilding or dredging.

The upset price of the parcels or premises exposed or offered for sale will be announced by the auctioneer at the time of sale.

The Department will do all dredging whenever it shall deem it necessary or advisable so to do.

The term for which leases are sold will commence at the date mentioned in the advertisement, and the rents accruing therefor will be payable from that date in each case.

Each purchaser of a lease will be required, at the time of the sale, to pay, in addition to the auctioneer's fees, to the Department of Docks, twenty-five per cent. (25%) of the amount of annual rent bid, as security for the execution of the lease, which twenty-five per cent. (25%) will be applied to the payment of the rent first accruing under the lease when executed, or will be forfeited to the Department if the purchaser neglects or refuses to execute the lease, with good and sufficient surety or sureties, to be approved by the Department, within ten days after being notified that the lease is prepared and ready for execution at the office of the Department of Docks, Pier "A," North river, Battery place.

The Department expressly reserves the right to resell the lease or premises bid off, by those failing, refusing or neglecting to comply with these terms and conditions, the party so failing, refusing or neglecting to be liable to the Corporation of the City of New York for any deficiency resulting from or occasioned by such resale.

Lessees will be required to pay their rent quarterly in advance, in compliance with the terms and conditions of the lease prepared and adopted by the Department.

In all cases where it is mentioned in the advertisement of sale, the purchaser shall be entitled to the privilege of occupying any shed upon the pier or bulkhead at the commencement of the term or that may thereafter be permitted or licensed by the Department, and to the rights attached to such permission or license, but subject to the conditions thereof, such purchaser being engaged in the business of steam transportation, and using and employing the same for the purpose of regularly receiving and discharging cargo thereat.

Not less than two sureties, each to be a householder or freeholder in the State of New York, to be approved by the Board of Docks, will be required under each lease to enter into a bond or obligation, jointly and severally, with the lessee, in the sum of double the annual rent, for the faithful performance of all the covenants and conditions of the lease, the names and addresses of the sureties to be submitted at the time of sale.

Each purchaser will be required to agree that he will, upon ten days' notice so to do, execute a lease with sufficient surety as aforesaid, the printed form of which may be seen and examined upon application to the Secretary, at the office of the Department, Pier "A," Battery place.
