SUPREME COURT—COUNTY OF NEW YORK.

In the Matter of the application of Perez M. Stewart and Howard P. Okie, for an order directing the Board of County and City Canvassers for the City and County of New York to perform its duty in the manner prescribed by law in the canvass of the votes cast for the offices of Member of Assembly and Member of the Board of Aldermen from the Nineteenth Assembly District of the City and County of New York.

To the Supreme Court of the State of New York:

The petition of Perez M. Stewart, respectfully shows:

The petition of Perez M. Stewart, respectfully shows:

First—That deponent is a citizen of the City and County of New York, residing at No. 662

West End avenue in said city; that deponent was a candidate for office of Member of Assembly from the Nineteenth Assembly District of the City and County of New York, on the Citizens'

Union, National Democratic and Democrate of Thomas Jefferson tickets, and was voted for as such

candidate on the official ballot on said tickets.

Second—That deponent has carefully examined the official tally-sheets of the Nineteenth Assembly District, filed in the office of the Clerk of the City and County of New York, pursuant to the provisions of the Election Law.

Third—That it appears by said tally-sheets that deponent received the following number of votes in the following election districts in said assembly district, to wit: In the Seventh Election District, 50 votes; in the Eighth, 100 votes; in the Fourteenth, 128 votes; in the Seventeenth, 47 votes; in the Eighteenth, 85 votes; in the Nineteenth, 133 votes and in the Twentieth, 156

votes.

Fourth—That, as appears by said tally-sheets filed as aforesaid, Solomon C. Weill, another candidate for said office of Member of Assembly from said Nineteenth Assembly District on the Democratic ticket, received in the Tenth Election District of said Assembly District 135 votes; in the Nineteenth, 69 votes, and in the Twentieth, 86 votes.

Fifth—That in the statement and return of the votes for Member of the Assembly from said Assembly District, signed by the Inspectors of Election in the said several election districts above mentioned, the following number of votes purport to have been cast for the said candidate in said districts, to wit: For deponent, in the Seventh Election District, 46 votes; in the Eighth, 12 votes; in the Fourteenth, 112 votes; in the Seventeenth, 42 votes; in the Eighteenth, 30 votes; in the Nineteenth, 130 votes; in the Twentieth, 151 votes.

For said Weill in the Tenth Election District, 151 votes; in the Nineteenth, 72 votes, and in the Twentieth, 01 votes.

Sixth—That the said Inspectors of Election in said respective districts have neither appeared, nor been made to appear, before the said County and City Canvassers of the City and County of New York to explain or correct said discrepancies, and the said Board of Canvassers of the City and County of New York has refused to examine said tally-sheets.

Seventh—That the package of ballots protested as marked for identification but voted and counted in said Eighth Election District contained 18 votes for deponent and for Howard P. Okie, the candidate for Member of the Board of Aldermen from said Nineteenth Assembly District, but said Board of County and City Canvassers of the City and County of New York has refused, and that the Inspectors of Election for said election district have not appeared, nor been made to appear, before the said County and City Canvassers of the City and County of New York to correct the error in the said statement and return of the votes for said offices in said Eighth Election District.

Eighth-That except in the Eighth Election District in each of the other election districts men-

tioned the statement and return of the votes cast in said district was accompanied by a sealed package purporting to contain ballots protested as marked for identification and ballots rejected as void.

Ninth—That deponent is advised and believes it is required by the Election Law that each ballot protested as marked for identification shall be so indorsed by the Inspectors of Election, with a statement of the mark or marks to which objection was made, and that each void ballot shall be indorsed by the Inspectors of Election, with the reason for declaring such ballot void. That in numerous instances the ballots in said sealed packages when opened had no indorsement whatever. That in a majority of the instances where they were indorsed, as marked for identification, the alleged identifying mark is not mentioned in the indorsement. That in most of the cases ballots marked as void no reason for declaring such ballots void is given.

Tenth—That in the Eighteenth Election District the statement indorsed by the Board of Inspectors upon the sealed package of void and protested ballots is contradicted by the same Inspectors in their statement and return, and both the indorsement upon the package and contents of the statement and return are contradicted by the ballots contained in said sealed package, to wit: upon the package it is stated that there are two void and three protested ballots. In the statement and return there are reported two blank and three void ballots. Among the ballots themselves there is but one blank and three indorsed as protested as marked for identification and two not indorsed at all.

That in said election district, as appears by the affidavit of William Williamson, one of the Poll Clerks in said election district at the election held on November 2, 1897, more than 50 votes were counted for deponent and for said Okie as candidate for office as Member of the Board of

Eleventh—That in said Twentieth Election District the package purporting to contain void and protested ballots contains no ballots at all. The statement and return of the Board of Inspectors for Member of Assembly calls for two defective ballots not counted in addition to the nine blank ballots, and for Member of the Board of Aldermen for two defective ballots not counted in addition to the nine blank ballots.

Twelfth—And your petitioner further shows that he is advised and believes that under sections 84 and 110 (subdivision 3) of the Election Law the said statement and return of the said Election Inspectors in said districts and the certified copies thereof are required to be made up exclusively from and based upon the figures and data shown by the tally-sheets and that the said statement and return and the said certified copies thereof must correspond therewith. And your petitioner further alleges upon information and belief that when the said Boards of Inspectors above mentioned shall meet as required by section 132 of said Election Law and for the purpose specified in said section they will be applied to correct such electments and returns in such manner as truly to show the number. will be unable to correct such statements and returns in such manner as truly to show the number of votes cast for your petitioner and for the other candidates for the office of Member of Assembly and for said Howard P. Okie and for the other candidates for the office of Member of the Board of Aldermen in said several election districts of said assembly district unless they shall have an

opportunity to inspect the said original tally-sheets.

Thirteenth—No other or former application for the relief hereby prayed for has been made to

any court or Judge.

Wherefore, Your petitioner prays that an order may be made directing the said Board of County and City Canvassers of the City and County of New York to summon the said Boards of County and City Canvassers of the City and County of New York to summon the said Boards of Inspectors of the said several election districts above mentioned in said assembly district to appear before said Board of County and City Canvassers, to make such corrections as the facts of the case require and to cause their canvass of votes in said several election districts to be correctly stated, and that the said Clerk of the City and County of New York shall produce before said Board of County and City Canvassers of the City and County of New York, at whatever times said Board of Inspectors or any of them of the said election districts shall meet for the purpose of correcting said statements and returns and the copies thereof, and shall exhibit the said original tally-sheets to the said Board of County and City Canvassers and the said Boards of Inspectors for the purpose of enabling them to make such corrections in the said statements and returns and in the copies thereof as the facts require; and that the said Board of County and City Canvassers shall not canvass the statements and returns from said election districts until the Board of Inspectors of said election districts shall have met pursuant to the provisions of section Inspectors of said election districts shall have met pursuant to the provisions of section 132 of the Election Law and shall have made such corrections in said statements and returns of 132 of the Election Law and shall have made such corrections in said statements and returns of said canvass as the fact in each case shall require. And in the meantime, and until such corrections shall have been made, that said Board of County and City Canvassers be enjoined from taking further proceedings in the canvass of the votes of any candidate for the office of Member of Assembly or Board of Aldermen from the said Nineteenth Assembly District of the City and County of New York, and shall neither sign nor issue any certificate of election until such corrections shall have been made in said statements and returns as the facts in each case require.

Joseph G. Deane, being duly sworn, says: That he is an attorney at law, having his office in the Corn Exchange Building in the City of New York. That on the 15th day of November, 1897, the County and City Board of Canvassers of the City and County of New York proceeded to canvass the votes cast for Member of Assembly and Member of the Board of Aldermen from the Nineteenth Assembly District, and that deponent was present during such canvass and heard the vote announced by the Clerk as the vote for the various candidates for such offices, which announcement, as deponent was informed, was read from the vote in the vote that the largest rest is the largest set. Nineteenth Assembly District, and that deponent was present during such canvass and heard the vote announced by the Clerk as the vote for the various candidates for such offices, which announcement, as deponent was informed, was read from the original statements by the Inspectors of Election of the different election districts in said assembly district, of the votes cast in said districts for the different candidates for those offices. That the vote of the Eighth Election District of such assembly district, as so announced, was twelve votes for Perez M. Stuart and twelve votes for Howard P. Okie, the candidates for Assembly and Member of the Board of Aldermen from said districts from the Nineteenth Assembly District, upon the Citizens' Union, the National Democratic, and the Democracy of Thomas Jefferson tickets; that deponent inspected what purports to be the original signed statement of the result of the canvass in the said Eighth Election District, and it appeared therefrom that the votes cast for each of said candidates thereat was twelve, with ninety-four blank votes for said Stewart and ninety-seven blank votes for said Okie. That by the authorization of the said Board of Canvassers the sealed envelopes rejected as void and for ballots counted, but which had been objected to during the canvass as marked for identification, were opened in the presence of the representatives of said Board and representatives of the rival candidates for said offices, and that deponent examined the ballots stated to have been counted and indorsed as objected to as marked for identification, and from such examination it appeared that the votes upon fifteen of the ballots so marked were votes for the said Stewart and Okie, for the offices of member of Assembly and member of the Board of Aldermen, respectively.

Louis Weinstein, being duly sworn, says that he resides at No. 742 East Sixth street, in the City of New York; that at the recent general election, held November 2, 1897, he was duly appointed a watcher on behalf of the Citizens' Union at the Eighth Election District of the Nineteenth Assembly District, and served in such capacity, being present behind the guard-rail during the canvass of the votes and until after the sealing of the packages containing the ballots which had been declared void and those which had been objected to as being marked for identification.

That the canvass of the vote for Member of the Assembly in said election district showed that 70 votes had been cast for P. M. That the canvass of the vote for Alderman in said election district showed that 70 votes had been cast for Howard P. Okie, the Citizens' Union candidate for Alderman on straight ballots, and as deponent now remembers, there were 19 votes on split ballots for said Okie, making in all 89 votes cast.

That during the said canvass the votes upon 57 ballots were objected to by the inspectors or the watchers present because marked for identification, and the ballots so objected to were indorsed as required by law and placed in a separate sealed envelope, as required by law, at the close of the canvass; that the Inspectors rejected several ballots as wholly void and no votes thereon were counted. William Williamson, being duly sworn, says: I am of full age and reside at No. 145 West Sixty second street in the City of New York; I was one of the poll clerks in and for the Eighth Election District of the Nineteenth Assembly District, and acted in that capacity at the general election held in New York City on the 2d day of November, 1897. During the canvass after the close of the polls and during the canvass of the votes I kept a careful and accurate tally list of the votes cast in said election district at the said election for all the candidates voted for; the pollclerks' tally lists were the only memoranda kent of the votes cast: the original statement of the canvotes cast in said election district at the said election for all the candidates voted for; the poll-clerks' tally lists were the only memoranda kept of the votes cast; the original statement of the canvass was made up in the following manner: one of the poll clerks read from the poll clerks' tally list sheet the number of votes cast for each candidate for office voted for at said general election (previously Mr. Gentzlinger, the other poll clerk for said election district, and myself had compared our poll clerk tally list sheets each with the other and found that they agreed); the number of votes cast for each candidate was put down by the Chairman of the Board of Election inspectors in the original statement of his canvass as it was called out by the poll clerk; Mr. Gentzlinger called off the votes for certain of the candidates and I called off the votes for the remaining candidates.

If the statement of the canvass gives but tracks the canvas as it was called the votes for the remaining candidates.

If the statement of the canvass gives but twelve votes to Perez M. Stewart and Howard P. Okie, candidates for the offices of Member of the Assembly and Member of the Board of Aldermen,

respectively, such statement of the canvass is erroneous.

I remember that in counting the straight Citizens' Union ballots, upon which ballots the names of Mr. Stewart and Mr. Okie appeared as candidates we passed the fifty mark, although how much the total number of the straight Citizens' Union ballots exceeded that number I cannot recollect. recollect.

I believe that, if the said Stewart and Okie are credited with but twelve votes in the original statement of the canvass, the canvass of their votes is incomplete and should be finished by crediting them with the votes which the tally lists prepared by the other poll clerk and myself show that they have received.

To the Board of County Canvassers of the County of New York:

GENTLEMEN—The Committee upon Protests respectfully report to your Honorable Body that they received protests in writing from several candidates and others, to which they gave due and careful consideration, and report the following disposition made in respect to each thereof:

The protest of William H. McCarthy, candidate for Member of the Board of Aldermen for the Thirty-first Assembly District, in which he claims that he was duly elected a member of said Board, and that the returns of the votes made by the Police Department are incorrect, is dismissed on the ground that no facts were presented on which your Committee could determine whether there was any foundation for the claim made by the candidate.

The protest of Mr. Lewis Nixon, candidate for Member of the Board of Aldermen for the Twenty-fifth Assembly District, on the ground that the returns as made by the Police Department are incorrect, and do not show the true state of the vote cist in said Twenty-fifth Assembly District, is recommended to be dismissed on the ground that the returns of the Police Department are not the returns which your Honorable Body is authorized to canvass, and the same rule will apply to the protest of Albert W. Orr, candidate for Member of Assembly from the same district, as also the protest of Thomas J. Hayden, candidate for Member of Assembly in the Twenty-third Assembly District, on the same grounds.

The protest of William E. Demarest and David A. To the above-named defendant: You are hereby summoned to answer the complaint in this action, and to serve a copy of your answer on the plaintiff's attorney within twenty days after the service of this summons, exclusive of the day of service, and in case of your failure to appear, or answer, judgment will be taken against you by default, for the relief demanded in the complaint. HOWARD P. OKIE, in person, plaintiff's attorney, office and post-office address, No. 35
Nassau street, New York City.

Nassau street, New York City.

SUPREME COURT—NEW YORK COUNTY.

Howard P. Okie, plaintiff, against The Board of County and City Canvassers of the City and County of New York, defendant.

The plaintiff above named complains against the defendant and alleges:
First—That the plaintiff is a citizen of the City and County of New York, and resides at No. 257 West End avenue, New York City.

Second—That he is a candidate for the office of Member of the Board of Aldermen for New York City from the Nineteenth Assembly District at the general election held in said city upon the 2d day of November, 1897, of the following political parties and organizations, to wit: The National Democratic Party, the Citizens' Union and the Democracy of Thomas Jefferson.

Third—That the alleged original statements and returns of the votes cast for the candidates for said office at said election purport to show that one John S. Geagan and the plaintiff received three thousand six hundred and seventy-three and three thousand six hundred and sixty-three votes respectively for said office, and that no other candidate for said office received as large a number of votes as either said Geagan or plaintiff.

No previous application for this or a similar order to show cause has been made herein. Sworn to before me this 14th day of December, 1897.

Fourth—That the alleged original statement and return of the votes cast for said office at said election in the Eighth Election District of said assembly district, filed by the Inspectors of Election of said election district purports to show that the plaintiff received but twelve votes for said office in said Eighth Election District.

Fifth—That the plaintiff received one hundred and one votes for said office in said election district, as he is informed and verily believes, the source of his information and the reason for his belief being as follows:

district, as he is informed and verily believes, the source of his information and the reason for his belief being as follows:

belief being as follows:

(a) The sworn statements of William A. Genzlinger, one of the Poll-clerks of said election district, verified the 4th day of December, 1897, and James L. Cook, one of the Poll-clerks of said election district, verified the 19th day of November, 1897, both of said statements being part of the record in this Court in the proceeding entitled: "In the Matter of the Application of Perez M. Stewart and Howard P. Okie for an order directing the Inspectors of Election for the Eighth Election District of the Nineteenth Assembly District of the City and County of New York, to make a statement and return in accordance with the provisions of the election law of the votes in said election district for the offices of Member of the Assembly and Member of the Board of Aldermen, and of the canvass of such statement and returns by the Board of County and City Canvassers of the City and County of New York."

(b) The official tally-sheet list of the votes cast at said election in said election district, and

(b) The ometal taily-sneet list of the votes cast at said election in said election district, and filed in the County Clerk's office pursuant to law.

(c) Upon the canvass of the said original statement and return from the said election district by the Board of City and County Canvassers, the sealed envelope containing ballots voted in said election in said election district rejected as void and uncounted and ballots protested as marked for identification and which had been counted, were opened by the authorization of said Board in the presence of representatives thereof and representatives of the rival candidates for said office, and your petitioner examined the ballots stated by the said Inspectors of Election to have been counted and endorsed as objected to as marked for identification, and ascertained that fifteen of said ballots, a number three in excess of the total number of votes accorded to your petitioner by said original statement and return from said election district, had been cast for your petitioner as a candidate for

said office.

(d) The affidavits of James A. Maccabe, verified the 17th day of November, 1897, and John McGuire, verified the 16th day of November, 1897, and filed in this Court in "The matter of the Application of Perez M. Stewart and Howard P. Okie for an order directing the Board of County Canvassers," etc., upon the day of December, 1897.

Sixth—That said Inspectors of Election have not performed their official duties as such officers in this that they have not truly stated in the original statement and return of the votes cast for the candidates for said office at said election in said election district the number of votes received by

the plaintiff as a candidate for said office.

Seventh—That the plaintiff has instituted mandamus proceedings in this Court against said. Election Inspectors and against the defendant herein to compel said Election Inspectors to perform their duty in the premises and to make and file with the defendant a true statement and return of the votes cast at said election in said election district for said office, and to compel the defendants to canvass the said statement to be made and filed as aforesaid.

Eighth—That the plaintiff is informed and believes that, pending the determination of said mandamus proceedings, the defendant is about to issue a certificate of election to said office to said Geagan in violation of the plaintiff's rights, to his irreparable damage.

Ninth—That the plaintiff has been duly elected to said office, but by reason of the premises may be deprived thereof

Ninth—That the plaintiff has been duly elected:

may be deprived thereof.

Wherefore, the plaintiff demands judgment against the defendant, perpetually enjoining and restraining it from canvassing said alleged original statement and return now before it, or from issuing any certificate of election pending the determination of said mandamus proceedings, and for such other and further relief as to the Court may seem proper and just.

Howard P. Okie, plaintiff in person, post-office and office address, No. 35 Nassau street, New York City.

City and County of New York, ss:

Howard P. Okie, being duly sworn, says: That he is the plaintiff named in the foregoing complaint; that he has read the same and knows the contents thereof; that the same is true of his own knowledge, except as to the matters therein stated to be alleged on information and belief, and as to those matters he believes it to be true.

HOWARD P. OKIE.

Sworn to before me this 14th day of December, 1897.
