The President laid before the Council the following message from his Honor the Mayor :

No. 443.

CITY OF NEW YORK—OFFICE OF THE MAYOR, }
April 3, 1900. }

To the Honorable the Council :

I return herewith, without my approval, a resolution adopted by you on March 13, 1900, giving authority to John Thompson to keep a stand for flowers in front of his premises in Long Island City.

My objection to this resolution is that it is too general and indefinite, and without any limit in point of time, not being in terms revokable by the Municipal Assembly.

ROBT. A. VAN WYCK, Mayor.

Resolved, That John Thompson be and he is hereby given the privilege of keeping a stand for the sale of flowers at Thompson avenue, Long Island City, in front of the premises now occupied by him on said Thompson avenue.

The President laid before the Council the following message from his Honor the Mayor :

No. 249.

CITY OF NEW YORK—OFFICE OF THE MAYOR, }

To the Honorable the Council :

I return herewith, without my approval, an ordinance adopted by you on February 27, 1900, entitled "An ordinance to establish the width of the sidewalks of West Seventy-ninth street, between Amsterdam avenue and the Hudson river, Manhattan."

My objection to this ordinance is that it does nothing more than establish the width of the sidewalk as it exists to-day, instead of widening the same, as was apparently contemplated by the proceedings in the Board of Public Improvements.

ROBT. A. VAN WYCK, Mayor.

The Committee on Streets and Highways, to whom was referred, on March 6, 1900 (Minutes, page 256), the annexed ordinance of the Council in favor of establishing width of sidewalks on West Seventy-ninth street, Manhattan, respectfully

REPORT :

That, having examined the subject, they recommend that the said ordinance be adopted. AN ORDINANCE to establish width of sidewalks of West Seventy-ninth street, between Amsterdam avenue and Hudson river, Manhattan.

Be it Ordained by the Municipal Assembly of The City of New York, as follows :

That, in pursuance of section 416 of the Greater New York Charter, the following resolution of the Board of Public Improvements, adopted by that Board on the 6th day of September, 1899, be and the same hereby is approved and the public work or improvement therein provided for is hereby authorized, viz. :

Resolved, That the Municipal Assembly of this Greater New York do hereby direct the management of the various elevated railroads operating in this city to keep a paid employee in every station for the protection of the public during all the hours that the roads are operated.

MESSAGES FROM HIS HONOR THE MAYOR.

The President laid before the Board the following message from his Honor the Mayor:

No. 334.

CITY OF NEW YORK—OFFICE OF THE MAYOR,
April 3, 1900.

To the Honorable the Board of Aldermen:

I return herewith, without my approval, a resolution adopted by you on February 20, 1900, giving permission to the New York Sugar Refining Company to lay rails in Pidgeon street, in the Borough of Queens, from their premises to the East river.

My objection to this resolution is that the rails which it is proposed to lay and maintain run directly in front of property whose owners object to such a use of the street.

ROBT. A. VAN WYCK, Mayor.

Resolved, That permission be and the same is hereby granted to the New York Sugar Refining Company, on Pidgeon street, in the First Ward, Borough of Queens, City of New York, to lay a set of rails, fronting their works and premises for the purpose of facilitating the moving of the materials used and produced into and from their said works and premises, to the end thereof, adjoining the foot of said streets at the East river, the said permit to be issued by the Commissioner of Highways upon the application of said company, and to remain in force during the pleasure of the Municipal Assembly.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

No. 458.

CITY OF NEW YORK—OFFICE OF THE MAYOR,
April 3, 1900.

To the Honorable the Board of Aldermen:

I return herewith, without my approval, a resolution adopted by you on March 13, 1900, giving permission to the Harlem Four Hundred Social Club to place a transparency on a certain lamp-post in the Borough of The Bronx.

My objection to this resolution is that there is nothing to show that the advertisement to be placed on the transparency relates to a religious or charitable object, and that the use of lamp posts for advertising purposes should be restricted to advertisements of that character.

ROBT. A. VAN WYCK, Mayor.

Resolved, That permission be and the same is hereby given to the Harlem Four Hundred Social Club to place a transparency advertising their cake-walk and ball on the lamp-post on the southeast corner of One Hundred and Forty-eighth street and Willis avenue, in the Borough of The Bronx, the work to be done at their own expense under the direction of the Commissioner of Highways; such permission to continue only until April 21, 1900.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

No. 509.

CITY OF NEW YORK—OFFICE OF THE MAYOR,

To the Honorable the Board of Aldermen:

I return herewith, without my approval, a resolution adopted by you on March 20, 1900, giving permission to St. Bernard's Lyceum to keep transparencies on certain lamp-posts in the Borough of Manhattan.

My objection to this resolution is that it should be for a fixed period of time, and not indefinite and without limit.

ROBT. A. VAN WYCK, Mayor.

Resolved, That permission be and the same is hereby given to St. Bernard's Lyceum to place and keep transparencies on the following lamp-posts: Northeast corner Fourteenth street and Ninth avenue, northwest corner Thirteenth street and Eighth avenue, northwest corner Eighteenth street and Ninth avenue and northeast corner Fifteenth street and Eighth avenue, the work to be done at their own expense, under the direction of the Commissioner of Highways; such permission to continue only during the pleasure of the Municipal Assembly.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract, by his or their bond, with two sufficient sureties, each in the penal amount of fifty (50) per cent. of the bid for each article.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded as any subsequent letting, the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National Banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the same has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

Bidders will state the price for each article, by which the bids will be tested.

The quality of the articles, supplies, goods, wares and merchandise must conform in every respect to the samples of the same on exhibition at the office of the said Department, or, in the absence of samples, to the printed specifications. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required before making their estimates.

Bidders will write out the amount of their estimates in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller in accordance with the terms of the contract, or from time to time as the Commissioner may determine.

The form of the contract, including specifications, and showing the manner of payment and other details, will be furnished at the office of the Department, No. 148 East Twentieth street, New York City, and bidders are cautioned to examine each and all of its provisions carefully, as the Commissioner will insist upon its absolute enforcement in every particular.

SEALED BIDS OR ESTIMATES FOR MATERIALS and work required for installing a complete high and low pressure steam plant, electric lighting, dynamos, elevator and kitchen furnishings, in the New City Prison, Borough of Manhattan, New York City, in conformity with specifications, will be received at the office of the Department of Correction, No. 148 East Twentieth street, in the City of New York, until 12 M. of

THURSDAY, APRIL 14, 1900.

The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estm. for Installing Steam Plant, etc., in New City Prison," with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the date and hour above named, at which time and place the bids or estimates received will be publicly opened by the Commissioner, or his duly authorized agent, of said Department and read.

THE COMMISSIONER OF THE DEPARTMENT OF CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED BY SECTION 64, CHAPTER 410, LAWS OF 1882. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract, by his or their bond, with two sufficient sureties, each in the penal amount of SEVENTY-FIVE THOUSAND (\$75,000) DOLLARS.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein or in the work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders, or security, bond or security companies in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded as any subsequent letting; the amount in each case to be calculated upon the estimated amount of the supplies by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of three thousand seven hundred and fifty (\$3,750) dollars, being five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed

in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The work and materials must conform in every respect to the printed specifications and plans. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required before making their estimates.

Bidders will write out the amount of their estimates in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract.

The form of the contract, including specifications and plans, and showing the manner of payment, will be furnished at the office of the Department, No. 148 East Twentieth street, and Horgan & Slattery, architects, No. 1 Madison avenue, Borough of Manhattan, New York City, and bidders are cautioned to examine each and all of its provisions carefully, as the Commissioner of the Department of Correction will insist upon its absolute enforcement in every particular.

FRANCIS J. LANTRY,
Commissioner.

THE CONTRACTS MUST BE BID FOR SEPARATELY. BIDDERS MUST NAME A PRICE FOR EACH AND EVERY ITEM INCLUDED IN THE SPECIFICATIONS UPON WHICH THESE BIDS ARE BASED, AND ALSO STATE THE TOTAL AMOUNT OF THEIR BIDS.

Bidders must satisfy themselves by a personal examination and by such other means as they may prefer as to the nature and extent of the materials, and shall not at any time after the submission of an estimate dispute or complain of such statement, nor assert that there was any misunderstanding in regard to the materials to be furnished.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in The City of New York, and is worth the amount of the security required for the completion of this contract over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of The City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered will be approved by the Comptroller of The City of New York.

No bid or estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by The City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

N. B.—The prices must be written in the estimate and also stated in figures, and all estimates will be considered as informal which do not contain bids for all items for which bids are herein called, or which contain bids for items for which bids are not herewith called for. Permission will not be given for the withdrawal of any bid or estimate. No bid will be accepted from or contract awarded to any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.
