## HOUSING PRESERVATION AND DEVELOPMENT

■ PUBLIC HEARINGS

PLEASE TAKE NOTICE that a public hearing will be held on February 13, 2019 at 1 Centre Street, Manhattan, Mezzanine at 10:00 A.M., or as soon thereafter as the matter may be reached on the calendar, at which time and place those wishing to be heard will be given an opportunity to be heard concerning the proposed disposition of the real property identified below.

Pursuant to Section 695(2)(b) of the General Municipal Law and Section 1802(6)(j) of the Charter, the Department of Housing Preservation and Development ("HPD") of the City of New York ("City") has proposed the sale of the following City-Owned property (collectively, "Disposition Area") in the Borough of the Bronx:

Block/Lot(s)

## Address

4697 Third Avenue

3041/38 (Formerly Lots 38 & 40)

Under HPD's Extremely Low and Low Income Affordability Program, sponsors purchase City-Owned or privately owned land or vacant buildings and construct multifamily buildings in order to create affordable rental housing. Construction and permanent financing is provided through loans from private institutional lenders and from public sources including HPD, the New York City Housing Development Corporation, the State of New York, and the Federal government. Additional funding may also be provided from the syndication of low-income housing tax credits. The newly constructed buildings provide rental housing to low-income families with a range of incomes from 30% to 60% of the Area Median Income ("AMI"). Projects may include tiers of units with rents affordable to households earning up to 100% of AMI. Subject to project underwriting, up to 30% of the units may be rented to formerly homeless families and individuals.

Under the proposed project, the City will sell the Disposition Area to Dreamyard Cyrus Housing Development Fund Corporation ("Sponsor") for the nominal price of one dollar per tax lot. The Sponsor will also deliver an enforcement note and mortgage for the remainder of the appraised value ("Land Debt"). The Sponsor will then construct 1 building containing a total of approximately 52 rental dwelling units, plus one unit for a superintendent and approximately 10,700 square feet of commercial space on the Disposition Area.

The Land Debt will be repayable out of resale or refinancing profits for a period of at least thirty (30) years following completion of construction. The remaining balance, if any, may be forgiven at the end of the term.

The appraisal and the proposed Land Disposition Agreement and Project Summary are available for public examination at the office of HPD, 100 Gold Street, Room 5-I, New York, NY on business days during business hours.

The hearing location is accessible to individuals using wheelchairs or other mobility devices. ## "Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and Women-Owned Businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

• Win More Contracts at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

#### HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/ roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

#### Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS) Auministration for Unifieren's Services (ACS) Department for the Aging (DFTA) Department of Consumer Affairs (DCA) Department of Corrections (DOC) Department of Health and Mental Hygiene (DOHMH) Department of Probation (DOP) Department of Small Business Services (SPS) Department of Small Business Services (SBS) Department of Youth and Community Development (DYCD) Housing and Preservation Department (HPD) Human Resources Administration (HRA)

Office of the Criminal Justice Coordinator (CJC)

#### **CORRECTION: BODY CAMERA PROGRAM INITIATIVE YEAR 1** - Sole Source - Available only from a single source PIN#07119S0002 -Due 1-18-19 at 2:00 PM

CORRECTION: The Department of Homeless Services (DHS) Security and Emergency Operations intends to enter into a Sole Source negotiation with Axon Enterprise, Inc. to equip all DHS Peace Officers with body-worn cameras. The Body Camera Initiative trial began in October 2018, and to date, has proved to be beneficial to the agency. The Axon Enterprises, Inc. is the largest producer and distributor of body-worn cameras for law enforcement in the nation. Axon's cloud based storage and state-of-the-art software provides the DHS with easy access to view and organize large amounts of video and audio files, without need to build out an IT infrastructure. This is particularly important for DHS Peace Officers that patrol a dynamic environment and require equipment that is easy to install with little or no cost to the agency. Axon's body-worn cameras utilize Bluetooth technology that syncs to the existing Taser being carried by DHS Peace Officers and activates all body-worn cameras in 30 foot radius of the upholstered Taser.

Organizations that believe they are capable to provide 800 body-worn cameras with Bluetooth technology for DHS or are interested in similar future procurements may express their interest by letter addressed to Adrienne Williams, Office of Contracts, 150 Greenwich Street, 37th Floor, New York, NY 10007.

## AGENCY RULES

## **CONSUMER AFFAIRS**

■ NOTICE

#### **Notice of Adoption**

Notice of Adoption to amend Subchapter B of Chapter 6 of Title 6 of the Rules of the City of New York, which establishes fixed penalties for the violations of the laws and rules.

**NOTICE IS HEREBY GIVEN** pursuant to the authority vested in the Commissioner of Consumer Affairs by Sections 1043, 2203(f), and 2203(h)(1) of the New York City Charter, and Sections 10-117, 16-329(g), 17-176.1(g), 20-104(b), 20-418, and 20-702 of the New York City Administrative Code, and in accordance with the requirements of Section 1043 of the New York City Charter, that the Department amends Subchapter B of Chapter 6 of Title 6 of the Rules of the City of New York.

This rule was proposed and published on November 1, 2018. A public hearing was held on December 3, 2018.

#### Statement of Basis and Purpose of Rule

The Department of Consumer Affairs is amending Subchapter B of Chapter 6 of Title 6 of the Rules of the City of New York, which establishes fixed penalties for the violations of the laws and rules, as follows.

First, DCA amends its penalty schedule for tobacco retail dealers at Section 6-12 of Subchapter B, Chapter 6, of Title 6 of the Rules of the City of New York by adding a penalty provision for violations of 24 RCNY § 13-03. The Department of Health and Mental Hygiene recently adopted rules related to the price floors for certain tobacco products and non-tobacco shisha. These rules can be found at Sections 13-02 to 13-03 of Title 24 of the Rules of the City of New York. DCA will be enforcing these new rules. The penalties for violations of these rules are provided by Section 17-176.1(f) of Title 17 of the New York City Administrative Code.

Second, DCA amends the penalty schedule for electronic or home appliance service dealers located at Section 6-31 of Subchapter B of Chapter 6 of Title 6 of the Rules of the City of New York. Recently, DCA amended Section 2-253 of Title 6 of the Rules of the City of New York to eliminate a violation relating to electronic and home appliance service dealers, which was set forth as 6 RCNY § 253(a)(3). DCA now updates the penalty schedule to incorporate this recent change by deleting the reference to that repealed provision and updating the penalty schedule to reflect the renumbering of the required notice provision.

Third, DCA amends the penalty schedule for the consumer protection law located at Section 6-47 of Subchapter B of Chapter 6 of Title 6 of the Rules of the City of New York. This penalty schedule will now contain an entry for violations of Part 7 of Subchapter A of Chapter 5 of the Rules of the City of New York relating to sales and discounts – namely, 6 RCNY § 5-87 through 6 RCNY § 5-103. The penalties for such violations are contained in Section 20-703(a) of the New York City Administrative Code. Fourth, DCA amends the penalty schedule for public safety violations located at Section 6-61 of Subchapter B of Chapter 6 of Title 6 of the Rules of the City of New York. This penalty schedule will now contain an entry for violations of Section 10-117(d) of the Administrative Code, which prohibits displaying aerosol spray paint cans, broad tipped indelible markers or etching acid. The penalties for such violations are contained in Section 10-117(g), and DCA's authority to enforce is contained in Section 10-117(h).

Finally, Local Law 142 of 2013 amended Title 16 of the New York City Administrative Code to restrict the sale of certain expanded polystyrene items. Local Law 142 grants to the Department, among others, the power to enforce these restrictions. To implement Local Law 142, DCA adds a new rule, Section 6-70, to Subchapter B, Chapter 6, of Title 6 of the Rules of the City of New York, to establish fixed penalties for violations of this law.

New material is underlined.

[Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

## **Rule Amendment**

Section 1. Sections 6-12, 6-31, 6-47 and 6-61 of Subchapter B of Chapter 6 of Title 6 of the Rules of the City of New York are amended to read as follows:

## § 6-12 Tobacco Retail Dealer Penalty Schedule.

All citations are to Title 20 of the Administrative Code of the City of New York, Title 17 of the Administrative Code of the City of New York, Title 24 of the Rules of the City of New York, or the New York Public Health Law.

Unless otherwise specified, the penalties set forth for each section of law or rule shall also apply to all subdivisions, paragraphs, subparagraphs, clauses, items, or any other provision contained therein. Each subdivision, paragraph, subparagraph, clause, item, or other provision charged in the Notice of Violation shall constitute a separate violation of the law or rule. Unless otherwise specified by law, for violations of Title 20 of the Administrative Code, a second or third or subsequent violation means a violation by the same respondent, whether by pleading guilty, being found guilty in a decision, or entering into a settlement agreement for violating the same provision of law or rule, within three years of the prior violation(s).

Unless otherwise specified by law, for violations of § 17-176.1 of Title 17 of the Administrative Code or of § 13-03 of Chapter 13 of Title 24 of the <u>Rules of the City of New York</u>, a second or third or subsequent violation means a violation by the same respondent, whether by pleading guilty, being found guilty in a decision, or entering into a settlement agreement for violating the same provision of law or rule, within five years of the prior violation(s).

For sections of law marked by a single asterisk (\*), a second, third or subsequent violation means a violation of § 17-703, § 17-703.2, § 17-704, Subdivision (a) of § 17-704.1, § 17-705, or subdivisions (a) or (b) of § 17-706 of Title 17 of the Administrative Code, or any combination of such provisions, whether by pleading guilty, being found guilty in a decision, or entering into a settlement agreement, at the same place of business within a three-year period.

Unless otherwise specified by law, for violations of § 17-715 of Title 17 of the Administrative Code, a second or third or subsequent violation means a violation by the same respondent, whether by pleading guilty, being found guilty in a decision, or entering into a settlement agreement for violating the same provision of law or rule, within three years of the prior violation(s).

At a hearing, points assigned to a respondent's New York State to bacco registration record may be reduced, pursuant to New York Public Health Law § 1399-ee(3)(a).

In certain cases, the Department may ask for license suspension, revocation, or sealing as permitted by statute. If a respondent is found in violation of multiple provisions that require a suspension period, the suspension periods shall run concurrently.

The parties shall be authorized to present evidence to mitigate the license revocation or suspension period within the date range marked by two asterisks (\*\*).

#### ■ NOTICE

Federal Emergency Management Agency In accordance with 44 CFR Part 9 for Executive Orders 11988 and 11990 Hazard Mitigation Grant Program Project #4180-0016

Notification is hereby given to the public of the intent of the Federal Emergency Management Agency (FEMA) to provide grant funding through the Hazard Mitigation Grant Program (HMGP) to the New York State Division of Homeland Security and Emergency Services (Recipient), who will provide funds to the New York City Department of Transportation (Subrecipient) for hazard mitigation measures at the Staten Island Ferry Maintenance Facility, located at 1 Bay Street, Staten Island, Richmond County (Lat: 40.641657, Long: -74.073587).

This public notice is in accordance with Executive Order 11988 Floodplain Management and Executive Order 11990 Protection of Wetlands and FEMA's implementing regulations at 44 CFR Part 9.

The proposed undertaking includes construction of six (6) heavy duty watertight pedestrian doors with pneumatic or mechanical seals, four (4) 12' x 8' overhead doors that will be protected by a vertical lift barrier, seventy seven (77) window EZ flood panels, ten (10) 4" backwater valves to prevent water from rising through the sewer system and installation of NEMA 4x electrical enclosures for the sewer ejector pit electrical system. The project will protect the facility to at least the 0.2 percent annual chance flood (500 year event) with a design flood elevation of the sum of the base flood elevation + 1' freeboard +2.5' sea level rise.

Federal Executive Orders 11988, Floodplain Management, and 11990, Protection of Wetlands, require Federal agencies to review proposed actions in floodplains and/or wetlands and explore practicable alternatives to avoid, minimize or mitigate potential harm to or within the floodplain or wetland. The Staten Island Ferry Maintenance Facility is located in a 100-year floodplain. The proposed undertaking will reduce future physical flood damage and allow the facility to recover more efficiently following an event, and it will shorten the loss of function duration, ultimately making the facility more resilient and impervious to the threat of future flooding. The proposed undertaking will have no short- or long-term impacts to the floodplain.

The public is invited to provide comments about this project. Written comments may be submitted by mail to FEMA Region II, Hazard Mitigation Grant Program, Leo O'Brien Federal Building, 11A Clinton Square, Room 742, Albany, NY 12206-5421, or by email to FEMAR2COMMENT@fema.dhs.gov. Comments should be submitted within fifteen (15) days of this notice, no later than January 29, 2019.

**CASE COORDINATION FOR CLUSTER CONVERSION PROGRAM** - Negotiated Acquisition - Judgment required in evaluating proposals - PIN#09619N0009 - Due 2-5-19 at 2:00 P.M.

The New York City Department of Social Services/Human Resources Administration (DSS/HRA) is issuing this Negotiated Acquisition to seek Case Coordination Services to provide services to families who are formerly homeless families. DSS/HRA anticipates a total of 477 households. Although these formerly homeless families are the target population, all tenants residing in conversion buildings may request services. The Case Coordination Services Program would primarily serve households below 200 percent of the federal poverty guideline.

The majority of clients are families with minor children, with most families having more than one minor child. However, family households without children will also be served. DSS/HRA estimates most households are recipients of public benefits.

DSS/HRA reserves the right to expand the target population, as deemed necessary.

Proposers would have experience providing services to formerly homeless households. Proposers may choose to subcontract with other providers with experience serving formerly homeless families. DSS/HRA encourages Proposers to establish partnerships with community-based organizations (CBO) that have expertise serving these households and/ or with serving a wider range of populations, to ensure that the program services have the broadest possible reach.

Case Coordination Services are designed to assist clients toward achievement of one or more of the following programs: Housing, Finances, Food Resources/Availability, and/or Referrals to medical/ mental health services, ACS, substance use treatment and other supportive serves as needed.

An Information Session will be held on Tuesday, January 22, 2019, at NYC Department of Social Services/Human Resources Administration, Office of Contracts at 150 Greenwich Street, 37th Floor, Bid Room, at 2:00 P.M. Attendance at the Information Session is optional but strongly recommended by the agency.
