Petition to pave One Hundred and Fiftieth street, from Mott to Walton avenue, with granite-block pavement.

The Committee on Law Department, to whom was referred the annexed resolution granting permission to licensed vendors to stand on Ninth avenue and cross-streets, between Thirty-eighth and Forty-first streets, on Saturday and Saturday nights for the purpose of selling their merchandise, respectfully

REPORT:

That on the 6th day of June, 1879, a resolution was adopted by the Board of Aldermen and approved by the Mayor permitting licensed vendors to occupy Forty-second street, west of Eighth avenue, and within three hundred and twenty-five feet of that avenue, Saturday nights, from 6 to 12 o'clock, but not to interfere with public travel on the streets.

In May, 1880, on the application of a physician, having his residence and office at No. 303 West Forty-second street, the Supreme Court ordered a mandamus to issue to the Superintendent of Incumbrances and the Commissioner of Public Works requiring them to remove the obstructions from the street. The Court (Daniels, J.) held that under the then existing charter of the City of New York the Common Council was not authorized to permit such an obstruction of the street, and that—

"To permit the street to be occupied and obstructed in this manner was clearly unlawful. * * *

It was not simply to pass along the street or to use it as streets ordinarily are used for the convenience of the public in supplying the wants of those who reside upon them, but it was, for the time mentioned, an exclusive appropriation of so much of the street as should be found necessary for the occupancy mentioned in the resolution."

This case under the title of the People ex rel. James O'Reilly vs. The Mayor, etc., is reported in the 59th vol. Howard's Practice Reports, page 277 et seq.; and as the provisions of the present charter—the Consolidation Act of 1882—are essentially the same as those of the previous charter, the case above referred to is authority in the matter of the resolution now before this Committee.

In this view your Committee are of opinion that the resolution referred to them would be illegal and consequently respectfully recommend that it be not adopted.

Dated New York, August 11, 1885.

MESSAGES FROM HIS HONOR THE MAYOR.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, August 10, 1885.

To the Honorable the Board of Aldermen:

The admirable manner in which various city departments co-operated to insure the success of the funeral pageant of General Grant is deserving of official recognition. The Park Department, in less than two weeks, in addition to completing the tomb, practically remodeled that portion of Riverside Park in which the tomb is located. The Police Department, by its admirable arrangements, both during the time that the body was lying in state and on the day of the procession, evinced a degree of executive capacity which won for it the praise of competent critics from other cities. The Department of Public Works and the Street Cleaning Department displayed great activity in clearing the long line of march, from the City Hall to the tomb, the former in removing the building material and the obstructions falling within its jurisdiction, the latter in the removal of dirt and debris, and the procession of Saturday found the route practically free from all obstructions as well as from dust. I would respectfully suggest, therefore, to your Honorable Body, that you pass such a resolution in recognition of the services rendered by the four departments to which I have alluded as seems to you proper and fitting.

W. R. GRACE, Mayor.

In connection therewith, Alderman Kerwin offered the following:

Whereas, On the day of the lamented General Grant's funeral, when the streets of our city were thronged with over two millions of human beings, the property and homes of our citizens were preserved in security, their comfort provided for, and the peace of the city maintained, through the masterly arrangements of the Board of Police Commissioners; and

Whereas, Through the able generalship of Superintendent Murray and the efficiency of the Police force, a line of over 250,000 persons was maintained in perfect discipline and marshaled in marching order on our public streets through the busiest hours of the day and night, without any suspension of travel or traffic, and without a single mishap or accident; and

Whereas, The funeral ceremonies of General Grant attracted hundreds of thousands of visitors to our city, and the disorder and crime usually incident to such an influx of strangers was averted by the energetic and discreet action of Inspector Byrnes and the force under him; and

Whereas, All of the facts recited in the foregoing preambles reflect the highest credit on the character and discipline of the Police force, and show that under its new regime the Police Department has reached a standard of efficiency hitherto unattained, and superior to that of any force in the world;

Resolved, That we formally tender to the Board of Police Commissioners, and through them to the Police force of the City of New York, our sincere thanks for the faithful manner in which they discharged their duties during the trying period of the reception and final interment of General Grant's remains; and that in thus conveying the thanks of the Common Council, we do so with the assurance that we voice the sentiment and hearty appreciation of the citizens of the City of New York.

Resolved, That a copy of these preambles and resolutions be forwarded to the Board of Police Commissioners.

The President moved to amend by adding the following:

Resolved, That the Department of Public Works, for the artistic taste displayed and the expedition used in draping the City Hall and other public buildings; the Department of Street Cleaning for the activity evinced in cleaning and sprinkling the miles of public streets and avenues included in the route of the funeral procession, and the Department of Public Parks, for the executive ability and energy manifested in completing the tomb and practically adding another park to the number of our public places, by the improvement of that portion of Riverside Park in which the temporary tomb of General Grant is located, within less than the short period of two weeks, are also severally entitled to the unqualified praise of the municipal authorities, and we hereby, for ourselves, and in behalf of the people of this city, tender to each of the Departments above named that commendation and praise to which their invaluable services in this regard so pre-eminently entitle them.

Which was accepted by Alderman Kerwin.

The President then put the question whether the Board would agree with said preamble and resolutions as amended.

Which was decided in the affirmative.

The President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, August 10, 1885.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted July 28, 1885, providing that Croton-mains be laid in Riverdale avenue and Kingsbridge road, etc.

The Commissioner of Public Works reports to me that the portion of Kingsbridge road referred to in the resolution is a narrow roadway, with three bridges across railroads and streams ; that as there would have to be a dead end to the pipe it would be impossible to keep the water from freezing without wasting a large amount of water ; that the distance is 5,400 feet and the estimated cost \$11,000. Under the circumstances I do not think this work should be authorized at this time.

W. R. GRACE, Mayor.

Resolved, That Croton-mains be laid in Riverdale avenue, from the junction of Ackerman street to Kingsbridge road, and in Kingsbridge road to Roller Mill, and thence to the Spuyten Duyvil depot of the Hudson River Railroad, as provided in chapter 381, Laws of 1879.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, August 10, 1885.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted July 28, 1885, providing that Seventy-first street, from the Eastern Boulevard to the East river, be paved.

The Commissioner of Public Works reports to me that there are few buildings on this block, and very little public travel, and that paving at the present time is not necessary.

W. R. GRACE, Mayor.

Resolved, That the roadway of Seventy-first street, from the Eastern Boulevard to the East river, be paved with Belgian or trap-block pavement, and that crosswalks be laid at the terminating avenues where required, under the direction of the Commissioner of Public Works ; and that the accompanying ordinance therefor be adopted.

I return, without my approval, the resolution of the Board of Aldermen, adopted July 28, 1885, providing that water-mains be laid in Columbia avenue, from Hoffman street to Jackson avenue.

The Commissioner of Public Works reports to me that in order to make this resolution effective to obtain a proper water supply it should be amended by inserting "Kingsbridge road, from Hoffman street to Columbia avenue." The resolution is not properly drawn.

W. R. GRACE, Mayor.

Resolved, That water-mains be laid in Columbia avenue, from Hoffman street to Jackson avenue, as provided in chapter 381, Laws of 1879.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, August 10, 1885.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted July 28, 1885, providing that gas-mains be laid in New avenue, from One Hundred and Fourth to One Hundred and Twenty-fifth street.

The Commissioner of Public Works reports to me that this comprises a distance of over one mile ; that the avenue is in an unfinished state and is not a thoroughfare, very few of the intersecting streets connecting with it, the grade of the avenue being in some places twenty-five feet above the ground on each side ; that there are five buildings in course of erection between One Hundred and Fifth and One Hundred and Sixth streets, and that this is the only part of the avenue where gas-mains can be laid or where lamps are required.

W. R. GRACE, Mayor.

Resolved, That gas-mains be laid, lamp-posts erected and street-lamps lighted in New avenue, from One Hundred and Fourth to One Hundred and Twenty-fifth street, under the direction of the Commissioner of Public Works.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, August 10, 1885.

To the Honorable the Board of Aldermen :

M., Wednesday, August 20, 1885, at which time and place they will be publicly opened by the head of said Department and read.

Proposals must include all the items, specifying the price per cwt. for hay and straw, and per bag for oats and bran.

All of the articles are to be delivered at the various houses of the Department below Fifty-ninth street, in such quantities and at such times as may be directed.

No estimate will be received or considered after the hour named.

The award of the contract will be made as soon as practicable after the opening of the bids.
Any person making an estimate for the work shall present the same in a sealed envelope, to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

The Fire Department reserves the right to decline any and all bids or estimates if deemed to be for the public interest. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance in the sum of three thousand dollars (\$3,000); and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made and prior to the signing of the contract.

No estimate will be considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of one hundred and fifty dollars (\$150). Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-book, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk, and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded, neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.
The form of the agreement and specifications, and showing the manner of payment for the articles, may be seen and forms of proposals may be obtained at the office of the Department.

The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Groceries, Dry Goods, Cement, Crockery and Lumber," with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President of said Department and read.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for his faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him, or his or their bid or proposal, or if he or they accept, but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it, and as in default to the Corporation; and the contract will be re-advertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same, respectively, at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the prices for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inscribing the same in figures.

Payment will be made by a requisition on the Comptroller, issued on the completion of the contract, or from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.

Dated New York, August 1, 1885.

JURORS.

NOTICE

IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,
ROOM 127, STEWART BUILDING,
CHAMBERS STREET AND BROADWAY,
NEW YORK, June 1, 1885.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 10 to 3 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

CHARLES REILLY,
Commissioner of Jurors.
