Forms of proposals, specifications and contract may be had at the office of the Department.

Under the following resolution of the Board of Estimate and Apportionment of the City of New York, adopted on the 4th day of September, 1895:

"Resolved, That the Commissioner of Street Cleaning be and he is hereby authorized and directed to prepare a form of advertisement and contract, inviting proposals for the receiving, at the various dumps, in this city, and finally disposing of all ashes, sweepings and other refuse material that may be collected and delivered at said dumps by the carts of this city and by private carts authorized to collect such material, each proposal to be accompanied with a specification, stating in full the manner of proposed final disposition of such material. All clean, fresh ashes may, under the inspection of this city, be deposited by the contractor within the crib-work at Riker's Island, sweepings, garbage and other refuse material to be disposed of in such manner only that will render it unobjectionable, in any and every respect; said advertisement and form of contract to be first approved by the Counsel to the Corporation, and after such approval, said advertisement to be inserted in the CITY RECORD, and brief advertisement, calling attention to the same, inserted in all official papers for thirty days, and when proposals are received and tabulated that they be submitted to the Board of Estimate and Apportionment, for such action as may be determined."

Sealed proposals for the receiving at the various dumps in this city and finally disposing of all ashes, garbage, sweepings and other refuse material that may be collected and delivered at said dumps by the carts of this city and by private carts authorized to collect such material for a period of five years from the first day of April, 1896, will be received by the Commissioner of Street Cleaning, at the office of said Department, No. 32 Chambers street, in the City of New York, until 12 o'clock M., of Tuesday, December 10, 1895, at which place and time they will be publicly opened by the Commissioner of Street Cleaning and read.

Each proposal to be accompanied with a specification stating in full the manner of proposed final disposition.

All clean, fresh ashes may, under the inspection of the city, be deposited by the contractor within the crib-work at Riker's Island. Sweepings, garbage and other refuse material to be disposed of in such manner only that will render it unobjectionable, in any and every respect, but no part thereof shall be dumped in the waters of New York Harbor, or in the waters adjacent thereto, or in the Atlantic Ocean.

No estimate will be received or considered after the hour mentioned.

The form of the agreement, with specifications, may be seen and forms of proposals may be obtained at the office of the Department.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the above shall present the same in a sealed envelope, directed to said Commissioner of Street Cleaning, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

The Commissioner of Street Cleaning reserves the right to reject any and all bids or estimates if deemed to be for the public interest.

No bid or estimate will be accepted from or contract awarded to any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the persons interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as sureties for its faithful performance in the sum of \$500,000; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law.

The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made and prior to the signing of the contract.

No estimate will be considered unless accompanied by either a certified check upon one of the banks of the City of New York, drawn to the order of the Comptroller, or money for five per cent. of the amount for which the work bid for is proposed in any one year to be performed. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

A special deposit of ten thousand dollars in cash will be required to be made with the Comptroller of the City of New York, on or before the execution of the contract, as a security for the faithful performance of the same.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.
