## PROCEEDINGS OF THE PUBLIC SERVICE COMMISSION FOR THE FIRST DISTRICT.

FRIDAY, JANUARY 3, 1908.

AT TRIBUNE BUILDING, 154 NASSAU STREET,  
BOROUGH OF MANHATTAN, CITY OF NEW YORK.

There were present—Commissioner Milo R. Maltbie, Acting Chairman, Commissioners William McCarroll, Edward M. Bassett, John E. Eustis, Secretary Travis H. Whitney.

The Chairman was excused because of absence on business of the Commission.

(1) The Secretary presented an application by The City of New York for the Commission to determine whether First, Second and Third streets should pass over, under or at grade of the tracks of the Northside Division of the Long Island Railroad, and a request that the Commission appoint a time and place for a hearing.

It was moved, and duly seconded, that the matter be referred to the Counsel to the Commission.

Ayes—Commissioners Bassett, Maltbie, Eustis.

Nays—None.

Carried.

The application was as follows:

In the Matter

of

The application of The City of New York, relative to acquiring title to Cleveland avenue, between Thomson avenue and Skillman avenue; First street, between Thomson avenue and Jackson avenue; Second street, between Woodside avenue and Jackson avenue, and Third street, between Thomson avenue and Jackson avenue, in the Borough of Queens, The City of New York.

To the Public Service Commission, First District:

Whereas, The Board of Estimate and Apportionment of The City of New York, by a resolution adopted on the 19th day of April, 1907, initiated proceedings in the name of The City of New York to acquire title for the use of the public to the lands, tenements and hereditaments required for the purpose of opening and extending:

Cleveland avenue, between Thomson avenue and Skillman avenue;

First street, between Thomson avenue and Jackson avenue;

Second street, between Woodside avenue and Jackson avenue; and

Third street, between Thomson avenue and Jackson avenue, in the Borough of Queens, in The City of New York; and

Whereas, The said First street, Second street and Third street, so proposed to be opened, cross the tracks of the Northside Division of the Long Island Railroad Company; and

Whereas, In pursuance of section 61 of the Railroad Law (chapter 565, Laws of 1890), notice of the intention of The City of New York to lay out said First street,

Second street and Third street across the tracks of the said Northside Division of the Long Island Railroad Company was given to said railway company on April 1, 1907; and

Whereas, In pursuance of section 61 of the Railroad Law, a hearing was had thereon before the Board of Estimate and Apportionment on April 19, 1907; and

Whereas, The said Board on the said date duly determined that it was necessary that said First street, Second street and Third street should cross the tracks of the said Northside Division of the Long Island Railroad Company; and

Whereas, Section 61 of the Railroad Law provides that application shall be made to the Board of Railroad Commissioners to determine whether such streets shall pass over or under such railroad, or at grade; and

Whereas, The Corporation Counsel of The City of New York was requested by the said Board of Estimate and Apportionment, in a resolution adopted on the 19th day of April, 1907, to take the necessary steps to have the Board of Railroad Commissioners determine whether the said First street, Second street and Third street shall pass over or under such railroad, or at grade; and

Whereas, By chapter 429 of the Laws of 1907, the Board of Railroad Commissioners has been abolished and all the powers and duties of said Board are devolved upon and are to be exercised and performed by the Public Service Commission;

Now, The City of New York, in pursuance of said chapter 429 of the Laws of 1907, and of section 61 of the Railroad Law, applies to the Public Service Commission of the First District to determine whether the said First, Second and Third streets shall pass over or under, or at grade of the tracks of the said Northside Division of the Long Island Railroad Company, and requests that the Public Service Commission of the First District appoint a time and place for a hearing in relation thereto, and that a notice of the time and place of such hearing be served upon the Corporation Counsel of The City of New York.

Dated New York, December 18, 1907.

(Signed) F. K. PENDLETON,

Corporation Counsel of The City of New York.

Note—It has been proposed by the Long Island Railroad Company to elevate their tracks, but have as yet made no move to do same.

The plans are filed, and when the tracks are elevated, the above streets, First, Second and Third, will cross under the railroad. If the streets are at present regulated and graded as proposed, they will cross the tracks at grade.

(2) 2950

The Secretary presented an application by The City of New York for the Commission to determine whether Grout avenue should pass over, under or at grade of the tracks of the Flushing and North Side Division of the Long Island Railroad, and a request that the Commission appoint a time and place for a hearing.

It was moved and duly seconded that the matter be referred to the Counsel to the Commission.

Ayes—Commissioners Bassett, Maltbie, Eustis.

Nays—None.

Carried.

The application was as follows:

In the Matter

of

The application of The City of New York, relative to acquiring title to Grout avenue, between Greenpoint avenue and Fisk avenue, Second Ward, Borough of Queens, City of New York.

To the Public Service Commission of the First District:

Whereas, The Board of Estimate and Apportionment of The City of New York, by a resolution adopted on the 19th day of April, 1907, initiated proceedings in the name of The City of New York to acquire title for the use of the public to the lands, tenements and hereditaments required for the purpose of opening and extending Grout avenue, from Greenpoint avenue to Fisk avenue, Second Ward, Borough of Queens, in The City of New York; and

Whereas, The said Grout avenue, so proposed to be opened, crosses the track of the Flushing and Northside Division of the Long Island Railroad Company; and

Whereas, In pursuance of section 61 of the Railroad Law (chapter 565, Laws of 1890), notice of the intention of The City of New York to lay out said Grout street across the tracks of the said Flushing and Northside Division of the Long Island Railroad Company was given to said railroad company on April 1, 1907; and

Whereas, In pursuance of section 61 of the Railroad Law, a hearing was had thereon before the Board of Estimate and Apportionment on April 19, 1907; and

Whereas, The said Board on the said day duly determined that it was necessary that the said Grout avenue should cross the tracks of the Long Island Railroad as aforesaid; and

Whereas, Section 61 of the Railroad Law provides that application shall be made to the Board of Railroad Commissioners to determine whether Grout avenue shall pass over or under such railroad, or at grade; and

Whereas, The Corporation Counsel of The City of New York was requested by the said Board of Estimate and Apportionment, in a resolution adopted on the 19th day of April, 1907, to take the necessary steps to have the Board of Railroad Commissioners determine whether Grout avenue shall pass over or under such railroad, or at grade; and

Whereas, By chapter 429 of the Laws of 1907, the Board of Railroad Commissioners has been abolished and all the powers and duties of said Board are devolved upon and are to be exercised and performed by the Public Service Commission;

Now, The City of New York, in pursuance of said chapter 429 of the Laws of 1907, and of section 61 of the Railroad Law, applies to the Public Service Commission of the First District to determine whether Grout avenue shall pass over or under or at grade of the tracks of the said Flushing and Northside Division of the Long Island Railroad Company, and requests that the Public Service Commission of the First District appoint a time and place for a hearing in relation thereto, and that a notice of the time and place of such hearing be served upon the Corporation Counsel of The City of New York.

Dated New York, December 18, 1907.

(Signed) F. K. PENDLETON,

Corporation Counsel of The City of New York.

Note—Grout avenue would be grade crossing if regulated at present. Will cross under railroad when elevated.

(3) 2960  
The Secretary presented an application by The City of New York for the Commission to determine whether Sixth and Seventh streets should pass over, under, or at grade of the tracks of the Northside Division of the Long Island Railroad, and a request that the Commission appoint a time and place for a hearing.

It was moved and duly seconded that the matter be referred to the Counsel to the Commission.

Ayes—Commissioners Bassett, Maltbie, Eustis.

Nays—None.

Carried.

The application was as follows:  
In the Matter

of

The application of The City of New York, relative to acquiring title to Kelly avenue, between Woodside avenue and Jackson avenue; Sixth street, between Thomson avenue and Seventh street; and Seventh street, between Thomson avenue and Jackson avenue, Second Ward, in the Borough of Queens, City of New York.

To the Public Service Commission, First District:

Whereas, The Board of Estimate and Apportionment of The City of New York, by a resolution adopted on the 19th day of April, 1907, initiated proceedings in the name of The City of New York to acquire title for the use of the public to the lands, tenements and hereditaments required for the purpose of opening and extending Kelly avenue, between Woodside avenue and Jackson avenue; Sixth street, between Thomson avenue and Seventh street; and Seventh street, between Thomson avenue and Jackson avenue, in the Second Ward, Borough of Queens, City of New York; and

Whereas, The said Sixth street and Seventh street so proposed to be opened across the tracks of the Northside Division of the Long Island Railroad Company; and

Whereas, In pursuance of section 61 of the Railroad Law (chapter 565, Laws of 1890), notice of the intention of The City of New York to lay out said Sixth and Seventh streets across the tracks of the said Northside Division of the Long Island Railroad Company was given to said railroad company on April 1, 1907; and

Whereas, In pursuance of section 61 of the Railroad Law, a hearing was had thereon before the Board of Estimate and Apportionment on April 19, 1907; and

Whereas, The said Board on the said date duly determined that it was necessary that the said Sixth and Seventh streets cross the tracks of the said Northern Division of the Long Island Railroad Company; and

Whereas, Section 61 of the Railroad Law provides that application shall be made to the Board of Railroad Commissioners to determine whether such streets shall pass over, or under, such railroad, or at grade; and

Whereas, The Corporation Counsel of The City of New York was requested by the said Board of Estimate and Apportionment, in a resolution adopted on the 19th day of April, 1907, to take the necessary steps to have the Board of Railroad Commissioners determine whether the said Sixth and Seventh streets shall pass over or under such railroad or at grade; and

Whereas, By chapter 429 of the Laws of 1907, the Board of Railroad Commissioners has been abolished and all the powers and duties of said Board are devolved upon and are to be exercised and performed by the Public Service Commission;

Now, The City of New York, in pursuance of said chapter 429 of the Laws of 1907, and of section 61 of the Railroad Law, applies to the Public Service Commission of the First District to determine whether the said Sixth and Seventh streets shall pass over or under or at the grade of the tracks of the said Northside Division of the Long Island Railroad Company, and requests that the Public Service Commission of the First District appoint a time and place for a hearing in relation thereto, and that notice of the time and place of such hearing be served upon the Corporation Counsel of The City of New York.

Dated December 18, 1907.

(Signed) F. K. PENDLETON,  
Corporation Counsel of The City of New York.

(4) The Secretary presented an application by The City of New York for the Commission to determine whether Hegeman avenue should pass over, under or at grade of the tracks of the Manhattan Beach Branch of the Long Island Railroad Company, and of the Brooklyn and Rockaway Beach Railroad Company, and a request that the Commission appoint a time and place for a hearing.

It was moved, and duly seconded, that the matter be referred to the Counsel to the Commission.

Ayes—Commissioners Bassett, Maltbie, Eustis.

Nays—None.

Carried.

The application was as follows:

In the Matter

of

The application of The City of New York, relative to acquiring title to Hegeman avenue, between East Ninety-eighth street and New Jersey avenue, in the Borough of Brooklyn, City of New York.

To the Public Service Commission of the First District:

Whereas, The Board of Estimate and Apportionment of The City of New York, by a resolution adopted on the 19th day of April, 1907, initiated proceedings in the name of The City of New York to acquire title for the use of the public to the lands, tenements and hereditaments required for the purpose of opening and extending Hegeman avenue, in the Borough of Brooklyn, City of New York; and

Whereas, The said Hegeman avenue so proposed to be opened crosses the tracks of the Manhattan Beach Branch of the Long Island Railroad Company and the Brooklyn and Rockaway Beach Railroad Company; and

Whereas, In pursuance of section 61 of the Railroad Law (chapter 565 of the Laws of 1890), notice of the intention of The City of New York to lay out said Hegeman avenue across the tracks of said Manhattan Beach Branch of the Long Island Railroad Company and the Brooklyn and Rockaway Beach Railroad Company was given to said railroad companies on the first day of April, 1907; and

Whereas, In pursuance of section 61 of the Railroad Law, a hearing was held thereon before the Board of Estimate and Apportionment on the 19th day of April, 1907; and

Whereas, The said Board of Estimate and Apportionment, on the said 19th day of April, 1907, duly determined that it was necessary that the said Hegeman avenue should cross the tracks of the Manhattan Beach Branch of the Long Island Railroad Company and the Brooklyn and Rockaway Beach Railroad Company, as aforesaid; and

Whereas, Section 61 of the Railroad Law provides that application shall be made to the Board of Railroad Commissioners to determine whether such street shall pass over or under such railroads, or at grade; and

Whereas, The Corporation Counsel of The City of New York was requested by the said Board of Estimate and Apportionment, in a resolution adopted on the 19th day of April, 1907, to take the necessary steps to have the Board of Railroad Commissioners determine whether said Hegeman avenue shall pass over or under said railroads, or at grade; and

Whereas, By chapter 429 of the Laws of 1907 the Board of Railroad Commissioners was abolished and all the powers and duties of said Board are devolved upon and are to be exercised and performed by the Public Service Commission;

Now, therefore, The City of New York, in pursuance of chapter 429 of the Laws of 1907, and of section 61 of the Railroad Law, applies to the Public Service Commission of the First District to determine whether the said Hegeman avenue shall pass over or under or at grade of the tracks of said Manhattan Beach Branch of the Long Island Railroad Company and the Brooklyn and Rockaway Beach Railroad Company, and requests that the Public Service Commission of the First District appoint a time and place for a hearing in relation thereto and that a notice of the time and place of such hearing be served upon the Corporation Counsel of The City of New York.

Dated New York, December 18, 1907.

(Signed) F. K. PENDLETON,  
Corporation Counsel of The City of New York.

Note—Hegeman avenue crosses the railroad tracks referred to at grade at present, the railroad tracks being elevated at this point.

(5) The Secretary presented a report of the Grand Jury of the County of Queens, in attendance upon the December, 1907, term of the County Court of Queens County, as to investigation by them of the trolley cars of the New York and Queens County Railway Company in Long Island City, with special reference to the use of arc headlights, and to the failure of the company to provide proper signs designating the different lines.

Commissioner Bassett—"It is right to say, in that connection that District Attorney Darrin of Queens County was here yesterday, and has on several occasions conferred with me regarding these shortcomings of the Queens County lines. He has prepared a tabulation of the time of summer cars, overcrowding, etc., having hired helpers to do that, and on account of the shortness of his appropriation, he has not been able to have the matter digested and abstracted, and has at my suggestion brought all of that tabulated material here, and I have put it in the hands of the Transit Inspection Department, for them to take care of through the winter, in the expectation that next summer it can be used as the basis for having the summer travel better attended to."

It was moved and duly seconded, that the presentment of the Grand Jury be referred to one Commissioner, as a Committee.

Ayes—Commissioners Bassett, Maltbie, Eustis.

Nays—None.

Carried.

The Acting Chairman designated Commissioner Bassett as such Committee.

(6) The Secretary presented notices of deposit from the Department of Finance, which were ordered on file, and which stated:

(1) That the Comptroller had deposited \$8,000 to the credit of Rapid Transit Fund No. 2 (Public Service Commission), authorized January 25, 1907, \$3,614; March 22, 1907, \$4,386; pursuant to section 10, chapter 4, Laws of 1891, and section 7, chapter 752, Laws of 1894, as amended.

(2) That the Comptroller had deposited \$183,000 to the credit of Rapid Transit Construction Fund, Manhattan-Bronx, authorized March 31, 1905, pursuant to chapter 4, Laws of 1891, as amended by chapter 7, Laws of 1900 and sections 45, 169 and 170 of the Greater New York Charter as amended.

(3) That the Comptroller had deposited \$3,000 to the credit of Rapid Transit Fund No. 2 (Public Service Commission), authorized January 25, 1907, pursuant to section 10, chapter 4, Laws of 1891, and section 7, chapter 752, Laws of 1894, as amended.

(7) On motion, duly seconded, it was Resolved, That the following appointment be made from the Civil Service list: Mary L. K. Murphy, Telephone Operator; salary, \$50 per month; to take effect, January 6, 1908.

Ayes—Commissioners Bassett, Maltbie, Eustis.

Nays—None.

Carried.

(8) Commissioner McCarroll entered the meeting at this point.

(9) The Secretary presented a communication from the State Civil Service Commission, transmitting the following resolution:

Resolved, That H. Anderson, employed as Janitor at the office of the First Division of the Engineering Department, Public Service Commission for the First District, be and hereby is excepted from examination under the provisions of Civil Service Rule VIII, subdivision 9, it appearing that said person is engaged in private business and that the services rendered are of an occasional and exceptional character; provided, however, that his compensation shall not exceed \$6 per month.

On motion, duly seconded, it was

Resolved, That the following appointment be made:

H. Anderson, Janitor (exempt); salary, \$6 per month; to take effect on occupancy of premises by First Division.

Ayes—Commissioners McCarroll, Bassett, Maltbie, Eustis.

Nays—None.

Carried.

(10) The Secretary presented a communication from the State Civil Service Commission, transmitting the following resolution, which was ordered filed:

Resolved, That the application of the Public Service Commission for the First District for the suspension of competition, under the provisions of Rule VIII, subdivision 5, in the case of the appointment of Louis D. Foquet as assistant to the Chief Engineer, be and hereby is denied, and the Secretary directed to notify the Public Service Commission that the Chief Examiner will arrange for an open competitive examination for the position of assistant to the Chief Engineer upon receipt of formal request for the same, and that when said request is filed the Commission may nominate Mr. Foquet or any other person for provisional examination under Rule VIII, subdivision 4.

(11) The Secretary presented a communication from the City Club of New York, expressing its views against the proposed ordinance to limit to sixty-five the number of passengers that may ride on a street surface car at any one time, and recommending that the Commission require the operating companies to furnish during a stated time on each line a designated number of seats. On motion, the communication was ordered filed.

(12) The Secretary presented a communication from the Ridgewood Heights Civic Association, requesting a hearing bearing on the transit facilities of the Borough of Queens.

It was moved, and duly seconded, that the matter be referred to one Commissioner as a committee.

Ayes—Commissioners McCarroll, Bassett, Maltbie, Eustis.

Nays—None.

Carried.

The Acting Chairman appointed Commissioner Bassett as such committee.

(13) The Secretary presented a communication from Henry B. Seaman, Chief Engineer, transmitting for execution by the Commission a lease of premises at No. 317 Furman street, Brooklyn, which had been and were to be used as a suboffice of the Fifth Division, for the year 1908, the terms of the lease being the same as those of 1907, with the exception of a provision to terminate the lease on sixty days' notice from either party to the other, as the premises would probably be needed for only a few months longer.

It was moved by Commissioner Eustis, and duly seconded, that the above mentioned lease be executed by the Commission, as he, as Committee on Rooms, had examined the lease.

Ayes—Commissioners McCarroll, Bassett, Maltbie, Eustis.

Nays—None.

Carried.

(14) The Secretary stated that a communication had been received from the Coney Island and Brooklyn Railroad Company, upon Order No. 164 of Commissioner Bassett, notifying the Commission that the terms of the order were accepted and would be obeyed, except in the following three particulars, upon which the company requested a rehearing:

(1) The maintaining of gear cases half full of gear grease or other lubricant.

(2) The immediate replacement of wheels with flat spots or undue wear by wheels in good and proper condition.

(3) Varnishing the interior of all its cars.

On motion, duly seconded, the matter was referred to Commissioner Bassett.

(15) The Secretary stated that a communication had been received from the Brooklyn Union Elevated Railroad Company, upon Final Order No. 172, which required it by January 10 to place in good conditions its present platforms at the Covert avenue station of its Luthern Cemetery line, and to construct new platforms by May 1, notifying the Commission that the terms of the order were accepted and would be obeyed.

On motion, duly seconded, the matter was ordered filed.

(16) The Secretary stated that a communication had been received from the Brooklyn Union Elevated Railroad Company, upon Final Order No. 173, which requires it to erect adequate shelter partitions and improve the waiting rooms at the Thirty-sixth street station of its Fifth avenue line, notifying the Commission that the terms of the order were accepted and would be obeyed.

The communication was ordered on file.

(17) The Secretary presented the following order for hearing for adoption by the Commission:

ORDER No. 184.

By Commissioner Bassett.

Frank Bennett,  
Complainant,

vs.

South Brooklyn Railway Company,  
Defendant.

Upon the complaint of Frank Bennett herein, dated November 30, 1907, on which Order No. 124 was issued December 3, 1907, and the answer of the South Brooklyn Railway Company thereto, dated December 12, 1907,

Ordered, That upon the matters therein, a hearing be had on the 16th day of January, 1908, at 2.30 o'clock in the afternoon, or at any time or times to which the same may be adjourned, at the rooms of the Commission, at No. 154 Nassau street, Borough of Manhattan, City and State of New York.

To the end that the Commission may make such order or orders in the premises as shall be just and proper.

Further Ordered, That said Frank Bennett, of Avondale and Willard streets, Woodhaven, Borough of Brooklyn, New York City, and the said South Brooklyn Railway Company be given at least ten days' notice of such hearing, by service upon each of them, either personally or by mail, of a certified copy of this order, and that at such hearing they may be afforded all reasonable opportunity for presenting evidence and examining and cross-examining witnesses as to the matters aforesaid.

Dated New York, December 31, 1907.

E. M. BASSETT, Commissioner.

It was thereupon moved, and duly seconded, that the foregoing order be approved, confirmed and ordered filed in the office of the Commission.

Ayes—Commissioners McCarroll, Bassett, Maltbie, Eustis.

Nays—None.

Carried.

The Chairman designated Commissioner Bassett to preside.

TRAVIS H. WHITNEY, SECRETARY.

# PROCEEDINGS OF THE PUBLIC SERVICE COMMISSION FOR THE FIRST DISTRICT,

SATURDAY, JANUARY 4, 1908,

AT TRIBUNE BUILDING, 154 NASSAU STREET,  
BOROUGH OF MANHATTAN, CITY OF NEW YORK.

There were present—Chairman William R. Willcox, Commissioners William McCarroll, Edward M. Bassett, Milo R. Maltbie, John E. Eustis, Secretary Travis H. Whitney.

(1) On motion, duly seconded, it was

Resolved, That James B. Walker be appointed as Second Assistant Secretary, at a salary of \$3,300 per year, to take effect January 4, 1908.

Ayes—Commissioners Willcox, McCarroll, Bassett, Maltbie, Eustis.

Nays—None.

Carried.

(2) The Secretary presented a communication from George S. Coleman, Counsel to the Commission, suggesting the advisability of having prepared a complete index of the eight volumes of minutes of the Board of Rapid Transit Commissioners.

On motion, duly seconded, it was thereupon Resolved, That the Secretary be directed to have prepared a complete index of the minutes of the Board of Rapid Transit Commissioners, and that he be authorized to have the same published as Volume IX of the said minutes.

Ayes—Commissioners Willcox, McCarroll, Bassett, Maltbie, Eustis.

Nays—None.

Carried.

(3) Commissioner McCarroll presented the following final order for adoption by the Commission:

FINAL ORDER (No. 185).

In the Matter  
of

The hearing on the motion of the Commission on the question of improvement in and addition to the service and equipment of the Richmond Light and Railroad Company.

Under order for hearing made November 11, 1907.

This matter coming on upon the report of the hearing had herein on the 21st day of November, 1907, and it appearing that the said hearing was held by and pursuant to an order of this Commission made November 11, 1907, and returnable on November 21, 1907, and that the said order was duly served upon the Richmond Light and Railroad Company, and that the said service was by it duly acknowledged, and that the said hearing was held by and before the Commission on the matters in said order specified on November 21, 1907, and by an adjournment duly had on November 27, 1907, and by an adjournment duly had on December 4, 1907, and by adjournment duly had on December 6, 1907, and by adjournment duly had on December 9, 1907, and by adjournment duly had on December 11, 1907, and by adjournment duly had on December 17, 1907, and by adjournment duly had on December 20, 1907, and by adjournment duly had on December 31, 1907, and by adjournment duly had again on December 31, 1907, and at all of said sessions Mr. Commissioner McCarroll presiding, and Abel E. Blackmar, Esq., Counsel to the Commission, appearing for the Commission at the session of November 21, 1907, Adrian H. Larkin, Esq., appearing for the Richmond Light and Railroad Company, and at all of the other sessions Arthur DuBois, Esq., appearing for the Commission, and Adrian H. Larkin, Esq., appearing for the Richmond Light and Railroad Company, and proof having been taken at all of said sessions, except at the two sessions of December 31, 1907,

Now, it being made to appear after the proceedings upon said hearing that changes, improvements and additions in and to the regulations, equipment, appliances and service of the Richmond Light and Railroad Company in respect to the transportation of persons in the First District upon its various lines ought reasonably to be made in the manner below set forth in order to promote the security or con-

venience of the public, or of its employees, or in order to secure adequate service and facilities for the transportation of passengers, and it being made to appear that the changes, additions and improvements in regulations, equipment, appliances and service of the said company, as below set forth, are such as are just, reasonable, safe, adequate and proper, and ought reasonably to be made in order to promote the security and convenience of the public and employees.

Therefore, on motion of George S. Coleman, Esq., Counsel to the Commission, it is Ordered,

(1) That the service of the Richmond Light and Railroad Company on its St. George to Elizabethport Ferry line be supplemented and changed as follows:

(a) That the schedules be so arranged that daily, except Sundays, not less than two (2) cars leave St. George within five minutes after the arrival of each ferryboat from Manhattan, between the hours of 5 and 7 p. m., and run over the Richmond terrace, at least to the foot of Richmond avenue, Port Richmond. One of the cars must continue to the Elizabethport Ferry.

(b) That the Sunday schedules be so arranged that not less than forty-four (44) cars be run from St. George to Elizabethport Ferry over the Richmond terrace between the hours of 12 m. and 6 p. m.

(2) That all cars signed to run to St. George or to the New York Ferry at St. George be actually run over the elevated structure to the entrance of the ferry, and not stopped at Jay street.

(3) That the service of the Richmond Light and Railroad Company on its Castleton avenue line be supplemented and changed as follows:

(a) That the schedules be so arranged that daily, except Sundays, not less than two (2) cars leave St. George within five minutes after the arrival of each ferryboat from Manhattan, between the hours of 5 and 7 p. m., and run over the Castleton avenue route to Columbia street.

(b) That the schedules be so arranged that daily, except Sundays, not less than two (2) cars leave Columbia street and run over the Castleton avenue route to St. George to meet each boat leaving St. George between the hours of 7.45 and 8.45 a. m., both inclusive.

(4) That the following additions and changes in equipment be made and completed as soon as possible, but not later than May 15, 1908:

(a) That the company pass through the shops, making every required repair, all the present open car bodies, and all trucks and equipment, turning them out in as perfect condition as possible.

(b) That the company provide and equip all cars in service with two new automatic circuit breakers of sufficient capacity and modern type.

(c) That the company provide and equip each of its cars in service with a gear case for each motor thereon, and that each gear case shall at all times be maintained with sufficient gear grease to reduce the noise made by the gear and pinion to a minimum. The gear case should preferably be maintained half full of grease.

(d) That the company provide and maintain, in good condition, on all of its cars in service, two head lights of the type used upon the fifteen-bench open cars, numbered 71 to 90, or light of equal power that will not project from the dash of the car further than those upon the fifteen-bench open cars numbered 77 to 90.

(e) That the company provide and maintain in good condition two sets of fenders, complete, upon each car in service.

(f) That the company provide and equip each car in service with proper lighting arrest equipment.

(g) That the company exercise care that trolley ropes are of sufficient length to permit of trolley wheel following the trolley wire at railway crossings.

(h) That no more overhead trolley wire of the size known as No. O be erected, but that all new wire constructed and all repairs and replacing of old or worn wire be made with No. OO wire.

(i) That the company carefully examine all wooden poles and change those that show a dangerous condition from decay or other cause and reset all poles that have excessive lean.

(j) That the company overhaul all sections of track now in condition that cars cannot be operated at normal speed without severe oscillation, and make track suitable for satisfactory operation of fifteen-bench open cars. This refers particularly to all sections outside the paved streets.

(k) That the company exercise great care that all cars are properly equipped with sand box outfits, and that they are at all times kept supplied with suitable sand.

And it is further

Ordered, That this order shall take effect on January 10, 1908, and shall continue in force for a period of two years from and after the date of its taking effect, but without prejudice to an order for further or additional hearings, and action thereon by the Commission in respect of anything herein prescribed, or in respect of anything covered by the order for hearing herein prior to the expiration of said period of two years.

And it is further

Ordered, That before January 10, 1908, the said Richmond Light and Railroad Company notify the Public Service Commission for the First District whether the terms of this order are accepted and will be obeyed.

It was moved, and duly seconded, that the foregoing order be approved and confirmed, and ordered filed in the office of the Commission.

Ayes—Commissioners Willcox, McCarroll, Bassett, Maltbie, Eustis.

Nays—None.

Carried.

(4) Commissioner McCarroll presented the following Final Order for adoption by the Commission:

FINAL ORDER No. 186.

In the Matter  
of

The hearing on the motion of the Commission on the question of improvement in and addition to the service and equipment of the Staten Island Midland Railway Company.

Under order for hearing, made November 11, 1907.

This matter coming on upon the report of the hearing had herein on the 21st day of November, 1907, and it appearing that the said hearing was held by and pursuant to an order of this Commission, made November 11, 1907, and returnable on November 21, 1907, and that the said order was duly served upon the Staten Island Midland Railway Company, and that the said service was by it duly acknowledged, and that the said hearing was held by and before the Commission on the matters in said order specified on November 21, 1907, and by an adjournment duly had on November 27, 1907, and by an adjournment duly had on December 4, 1907, and by adjournment duly had on December 6, 1907, and by adjournment duly had on December 9, 1907, and by adjournment duly had on December 11, 1907, and by adjournment duly had on December 17, 1907, and by adjournment duly had on December 20, 1907, and by adjournment duly had on December 31, 1907, and by adjournment duly had again on December 31, 1907, and at all of said sessions, Mr. Commissioner McCarroll presiding, and Abel E. Blackmar, Esq., Counsel to the Commission, appearing for the Commission at the session of November 21, 1907, Adrian H. Larkin, Esq., appearing for the Staten Island Midland Railway Company, and at all of the other sessions Arthur DuBois, Esq., appearing for the Commission, and Adrian H. Larkin, Esq., appearing for the Staten Island Midland Railway Company, and proof having been taken at all of said sessions, except at the two sessions of December 31, 1907.

Now it being made to appear after the proceedings upon said hearing that changes, improvements and additions in and to the regulations, equipment, appliances and service of the Staten Island Midland Railway Company in respect to the transportation of persons in the First District upon its various lines ought reasonably to be made in the manner below set forth in order to promote the security or convenience of the public, or of its employees, or in order to secure adequate service and facilities for the transportation of passengers, and it being made to appear that the changes, additions and improvements in regulations, equipment, appliances and service of the said company, as below set forth, are such as are just, reasonable, safe, adequate and proper, and ought reasonably to be made in order to promote the security and convenience of the public and employees.

Therefore, On motion of George S. Coleman, Esq., Counsel to the Commission, it is

Ordered—

(1) That the service of the Staten Island Midland Railway Company, on its Silver Lake line, be supplemented and changed so that daily, except Sundays, not less than two cars leave St. George within five minutes after the arrival of each ferry-boat from Manhattan, between the hours of 5 and 7 p. m., and run over Silver Lake and Richmond turnpike route to Port Richmond.

(2) That all cars signed to run to St. George or to the New York Ferry at St. George be actually run over the elevated structure to the entrance of the ferry, and not stopped at Jay street.

(3) (b) That the company replace with new parts all broken, cracked or defective parts of the Bemis or St. Louis trucks now or recently in use under the closed car bodies numbers 150 to 163, inclusive.

(c) That the company pass through the shops, making every required repair, all the present open car bodies, trucks, equipment, turning them out in as perfect condition as possible before May 15, 1908.

(d) That the company provide and equip all cars in service with two new automatic circuit breakers of sufficient capacity and modern type.

(e) That the Company provide and equip each of its cars in service with a gear case, for each motor thereon, and that each gear case shall at all times be maintained with sufficient gear grease to reduce the noise made by the gear and pinion to a minimum. The gear case should preferably be maintained half full of grease.

(f) That the company provide and maintain in good condition on all of its cars in service, two head lights, of the type used upon the 15-bench open cars, numbered 71 to 90, on the Richmond Light and Railroad Company, or headlights of some other type of not less power that will not project from the dash of the car further than those upon the 15-bench cars of the Richmond Light and Railroad Company, Nos. 71 to 90.

(g) That the company provide and maintain in good condition two sets of fenders, complete, upon each car in service.

(h) That the company provide and equip each car in service with proper lighting arrest equipment.

(j) That the company exercise care that trolley ropes are of sufficient length to permit of trolley wheel following the trolley wires at railway crossings.

(k) That no more overhead trolley wire of the size known as No. O be erected, but that all new wire construction and all repairs and replacing of old or worn wire be made with No. OO wire.

(m) That the company carefully examine all wooden poles and change those that show a dangerous condition from decay or other cause and reset all poles that have excessive lean.

(o) That the company overhaul all sections of track now in such condition that cars cannot be operated at normal speed without severe oscillation, and make track suitable for satisfactory operation of 15-bench open cars. This refers particularly to all sections outside the paved streets.

(p) That the company exercise great care that all cars are properly equipped with sand box outfits and that they are at all times kept supplied with suitable sand.

And it is further

Ordered, That this order shall take effect January 10, 1908, but the provisions in section 3 and its subdivisions shall be completed as soon as possible, but not later than May 15, 1908. This order shall continue in force for a period of two years from and after its date, but without prejudice to an order for further or additional hearings and action thereon by the Commission in respect of anything herein prescribed, or in respect of anything covered by the order for hearing herein prior to the expiration of said period of two years.

And it is further

Ordered, That before January 10, 1908, the said Staten Island Midland Railway Company notify the Public Service Commission for the First District whether the terms of this order are accepted and will be obeyed.

It was moved and duly seconded that the foregoing order be approved and confirmed, and ordered filed in the office of the Commission.

Ayes—Commissioners Willcox, McCarroll, Bassett, Maltbie, Eustis.

Nays—None.

Carried.

(5) ORDER No. 187.

O-187

On motion, duly seconded, it was

Resolved, That the Brooklyn Union Elevated Railroad Company be requested to furnish the following information:

(1) Statement of the number of passengers by the month carried on the Brighton Beach line during the year ending December 31, 1907.

(2) Statement as to whether these figures are based on cash fares, or, if otherwise, on what basis.

(3) Statement of the number of passengers, if possible, carried between New York and Kings highway, and also between Kings highway and Brighton Beach or points beyond.

(4) Statement of running time between Culver depot, Kings highway, Franklin avenue, Sands street, and New York, as well as trains running to and from Fulton Ferry for the full twenty-four hours of weekdays and Sundays.

(5) Schedule of headway of trains and number of cars going to make up trains (if not shown in the above) as operated between New York and Kings highway; also between New York and Brighton Beach.

Ayes—Commissioners Willcox, McCarroll, Bassett, Maltbie, Eustis.

Nays—None.

Carried.

TRAVIS H. WHITNEY, SECRETARY.

PROCEEDINGS OF THE  
PUBLIC SERVICE COMMISSION FOR THE FIRST DISTRICT,  
MONDAY, JANUARY 6, 1908,

Resolved, That the appointments of James J. Grace and John M. Taylor be terminated.

Ayes—Commissioners McCarroll, Bassett, Maltbie, Eustis.

Nays—None.

Carried.

(5) The Secretary stated that Edward F. Dougherty, who was appointed Transit Inspector on December 30, had declined the appointment, under date of January 1.

(6) The Secretary presented the following Order for adoption by the Commission:

FINAL ORDER No. 188.

In the Matter

of

The application of the Long Island Railroad Company for permission to change the local freight tariff of rates for storage of carload and less than carload freight applicable at all stations.

Whereas, The present tariff, P. S. C. 1, N. Y., No. 25, on file with the Commission, includes rates for storage in cars on public team tracks in addition to the usual car service charges to apply on carload freight placed on public team tracks for delivery to consignee;

Now, upon motion, duly seconded, it is

Resolved, That the Long Island Railroad Company be granted permission to put into effect three days after publication at stations and filing with the Commission, a local freight tariff of rates for storage of carload and less than carload freight applicable at all stations, eliminating the rates above mentioned for storage in cars on public team tracks in addition to the usual car service charges, such new tariff to be published in Tariff P. S. C. 1, N. Y., No. 68.

It was moved and duly seconded that the foregoing order be approved and confirmed and ordered filed in the office of the Commission.

Ayes—Commissioners McCarroll, Bassett, Maltbie, Eustis.

Nays—None.

Carried.

(11) O-171  
The Secretary stated that the following communication had been received from Adrian H. Joline and Douglas Robinson, Receivers of the New York City Railway Company, and, on motion, duly seconded, the matter was referred to Commissioner Maltbie:

NEW YORK CITY RAILWAY COMPANY.  
NEW YORK, January 4, 1908.

To the Honorable the Public Service Commission for the First District, No. 154 Nassau Street, New York City:

DEAR SIRS—We beg to acknowledge receipt of your order, No. 171, dated December 27, 1907, under order for hearing made November 27, 1907, relative to the service on the Eighth avenue line.

We do not concede the correctness of the recitals in said order to the effect that the transportation of persons on the Eighth avenue line has been or is unreasonable, improper or inadequate, or that we do not run cars enough on said line reasonably to accommodate the traffic offered for transportation, or that it will be just, reasonable or proper that said service should be supplemented in the particulars set forth in the order. Your attention is called, for example, to the fact that specification numbered (3), providing for running on Sundays south from One Hundred and Forty-ninth street to Thirteenth street not less than 600 cars increases the service to an extent far in excess of the actual requirements. It is a well known fact to all familiar with street railway management that the volume of traffic varies extremely on Sundays. The difference between rainy and pleasant Sundays as regards the number of passengers carried, is often as great as 75 per cent. Under these circumstances, to order a fixed number of cars to be operated on that day is, in our judgment, wholly unjustifiable. The proper operation of the road demands a reasonable flexibility in the service, so that the number of cars can be varied to meet its changing requirements. No arbitrary rule can be followed without substantial injustice, either to the public on the one hand, or the management on the other. You will observe by reference to three blue prints submitted to you at your request, and showing the comparison between the seating capacity and the number of passengers riding on the Eighth avenue cars on Sunday, December 15 (which was a stormy day), that these records show that sufficient seating capacity was afforded substantially all day. Notwithstanding this fact, the specification of your order above referred to would require that approximately 3,600 car miles per day should be operated in excess of the car mileage operated on the Sunday in question. On the basis of 18 cents per car mile, this would mean an expenditure of approximately \$34,000 a year. Considering the average number of stormy Sundays it is evident that a substantial sum of money will be practically wasted. In view of the present financial conditions and the difficulties which we are having in an endeavor to properly accommodate the public, with the means at our disposal, it seems to us that such a requirement as the one in question is neither just, reasonable nor proper.

We further call your attention to the fact that we are not advised by your order whether the stated number of trips required by you shall be distributed evenly throughout the various periods specified, or, if not, how such trips are to be distributed. You must, of course, recognize that the requirements of traffic, for example, between 7 a. m. and 10 a. m., demand that many more trips should be run during certain portions of that period than during others. As you have undertaken to specify the exact service that should be provided, it seems to us reasonable and only fair to us that you should be more specific as to the details of your requirements.

Your attention is further called to the fact that the order in question, in connection with your order No. 52, regarding the Fourth and Madison avenue line, and order No. 179, concerning the overhauling of the equipment, will naturally operate to draw a large number of cars from other lines in the system, with a corresponding curtailment in the service thereby afforded.

Although, for the reasons above suggested and others unnecessary to specify, we consider your order unreasonable, we are disposed to endeavor to meet your views so far as may be practicable, and you are accordingly advised that on and after January 15 service will be provided on the Eighth avenue line in accordance with the terms of said order No. 171, as follows:

"(1) By running south from One Hundred and Forty-ninth street daily, except Sundays, cars as follows:

Between 7 a. m. and 10 a. m., not less than one hundred and ten (110) cars, to run at least as far south as Thirteenth street.

Between 6.30 p. m. and 8.30 p. m., not less than seventy (70) cars, to run at least as far south as Thirteenth street.

"(2) By running north from Thirteenth street, daily, except on Sunday, cars as follows:

Between 4.30 p. m. and 6.30 p. m., not less than one hundred and thirty (130) cars, to run at least as far north as One Hundred and Forty-ninth street.

Between 10 p. m. and 11.30 p. m., not less than fifty (50) cars, to be run at least as far north as One Hundred and Forty-ninth street.

"(3) By running on Sundays, south from One Hundred and Forty-ninth street, cars as follows:

Between 10 a. m. and 11.30 p. m., not less than six hundred (600) cars, to run at least as far south as Thirteenth street.

"(4) By running not less than six (6) cars in each hour of the night and morning, daily and Sundays, from Thirteenth street north to One Hundred and Forty-ninth street, and from One Hundred and Forty-ninth street south at least to Thirteenth street, the cars to be as evenly distributed as possible in each hour."

Very truly,

(Signed) ADRIAN H. JOLINE,

(Signed) DOUGLAS ROBINSON,

Receivers.

(12) O-179  
The Secretary stated that the following communication had been received from Adrian H. Joline and Douglas Robinson, receivers of the New York City Railway Company, and, on motion, duly seconded, the matter was referred to Commissioner Maltbie:

NEW YORK, January 4, 1908.

To the Honorable the Public Service Commission for the First District, No. 154 Nassau Street, New York City:

DEAR SIRS—We beg to acknowledge receipt of your order No. 179, dated December 30, 1907, relative to repairs, improvements and additions to equipment and appliances, including rolling stock, of the New York City Railway Company.

We do not concede the correctness of the recital of fact contained in said order, to the effect that the equipment, appliances and devices in question are unsafe, or improper, or that the repairs directed by said order ought reasonably to be made to promote the security of the public, or that the time given within which to make such repairs is reasonable.

As stated in our letter to you of December 20, we have been engaged since our appointment in pushing as vigorously as possible, with all available means at our command, the work of repair and maintenance of the rolling stock operated by us. Although laboring under great disadvantages, we have made notable progress so that by the early part of December the number of cars disabled on the road had been reduced to less than half the number disabled under similar conditions immediately prior to the receivership. While admitting that, for causes entirely beyond our control, the rolling stock is in many respects inadequate, we take issue with the statement that it has been at any time during the receivership, or is now, unsafe either for the public or our employees. Our entire effort has been directed (and we think successfully) towards giving the best possible service to the public consistent with the physical facilities and money which we have had at our disposal. The equipment has been rehabilitated as rapidly as was possible under the circumstances, having due consideration to the necessities and convenience of the traveling public. We cannot promise or undertake, with the facilities and resources at our command, a full and literal compliance with the provisions of your order. We will, however, so far as means will allow, provide the inspection thereby required, as follows:

"That the cars operated in The City of New York of said New York City Railway Company or of said Receivers, receive a thorough inspection, covering car bodies, motor and electric equipment, wiring and trucks, and that said cars be thoroughly overhauled and repaired so that when completed they and each of them shall be in first class operating and substantially new condition, having safe, proper and adequate car bodies, headlights, pilot fenders, wiring, brasses, controllers, automatic circuit breakers, resistances, axle gear, wheels, armature pinions and car wheels."

We will further use our best endeavors to see that on and after the 15th day of February, 1908, not fewer than ten (10) of said cars are turned out daily, not including Sundays and legal holidays, so overhauled and repaired. Referring again to our letter of December 20, we once more suggest that the sending to the repair shops of ten cars a day for the thorough overhauling specified (which will require several days for each car), if begun at a season of the year when it is not practicable to substitute open cars for those withdrawn, may reasonably be expected to result in a shortage of cars available for service. In that event, however, we shall endeavor so far as practicable to avoid any reduction of service on lines where you have already designated operating schedules.

Yours very truly,

(Signed) ADRIAN H. JOLINE,

(Signed) DOUGLAS ROBINSON,

Receivers.

(13) O-176  
The Secretary stated that a communication had been received from Alfred Skitt, President of the New York City Interborough Railway Company, upon Final Order No. 176, in regard to a complaint of Thomas J. Shine and 128 others, as to a change of route between Kingsbridge road and One Hundred and Fifty-fifth street, notifying the Commission that the terms of the order were accepted and would be obeyed. On motion, duly seconded, the communication was ordered filed.

(14)  
The Secretary presented a communication from Robert H. Fuller, Secretary to the Governor, transmitting a letter addressed to the Governor by a committee of the Central Labor Union of the Boroughs of Brooklyn and Queens, requesting that the Commission take steps to produce betterment in the service and equipment of surface and elevated lines.

On motion, duly seconded, and carried, the Secretary was directed to reply to the communication of the Central Labor Union, setting forth improvements ordered by the Commission along the lines of their suggestions, and to send a copy of this reply to the Governor.

(15)  
The Secretary presented a petition submitted in person by William H. Booth, and bearing 193 signatures, asking that the proposed extension of the West Farms branch of the subway from One Hundred and Eightieth street to One Hundred and Eighty-second street, be abandoned, for the reasons that (1) the station at One Hundred and Eightieth street was more convenient to the greater number of people than would be one at One Hundred and Eighty-second street, as One Hundred and Eightieth street was the main crosstown street of the locality, it crossing the Bronx river, and no other street crossing the river for more than a mile above; that (2) for people desiring to visit that part of Bronx Park east of the Bronx river, the station at One Hundred and Eightieth street was more convenient, because of the bridge on that street, the entrance to the Zoological Gardens at One Hundred and Eighty-second street also being only 500 feet from the present station; and that (3) the extension would damage property on Boston road by cutting off light, air and access to the property and by creating noise and confusion.

On motion, duly seconded, the communication was referred to Commissioner Eustis.

(16) The Secretary presented a communication from F. C. Leubuscher, President of the Manhattan Single Tax Club, relative to amendments to the Rapid Transit Act, which, on motion, was referred to Commissioner Maltbie.

(17) Commissioner Bassett stated that at the request of the Ridgewood Heights Improvement Association referred by the Commission at its meeting on January 3, to him for action, he had notified that organization that he would give a hearing in the matter on January 16, at 4 p. m.

(18) The Secretary presented the following communications:

INTERBOROUGH RAPID TRANSIT COMPANY.  
January 6, 1908.

Public Service Commission, First District, Tribune Building, New York:

GENTLEMEN—At 12.51 a. m. on the ninth (9th) day of January, 1908, the Interborough Rapid Transit Company will be ready to operate that portion of the rapid transit railroad constructed under Principal Contract No. 2, dated July 21, 1902, which lies between the South Ferry station, Manhattan, and the Borough Hall station, Brooklyn. The company, therefore, asks your Commission to formally authorize the operation of this portion of the railroad on that date.

Yours very truly,  
E. P. BRYAN, President.

January 6, 1908.

TRAVIS H. WHITNEY, Esq., Secretary, Public Service Commission for the First District:

DEAR SIR—I beg to report that the tunnels between South Ferry, Manhattan, and Borough Hall, Brooklyn, are satisfactorily completed, and, as requested by the contractor, may be opened for operation.

Very truly yours,  
HENRY B. SEAMAN, Chief Engineer.

Thereupon, on motion, duly seconded, it was

Resolved, That authority be and the same hereby is given to the Interborough Rapid Transit Company to open for operation that portion of the rapid transit railroad now under construction, pursuant to contract dated July 21, 1902, between the South Ferry station, Manhattan, and the Borough Hall station, Brooklyn, to begin passenger traffic on the said portion of said railroad on the 9th day of January, 1908, subject to the payment of rental as provided in said contract; provided, however, that the stations on the said route so opened are to be used solely for railroad purposes and not for the sale of any merchandise or the display of any advertisements.

Ayes—Commissioners McCarroll, Bassett, Maltbie, Eustis.

Nays—None.

Carried.

TRAVIS H. WHITNEY, SECRETARY.

## MUNICIPAL CIVIL SERVICE COMMISSION.

Minutes of Meeting of the Municipal Civil Service Commission of The City of New York Held at the Commission's Offices, No. 299 Broadway, on Wednesday, December 11, 1907, at 10 a. m.

Present—President William F. Baker and Commissioners R. Ross Appleton and Frank L. Polk.

The President, Mr. William F. Baker, presided.

A public hearing was had on the proposed amendment of the classification by striking from the exempt class, under the heading "Law Department," the line "75 Assistants to the Corporation Counsel," and inserting in place thereof the following:

"45 Assistants (salaries not less than \$4,000 each)."

"30 Deputy Assistants (salaries less than \$4,000, but not less than \$2,500 each)."

Also by striking from the exempt class, under the heading "Law Department," the following:

"Chief Clerk."

Hon. Francis K. Pendleton, Corporation Counsel, appeared before the Commission and amended his request by asking that the line "75 Assistants to the Corporation Counsel" be stricken from the exempt class and that the following be substituted therefor:

"75 Assistants to the Corporation Counsel (with annual salaries not less than \$3,000 each)."

—that the title "Chief Clerk" be stricken from the exempt class, and that the title "Deputy Assistant" be included in group 6 of Part I. of the competitive class. Mr. Elliot H. Goodwin, Secretary of the Civil Service Reform Association, appeared in favor of the proposed amendments. There was no opposition and the hearing closed.

A public hearing was had on the proposed amendment of the classification by striking from the exempt class all reference to the Board of Elections of The City of New York. President John T. Dooling of the Board of Elections, and Commissioners Fuller and Page, appeared in behalf of the amendment. Mr. Elliot H. Goodwin, Secretary of the Civil Service Reform Association, opposed the same and requested that action by the Commission be deferred in order to give him an opportunity to file a brief. The hearing closed.

After the Commission had gone into regular session, the minutes of the meeting held December 4 were approved.

On motion, it was

Resolved, That action on the foregoing applications for amendments to the Municipal Civil Service classification be and the same hereby is postponed.

The following transfers were approved on the recommendation of the Committee on Transfers:

674. Miss Miriam T. Frank, from Stenographer and Typewriter, third grade, to Clerk, third grade, in the office of the President of the Borough of Queens, her original examination having qualified her for the latter position, and there being no one eligible to compete with her.

696. John J. Carroll, from Inspector of Tenements in the Tenement House Department to Sanitary Inspector in the Department of Health.

697. George H. Gordon, Court Stenographer (\$2,000 per annum), from the City Magistrates' Court, First Division, to the Fifth District Municipal Court, Manhattan.

698. Miss Sarah Klein, Typewriting Copyist, second grade (\$750 per annum), from the Tenement House Department to the Law Department.

The following transfer was disapproved on the recommendation of the Committee on Transfers:

688. William Wagner, from the position of Janitor to that of Attendant in the Municipal Court of The City of New York, Borough of Manhattan, Thirteenth District, for the reason that it would be contrary to the decision of the Court of Appeals in the case of People ex rel. Hale vs. Municipal Civil Service Commission, Mr. Wagner's name being No. 27 on the Manhattan list of Court Attendants.

The following reinstatements were approved on the recommendation of the Committee on Reinstatements:

693. Adolph J. Cohn, in the position of Clerk, second grade (\$800 per annum), in the Department of Correction, he having resigned from a similar position on November 15, 1907.

694. James Farrelly, in the position of Keeper in the Department of Correction, he having resigned from a similar position on March 20, 1907.

702. Charles Fring, in the position of Keeper in the Department of Correction, he having resigned from a similar position on December 3, 1907.

703. John F. Malloy, in the position of Keeper in the Department of Correction, he having resigned from a similar position on December 15, 1906.

The Secretary presented, for the consideration of the Commission, the request of the President of the Borough of Brooklyn for approval of the transfer of Thomas W. O'Connell from the position of Clerk, at a salary of \$750 per annum, in the office of

the Municipal Civil Service Commission, to that of Clerk, at \$750 per annum, in his department. The transfer was approved, and the Secretary was directed to issue a certificate to that effect.

The President presented the following report on transfers, reinstatements, etc., in the labor class, acted upon by him:

### Application Denied.

Request of the President of the Borough of Brooklyn, dated November 27, for authority to transfer James Leddy from Sewer Cleaner to Driver, he having served less than one year in the former position.

The report of the President was adopted.

On motion, it was

Resolved, That the Chief Examiner be and he hereby is directed to summon Mrs. Jane M. DuBlau, of No. 7 West One Hundred and Second street, for a non-competitive examination to qualify her for appointment to the position of Monitor in the office of the Municipal Civil Service Commission, pursuant to the provisions of Rule XVIII.

On motion, it was

Resolved, That clause 2 of Regulation XIV. of the General Regulations of the Municipal Civil Service Commission be and the same hereby is amended by striking therefrom all that follows the word "appointment" in the seventh line, so that the clause shall read:

"2. Where certification is required to be made according to residence, the residence of any candidate shall be deemed to be the place stated by him in his application to be his legal residence at the time such application was filed; but in case the candidate has removed from the Borough or other prescribed geographical division in which he resided at the time of his application he shall no longer be eligible to appointment."

The appeals of the following named candidates for a rerating of their examination papers were denied on the recommendation of the Chief Examiner, no errors of marking or rating having been indicated:

George Orr, Jr., Richmond Hill, L. I., Oil Surveyor.

Mathias Deller, No. 505 West Forty-seventh street, Dump Inspector.

Joseph F. Quinn, No. 352 East Fifty-fifth street, Lieutenant, Police Department.

The following appeals were granted on the recommendation of the Labor Clerk:

James Lynch, No. 182 Tillary street, Brooklyn; restoration of name to the regular eligible list of Climber and Pruner. Stated that when he received notice of certification he was sick and unable to report, and furnished a doctor's certificate to that effect.

Herman Almroth, No. 609 East One Hundred and Fiftieth street; restoration of name to the regular eligible list of Park Laborer, Borough of The Bronx. The Department made an error in addressing envelope containing notice of certification.

A communication was presented from the Chief Examiner, dated December 5, submitting the following statement of examinations held during the month of November, 1907:

The communication was ordered filed.

A report was presented from the Record Clerk, dated December 5, to the effect that George Koch, of No. 121 Smith street, Evergreen, L. I., had called at the office and stated that on October 10, 1907, he had mailed an application for the position of Patrolman to the office of the Commission in a registered letter, for which he showed a receipt; but that, although a careful search had been made the said application could not be located. The action of the Secretary in giving the candidate a conditional notice for the examination was approved and he was instructed to file a duplicate application.

A communication was presented from the Chief Payroll Clerk, dated December 11, calling attention to the fact that one Thomas B. Sheridan, an Attendant in the office of the President of the Borough of Manhattan, had been appointed on March 9, 1904, as a Monitor in the office of the Commission from the eligible list for that position, and that, although there was no record of his ever having served in that capacity, his name was still on the roster. The Secretary was directed to remove Mr. Sheridan's name from the list of Monitors on the roster of the Commission and to inform him that such action had been taken in view of the provision of the Charter to the effect that no person may be employed by the City in a dual capacity.

On motion, it was

Resolved, That Mr. John E. Quinn, of No. 71 East Fifteenth street, Brooklyn, be and he hereby is appointed an Expert Examiner in the office of the Municipal Civil Service Commission, to conduct the practical examination of candidates for the positions of Paver and Rammer, at a compensation of \$10 a day while employed.

On motion, it was

Resolved, That the provision of clause 12 of Rule VII., to the effect that "no person who has entered any examination for appointment to a competitive position and failed therein, or who has withdrawn therefrom, shall be admitted within nine months from the date of such examination to a new examination for the same position," be and the same hereby is waived so far as it applies to the coming examination for Mechanical Draughtsman.

The action of the President in ordering the installation of an interior telephone system in the offices of the Commission was approved.

On motion, it was

Resolved, That Edward H. Pearse, Leveler in the Department of Water Supply, Gas and Electricity, Borough of Brooklyn, having been inadvertently admitted to a promotion examination, he having been charged with a violation of the Civil Service Law and his case still being in abeyance, the Chief Examiner is hereby directed not to rate his papers.

A letter was presented from the Commissioner of Parks, Boroughs of Manhattan and Richmond, dated December 5, requesting that, pending the creating of the position of Curator for the Jumel Mansion by the Board of Estimate and Apportionment, the Commission grant authority for the employment of William H. Shelton, of No. 14 West Twelfth street, in that capacity, pursuant to the provisions of paragraph 6 of Rule XII.

On motion, it was

Resolved, That, pursuant to the provisions of Civil Service Rule XII., paragraph 6, William H. Shelton, of No. 14 West Twelfth street, be and he hereby is excepted from examination to be employed for a temporary period as Curator for the Jumel Mansion; provided, however, that his total compensation for the services rendered shall not exceed the sum of \$750.

A letter was presented from the Police Commissioner, dated December 5, requesting that Mr. Linus Seely be excepted from examination, pursuant to the provisions of Rule XII., paragraph 6, to be employed as an Expert Builder to advise the Police Commissioner in regard to the construction of and repairs to station houses and other buildings of the Police Department, with compensation at the rate of \$3,000 per annum. The Secretary was directed to communicate with the Police Commissioner and request him to furnish the Commission with a statement of Mr. Seely's qualifications for the work in view.

The request of the Board of Water Supply for approval of an additional leave of absence, without pay, for one month from December 1, 1907, in the case of James W. Laird, Rodman, was granted, subject to the furnishing of a doctor's certificate.

A letter was presented from the Secretary of the Borough of Manhattan, requesting approval of a leave of absence, without pay, for a period of four months from December 15, 1907, granted Mr. Gustave J. Steinacher, Rodman, on account of illness. The leave of absence was approved, subject to the furnishing of a doctor's certificate.

A letter was presented from the Secretary of the Department of Public Charities, requesting the Commission to hold an open competitive examination for the position of Dietitian, and stating that the salaries attached to that position in said Department were \$720, \$900 and \$1,200 per annum. The Secretary stated that an eligible list of Dietitian was promulgated on November 14, 1906; that but two appointments had been made by the Department of Public Charities, both at a salary of \$720 per annum; that the names of six persons who had not declined appointment in the Department of Public Charities remained on the list, and that there were also two persons who, while they had refused appointment at \$720 per annum, undoubtedly would be willing to accept an appointment at \$900 or \$1,200. The request was denied.

A letter was presented from the Secretary of the Department of Public Charities, dated December 9, requesting that the Commission hold a non-competitive examination to qualify Mrs. Annie Mitchell for promotion from the position of Head Laundress, at a salary of \$600 per annum, to that of Matron. After consideration of the matter the Secretary was directed to proceed with an examination for promotion to the position of Matron in the Department of Public Charities, to be open to all persons in the non-competitive class in the Randall's Island institutions who had served for a period of six months in their respective positions.

A letter was presented from the President of the Borough of Richmond, dated December 6, transmitting the application of Percival Van Duzer, Driver, in the Bureau of Engineering, Topography, for admission to the examination for promotion to Axeman. The Secretary was directed to communicate with President Cromwell, and state that the candidate was not eligible for admission to the said examination, for the reason that he had served less than three years in the lower position.

A letter was presented from the Board of Assessors, dated December 6, requesting authority to extend the period of employment of the following-named temporary Clerks to December 31, 1907:

Robert C. Nolan, appointed September 11, 1907.

Emil E. Fisher, appointed September 12, 1907.

William Abbott, appointed September 18, 1907.

The request was granted.

A letter was presented from the President of the Borough of Richmond, dated December 6, stating that thirty days' leave of absence, without pay, commencing December 9, 1907, had been granted Mr. Alfred E. Wood, Axeman, and requesting the Commission to approve an extension of such leave until May 15, 1908, in order that the said employee might resume his studies. The request was denied, and the Secretary was directed to inform the President of the Borough of Richmond that it was the practice of the Commission to allow no prolonged leaves of absence, except in cases of illness.

A letter was presented from the Comptroller, dated December 11, stating that Thomas F. Gavin and Joseph Mastaglio, who were excepted from examination by the Commission on July 10, 1907, pursuant to the provisions of Rule XII., paragraph 6, to be employed as Expert Searchers in the Bureau for the Collection of Assessments and Arrears, had resigned their positions on December 3 and 7, respectively, and requesting to be permitted to substitute Messrs. Nelson B. Kilmer, of No. 393 State street, Brooklyn, and George Rauchfuss, of No. 709 Seventh avenue, Manhattan, in their places; and stating further that Messrs. William H. Ahrens and Thomas Cowan, who were appointed as temporary Expert Searchers on March 4, 1907, from the eligible list of

Searcher, had declined to accept the appointment, and requesting authority to employ Messrs. Edward F. Lacey, of No. 214 East Fifty-first street, and Daniel B. O'Shea, of No. 510 Kosciusko street, Brooklyn, in their places. The request of the Comptroller for authority to employ Messrs. Kilmer and Rauchfuss, in place of Messrs. Gavin and Mastaglio was granted, and, on motion, it was

Resolved, That, pursuant to the provisions of Rule XII., paragraph 6, Messrs. Edward F. Lacey, of No. 214 East Fifty-first street, Manhattan, and Daniel B. O'Shea, of No. 510 Kosciusko street, Brooklyn, be and they hereby are excepted from examination, to be employed as temporary Expert Searchers in the Bureau for the Collection of Assessments and Arrears of the Finance Department; provided, however, that their compensation shall not exceed \$750 each.

A letter was presented from Deputy and Acting Comptroller McCooey, dated November 23, asking that the name of John McTernan, of No. 147 East Thirtieth street, Borough of Manhattan, who was recently removed from the position of Temporary Clerk in the Bronx office of the Bureau for the Collection of Taxes, on account of absence without leave, be restored to the said list. It appearing from the letter of the Deputy and Acting Comptroller that Mr. McTernan's absence was occasioned by illness, and that he was removed before he had an opportunity to notify the Comptroller to that effect, the request was granted.

A letter was presented from the Secretary of the Department of Docks and Ferries, dated December 2, requesting that the name of Mark P. Brennan, of No. 515 West One Hundred and Twelfth street, Borough of Manhattan, be restored to the eligible list of Financial Clerk, and stating that the first notice of that Department to the effect that Mr. Brennan had failed to respond to the offer of appointment sent him should not stand, for the reason that he had later called at the office and explained that the letter did not reach him. The request was granted.

A letter was presented from the Secretary of the Department of Public Charities, dated December 6, requesting that the forthcoming examination for promotion to Superintendent of the Kings County Hospital Training School for Nurses be made sufficiently broad in scope to permit the filling of a vacancy in the position of Superintendent of the Metropolitan Hospital Training School. The request was granted and the letter was referred to the Chief Examiner for his guidance in preparing the examination.

The reports of the following Boards of Examiners for positions in the Non-competitive Class were approved on the recommendation of the Chief Examiner:

Department of Health, November 22 and 29.

Department of Public Charities, December 2 and 9.

Brooklyn Disciplinary Training School, December 2 and 3.

Department of Water Supply, Gas and Electricity, November 14.

The following emergency appointments were approved pursuant to the provisions of Rule XII., paragraph 4:

Reubin Fishman, Stenographer and Typewriter, Court of Special Sessions, First Division, September 11 and 12, 1907.

Donald MacArthur, Stationary Engineer, Department of Public Charities (Municipal Lodging House), December 6.

George Rolston, Stationary Engineer, Department of Public Charities, December 2.

Process Server, Bureau of Buildings, Brooklyn, to serve a process on the Postmaster of Troy, N. Y.

F. M. Kettner, Veterinarian, Department of Health.

A voucher for services of William Brown as Caretaker in the Department of Health, from May 15 to December 30, 1907, amounting to \$22.50, was certified as being exempt from the provisions of the Civil Service Rules.

The following vouchers for special services rendered by a person not regularly employed by The City of New York during the periods indicated were certified in accordance with the provisions of Rule XII., paragraph 6:

November 11 to 16, 1907. Elliott-Fisher Company, Tabulating Copyist, office of the Board of City Record.....	\$15 00
November 18 to 23, 1907. Elliott-Fisher Company, Tabulating Copyist, office of the Board of City Record.....	15 00
November 25 to 30, 1907. Elliott-Fisher Company, Tabulating Copyist, office of the Board of City Record.....	12 50
December 2 to 7, 1907. Elliott-Fisher Company, Tabulating Copyist, office of the Board of City Record.....	15 00

The following requests for restoration to the eligible lists indicated were granted:

Charles Booth, No. 230 Holland avenue, The Bronx, Stationary Engineer. Statement of the Department of Water Supply, Gas and Electricity, that he failed to reply to notice sent him, incorrect.

Alice E. Willis, No. 582 Broome street, Typewriting Copyist. Stated that her declination of appointment in the Tenement House Department and the Department of Health in July and October, 1907, respectively, was due to illness. (Doctor's certificate.)

Walter P. Daniels, No. 253 East Sixty-eighth street, First Grade Clerk (Office Boy). Stated that, owing to change of address, he failed to receive notices sent him by the Health, Law and Tenement House Departments.

Herman Voorzanger, No. 481 Third street, Brooklyn, Axeman. Statement of the Rapid Transit Railroad Commission that he failed to reply to notice sent him on January 30, 1907, incorrect.

Christopher J. Sheridan, No. 266 Burhams avenue, Yonkers, N. Y., Rodman. Stated in affidavit that he declined appointment in the Aqueduct Commission, for assignment at Croton Falls, N. Y., under a misapprehension of the rules.

Michael McMorro, No. 161 West Sixty-third street, Stationary Engineer. Statement of the Superintendent of the Brooklyn Disciplinary Training School that he declined appointment in that institution, incorrect.

Isadore C. Karp, No. 275 East Third street, Temporary Clerk. Furnished a doctor's certificate to the effect that his absence from duty as Temporary Clerk in the office of the Receiver of Taxes was due to illness.

The request of Nathaniel Pomerance, of No. 312 Madison street, New York City, that his name be restored to the eligible list of Junior Clerk, was denied for laches.

The request of Mrs. Frances E. Osberg, No. 37 Grove street, Brooklyn, that her name, which appeared on the eligible list of Typewriting Copyist, be changed from Miss Frances E. Fox, was granted.

A letter was presented from Miss Agnes P. Mahony, Assistant Superintendent of the New York City Training School for Nurses, requesting that she be permitted to compete in the forthcoming examination for promotion to the position of Superintendent of Training School for Nurses in the Department of Public Charities. It appeared that Miss Mahony, who was a veteran of the Spanish-American War, had been appointed a Nurse in the Department of Public Charities on August 14, 1899; that on April 3, 1900, she was appointed Deputy Superintendent of Nurses' Training School, from which position she resigned on August 1, 1901; and that on November 11, 1907, she was appointed to the position of Assistant Superintendent of the New York City Training School for Nurses in the non-competitive class. After consideration of the candidate's record in the Department of Public Charities and the unusual circumstances in her case, the application was accepted.

The requests of the following named persons, that they be permitted to compete in the forthcoming open competitive examination for Axeman, were denied for the reason that they were under eighteen years of age:

Joseph A. Sullivan, No. 251 Adelphi street, Brooklyn.

H. W. Lawson, No. 681 Degraw street, Brooklyn.

The request of Max Berliner of No. 250 East Third street, that he be permitted to compete in the examination for Topographical Draughtsman, was denied for the reason that he was under twenty-one years of age.

The requests of the following named persons, that they be permitted to compete in the forthcoming examination for Axeman, were denied for the reason that they were not citizens of the United States:

Benjamin G. Bromberg, No. 76 East One Hundred and First street.

David Plotkin, No. 1723 Lexington avenue.

The Secretary called the attention of the Commission to an anonymous communication protesting against the reclassification of positions in the Law Department. The communication was ordered filed.

The Commission then adjourned to meet Wednesday, December 18, 1907, at 10 o'clock in the forenoon.

FRANK A. SPENCER, Secretary.

## BOARD OF ESTIMATE AND APPORTIONMENT.

## (PUBLIC IMPROVEMENT MATTERS.)

Minutes of meeting of Board of Estimate and Apportionment, City of New York, held in Room 16, City Hall, Friday, December 20, 1907.

The Board met in pursuance of an adjournment.

The Chairman—The Chair believes that the election of John F. Ahearn by the Aldermen representing the Borough of Manhattan to fill the vacancy in the office of the President of the Borough of Manhattan was contrary to the intent of the law, and that therefor such vacancy still exists, and directs the Clerk not to call the President of the Borough of Manhattan. The Clerk will call the roll.

The President of the Board of Aldermen—I make the point of order that this Board has no right to pass upon the qualifications of its membership, and so far as we know President John F. Ahearn has been elected, sworn in and is a member of this Board.

The Chairman—The Chair has no intention of submitting to the Board the question of the qualifications of its membership. The Chair overrules the point of order.

The President of the Board of Aldermen—I appeal from the decision of the Chair.

The Chairman—The Chair declines to entertain the appeal upon the ground that the ruling appealed from is upon a question of fact and not of order.

Mr. John F. Ahearn—I ask that you direct the Clerk to call my name.

The Chairman—The Chair has already ruled upon that question and declines to recognize the gentleman.

Mr. John F. Ahearn—I ask that a copy of my certificate of my election be spread upon the minutes.

The Chairman—The Chair declines to recognize the gentleman for any purpose. The certificate of election has been filed with the City Clerk, and such a motion, even if made by a member of this Board, would not be in order.

The President of the Board of Aldermen—I move that the certificate of election be recognized and placed upon the minutes.

The Chairman—The Chair does not think that such a motion is germane to the business of this Board and declines to entertain it. The Clerk will call the roll.

There were present the following:

George B. McClellan, Mayor; Herman A. Metz, Comptroller; Patrick F. McGowan, President, Board of Aldermen; Bird S. Coler, President, Borough of Brooklyn; Louis F. Haffen, President, Borough of The Bronx; Joseph Bermel, President, Borough of Queens, and George Cromwell, President, Borough of Richmond.

The Mayor, Hon. George B. McClellan, presided.

The Board proceeded to the consideration of the Public Improvement Calendar.

The minutes of meeting held November 22, 1907, were approved as printed.

## ESTABLISHING GRADES FOR LINCOLN AVENUE, BROOKLYN.

In the matter of establishing grades for Lincoln avenue, between Jamaica avenue and Atlantic avenue, Borough of Brooklyn, affidavits of publication were presented showing that the matter had been duly advertised.

Nobody appearing in favor of or in opposition to the proposed change the hearing was closed.

The following resolutions were then adopted:

Whereas, At a meeting of this Board held on the 22d day of November, 1907, resolutions were adopted proposing to change the map or plan of The City of New York so as to establish grades for Lincoln avenue, between Jamaica avenue and Atlantic avenue, in the Borough of Brooklyn, City of New York, and appointing a hearing at a meeting of this Board to be held on the 20th day of December, 1907, at 10.30 o'clock a. m., at which meeting such proposed action would be considered by this Board, and requesting a notice to all persons affected thereby of the aforesaid time and place at which such proposed action would be considered to be published in the CITY RECORD and in the corporation newspapers for ten days prior to the 20th day of December, 1907; and

Whereas, It appears from the affidavits of the Supervisor of the City Record and the publishers of the corporation newspapers that the aforesaid resolutions and notice have been published in the CITY RECORD and in the corporation newspapers for ten days prior to the 20th day of December, 1907; and

Whereas, At the aforesaid time and place a public hearing was given to all persons interested in such proposed change who appeared, and such proposed change was duly considered by this Board; now therefore be it

Resolved, That the Board of Estimate and Apportionment of The City of New York, in pursuance of the provisions of section 442 of the Greater New York Charter, as amended, deeming it for the public interest to change the map or plan of The City of New York by establishing grades for Lincoln avenue, between Jamaica avenue and Atlantic avenue, in the Borough of Brooklyn, City of New York, does hereby favor the same so as to make the aforesaid change, as follows:

Beginning at the intersection of Jamaica avenue and Lincoln avenue, the elevation to be 54 feet, as now in use and improved;

Thence southerly to the intersection of Wood street, the elevation to be 41.57 feet, to agree with the legal grade of Wood street;

Thence southerly to the intersection of Etna street, the elevation to be 37.08 feet, to agree with the legal grade of Etna street;

Thence southerly to the intersection of Ridgewood avenue, the elevation to be 33.83 feet, as now in use and improved.

Thence southerly to the intersection of Fulton street, the elevation to be 31.90 feet, to agree with the legal grade of Fulton street;

Thence southerly to a summit distant 300 feet south of the southerly building line of Fulton street, the elevation to be 33.51 feet;

Thence southerly to the intersection of the northerly curb line of Atlantic avenue, the elevation to be 31.70 feet, as now in use and improved.

Note—All elevations refer to mean high-water datum as determined by the Bureau of Highways, Borough of Brooklyn.

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of Brooklyn, The Bronx, Queens and Richmond—14.

## LAYING OUT A PUBLIC PLACE BOUNDED BY NEW UTRECHT AVENUE, ELEVENTH AVENUE AND FORTY-SIXTH STREET, BROOKLYN.

In the matter of laying out a public place bounded by New Utrecht avenue, Eleventh avenue and Forty-sixth street, Borough of Brooklyn, affidavits of publication were presented, showing that the matter had been duly advertised.

Nobody appearing in favor of or in opposition to the proposed change, the hearing was closed, and, on motion, the matter was referred back to the President of the Borough of Brooklyn.

The President of the Borough of Brooklyn—I move that the Board adjourn until the question of the election of the President of the Borough of Manhattan is settled.

The Chairman—A motion to adjourn must be unqualified. The Chair therefore suggests that the President of the Borough of Brooklyn divide his motion. Until what time does he suggest that the Board adjourn? Until after Christmas?

The President of the Borough of Brooklyn—Until the matter of Mr. Ahearn's election has been settled.

The Chairman—A motion to adjourn to a day certain—must specify a date.

The President of the Borough of Brooklyn—I move that when the Board adjourns it adjourn to meet in this place at 10.30 o'clock in the forenoon on Friday, January 3, 1908.

The motion was agreed to.

The Chairman—The question is upon the motion to adjourn.

The Comptroller—Now?

The Chairman—Yes.

The Comptroller—We have some business here to attend to.

The Chairman—The Chair will put the question. The question is upon the motion to adjourn.

The motion was disagreed to.

(Subsequently and during the consideration of financial matters, the vote by which the Board agreed to adjourn to January 3, 1908, was reconsidered, and, on motion of the President of the Board of Aldermen, the Board agreed to adjourn to meet January 10, 1908.)

## CHANGING GRADE OF SEVENTY-FIRST STREET, BROOKLYN.

In the matter of changing the grade of Seventy-first street, between Fourteenth and New Utrecht avenues, Borough of Brooklyn, affidavits of publication were presented, showing that the matter had been duly advertised.

Nobody appearing in favor of or in opposition to the proposed change, the hearing was closed.

The President of the Board of Aldermen—I make the point of order that there is no quorum present, and we cannot proceed.

The Chairman—The Chair will count (and having counted); the Chair announces twelve votes present—a quorum. The Clerk will call.

The following resolutions were then adopted:

Whereas, At a meeting of this Board, held on the 22d day of November, 1907, resolutions were adopted proposing to change the map or plan of The City of New York so as to change the grade of Seventy-first street, between Fourteenth avenue and New Utrecht avenue, in the Borough of Brooklyn, City of New York, and appointing a hearing at a meeting of this Board to be held on the 20th day of December, 1907, at 10.30 o'clock a. m., at which meeting such proposed action would be considered by this Board, and requesting a notice to all persons affected thereby of the aforesaid time and place at which such proposed action would be considered, to be published in the CITY RECORD and in the corporation newspapers for ten days prior to the 20th day of December, 1907; and

Whereas, It appears from the affidavits of the Supervisor of the City Record and the publishers of the corporation newspapers that the aforesaid resolutions and notice have been published in the CITY RECORD and in the corporation newspapers for ten days prior to the 20th day of December, 1907; and

Whereas, At the aforesaid time and place a public hearing was given to all persons interested in such proposed change who appeared, and such proposed change was duly considered by this Board; now therefore be it

Resolved, That the Board of Estimate and Apportionment of The City of New York, in pursuance of the provisions of section 442 of the Greater New York Charter, as amended, deeming it for the public interest to change the map or plan of The City of New York by changing the grade of Seventy-first street, between Fourteenth avenue and New Utrecht avenue, in the Borough of Brooklyn, City of New York, does hereby favor the same so as to make the aforesaid change, as follows:

Beginning at the intersection of Seventy-first street and Fourteenth avenue, the elevation to be 37.50 feet, as heretofore.

Thence easterly to a summit distant 494 feet from the easterly building line of Fourteenth avenue, the elevation to be 38.85 feet.

Thence easterly to the intersection of Fifteenth avenue, the elevation to be 38.10 feet, as now in use and improved.

Thence easterly to the intersection of New Utrecht avenue, the elevation to be 36.50 feet, as heretofore.

Note—All elevations refer to mean high water datum, as established by the Bureau of Highways, Borough of Brooklyn.

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of The Bronx, Queens and Richmond—12.

## CHANGING GRADE OF EIGHTY-SEVENTH STREET, BROOKLYN.

In the matter of changing the grade of Eighty-seventh street, between Third and Fifth avenues, Borough of Brooklyn, affidavits of publication were presented showing that the matter had been duly advertised.

#### CHANGE IN GRADE OF SEVENTY-FOURTH STREET, BROOKLYN.

The following resolution of the Local Board of the Bay Ridge District, Borough of Brooklyn, and report of the Chief Engineer were presented:

##### *In the Local Board of the Bay Ridge District.*

Whereas, a petition for a local improvement described below has been received by the President of the Borough of Brooklyn; and

Whereas, He has appointed a time for a meeting of this Local Board, not more than fifteen days after the receipt by him of the said petition, at which meeting the said petition would be submitted by him to the said Local Board, and he has caused a notice to be published in the CITY RECORD that said petition has been presented to him and is on file in his office for inspection, and of the time when and the place where there would be a meeting of this Local Board at which the said petition would be submitted by him to the said Board, which time was not less than ten days after the publication of this notice; and

Whereas, The said petition was duly submitted thereafter to the said Local Board, which did duly consider the same, and give a full hearing thereon; now therefore it is Resolved, by the Local Board of the Bay Ridge District, pursuant to titles 2 and 3 of chapter 10 of the Greater New York Charter, That the said petition be and the same hereby is granted; and it is hereby

Resolved, That this Board does hereby recommend to the Board of Estimate and Apportionment an alteration in the map or plan of The City of New York by changing

the grade of Seventy-fourth street, between Thirteenth and Fourteenth avenues, as shown on the accompanying map, and more particularly described as follows:

Beginning at the intersection of Thirteenth avenue and Seventy-fourth street, the elevation to be 50 feet, as heretofore.

Thence southeasterly to a point distant 430 feet from the southeasterly building line of Thirteenth avenue, the elevation to be 41.85 feet.

Thence southeasterly to a point distant 170 feet from the last mentioned point, the elevation to be 39.45 feet.

Thence southeasterly to the intersection of Fourteenth avenue, the elevation to be 38.50 feet, as heretofore.

Note—All elevations refer to mean high water datum as determined by the Bureau of Highways, Borough of Brooklyn.

—and it is hereby

Resolved, That a copy of the resolution be transmitted forthwith to the Board of Estimate and Apportionment for its approval.

Adopted by the Local Board of the Bay Ridge District on the 15th day of July, 1907.

Commissioner Dunne and Aldermen Linde and Potter voting in favor thereof.

Attest:

CHARLES FREDERICK ADAMS, Secretary.

Resolution forwarded to the Board of Estimate and Apportionment without the signature of the President of the Borough, as a recommendation of the Local Board.

REPORT No. 5542.

BOARD OF ESTIMATE AND APPORTIONMENT,  
OFFICE OF THE CHIEF ENGINEER,  
November 23, 1907.

Hon. GEORGE B. McCLELLAN, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—Herewith is transmitted a resolution of the Local Board of the Bay Ridge District, Borough of Brooklyn, adopted on July 15, 1907, recommending a change in the grade of Seventy-fourth street, between Thirteenth and Fourteenth avenues. Under the plans heretofore adopted for Seventy-fourth street, a uniform grade is provided through the block between Thirteenth and Fourteenth avenues. The street has been graded to conform with the established elevations at the extreme ends of the block, but departs from the fixed grade at other points, the maximum departure being a little over one foot. A number of houses have been erected upon the abutting property, all of which conform with the grade of the street as now in use, and which it is desired to legalize.

I see no reason why the change should not be made, and would recommend its approval after a public hearing.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

The following resolutions were then adopted:

Resolved, That the Board of Estimate and Apportionment of The City of New York, in pursuance of the provisions of section 442 of the Greater New York Charter as amended, deeming it for the public interest so to do, proposes to change the map or plan of The City of New York by changing the grade of Seventy-fourth street, between Thirteenth and Fourteenth avenues, in the Borough of Brooklyn, City of New York, more particularly described as follows:

Beginning at the intersection of Thirteenth avenue and Seventy-fourth street, the elevation to be 50 feet, as heretofore.

Thence southeasterly to a point distant 430 feet from the southeasterly building line of Thirteenth avenue, the elevation to be 41.85 feet.

Thence southeasterly to a point distant 170 feet from the last mentioned point, the elevation to be 39.45 feet.

Thence southeasterly to the intersection of Fourteenth avenue, the elevation to be 38.50 feet, as heretofore.

Note—All elevations refer to mean high water datum as determined by the Bureau of Highways, Borough of Brooklyn.

Resolved, That this Board consider the proposed change at a meeting of the Board to be held in the City Hall, Borough of Manhattan, City of New York, on the 17th day of January, 1908, at 10.30 o'clock a. m.

Resolved, That the Secretary of this Board cause these resolutions and a notice to all persons affected thereby that the proposed change will be considered at a meeting of the Board, to be held at the aforesaid time and place, to be published in the CITY RECORD and the corporation newspapers for ten days continuously, Sundays and legal holidays excepted, prior to the 17th day of January, 1908.

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of The Bronx, Queens and Richmond—12.

#### CHANGE IN GRADE OF CROWN STREET, BROOKLYN.

The following communications from the Secretary of the Borough of Brooklyn and Acting Chief Engineer of the Bureau of Highways and report of the Chief Engineer of the Board of Estimate and Apportionment were presented:

THE CITY OF NEW YORK,  
OFFICE OF THE PRESIDENT OF THE BOROUGH OF BROOKLYN,  
BROOKLYN, August 20, 1907.

Mr. ARTHUR S. TUTTLE, Engineer in Charge, Public Improvements, Board of Estimate and Apportionment, No. 277 Broadway, Manhattan:

DEAR SIR—Herewith I beg to transmit copy of a communication from the Acting Chief Engineer of the Bureau of Highways in this Borough, which, I think, will explain itself. I also inclose blueprint referred to therein.

Very truly yours,

CHARLES FREDERICK ADAMS, Secretary.

July 22, 1907.

Hon. THOMAS R. FARRELL, Superintendent of Highways:

DEAR SIR—I herewith transmit blueprints and technical descriptions in duplicate for proposed change of grade on Crown street, between Schenectady and Rochester avenues. This same change of grade was proposed by this Bureau in 1906 in connection with the change of grade of Utica avenue and other streets. This change of grade on Utica avenue, etc., was adopted by the Board of Estimate and Apportionment May 17, 1907, and approved by the Mayor June 3, 1907.

In the technical description attached to the resolution of the Board of Estimate there was an omission in the description of the change of grade of Crown street. The attached maps and technical descriptions are for the correction of this error. The change is recommended because it is made to agree with not only the legal grade of Utica avenue, but with the existing conditions there.

Respectfully,

JNO. C. SHERIDAN, Acting Chief Engineer.

REPORT No. 5541.

BOARD OF ESTIMATE AND APPORTIONMENT,  
OFFICE OF THE CHIEF ENGINEER,  
November 23, 1907.

Hon. GEORGE B. McCLELLAN, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—On May 17, 1907, a resolution was adopted by the Board of Estimate and Apportionment providing for changing the grade of Utica avenue, Union street, President street, Carroll street, Crown street and Montgomery street, in the Borough

of Brooklyn. My attention has recently been drawn to an error in the technical description of the change intended to be made in the grade of Crown street, between Schenectady avenue and Rochester avenue, the grade proposed for Rochester avenue having been improperly described as at Utica avenue.

To correct this error it will be necessary to give a new hearing in the matter, and for this purpose a new map and technical description have been prepared.

I would recommend that after a public hearing is given a new resolution be adopted properly describing the change.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

The following resolutions were then adopted:

Resolved, That the Board of Estimate and Apportionment of The City of New York, in pursuance of the provisions of section 442 of the Greater New York Charter as amended, deeming it for the public interest so to do, proposes to change the map or plan of The City of New York, by changing the grade of Crown street, from Schenectady avenue to Rochester avenue, in the Borough of Brooklyn, City of New York, more particularly described as follows:

1. The elevation at Schenectady avenue to be 73.4 feet as heretofore.
2. The elevation at a point 158 feet easterly from the easterly line of Schenectady avenue to be 74.28 feet.
3. The elevation at Utica avenue to be 71.54 feet.
4. The elevation at Rochester avenue to be 54.50 feet as heretofore.

Note—All elevations refer to mean high water datum as determined by the Bureau of Highways, Borough of Brooklyn.

Resolved, That this Board consider the proposed change at a meeting of the Board, to be held in the City Hall, Borough of Manhattan, City of New York, on the 17th day of January, 1908, at 10.30 o'clock a. m.

Resolved, That the Secretary to this Board cause these resolutions and a notice to all persons affected thereby that the proposed change will be considered at a meeting of the Board, to be held at the aforesaid time and place, to be published in the CITY RECORD and the corporation newspapers for ten days continuously, Sundays and legal holidays excepted, prior to the 17th day of January, 1908.

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of The Bronx, Queens and Richmond—12.

#### CHANGE IN GRADE OF FOURTH STREET, BROOKLYN.

The following communication from the Secretary of the Borough of Brooklyn, report of the Engineer of the Bureau of Highways, and report of the Chief Engineer of the Board were presented:

THE CITY OF NEW YORK,  
OFFICE OF THE PRESIDENT OF THE BOROUGH OF BROOKLYN,  
BROOKLYN, September 14, 1907.

Mr. JOSEPH HAAG, Secretary, Board of Estimate and Apportionment, No. 277 Broadway, New York City:

DEAR SIR—Herewith I beg to transmit copy of a petition signed by Frank M. Driver and others, together with map, technical description and report of the Chief Engineer of the Bureau of Highways in this Borough, for a change of grade on East Fourth street, between Beverley road and Avenue C, which is sent to your Board direct for initiation, in order that there may be as little delay as possible in its authorization.

Very truly yours,

CHARLES FREDERICK ADAMS, Secretary.

August 20, 1907.

Hon. DESMOND DUNNE, Commissioner of Public Works, Brooklyn, N. Y.:

DEAR SIR—I return herewith petition signed by Frank M. Driver and others, for a change of grade on East Fourth street, between Beverley road and Avenue C, with the following report:

An examination of this street shows that the southerly half of this block is a little below the present legal grade. Owing to the flatness of the present grade only a slight change can be made, but this would benefit the property owners and still have ample fall for surface drainage. I forward with this blue print and technical description, in duplicate, showing the change proposed. The change is recommended.

Yours truly,

JOHN C. SHERIDAN,  
Acting Superintendent.

REPORT No. 5547.

BOARD OF ESTIMATE AND APPORTIONMENT,  
OFFICE OF THE CHIEF ENGINEER,  
November 25, 1907.

Hon. GEORGE B. McCLELLAN, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—Herewith is transmitted a communication from the Secretary of the Borough of Brooklyn, dated September 14, 1907, requesting the approval of a change in the grade of East Fourth street, between Avenue C and Beverley road.

On December 7, 1906, a grading improvement was authorized by the Board of Estimate and Apportionment which includes the block of East Fourth street in which the change in grade is now desired. Under the plan heretofore adopted there is a difference in elevation at the ends of this long block of only about 1.4 feet, and for the purpose of securing drainage a summit was provided about midway of its length. The street is in use, the abutting property is partially improved and the grade which has been followed for these improvements practically ignores the summit. The property owners have requested that a change be made in such a way as to meet the present surface. This seems to be impracticable, as the fall is insufficient for drainage, but it has been found possible to slightly lower the crown and change its position, thereby more closely meeting the conditions which have previously obtained. The grading is now being carried out, and I am advised that it is being made to conform with the grades now proposed.

The approval of the change is recommended.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

The following resolutions were then adopted:

Resolved, That the Board of Estimate and Apportionment of The City of New York, in pursuance of the provisions of section 442 of the Greater New York Charter, as amended, deeming it for the public interest so to do, proposes to change the map or plan of The City of New York, by changing the grade of East Fourth street, from Avenue C to Beverley road, in the Borough of Brooklyn, City of New York, more particularly described as follows:

Beginning at the intersection of Avenue C and East Fourth street, the elevation to be 50.79 feet, as heretofore;

Thence northerly to a summit distant 340 feet north of the northerly building line of Avenue C, the elevation to be 51.94 feet;

Thence northerly to the intersection of Beverley road and East Fourth street, the elevation to be 49.43 feet as heretofore.

Note—All elevations refer to mean high-water datum, as determined by the Bureau of Highways, Borough of Brooklyn.

Resolved, That this Board consider the proposed change at a meeting of the Board, to be held in the City Hall, Borough of Manhattan, City of New York, on the 17th day of January, 1908, at 10.30 o'clock a. m.

Resolved, That the Secretary of this Board cause these resolutions and a notice to all persons affected thereby that the proposed change will be considered at a meeting of the Board, to be held at the aforesaid time and place, to be published in the CITY RECORD and the corporation newspapers for ten days continuously, Sundays and legal holidays excepted, prior to the 17th day of January, 1908.

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen, and the Presidents of the Boroughs of The Bronx, Queens and Richmond—12.

#### LAYING OUT SHORE ROAD, OR SHEEPSHEAD BAY ROAD, BROOKLYN.

The following resolution of the Local Board of Bay Ridge District, Borough of Brooklyn, and report of the Chief Engineer were presented:

##### In the Local Board of the Bay Ridge District.

Whereas, A petition for a local improvement described below has been received by the President of the Borough of Brooklyn; and

Whereas, He has appointed a time for a meeting of this Local Board not more than fifteen days after the receipt by him of the said petition, at which meeting the said petition would be submitted by him to the said Local Board, and he has caused a notice to be published in the CITY RECORD that said petition has been presented to him and is on file in his office for inspection, and of the time when and the place where there would be a meeting of this Local Board at which the said petition would be submitted by him to the said Board, which time was not less than ten days after the publication of this notice, and

Whereas, The said petition was duly submitted thereafter to the said Local Board, which did duly consider the same, and give a full hearing thereon; now, therefore, it is Resolved, by the Local Board of the Bay Ridge District, pursuant to titles 2 and 3 of chapter 10 of the Greater New York Charter, That the said petition be and the same hereby is granted; and it is hereby

Resolved, That the Local Board of the Bay Ridge District, Borough of Brooklyn, this 10th day of April, 1907, hereby recommends to the Board of Estimate and Apportionment an alteration in the map or plan of The City of New York by locating and laying out Shore road or Sheepshead Bay road, from Emmons avenue to Ocean parkway, in the Thirty-first Ward, Borough of Brooklyn, City of New York, as shown on the accompanying map and more particularly described as follows:

Shore road or Sheepshead Bay road to be located and laid out as a street 49½ feet wide, beginning at the northern line of Emmons avenue and extending to the eastern line of Ocean parkway, as indicated on the accompanying map by parcels A to P, inclusive; and it is hereby

Resolved, That a copy of the resolution be transmitted forthwith to the Board of Estimate and Apportionment for its approval.

Adopted by the Local Board of the Bay Ridge District on the 10th day of April, 1907.

REPORT No. 5544.

BOARD OF ESTIMATE AND APPORTIONMENT,  
OFFICE OF THE CHIEF ENGINEER,  
November 23, 1907.

Hon. GEORGE B. McCLELLAN, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—Herewith is transmitted a resolution of the Local Board of the Bay Ridge District, Borough of Brooklyn, adopted on April 10, 1907, recommending a change in the map by laying out Shore road or Sheepshead Bay road, from Emmons avenue to Ocean parkway.

The change proposed affects a total length of about one mile of the street described, which is an old road having a very broken alignment. It has been macadamized through its entire length, a considerable portion of the work having been done under a contract entered into in 1906, which provided for paying for the cost of the work out of the Gravesend Common Lands Fund. Some flagging has been laid, the sewer has been built through the easterly half of the length, and a water main has been provided. There are a large number of buildings upon the abutting property.

An examination of the map will show that if this street is to be retained, it will so seriously mutilate the rectangular street system which has been laid out as to require its radical revision. This examination will also show that the proposed street would not serve the purpose for which a diagonal street is intended, owing to the irregular alignment, this at times being parallel with the east and west street system, and again following that having a northerly and southerly direction. The width proposed for the street is only 49.5 feet, this evidently coinciding with that of the road as now in use.

Few of the adjoining streets as laid out upon the map of the City are in use at the present time, and it was with the belief that this old road would be required for many years to come and until the adjacent street system could be made available, that the expense of its improvement was borne by the Common Lands Fund, the use of which has been devoted to the improvement of streets of this character, and which it was intended to discontinue as soon as the time arrived when this action could properly be taken.

In my judgment, the Sheepshead Bay road through this portion of its length should not be given recognition upon the map, and I would recommend that the Local Board resolution be disapproved.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

The following resolution was then adopted:

Resolved, That the resolution adopted by the Local Board of the Bay Ridge District, Borough of Brooklyn, on the 10th day of April, 1907, recommending a change in the map or plan of The City of New York, by laying out Shore road, or Sheepshead Bay road, from Emmons avenue to Ocean parkway, be and the same hereby is disapproved.

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen, and the Presidents of the Boroughs of The Bronx, Queens and Richmond—12.

#### LAYING OUT AN EXTENSION OF MERMAID AVENUE, BROOKLYN.

The following resolution of the Local Board of the Bay Ridge District, Borough of Brooklyn, and report of the Chief Engineer were presented:

##### In the Local Board of the Bay Ridge District.

Resolved, That the Local Board of the Bay Ridge District, Borough of Brooklyn, pursuant to section 428 of the Greater New York Charter, after duly advertised hearing had this 27th day of March, 1907, hereby recommends to the Board of Estimate and Apportionment an alteration in the map or plan of The City of New York by locating and laying out Mermaid avenue, from West Thirty-sixth street to West Thirty-seventh street, as shown on the accompanying map and more particularly described as follows:

The northern line of Mermaid avenue, as herewith laid out, from West Thirty-sixth street to West Thirty-seventh street, is a straight prolongation westerly of the northern line of Mermaid avenue as now laid out on the map of the City east of West Thirty-sixth street.

The southern line of Mermaid avenue is eighty feet from and parallel with the above described line; and it is hereby

Resolved, That a copy of this resolution be transmitted forthwith to the Board of Estimate and Apportionment for its approval.

Adopted by the Local Board of the Bay Ridge District on the 27th day of March, 1907, Commissioner Dunne and Aldermen Linde and Potter voting in favor thereof.

REPORT No. 5543.

BOARD OF ESTIMATE AND APPORTIONMENT,  
OFFICE OF THE CHIEF ENGINEER,  
November 23, 1907.

Hon. GEORGE B. McCLELLAN, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—Herewith is transmitted a resolution of the Local Board of the Bay Ridge District, Borough of Brooklyn, adopted on March 27, 1907, recommending a change in the map by laying out an extension of Mermaid avenue, between West Thirty-sixth street and West Thirty-seventh street.

Mermaid avenue west of Thirty-sixth street was removed from the map of the Town of Gravesend in 1890. Under the sewer plan which was adopted by the Board of Estimate and Apportionment on March 8, 1907, the occupancy of the block between West Thirty-sixth and West Thirty-seventh streets will be required as an outlet for the sewer in West Thirty-seventh street, and for this reason it is desired to again restore the street to the map. It will subdivide a block having a length of about 1,300 feet. The width proposed for the street is 80 feet, to correspond with the width as laid out east of West Thirty-sixth street. The street is not in use at the present time and there are no buildings in the vicinity.

The change is, in my judgment, a proper one, and its approval is recommended.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

The following resolutions were then adopted:

Resolved, That the Board of Estimate and Apportionment of The City of New York, in pursuance of the provisions of section 442 of the Greater New York Charter as amended, deeming it for the public interest so to do, proposes to change the map or plan of The City of New York by laying out an extension to Mermaid avenue, from West Thirty-sixth to West Thirty-seventh street, in the Borough of Brooklyn, City of New York, more particularly described as follows:

The northern line of Mermaid avenue as herewith laid out, from West Thirty-sixth street to West Thirty-seventh street, is a straight prolongation westerly of the northern line of Mermaid avenue as now laid out on the map of the City east of West Thirty-sixth street.

The southern line of Mermaid avenue is eighty feet from and parallel with the above described line.

Resolved, That this Board consider the proposed change at a meeting of the Board, to be held in the City Hall, Borough of Manhattan, City of New York, on the 17th day of January, 1908, at 10.30 o'clock a. m.

Resolved, That the Secretary of this Board cause these resolutions and a notice to all persons affected thereby that the proposed change will be considered at a meeting of the Board, to be held at the aforesaid time and place, to be published in the CITY RECORD and the corporation newspapers for ten days continuously, Sundays and legal holidays excepted, prior to the 17th day of January, 1908.

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of The Bronx, Queens and Richmond—12.

#### CHANGE IN BULKHEAD LINE OF NEWTOWN CREEK, BROOKLYN.

The following communication from the Secretary of the Borough of Brooklyn, report of the Assistant Engineer in charge of the Topographical Bureau, and report of the Chief Engineer of the Board were presented, and on motion the matter was referred to the Commissioner of Docks and Ferries:

THE CITY OF NEW YORK,  
OFFICE OF THE PRESIDENT OF THE BOROUGH OF BROOKLYN,  
November 11, 1907.

Mr. JOSEPH HAAG, Secretary, Board of Estimate and Apportionment:

DEAR SIR—In answer to your communication, dated July 1 last, to the President of the Borough, I beg to transmit herewith copy of a report of the Assistant Engineer in charge of the Topographical Bureau, together with a map and technical description showing a change in the United States bulkhead line of Newtown creek, from Meeker avenue to Cherry street, in the Eighteenth Ward, Borough of Brooklyn, for such action as your Board may deem necessary.

Very truly yours,

CHARLES FREDERICK ADAMS, Secretary.

November 6, 1907.

Hon. DESMOND DUNNE, Commissioner of Public Works:

DEAR SIR—In reply to the letter of July 1, 1907, from Mr. Joseph Haag, Secretary of the Board of Estimate and Apportionment, and addressed to Hon. Bird S. Coler, relative to the change of bulkhead line of Newtown creek, from Meeker avenue to Cherry street, and also in reply to the letter of June 24, 1907, from Mr. Nelson P. Lewis, Chief Engineer of the Board of Estimate and Apportionment, and addressed to Hon. George B. McClellan, Mayor, stating the reasons why a change of bulkhead line in Newtown creek is necessary, I transmit herewith map, in duplicate, with technical description, in quadruplicate, entitled:

Map or plan showing the change in the United States bulkhead lines of Newtown creek, from Meeker avenue to Cherry street, in the Eighteenth Ward, Borough of Brooklyn, City of New York.

In preparing the above map, I have retained the present width of 250 feet of Newtown creek. This is in accordance with a letter from the Secretary of War, addressed to the President of the Borough of Queens, in which letter the Secretary states that the War Department will not approve any plan which contemplates a reduction in the width of Newtown creek. I have located the proposed bulkhead line on the Brooklyn side of Newtown creek 250 feet from and parallel with the bulkhead line as proposed by the Borough of Queens.

The proposed bulkhead line will decrease the size of the block bounded by Townsend street, Scott avenue and Newtown creek, and it will increase the size of the two blocks bounded by Townsend street, Scott avenue, Cherry street and Newtown creek. As the proposed location of this new bulkhead line lies entirely outside of the present high water line, and as the number of square feet added to the two blocks bounded by Townsend street, Scott avenue, Cherry street and Newtown creek is approximately equal to the number of square feet taken from the block bounded by Townsend street, Scott avenue and Newtown creek, I therefore recommend that the bulkhead line of Newtown creek, from Meeker avenue to Cherry street, be changed in accordance with the enclosed map.

The following papers and map are enclosed herewith:

Letter from Joseph Haag, Secretary of the Board of Estimate and Apportionment, dated July 1, 1907.

Printed report No. 5288, from Mr. Nelson P. Lewis, Chief Engineer, Board of Estimate and Apportionment, and dated June 24, 1907.

Map, in duplicate, of Newtown creek, with technical description, in quadruplicate, attached.

Very respectfully,

CHAS. R. WARD, Assistant Engineer in Charge.

REPORT No. 5590.

BOARD OF ESTIMATE AND APPORTIONMENT,  
OFFICE OF THE CHIEF ENGINEER,  
December 12, 1907.

Hon. GEORGE B. McCLELLAN, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—On June 28, 1907, the final map of Section 1 of the Borough of Queens was adopted by the Board of Estimate and Apportionment, with the understanding that a change in the bulkhead line of the Newtown creek, as laid out on the Brooklyn side, would be required to meet the change proposed in the Borough of Queens. In a report which was submitted upon the map, it was shown that the matter had been submitted to the War Department, and that this Department had no objection to offer to the change, if the width of the creek was maintained at 250 feet as originally planned. In connection with the approval of the Queens map, the President of the Borough of Brooklyn was requested to submit to the Board a plan providing for the corresponding change in the creek line on the Brooklyn side, if, in his judgment, such change could here be advantageously made.

Under date of November 11, 1907, the Secretary of the Borough has presented a map in compliance with the request of the Board, showing the relocation of the bulkhead line between a point about 200 feet east of Meeker avenue and Cherry street, the new line being so located as to provide a clear width of the creek of 250 feet at all points. The map, however, does not show the discontinuance of portions of Scott avenue and of Townsend street, nor extensions of Thomas street and Cherry street, which will be required to make them terminate at the water front.

Before this rearrangement of the street system is considered, I would suggest that the plan, so far as it relates to the bulkhead lines, be referred to the Commissioner of Docks and Ferries, he having sole jurisdiction, under the provisions of section 819 of the Charter, over the location of bulkhead lines in all of the waters surrounding The City of New York. If the lines now proposed meet with his approval, and the approval of the Commissioners of the Sinking Fund, it will then be proper to act independently upon the corresponding change which will be required in the street system.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

#### CLOSING AND DISCONTINUING COWENHOVEN LANE, BROOKLYN.

The following resolution of the Local Board of Bay Ridge District, Borough of Brooklyn, and report of the Chief Engineer were presented:

In the Local Board of the Bay Ridge District.

Whereas, A petition for a local improvement described below has been received by the President of the Borough of Brooklyn; and

Whereas, He has appointed a time for a meeting of this Board not more than fifteen days after the receipt by him of the said petition, at which meeting the said petition would be submitted by him to the said Local Board, and he has caused a notice to be published in the CITY RECORD that said petition has been presented to him and is on file in his office for inspection, and of the time when and the place where there would be a meeting of this Local Board at which the said petition would be submitted by him to the said Board, which time was not less than ten days after the publication of this notice; and

Whereas, the said petition was duly submitted thereafter to the said Local Board, which did duly consider the same and give a full hearing thereon; now therefore it is

Resolved, by the Local Board of the Bay Ridge District, pursuant to titles 2 and 3 of chapter 10 of the Greater New York Charter, That the said petition be and the same hereby is granted; and it is hereby

Resolved, That this Board does hereby recommend to the Board of Estimate and Apportionment an alteration in the map or plan of The City of New York by closing and discontinuing Cowenhoven lane, from Twelfth avenue to Fifty-fifth street, in the Thirtieth Ward, Borough of Brooklyn, as shown on the accompanying map, and more particularly described as follows:

The northern line of Cowenhoven lane, as herewith closed, begins at a point on the eastern line of Twelfth avenue, distant 134.34 feet southerly from the intersection of the eastern line of Twelfth avenue with the southern line of Fifty-fifth street as the same are laid out on the map of the City;

Thence easterly in a straight line to a point on the southern line of Fifty-fifth street distant 329.20 feet easterly from the intersection of the eastern line of Twelfth avenue with the southern line of Fifty-fifth street.

The southern line of Cowenhoven lane as herewith closed is 33 feet from and parallel with the above described line.

Note—These dimensions are approximate.

—and it is hereby

Resolved, That a copy of the resolution be transmitted forthwith to the Board of Estimate and Apportionment for its approval.

Adopted by the Local Board of the Bay Ridge District on the 31st day of October, 1907.

Commissioner Dunne and Aldermen Linde and Potter voting in favor thereof.

REPORT No. 5595.

BOARD OF ESTIMATE AND APPORTIONMENT,  
OFFICE OF THE CHIEF ENGINEER,  
December 13, 1907.

Hon. GEORGE B. McCLELLAN, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—Herewith is transmitted a resolution of the Local Board of the Bay Ridge District, Borough of Brooklyn, adopted on October 31, 1907, recommending a change in the map by closing and discontinuing Cowenhoven lane, between Twelfth avenue and Fifty-fifth street.

Cowenhoven lane has been in use for a great many years, but its lines were never incorporated upon the map of the City. On June 26, 1903, a resolution was adopted by the Board of Estimate and Apportionment providing for the discontinuance of that portion of the street between Fifty-fifth street and New Utrecht avenue, and the resolution now submitted affects an adjoining block. Two buildings have been erected upon the abutting property, but both will have frontage upon Fifty-fifth street, title to which has been acquired under formal proceedings through that portion of its length west of Cowenhoven lane, while east of Cowenhoven lane a dedication to public use has been established. Fifty-sixth street is also in use at the present time, and evidences have been presented to and accepted by the Board of Estimate to show that it had been dedicated to the public. The lane has a width of only 33 feet, and I can see no reason for a further continuance of its use.

Under these conditions the approval of the resolution of the Local Board is recommended.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

The following resolutions were then adopted:

Resolved, That the Board of Estimate and Apportionment of The City of New York, in pursuance of the provisions of section 442 of the Greater New York Charter as amended, deeming it for the public interest so to do, proposes to change the map or plan of The City of New York, by closing and discontinuing Cowenhoven lane, between Twelfth avenue and Fifty-fifth street, in the Borough of Brooklyn, City of New York, more particularly described as follows:

The northern line of Cowenhoven lane as herewith closed begins at a point on the eastern line of Twelfth avenue distant 134.34 feet southerly from the intersection

of the eastern line of Twelfth avenue with the southern line of Fifty-fifth street as the same are laid out on the map of the City.

Thence easterly in a straight line to a point on the southern line of Fifty-fifth street distant 329.20 feet easterly from the intersection of the eastern line of Twelfth avenue with the southern line of Fifty-fifth street.

The southern line of Cowenhoven lane as herewith closed is 33 feet from and parallel with the above described line.

Note—These dimensions are approximate.

Resolved, That this Board consider the proposed change at a meeting of the Board, to be held in the City Hall, Borough of Manhattan, City of New York, on the 17th day of January, 1908, at 10.30 o'clock a. m.

Resolved, That the Secretary of this Board cause these resolutions and a notice to all persons affected thereby that the proposed change will be considered at a meeting of the Board, to be held at the aforesaid time and place, to be published in the CITY RECORD and the corporation newspapers for ten days continuously, Sundays and legal holidays excepted, prior to the 17th day of January, 1908.

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of The Bronx, Queens and Richmond—12.

#### CHANGE IN GRADE OF SEVENTY-THIRD STREET, BROOKLYN.

The following resolution of the Local Board of Bay Ridge District, Borough of Brooklyn and report of the Chief Engineer were presented:

##### *In the Local Board of the Bay Ridge District.*

Whereas, A petition for a local improvement described below has been received by the President of the Borough of Brooklyn; and

Whereas, He has appointed a time for a meeting of this Local Board not more than fifteen days after the receipt by him of the said petition, at which meeting the said petition would be submitted by him to the said Local Board, and he has caused a notice to be published in the CITY RECORD that said petition has been presented to him and is on file in his office for inspection, and of the time when and the place where there would be a meeting of this Local Board at which the said petition would be submitted by him to the said Board, which time was not less than ten days after the publication of this notice; and

REPORT No. 5548.

BOARD OF ESTIMATE AND APPORTIONMENT,  
OFFICE OF THE CHIEF ENGINEER,  
November 25, 1907.

Hon. GEORGE B. McCLELLAN, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—Herewith is transmitted a resolution of the Local Board of the Bay Ridge District, Borough of Brooklyn, adopted on July 15, 1907, recommending a change in the grade of Seventy-third street, between Thirteenth and Fourteenth avenues.

Seventy-third street between the limits named has been approximately graded and a portion of the flagging has been laid. A number of buildings have been erected upon the abutting property and all of them conform with the surface of the street as now in use. Under the plan heretofore adopted a uniform grade is provided through the block, but the grade which has been followed in the middle of the block is about 1.5 feet too low. The object of the change is to legalize the grades which have been used in improving the street, and as they provide adequate drainage I see no reason why the resolution should not be approved and would recommend such action.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

The following resolutions were then adopted:

Resolved, That the Board of Estimate and Apportionment of The City of New York, in pursuance of the provisions of section 442 of the Greater New York Charter as amended, deeming it for the public interest so to do, proposes to change the map or plan of The City of New York, by changing the grade of Seventy-third street, between Thirteenth and Fourteenth avenues, in the Borough of Brooklyn, City of New York, more particularly described as follows:

Beginning at the intersection of Thirteenth avenue and Seventy-third street, the elevation to be 48.00 feet as heretofore;

Thence southeasterly to a point distant 275 feet from the southeasterly building line of Thirteenth avenue, the elevation to be 42.50 feet;

Thence southeasterly to a point distant 145 feet from the last mentioned point, the elevation to be 40.40 feet;

Thence southeasterly to the intersection of Fourteenth avenue, the elevation to be 37.50 feet as heretofore.

Note—All elevations refer to mean high water datum as determined by the Bureau of Highways, Borough of Brooklyn.

Resolved, That this Board consider the proposed change at a meeting of the Board, to be held in the City Hall, Borough of Manhattan, City of New York, on the 17th day of January, 1908, at 10.30 o'clock a. m.

Resolved, That the Secretary of this Board cause these resolutions and a notice to all persons affected thereby that the proposed change will be considered at a meeting of the Board, to be held at the aforesaid time and place, to be published in the

CITY RECORD and the corporation newspapers for ten days continuously, Sundays and legal holidays excepted, prior to the 17th day of January, 1908.

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of The Bronx, Queens and Richmond—12.

#### CLOSING AND DISCONTINUING SHERMAN AND LAWRENCE STREETS, BROOKLYN.

The following resolution of the Local Board of Flatbush District, Borough of Brooklyn, and report of the Chief Engineer were presented, and, on motion, the matter was referred to the Corporation Counsel:

##### *In the Local Board of the Flatbush District.*

Resolved, by the Local Board of the Flatbush District, pursuant to titles 2 and 3 of chapter 10 of the Greater New York Charter, that the said petition be and the same hereby is granted; and it is hereby.

Resolved, That the Local Board of the Flatbush District, Borough of Brooklyn, this 30th day of January, 1907, hereby recommends to the Board of Estimate and Apportionment an alteration in the map or plan of The City of New York by striking therefrom Sherman street, between Rogers avenue and Lawrence street, and Lawrence street, between Canarsie road and Butler street, as shown on the accompanying map and more particularly described as follows:

##### SHERMAN STREET.

###### *Parcel A.*

The northern line of Sherman street, as herewith to be closed, to begin at a point on the eastern line of Rogers avenue distant 400.2 feet southerly from the intersection of the eastern line of Rogers avenue with the southern line of Tilden avenue, as the same are laid down on the map of the City;

1. Thence easterly in a straight line 205.1 feet to a point on the western line of East Twenty-eighth street distant 400.2 feet southerly from the intersection of the western line of East Twenty-eighth street and the southern line of Tilden avenue.

2. The southern line of Sherman street, as herewith to be closed, to be 50 feet from and parallel with the above described line.

###### *Parcel B.*

The northern line of Sherman street, as herewith to be closed, to begin at a point on the eastern line of East Twenty-eighth street distant 400.2 feet southerly from the intersection of the eastern line of East Twenty-eighth street and the southerly line of Tilden avenue, as the same are laid down on the map of the City;

1. Thence easterly in a straight line 81.5 feet to a point on the western line of Lawrence street distant 400 feet southerly from the intersection of the western line of Lawrence street and the southern line of Tilden avenue;

2. The southern line of Sherman street, as herewith to be closed, to be 50 feet from and parallel with the above described line.

##### LAWRENCE STREET.

###### *Parcel A.*

The eastern line of Lawrence street, as herewith to be closed, to begin at a point on the southern line of Butler street 43.2 feet westerly from the intersection of the southern line of Butler street and the western line of East Twenty-ninth street, as the same are laid down on the map of the City;

1. Thence southerly in a straight line 394.8 feet to a point on the northern line of Tilden avenue distant 54.8 feet westerly from the intersection of the northern line of Tilden avenue and the western line of East Twenty-ninth street.

2. The western line of Lawrence street, as herewith to be closed, to be 50 feet from and parallel with the above described line.

###### *Parcel B.*

The eastern line of Lawrence street, as herewith to be closed, to begin at a point 56.9 feet westerly from the intersection of the southern line of Tilden avenue with the western line of East Twenty-ninth street, as the same are laid down on the map of the City;

1. Thence southerly in a straight line 576.4 feet to a point on the northern line of Beverley road distant 73.8 feet westerly from the intersection of the northern line of Beverley road with the western line of East Twenty-ninth street;

2. The western line of Lawrence street, as herewith to be closed, to be 50 feet from and parallel with the above described line.

###### *Parcel C.*

The eastern line of Lawrence street, as herewith to be closed, to begin at a point 76.1 feet westerly from the intersection of the southern line of Beverley road with the western line of East Twenty-ninth street, as the same are laid down on the map of the City.

1. Thence southerly in a straight line 175.7 feet to a point on the northern line of Canarsie road distant 81.3 feet westerly from the intersection of the northern line of Canarsie road with the western line of East Twenty-ninth street;

2. The western line of Lawrence street, as herewith to be closed, to be 50 feet from and parallel with the above described line.

Note—These dimensions are approximate.

—and it is hereby

Resolved, That a copy of the resolution be transmitted forthwith to the Board of Estimate and Apportionment for its approval.

REPORT No. 5571.

BOARD OF ESTIMATE AND APPORTIONMENT,  
OFFICE OF THE CHIEF ENGINEER,  
December 4, 1907.

Hon. GEORGE B. McCLELLAN, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—Herewith is transmitted a resolution of the Local Board of the Flatbush District, Borough of Brooklyn, adopted on January 30, 1907, recommending the adoption of a plan providing for closing and discontinuing Sherman street, between Rogers avenue and Lawrence street, and Lawrence street, between Canarsie road and Butler street.

This change affects two short blocks of Sherman street and two long blocks and one short block of Lawrence street, neither of which has been formally incorporated upon the map of the City, but both have been shown upon property maps and used as a basis for the conveyance of property. A roadway is in use along the line of both streets, and one building has frontage upon Sherman street while several are at the present time dependent upon Lawrence street for an outlet. The adjoining street system is only partially in use at the present time, and no steps have yet

been taken for the acquisition of title or for the improvement of some of them which will be required when the use of the two streets described in the resolution is discontinued.

The object of the changes is evidently partially to establish that the streets are not to be recognized and that for this reason property abutting on them should not be improved with the expectation of obtaining a permanent frontage, and partly to extinguish the public easement which exists in them. There is no question as to the propriety of placing on record the intent not to incorporate or retain these streets upon the map of the City, but I am in some doubt as to the effect of the adoption of a resolution providing for discontinuing and closing them at this time.

Section 2 of chapter 1006 of the Laws of 1895, which at the time of its adoption related only to what is now the Borough of Manhattan and the territory west of the Bronx river, in the Borough of The Bronx, provides that when a map is filed showing a highway as discontinued, the owners of the fee within the boundary described may enclose and use it as soon as the adjacent highways which are provided for upon the map have been opened, and the Courts have held that the term "opened" as thus used implies such an improvement of the street system as to make it available for traffic. If this law applies to all of the territory now embraced within the limits of The City of New York, it would appear that the public easement in Lawrence street and Sherman street would not be extinguished until after East Twenty-eighth street and East Twenty-ninth street had been improved, and in this case there would be no question as to the advisability of approving the resolution. If, on the other hand, the effect of the resolution would be the immediate extinguishment of the public easement which now exists, owners of property deprived of access to a highway would unquestionably be entitled to claims against the City for substantial damage. That the discontinuance of the easement is anticipated by owners of property in the vicinity as a result of the proposed closing is evidenced by the fact that some of the property within its lines located between Butler street and Tilden avenue has already been fenced off and utilized as a portion of a parcel having frontage upon an adjoining street.

I believe that it might be possible to approve the proposed change without injury to any of the existing interests by qualifying the resolution and by placing an explanatory note upon the map to indicate that the public easement was not to be abandoned until such time as the adjoining street system had been improved.

To remove any uncertainty as to the effect of the adoption of resolutions of this character, I would recommend that the Corporation Counsel be requested to advise the Board whether the provisions of chapter 1006 of the Laws of 1895 apply to this case, and that if it does not apply, he be also asked as to the proper procedure to be followed in making changes in the map of this character. In the latter case the advice might cover the following particulars:

1. The effect of a resolution closing and discontinuing a street or lane upon title to land within its lines.
2. The course to be followed in cases where it is desired to establish an intent not to include an existing road or highway in the street system, and at the same time to retain the existing public easement unimpaired until such time as all of the adjoining streets, as mapped, have been made available for use.
3. The form to be followed in cases where it is proposed to remove the street from the map and also to part with any public easement in the same.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

#### CHANGE IN GRADE OF BOSTON ROAD AND OF INTERSECTING STREETS, THE BRONX.

The following communication from the President of the Borough of The Bronx, report of the Principal Assistant Topographical Engineer, and report of the Chief Engineer of the Board were presented, and on motion, the matter was referred to the President of the Borough of The Bronx.

THE CITY OF NEW YORK,  
OFFICE OF THE PRESIDENT OF THE BOROUGH OF THE BRONX,  
NEW YORK, September 17, 1907.

JOSEPH HAAG, Esq., Secretary, Board of Estimate and Apportionment:

DEAR SIR—I transmit herewith for the consideration of the Board of Estimate and Apportionment and for public hearing thereon, map or plan showing the changing and establishing of the grades in Boston road, from the Bronx river to White Plains road, and in Bronx boulevard, from Boston road to Thwaites place, and of the intersecting avenues affected thereby, dated New York, September 13, 1907, together with a copy of the report of the Principal Assistant Topographical Engineer, approved by Chief Engineer of the Borough of The Bronx, September 16, 1907.

Yours truly,

LOUIS F. HAFFEN,  
President, Borough of The Bronx.

In the matter of changing and establishing grades in Boston road, from the Bronx river to White Plains road, and in Bronx boulevard, from Boston road to Thwaites place, and of the intersecting avenues affected thereby, Borough of The Bronx.

The grades established for the Bronx boulevard, crossing the Bronx and Pelham parkway, and near its junction with the old Boston road, do not agree well with the grading done by the Park Department, and at the junction of the old Boston road, the grades can be improved in order to obtain a more uniform grade for Boston road, from the bridge over the Bronx river to the existing White Plains road.

Studies made for this purpose are embodied in a map entitled, "Map or plan showing the changing and establishing of the grades in Boston road, from the Bronx river to White Plains road, and in Bronx boulevard, from Boston road to Thwaites place, and of the intersecting avenues affected thereby, in the Twenty-fourth Ward, Borough of The Bronx, City of New York," dated September 13, 1907, which map is herewith submitted for the consideration of the Board.

Respectfully,

F. GREIFFENBERG,  
Principal Assistant Topographical Engineer.

Approved, September 16, 1907.

JOSIAH A. BRIGGS,  
Chief Engineer of the Borough of The Bronx.

REPORT NO. 5528.

BOARD OF ESTIMATE AND APPORTIONMENT,  
OFFICE OF THE CHIEF ENGINEER,  
November 20, 1907.

Hon. GEORGE B. MCCLELLAN, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—Herewith is transmitted a communication from the President of the Borough of The Bronx, bearing date of September 17, 1907, submitting for consideration a map changing and establishing grades in Boston road, between the Bronx river and White Plains road, and in the intersecting streets. The papers presented with the resolution show that the grades used by the Park Department for improving the Bronx and Pelham parkway do not conform with the grades fixed for the street system in the vicinity, and the object of the change is to reconcile the latter with the street surfaces as now in use.

The map shows Boston road as having been laid out to the Bronx river, but I am unable to find any record to show that this has been done. On February 3, 1905, a map providing for laying out this street across Bronx Park was referred back to the President of the Borough, it having been shown that all of the area within the limits of the park was under the jurisdiction of the Park Commissioner, and that for this reason streets which might be proposed within the area would have to be laid out by the Park Commissioner, and could not properly be included in the map.

On July 7, 1905, an extension of Bronx Park was provided for and the map then adopted provided for a street system between Bronx Park East and the former easterly boundary of the park. I believe that if any changes are to be made in the grade of Boston road the same should be confined to the portion of the street which is laid out upon the City map. The map also indicates that Bronx boulevard has been laid

out to have a width of 100 feet. This width is shown for that portion of the boulevard south of the Bronx and Pelham parkway upon the map previously referred to as having been adopted on July 7, 1905, but north of the parkway the width is only 60 feet.

I would therefore recommend that the map be referred back to the President of the borough, with the suggestion that the change in the grade of Boston road be limited to the portion of the street which is included upon the City map, and that the width shown for Bronx boulevard be made to correspond with that heretofore adopted. The attention of the Borough President might also be called to a request which I am informally advised has been made to the Sinking Fund Commissioners to transfer jurisdiction over Boston road between Bronx Park East and the park boundary to the Department of Parks. If such a change were to be made it would also naturally include Lydig avenue between Bronx Park East and Boston road, and Bronx boulevard between Boston road and the Bronx and Pelham parkway. These streets include the greater portion of the territory affected by the change in grade now proposed by the President of the Borough. I would suggest that his attention be drawn to this application, so that a map may be prepared showing the proposed changes in the street system, if in his judgment they are desirable ones.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

#### CHANGE IN GRADE OF WALTON AVENUE, THE BRONX.

The following communication from the President of the Borough of The Bronx and report of the Chief Engineer were presented:

OFFICE OF THE PRESIDENT OF THE BOROUGH OF THE BRONX,  
MUNICIPAL BUILDING, CROTONA PARK,  
NEW YORK, December 4, 1907.

MR. JOSEPH HAAG, Secretary, Board of Estimate and Apportionment:

DEAR SIR—Replying to your letter of November 9, 1907, enclosing copies of papers in the matter of changing the grade of Mott avenue, between East One Hundred and Thirty-eighth street and a point 100 feet northerly therefrom, Borough of The Bronx, I transmit herewith map entitled:

"Map or plan showing the change of grades of Mott avenue, from the northwest curb intersection of East One Hundred and Thirty-eighth street to a point 250 feet northerly thereof, and of Walton avenue, from northwest curb intersection of East One Hundred and Thirty-eighth street to a point 100 feet northerly thereof, in the Twenty-third Ward, Borough of The Bronx, City of New York."

I also transmit herewith technical description, in duplicate.

Yours truly,

LOUIS F. HAFFEN,  
President of the Borough of The Bronx.

REPORT NO. 5591.

BOARD OF ESTIMATE AND APPORTIONMENT,  
OFFICE OF THE CHIEF ENGINEER,  
December 13, 1907.

Hon. GEORGE B. MCCLELLAN, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—At a meeting of the Board of Estimate and Apportionment, held on November 8, 1907, a hearing was given in the matter of a change in the grade of Mott avenue, north of East One Hundred and Thirty-eighth street, requested by the Commissioner of Bridges. The change was objected to by the President of the Borough of The Bronx, for the reason that the proposed grade of 5 per cent. in Mott avenue through the 100 feet affected by the change was deemed by him too steep, and the President was requested to submit an amended plan.

Under date of December 4, 1907, he has forwarded a map intended to meet the objections raised, this providing for extending the Mott avenue change in grade to 250 feet north of East One Hundred and Thirty-eighth street, thereby reducing the grade to about 3.2 per cent. The Borough President also proposes a slight change in the grade of Walton avenue, affecting a distance of 100 feet north of East One Hundred and Thirty-eighth street, this change and the one proposed in Mott avenue being required to permit of connecting both streets with the grades fixed for East One Hundred and Thirty-eighth street in 1903, in connection with the design of the approaches to the Madison Avenue Bridge.

Mott avenue has been paved and Walton avenue has been graded. I understand that none of the buildings which have been erected on the property abutting on these streets will be damaged by reason of the changes.

The cost of carrying out the changes now proposed by the President of the Borough will be somewhat greater than under the plan submitted by the Commissioner of Bridges, but will result in securing more favorable grades. The approval of the amended plan is recommended.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

The following resolutions were then adopted:

Resolved, That the Board of Estimate and Apportionment of The City of New York, in pursuance of the provisions of section 442 of the Greater New York Charter as amended, deeming it for the public interest so to do, proposes to change the map or plan of The City of New York, by changing the grades of Mott avenue, from the northwest curb intersection of East One Hundred and Thirty-eighth street to a point 250 feet northerly thereof, and of Walton avenue, from the northwest curb intersection of East One Hundred and Thirty-eighth street to a point 100 feet northerly thereof, in the Borough of The Bronx, City of New York, more particularly described as follows:

#### Mott Avenue.

1. The elevation at East One Hundred and Thirty-eighth street to be 12.0 feet, as heretofore established.
2. The elevation at a point 250 feet northerly from the northwesterly curb intersection of East One Hundred and Thirty-eighth street to be 20.0 feet, as at present paved.
3. The elevation at Cheever place to be 28.0 feet, as heretofore established.

#### Walton Avenue.

1. The elevation of East One Hundred and Thirty-eighth street to be as heretofore fixed.
2. The elevation at a point 100 feet northerly from the northwesterly curb intersection of East One Hundred and Thirty-eighth street to be 18.3 feet, as at present graded.
3. The elevation at Cheever place to be 40.0 feet, as heretofore established.

All elevations refer to mean high water datum as established in the Borough of The Bronx.

Resolved, That this Board consider the proposed change at a meeting of the Board, to be held in the City Hall, Borough of Manhattan, City of New York, on the 17th day of January, 1908, at 10.30 o'clock a m.

Resolved, That the Secretary of this Board cause these resolutions and a notice to all persons affected thereby that the proposed change will be considered at a meeting of the Board, to be held at the aforesaid time and place, to be published in THE CITY RECORD for ten days continuously, Sundays and legal holidays excepted, prior to the 17th day of January, 1908.

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of The Bronx, Queens and Richmond—12.

# CHANGE IN GRADE OF STREETS WITHIN AREA BOUNDED BY FIRST STREET, WOODSIDE AVENUE, SIXTH STREET AND GROUT AVENUE, QUEENS.

The following resolution of the Local Board of Newtown District, Borough of Queens, and report of the Chief Engineer were presented:

## In the Local Board of the Newtown District.

Whereas, A petition for a local improvement described below has been received by the President of the Borough of Queens, and

Whereas, He has appointed a time for a meeting of this Local Board not more than fifteen days after the receipt by him of the said petition, at which meeting the said petition would be submitted by him to the said Local Board, and he has caused a notice to be published in the CITY RECORD that said petition has been presented to him and is on file in his office for inspection, and of the time when and the place where there would be a meeting of this Local Board at which the said petition would be submitted by him to the said Board, which time was not less than ten days after the publication of this notice, and

Whereas, The said petition was duly submitted thereafter to the said Local Board, which did duly consider the same, and give a full hearing thereon; now therefore it is Resolved, by the Local Board of the Newtown District, pursuant to titles 2 and 3 of chapter 10, of the Greater New York Charter, That the said petition be and the same hereby is granted; and it is hereby

Resolved, That this Board does hereby initiate proceedings for the said local improvement, to wit:

To change the map of The City of New York by altering the grades of Greenpoint avenue, from First street to Fourth street, and Skillman avenue, from Cleveland avenue to Sixth street, and Cleveland avenue, Third street, Fourth street and Fifth street, in the Second Ward of the Borough of Queens, and it is hereby further

Resolved, That a copy of the resolution be transmitted forthwith to the Board of Estimate and Apportionment for its approval.

Adopted by the Local Board of the Newtown District, on the 11th day of July, 1907, Aldermen Herold and Clifford and Lawrence Gresser, Commissioner of Public Works, voting in favor thereof.

Attest:

HERMAN RINGE, Secretary.

Approved this 11th day of July, 1907.

JOSEPH BERMEI, President of the Borough of Queens.

REPORT No. 5520.

BOARD OF ESTIMATE AND APPORTIONMENT,  
OFFICE OF THE CHIEF ENGINEER,  
November 16, 1907.

Hon. GEORGE B. McCLELLAN, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—Herewith is transmitted a resolution of the Local Board of the Newtown District, Borough of Queens, adopted on July 11, 1907, recommending a change in the grade of the following streets, in the Second Ward:

- Greenpoint avenue, between First street and Fourth street.
- Skillman avenue, between Cleveland avenue and Sixth street.
- Cleveland avenue, between Grout avenue and Skillman avenue.
- Third street, between Grout avenue and Woodside avenue.
- Fourth street, between Grout avenue and Woodside avenue.
- Fifth street, between Grout avenue and Woodside avenue.

On November 16, 1906, a resolution was adopted by the Board of Estimate and Apportionment providing for grading, curbing and flagging Greenpoint avenue through that portion of its length located within the limits of the Second Ward. The change in grade is requested by a number of owners of property on this street, and it appears to be desired for the purpose of legalizing the present surface. The roadway has been macadamized and several buildings have been erected upon the abutting property, all of which appear to conform with the grade of the street as now in use.

The changes described in the other streets are intended to make their grade conform with that now proposed for Greenpoint avenue.

I see no reason why the map should not be approved, and would recommend such action.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

The following resolutions were then adopted:

Resolved, That the Board of Estimate and Apportionment of The City of New York, in pursuance of the provisions of section 442 of the Greater New York Charter as amended, deeming it for the public interest so to do, proposes to change the map or plan of The City of New York, by changing the grade of Greenpoint avenue, from First to Fourth street; Skillman avenue, from Cleveland avenue to Sixth street; Cleveland avenue, from Grout avenue to Skillman avenue; Third street, from Grout avenue to Woodside avenue; Fourth street, from Grout avenue to Woodside avenue; and Fifth street from Grout avenue to Woodside avenue, in the Borough of Queens, City of New York, more particularly described as follows—

## Greenpoint Avenue.

1. The elevation at First street to be 103.5 feet as heretofore established.
2. The elevation at Cleveland avenue to be 100 feet.
3. The elevation at Third street to be 86 feet.
4. The elevation at Fourth street as Fourth street is laid out south of Greenpoint avenue to be 71 feet.

## Skillman Avenue.

1. The elevation at Cleveland avenue to be 93 feet as heretofore established.
2. The elevation at Third street as Third street is laid out north of Skillman avenue to be 83 feet.
3. The elevation of Fourth street as Fourth street is laid out north of Skillman avenue to be 70 feet.
4. The elevation at Fifth street to be 60 feet.
5. The elevation at Sixth street to be 56.75 feet as heretofore established.

## Cleveland Avenue.

1. The elevation at Grout avenue to be 106 feet as heretofore established.
2. The elevation at Greenpoint avenue to be 100 feet.
3. The elevation at Skillman avenue to be 93 feet as heretofore established.

## Third Street.

1. The elevation at Grout avenue to be 91 feet as heretofore established.
2. The elevation at Greenpoint avenue to be 86 feet.
3. The elevation at Skillman avenue to be 83 feet.
4. The elevation at Woodside avenue to be 70 feet as heretofore established.

## Fourth Street.

1. The elevation at Grout avenue to be 76 feet.
2. The elevation at Greenpoint avenue to be 71 feet.
3. The elevation at Skillman avenue to be 70 feet.
4. The elevation at Woodside avenue to be 62 feet as heretofore established.

## Fifth Street.

1. The elevation at Grout avenue to be 59 feet.
2. The elevation at a point 250 feet southerly from the southerly line of Skillman avenue to be 61.5 feet.

3. The elevation at Skillman avenue to be 60 feet.

4. The elevation at Woodside avenue to be as heretofore established.

Resolved, That this Board consider the proposed change at a meeting of the Board, to be held in the City Hall, Borough of Manhattan, City of New York, on the 17th day of January, 1908, at 10.30 o'clock a. m.

Resolved, That the Secretary of this Board cause these resolutions and a notice to all persons affected thereby that the proposed change will be considered at a meeting of the Board, to be held at the aforesaid time and place, to be published in the CITY RECORD for ten days continuously, Sundays and legal holidays excepted, prior to the 17th day of January, 1908.

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen, and the Presidents of the Boroughs of The Bronx, Queens and Richmond—12.

# CHANGE IN LINE AND GRADE OF DECATUR STREET, QUEENS.

The following resolution of the Local Board of the Newtown District, Borough of Queens, and report of the Chief Engineer were presented:

## In the Local Board of the Newtown District.

Whereas, A petition for a local improvement described below has been received by the President of the Borough of Queens; and

Whereas, He has appointed a time for a meeting of this Local Board not more than fifteen days after the receipt by him of the said petition, at which meeting the said petition would be submitted by him to the said Local Board, and he has caused a notice to be published in the CITY RECORD that said petition has been presented to him and is on file in his office for inspection, and of the time when and the place where there would be a meeting of this Local Board at which the said petition would be submitted by him to the said Board, which time was not less than ten days after the publication of this notice; and

Whereas, The said petition was duly submitted thereafter to the said Local Board, which did duly consider the same, and give a full hearing thereon; now therefore it is

Resolved, by the Local Board of the Newtown District, pursuant to titles 2 and 3 of chapter 10 of the Greater New York Charter, That the said petition be and the same hereby is granted; and it is hereby

Resolved, That this Board does hereby initiate proceedings for the said local improvement, to wit:

To change the map of The City of New York by eliminating that portion of Decatur street between (old) West street and Myrtle avenue; and

To place upon the map of The City of New York (old) West street from (present) Decatur street to Myrtle avenue, in the second Ward of the Borough of Queens; and it is hereby

Resolved, That a copy of the resolution be transmitted forthwith to the Board of Estimate and Apportionment for its approval.

Adopted by the Local Board of the Newtown District on the 26th day of September, 1907.

Aldermen Herold and Clifford and Lawrence Gresser, Commissioner of Public Works, voting in favor thereof.

Attest:

HERMAN RINGE, Secretary.

Approved this 26th day of September, 1907.

JOSEPH BERMEI,

President of the Borough of Queens.

REPORT No. 5546.

BOARD OF ESTIMATE AND APPORTIONMENT,  
OFFICE OF THE CHIEF ENGINEER,  
November 25, 1907.

Hon. GEORGE B. McCLELLAN, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—Herewith is transmitted a resolution of the Local Board of the Newtown District, Borough of Queens, adopted on September 26, 1907, recommending a change in the line of Decatur street, between Forest avenue and Myrtle avenue.

This street was shown upon the tentative map of the Maspeth section, which was adopted by the Board of Estimate and Apportionment on November 13, 1903, and its lines are also laid down on the final map of section 30, which was approved by the Board of Estimate and Apportionment on June 28, 1907. As mapped, it was given a direction approximately parallel with that of the adjoining streets and met Myrtle avenue, its northerly terminal, at an acute angle. Since the date when its lines were first laid out a large stone works plant has been erected on Myrtle avenue, occupying the land required for the street. The petitioners for the change advise that if the street is opened as now laid out it will destroy this plant and that the damage will amount to not less than \$60,000.

It is now proposed to place an angle in the street line at a point about 300 feet south of Myrtle avenue, and to deflect the street westwardly to meet Myrtle avenue at a right angle, the new lines to coincide approximately with a street laid out many years ago by interested property owners. The change will leave an irregular block depth at the Myrtle avenue intersection, greatly increasing that on the easterly side, which under the original plan was only 150 feet, and decreasing that on the westerly side, which had heretofore been laid out with a depth of 225 feet. The street will meet Myrtle avenue about opposite Buchman avenue.

The broken alignment is somewhat objectionable, but, by reason of its location at the extreme end of the street and of the more advantageous connection which will be afforded with Myrtle avenue, I believe that it may properly be approved and such action is recommended.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

The following resolutions were then adopted:

Resolved, That the Board of Estimate and Apportionment of The City of New York, in pursuance of the provisions of section 442 of the Greater New York Charter as amended, deeming it for the public interest so to do, proposes to change the map or plan of The City of New York by changing the line and grade of Decatur street, from Forest avenue to Myrtle avenue, and changing the grade of Myrtle avenue, from Fresh Pond road to Buchman avenue, in the Borough of Queens, City of New York, more particularly described as follows:

## CHANGE OF LINE OF DECATUR STREET.

1. The westerly line of Decatur street is to extend between a point on the northwesterly line of Decatur street as at present laid out, distant 524.10 feet northeasterly from the intersection with the northeasterly line of Forest avenue and a point on the southerly line of Myrtle avenue, distant 135.35 feet easterly from the intersection with the southeasterly line of Summerfield street.

2. The easterly line of Decatur street is to be 60.05 feet from and parallel with the westerly line, as hereinbefore described.

3. That portion of Decatur street as at present laid out lying between the easterly line of Decatur street, as hereinbefore described, and the southerly line of Myrtle avenue is to be discontinued and closed.

## GRADES.

### Decatur Street.

1. The elevation at Forest avenue is to be 80 feet, as heretofore established.
2. The elevation at a point distant 125 feet northeasterly from the northeasterly line of Forest avenue is to be 80.75 feet.
3. The elevation at the angle point northeasterly from Forest avenue is to be 78.5 feet.
4. The elevation at Myrtle avenue is to be 77.25 feet.

*Myrtle Avenue.*

1. The elevation at Fresh Pond road is to be 75.50 feet, as heretofore established.
2. The elevation at Decatur street, laid out as hereinbefore described, is to be 77.25 feet.
3. The elevation at Buchman avenue is to be 77.75 feet, as heretofore established.

Note—All elevations refer to mean high water datum, as established for the Borough of Queens.

Resolved, That this Board consider the proposed change at a meeting of the Board to be held in the City Hall, Borough of Manhattan, City of New York, on the 17th day of January, 1908, at 10.30 o'clock a. m.

Resolved, That the Secretary of this Board cause these resolutions and a notice to all persons affected thereby that the proposed change will be considered at a meeting of the Board to be held at the aforesaid time and place, to be published in the CITY RECORD for ten days continuously, Sundays and legal holidays excepted, prior to the 17th day of January, 1908.

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of The Bronx, Queens and Richmond—12.

#### LAYING OUT AN UNNAMED STREET TO EXTEND FROM THE NORTHERLY TERMINUS OF GRAY STREET TO GORDON STREET, RICHMOND.

The following communication from the President of the Borough of Richmond and report of the Chief Engineer were presented:

THE CITY OF NEW YORK,  
OFFICE OF THE PRESIDENT OF THE BOROUGH OF RICHMOND,  
NEW BRIGHTON, NEW YORK CITY, December 7, 1907.

Board of Estimate and Apportionment, No. 277 Broadway, New York City:

GENTLEMEN—I send you herewith map showing layout and grades of an unnamed street, extending from the present northerly terminus of Gray street to Gordon street, Second Ward, Borough of Richmond, with technical description attached.

The object of this street opening is to provide sewer outlet facilities, and it is absolutely essential in the development of the system of sewers which we have now in contemplation for the whole of Stapleton and vicinity. We would ask, therefore, that the earliest possible action be taken upon the adoption of the map, and there will be forwarded at an early date the necessary Local Board resolution, initiating the legal opening and acquiring of title, according to the lines of the map herewith submitted.

Yours respectfully,

GEORGE CROMWELL, President of the Borough.

REPORT No. 5582.

BOARD OF ESTIMATE AND APPORTIONMENT,  
OFFICE OF THE CHIEF ENGINEER,  
December 11, 1907.

Hon. GEORGE B. McCLELLAN, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—Herewith is transmitted a communication from the President of the Borough of Richmond, bearing date of December 7, 1907, requesting the approval of a map laying out an unnamed street to extend from the northerly terminus of Gray street to Gordon street, in the Second Ward.

The proposed street is to have a width of 60 feet and a length of about 100 feet. It is not in use at the present time, and the land lying within its lines is occupied by three frame dwellings. It was shown upon a map of a large area, which was considered at a meeting of the Board of Estimate and Apportionment held on October 25, 1907, and referred back to the President of the Borough for amendment, by increasing the width of a number of the streets. The width shown upon the original map for the street which it is now proposed to lay out, was 50 feet, but it has been found that the width could be increased to 60 feet without damage to additional buildings.

The approval of the map now submitted is requested, as the occupancy of the street will be required for an outlet sewer which it is proposed to build in the near future. The street will subdivide what is now a very irregular block.

The plan submitted appears to be a proper one and its approval is recommended after a public hearing.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

The following resolutions were then adopted:

Resolved, That the Board of Estimate and Apportionment of The City of New York, in pursuance of the provisions of section 442 of the Greater New York Charter as amended, deeming it for the public interest so to do, proposes to change the map or plan of The City of New York by laying out an unnamed street, extending from the northerly terminus of Gray street to Gordon street, and establishing grades therefor, in the Borough of Richmond, City of New York, more particularly described as follows:

#### *Layout.*

Beginning at a point on the easterly line of Gordon street, 439.67 feet northerly from the intersection of the easterly line of Gordon street and the northerly line of Hudson street;

Thence easterly at right angles to Gordon street, 100.10 feet to the northerly terminus of Gray street;

Thence northerly along said northerly terminus of Gray street 60 feet;

Thence westerly parallel to the first course 100.10 feet to the easterly line of Gordon street;

Thence southerly along the easterly line of Gordon street 60 feet to the point of beginning.

#### *Grades.*

Beginning at the present northerly terminus of Gray street, the elevation on both curbs to be 23.2 feet, substantially as heretofore;

Thence westerly to the easterly curb line of Gordon street, the elevation on the north curb to be 27.0 feet and on the south curb to be 26.7 feet, substantially as heretofore.

Elevations are referred to Richmond high water datum.

Resolved, That this Board consider the proposed change at a meeting of the Board, to be held in the City Hall, Borough of Manhattan, City of New York, on the 17th day of January, 1908, at 10.30 o'clock a. m.

Resolved, That the Secretary of this Board cause these resolutions and a notice to all persons affected thereby that the proposed change will be considered at a meeting of the Board, to be held at the aforesaid time and place, to be published in the CITY RECORD for ten days continuously, Sundays and legal holidays excepted, prior to the 17th day of January, 1908.

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of The Bronx, Queens and Richmond—12.

REPORT No. 5539.

BOARD OF ESTIMATE AND APPORTIONMENT,  
OFFICE OF THE CHIEF ENGINEER,  
November 22, 1907.

Hon. GEORGE B. McCLELLAN, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—Herewith are transmitted five resolutions of the Local Board of the Williamsburg District, Borough of Brooklyn, initiating proceedings for the acquisition of title to the following streets:

Kent street, from Oakland street to Provost street.

Meserole avenue, from Jewell street to North Henry street.

Diamond street, from Greenpoint avenue to Meserole avenue.

Moultrie street, from Greenpoint avenue to Humboldt street.

Humboldt street, from Greenpoint avenue to Norman avenue.

The Kent street resolution was adopted on June 27, 1906. It affects a length of one block of this street, which has been laid out to have a width of 60 feet. The street is in use at the present time and several buildings have been erected upon the abutting property.

The Meserole avenue proceeding, which was initiated by the Local Board on May 31, 1906, includes a length of four short blocks, and the street as laid out has a width of 60 feet. A narrow roadway is in use at the present time, but the abutting property is unimproved.

The Diamond street resolution was approved by the Local Board on January 29, 1906. It includes a length of two long blocks, and the street as mapped has a width of 50 feet. The roadway has been approximately graded and a number of buildings have been erected upon the abutting property. The street has a total length of five blocks. It does not seem practicable to widen it at this time as the abutting property through most of the length has been improved and the buildings conform with the present street line.

The resolution relating to Moultrie street was adopted by the Local Board on November 26, 1906. It affects the entire length of the street, or three long blocks. The street has a width of 50 feet. The roadway is in use through the greater portion of the distance and a few factories have been erected upon the abutting land.

The resolution relating to Humboldt street was adopted by the Local Board on June 27, 1906. It affects three long blocks. The street has been given a width of 60 feet and is in use for a short distance north of Norman avenue and south of Greenpoint avenue, through which sections a few buildings have been erected.

Diamond street, Moultrie street and Humboldt street have directions approximately parallel and at right angles to that of Kent street and of Meserole avenue. The streets are in the Greenpoint section of the borough and in close proximity to one another, and the districts of assessment which would, under the usual method of treatment, be laid out for them adjoin each other.

I see no reason why the resolutions should not be combined and made the subject of a single proceeding and would recommend such treatment. It is also recommended that the resolutions be approved, that title to the streets be acquired in fee, that all of the costs of the proceeding, including the expenses of the Bureau of Street Openings and any damages allowed for intended regulating, be assessed upon the property benefited, and that a district of assessment be laid out to comprise the following area:

Beginning at a point on the line midway between Meserole avenue and Norman avenue, distant 100 feet easterly from the easterly line of North Henry street, and running thence westwardly along the said line midway between Meserole avenue and Norman avenue to the intersection with a line midway between Humboldt street and Russell street; thence southwardly along the said line midway between Humboldt street and Russell street to a point distant 100 feet southerly from the southerly line of Norman avenue; thence westwardly parallel with and always distant 100 feet from the southerly line of Norman avenue to the intersection with the prolongation of a line midway between Jewell and Moultrie streets as laid out north of Norman avenue; thence northwardly along the said line midway between Jewell street and Moultrie street and the prolongation thereof to the intersection with a line midway between Meserole avenue and Norman avenue; thence westwardly along the said line midway between Meserole avenue and Norman avenue to a point distant 100 feet westerly from the westerly line of Jewell street; thence northwardly and parallel with Jewell street to a point distant 100 feet southerly from the southerly line of Meserole avenue; thence westwardly and parallel with Meserole avenue to the intersection with a line midway between Newell street and Diamond street; thence northwardly along the said line midway between Newell street and Diamond street and the prolongation thereof to the intersection with a line midway between Greenpoint avenue and Kent street; thence westwardly along the said line midway between Greenpoint avenue and Kent street to a point distant 100 feet westerly from the westerly line of Oakland street; thence northwardly and parallel with Oakland street to the intersection with a line midway between Kent street and Java street; thence eastwardly along the said line midway between Kent street and Java street to a point distant 100 feet easterly from the easterly line of Provost street; thence southwardly and parallel with Provost street to the intersection with a line midway between Greenpoint avenue and Kent street; thence westwardly along the said line midway between Greenpoint avenue and Kent street to the intersection with the prolongation of a line midway between Diamond street and Jewell street; thence southwardly along the said line midway between Diamond street and Jewell street and the prolongation thereof to the intersection with a line midway between Calyer street and Meserole avenue; thence eastwardly along the said line midway between Calyer street and Meserole avenue to the intersection with a line midway between Jewell street and Moultrie street; thence northwardly along the said line midway between Jewell street and Moultrie street and the prolongation thereof to the intersection with a line distant 100 feet northerly from and parallel with the northerly line of Greenpoint avenue as laid out east of the angle point of Greenpoint avenue, the said distance being measured at right angles to the line of Greenpoint avenue; thence eastwardly along the said line parallel with Greenpoint avenue to the intersection with the prolongation of a line midway between Humboldt street and Russell street; thence southwardly along the said line midway between Humboldt street and Russell street and the prolongation thereof to the intersection with a line midway between Calyer street and Meserole avenue; thence eastwardly along the said line midway between Calyer street and Meserole avenue to a point distant 100 feet easterly from the easterly line of North Henry street; thence southwardly and parallel with North Henry street to the point or place of beginning.

Buildings encroach upon the land to be acquired in Moultrie street.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

The following resolutions were then adopted:

Whereas, The Board of Estimate and Apportionment of The City of New York is considering the advisability of instituting proceedings to acquire title to the lands and premises required for the opening and extending of Kent street, from Oakland street to Provost street; Meserole avenue, from Jewell street to North Henry street; Diamond street, from Greenpoint avenue to Meserole avenue; Moultrie street, from Greenpoint avenue to Humboldt street; and Humboldt street, from Greenpoint avenue to Norman avenue, in the Borough of Brooklyn, City of New York; and

Whereas, The Board of Estimate and Apportionment is authorized and required at the time of the adoption of the resolution directing the institution of proceedings to acquire title to the lands required for the foregoing improvement to fix and determine upon an area or areas of assessment for benefit for said proceeding.

Resolved, That the Board of Estimate and Apportionment, in pursuance of the provisions of section 980 of the Greater New York Charter, hereby gives notice that the following is the proposed area of assessment for benefit in this proceeding:

Beginning at a point on the line midway between Meserole avenue and Norman avenue, distant 100 feet easterly from the easterly line of North Henry street, and running thence westwardly along the said line midway between Meserole avenue and Norman avenue to the intersection with a line midway between Humboldt street and Russell street; thence southwardly along the said line midway between Humboldt street and Russell street to a point distant 100 feet southerly from the southerly line of Norman avenue; thence westwardly parallel with and always distant 100 feet from the southerly line of Norman avenue to the intersection with the prolongation of a line midway between Jewell and Moultrie streets as laid out north of Norman avenue; thence northwardly along the said line midway between Jewell street and Moultrie street and the prolongation thereof to the intersection with a line midway between Meserole avenue and Norman avenue; thence westwardly along the said line midway between Meserole avenue and Norman avenue to a point distant 100 feet westerly from the westerly line of Jewell street; thence northwardly and parallel with Jewell street to a point distant 100 feet southerly from the southerly line of Meserole avenue; thence westwardly and parallel with Meserole avenue to the intersection with a line midway between Newell street and Diamond street; thence northwardly along the said line midway between Newell street and Diamond street and the prolongation thereof to the intersection with a line midway between Greenpoint avenue and Kent street; thence westwardly along the said line midway between Greenpoint avenue and Kent street to a point distant 100 feet westerly from the westerly line of Oakland

street; thence northwardly and parallel with Oakland street to the intersection with a line midway between Kent street and Java street; thence eastwardly along the said line midway between Kent street and Java street to a point distant 100 feet easterly from the easterly line of Provost street; thence southwardly and parallel with Provost street to the intersection with a line midway between Greenpoint avenue and Kent street; thence westwardly along the said line midway between Greenpoint avenue and Kent street to the intersection with the prolongation of a line midway between Diamond street and Jewell street; thence southwardly along the said line midway between Diamond street and Jewell street and the prolongation thereof to the intersection with a line midway between Calyer street and Meserole avenue; thence eastwardly along the said line midway between Calyer street and Meserole avenue to the intersection with a line midway between Jewell street and Moultrie street; thence northwardly along the said line midway between Jewell street and Moultrie street and the prolongation thereof to the intersection with a line distant 100 feet northerly from and parallel with the northerly line of Greenpoint avenue as laid out east of the angle point of Greenpoint avenue, the said distance being measured at right angles to the line of Greenpoint avenue; thence eastwardly along the said line parallel with Greenpoint avenue to the intersection with the prolongation of a line midway between Humboldt street and Russell street; thence southwardly along the said line midway between Humboldt street and Russell street and the prolongation thereof to the intersection with a line midway between Calyer street and Meserole avenue; thence eastwardly along the said line midway between Calyer street and Meserole avenue to a point distant 100 feet easterly from the easterly line of North Henry street; thence southwardly and parallel with North Henry street to the point or place of beginning.

Resolved, That this Board consider the proposed area of assessment at a meeting of the Board to be held in the City of New York, Borough of Manhattan, in the City Hall, on the 17th day of January, 1908, at 10.30 a. m., and that at the same time and place a public hearing thereon will then and there be had.

Resolved, That the Secretary of this Board cause these resolutions and a notice to all persons affected thereby to be published in the CITY RECORD and the corporation newspapers for ten days prior to the 17th day of January, 1908.

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen, and the Presidents of the Borough of The Bronx, Queens and Richmond—12.

#### OPENING SIGOURNEY STREET, BROOKLYN.

The following resolution of the Local Board of Red Hook District, Borough of Brooklyn, and report of the Chief Engineer were presented:

##### *In the Local Board of the Red Hook District.*

Resolved, That the Local Board of the Red Hook District, Borough of Brooklyn, this 22d day of November, 1906, hereby initiates proceedings to open Sigourney street, from Otsego street to Hicks street; and it is hereby

Resolved, That a copy of the resolution be transmitted forthwith to the Board of Estimate and Apportionment for its approval.

Adopted by the Local Board of the Red Hook District on the 22d day of November, 1906, Commissioner Dunne and Aldermen Kuck and Monahan voting in favor thereof.

BIRD S. COLER,

President of the Borough of Brooklyn.

REPORT No. 5538.

BOARD OF ESTIMATE AND APPORTIONMENT,  
OFFICE OF THE CHIEF ENGINEER,  
November 21, 1907.

Hon. GEORGE B. McCLELLAN, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—Herewith is transmitted a resolution of the Local Board of the Red Hook District, Borough of Brooklyn, adopted on November 22, 1906, initiating proceedings for acquiring title to Sigourney street, between Otsego street and Hicks street.

This resolution affects the entire length of Sigourney street, or two blocks, and the street as mapped has a width of 50 feet. The roadway is in use through the block between Otsego street and Columbia street, and the abutting property has been partially improved. Between Columbia street and Hicks street it is not in use at the present time, and a building encroaches upon its lines. The street plan which has been adopted for the vicinity will not admit of an extension of Sigourney street, and for this reason it seems probable that the width provided for it will meet future requirements.

I would recommend the approval of the resolution; that title to the street be acquired in fee; that all of the costs of the proceeding, including the expenses of the Bureau of Street Openings and any damages allowed for intended regulating, be assessed upon the property benefited, and that a district of assessment be laid out to comprise the following area:

Bounded on the northeast by a line always midway between Sigourney street and Bay street and the prolongations of the said line; on the southeast by a line distant 100 feet southeasterly from and parallel with the southeasterly line of Hicks street, the said distance being measured at right angles to the line of Hicks street; on the southwest by a line always midway between Sigourney street and Halleck street and the prolongations of the said line, and on the northwest by a line distant 100 feet northwesterly from and parallel with the northwesterly line of Otsego street, the said distance being measured at right angles to the line of Otsego street.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

The following resolutions were then adopted:

Whereas, The Board of Estimate and Apportionment of The City of New York is considering the advisability of instituting proceedings to acquire title to the lands and premises required for the opening and extending of Sigourney street, between Otsego and Hicks streets, in the Borough of Brooklyn, City of New York; and

Whereas, The Board of Estimate and Apportionment is authorized and required at the time of the adoption of the resolution directing the institution of proceedings to acquire title to the lands required for the foregoing improvement to fix and determine upon an area or areas of assessment for benefit for said proceeding.

Resolved, That the Board of Estimate and Apportionment, in pursuance of the provisions of section 980 of the Greater New York Charter, hereby gives notice that the following is the proposed area of assessment for benefit in this proceeding:

Bounded on the northeast by a line always midway between Sigourney street and Bay street and the prolongations of the said line; on the southeast by a line distant 100 feet southeasterly from and parallel with the southeasterly line of Hicks street, the said distance being measured at right angles to the line of Hicks street; on the southwest by a line always midway between Sigourney street and Halleck street and the prolongations of the said line, and on the northwest by a line distant 100 feet northwesterly from and parallel with the northwesterly line of Otsego street, the said distance being measured at right angles to the line of Otsego street.

Resolved, That this Board consider the proposed area of assessment at a meeting of the Board to be held in The City of New York, Borough of Manhattan, in the City Hall, on the 17th day of January, 1908, at 10.30 a. m., and that at the same time and place a public hearing thereon will then and there be had.

Resolved, That the Secretary of this Board cause these resolutions and a notice to all persons affected thereby to be published in the CITY RECORD and the corporation newspapers for ten days prior to the 17th day of January, 1908.

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of The Bronx, Queens and Richmond—12.

#### OPENING VIENNA AVENUE, BROOKLYN.

The following communication from the Chief Engineer was presented:

REPORT No. 5598.

BOARD OF ESTIMATE AND APPORTIONMENT,  
OFFICE OF THE CHIEF ENGINEER,  
December 16, 1907.

Hon. GEORGE B. McCLELLAN, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—On April 20, 1906, a resolution was adopted by the Board of Estimate and Apportionment, providing for the acquisition of title to Vienna avenue, between East Ninety-eighth street and Williams avenue, in the Borough of Brooklyn. On the date when the amended Street Opening Law became effective, the Commissioners of Estimate and Assessment had not been appointed, and the resolution has been returned by the Corporation Counsel for reauthorization.

The Local Board has adopted another resolution which includes a greater length of the street, and I see no reason why the resolution of April 20, 1906, should not be rescinded, such action being recommended.

Respectfully,

NELSON P. LEWIS, Chief Engineer

The following resolution was then adopted:

Resolved, That the resolution adopted by the Board of Estimate and Apportionment on April 20, 1906, authorizing the acquisition of the lands and premises required for the opening and extending of Vienna avenue, between East Ninety-eighth street and Williams avenue, Borough of Brooklyn, be and the same hereby is rescinded.

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of The Bronx, Queens and Richmond—12.

#### OPENING EAST TWENTY-FIFTH STREET, BROOKLYN.

The following communication from the Chief Engineer was presented:

REPORT No. 5599.

BOARD OF ESTIMATE AND APPORTIONMENT,  
OFFICE OF THE CHIEF ENGINEER,  
December 16, 1907.

Hon. GEORGE B. McCLELLAN, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—On January 19, 1906, a resolution was adopted by the Board of Estimate and Apportionment, providing for acquiring title to East Twenty-fifth street, between Beverley road and Avenue D, in the Borough of Brooklyn. The Commissioners of Estimate and Assessment had not been appointed when the amended Street Opening Law became effective, and the resolution has been returned by the Corporation Counsel for reauthorization. Information has also been received from the Corporation Counsel, showing that a deed of cession has been executed to and accepted by the City covering the block between Avenue C and Avenue D.

Under these conditions there seems to be no occasion for reauthorizing the proceeding as originally begun, and I would recommend that the resolution be rescinded.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

The following resolution was then adopted:

Resolved, That the resolution adopted by the Board of Estimate and Apportionment on January 19, 1906, authorizing the acquisition of the lands and premises required for the opening and extending of East Twenty-fifth street, between Beverley road and Avenue D, Borough of Brooklyn, be and the same hereby is rescinded.

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of The Bronx, Queens and Richmond—12.

#### OPENING RALPH AVENUE, BROOKLYN.

The following communication from the Chief Engineer was presented, and, on motion, the matter was referred to the Corporation Counsel:

REPORT No. 5573.

BOARD OF ESTIMATE AND APPORTIONMENT,  
OFFICE OF THE CHIEF ENGINEER,  
December 4, 1907.

Hon. GEORGE B. McCLELLAN, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—There is pending before the Board of Estimate and Apportionment a resolution adopted by the Local Board of the Flatbush District, Borough of Brooklyn, to open Ralph avenue, between the Eastern parkway and East Ninety-eighth street, and it would seem advantageous to combine this resolution with four others relating, respectively, to portions of Union street, Tapscott street, Howard avenue and Grafton street.

An unusual condition is presented in the case of Ralph avenue. The Brooklyn Rapid Transit Company, or one of its subsidiary companies, has secured from the abutting owners along Ralph avenue and East Ninety-eighth street the right to construct and operate a surface railroad, which railroad has been built and is now in operation. The consents granting such right or easement have been recorded in the office of the Register of Kings County. Before recommending the initiation of proceedings to acquire title to Ralph avenue, it would, in my judgment, be wise to secure the advice of the Corporation Counsel as to the effect of the existence of this railroad line now in operation upon the street to be opened, and I would suggest that the Corporation Counsel be asked to advise the Board upon the following points:

1. Do the consents of the abutting owners and the fact of operation constitute a sufficient right to the continued operation of this railroad without the securing of any franchise from the City or the payment to the City of any compensation for this right?

2. If the City acquires the land within the lines of this street for street purposes, will it be required to make an award for the physical property of the railroad company and its right to operate its line in the street?

3. Should the proceedings to acquire title provide for the acquisition of the fee subject to the easement or right already granted by the owners to build and operate a railroad thereon?

Respectfully,

NELSON P. LEWIS, Chief Engineer.

#### OPENING PUGSLEY AVENUE, THE BRONX.

The following resolution of the Local Board of the Chester District, Borough of The Bronx, and report of the Chief Engineer were presented, and, on motion, the matter was referred back to the President of the Borough of The Bronx:

In Local Board of Chester, Twenty-fifth District, Borough of The Bronx.

Whereas, A petition for a local improvement described below has been received by the President of the Borough of The Bronx; and

Whereas, He has appointed a time for a meeting of this Local Board not more than fifteen days after the receipt by him of the said petition, at which meeting the said petition would be submitted by him to the said Local Board, and he has caused a notice to be published in the CITY RECORD that said petition has been presented to him and is on file in his office for inspection, and of the time when and the place where there would be a meeting of this Local Board at which the said petition would be submitted by him to the said Board, which time was not less than ten days after the publication of this notice; and

Whereas, The said petition was duly submitted thereafter to the said Local Board, which did duly consider the same, and give a full hearing thereon; now therefore it is

Resolved, by the Local Board of Chester, Twenty-fifth District, Borough of The Bronx, pursuant to titles 2 and 3 of chapter 10 of the Greater New York Charter, That the said petition be and the same hereby is granted; and it is hereby

Resolved, That this Board does hereby initiate proceedings for the said local improvement, to wit:

For acquiring title to the lands necessary for Pugsley avenue (Avenue E), from Westchester avenue to the East river, in the Borough of The Bronx, City of New York; and it is hereby

Resolved, That a copy of this resolution be transmitted forthwith to the Board of Estimate and Apportionment for its approval.

Adopted by the Local Board of Chester, Twenty-fifth District, on the 12th day of July, 1906.

Alderman Mulligan, Alderman Dinwoodie and the President of the Borough of The Bronx voting in favor thereof.

Negative—None.

Attest:

HENRY A. GUMBLETON,

Secretary to Local Board of Chester, Twenty-fifth District.

President of the Borough of The Bronx.

REPORT No. 5560.

BOARD OF ESTIMATE AND APPORTIONMENT,  
OFFICE OF THE CHIEF ENGINEER,  
November 27, 1907.

Hon. GEORGE B. McCLELLAN, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—Herewith is transmitted a resolution of the Local Board of the Chester District, Borough of The Bronx, adopted on July 12, 1906, initiating proceedings for the acquisition of title to Pugsley avenue, between Westchester avenue and the East river.

Pugsley avenue, extending from McGraw avenue to the bulkhead line of the East river, is shown upon three maps approved by the Board of Estimate and Apportionment on April 5, April 19 and May 3, 1907. As mapped the street has a width of 60 feet through the two blocks between McGraw avenue and Westchester avenue, and a width of 80 feet through the remaining length, the same comprising about two miles. The resolution now presented fails to include the two northerly blocks or the portion between Westchester avenue and McGraw avenue, and the southerly terminal should, in my judgment, be made the bulkhead line of the East river, this line differing in location from the present water line.

I would therefore recommend that the resolution be returned to the President of the Borough for amendment in these particulars.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

#### OPENING MANSION STREET, THE BRONX.

The following resolution of the Local Board of the Chester District, Borough of The Bronx, and report of the Chief Engineer were presented, and, on motion, the matter was referred back to the President of the Borough of The Bronx:

In Local Board of Chester, Twenty-fifth District, Borough of The Bronx.

Whereas, A petition for a local improvement described below has been received by the President of the Borough of The Bronx; and

Whereas, The said petition was duly submitted thereafter to the said Local Board, which did duly consider the same, and give a full hearing thereon; now therefore it is

Resolved, by the Local Board of Chester, Twenty-fifth District, Borough of The Bronx, pursuant to titles 2 and 3 of chapter 10 of the Greater New York Charter, That the said petition be and the same hereby is granted; and it is hereby

Resolved, That this Board does hereby initiate proceedings for the said local improvement, to wit:

For acquiring title to the lands necessary for Mansion street, from Rosedale avenue to Clason's Point road, now Hammond avenue, in the Borough of The Bronx, City of New York; and it is hereby

Resolved, That a copy of this resolution be transmitted forthwith to the Board of Estimate and Apportionment for its approval.

Adopted by the Local Board of Chester, Twenty-fifth District, on the 14th day of June, 1906.

Alderman Mulligan, Alderman Dinwoodie and the President of the Borough of The Bronx voting in favor thereof.

Negative—None.

President of the Borough of The Bronx.

REPORT No. 5559.

BOARD OF ESTIMATE AND APPORTIONMENT,  
OFFICE OF THE CHIEF ENGINEER,  
November 27, 1907.

Hon. GEORGE B. McCLELLAN, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—Herewith is transmitted a resolution of the Local Board of the Chester District, Borough of The Bronx, adopted on June 14, 1906, initiating proceedings for acquiring title to Mansion street, between Rosedale avenue and Clason's Point road.

Mansion street is shown upon a map which was approved by the Board of Estimate and Apportionment on April 5, 1907, and as laid out has a length of four short blocks. The resolution now presented includes only the three easterly blocks. A roadway is in use at the present time through this portion of the street and a number of buildings have been erected upon the abutting property. The street is not in use through the easterly block between Rosedale avenue and Noble avenue, and I see no reason why this block should not be included in the opening proceeding.

I would therefore recommend that the resolution be returned to the President of the Borough to be amended by including the entire length of the street.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

#### OPENING ROSEWOOD STREET, THE BRONX.

The following resolutions of the Local Board of the Chester District, Borough of The Bronx, and report of the Chief Engineer were presented:

REPORT No. 5572.

BOARD OF ESTIMATE AND APPORTIONMENT,  
OFFICE OF THE CHIEF ENGINEER,  
December 4, 1907.

Hon. GEORGE B. McCLELLAN, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—Herewith are transmitted two resolutions of the Local Board of the Chester District, Borough of The Bronx, adopted respectively on May 29, 1907, and November 14, 1907, providing for the acquisition of title to Rosewood street, between Bronx boulevard and White Plains road, and between White Plains road and Cruger avenue.

These two resolutions include the entire length of Rosewood street east of Bronx boulevard, or four short blocks. West of Bronx boulevard the street is included within the limits proposed by the Bronx River Parkway Commission for a public park, and it is in recognition of this plan that this portion of the street has been excluded from the proceeding. Through the three blocks between the boulevard and White Plains road the street has a width of 60 feet, while through the remaining block it has been mapped to have a width of 100 feet. A macadamized roadway is in use at the present time through the two blocks between Cruger avenue and Olinville avenue, and the roadway has been shaped through the block between Olinville avenue and Barker avenue. Between Barker avenue and Bronx boulevard the street is not in use at the present

time. A number of buildings have been erected on the abutting property in the two blocks between White Plains road and Barker avenue. The street as heretofore in use is of a lesser width than that shown upon the legal map, and some of the buildings encroach upon its lines.

I see no reason why the resolutions should not be combined and made the subject of a single proceeding, the approval of which is recommended, the title to be acquired in fee.

Under the rule which has heretofore been followed by the Board, a portion of the cost of the proceeding relating to the block between White Plains road and Cruger avenue would be assumed by the City at large, but a recommendation has been made that all of the costs be placed upon the property benefited, where such benefit can be established. In this case I believe that the awards can not be excessive by reason of the dedication already alluded to, and I see no reason why any portion of the costs should be assumed by the City, the improvement being for local benefit.

It is therefore recommended that all of the costs of the proceeding, including the expenses of the Bureau of Street Openings, and any damages allowed for intended regulating and grading, be placed wholly upon the property benefited, and that a district of assessment be laid out to comprise the following area:

Beginning at a point on the prolongation of a line midway between Rosewood street and Burke avenue, as laid out between Bronx boulevard and White Plains road, distant 100 feet westerly from the westerly line of Bronx boulevard, and running thence northwardly and parallel with Bronx boulevard to the intersection with a line midway between Rosewood street and Magenta street; thence eastwardly along the said line midway between Rosewood street and Magenta street to a point distant 100 feet westerly from the westerly line of White Plains road; thence northwardly and parallel with White Plains road to the intersection with the prolongation of a line distant 100 feet northerly from and parallel with the northerly line of Bartholdi street, the said distance being measured at right angles to the line of Bartholdi street; thence eastwardly along the said line parallel with Bartholdi street and the prolongation thereof to a point distant 100 feet easterly from the easterly line of Cruger avenue; thence southwardly and parallel with Cruger avenue and the prolongation thereof to the southerly line of North Oak drive; thence southwardly in a straight line to a point on the northerly line of South Oak drive, where it is intersected by the prolongation of a line distant 100 feet easterly from and parallel with the easterly line of Cruger avenue, as laid out south of South Oak drive; thence southwardly along the said line parallel with Cruger avenue to the intersection with a line which is the bisector of the angle formed by the intersection of the northerly line of Burke avenue and the prolongation of the southerly line of South Oak drive, as laid out immediately east of Cruger avenue; thence westwardly along the said bisecting line to the intersection with the prolongation of a line midway between Rosewood street and Burke avenue, as laid out between Bronx boulevard and White Plains road; thence westwardly along the said line midway between Rosewood street and Burke avenue and the prolongations thereof to the point or place of beginning.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

The following resolutions were then adopted:

Whereas, The Board of Estimate and Apportionment of The City of New York is considering the advisability of instituting proceedings to acquire title to the lands and premises required for the opening and extending of Rosewood street, between Bronx boulevard and White Plains road, and between White Plains road and Cruger avenue, in the Borough of The Bronx, City of New York; and

Whereas, The Board of Estimate and Apportionment is authorized and required at the time of the adoption of the resolution directing the institution of proceedings to acquire title to the lands required for the foregoing improvement to fix and determine upon an area or areas of assessment for benefit for said proceeding.

Resolved, That the Board of Estimate and Apportionment, in pursuance of the provisions of section 980 of the Greater New York Charter, hereby gives notice that the following is the proposed area of assessment for benefit in this proceeding:

Beginning at a point on the prolongation of a line midway between Rosewood street and Burke avenue, as laid out between Bronx boulevard and White Plains road, distant 100 feet westerly from the westerly line of Bronx boulevard, and running thence northwardly and parallel with Bronx boulevard to the intersection with a line midway between Rosewood street and Magenta street; thence eastwardly along the said line midway between Rosewood street and Magenta street to a point distant 100 feet westerly from the westerly line of White Plains road; thence northwardly and parallel with White Plains road to the intersection with the prolongation of a line distant 100 feet northerly from and parallel with the northerly line of Bartholdi street, the said distance being measured at right angles to the line of Bartholdi street; thence eastwardly along the said line parallel with Bartholdi street and the prolongation thereof to a point distant 100 feet easterly from the easterly line of Cruger avenue; thence southwardly and parallel with Cruger avenue and the prolongation thereof to the southerly line of North Oak drive, thence southwardly in a straight line to a point on the northerly line of South Oak drive, where it is intersected by the prolongation of a line distant 100 feet easterly from and parallel with the easterly line of Cruger avenue, as laid out south of South Oak drive; thence southwardly along the said line parallel with Cruger avenue to the intersection with a line which is the bisector of the angle formed by the intersection of the northerly line of Burke avenue and the prolongation of the southerly line of South Oak drive, as laid out immediately east of Cruger avenue; thence westwardly along the said bisecting line to the intersection with the prolongation of a line midway between Rosewood street and Burke avenue, as laid out between Bronx boulevard and White Plains road; thence westwardly along the said line midway between Rosewood street and Burke avenue and the prolongations thereof to the point or place of beginning.

Resolved, That this Board consider the proposed area of assessment at a meeting of the Board to be held in The City of New York, Borough of Manhattan, in the City Hall, on the 17th day of January, 1908, at 10.30 a. m., and that at the same time and place a public hearing thereon will then and there be had.

Resolved, That the Secretary of this Board cause these resolutions and a notice to all persons affected thereby to be published in the CITY RECORD for ten days prior to the 17th day of January, 1908.

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of The Bronx, Queens and Richmond—12.

#### OPENING FOX STREET, THE BRONX.

The following communication from the Chief Engineer was presented:

REPORT No. 5585.

BOARD OF ESTIMATE AND APPORTIONMENT,  
OFFICE OF THE CHIEF ENGINEER,  
December 11, 1907.

Hon. GEORGE B. McCLELLAN, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—On November 22, 1907, a resolution was adopted by the Board of Estimate and Apportionment, providing for the acquisition of title to the following streets in the Morrisania District, Borough of The Bronx:

Beck street, between Intervale avenue and Tiffany street.  
Fox street, between Leggett avenue and Longwood avenue.  
Simpson street, between Barretto street and Dongan street.

Since this date, information has been received from the Corporation Counsel, showing that on February 8, 1907, a deed of cession was accepted by his office to

all of the land lying within the lines of Beck street as described in the opening resolution, and that on November 18, 1907, deeds were accepted to that portion of Simpson street, between Barretto and Dongan streets. Under these conditions I would recommend that the resolution of November 22 be rescinded, and that a new proceeding be authorized for the acquisition of title to Fox street, between Leggett avenue and Longwood avenue. This proceeding was initiated by the Local Board in a resolution which was adopted on August 22, 1907, and which also included provision for acquiring title to Simpson street, between Barretto street and Dongan street. In my original report upon the resolution, it was shown that the Fox street proceeding would affect two long blocks, and that through the northerly one the street had been roughly graded and several buildings had been erected upon the abutting property. The street is not in use at the present time through the southerly block.

I would recommend that title to this street be acquired in fee, that all of the costs of the proceeding, including the expenses of the Bureau of Street Openings and any damages allowed for intended regulating be assessed upon the property benefited, and that a district of assessment be laid out to comprise the following area:

Beginning at the intersection of a line distant 100 feet westerly from and parallel with the westerly line of Leggett avenue, the said distance being measured at right angles to the line of Leggett avenue, with a line midway between Fox street and Beck street, and running thence eastwardly along the said line midway between Beck street and Fox street as the said streets are laid out west of Leggett avenue, and along the prolongation of the said course to the intersection with a line midway between Fox street and Beck street as the said streets are laid out northeast of Leggett avenue; thence northeastwardly and along the said line midway between Beck street and Fox street as laid out northeast of Leggett avenue, to the intersection with a line distant 100 feet northeasterly from and parallel with the northeasterly line of Longwood avenue, the said distance being measured at right angles to the line of Longwood avenue; thence southeastwardly and parallel with Longwood avenue to the intersection with a line midway between Fox street and the Southern boulevard; thence southwestwardly and along the said line midway between Fox street and the Southern boulevard as the said streets are laid out north of East One Hundred and Fifty-sixth street, and along the prolongation of the said course, to the intersection with a line midway between Fox street and the Southern boulevard as the said streets are laid out at and east of Avenue St. John; thence westwardly and along the said line midway between Fox street and the Southern boulevard as the said streets are laid out at and east of Avenue St. John to the intersection with a line distant 100 feet westerly from and parallel with the westerly line of Leggett avenue, the said distance being measured at right angles to the line of Leggett avenue; thence northwardly and parallel with the westerly line of Leggett avenue to the point or place of beginning.

I believe that there are no encroachments upon the land to be acquired.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

The following resolutions were then adopted:

Resolved, That the resolution adopted by the Board of Estimate and Apportionment on November 22, 1907, authorizing the acquisition of the lands and premises required for the opening and extending of Beck street, from Intervale avenue to Tiffany street; Fox street, from Leggett avenue to Longwood avenue, and Simpson street, from Barretto street to Dongan street, Borough of The Bronx, be and the same hereby is rescinded.

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of The Bronx, Queens and Richmond—12.

Whereas, The Board of Estimate and Apportionment of The City of New York is considering the advisability of instituting proceedings to acquire title to the lands and premises required for the opening and extending of Fox street, from Leggett avenue to Longwood avenue, in the Borough of The Bronx, City of New York; and

Whereas, The Board of Estimate and Apportionment is authorized and required at the time of the adoption of the resolution directing the institution of proceedings to acquire title to the lands required for the foregoing improvement to fix and determine upon an area or areas of assessment for benefit for said proceeding.

Resolved, That the Board of Estimate and Apportionment, in pursuance of the provisions of section 980 of the Greater New York Charter, hereby gives notice that the following is the proposed area of assessment for benefit in this proceeding:

Beginning at the intersection of a line distant 100 feet westerly from and parallel with the westerly line of Leggett avenue, the said distance being measured at right angles to the line of Leggett avenue, with a line midway between Fox street and Beck street, and running thence eastwardly along the said line midway between Beck street and Fox street as the said streets are laid out west of Leggett avenue, and along the prolongation of the said course to the intersection with a line midway between Fox street and Beck street as the said streets are laid out northeast of Leggett avenue; thence northeastwardly and along the said line midway between Beck street and Fox street as laid out northeast of Leggett avenue, to the intersection with a line distant 100 feet northeasterly from and parallel with the northeasterly line of Longwood avenue, the said distance being measured at right angles to the line of Longwood avenue; thence southeastwardly and parallel with Longwood avenue to the intersection with a line midway between Fox street and the Southern boulevard; thence southwestwardly and along the said line midway between Fox street and the Southern boulevard as the said streets are laid out north of East One Hundred and Fifty-sixth street, and along the prolongation of the said course, to the intersection with a line midway between Fox street and the Southern boulevard as the said streets are laid out at and east of Avenue St. John; thence westwardly and along the said line midway between Fox street and the Southern boulevard as the said streets are laid out at and east of Avenue St. John to the intersection with a line distant 100 feet westerly from and parallel with the westerly line of Leggett avenue, the said distance being measured at right angles to the line of Leggett avenue; thence northwardly and parallel with the westerly line of Leggett avenue to the point or place of beginning.

Resolved, That this Board consider the proposed area of assessment at a meeting of the Board to be held in The City of New York, Borough of Manhattan, in the City Hall, on the 17th day of January, 1908, at 10.30 a. m., and that at the same time and place a public hearing thereon will then and there be had.

Resolved, That the Secretary of this Board cause these resolutions and a notice to all persons affected thereby to be published in the CITY RECORD for ten days prior to the 17th day of January, 1908.

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of The Bronx, Queens and Richmond—12.

#### VESTING TITLE TO EXTENSION OF UNIVERSITY PARK, THE BRONX.

The following communication from the President of the Borough of The Bronx and report of the Chief Engineer were presented, and, on motion, the matter was referred back to the President of the Borough of The Bronx:

THE CITY OF NEW YORK,  
OFFICE OF THE PRESIDENT OF THE BOROUGH OF THE BRONX,  
NEW YORK, March 27, 1907.

Mr. JOSEPH HAAG, Secretary, Board of Estimate and Apportionment:

DEAR SIR—I inclose herewith a copy of a communication sent to me by Chancellor MacCracken of the New York University, in relation to the extension of the

University Park, which was forwarded to the Board of Estimate and Apportionment in September, 1906, and which was approved by said Board.

I would respectfully request, in view of the reasons stated by Chancellor MacCracken in his communication, that the Board of Estimate and Apportionment pass a resolution for the City to vest title to this extension at as early a date as practicable.

Yours truly,

LOUIS F. HAFFEN,  
President of the Borough of The Bronx.

REPORT No. 5576.

BOARD OF ESTIMATE AND APPORTIONMENT,  
OFFICE OF THE CHIEF ENGINEER,  
December 9, 1907.

Hon. GEORGE B. McCLELLAN, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—Herewith is transmitted a communication from the President of the Borough of The Bronx, bearing date of March 27, 1907, requesting the adoption of a resolution providing for vesting title in the City to the extension of University Park.

On February 15, 1907, a resolution was adopted by the Board of Estimate and Apportionment laying out an extension of University Park and an approach to this extension from Harlem River Terrace. Proceedings have not yet been authorized for acquiring title to either the extension or to the street.

Believing that a portion or all of the cost of the street and park should be assessed upon the property benefited, I would recommend that the attention of the President of the Borough be called to the necessity of presenting a Local Board resolution initiating proceedings for their acquisition.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

#### OPENING EAST ONE HUNDRED AND EIGHTY-SECOND STREET AND LAND REQUIRED FOR WIDENING TIEBOUT AVENUE ON ITS EASTERLY SIDE, THE BRONX.

The following resolutions of the Local Board of the Morrisania District, Borough of The Bronx, and report of the Chief Engineer were presented:

In Local Board of Morrisania, Twenty-fourth District, Borough of The Bronx.

Whereas, A petition for a local improvement described below has been received by the President of the Borough of The Bronx; and

Whereas, He has appointed a time for a meeting of this Local Board not more than fifteen days after the receipt by him of the said petition, at which meeting the said petition would be submitted by him to the said Local Board, and he has caused a notice to be published in the CITY RECORD that said petition has been presented to him and is on file in his office for inspection, and of the time when and the place where there would be a meeting of this Local Board at which the said petition would be submitted by him to the said Board, which time was not less than ten days after the publication of this notice; and

Whereas, The said petition was duly submitted thereafter to the said Local Board, which did duly consider the same, and give a full hearing thereon; now, therefore, it is Resolved, by the Local Board of Morrisania, Twenty-fourth District, Borough of The Bronx, pursuant to titles 2 and 3 of chapter 10 of the Greater New York Charter, That the said petition be and the same hereby is granted; and it is hereby

Resolved, That this Board does hereby initiate proceedings for the said local improvement, to wit:

For acquiring title to the lands necessary for the extension of One Hundred and Eighty-second street, from Tiebout avenue to Folin street for the purpose of constructing steps and appurtenances from Tiebout avenue, in the Borough of The Bronx, City of New York, and is hereby

Resolved, That a copy of this resolution be transmitted forthwith to the Board of Estimate and Apportionment for its approval.

Adopted by the Local Board of Morrisania, Twenty-fourth District, on the 15th day of November, 1906, Alderman O'Neill, Alderman Morris, Alderman Murphy, and the President of the Borough of The Bronx voting in favor thereof.

Negative—None.

REPORT No. 5557.

BOARD OF ESTIMATE AND APPORTIONMENT,  
OFFICE OF THE CHIEF ENGINEER,  
November 27, 1907.

Hon. GEORGE B. McCLELLAN, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—Herewith are transmitted two resolutions of the Local Board of the Morrisania District, Borough of The Bronx, adopted on November 15, 1906, initiating proceedings for the acquisition of title to East One Hundred and Eighty-second street, between Tiebout avenue and Folin street, and to the land required for widening Tiebout avenue, between Ford street and East One Hundred and Eighty-third street.

East One Hundred and Eighty-second street and the widening of Tiebout avenue are shown upon maps adopted by the Board of Estimate and Apportionment on June 29, 1906. The former street was given a width of 20 feet and the widening of Tiebout

avenue consisted of the addition of a strip having the same width and located on its easterly side. The land in both cases is to be used for the construction of steps principally to permit of more direct access to Webster avenue for property located on the westerly side of Tiebout avenue. When the map changes were originally presented to the Board for consideration attention was called to the request made by the local authorities for acquiring title and carrying out the improvements at the expense of the City at large, and in the reports prepared in each case it was suggested that if the changes were made it should be with the understanding that the property benefited would pay for the improvements.

The resolutions now presented are in accordance with the understanding reached when the maps were approved. The streets are of a similar character and in close proximity, and I see no reason why the resolutions relating to them should not be made the subject of one proceeding.

I would recommend the approval of the resolutions; that title to the land be acquired in fee; that all of the costs of the proceeding, including the expenses of the Bureau of Street Openings and any damages allowed for intended regulating, be assessed upon the property benefited; and that a district of assessment be laid out to comprise the following area:

Bounded on the west by a line parallel with and always distant 100 feet westerly from the westerly line of Grand Boulevard and Concourse, the said distance being measured at right angles to the line of Grand Boulevard and Concourse; on the north by a line distant 400 feet northerly from and parallel with the northerly line of East One Hundred and Eighty-third street as laid out between the Grand Boulevard and Concourse and Tiebout avenue, the said distance being measured at right angles to the line of East One Hundred and Eighty-third street and by the prolongation of the said line; on the east by the westerly line of Park avenue; and on the south by a line distant 200 feet southerly from and parallel with the southerly line of East One Hundred and Eighty-second street, as laid out between the Grand Boulevard and Concourse and Tiebout avenue, the said distance being measured at right angles to the line of East One Hundred and Eighty-second street and by the prolongation of the said line.

There are no buildings upon the land to be acquired.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

The following resolutions were then adopted:

Whereas, The Board of Estimate and Apportionment of The City of New York is considering the advisability of instituting proceedings to acquire title to the lands and premises required for the opening and extending of East One Hundred and Eighty-second street, from Tiebout avenue to Folin street, and for the widening of Tiebout avenue, from Ford street to East One Hundred and Eighty-third street, in the Borough of The Bronx, City of New York; and

Whereas, The Board of Estimate and Apportionment is authorized and required at the time of the adoption of the resolution directing the institution of proceedings to acquire title to the lands required for the foregoing improvement to fix and determine upon an area or areas of assessment for benefit for said proceeding.

Resolved, That the Board of Estimate and Apportionment, in pursuance of the provisions of section 980 of the Greater New York Charter, hereby gives notice that the following is the proposed area of assessment for benefit in this proceeding:

Bounded on the west by a line parallel with and always distant 100 feet westerly from the westerly line of Grand Boulevard and Concourse, the said distance being measured at right angles to the line of Grand Boulevard and Concourse; on the north by a line distant 400 feet northerly from and parallel with the northerly line of East One Hundred and Eighty-third street as laid out between the Grand Boulevard and Concourse and Tiebout avenue, the said distance being measured at right angles to the line of East One Hundred and Eighty-third street and by the prolongation of the said line; on the east by the westerly line of Park avenue; and on the south by a line distant 200 feet southerly from and parallel with the southerly line of East One Hundred and Eighty-second street, as laid out between the Grand Boulevard and Concourse and Tiebout avenue, the said distance being measured at right angles to the line of East One Hundred and Eighty-second street and by the prolongation of the said line.

Resolved, That this Board consider the proposed area of assessment at a meeting of the Board to be held in The City of New York, Borough of Manhattan, in the City Hall, on the 17th day of January, 1908, at 10.30 a. m., and that at the same time and place a public hearing thereon will then and there be had.

Resolved, That the Secretary of this Board cause these resolutions and a notice to all persons affected thereby to be published in the CITY RECORD for ten days prior to the 17th day of January, 1908.

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen, and the Presidents of the Boroughs of The Bronx, Queens and Richmond—12.

#### OPENING UNIONPORT ROAD, THE BRONX.

The following resolution of the Local Board of the Chester District, Borough of The Bronx, and report of the Chief Engineer were presented, and, on motion, the matter was referred back to the President of the Borough of The Bronx.

REPORT No. 5545.

BOARD OF ESTIMATE AND APPORTIONMENT,  
OFFICE OF THE CHIEF ENGINEER,  
November 23, 1907.

Hon. GEORGE B. McCLELLAN, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—Herewith is transmitted a resolution of the Local Board of the Chester District, Borough of The Bronx, adopted on July 12, 1906, initiating proceedings for acquiring title to Unionport road, between White Plains road and the New York, Westchester and Boston Railway.

This street is shown upon a map approved by the Board of Estimate and Apportionment on June 14, 1907. In reporting upon the map attention was called to the irregularity in width and alignment proposed for the street, both of which were objectionable. The map, however, included a large number of other streets in which improvements were desired, and was approved for the purpose of clearing the way for carrying out the same.

The resolution now presented probably affects a total length of about 2,000 feet of the street, although it is not clear as to the particular one to which it relates in the northerly end, as, on the map adopted, a fork is here shown, one of the branches of which appears to include the old Unionport road as heretofore used, and the other a street for which no name is given. This map shows a width of 60 feet for the easterly fork and of 50 feet for the westerly one. Between their junction and Morris Park avenue the width ranges from 60 feet to about 80 feet; between Morris Park avenue and Van Nest avenue the width ranges from 80 feet to about 150 feet; while from Van Nest Avenue to White Plains road the width is about 110 feet. The map also shows that the depth of the block between this street and Amethyst street ranges from about 25 feet to about 150 feet.

The lines shown for the street were evidently planned so as to fully include all of the old Unionport road, which has been dedicated to public use. I see no reason to prevent laying out the street in such a way as to secure a uniform width and location that will permit of a development of the adjacent property, and I would therefore recommend that the resolution be referred back to the President of the Borough with the suggestion that before opening proceedings are begun the map of the street should be amended to meet these objections.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

REPORT No. 5540.

BOARD OF ESTIMATE AND APPORTIONMENT,  
OFFICE OF THE CHIEF ENGINEER,  
November 22, 1907. J

Hon. GEORGE B. McCLELLAN, Mayor, Chairman of the Board of Estimate and Apportionment:

Sir—Herewith are transmitted four resolutions of the Local Board of the Chester District, Borough of The Bronx, initiating proceedings for the acquisition of title to the following streets:

Cruger avenue, from Williamsbridge road to South Oak drive.

Cruger avenue, from South Oak drive to Gun Hill road.

Holland avenue, from Williamsbridge road to South Oak drive.

Maple street, from Gun Hill road to East Two Hundred and Fifteenth street.

The Cruger avenue resolution relating to that portion of the street between Williamsbridge road and South Oak drive, was adopted by the Local Board on March 22, 1906, and the one including the portion of the street between South Oak drive and Gun Hill road was adopted on May 23, 1907. These resolutions include a continuous length of five blocks or about one-half mile. The street has been mapped to have a width of 60 feet, and has been graded through the two blocks between Williamsbridge road and South Oak drive. A few houses have been erected upon the abutting property.

The Holland avenue resolution was adopted on March 22, 1906, and includes 2½ long blocks. The street has been laid out to have a width of 60 feet, but is not in use at the present time.

The resolution relating to Maple street was adopted by the Local Board on April 11, 1907. This street has a width of 60 feet, and includes five short blocks, having a total length of about 1,200 feet. A narrow roadway is in use at the present time, and a number of houses have been erected upon the abutting property.

Holland avenue is parallel with and adjoins Cruger avenue. Maple street has the same direction, and its southerly terminal coincides with the northerly terminal of Cruger avenue.

I see no reason why the four resolutions should not be made the subject of one proceeding, such treatment being recommended. I would also recommend that title to the streets be acquired in fee; that all of the expenses of the Bureau of Street Openings and any damages allowed for intended regulating, be assessed upon the property benefited; and that a district of assessment be laid out to comprise the following area:

Beginning at a point on the northeasterly line of Williamsbridge road distant 100 feet westerly from the westerly line of Cruger avenue, the said distance being measured at right angles to the line of Cruger avenue, and running thence northwardly along a line parallel with Cruger avenue and the prolongation thereof to the centre line of Post street; thence westwardly along the centre line of Post street to the intersection with the prolongation of a line distant 100 feet westerly from and parallel with the westerly line of Cruger avenue as laid out between Post and Bartholdi streets, the said distance being measured at right angles to the line of Cruger avenue; thence northwardly along the said line parallel with Cruger avenue and the prolongation of the said line, to the intersection with a line distant 100 feet westerly from and parallel with the westerly line of Cruger avenue as laid out between Bartholdi street and Gun Hill road, the said distance being measured at right angles to the line of Cruger avenue; thence northwardly along the said line parallel with Cruger avenue to the southerly line of Gun Hill road; thence northwardly at right angles to Gun Hill road a distance of 200 feet; thence eastwardly and parallel with Gun Hill road to the intersection with a line which bisects the angle formed by the intersection of the prolongations of the easterly line of White Plains road as laid out between Gun Hill road and East Two Hundred and Fifteenth street, and the westerly line of Maple street; thence northwardly along the said bisecting line to a point distant 100 feet northerly from the northerly line of East Two Hundred and Fifteenth street, the said distance being measured at right angles to the line of East Two Hundred and Fifteenth street; thence eastwardly and parallel with East Two Hundred and Fifteenth street to the intersection with a line which bisects the angle formed by the intersection of the prolongations of the easterly line of Maple street and the westerly line of Barnes avenue as laid out between East Two Hundred and Fifteenth street and East Two Hundred and Fourteenth street; thence southwardly along the said bisecting line to the intersection with a line which bisects the angle formed by the intersection of the prolongations of the easterly line of Maple street and the westerly line of Barnes avenue as laid out

between Tilden street and East Two Hundred and Fourteenth street; thence southwardly along the said bisecting line to the intersection with a line parallel with Tilden street and passing through a point on the easterly line of Holland avenue distant 100 feet southerly from the southerly line of Gun Hill road, the said distance being measured at right angles to the line of Gun Hill road; thence westwardly along the said line parallel with Tilden street to the easterly line of Holland avenue; thence westwardly and parallel with Gun Hill road to the intersection with a line midway between Cruger and Holland avenues as laid out north of North Oak drive; thence southwardly along the said line midway between Cruger and Holland avenues, and the prolongation thereof, to a point distant 100 feet northerly from the northerly line of South Oak drive, the said distance being measured on a radial line; thence southeastwardly along a line parallel with and always distant 100 feet from South Oak drive to the intersection with the prolongation of a line midway between Holland and Wallace avenues as laid out south of South Oak drive; thence southwardly along the said line midway between Holland and Wallace avenues and the prolongation thereof, to the northerly line of Williamsbridge road; thence northwestwardly along the northeasterly line of Williamsbridge road to the point or place of beginning.

Buildings encroach upon the land to be acquired within the limits of Maple street.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

The following resolutions were then adopted:

Whereas, The Board of Estimate and Apportionment of The City of New York is considering the advisability of instituting proceedings to acquire title to the lands and premises required for the opening and extending of Cruger avenue, from Williamsbridge road to South Oak drive; Cruger avenue, from South Oak drive to Gun Hill road; Holland avenue, from Williamsbridge road to South Oak drive, and Maple street, from Gun Hill road to East Two Hundred and Fifteenth street, in the Borough of The Bronx, City of New York; and

Whereas, The Board of Estimate and Apportionment is authorized and required at the time of the adoption of the resolution directing the institution of proceedings to acquire title to the lands required for the foregoing improvement to fix and determine upon an area or areas of assessment for benefit for said proceeding.

Resolved, That the Board of Estimate and Apportionment, in pursuance of the provisions of section 980 of the Greater New York Charter, hereby gives notice that the following is the proposed area of assessment for benefit in this proceeding:

Beginning at a point on the northeasterly line of Williamsbridge road distant 100 feet westerly from the westerly line of Cruger avenue, the said distance being measured at right angles to the line of Cruger avenue, and running thence northwardly along a line parallel with Cruger avenue and the prolongation thereof to the centre line of Post street; thence westwardly along the centre line of Post street to the intersection with the prolongation of a line distant 100 feet westerly from and parallel with the westerly line of Cruger avenue as laid out between Post and Bartholdi streets, the said distance being measured at right angles to the line of Cruger avenue; thence northwardly along the said line parallel with Cruger avenue and the prolongation of the said line, to the intersection with a line distant 100 feet westerly from and parallel with the westerly line of Cruger avenue as laid out between Bartholdi street and Gun Hill road, the said distance being measured at right angles to the line of Cruger avenue; thence northwardly along the said line parallel with Cruger avenue to the southerly line of Gun Hill road; thence northwardly at right angles to Gun Hill road a distance of 200 feet; thence eastwardly and parallel with Gun Hill road to the intersection with a line which bisects the angle formed by the intersection of the prolongations of the easterly line of White Plains road as laid out between Gun Hill road and East Two Hundred and Fifteenth street, and the westerly line of Maple street; thence northwardly along the said bisecting line to a point distant 100 feet northerly from the northerly line of East Two Hundred and Fifteenth street, the said distance being measured at right angles to the line of East Two Hundred and Fifteenth street; thence eastwardly and parallel with East Two Hundred and Fifteenth street to the intersection with a line which bisects the angle formed by the intersection of the prolongations of the easterly line of Maple street and the westerly line of Barnes avenue as laid out between East Two Hundred and Fifteenth street and East Two Hundred and Fourteenth street; thence southwardly along the said bisecting line to the intersection with a line which bisects the angle formed by the intersection of the prolongations of the easterly line of Maple street and the westerly line of Barnes avenue as laid out between Tilden street and East Two Hundred and Fourteenth street; thence southwardly along the said bisecting line to the intersection with a line parallel with Tilden street and passing through a point on the easterly line of Holland avenue distant 100 feet southerly from the southerly line of Gun Hill road, the said distance being measured at right angles to the line of Gun Hill road; thence westwardly along the said line parallel with Tilden street to the easterly line of Holland avenue; thence westwardly and parallel with Gun Hill road to the intersection with a line midway between Cruger and Holland avenues as laid out north of North Oak drive; thence southwardly along the said line midway between Cruger and Holland avenues, and the prolongation thereof, to a point distant 100 feet northerly from the northerly line of South Oak drive, the said distance being measured on a radial line; thence southeastwardly along a line parallel with and always distant 100 feet from South Oak drive to the intersection with the prolongation of a line midway between Holland and Wallace avenues as laid out south of South Oak drive; thence southwardly along the said line midway between Holland and Wallace avenues and the prolongation thereof, to the northerly line of Williamsbridge road; thence northwestwardly along the northeasterly line of Williamsbridge road to the point or place of beginning.

Resolved, That this Board consider the proposed area of assessment at a meeting of the Board, to be held in The City of New York, Borough of Manhattan, in the City Hall, on the 17th day of January, 1908, at 10.30 a. m., and that at the same time and place a public hearing thereon will then and there be had.

Resolved, That the Secretary of this Board cause these resolutions and a notice to all persons affected thereby to be published in the CITY RECORD for ten days prior to the 17th day of January, 1908.

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of The Bronx, Queens and Richmond—12.

#### OPENING HUNTERSPONT AVENUE, QUEENS.

The following resolution of the Local Board of the Newtown District, Borough of Queens, and report of the Chief Engineer were presented:

*In the Local Board of the Newtown District.*

Whereas, A petition for a local improvement described below has been received by the President of the Borough of Queens, and

Whereas, He has appointed a time for a meeting of this Local Board not more than fifteen days after the receipt by him of the said petition, at which meeting the said petition would be submitted by him to the said Local Board, and he has caused a notice to be published in the CITY RECORD that said petition has been presented to him and is on file in his office for inspection, and of the time when and the place where there would be a meeting of this Local Board at which the said petition would be submitted by him to the said Board, which time was not less than ten days after the publication of this notice, and

Whereas, The said petition was duly submitted thereafter to the said Local Board, which did duly consider the same, and give a full hearing thereon; now therefore it is Resolved, by the Local Board of the Newtown District, pursuant to titles 2 and 3 of chapter 10, of the Greater New York Charter, That the said petition be and the same hereby is granted; and it is hereby

Resolved, That this Board does hereby initiate proceedings for the said local improvement, to wit:

To legally open Hunterspoint avenue, from Van Dam street to Borden avenue, in the First Ward of the Borough of Queens, and it is hereby further Resolved, That a copy of the resolution be transmitted forthwith to the Board of Estimate and Apportionment for its approval.

Adopted by the Local Board of the Newtown District, on the 4th day of December, 1906, Alderman Clifford and Lawrence Gresser, Commissioner of Public Works, voting in favor thereof.

REPORT No. 5574.

BOARD OF ESTIMATE AND APPORTIONMENT,  
OFFICE OF THE CHIEF ENGINEER,  
December 4, 1907.

Hon. GEORGE B. McCLELLAN, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—Herewith is transmitted a resolution of the Local Board of the Newtown District, Borough of Queens, adopted on December 4, 1906, initiating proceedings for acquiring title to Hunterspoint avenue, between Van Dam street and Borden avenue, in the First Ward.

This proceeding includes a length of about one-half mile of Hunterspoint avenue which has been placed upon the map to have a width of 60 feet. The street is in use at the present time, and it has been approximately graded through the three blocks between Borden avenue and Greenpoint avenue, and a number of buildings have here been erected upon the abutting property.

I see no reason why the resolution should not be approved, and would recommend such action. I would also recommend that title to the street be acquired in fee; that all of the costs of the proceeding including the expenses of the Bureau of Street Openings and any damages allowed for intended regulating, be assessed upon the property benefited; and that a district of assessment be laid out to comprise the following area:

Beginning at a point on the line which bisects the angle formed by the intersection of the prolongations of the northeasterly line of Hunterspoint avenue, as laid out southeasterly from Van Dam street, and the southerly line of Anable avenue, distant 100 feet westerly from the westerly line of Van Dam street, the said distance being measured at right angles to the line of Van Dam street, and running thence eastwardly along the said bisecting line to a point distant 100 feet easterly from the easterly line of Van Pelt street, the said distance being measured at right angles to the line of Van Pelt street; thence southwardly and parallel with Van Pelt street to the intersection with a line which bisects the angle formed by the intersection of the prolongation of the southerly line of Covert avenue and the northeasterly line of Hunterspoint avenue; thence eastwardly along the said bisecting line to a point distant 100 feet easterly from the easterly line of Bragaw street, the said distance being measured at right angles to the line of Bragaw street; thence southwardly and parallel with Bragaw street and the prolongation thereof to a point distant 100 feet southerly from the southerly line of Borden avenue, the said distance being measured at right angles to the line of Borden avenue; thence westwardly and parallel with Borden avenue to the intersection with a line at right angles to Borden avenue at a point on its northerly line distant 100 feet southwesterly from the southwesterly line of Hunterspoint avenue, the said distance being measured at right angles to the line of Hunterspoint avenue; thence northwardly along the said line at right angles to Borden avenue to the northerly line of Borden avenue; thence northwesterly and parallel with Hunterspoint avenue to the intersection with a line which bisects the angle formed by the intersection of the southwesterly line of Hunterspoint avenue and the northerly line of Borden avenue; thence northwardly along the said bisecting line to a point distant 100 feet westerly from the westerly line of Van Dam street, the said distance being measured at right angles to the line of Van Dam street; thence northwardly and parallel with Van Dam street to the point or place of beginning.

There are no buildings upon the land to be acquired.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

The following resolutions were then adopted:

Whereas, The Board of Estimate and Apportionment of The City of New York is considering the advisability of instituting proceedings to acquire title to the lands and premises required for the opening and extending of Hunterspoint avenue, between Van Dam street and Borden avenue, in the Borough of Queens, City of New York; and

Whereas, The Board of Estimate and Apportionment is authorized and required at the time of the adoption of the resolution directing the institution of proceedings to acquire title to the lands required for the foregoing improvement to fix and determine upon an area or areas of assessment for benefit for said proceeding.

Resolved, That the Board of Estimate and Apportionment, in pursuance of the provisions of section 980 of the Greater New York Charter, hereby gives notice that the following is the proposed area of assessment for benefit in this proceeding:

Beginning at a point on the line which bisects the angle formed by the intersection of the prolongations of the northeasterly line of Hunterspoint avenue, as laid out southeasterly from Van Dam street, and the southerly line of Anable avenue, distant 100 feet westerly from the westerly line of Van Dam street, the said distance being measured at right angles to the line of Van Dam street, and running thence eastwardly along the said bisecting line to a point distant 100 feet easterly from the easterly line of Van Pelt street, the said distance being measured at right angles to the line of Van Pelt street; thence southwardly and parallel with Van Pelt street to the intersection with a line which bisects the angle formed by the intersection of the prolongation of the southerly line of Covert avenue and the northeasterly line of Hunterspoint avenue; thence eastwardly along the said bisecting line to a point distant 100 feet easterly from the easterly line of Bragaw street, the said distance being measured at right angles to the line of Bragaw street; thence southwardly and parallel with Bragaw street and the prolongation thereof to a point distant 100 feet southerly from the southerly line of Borden avenue, the said distance being measured at right angles to the line of Borden avenue; thence westwardly and parallel with Borden avenue to the intersection with a line at right angles to Borden avenue at a point on its northerly line distant 100 feet southwesterly from the southwesterly line of Hunterspoint avenue, the said distance being measured at right angles to the line of Hunterspoint avenue; thence northwardly along the said line at right angles to Borden avenue to the northerly line of Borden avenue; thence northwesterly and parallel with Hunterspoint avenue to the intersection with a line which bisects the angle formed by the intersection of the southwesterly line of Hunterspoint avenue and the northerly line of Borden avenue; thence northwardly along the said bisecting line to a point distant 100 feet westerly from the westerly line of Van Dam street, the said distance being measured at right angles to the line of Van Dam street; thence northwardly and parallel with Van Dam street to the point or place of beginning.

Resolved, That this Board consider the proposed area of assessment at a meeting of the Board to be held in The City of New York, Borough of Manhattan, in the City Hall, on the 17th day of January, 1908, at 10.30 a. m., and that at the same time and place a public hearing thereon will then and there be had.

Resolved, That the Secretary of this Board cause these resolutions and a notice to all persons affected thereby to be published in the CITY RECORD for ten days prior to the 17th day of January, 1908.

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of The Bronx, Queens, and Richmond—12.

REPORT No. 5581.

BOARD OF ESTIMATE AND APPORTIONMENT,  
OFFICE OF THE CHIEF ENGINEER,  
December 4, 1907.

Hon. GEORGE B. McCLELLAN, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—Herewith is transmitted a resolution of the Local Board of the Newtown District, Borough of Queens, adopted on May 2, 1907, initiating proceedings for the acquisition of title to Grandview avenue, between Metropolitan avenue and Stanhope street, and between Linden street and Forest avenue.

This resolution includes the entire length of Grandview avenue as placed upon the map of the City, with the exception of the seven short blocks between Linden street and Stanhope street the dedication of which to public use has already been established. The street as shown upon the final map of section 16 of the borough, which was approved by the Board of Estimate and Apportionment on June 28 last, has a width of 60.05 feet. A narrow roadway is in use through the three blocks between Metropolitan avenue and Stanhope street, and the street here adjoins the Ahawith Cemetery on the north. A few small buildings have been erected along the northerly side of the street near Metropolitan avenue. Some of these encroach upon the land to be acquired. Through the two blocks between Linden street and Forest avenue the street is not in use at the present time, and the abutting property is unimproved.

I would recommend the approval of the resolution; that title to the street be acquired in fee; and that all of the costs of the proceeding, including the expenses of the Bureau of Street Openings and any damages allowed for intended regulating, be assessed upon the property benefited; and that a district of assessment be laid out to comprise the following area:

Beginning at a point on the southerly line of Metropolitan avenue where it is intersected by the prolongation of a line midway between Amory street and Grandview avenue, as laid out between Metropolitan avenue and Amory Court, and running thence southeasterly along the said line midway between Grandview avenue and Amory street and the prolongation of the said line to the centre line of Stanhope street; thence southwestwardly along the centre line of Stanhope street to the intersection with the prolongation of a line midway between Grandview avenue and Amory street, as laid out between Stanhope street and Ralph street; thence southeastwardly along the said line midway between Grandview avenue and Amory street and the prolongation of the said line to the intersection with a line which is the bisector of the angle formed by the intersection of the westerly line of Forest avenue and the northeasterly line of Grandview avenue; thence southeastwardly along the said bisecting line to a point distant 100 feet northeasterly from the northeasterly line of Grandview avenue, the said distance being measured at right angles to the line of Grandview avenue; thence southeastwardly and parallel with Grandview avenue to the easterly line of Forest avenue; thence eastwardly at right angles to the line of Forest avenue a distance of 100 feet; thence southwardly and parallel with Forest avenue to a point distant 100 feet southerly from the southerly line of Palmetto street; thence westwardly and southwestwardly and always distant 100 feet from Palmetto street to the intersection with the prolongation of a line midway between Grandview avenue and Fairview avenue; thence northwestwardly along the said line midway between Grandview avenue and Fairview avenue and the prolongations of the said line to the intersection with a line at right angles to Metropolitan avenue and passing through a point on the southerly line of Metropolitan avenue midway between Grandview avenue and Starr street; thence northwardly along the said line at right angles to Metropolitan avenue to a point distant 100 feet northerly from the northerly line of Metropolitan avenue; thence eastwardly and parallel with Metropolitan avenue to the intersection with a line at right angles to Metropolitan avenue, and passing through the point described as the point of beginning; thence southwardly along the said line at right angles to Metropolitan avenue to the point or place of beginning.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

The following resolution was then adopted:

Whereas, The Board of Estimate and Apportionment of The City of New York is considering the advisability of instituting proceedings to acquire title to the lands and premises required for the opening and extending of Grandview avenue, between Metropolitan avenue and Stanhope street, and between Linden street and Forest avenue, in the Borough of Queens, City of New York; and

Whereas, The Board of Estimate and Apportionment is authorized and required at the time of the adoption of the resolution directing the institution of proceedings to acquire title to the lands required for the foregoing improvement to fix and determine upon an area or areas of assessment for benefit for said proceeding.

Resolved, That the Board of Estimate and Apportionment, in pursuance of the provisions of section 980 of the Greater New York Charter, hereby gives notice that the following is the proposed area of assessment for benefit in this proceeding:

Beginning at a point on the southerly line of Metropolitan avenue where it is intersected by the prolongation of a line midway between Amory street and Grand-

view avenue, as laid out between Metropolitan avenue and Amory court, and running thence southeastwardly along the said line midway between Grandview avenue and Amory street and the prolongation of the said line to the centre line of Stanhope street; thence southwestwardly along the centre line of Stanhope street to the intersection with the prolongation of a line midway between Grandview avenue and Amory street, as laid out between Stanhope street and Ralph street; thence southeastwardly along the said line midway between Grandview avenue and Amory street and the prolongation of the said line to the intersection with a line which is the bisector of the angle formed by the intersection of the westerly line of Forest avenue and the northeasterly line of Grandview avenue; thence southeastwardly along the said bisecting line to a point distant 100 feet northeasterly from the northeasterly line of Grandview avenue, the said distance being measured at right angles to the line of Grandview avenue; thence southeastwardly and parallel with Grandview avenue to the easterly line of Forest avenue; thence eastwardly at right angles to the line of Forest avenue a distance of 100 feet; thence southwardly and parallel with Forest avenue to a point distant 100 feet southerly from the southerly line of Palmetto street; thence westwardly and southwestwardly and always distant 100 feet from Palmetto street to the intersection with the prolongation of a line midway between Grandview avenue and Fairview avenue; thence northwestwardly along the said line midway between Grandview avenue and Fairview avenue and the prolongations of the said line to the intersection with a line at right angles to Metropolitan avenue and passing through a point on the southerly line of Metropolitan avenue midway between Grandview avenue and Starr street; thence northwardly along the said line at right angles to Metropolitan avenue to a point distant 100 feet northerly from the northerly line of Metropolitan avenue; thence eastwardly and parallel with Metropolitan avenue to the intersection with a line at right angles to Metropolitan avenue, and passing through the point described as the point of beginning; thence southwardly along the said line at right angles to Metropolitan avenue to the point or place of beginning.

Resolved, That this Board consider the proposed area of assessment at a meeting of the Board to be held in The City of New York, Borough of Manhattan, in the City Hall, on the 17th day of January, 1908, at 10.30 a. m., and that at the same time and place a public hearing thereon will then and there be had.

Resolved, That the Secretary of this Board cause these resolution and a notice to all persons affected thereby to be published in the CITY RECORD for ten days prior to the 17th day of January, 1908.

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of The Bronx, Queens and Richmond—12.

#### OPENING HEALY AVENUE, QUEENS.

The following communication from the Chief Engineer was presented:

REPORT No. 5511.

BOARD OF ESTIMATE AND APPORTIONMENT,  
OFFICE OF THE CHIEF ENGINEER,  
November 13, 1907.

Hon. GEORGE B. McCLELLAN, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—On July 18, 1902, a resolution was adopted by the Board of Estimate and Apportionment providing for the acquisition of title to Healy avenue, between Ocean avenue and Carnaga avenue, in the Fifth Ward, Borough of Queens. On the date when the amended Street Opening Law became effective the Commissioners of Estimate and Assessment in this proceeding had not been appointed, and the resolution has been returned by the Corporation Counsel for reauthorization.

At a meeting of the Board of Estimate and Apportionment held on June 28, 1907, a communication was presented from the Corporation Counsel (page 2125 of Minutes), advising that before proceedings for acquiring title to a street are begun a map should be adopted showing the exact location of the street and the relation of its lines to the adjacent street system.

The map showing the lines of Healy avenue was approved by the Board of Public Improvements on March 21, 1900. I find that this map does not give all of the information which the Corporation Counsel advises is necessary, and believe that when the required map is prepared it will include a greater length of the street. Under these conditions I would therefore recommend that the resolution of July 18, 1902, be rescinded.

Respectfully,  
NELSON P. LEWIS, Chief Engineer.

The following resolution was then adopted:

Resolved, That the resolution adopted by the Board of Estimate and Apportionment July 18, 1902, authorizing the acquisition of the lands and premises required for the opening and extending of Healy avenue, from Ocean avenue to Carnaga avenue, in the Fifth Ward of the Borough of Queens, be and the same hereby is rescinded.

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen, and the Presidents of the Boroughs of The Bronx, Queens and Richmond—12.

#### MODIFICATION IN DRAINAGE PLANS OF DISTRICTS 4-DR, 6-BR, 7-AG, 8-BZ, 10-FF, 11-EE AND 12-DR, MANHATTAN.

The following communication from the Secretary of the Borough of Manhattan and report of Chief Engineer were presented:

CITY OF NEW YORK,  
OFFICE OF THE PRESIDENT OF THE BOROUGH OF MANHATTAN,  
CITY HALL, October 29, 1907.

JOSEPH HAAG, Esq., Secretary, Board of Estimate and Apportionment:

DEAR SIR—Herewith please find for approval, certification and filing in the manner required by law maps showing amendment to sewerage districts, as follows:

No. 4DR—Sewer in Scammel street, between Water and Cherry streets.

No. 6BR—Receiving basin on the southeast corner of Forty-sixth street and First avenue.

Nos. 7AG, 8BZ—Receiving basins on the southwest and northwest corners of Sixty-fourth street, Seventieth, Seventy-first, Seventy-third, Seventy-fourth, Seventy-fifth, Seventy-sixth, Seventy-seventh, Seventy-eighth, Seventy-ninth streets and Exterior street.

No. 10FF—Alteration and improvement to sewer in Columbus avenue, between Ninety-seventh and Ninety-eighth streets.

No. 11EE—Receiving basin on the east side of Third avenue, between One Hundred and Twenty-ninth and One Hundred and Thirtieth streets.

No. 12DR—Sewer in Twelfth avenue, between One Hundred and Thirty-third and One Hundred and Thirty-fifth streets.

When the maps have been approved kindly return the tracing to this office.

Yours very truly,

BERNARD DOWNING, Secretary, Borough of Manhattan.

REPORT No. 5578.

BOARD OF ESTIMATE AND APPORTIONMENT,  
OFFICE OF THE CHIEF ENGINEER,  
December 4, 1907.

Hon. GEORGE B. McCLELLAN, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—Herewith is transmitted a communication from the Secretary of the Borough of Manhattan, dated October 29, 1907, requesting the approval of a modification in the following drainage plans:

#### District 4-DR.

Sewer in Scammel street, between Water and Cherry streets.

#### District 6-BR.

Receiving basins at the southeast corner of East Forty-sixth street and First avenue.

#### Districts 7-AG and 8-BZ.

Receiving basins at the southwest and northwest corners of Exterior street and East Sixty-fourth street, East Seventieth street, East Seventy-first street, East Seventy-third street, East Seventy-fourth street, East Seventy-fifth street, East Seventy-sixth street, East Seventy-seventh street, East Seventy-eighth street and East Seventy-ninth street.

#### District 10-FF.

Sewer in Columbus avenue, between West Ninety-seventh and West Ninety-eighth streets.

#### District 11-EE.

Receiving basin on the easterly side of Third avenue, between East One Hundred and Twenty-ninth and East One Hundred and Thirtieth streets.

#### District 12-DR.

Sewer in Twelfth avenue, between West One Hundred and Thirty-third and West One Hundred and Thirty-fifth streets.

The construction of the sewers and receiving basins shown on this plan was authorized under resolutions adopted by the Board of Estimate and Apportionment on April 19, June 14 and June 28, 1907, with the understanding that the plan showing them would be submitted to the Board of Estimate and Apportionment for approval.

The plan now presented is in conformity with this arrangement, and its approval is recommended.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

The following resolution was then adopted:

Resolved, That the Board of Estimate and Apportionment of The City of New York, in pursuance of the provisions of the Greater New York Charter, hereby approves the plan submitted by the President of the Borough of Manhattan, dated October 29, 1907, showing a modification of the drainage Districts No. 4-DR, 6-BR, 7-AG, 8-BZ, 10-FF, 11-EE, 12-DR.

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of The Bronx, Queens and Richmond—12.

#### APPROVED PAPERS.

The following communication from the Secretary was presented and the matter was placed on file:

December 20, 1907.

To the Board of Estimate and Apportionment:

GENTLEMEN—I beg to inform you that his Honor the Mayor has returned to this office, with his approval, the following resolutions, adopted by the Board of Estimate and Apportionment November 22, 1907, and approved by the Mayor December 5, 1907, changing the map or plan of The City of New York as follows:

Respectfully,

JOSEPH HAAG, Secretary.

#### LAYING OUT PUBLIC PARKS, ETC., IN BROOKLYN, THE BRONX, QUEENS AND RICHMOND.

The following report of the Chief Engineer relating to public parks, public places, open spaces, etc., was presented, and, on motion, the matters were referred to the Presidents of the Boroughs of Brooklyn, The Bronx, Queens and Richmond, respectively:

REPORT No. 5596.

BOARD OF ESTIMATE AND APPORTIONMENT,  
OFFICE OF THE CHIEF ENGINEER,  
December 14, 1907.

Hon. GEORGE B. McCLELLAN, Mayor, Chairman of the Board of Estimate and Apportionment:

SIR—In the accompanying table there is given a list of propositions which have been submitted to the Board of Estimate and Apportionment for laying out public parks in various parts of the city. Some of these projects have been presented by the President of the Borough in which the park is to be located, and some have been made the subject of Local Board resolutions.

In a number of cases the boundary is not defined with sufficient clearness to permit of definitely approving the plan, even if such action should appear desirable. Some of the projects seem to have much merit, while others presented have few commendable features.

There seems to be substantial reason for believing that the laying out of park sites has in the past been frequently used as a means of artificially increasing land values in their vicinity, and with no serious intent on the part of the projectors to assume any portion of their cost. If a part or all of the cost of park lands is to be placed upon the property actually benefited, it seems probable that when the desired result has been accomplished by the promoters, unless the purchase be arranged for when the park is placed upon the map, the burden is likely to fall upon innocent purchasers, who, on realizing the situation, will persistently appeal for the abandonment of the plan or for relief from the unanticipated expense placed upon them.

This result could probably be, to a large extent, avoided if the Board were to determine that a park should not be laid out until such time as it was proposed to acquire it. Assuming a constantly increasing value of the land, such procedure should result in the purchase at a minimum price.

Should the Board conclude to adopt the policy of treating proceedings for acquiring parks as assessable upon the property benefited, it would appear proper, before considering such propositions, to require the presentation of a Local Board resolution providing for the purchase and without limitation as to the distribution of the expense. If this view is adopted I would recommend that the projects described in the accompanying list be referred to the Presidents of the interested boroughs, each to be withheld until such time as a Local Board resolution has been adopted for acquiring it.

It might also be pertinent to call attention to the practice which is frequently followed in describing what are intended to be parks as "playgrounds" or "public places." The latter are properly paved areas, and under the Charter provisions the former lands are not included in the City map. The requirement of a bounding street

upon all park areas seems to frequently escape attention in the preparation of plans, and this essential of a public park map might again be emphasized.

Attention might also be called to the desirability of showing upon maps now being prepared for the territory not yet included upon the City map, sites on which public parks may be located with advantage. It would manifestly be impracticable in many such cases to at the same time secure Local Board resolutions for the acquisition of title, and in these instances the park sites might be described as tentative ones, with the understanding that the plan would not be definitely approved as a part of the map until such time as it was proposed to take up the question of its purchase.

Respectfully,

NELSON P. LEWIS, Chief Engineer.

**WIDENING EAST ONE HUNDRED AND SIXTY-FIRST STREET, ETC., THE BRONX.**

The Comptroller asked unanimous consent for the present consideration relative to the widening of East One Hundred and Sixty-first street on its northerly side, between Elton avenue and Third avenue, and changing outlines of the block bounded by Third avenue, Brook avenue and East One Hundred and Sixty-first street, Borough of The Bronx.

No objection being made, the following communication was presented:

NEW YORK, December 19, 1907.

MR. ARTHUR S. TUTTLE, *Engineer in Charge of Public Improvements, Board of Estimate and Apportionment:*

DEAR SIR—In reply to your communication of November 19, 1907, relative to the resolution adopted by the Local Board of Morrisania for acquiring title to East One Hundred and Sixty-first street as widened between Brook avenue and Third avenue, I beg to submit herewith "Map or plan showing the widening of East One Hundred and Sixty-first street, on its northerly side, between Elton avenue and Third avenue, and showing the change of outlines of the block bounded by Third avenue, Brook avenue and East One Hundred and Sixty-first street," dated December 18, 1907, together with a copy of the report of the Topographical Engineer of this borough, approved by the Chief Engineer on December 19, 1907, and to recommend that the map showing the change of the outlines of the block bounded by Third avenue, Brook avenue and East One Hundred and Sixty-first street be recalled from the Board of Estimate and Apportionment, as suggested in the report of the Engineers, herewith submitted.

Yours truly,

LOUIS F. HAFFEN,  
President of the Borough of The Bronx.

The following resolutions were then adopted:

Resolved, That the Board of Estimate and Apportionment of The City of New York, in pursuance of the provisions of section 442 of the Greater New York Charter, as amended, deeming it for the public interest so to do, proposes to change the map or plan of The City of New York by widening East One Hundred and Sixty-first street on its northerly side, between Elton avenue and Third avenue, and changing the outlines of the block bounded by Third avenue, Brook avenue and East One Hundred and Sixty-first street, in the Borough of The Bronx, City of New York, more particularly described as follows:

1. East One Hundred and Sixty-first street is to be widened on its northerly side between Elton avenue and Brook avenue, and the location of the north line of the street is to be readjusted between Brook avenue and Third avenue.
2. The lines of the block bounded by East One Hundred and Sixty-first street, Brook avenue and Third avenue are also to be changed.

The above changes are intended to be made as shown upon a map prepared by the President of the Borough of The Bronx, bearing date of December 18, 1907.

Resolved, That this Board consider the proposed change at a meeting of the Board, to be held in the City Hall, Borough of Manhattan, City of New York, on the 17th day of January, 1908, at 10.30 o'clock a. m.

Resolved, That the Secretary of this Board cause these resolutions and a notice to all persons affected thereby that the proposed change will be considered at a meeting of the Board, to be held at the aforesaid time and place, to be published in the CITY RECORD for ten days continuously, Sundays and legal holidays excepted, prior to the 17th day of January, 1908.

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of The Bronx, Queens and Richmond—12.

**LAYING OUT AND ESTABLISHING GRADES FOR STREETS WITHIN THE AREA BOUNDED BY FORT SCHUYLER ROAD, EASTERN BOULEVARD, WATERBURY AVENUE, LONG ISLAND SOUND, FORT SCHUYLER RESERVATION AND EAST RIVER, THE BRONX.**

The Comptroller asked unanimous consent for the present consideration of a communication from the President of the Borough of The Bronx relative to the laying out and establishment of grades for streets within the area bounded by Fort Schuyler road, Eastern boulevard, Waterbury avenue, Long Island Sound, Fort Schuyler Reservation and East river, Borough of The Bronx.

No objection being made the following communication was presented:

NEW YORK, December 19, 1907.

MR. ARTHUR S. TUTTLE, *Engineer in Charge of Public Improvements, Board of Estimate and Apportionment:*

DEAR SIR—I transmit herewith for the consideration and approval of the Board of Estimate and Apportionment "map or plan showing the location and laying out and the grades of the streets within the area bounded by Fort Schuyler road, Eastern boulevard, Waterbury avenue, Long Island Sound, Fort Schuyler Reservation and East river, in the Twenty-fourth Ward, Borough of The Bronx, City of New York," dated December 19, 1907.

Yours truly,

LOUIS F. HAFFEN,  
President of the Borough of The Bronx.

The following resolutions were then adopted.

Resolved, That the Board of Estimate and Apportionment of The City of New York, in pursuance of the provisions of section 442 of the Greater New York Charter as amended, deeming it for the public interest so to do, proposes to change the map or plan of The City of New York by laying out block dimensions, street widths and grades in the territory bounded by Eastern boulevard, Waterbury avenue, Long Island Sound, Fort Schuyler Reservation, East river and Fort Schuyler road, in the Borough of The Bronx, City of New York, more particularly shown on map or plan submitted by the President of the Borough of The Bronx, dated December 19, 1907.

Resolved, That this Board consider the proposed change at a meeting of the Board to be held in the City Hall, Borough of Manhattan, City of New York, on the 17th day of January, 1908, at 10.30 o'clock a. m.

Resolved, That the Secretary of this Board cause these resolutions and a notice to all persons affected thereby that the proposed change will be considered at a meeting of this Board, to be held at the aforesaid time and place, to be published in the CITY RECORD for ten days continuously, Sundays and legal holidays excepted, prior to the 17th day of January, 1908.

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of The Bronx, Queens and Richmond—12.

After considering financial and franchise matters the Board adjourned to meet Friday, January 10, 1908, at 10.30 o'clock in the forenoon.

JOSEPH HAAG, Secretary.

## BOROUGH OF MANHATTAN.

### WASHINGTON HEIGHTS DISTRICT.

At a meeting of the Board of Local Improvements of the Washington Heights District, held December 10, 1907, the following members were present: Aldermen Grifenhagen, Goodman and Acting President Thompson.

The Acting President presented for the Board's consideration the matter of paving, etc., Sherman avenue, between Broadway and Tenth avenue, and construct parkways thereon. Estimated cost, \$95,157.60. Assessed valuation of property affected, \$1,124,400.

Mr. R. Clarence Dorsett and Mr. Minturn Post Collins appeared in favor.

The following resolution was introduced by Alderman Grifenhagen:

Whereas, A petition for a local improvement described below has been received by the President of the Borough of Manhattan; and

Whereas, He has appointed a time for a meeting of this Local Board not more than fifteen days after the receipt by him of the said petition, at which meeting the said petition would be submitted by him to the said Local Board, and he has caused a notice to be published in the CITY RECORD that said petition has been presented to him and is on file in his office for inspection, and of the time when and the place where there would be a meeting of this Local Board, at which the said petition would be submitted by him to the said Board, which time was not less than ten days after the publication of this notice; and

Whereas, The said petition was duly submitted thereafter to the said Local Board, which did duly consider the same and give a full hearing thereon; now therefore it is

Resolved, by the Local Board of the Washington Heights District, pursuant to titles 2 and 3 of chapter 10 of the Greater New York Charter, That the said petition be and the same hereby is granted; and it is hereby

Resolved, That this Board does hereby initiate proceedings for the said local improvement, to wit:

To pave with asphalt block pavement on concrete foundation, curb and recurb Sherman avenue, between Broadway and Tenth avenue, and construct parkways thereon; and it is hereby further

Resolved, That a copy of this resolution be transmitted forthwith to the Board of Estimate and Apportionment for its approval.

Which was adopted.

The Acting President presented for the Board's consideration the matter of re-regulating, regrading, recurb and reflagging West One Hundred and Forty-sixth street, from a point 234.08 feet west of Broadway to the easterly line of the Riverside drive extension. Estimated cost, \$707.60. Assessed valuation of the property affected, \$27,000.

The following resolution was introduced by Alderman Grifenhagen:

Whereas, A petition for a local improvement described below has been received by the President of the Borough of Manhattan; and

Whereas, He has appointed a time for a meeting of this Local Board not more than fifteen days after the receipt by him of the said petition, at which meeting the said petition would be submitted by him to the said Local Board, and he has caused a notice to be published in the CITY RECORD that said petition has been presented to him and is on file in his office for inspection, and of the time when and the place where there would be a meeting of this Local Board, at which the said petition would be submitted by him to the said Board, which time was not less than ten days after the publication of this notice; and

Whereas, The said petition was duly submitted thereafter to the said Local Board, which did duly consider the same and give a full hearing thereon; now therefore it is

Resolved, by the Local Board of the Washington Heights District, pursuant to titles 2 and 3 of chapter 10 of the Greater New York Charter, That the said petition be and the same hereby is granted; and it is hereby

Resolved, That this Board does hereby initiate proceedings for the said local improvement, to wit:

To reregulate, regrade, recurb and reflag West One Hundred and Forty-sixth street, from a point 234.08 feet west of Broadway to the easterly line of the Riverside drive extension; and it is hereby further

Resolved, That a copy of this resolution be transmitted forthwith to the Board of Estimate and Apportionment for its approval.

Which was adopted.

The Acting President presented for the Board's consideration the matter of laying out as a public place property bounded by Emerson avenue, Post avenue and Tenth avenue.

Mr. Ralph Tobias, representing Joseph A. Flannery, appeared in favor.

On motion, this matter was laid over for four weeks.

The Acting President presented for the Board's consideration the matter of laying out widening of Boulevard Lafayette, between One Hundred and Seventy-seventh and One Hundred and Eighty-first streets, and One Hundred and Eighty-first street, between Boulevard Lafayette and Buena Vista avenue.

On motion, this matter was laid over for four weeks.

A resolution for the following work was introduced by Alderman Goodman:

To repair sidewalk in front of Nos. 76 and 78 East One Hundred and Eighteenth street.

Which was adopted.

On motion of Alderman Grifenhagen the action of the Board on November 26, 1907, in laying over for six months the matter of laying out widening of Port Washington avenue, northerly from about One Hundred and Ninety-second street, was rescinded.

Alderman Grifenhagen then moved that the petition be denied.

Which was adopted.

On motion of Alderman Grifenhagen the action of the Board on September 10, 1907, in laying over for three months the matter of laying out a new street on the west side of Riverside drive, at about One Hundred and Ninety-third street, was rescinded. Alderman Grifenhagen then moved the petition be denied.

Which was adopted.

On motion, the Board adjourned.

BERNARD DOWNING, Secretary.

### DEPARTMENT OF DOCKS AND FERRIES.

#### FILLING PRIVILEGE.

OFFICE OF THE DEPARTMENT OF DOCKS AND FERRIES, PIER "A," FOOT OF BATTERY PLACE, NORTH RIVER, BOROUGH OF MANHATTAN, THE CITY OF NEW YORK.

SEALED BIDS OR ESTIMATES WILL BE received by the Commissioner of Docks at Pier "A," foot of Battery place, in The City of New York, until 12 o'clock noon on

MONDAY, JANUARY 13, 1908.

FOR THE RIGHT TO DUMP AND FILL IN BEHIND THE BULKHEAD WALL RECENTLY BUILT OR TO BE BUILT ON THE NORTHERLY PART OF THE NEW BELLEVUE SECTION ON THE EAST RIVER, BOROUGH OF MANHATTAN.

#### TERMS AND CONDITIONS OF SALE.

The work to be done is to fill in with suitable material, as hereinafter described, the area behind the new bulkhead wall extending from the present line of the filling, which is about the southerly side of East Twenty-eighth street, northerly a distance of about 241 feet to a line which is about 17 feet southerly from the southerly side of West Twenty-ninth street, at which point, or as near thereto as possible, it is the intention to build a temporary bulkhead, and extending from the rear of the bulkhead wall, when it is completed, inshore a distance of from about 170 feet to 265 feet to an old crib bulkhead.

The exact limits of the basin to be filled under this agreement may be seen on a map at Pier "A," together with the soundings and other data used, the said map being a part of this agreement.

The filling will be brought to a grade level with the top of the coping of the bulkhead wall, and will extend inshore on a regular grade to the level of the filling or crib bulkhead adjacent.

It is estimated that the area outlining the above-described limits will create a basin to be filled in, under this agreement, whose cubical contents in net void space is equal to about 43,200 cubic yards.

Bidders will state in writing a lump sum price which they agree to pay for the privilege of filling in the void space behind the bulkhead wall, built or to be built on the northerly part of the New Bellevue section, as described above, and as appears in detail on the map at Pier "A," and which becomes a part of the contract or agreement.

In the estimated amount given, the amount in cubic yards is arrived at without placing any allowance for shrinkage, settlement, swelling of the material or penetration into the mud.

The Department is not bound in any way by such estimate, and bidders must satisfy themselves of the actual quantity required to fill in the above-described area by examination of the premises or such other means as they may prefer, the intention of the Department being to fill in the whole of the said premises behind the bulkhead wall within the above-described limits, and no allowance will be made to the purchaser from the purchase price on account of any discrepancy which may be found between the above-estimated quantity and the actual amount of filling required. The purchaser will be required to place the filling in accordance with the following specifications:

All the filling shall, unless otherwise directed, be placed directly in the rear of the bulkhead wall and carried from the bulkhead wall toward the shore until the bank of same has been carried out at the finished grade for a distance of about 30 feet from the face of the bulkhead wall, at which time, if so directed by the Engineer, the filling shall be started at the bank and carried outshore toward the bulkhead wall.

All material must be dumped and filled in only in such manner, at such points and in such order of procedure and at such times and seasons as may, from time to time, be directed, and the work of filling in may be entirely suspended for such periods of time as may be directed by the Engineer. The purchaser shall have no claim for damage or for any allowance from the purchase money on account of such suspension of the work.

All directions must be given by the Engineer, and wherever the word Engineer is used in these specifications it refers to and designates the Engineer-in-Chief of the Department of Docks and Ferries, or such officer or employee as may be designated by him.

Rip rap stone coming directly on or against the bulkhead wall must be deposited carefully in such manner as will not injure the same.

All the filling, except as otherwise specified herein, shall be of ashes, cellar dirt, broken stone, etc., entirely free from garbage or any organic matter objectionable in the opinion of the Engineer.

At any section of the bulkhead wall the filling shall be brought up level with the under side of the backing log of the bulkhead wall at such section, and no higher, unless otherwise directed.

The filling shall be commenced within five days after the date of the receipt of a notification from the Engineer that the work, or any part of it, is ready to be begun. The Department reserves the right of ordering the contractor to deposit not less than 100 cubic yards per day, as directed by the Engineer, and the whole amount of the filling called for to bring the above-described basin up to grade, shall be completed within four hundred and thirty-two

calendar days from the date of the receipt of said notification. At the expiration of this time this agreement shall be considered closed unless a further extension of time shall be given by the Commissioner of Docks. If at any time during the progress of the work it shall be deemed necessary to order the suspension of the whole or any part of the filling, the time for completing said filling shall be extended as much as it may have been delayed by such suspension.

In case the purchaser at any time does not proceed with the work of filling in to the satisfaction of the Commissioner of Docks, the said Commissioner will at once terminate the privilege of filling in and proceed to have the remainder of the filling in done by other parties in such way and manner as he deems proper, and any loss which may result therefrom shall be charged against the principal and his surety.

The purchaser shall, during the work of filling in, and at all times until the completion thereof, take all necessary precautions and place proper guards for the prevention of accidents, and put up and maintain at night sufficient lights, and he shall indemnify and save harmless the City of New York from all damages and costs to which it may be put by reason of injury to the person or property of another resulting from negligence or carelessness in the performance of the work or guarding the same, to which the surety is also bound.

No bid or estimate will be considered unless accompanied by a certified check drawn to the order of the Commissioner of Docks, or money to the amount of twenty-five per centum of the amount of the bid, which amount shall be applied in the case of the successful bidder to the first one-quarter of the amount of the filling to be deposited; twenty-five per centum to be paid when the first one-quarter of filling has been completed; twenty-five per centum additional when one-half the filling has been completed, and the balance, twenty-five per centum, when three-quarters of said filling has been completed.

A surety or guarantee company, duly authorized by law to act as surety, to be approved by the Commissioner of Docks, will be required to enter into a bond or obligation jointly and severally with the purchaser, in the sum of double the amount of the purchase price as security for the satisfactory performance of said work, in accordance with the terms and conditions hereof.

J. A. BENSEL,  
Commissioner of Docks.

Dated The City of New York, January 2, 1908.

See General Instructions to Bidders on the last page, last column, of the "City Record."

OFFICE OF THE DEPARTMENT OF DOCKS AND FERRIES, PIER "A," FOOT OF BATTERY PLACE, NORTH RIVER, BOROUGH OF MANHATTAN, THE CITY OF NEW YORK.

SEALED BIDS WILL BE RECEIVED BY the Commissioner of Docks at Pier "A," foot of Battery place, in The City of New York, until 12 o'clock noon of

WEDNESDAY, JANUARY 15, 1908,

FOR A LEASE FOR A TERM OF FIVE YEARS, BEGINNING ON A DATE TEN DAYS AFTER SAID LEASE SHALL BE APPROVED BY THE COMMISSIONERS OF THE SINKING FUND, OF THE RIGHT TO USE AND OCCUPY THE INSHORE OR MOST EASTERLY DUMP ON THE NORTHERLY SIDE OF THE PIER AT THE FOOT OF WEST THIRTIETH STREET, NORTH RIVER, BOROUGH OF MANHATTAN, TOGETHER WITH THE RIGHT TO USE THE RAMP OR APPROACH THERETO.

It being understood that the lessee shall not in any way interfere with the operation of the Department of Street Cleaning dumps on the northerly side of said pier.

The lessee shall make all repairs to the dumping board above described.

All repairs to that portion of the ramp or approach extending from the easterly end thereof to the westerly end of the inshore dumping board shall be made by the Department of Street Cleaning, but one-half of the cost thereof, as shown by the books and accounts of the Department of Street Cleaning shall be borne by the lessee.

The lessee shall covenant and agree that he will at all times do such dredging from time to time during the term of said lease as may be considered necessary or proper by the Commissioner of Docks to a depth of at least 20 feet at mean low water, in the basin or slips or water adjacent at the northerly side of said pier, commencing at the bulkhead line and extending outshore to the westerly end of the inshore or most easterly dumping board.

The Commissioner of Docks expressly reserves the right to reject any and all bids; should a bid, however, be accepted, the said Commissioner will prepare a form of lease and transmit same to the Commissioners of the Sinking Fund, with a recommendation that said lease be approved by said Commissioners. The said form of lease shall contain the usual terms, conditions and covenants at present embodied in leases of wharf property now used by this Department.

No bid will be considered unless accompanied by a certified check payable to order of Department of Docks and Ferries, or cash in the sum of \$500 as security for the execution of the lease, which \$500 will be applied to the payment of the rent first accruing under the lease, when executed, or will be forfeited to the Department if the purchaser neglects or refuses to execute the lease, and the successful bidder will be required to agree that he will, upon three days' notice so to do, execute a lease, the form of which may be seen and examined upon application to the Secretary, at the office of the Department, Pier "A," Battery place; and also to furnish a bond or obligation in the sum of double the annual rent for the faithful performance of all the covenants and conditions of the lease, the sureties on bond to be approved by the Commissioner of Docks.

J. A. BENSEL,  
Commissioner of Docks.

Dated December 31, 1907.

See General Instructions to Bidders on the last page, last column, of the "City Record."

## BOARD OF ESTIMATE AND APPORTIONMENT.

NOTICE IS HEREBY GIVEN THAT AT the meeting of the Board of Estimate and Apportionment, held on December 20, 1907, the following resolutions were adopted:

Whereas, the Board of Estimate and Apportionment of the City of New York is considering the advisability of instituting proceedings to acquire title to the lands and premises required for the opening and extending of Grandview avenue, between Metropolitan avenue and Stanhope street, and between Linden street and Forest avenue, in the Borough of Queens, City of New York; and

Whereas, the Board of Estimate and Apportionment is authorized and required at the time of the adoption of the resolution directing the institution of proceedings to acquire title to the lands required for the foregoing improvement to fix and determine upon an area or areas of assessment for benefit for said proceeding.

Resolved, That the Board of Estimate and Apportionment, in pursuance of the provisions of section 980 of the Greater New York Charter, hereby gives notice that the following is the proposed area of assessment for benefit in this proceeding:

Beginning at a point on the southerly line of Metropolitan avenue where it is intersected by the prolongation of a line midway between Amory street and Grandview avenue, as laid out between Metropolitan avenue and Amory court, and running thence southeasterly along the said line midway between Grandview avenue and Amory street and the prolongation of the said line to the centre line of Stanhope street; thence southwesterly along the centre line of Stanhope street to the intersection with the prolongation of a line midway between Grandview avenue and Amory street as laid out between Stanhope street and Ralph street; thence southeasterly along the said line midway between Grandview avenue and Amory street and the prolongation of the said line to the intersection with a line which is the bisector of the angle formed by the intersection of the westerly line of Forest avenue and the northeasterly line of Grandview avenue; thence southeasterly along the said bisecting line to a point distant 100 feet northeasterly from the northeasterly line of Grandview avenue, the said distance being measured at right angles to the line of Grandview avenue; thence southeasterly and parallel with Grandview avenue to the easterly line of Forest avenue; thence easterly at right angles to the line of Forest avenue a distance of 100 feet; thence southwesterly and parallel with Forest avenue to a point distant 100 feet southerly from the southerly line of Palmetto street; thence westwardly and southwesterly and always distant 100 feet from Palmetto street to the intersection with the prolongation of a line midway between Grandview avenue and Fairview avenue; thence northwesterly along the said line midway between Grandview avenue and Fairview avenue and the prolongations of the said line to the intersection with a line at right angles to Metropolitan avenue and passing through a point on the southerly line of Metropolitan avenue midway between Grandview avenue and Starr street; thence northwesterly along the said line at right angles to Metropolitan avenue to a point distant 100 feet northerly from the northerly line of Metropolitan avenue; thence easterly and parallel with Metropolitan avenue to the intersection with a line at right angles to Metropolitan avenue, and passing through the point described as the point of beginning; thence southwesterly along the said line at right angles to Metropolitan avenue to the point or place of beginning.

Resolved, That this Board consider the proposed area of assessment at a meeting of the Board to be held in The City of New York, Borough of Manhattan, in the City Hall, on the 17th day of January, 1908, at 10.30 a. m., and that at the same time and place a public hearing thereon will then and there be had.

Resolved, That the Secretary of this Board cause these resolutions and a notice to all persons affected thereby to be published in the City Record for ten days prior to the 17th day of January, 1908.

## CORPORATION SALE OF BUILDINGS AND APPURTENANCES THERETO ON CITY REAL ESTATE.

**AT THE REQUEST OF THE PARK COM-** missioner, public notice is hereby given that the Commissioners of the Sinking Fund, by virtue of the powers vested in them by law, will offer for sale at public auction all the buildings, parts of buildings, etc., now standing upon property owned by The City of New York acquired for park purposes in the

Borough of Manhattan.

Being all those buildings, parts of buildings, etc., on West One Hundred and Forty-fifth street and Edgecombe avenue, more particularly known as Nos. 335, 337, 339, 341 and 343 West One Hundred and Forty-fifth street and No. 245 Edgecombe avenue, and which are more particularly described on a certain map on file in the office of the Collector of City Revenue, Department of Finance, Room 141, No. 280 Broadway, Borough of Manhattan.

Pursuant to a resolution of the Commissioners of the Sinking Fund, adopted at a meeting held October 23, 1907, the sale of the above described buildings and appurtenances thereto will be held by direction of the Comptroller on

MONDAY, JANUARY 20, 1908,

at 10 a. m. on the premises, upon the following

TERMS AND CONDITIONS.

It being understood that the purchasers at the time of the auction sale, when the said bid is accepted by the City, shall execute a contract with The City of New York for the proper compliance with these terms and conditions, which contract shall provide for liquidated damages

at so much per day for each and every day the removal of the buildings, etc., remains incomplete after the expiration of sixty days from the day of sale. A copy of the contract is on file in the office of the Collector of City Revenue, Department of Finance, Room 141, No. 280 Broadway, Borough of Manhattan.

The buildings and appurtenances thereto will be sold to the highest bidder, who must pay immediately cash or a certified check drawn to the order of the Comptroller of The City of New York, and must either give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale and contract. Where the amount of the purchase price does not equal or exceed the sum of fifty dollars the sum of fifty dollars shall be the amount of the security deposited. This security must be deposited within forty-eight hours after the sale, and may at any time after the expiration of the contract period be applied by the City to the cost of completing any work required under the contract but unfinished at the expiration of the contract period.

All the buildings, structures and parts thereof, their fixtures and foundations, of every class and description, within the described area are to be torn down to the existing curb level, and structures which may exist within any of the buildings, such as engine beds, boiler settings, etc., and all stoops and area walls shall be torn down to the same level. All partitions, sheds and fences shall be removed from the premises. All brick laid in mortar, all floor beams, joists, studs, flooring, ceiling, roofing, boards and woodwork of every description, and all gas, water, steam and soil piping shall be removed from the premises. All combustible matters, such as tar and felt roofing, broken laths and fragments of timber, clippings, splinters, etc., which are of no value shall be gathered together by the contractor and burned or carried away.

The purchaser at the sale shall also shut off and cap all water pipes at the main pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity.

Failure to remove said buildings or appurtenances, or any portion thereof, within sixty days from the day of sale will work forfeiture of ownership of such buildings or appurtenances or portion as shall then be left standing, and the bidder's assent to the above conditions being understood to be implied by the act of bidding, and The City of New York will, without notice to the purchaser, cause the same to be removed and the costs and expenses thereof charged against the security above mentioned.

The work of removal must be carried on in every respect in a thorough and workmanlike manner and must be completed within sixty days from the day of sale, and the successful bidder will provide and furnish all materials of labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless The City of New York, its officers, agents and servants, and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against and from all damages and costs to which it, they, or any of them be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of the said buildings.

Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All furnishings, plaster, chimneys, projecting brick, etc., on the faces of such party walls are to be taken down and removed. The walls shall be made permanently self-supporting, beam-holes, etc., bricked up, and the wall pointed and made to exclude wind and rain and present a clean exterior. The roofs of the adjacent buildings shall be properly flashed and painted and made water tight where they have been disturbed by the operations of the contractor.

The Comptroller of The City of New York reserves the right on the day of sale to withdraw from sale any of the buildings, parts of buildings and machinery included therein, or to reject any and all bids.

J. H. MCCOY,  
Deputy and Acting Comptroller.  
City of New York, Department of Finance,  
Comptroller's Office, January 3, 1908.

The Board of Assessors has levied and assessed the foregoing assessments in twenty equal annual installments:

The "Fifth Installment" in each case is now due and payable, and hereafter for fifteen years an amount equal to one of the aforesaid annual installments with interest shall be assessed upon the lots or parcels of land benefited by said improvements. These assessments were confirmed by the Board of Revision of Assessments on December 29, 1903, and the "Fifth Installment," entered on December 29, 1907, in the Record of Titles of Assessments, kept in the Bureau for the Collection of Assessments and Arrears of Taxes and Assessments and of Water Rents.

Unless the amount of the fifth installment in each case shall be paid within sixty days after said date of entry, interest shall be charged, collected and received thereon as provided in section 1019 of the Greater New York Charter.

Said section provides that "If any such assessment shall remain unpaid for the period of sixty days after the date of entry thereof in the said Record of Titles of Assessments, it shall be the duty of the officer authorized to collect and receive the amount of such assessment to charge, collect and receive interest thereon at the rate of seven per centum per annum, to be calculated to the date of payment from the date when such assessment became a lien, as provided by section 159 of this act."

Section 159 of this act provides: "An assessment shall become a lien upon the real estate affected thereby ten days after its entry in the said record."

The above assessments are payable to the Collector of Assessments and Arrears, at the Bureau for the Collection of Assessments and Arrears of Taxes and Assessments and of Water Rents, at the Hackett Building, No. 51 Jackson avenue, Long Island City, Borough of Queens, between the hours of 9 a. m. and 2 p. m., and on Saturdays from 9 a. m. until 12 m., and all payments made thereon on or before February 27, 1908, will be exempt from interest, as above provided, and after that date will be subject to a charge of interest at the rate of seven per centum per annum from the date when above assessments became liens to the date of payment.

## DEPARTMENT OF STREET CLEANING.

MAIN OFFICE OF THE DEPARTMENT OF STREET CLEANING, ROOM 1536, NOS. 13 TO 21 PARK ROW, BOROUGH OF MANHATTAN, THE CITY OF NEW YORK.

**SEALED BIDS OR ESTIMATES WILL BE** received by the Commissioner of Street Cleaning at the above office until 12 o'clock p. m. on

**FRIDAY, JANUARY 10, 1908.**  
Boroughs of Manhattan, The Bronx and Brooklyn.

**CONTRACT FOR FURNISHING AND DELIVERING:**

- No. 1. IRON AND STEEL.
- No. 2. HARNESS-MAKERS' SUPPLIES.
- No. 3. MISCELLANEOUS SUPPLIES.
- No. 4. PLUMBING SUPPLIES.
- No. 5. MALLEABLE IRON CASTINGS.
- No. 6. SCRAPER STEEL.
- No. 7. HARDWARE.
- No. 8. CARRIAGE BOLTS AND NUTS.
- No. 9. MACHINE BOLTS AND NUTS.
- No. 10. LEATHER.
- No. 11. LUMBER.

The times for the delivery of the supplies and the completion of the contracts will be as follows: Harness-makers' Supplies, Scrapper Steel, Hardware, Carriage Bolts and Nuts, Machine Bolts and Nuts, sixty (60) days; for Iron and Steel, Miscellaneous Supplies, Malleable Iron Castings, ninety (90) days, and for Leather and for Lumber, the year 1908, as required.

The amount of security is fifty per cent. (50%) of the amount of the bid or estimate.

For the purpose of proper inspection of the supplies to be furnished under each of the above contracts, a Special Inspector will be appointed by the Commissioner of Street Cleaning, and the compensation of this Inspector is to be paid by the contractor under each contract at the rate of 2½ per cent. of the total amount of each contract.

In making a bid for any one of the above contracts, this amount of 2½ per cent. for compensation of the Special Inspector should be taken into account, but must not be distributed among the prices of the several items. It must be added by the bidder at the foot of his bid, as a separate and distinct item, thus: "Compensation of Special Inspector at 2½ per cent."—then extending this amount as 2½ per cent. of the total of his extended prices.

The bidder will state the price of each item or article contained in the specifications or sched-

ules herein contained or hereto annexed, per pound, per hundred pounds, ton, dozen, gallon, yard or other unit of measure, by which the bids will be tested. The extensions must be made and footed up, as the bids will be read from the total for each class and awards made to the lowest bidder on each class.

Delivery will be required to be made at the time and in the manner and in such quantities as may be directed.

Blank forms and further information may be obtained at the office of the Department of Street Cleaning, the Borough of Manhattan, Nos. 13 to 21 Park row.

## SUPREME COURT—FIRST DEPARTMENT.

## FIRST DEPARTMENT.

In the matter of the application of The City of New York relative to acquiring title, wherever the same has not been heretofore acquired, to the lands, tenements and hereditaments required for the extending of HIGH BRIDGE PARK, as shown on a map filed in the office of the Register of the County of New York, December 21, 1903, in accordance with the plan adopted by the Board of Estimate and Apportionment December 11, 1903, and approved by the Mayor on December 18, 1903, in the Twelfth Ward, Borough of Manhattan, City of New York.

WE, THE UNDERSIGNED COMMISSIONERS of Estimate and Assessment in the above entitled matter, hereby give notice to all persons interested in this proceeding, and to the owner or owners, occupant or occupants of all houses and lots and improved and unimproved lands affected thereby, and to all others whom it may concern, to wit:

First—That we have completed our first partial and separate estimate of damage and that all persons interested in this proceeding, or in any of the lands, tenements and hereditaments and premises affected thereby, and having objections thereto, do present their said objections in writing, duly verified, to us at our office, Nos. 90 and 92 West Broadway, in the Borough of Manhattan, in the City of New York, on or before the 27th day of January, 1908, and that we, the said Commissioners, will hear parties so objecting, and for that purpose will be in attendance at our said office on the 28th day of January, 1908, at 1 o'clock p. m.

Second—That the abstract of our said first partial and separate estimate of damage, together with our damage maps, and also all the affidavits, estimates, proofs and other documents used by us in making the same, have been deposited in the Bureau of Street Openings in the Law Department of The City of New York, Nos. 90 and 92 West Broadway, in the Borough of Manhattan, in said City, there to remain until the 6th day of February, 1908.

Third—That, provided there be no objections filed to said abstract, our final first partial and separate report herein will be presented for confirmation to the Supreme Court of the State of New York, First Department, at a Special Term thereof, Part III., to be held in the County Court House in the Borough of Manhattan, in the City of New York, on the 14th day of February, 1908, at the opening of the Court on that day.

Fourth—In case, however, objections are filed to said first partial and separate abstract of estimate of damage the notice of motion to confirm our final first partial and separate report herein will stand adjourned to the date to be hereafter specified, and of which notice will be given to all those who have theretofore appeared in this proceeding, as well as by publication in the City Record, pursuant to sections 981 and 984 of the Greater New York Charter, as amended by chapter 658 of the Laws of 1906.

Dated Borough of Manhattan, New York, January 7, 1908.

In the matter of the application of The City of New York relative to acquiring title wherever the same has not been heretofore acquired, to the lands, tenements and hereditaments required for the opening and extending of FORTY-SIXTH STREET, between Twelfth avenue and Seventeenth avenue, in the Thirtieth Ward, Borough of Brooklyn, City of New York.

WE, THE UNDERSIGNED COMMISSIONERS of Estimate and Assessment in the above-entitled matter, hereby give notice to all persons interested in this proceeding, and to the owner or owners, occupant or occupants of all houses and lots and improved and unimproved lands affected thereby, and to all others whom it may concern, to wit:

First—That we have completed our estimate and assessment, and that all persons interested in this proceeding, or in any of the lands, tenements and hereditaments and premises affected thereby, and having objections thereto, do present their said objections in writing, duly verified, to us at our office, No. 166 Montague street, in the Borough of Brooklyn, in The City of New York, on or before the 20th day of January, 1908, and that we, the said Commissioners, will hear parties so objecting, and for that purpose will be in attendance at our office on the 21st day of January, 1908, at 2 o'clock p. m.

Second—That the abstracts of our said estimate and assessment, together with our damage and benefit maps, and also all the affidavits, estimates, proofs and other documents used by us in making the same, have been deposited in the Bureau of Street Openings in the Law Department of The City of New York, No. 166 Montague street, in the Borough of Brooklyn, in said City, there to remain until the 30th day of January, 1908.

Third—That the limits of our assessment for benefit include all those lands, tenements and hereditaments and premises situate, lying and being in the Borough of Brooklyn, in The City of New York, which, taken together, are bounded and described as follows, viz.:

Beginning at a point formed by the intersection of the northwesterly line of Seventeenth avenue and the centre line of the blocks between Forty-seventh street and Forty-sixth street and running thence northwesterly along said centre line to its intersection with the southeasterly line of Twelfth avenue, thence northeasterly along said southeasterly line of Twelfth avenue to its intersection with the centre line of the blocks between Forty-sixth street and Forty-fifth street, thence southeasterly along said last mentioned centre line to its intersection with the northwesterly line of Seventeenth avenue, thence southwesterly along said northwesterly line of Seventeenth avenue, to the point or place of beginning, as such area is shown upon our benefit maps deposited as aforesaid.

Fourth—That, provided there be no objections filed to either of said abstracts, our final report herein will be presented for confirmation to the Supreme Court of the State of New York, Second Department, at a Special Term thereof for the hearing of motions, to be held in the County Court House in the Borough of Brooklyn, in The City of New York, on the 23d day of March, 1908, at the opening of the Court on that day.

Fifth—In case, however, objections are filed to either of said abstracts of estimate and assessment, the notice of motion to confirm our final report herein will stand adjourned to the date to be hereafter specified, and of which notice will be given to all those who have theretofore appeared in this proceeding, as well as by publication in the CITY RECORD and in the corporation newspapers, pursuant to sections 981 and 984 of the Greater New York Charter, as amended by chapter 658 of the Laws of 1906.

WE, THE UNDERSIGNED COMMISSIONERS of Estimate and Assessment in the above-entitled matter, hereby give notice to all persons interested in this proceeding and to the owner or owners, occupant or occupants of all houses and lots and improved and unimproved lands affected thereby, and to all others whom it may concern, to wit:

First—That we have completed our amended and supplemental estimate and assessment, and that all persons interested in this proceeding, or in any of the lands, tenements and hereditaments and premises affected thereby, and having objections thereto, do present their said objections in writing, duly verified, to us at our office, No. 166 Montague street, in the Borough of Brooklyn, in The City of New York, on or before the 20th day of January, 1908, and that we, the said Commissioners, will hear parties so objecting, and for that purpose will be in attendance at our said office on the 23d day of January, 1908, at 2 o'clock p. m.

Second—That the abstracts of our said amended and supplemental estimate and assessment, together with our damage and benefit maps, and also all the affidavits, estimates, proofs and other documents used by us in making the same, have been deposited in the Bureau of Street Openings in the Law Department of The City of New York, No. 166 Montague street, in the Borough of Brooklyn, in said City, there to remain until the 30th day of January, 1908.

Third—That the limits of our assessment for benefit include all those lands, tenements and hereditaments and premises situate, lying and being in the Borough of Brooklyn, in The City of New York, which, taken together, are bounded and described as follows, viz.:

Beginning at a point formed by the intersection of the northerly line of Newkirk avenue and the westerly line of Rogers avenue and running thence westerly along said northerly line of Newkirk avenue and its westerly prolongation to its intersection with a line parallel to and distant two hundred and fifty (250) feet southwesterly from the southwesterly line of Flatbush avenue, thence northwesterly along said parallel line to its intersection with the westerly prolongation of the centre line of the blocks between Clarendon road (Avenue C) and Avenue D, thence easterly along said westerly prolongation and centre line to its intersection with the westerly line of Rogers avenue, thence southerly along said westerly line to the point or place of beginning, as such area is shown upon our benefit maps deposited as aforesaid.

Fourth—That, provided there be no objections filed to either of said abstracts, our final report herein will be presented for confirmation to the Supreme Court of the State of New York, Second Department, at a Special Term thereof for the hearing of motions, to be held in the County Court House, in the Borough of Brooklyn, in The City of New York, on the 23d day of March, 1908, at the opening of the Court on that day.

Fifth—In case, however, objections are filed to either of said abstracts of estimate and assessment, the notice of motion to confirm our final report herein will stand adjourned to the date to be hereafter specified, and of which notice will be given to all those who have theretofore appeared in this proceeding, as well as by publication in the CITY RECORD and in the corporation newspapers, pursuant to sections 981 and 984 of The Greater New York Charter, as amended by chapter 658 of the Laws of 1906.

Dated, Borough of Brooklyn, New York, December 30, 1907.

#### PROPOSALS FOR BIDS AND ESTIMATES FOR THE CITY OF NEW YORK.

##### NOTICE TO CONTRACTORS.

##### GENERAL INSTRUCTIONS TO BIDDERS.

The person or persons making a bid or estimate for any services, work, materials or supplies for The City of New York, or for any of its departments, bureaus or offices, shall furnish the same in a sealed envelope, indorsed with the title of the supplies, materials, work or services for which the bid or estimate is made, with his or their name or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the estimates received will be publicly opened by the President or Board or head of said Department and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, and names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of The City of New York is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned below.

No bid or estimate will be considered unless, as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The certified check or money should not be inclosed in the envelope containing the bid or estimate, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City.

The contract must be bid for separately. The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Council, can be obtained upon application therefor at the office of the Department for which the work is to be done. Plans and drawings of construction work may also be seen there.
