Mr. M. J. Rickard, the Acting Superintendent, reported as follows:  
From May 24 to May 30, inclusive, thirty-one operations were performed at Bellevue Hospital, six at Gouverneur Hospital, seven at Harlem Hospital and thirteen at Fordham Hospital, at all of which the Attending Surgeons or their Assistants were present.  
During the past week a fire drill was held at each of the hospitals of the Department.  
The following amounts of money were deposited with the City Chamberlain during the month of May:  
For grease, Bellevue Hospital..... \$140 70  
For grease, Fordham Hospital..... 4 96  
For bones, balance due..... 17 57  
For treatment of patients, Bellevue Hospital..... 64 50  
For treatment of patients, Fordham Hospital..... 18 00  
For treatment of patients, Harlem Hospital..... 22 50  
\$268 23

Regarding the matter of caring for the teeth of the children, the operating room adjoining Ward 16, on the fourth floor, is immediately adjacent to one of the children's wards, and is above two of the other children's wards. There is an excellent light in this room, and it is recommended that a dentist's chair be placed there and the necessary dental instruments, and that arrangements be made with the Second Surgical Division regarding the fixing of hours for the Dentist, so that such service may not conflict with the regular surgical service. Should there be need at any time for an emergency operation, there is an operating room belonging to that service on the same floor, with but two wards between. It is recommended that a fairly good tooth brush be purchased, as in the cheaper grades the bristles become loose and are likely to lodge in the gums.  
It is recommended that an advertisement be inserted in the CITY RECORD, calling for bids on 200,000 pounds of potatoes, crop of 1908, which will be required for the remainder of the year.  
On visiting Harlem Hospital yesterday it was found that the sidewalk in One Hundred and Thirty-seventh street, a few feet west of the ambulance stable, was in a very dangerous condition, and Messrs Kelly and Kelley, the contractors, were immediately notified and promised to attend to the matter to-day, June 2.  
Permission has been given to a United States Government Inspector to interview all the patients of foreign birth in this institution, the object being that, if possible, some of them will be deported to their homes.  
Dr. Norris recommends the appointment of Dr. Bowman C. Crowell, who is third on the list of persons eligible for appointment to the position of Pathologist, and his recommendation is indorsed.  
On motion, duly seconded, it was  
Resolved, To refer the matter of purchasing tooth brushes for the children patients to the Superintendent for investigation and report.  
On motion, duly seconded, it was  
Resolved, To insert an advertisement in the CITY RECORD, calling for bids on two hundred thousand pounds of potatoes of the crop of 1908, required by the Department during the remainder of the year 1908  
On motion, duly seconded, it was  
Resolved, To refer the matter of the condition of the sidewalk in One Hundred and Thirty-seventh street to the Superintendent for further report.  
On motion, duly seconded, it was  
Resolved, To request the Superintendent to make inquiries concerning the law applying to the deportation of inmates of public hospitals.  
On motion, duly seconded, it was

Crowell, whose name appears third on the list of persons eligible for appointment to the position of Pathologist, salary, \$1,500 a year, appointment to date from July 2, 1908.

## PROPOSALS FOR BIDS AND ESTIMATES FOR THE CITY OF NEW YORK.

### NOTICE TO CONTRACTORS.

#### GENERAL INSTRUCTIONS TO BIDDERS.

The person or persons making a bid or estimate for any services, work, materials or supplies for The City of New York, or for any of its departments, bureaus or offices, shall furnish the same in a sealed envelope, indorsed with the title of the supplies, materials, work or services for which the bid or estimate is made, with his or their name or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the estimates received will be publicly opened by the President or Board or head of said Department and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, and names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of The City of New York, is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned below.

No bid or estimate will be considered unless, as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The certified check or money should not be enclosed in the envelope containing the bid or estimate, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City.

The contract must be bid for separately. The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Department for which the work is to be done. Plans and drawings of construction work may also be seen there.
