HOUSING PRESERVATION AND DEVELOPMENT

■ PUBLIC NOTICE

NOTICE IS HEREBY GIVEN that the Department of Housing Preservation and Development ("HPD") of the City of New York ("City") has proposed an amendment to the terms of the sale of the following property ("Project Area") previously conveyed by the City in the Borough of the Bronx:

 Address
 Block/Lot(s)

 1172 East Tremont Avenue
 3909/8

 1160 Lebanon Street
 4007/15

The Mayor held a public hearing on April 13, 2011 (Cal. No. 5) and (i) approved the designation of the Disposition Area as an Urban Development Action Area, and (ii) approved the project ("Original Project") as an Urban Development Action Area Project, and (iii) approved the sale of the Disposition Area to Lebanon West Farms Housing Development Corporation ("Sponsor"), pursuant to Article 16 of the General Municipal Law.

This submission requests approval of a proposed amendment ("Amended Project") to the project approved by the Mayor. Under the Original Project, the City sold the Disposition Area to the Sponsor on June 28, 2012 for the nominal price of \$1.00 per tax lot. The Sponsor also delivered an enforcement note and mortgage to the City for the remainder of the Disposition Area's appraised value. The Sponsor was then required to construct three buildings on the Disposition Area containing a total of 140 rental dwelling units plus one unit for a superintendent and approximately 7,444 square feet of commercial space. In 2015, the Sponsor completed the three buildings, but constructed approximately 7,909 square feet of space for commercial or community facility use (instead of 7,444 square feet of space exclusively for commercial use). The Amended Project would include such commercial use. In addition, the Original Project identified the address as 1176 East Tremont Avenue and 1160 Lebanon Street instead of 1172 East Tremont Avenue and 1160 Lebanon Street. The Amended Project, which would include such commercial or community facility use instead of exclusively commercial use and would correct the address, is otherwise the same as the Original Project.

The Amendment to Land Disposition Agreement and Amendment to Project Summary are available for public examination at the office of HPD, 100 Gold Street, Room 5-A4, New York, NY on business days during business hours.

PLEASE TAKE NOTICE that a public hearing will be held on May 25, 2016 at 1 Centre Street, Manhattan, $19^{\rm th}$ Floor, Conference Room at 10:00 A.M., or as soon thereafter as the matter may be reached on the calendar, at which time and place those wishing to be heard will be given an opportunity to be heard concerning the proposed sale of the Disposition Area pursuant to Section 695(2)(b) of the General Municipal Law and Section 1802(6)(j) of the Charter.

Individuals requesting sign language interpreters should contact the Mayor's Office of Contract Services, Public Hearings Unit, 253 Broadway, Room 915, New York, NY 10007, (212) 788-7490, no later

than five (5) business days prior to the public hearing. TDD users should call Verizon relay services.

The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first

complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS) Department for the Aging (DFTA) Department of Consumer Affairs (DCA)

Department of Consumer Affairs (DCA)
Department of Corrections (DOC)
Department of Health and Mental Hygiene (DOHMH)

Department of Probation (DOP)
Department of Small Business Services (SBS)
Department of Youth and Community Development (DYCD)
