BOARDS OF LOCAL IMPROVEMENTS.

BOROUGH OF QUEENS.

The Lecal Board of the Borough of Queens held its regular weekly meeting in the Hackett Building, in the formoon of October 21, 1898, at which was President Frederick Bowley, with Councilman Joseph Cassidy and Alderman William F. James.

Minutes of previous meeting were read and duly approved.

The President called the matter of complaint against the alleged maintenance of smoke nuisance by Long Island Railroad Company, whereupon counsel for said company appeared and addressed the Board in affect, to wit: That it is the desire and aim of the corporation to minumize the objectionable results from the use of soft coal, the use of some being unavoidable by reason of the construction of the grate surfaces in becomotive boilers for bauling freight trains not being sufficient in area to burn hard coal. That some of the fault is to be attributed to the carelessoes of employees in not strictly complying with the rules of the company; and that he was notified this morning that the company would at once issue such orders in relation thereto, the observance of which should aid to reduce the matter complained of in some degree, and ought to be teadily of which should aid to reduce the matter complained of in some degree, and ought to be teadily

observable by those affected thereby; and concluded, that action by the bland thereof be deferred until such time, sufficient for the matter suggested to prove itself beneficial, and the persons who complained he again heard from, when, upon notice given, his company would again out in an appearance before the Board. Thereupon the Board properted to act upon other business, and the representative at the Long Island Raibout Company withdrew. Dr. Kennedy, one of the complainants against the Long Island Raibout Company, who just arrived at this stage, made applicated that he was demand by the representative of the company is relative to the the stage, made applicated in behalf of the company to this Board. He dedicated to the Board that he placed no reliance upon any offers to about the make make make make the fact that the placed no reliance upon any offers to about the make make make the company made such like years ago. That the railroad company had purchased five new engines with fire hous and grate surface space suitable for the birolog of hard cost only, and asked that this Board take the necessary steps in the matter so as in liave it observed property before the Health Board.

On mation of Councillana Classidy, it was ordered that communication be sent to the Long Island Railroad Company, that the complainants are opposed to this Board accepting the offer made by the railroad company's representative as insufficient to about the sunde notatine; and that if matters are not improved satisfactorily by time of next tracting of this Board, an 28th matant, at which the subject will be taken up again, this Board will then and there proved in such manner as may be required in the premises. observable by those affected thereby; and concluded, that action by this Board thereon be defer-

that if matters are not reproved, sanishatorily by time of next meeting of this Basal, an 28th meant, at which the subject will be taken up again, this Board will then and there proceed in such manner as may be required in the promises.

Communication from Department of Health, City of New York, in relation to 19 Barren Island missance," dated October 12, 1898, the concluding paragraph of which is:

"The work will be completed in about eighteen days from date unless it was found necessary to make further changes, as the methods to be used an new and the defects, if any, cannot always be defected until trials are neede from time to time," was read and ordered to be placed on ale. Communication from 1 meptroller, dated 10th instant, in regard to the fallure to proceed with the construction of public as were in Webster avenue, First Ward, Boroucht of Queens, and copy of report of expert accountant relating thereto, were read, ordered received, to be filed, and consuleration thereof laid over to next meeting. Alderman James offered the following, which, on motion, was duly adopted.

Whereas, The trustees of the late Village of Plusting, now in the Third Ward of the Borough of Queens, granted to the New York and West Shore Radway Company a franchise to lay rails on Sanford avenue, near Bowne avenue, through those to Forrest, to Parsons, to Francouna, to Twenty second street to the Cemetery; and

Whereas, It has been stated that such company intends to true its tracks in variance with that as it into the franchise as aforestated, to with Third where such route as thus established interaction of the foreign and that such trackard application of the use of soft avenue, a view of the foregoing and that such trackard application of the use of soft avenue will be definitional to said avenue, a perially in its composition, therefore Resolved, That the Commissioner of Highways be and her in hereby respectfully requested to relate the isomatic of purmit to the New York and West Shore Railway Company to lay its tracks on Quee

Resolved. That the persons named in lists marked "W," "X," "Y," "Z," "AA," "HII" and "CC," be selected and appointed as Inspectors or Election, Poll Clerks and Ballot Clerks, respectively, in the several districts named, in the piace and stead of those previously selected, approved and appointed, who have resigned, failed to qualify, etc.

That said list be approved and ordered on file in the General Bareau of Elections, and the Chief of the Bureau be directed to issue the necessary notices to said persons, and qualify them according to law:
