***GEOGRAPHIC
REPORT***

GEOGRAPHIC REPORT FOR THE CAPITAL BUDGET

On the following pages, the budget, excluding lump sum projects, has been presented by community districts. Lump sum projects, because of their required general or in some cases City-wide or Borough-wide nature, coupled with their need for flexibility to meet emergency or other evolving situations, have been found impractical or impossible of being fragmented to the community district level. Accordingly, these projects have been fragmented into Borough breakdowns only. Listings of all projects can be found in greater detail in Part I of this Executive Capital Budget.

Each of the 59 community districts are identified by borough and number at the head of each table. Reference can be made by consulting the area map provided for each borough.

Facilities Included

All capital facilities have been included in this analysis. Where a definite location for a facility is not known, the project has been shown in the most likely district. However, in some cases the site designation is presently so uncertain that the project was dropped from the analysis.

Estimated Cost and Funds Allocated

The estimate of cost included in the tables is based on current values and is not intended to indicate the eventual cost when construction has been completed. The prior authorization and the proposed FY 2010 allocation is shown in order to indicate the level of funding already committed and proposed for the next fiscal year.

Notes —

1. (B) — Funds for site acquisition are included in a lump sum project.
2. (D) — Funds for design and/or related professional services such as scope preparation, construction supervision, surveying, etc., to be provided from the appropriate lump sum project and/or line project, as necessary.
3. (R) — The project appropriations are to be reduced by these amounts to the extent they are not encumbered.
4. (SC) — Project to be constructed by the State Health and Mental Hygiene Facilities Improvement Corporation.
5. (CUCF) — Project to be constructed by the City University Construction Fund.
6. (P) — Private Funds.
7. (S) — State Funds.
8. (F) — Federal Grants.
9. (CN) — City Non-Exempt Funds.
10. (CX) — City Exempt Funds.
11. (CD) — Community Development Funds.
12. (LP) — Federal Local Public Works Funds.
13. (OT) — Triboro Bridge and Tunnel Authority Funds and/or Port Authority Funds (PT Projects); or Health and Hospitals Corporation Funds (HO Projects).
14. (MAC) — Funded by the Municipal Assistance Corporation.
15. (BPC) — Funded by the Battery Park City Authority.
16. (TC) — Indicates a project whose scope and estimate of cost is currently being developed and is not fully defined at this time.
