### COMMISSIONERS OF THE SINKING FUND OF THE CITY OF NEW YORK.

*Proceedings of the Commissioners of the Sinking Fund, at a Meeting held in the Governor's Room, City Hall, at 2.30 o'clock, p. m., on Wednesday, November 5, 1902.*

Present—Seth Low, Mayor; Edward M. Grout, Comptroller; Elgin R. L. Gould, Chamberlain; Charles V. Fornes, President, Board of Aldermen, and Herbert Parsons, Chairman Finance Committee, Board of Aldermen.

The following communication was received from the Department of Docks and Ferries, relative to a lease to the New York Central and Hudson River Railroad Company, of the franchise for a ferry from the foot of West Forty-second street, in The City of New York, to Weehawken, New Jersey:

NEW YORK, October 17, 1902.

N. TAYLOR PHILLIPS, Esq., *Secretary to the Commissioners of the Sinking Fund:*

SIR—I beg to state that I have agreed, subject to the approval by the Commissioners of the Sinking Fund, to lease to the New York Central and Hudson River Railroad Company, the franchise for a ferry from the foot of West Forty-second street, in The City of New York, to Weehawken, New Jersey, together with the wharf property belonging to the City, assigned to be used in connection with said ferry, upon the following terms and conditions:

First. The New York Central and Hudson River Railroad Company to surrender all its right, title and interest in and to its present franchise and right to operate a ferry from the foot of West Forty-second street, in The City of New York, to Weehawken, New Jersey.

Second. (a) The City to lease to the New York Central and Hudson River Railroad Company the bulkhead extending from the southerly side of West Forty-second street, northerly a distance of about 100 feet, together with the land under water in front thereof, amounting to about 22,630 square feet, to be used in connection with and for the purposes of said ferry, together with the new made land extending inshore from said bulkhead a distance of 50 feet, for a term of ten years from May 1, 1902, with the privilege of a renewal term of ten years; the rental for the first term of ten years to be five (5) per cent. of the gross receipts, but not less than \$12,100 per annum, and the rental for the renewal term to be five (5) per cent. of the gross receipts, but not less than the rate to be fixed at the expiration of the first term of ten years by arbitration, and in no case to be less than \$13,200 per annum.

Second. (b) The City to also lease to the company 100 feet of bulkhead next northerly of the northerly line of West Forty-second street, for the purpose of a second ferry rack, together with the land under water in front thereof, to be used in connection with and for the purposes of said ferry, amounting to about 22,630 square feet, together with the new made land extending inshore from said bulkhead a distance of about 50 feet, for a term commencing when the said 100 feet of bulkhead wall shall be completed and said property taken possession of by the New York Central and Hudson River Railroad Company, and to terminate on May 1, 1912, with the privilege of a renewal for a further term of ten years; the rental for the first term of ten years to be \$6,050 per annum and the rental for the second term to be fixed at the expiration of the first term of ten years by arbitration, but in no case to be less than \$6,600.

Third. The right to run a ferry from the foot of West Forty-second street, in The City of New York to Weehawken, N. J.

Fourth. Payments to be made quarter yearly in advance; when five (5) per cent. of the gross receipts from the ferry shall exceed the sum paid as rent for that year, such excess shall be added to the sum due for rent on the next quarter.

Fifth. Statement of receipts duly verified, to be made to the Commissioner of Docks on a date to be fixed.

Sixth. The lessee to build and maintain all ferry structures and fixtures, etc.

Seventh. The lessee to keep the wharf property dredged, leaving 10 feet at mean low water.

Eighth. The lessee to maintain the wharf property in good repair, and in case of damage, to restore same.

Ninth. The lessee to be responsible for all damage to any person or persons on the property.

Tenth. The lessee to maintain ferry houses and steam ferry boats for the transportation of passengers, carriages, wagons, goods and merchandise, etc., to keep the ferry boats in good repair and to furnish proper implements, tackles and necessities, and to provide suitable gates.

Eleventh. The capacity, safety and comfort of the boats, and the number of daily trips to be made shall be such as the Commissioner of Docks from time to time may prescribe, and if at any time the Commissioner of Docks or the person or persons then performing the duties now exercised by the Commissioner of Docks, shall be of the opinion that the boat or boats furnished by the lessee, or that the number of trips do not conform to the public requirements, he may direct and the lessee shall make such improvements, construct such new boat or boats, or increase the number of trips as in his opinion the service demands.

Twelfth. Boats to be provided with fire pumps and hose and to attend at fires when required, the City to pay the sum of \$20, for each and every hour the boat is so engaged.

Thirteenth. The lessee to comply with all laws and ordinances now in force or hereafter to be made.

Fourteenth. Rates not to exceed those now in force on the present ferry, schedule of which is attached to the lease.

Fifteenth. At the expiration of the lease the lessee may, and upon demand of the City shall, at the cost and expense of the lessee, forthwith remove the buildings, racks, etc., from the wharf property owned by the City, so that there shall be from the bulkhead out, at least 10 feet of water at mean low water.

Sixteenth. The lessee not to assign or sublet without the consent of the Commissioner of Docks.

Seventeenth. The lease not to interfere with any previous grants or right to grant future ferries.

Eighteenth. For non-payment of rent the City may re-enter and lease cease. The Company now pay at the rate of \$11,000 per annum. Under the proposed lease they will pay for practically the same property, \$12,100, per annum, an increase of ten (10) per cent., and at the expiration of the lease will remove the structures, if so ordered, without any claim or compensation therefor.

I am of the opinion that the interest of the City will not be best promoted by leasing the franchise of the ferry by public auction after advertisement and appraisal, in the manner first directed in section 826 of the Greater New York Charter, and therefore recommend the adoption by unanimous vote of the Commissioners of the Sinking Fund of a resolution authorizing the leasing of said franchise and property at the foot of West Forty-second street, to the New York Central and Hudson River Railroad Company by private agreement, upon terms and conditions above stated.

Yours respectfully,

McDOUGALL HAWKES, Commissioner.

I would recommend the approval of this lease upon the terms proposed by the Commissioner of Docks and Ferries.

EUG. E. McLEAN, Engineer, Department of Finance.

November 3, 1902.

In connection therewith the Comptroller offered the following preamble and resolution:

Whereas, Section 826 of the Greater New York Charter provides that the Commissioner of Docks shall have power and is authorized to lease in the name of and for the benefit of The City of New York, in the manner provided by law, the franchise of any ferry or ferries belonging to said City for the highest marketable price or rental, at public auction or by sealed bids, and always after public advertisement and appraisal under the direction of said Commissioner, but not for a term longer than twenty-five years, nor for a renewal for a longer term than ten years; and

Whereas, It is further provided in said section that whenever it may be determined by the unanimous vote of the Commissioners of the Sinking Fund, upon the recommendation of the Commissioner of Docks, that the interests of the City will not be best promoted by leasing the franchise of a ferry in the manner in said section thereinbefore directed, it shall be lawful for said Commissioner of Docks and said Commissioners of the Sinking Fund, by resolutions adopted by such unanimous votes, to lease such franchises by private agreement for terms not exceeding twenty-five years and under such conditions as, in their judgment, will best protect and further the interests of the City and the traveling public; and

Whereas, Under date of October 17, 1902, the Commissioner of Docks has recommended that the interests of the City will not be best promoted by leasing the franchise of the ferry from the foot of West Forty-second street, in The City of New York, over and across the waters of the Hudson or North River, to Weehawken, New Jersey, together with the wharf property belonging to the City assigned to be used in connection with and for the purposes of said ferry, at public auction or by sealed bids, and after public advertisement and appraisal, under the direction of said Commissioner of Docks; now therefore be it

Resolved, That pursuant to the provisions of section 826 of the Greater New York Charter, the Commissioners of the Sinking Fund, by unanimous vote, determine that the interests of The City of New York will not be best promoted by leasing the franchise of the hereinbefore mentioned ferry at public auction, as provided in section 826 of the Greater New York Charter; and it is further

Resolved, That, pursuant to the provisions of section 826 of the Greater New York Charter, the Commissioners of the Sinking Fund, by unanimous vote, hereby approve of and authorize a lease to the New York Central and Hudson River Railroad Company of a franchise to operate a ferry from the foot of West Forty-second street, in The City of New York, over and across the waters of the Hudson or North river, to Weehawken, New Jersey, together with the wharf property belonging to the City assigned to be used in connection with said ferry, upon the following terms and conditions:

1. The New York Central and Hudson River Railroad Company to surrender all its right, title and interest in and to its present franchise and right to operate a ferry from the foot of West Forty-second street, in The City of New York, to Weehawken, New Jersey.

2. (a). The City to lease to the New York Central and Hudson River Railroad Company, the bulkhead extending from the southerly side of West Forty-second street, northerly a distance of about 100 feet, together with the land under water in front thereof, amounting to about 22,630 square feet, to be used in connection with and for the purposes of said ferry, together with the new made land extending inshore from said bulkhead a distance of 50 feet, for a term of ten years from May 1, 1902, with the privilege of a renewal term of ten years; the rental for the first term of ten years to be five (5) per cent. of the gross receipts, but not less than \$12,100 per annum, and the rental for the renewal term to be five (5) per cent. of the gross receipts, but not less than the rate to be fixed at the expiration of the first term of ten years by arbitration, and in no case to be less than \$13,200 per annum.

(b) The City to also lease to the company 100 feet of bulkhead next northerly of the northerly line of West Forty-second street, for the purpose of a second ferry rack, together with the land under water in front thereof, to be used in connection with and for the purposes of said ferry, amounting to about 22,630 square feet, together with the new made land extending inshore from said bulkhead a distance of about 50 feet, for a term commencing when the said 100 feet of bulkhead wall shall be completed and said property taken possession of by the New York Central and Hudson River Railroad Company, and to terminate on May 1, 1912, with the privilege of a renewal for a further term of ten years; the rental for the first term of ten years to be \$6,050 per annum and the rental for the second term to be fixed at the expiration of the first term of ten years by arbitration, but in no case to be less than \$6,600.

3. The right to run a ferry from the foot of West Forty-second street, in The City of New York, to Weehawken, N. J.

4. Payments to be made quarter yearly in advance; when five (5) per cent. of the gross receipts from the ferry shall exceed the sum paid as rent for that year, such excess shall be added to the sum due for rent on the next quarter.

5. Statement of receipts duly verified, to be made to the Commissioner of Docks on a date to be fixed.

6. The lessee to build and maintain all ferry structures and fixtures, etc.

7. The lessee to keep the wharf property dredged, leaving 10 feet at mean low water.

8. The lessee to maintain the wharf property in good repair and in case of damage, to restore same.

9. The lessee to be responsible for all damage to any person or persons on the property.

10. The lessee to maintain ferry houses and steam ferryboats for the transportation of passengers, carriages, wagons, goods and merchandise, etc., to keep the ferryboats in good repair and to furnish proper implements, tackles and necessities, and to provide suitable gates.

11. The capacity, safety and comfort of the boats, and the number of daily trips to be made shall be such as the Commissioner of Docks from time to time may prescribe, and if at any time the Commissioner of Docks or the person or persons then performing the duties now exercised by the Commissioner of Docks, shall be of the opinion that the boat or boats furnished by the lessee, or that the number of trips do not conform to the public requirements, he may direct and the lessee shall make such improvements, construct such new boat or boats, or increase the number of trips as in his opinion the service demands.

12. Boats to be provided with fire pumps and hose and to attend at fires when required, the City to pay the sum of \$20 for each and every hour the boat is so engaged.

13. The lessee to comply with all laws and ordinances now in force or hereafter to be made.

14. Rates not to exceed those now in force on the present ferry, schedule of which is attached to the lease.

15. At the expiration of the lease the lessee may, and upon demand of the City shall, at the cost and expense of the lessee, forthwith remove the buildings, racks, etc., from the wharf property owned by the City, so that there shall be from the bulkhead out, at least 10 feet of water at mean low water.

16. The lessee not to assign or sublet without the consent of the Commissioner of Docks.

17. The lease not to interfere with any previous grants or right to grant future ferries.

18. For non-payment of rent the City may re-enter and lease cease.

And be it further

Resolved, That the Commissioner of Docks is hereby authorized and directed to execute such lease when approved by the Corporation Council.

Which was unanimously adopted.

The following communication was received from the Department of Docks and Ferries, submitting for approval three maps or plans for the improvement of the water-front in the Borough of Richmond, as follows:

1. At the foot of Vanderbilt avenue, Clifton.
2. Between Richmond avenue and Ferry street, Port Richmond.
3. At or near the foot of South street, St. George.

NEW YORK, October 23, 1902.

Hon. EDWARD M. GROUT, Comptroller of The City of New York:

SIR—The Commissioner has this day,

Ordered, That the map or plan submitted by the Engineer-in-Chief for the improvement of the water front at Vanderbilt avenue, Clifton, in the Borough of Richmond, be and is hereby approved and directed to be transmitted to the Commissioners of the Sinking Fund for their approval.

Ordered, That the map or plan submitted by the Engineer-in-Chief for the improvement of the water front at Port Richmond, in the Borough of Richmond, be and is hereby approved and directed to be transmitted to the Commissioners of the Sinking Fund for their approval.

Ordered, That the map or plan submitted by the Engineer-in-Chief for the improvement of the water front at South street, New Brighton, Borough of Richmond, be and hereby is approved and directed to be transmitted to the Commissioners of the Sinking Fund for their approval.

The proposed improvement in the vicinity of Vanderbilt avenue, at Clifton, in the Borough of Richmond, consists in establishing an area of land under water for the proposed ferry structures. The area so established is a strip 100 feet wide, extending from the present bulkhead to Vanderbilt avenue, easterly to the pierhead line established by the Secretary of War in 1889; its centre line running from the easterly prolongation of the centre line of that portion of Vanderbilt avenue, which lies easterly of Bay street, all as shown on the accompanying map submitted herewith in duplicate.

The proposed plan for improving the water front in the vicinity of Richmond avenue, Port Richmond, Borough of Richmond, comprises establishing a bulkhead line, a marginal street, wharf or place and an area of land under water for ferry structures.

The proposed bulkhead line begins at a point in the bulkhead line established by the Secretary of War in 1890, said point being at the intersection of the northerly prolongation of the easterly line of Broadway and the said bulkhead line, running thence westerly in the westerly continuation of the bulkhead line established by the Secretary of War in 1890, until it intersects a line drawn at right angles with that portion of Richmond avenue lying northerly of the Richmond Terrace; thence westerly along said line drawn at right angles with Richmond avenue to the easterly side of Ferry street, and passing through a point in the westerly side of said Richmond avenue distant 230.69 feet northerly from the present or existing corner of Richmond avenue and Richmond Terrace, as shown on the accompanying maps.

The proposed marginal street, wharf or place will be 100 feet in width, bounded on the outshore side by the above described bulkhead line on the inshore side by a line drawn parallel therewith and 100 feet distant southerly therefrom, and extending from the westerly side of Richmond avenue to the easterly side of Ferry street.

The area of land under water proposed for ferry structures is bounded on the easterly side by the northerly prolongation of the westerly side of Richmond avenue, on the westerly side by the northerly prolongation of the southerly side of Ferry street, and extends from the above described bulkhead line northerly to the pierhead line established by the Secretary of War in 1890.

All of the above, as shown on the accompanying map submitted herewith in duplicate.

The proposed improvement of the water front in the vicinity of St. George, near the foot of South street, in the Borough of Richmond, consists in establishing a marginal street, wharf or place, and an area of land under water for the proposed ferry structures, as follows:

That marginal street, wharf or place begins at a point on the bulkhead line established by the Secretary of War in 1889, where the centre line of South street intersects the same, running thence westerly along the centre line of South street 230 feet; thence northerly on a line at right angles with the centre line of South street 33 feet, more or less, to the northerly line of South street; thence northeasterly 172 feet to a point in a line drawn parallel with the said bulkhead line and distant 100 feet westerly therefrom; thence northerly along said parallel line 180 feet; thence northeasterly in a straight line to a point in a line drawn parallel with the said centre line of South street and distant 400 feet northerly therefrom, said point being 50 feet westerly of the said bulkhead line; thence easterly along said line drawn parallel with the centre line of South street and 400 feet northerly therefrom 50 feet to the bulkhead line established by the Secretary of War in 1889; thence southerly along said bulkhead line to the point or place of beginning.

The area of land under water proposed for ferry structures is bounded and described as follows:

Beginning at a point on the bulkhead line established by the Secretary of War in 1889, where the centre line of South street intersects the same; thence running northerly along said bulkhead line to a line drawn parallel with the centre line of

said South street, and distant 400 feet northerly therefrom; thence easterly along said parallel line to the pierhead line established by the Secretary of War in 1889; thence southerly along said pierhead line to the intersection of the easterly prolongation of the centre line of said South street; thence westerly along said prolongation of the centre line of South street to the point or place of beginning.

All of which is shown on the map accompanying and submitted herewith in duplicate.

Respectfully,

McDOUGALL HAWKES, Commissioner.

In connection therewith the Comptroller presented the following report of the Engineer of the Department of Finance and offered the following resolutions:

October 27, 1902.

Hon. EDWARD M. GROUT, Comptroller:

SIR—Hon. McDougall Hawkes, Commissioner of Docks and Ferries, in a communication dated October 23, 1902, to the Commissioners of the Sinking Fund, submits for their approval three maps or plans for the improvement of the water front, in the Borough of Richmond, as follows:

First—At the foot of Vanderbilt avenue, Clifton: A strip 100 feet in width, extending from the present crib bulkhead to the pierhead line established by the Secretary of War in 1889, a distance of about 1,475 feet, which is designated as an area proposed for ferry structures.

Second—Between Richmond avenue and Ferry street, at Port Richmond, a bulkhead line is established and a marginal street behind the same, 100 feet in width. The west side of Richmond avenue and the east line of Ferry street are extended to the pierhead line established in 1890, and the area included between these lines of the streets named and the new bulkhead line is that proposed for ferry structures.

This improvement immediately adjoins the present terminus of the ferry to Bergen Point, located at the foot of Richmond avenue.

Third—At or near the foot of South street, St. George. It is proposed to establish a marginal street, 100 feet in width, and connecting with South street by a plaza, in front of which, between the bulkhead line and pierhead line, as established in 1889, a plot of land under water 400 feet in width, is reserved for proposed ferry structures.

The object of the Department is to acquire this property by condemnation proceedings, and it will then be in a position to control both ends of any ferry, the franchise of which may be sold hereafter.

I see no reason to object to the plans as submitted, and would recommend that the same be approved by the Commissioners of the Sinking Fund, pursuant to the provisions of section 819 of the Charter.

Respectfully,

EUG. E. McLEAN, Engineer.

Resolved, That, pursuant to the provisions of section 819 of the amended Greater New York Charter, the Commissioners of the Sinking Fund hereby approve of the map or plan for the improvement of the water front and harbor of The City of New York, in the vicinity of South street, St. George, Borough of Richmond, adopted by the Department of Docks and Ferries October 22, 1902, and submitted with a communication dated October 23, 1902.

Resolved, That, pursuant to the provisions of section 819 of the amended Greater New York Charter, the Commissioners of the Sinking Fund hereby approve of the map or plan for the improvement of the water front and harbor of The City of New York, between Richmond avenue and Ferry street, Port Richmond, Borough of Richmond, adopted by the Department of Docks and Ferries October 22, 1902, and submitted with a communication dated October 23, 1902.

Resolved, That, pursuant to the provisions of section 819 of the amended Greater New York Charter, the Commissioners of the Sinking Fund hereby approve of the map or plan for the improvement of the water front and harbor of The City of New York, in the vicinity of Vanderbilt avenue, Clifton, Borough of Richmond, adopted by the Department of Docks and Ferries October 22, 1902, and submitted with a communication dated October 23, 1902.

The report was accepted and the resolutions unanimously adopted.

The Comptroller brought up for hearing the matter of the application of the Board of Education for a lease of premises Nos. 438, 440 and 442 Clinton street, southwest corner of Carroll street, Borough of Brooklyn.

The Hon. Patrick Keady and Mr. F. K. Winslow appeared before the Board with a delegation of property owners and were heard at length in opposition to the proposed lease.

Mr. M. J. Kennedy, of the Board of Education, and Mr. Charles E. Woodbridge, Chairman of the Local School Board, both spoke in support of the application, and explained the circumstances which led up to the selection of this property. Discussion followed.

The Comptroller explained the necessity for providing immediate accommodations for the large number of children who are now only in part-time classes, and suggested that the matter lay over until the next meeting. In the meantime the property owners could co-operate with the Local School Board with the view of finding other suitable quarters and submit a list of such places as can be found with particulars, before next Monday.

On motion, the matter was laid over.

The Comptroller brought up for hearing the matter of the proposed lease to the Hoboken Ferry Company of a ferry franchise from a point between Twenty-second and Twenty-third streets, North river, over and across the waters of the North or Hudson river, to and from Fourteenth street, Hoboken, N. J.

Mr. Ross, representing the Delaware, Lackawanna and Western Railroad Company, and Mr. Coleman, the Vice-President of the company, were heard, and stated in substance that they desired to become a lessee of sufficient space on the water front to enable them to establish a ferry at or near Twenty-third street for the exclusive use of the patrons of their railroad—that they were willing to bid for one of the slips proposed to be leased to the Hoboken Ferry Company, but that if the Dock Commissioner could arrange for a third slip they would have no objection whatever to a lease to the Hoboken Ferry Company.

Mr. Albert Boardman, representing the Hoboken Ferry Company, replied to the arguments of the representative of the Delaware, Lackawanna and Western, and called attention to the fact that the Hoboken Ferry Company was induced to consent to a cancellation of its lease of the bulkhead at the foot of West Fourteenth street, which lease did not expire until March 1, 1905, upon the representation of the Dock Department that it would be given other quarters at or near Twenty-third street, and that the City was therefore under moral obligation to carry out its agreement.

Discussion followed.

Dock Commissioner Hawkes presented a plan whereby three slips could be provided for south of the Erie Railroad Ferry, but that it would entirely eliminate the use of the north side of the sixty-foot pier between Twenty-first and Twenty-second streets as shown on the plan, and in consequence a third slip would have a greater

value than a proportionate amount of the two proposed to be leased to the Hoboken Ferry Company.

The suggestion was then made that the Hoboken Ferry Company take the two slips nearest to Twenty-third street, and the Delaware, Lackawanna and Western take the other slip; the rental for each slip to be the same.

This suggestion was agreeable to all parties interested and the matter was referred back to the Dock Department for the purpose of presenting a plan for this improvement, and proposed leases to the Hoboken Ferry Company and the Delaware, Lackawanna and Western Railroad Company.

The following resolutions were received from the Board of Education relative to lease of premises corner One Hundred and Forty-fourth street and St. Ann's avenue, Borough of The Bronx:

Resolved, That so much of the report and resolution adopted by the Board of Education on July 30, 1902 (see Journal, page 1649), as relates to the lease of the store floor and part of cellar in the building on the northwest corner of One Hundred and Forty-fourth street and St. Ann's avenue, Borough of The Bronx, be and the same is hereby rescinded; and be it further

Resolved, That the Commissioners of the Sinking Fund be and they are hereby requested to authorize a lease of the store floor (about 23 by 50 feet) and part of cellar (about 12 feet by 24 feet 6 inches) in the building on the northwest corner of One Hundred and Forty-fourth street and St. Ann's avenue, Borough of The Bronx, for one year from October 15, 1902, with the privilege of renewal for an additional year, at an annual rental of \$420. The Board of Education to give three months' notice in writing of intention to exercise the option of renewal; the landlord to have the privilege to have the privilege of placing "to let" sign on the premises three months preceding expiration of lease; the Board of Education to make all repairs; the Board of Education not to remove any improvements which may be fixed to the building, except school desks and seats, blackboards, etc.; the Board of Education to make no alterations to the property except on receiving the written consent of the owner, Wm. W. Caswell, care of Warren & Skillen, agents, No. 96 Broadway, Borough of Manhattan.

A true copy of resolutions adopted by the Board of Education on October 22, 1902.

A. EMERSON PALMER, Secretary, Board of Education.

In connection therewith the Comptroller presented the following report and offered the following resolutions:

October 28, 1902.

Hon. EDWARD M. GROUT, Comptroller:

SIR—The Board of Education, by resolution adopted October 22, 1902, rescinded its previous action of July 30, 1902, relating to the lease of the store floor and part of the cellar in the building on the northwest corner of One Hundred and Forty-fourth street and St. Ann's avenue, Borough of The Bronx, and adopted the following resolution:

"Resolved, That the Commissioners of the Sinking Fund be and they are hereby requested to authorize a lease of the store floor (about 23 by 50 feet) and part of cellar (about 12 feet by 24 feet 6 inches) in the building on the northwest corner of One Hundred and Forty-fourth street and St. Ann's avenue, Borough of The Bronx, for one year from October 15, 1902, with the privilege of renewal for an additional year, at an annual rental of \$420; the Board of Education to give three months' notice in writing of intention to exercise the option of renewal; the landlord to have the privilege of placing "to let" sign on the premises three months preceding expiration of lease; the Board of Education to make all repairs; the Board of Education not to remove any improvements which may be fixed to the building, except school desks and seats, blackboards, etc.; the Board of Education to make no alterations to the property, except on receiving the written consent of the owner, Wm. W. Caswell, care of Warren & Skillen, agents, No. 96 Broadway, Borough of Manhattan."

On August 9, 1902, I reported favorably on this lease, and the same was approved by resolution of the Commissioners of the Sinking Fund, August 21, 1902.

I see no objection to the new conditions which the Board of Education has agreed to incorporate in the lease as now submitted.

These conditions require the Board of Education to give three months' notice in writing of intention to exercise the option of renewal, to make all repairs; not to remove any improvements which may be fixed to the building, except school desks, seats, blackboards, etc., and to make no alterations to the property except on receiving the written consent of the owner; and the owner to have the privilege of placing "to let" sign on the premises three months preceding expiration of the lease. The term of the lease is to begin October 15, 1902, instead of "from date of occupation" as in previous resolutions.

I would therefore recommend that the Commissioners of the Sinking Fund rescind their resolution of August 21, 1902, and authorize the lease upon the terms as now proposed.

Respectfully,  
EUG. E. McLEAN, Engineer.

Approved:  
EDWARD M. GROUT, Comptroller.

Resolved, That that portion of the resolution adopted by the Commissioners of the Sinking Fund at meeting held August 21, 1902, as relates to a lease of the store floor and a part of the cellar of the building on the northwest corner of One Hundred and Forty-fourth street and St. Ann's avenue, Borough of the Bronx, for the use of the Board of Education, be and the same is hereby rescinded.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Board of Education, of a lease to the City from William W. Caswell, of the store floor (about 23 by 50 feet) and a part of the cellar (about 12 feet by 24 feet 6 inches), in the building on the northwest corner of One Hundred and Forty-fourth street and St. Ann's avenue, Borough of The Bronx, for a term of one year from October 15, 1902, with the privilege of a renewal for an additional year, at an annual rental of four hundred and twenty dollars (\$420), payable quarterly; the Board of Education to give three months' notice in writing of its intention to exercise the option of renewal; the landlord to have the privilege of placing "to let" signs on the premises three months preceding the expiration of the lease; the Board of Education to make all repairs; the Board of Education not to remove any improvements which may be fixed to the building, except school desks and seats, blackboards, etc.; the Board of Education to make no alterations to the property except on receiving the written consent of the owner—the Commissioners of the Sinking Fund deeming the said rent fair and reasonable, and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolutions unanimously adopted.

The following resolutions were received from the Board of Education relative to the lease of premises corner Hamburg avenue and Cornelia street, Borough of Brooklyn:

Resolved, That the resolution adopted by the Board of Education on July 7, 1902 (see Journal, page 1461), recommending that the one-story four-room wooden structure, with suitable sanitary arrangements, to be erected on a plot of ground 100 by 100 feet, situated on the corner of Hamburg avenue and Cornelia street, Borough of Brooklyn, be leased for school purposes, for five years from the date of occupancy, at an annual rental of \$900 and water tax, be and it is hereby rescinded; and be it further

Resolved, That the Commissioners of the Sinking Fund be and they are hereby requested to authorize a lease to be entered into with Augusta Gomer for a one-story-four-room wooden structure, with suitable sanitary arrangements, to be erected on a plot of ground 100 by 100 feet, situated on the corner of Hamburg avenue and Cornelia street, Borough of Brooklyn, according to plans and specifications

to be prepared by the Board of Education, for a term of five years from the date of occupancy, with the privilege of renewal for an additional five years, at an annual rental of \$900 and water tax, provided the building does not cost more than \$3,000, and \$60 additional per year for each \$1,000; the said building may cost over \$3,000 up to \$5,000. The Board of Education to keep the premises in repair, to furnish light, heat and janitor service, to have the privilege of renewal of the lease upon three months' notice of its intention to renew, the ground rent to begin when the structure is completed; a clause to be inserted that the construction of the building shall be prosecuted expeditiously as soon as plans are furnished by the Board of Education, and that such plans are to be furnished within two weeks after the lease is signed. The Board of Education to have the option at any time during the continuance of the lease, to purchase the site for the sum of \$10,000 in addition to the amount which may have been expended in constructing the building.

In connection therewith the Comptroller presented the following report and offered the following resolutions:

October 28, 1902.

Hon. EDWARD M. GROUT, Comptroller:

SIR—The Board of Education, at a meeting of October 22, 1902, adopted the following resolution in relation to leasing premises on the corner of Hamburg avenue and Cornelia street, Borough of Brooklyn:

I would report that the resolution to be rescinded was adopted by the Board of Education on July 7, 1902, and approved by the Commissioners of the Sinking Fund on July 17, 1902. The new resolution is exactly similar to the former resolution, except the following additional clause:

"The Board of Education to keep the premises in repair, to furnish light, heat and janitor service, to have the privilege of renewal of the lease upon three months' notice of its intention to renew, the ground rent to begin when the structure is completed; a clause to be inserted that the construction of the building shall be prosecuted expeditiously as soon as plans are furnished by the Board of Education, and that such plans are to be furnished within two weeks after the lease is signed."

On July 16, 1902, in my report on the original resolution, I stated that the terms and conditions were just and reasonable; the additional clause I consider advantageous to the City and think the Commissioners of the Sinking Fund can properly rescind their former resolution adopted on July 17, 1902, and authorize a lease of the premises under the terms and conditions approved by the Board of Education.

Respectfully,  
EUG. E. McLEAN, Engineer.

Approved:  
EDWARD M. GROUT, Comptroller.

Resolved, That the resolution adopted by this Board at meeting held July 17, 1902, authorizing a lease to the City of premises on the corner of Hamburg avenue and Cornelia street, Borough of Brooklyn, for the use of the Board of Education, be and the same is hereby rescinded.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Board of Education, of a lease to the City from Augusta Gomer, of a one-story, four-room, wooden structure, with suitable sanitary arrangements, to be erected on a plot of ground one hundred (100) by one hundred (100) feet, situated on the corner of Hamburg avenue and Cornelia street, Borough of Brooklyn, according to the plans and specifications to be prepared by the Board of Education, for a term of five years from the date of occupation, with the privilege of a renewal for an additional five years at an annual rental of nine hundred dollars (\$900) and water tax, providing the building does not cost more than three thousand dollars (\$3,000), and sixty dollars (\$60) additional per year for each one thousand dollars the said building may cost over three thousand dollars up to five thousand dollars; the Board of Education to have the option at any time during the continuance of the lease to purchase the site for the sum of ten thousand dollars (\$10,000) in addition to the amount which may have been expended in constructing the building; the Board of Education to keep the premises in repair, to furnish light, heat and janitor's service; to have the privilege of renewal of the lease upon three months' notice of its intention to renew, the ground rent to begin when the structure is completed; a clause to be inserted that the construction of the building shall be prosecuted expeditiously, as soon as the plans are furnished by the Board of Education, and that such plans are to be furnished within two weeks after the lease is signed; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolutions unanimously adopted.

The following report and resolution were received from the Board of Education relative to a lease of premises corner Pitkin avenue and Watkins street, Borough of Brooklyn:

To the Board of Education:

The Committee on Buildings respectfully reports that the City Superintendent of Schools called attention to the necessity for additional accommodations at Public School 84, Borough of Brooklyn, and after a thorough investigation, the best obtainable room in that vicinity was found to be the first floor of the premises on the southeast corner of Pitkin avenue and Watkins street, which will afford four kindergarten rooms as an annex to Public School 84.

The following resolution is therefore submitted for adoption:

Resolved, That the Commissioners of the Sinking Fund be and they are hereby requested to authorize the lease of the first floor of the premises on the southeast corner of Pitkin avenue and Watkins street, Borough of Brooklyn, as an annex to Public School 84, for one year from November 17, 1902, at an annual rental of \$1,200 (twelve hundred dollars), with the privilege of renewal for an additional year on the same terms. The owners, the Hebrew Educational Society, of Brooklyn, S. F. Rothschild, President, No. 241 Hancock street, Brooklyn, to furnish light, heat and janitor's services, and to make exterior repairs. The Board of Education to give 90 days' notice of its intention to renew the lease.

A. EMERSON PALMER, Secretary, Board of Education.

In connection therewith the Comptroller presented the following report and offered the following resolution:

October 28, 1902.

Hon. EDWARD M. GROUT, Comptroller:

SIR—The Board of Education, by resolution adopted October 22, 1902, requested the Commissioners of the Sinking Fund to authorize a lease of the first floor of the premises on the southeast corner of Pitkin avenue and Watkins street, Borough of Brooklyn, as an annex to Public School 84, for one year from November 17, 1902, at an annual rental of \$1,200, with the privilege of renewal for an additional year, on the same terms. The owners, the Hebrew Educational Society of Brooklyn, S. F. Rothschild, President, No. 241 Hancock street, Borough of Brooklyn, to furnish light, heat and janitor service, and to make exterior repairs. The Board of Education to give ninety days' notice of its intention to renew the lease.

I have caused an examination of the premises to be made, and would report that the same consist of one large room, 48 feet by 85 feet, with a 12-foot ceiling, affording 4,080 square feet of floor space. The building is of brick, four stories in height, and is used exclusively for educational purposes.

The Committee on Buildings of the Board of Education reports that the City Superintendent of Schools has called attention to the necessity for additional accommodations for Public School 84, Borough of Brooklyn, and after a thorough investigation, this was found to be the best obtainable room in this vicinity. The annual rental of \$1,200 gives a rate per square foot of about 30 cents.

I am of the opinion that the terms proposed are reasonable and just, and that the same may properly receive the approval of the Commissioners of the Sinking Fund.

Respectfully,

EUG. E. McLEAN, Engineer.

Approved:

EDWARD M. GROUT, Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Board of Education, of a lease to the City from the Hebrew Educational Society of Brooklyn, of the first floor of the premises on the southeast corner of Pitkin avenue and Watkins street, Borough of Brooklyn, for use as an Annex to Public School No. 84, for a term of one year from November 17, 1902, at an annual rental of twelve hundred dollars (\$1,200), payable quarterly, with the privilege of a renewal for an additional year on the same terms; the owners to furnish light, heat and janitor's service, and make exterior repairs; the Board of Education to give ninety days' notice of its intention to renew the lease—the Commissioners of the Sinking Fund deeming the said rent fair and reasonable, and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution unanimously adopted.

The Comptroller presented the following report and offered the following resolution relative to a lease of premises corner One Hundred and Forty-eighth street and St. Ann's avenue, Borough of The Bronx, for the use of the Board of Education:

October 24, 1902.

Hon. EDWARD M. GROUT, Comptroller:

SIR—The Board of Education, by resolution adopted October 15, 1902, requested the Commissioners of the Sinking Fund to authorize a lease of the store floor of the premises on the northwest corner of One Hundred and Forty-eighth street and St. Ann's avenue, Borough of The Bronx, for kindergarten purposes, for a term of one year from the date of occupation, with the privilege of a renewal for an additional year, at an annual rental of \$480; owner, John Bannen, No. 105 East One Hundred and Fourteenth street.

I have caused an examination of the premises to be made, and would report that the store is on the first floor of a five-story brick apartment house. It is 22 feet 6 inches in width and 41 feet in depth, containing about 923 square feet of floor space, which, at the rental asked, gives a rate of 52 cents per square foot per annum.

I am of the opinion that the proposed rental is too high; that \$420 per annum would be full rental value for the premises, and I would recommend that if the owner will not agree to accept such rental, the Board of Education be requested to select other quarters.

Respectfully,

EUG. E. McLEAN, Engineer.

Approved:

EDWARD M. GROUT, Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Board of Education, of a lease to the City from John Bannen, of the store floor of premises on the northwest corner of One Hundred and Forty-eighth street and St. Ann's avenue, Borough of The Bronx, for kindergarten purposes, for a term of one year from the date of occupation, with the privilege of a renewal for an additional year, at an annual rental of four hundred and twenty dollars (\$420), payable quarterly—the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made; and

Resolved, That in the event of the owner's refusing to accept these terms, the Board of Education be and is hereby requested to select other quarters.

The report was accepted and the resolution unanimously adopted.

The Comptroller presented the following report and offered the following resolution relative to a lease of premises corner Rockaway avenue and Somers street, Borough of Brooklyn, for the use of the Board of Education:

October 24, 1902.

Hon. EDWARD M. GROUT, Comptroller:

SIR—The Board of Education, by resolution adopted October 15, 1902, requests the Commissioners of the Sinking Fund to authorize a lease of the store floor on the first story of the premises, on the southeast corner of Rockaway avenue and Somers street, Borough of Brooklyn, to be used as an annex to Public School 73 (Rockaway avenue corner McDougal street) for a term of one year at an annual rental of \$600, with the privilege of renewal for an additional year, at the same rate; the owner, Valentine Schmidt, to paint the interior of the store three coats.

I have caused an examination of said premises to be made, and would report that they consist of a store on the first floor of a four-story brick apartment house, with a floor area of about 1,608 square feet, having a frontage of 74 feet on Rockaway avenue, by a depth of 23 feet and 9 inches on one side, and 17 feet and 6 inches on the other. The rate per square foot per annum is 37 cents.

I am of the opinion that the terms of the proposed lease are reasonable and just, and that the same may properly receive the approval of the Commissioners of the Sinking Fund.

Respectfully,

EUG. E. McLEAN, Engineer.

Approved:

EDWARD M. GROUT, Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Board of Education, of a lease to the City from Valentine Schmidt, of the store floor on the first story of the premises on the southeast corner of Rockaway avenue and Somers street, Borough of Brooklyn, to be used as an annex to Public School No. 73, for a term of one year from the date of occupation at an annual rental of six hundred dollars (\$600), payable quarterly, with the privilege of renewal for an additional year at the same rate; the owner to paint interior of the store with three coats of paint—the Commissioners of the Sinking Fund deeming the said rent fair and reasonable, and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution unanimously adopted.

The Comptroller presented the following report and offered the following resolution relative to a lease of premises No. 28 Macdougall street, Borough of Manhattan, for the use of the Board of Education:

October 28, 1902.

Hon. EDWARD M. GROUT, Comptroller:

SIR—The Board of Education, by resolution adopted October 15, 1902, and by a resolution of October 22, 1902, amending the same, requested the Commissioners of the Sinking Fund to authorize a lease of the premises No. 28 Macdougall street, Borough of Manhattan, for kindergarten purposes, from November 1, 1902, to May 1, 1903, at an annual rental of \$420, with the privilege of a renewal to May 1, 1904, on the same terms. The lessor, The University Settlement Society of New York, to furnish heat, light and janitor service.

I have caused an examination of the premises to be made, and find that they consist of a three-story and basement, high-stoop brick dwelling, 25 feet by 45 feet, with an extension 12 feet by 12 feet, of two stories and basement, on a lot 25 feet by 100 feet, known on the assessment map as Lot No. 16, Block 504, section 2, having an assessed valuation of \$9,000.

The house, with the extension, contains sixteen rooms, and the rental asked, viz., \$420 per annum, is very low, being only a little over 4½ per cent. on the assessed valuation.

I am of the opinion that the terms are reasonable and just, and I would therefore recommend that the lease be authorized by the Commissioners of the Sinking Fund upon the terms proposed.

Respectfully,

EUG. E. McLEAN, Engineer.

Approved:

EDWARD M. GROUT, Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Board of Education, of a lease to the City from the University Settlement Society of New York, of the premises No. 28 Macdougall street, Borough of Manhattan, for kindergarten purposes, from November 1, 1902, to May 1, 1903, at a rental at the rate of four hundred and twenty dollars (\$420) per annum, payable quarterly, with the privilege of a renewal to May 1, 1904, on the same terms, the owners to furnish light, heat and janitor's service—the Commissioners of the Sinking Fund deeming the said rent fair and reasonable, and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution unanimously adopted.

The following report and resolution were received from the Board of Education relative to a lease of premises No. 624 Fifth street, Borough of Manhattan:

To the Board of Education:

The Committee on Buildings respectfully reports that the City Superintendent of Schools called attention to the necessity for additional accommodations at Public School 105, Borough of Manhattan, and after a thorough investigation the best obtainable building in the vicinity was found to be the premises at No. 624 Fifth street. The following resolution is therefore submitted for adoption:

Resolved, That the Commissioners of the Sinking Fund be and they are hereby requested to authorize a lease of the premises No. 624 Fifth street, Borough of Manhattan, to be used as an annex to Public School 105, for a term of two years from November 17, 1902, at an annual rental of \$3,000, with the privilege of renewal for an additional year at the same rental. The owners, the Educational Alliance, East Broadway and Jefferson street, Isidor Straus, President, to furnish light, heat and janitor's service, to make repairs and to have the use of the premises after 3.30 p. m. each day; the Board of Education to maintain a kindergarten on the premises, in addition to such other classes as it may determine, and to give ninety days' notice of its intention to renew the lease.

A true copy of report and resolution adopted by the Board of Education on October 22, 1902.

A. EMERSON PALMER, Secretary Board of Education.

In connection therewith the Comptroller presented the following report:

October 31, 1902.

Hon. EDWARD M. GROUT, Comptroller:

SIR—The Board of Education by resolution adopted October 22, 1902, requests the Commissioners of the Sinking Fund to authorize a lease of the premises No. 624 Fifth street, Borough of Manhattan, to be used as an annex to Public School 105, for a term of two years from November 7, 1902, at an annual rental of \$3,000, with the privilege of a renewal for an additional year, at the same rental. Owners, The Educational Alliance, East Broadway and Jefferson street, Isidor Straus, President; to furnish light, heat and janitor service, to make repairs and to have the use of the premises after 3.30 p. m. each day. The Board of Education to maintain a kindergarten on the premises, in addition to such other classes as it may determine, and to give ninety days' notice of its intention to renew the lease.

I have caused an examination of the premises to be made, and would report that they consist of a three-story and basement, high stoop, brick building 24 feet 9 inches by 80 feet, on a lot 24 feet 9 inches by 96 feet ½ inch, known on the assessment map as Lot No. 22, on Block 387, in section 2, Borough of Manhattan. Assessed valuation, \$14,000.

The building is already equipped and furnished for school purposes, contains ten rooms, suitable for class rooms, exclusive of apartments reserved for the use of a janitor.

The Committee on Buildings of the Board of Education reports that the City Superintendent of Schools has called attention to the necessity for additional accommodations for Public School 105 (which is on the north side of East Fourth street, between Avenues B and C, immediately in the rear of these premises), and after a thorough investigation this was found to be the best obtainable building in the vicinity.

I am of the opinion that the terms of the proposed lease are excessive; that an annual rental of said premises, including light, heat and janitor service, should not exceed \$2,000 for a term of two years, with the privilege of renewal for an additional year.

The entire basement floor and one room on the third floor are reserved for the use of the janitor; also the lessor is to have the use of the premises after 3.30 p. m. each day.

Respectfully,

EUG. E. McLEAN, Engineer.

Approved:

EDWARD M. GROUT, Comptroller.

Referred back to the Board of Education.

The following resolution was received from the Board of Education relative to an amendment to resolution authorizing a lease of premises known as McCaddin Hall, Berry street, near South Third street, Brooklyn:

Resolved, That the resolution of the Committee on Buildings adopted on June 18, 1902 (see Journal, page 1155), requesting the Commissioners of the Sinking Fund to authorize a lease of four rooms in the front part of the building known as McCaddin Hall, Berry street, near South Third street, Brooklyn, for the use of the Eastern District High School, at an annual rental of \$2,000, including light, heat and janitor's services, be, and it is hereby, amended by adding the clause "and taxes, if any, the property at the present time not being assessed."

A true copy of resolution adopted by the Executive Committee of the Board of Education on September 17, 1902.

A. EMERSON PALMER, Secretary, Board of Education.

I see no reason why the request to insert a clause as above should be granted. The property is exempt from taxation on account of its use for educational purposes. The City only proposes to use a part of the building, and as long as the remainder is used by the church people for educational purposes the property will not be assessed. I would recommend that the application for the insertion of this clause be denied.

EUG. E. McLEAN, Engineer, Department of Finance.

October 31, 1902.

Application denied.

The following report and resolution were received from the Board of Education, relative to a lease of the Sunday school room and basement in the Mott Avenue

M. E. Church, Mott avenue and One Hundred and Fiftieth street, Borough of The Bronx.

*To the Executive Committee:*

The Committee on Buildings respectfully reports that an effort has been made to find buildings suitable for school purposes in crowded sections of the City, and of those investigated in the Borough of The Bronx, the Sunday-school room and basement in the Mott Avenue Methodist Episcopal Church, Mott avenue and One Hundred and Fiftieth street, have been selected as affording suitable accommodations, having been formerly leased by the Board of Education for school purposes.

The premises in question will afford six classrooms, with ample wardrobe accommodations, etc., and are considered suitable for school purposes. The rental asked, \$3,000 per year, as it includes water tax, light, heat and janitor's services, is considered reasonable.

The City Superintendent has recommended that the premises be hired, as there are part-time classes in two schools in the neighborhood, Public Schools 115 and 167.

Your committee would therefore recommend that the rooms in question be hired for one year from date of occupancy, with the privilege of renewal from date of expiration to July 1, 1904.

The following resolution is submitted for adoption:

Resolved, That the Commissioners of the Sinking Fund be and they are hereby requested to authorize a lease of the Sunday-school room and basement in the Mott Avenue Methodist Episcopal Church, Mott avenue and One Hundred and Fiftieth street, Borough of The Bronx, for one year from the date of occupation, at an annual rental of \$3,000, including water, tax, light, heat and janitor's services, with the privilege of renewal on the same terms from the date of expiration to July 1, 1904. Trustees, Mott Avenue Methodist Episcopal Church, owners.

A true copy of report and resolution adopted by the Executive Committee of the Board of Education on October 15, 1902.

A. EMERSON PALMER, Secretary, Board of Education.

In connection therewith the Comptroller presented the following report and offered the following resolution:

October 31, 1902.

Hon. EDWARD M. GROUT, Comptroller:

SIR—The Board of Education, by resolution adopted October 15, 1902, requests the Commissioners of the Sinking Fund to authorize a lease of the Sunday-school room and the basement in the Mott Avenue Methodist Episcopal Church, Mott avenue and One Hundred and Fiftieth street, Borough of The Bronx, for one year from the date of occupation, at an annual rental of \$3,000, including water tax, light, heat and janitor service, with the privilege of a renewal on the same terms, from the date of expiration to July 1, 1904. Lessors, trustees of Mott Avenue Methodist Episcopal Church, to have the privilege of using the premises when not required for school purposes.

I have caused an examination of the premises to be made, and would report that they are exceptionally fine quarters for a school. They were leased and occupied by the Board of Education from December 18, 1897, for one year, on the same terms as now proposed.

This lease was continued by renewal up to July 1, 1899, by resolution of the Commissioners of the Sinking Fund, January 20, 1899 (Minutes, page 38).

The Sunday School room has a floor space of 3,037 square feet and comprises one large room, 29 feet 6 inches by 39 feet; two rooms of 17 feet by 24 feet each, and four rooms, 9 feet 6 inches by 10 feet 6 inches. A gallery with a floor space of 1,216 square feet, comprising two rooms, 17 feet by 24 feet each, and four rooms 9 feet 6 inches by 10 feet 6 inches, is so arranged with movable sash partitions and curtains, that with the rooms on the main floor, one large room or auditorium is secured.

There is available for classroom purposes in the Sunday School room in all about 4,000 square feet of floor space, which at the rental asked, viz.: \$3,000, would give a rate of 75 cents per square foot per annum.

In the basement, which is high, with a concrete cement floor, about on the grade of One Hundred and Fiftieth street, there is one inclosed room, 17 feet by 25 feet, and an open space of over 4,000 square feet, extending under the entire church edifice. The church edifice is of terra cotta brick, comprising in one building Sunday School and parsonage, covering a lot 90 feet by 100 feet, known on the assessment map as Lot No. 36 on Block 2348 in section 9; assessed valuation, \$15,000. Exempt from taxation.

The Rev. Dr. Darwood, the pastor of the church, states that the Board of Trustees, in consenting to the urgent solicitation of the Board of Education for a lease of these accommodations, has fixed a rental as low as in their judgment would compensate the Board for the additional expenses for light, heat and janitor service, and for the unavoidable wear and tear on the premises, occasioned by their use for school purposes.

The Committee on Buildings of the Board of Education reports that an effort has been made to find buildings suitable for school purposes in crowded sections of the City, and of those investigated in the Borough of The Bronx, these premises have been selected as affording suitable accommodations. The City Superintendent has recommended that the premises be hired, as there are part time classes in two schools in the neighborhood, Public Schools 115 and 167.

They will afford six classrooms, with ample wardrobe accommodations, etc., as well as facilities for recreation and exercise in the large basement.

While it is a difficult matter to estimate upon the rental value of this class of property, I have taken into consideration the fact of its exemption from taxation, and I am of the opinion that the terms of the proposed lease are reasonable and just, and that the same may properly receive the approval of the Commissioners of the Sinking Fund.

Respectfully,

EUG. E. McLEAN, Engineer.

Approved:

EDWARD M. GROUT, Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Board of Education, of a lease to the City, from the Trustees of the Mott Avenue M. E. Church, of the Sunday school room and basement in the Mott Avenue M. E. Church, situated on Mott avenue and One Hundred and Fiftieth street, Borough of The Bronx, for a term of one year from the date of occupation, at an annual rental of three thousand dollars (\$3,000), payable quarterly, the rent to include water tax, light, heat and janitor's services, with the privilege of a renewal on the same terms, from the date of expiration to July 1, 1904, the lessors to have the privilege of using the premises when not required for school purposes; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution unanimously adopted.

The Comptroller presented the following report and offered the following resolution relative to a lease of the basement of the German Evangelical Mission Church, southwest corner of Leonard and Stagg streets, Borough of Brooklyn, for the Board of Education:

November 3, 1902.

Hon. EDWARD M. GROUT, Comptroller:

SIR—The Board of Education, by resolution adopted October 15, 1902, requests the Commissioners of the Sinking Fund to authorize a lease of the basement in the German Evangelical Mission Church, southwest corner of Leonard and Stagg streets, Borough of Brooklyn, for use as an annex to Public School 43, for kindergarten classes, for one year from December 12, 1902, at an annual rental of \$1,200, including light, heat and janitor service. Owners, Trustees of German Evangelical Mission Church.

I have caused an examination to be made of these premises and would report that they afford a floor space of about 1,952 square feet, being a room 36 feet 6 inches by 55 feet.

The church edifice is of brick, 40 feet by 60 feet, on a lot 50 feet by 75 feet, known on the assessment map of the Sixteenth Ward as Lot 1, in Block 29; an adjacent lot 25 feet by 100 feet (lot No. 36) is included in an assessed valuation of \$18,000. Exempt from taxation.

Light, heat and janitor service are provided by the lessors. The premises are at present used for church mission work, and the Trustees of the church in agreeing to lease the premises to the Board of Education claim to have fixed as low a rental as will reasonably compensate them for the increased expenses incurred, and the use of the premises for school purposes. The rate per square foot per annum on 1,952 square feet, at the annual rental of \$1,200, is 67 cents.

I have taken into consideration the fact that this property pays no taxes, and in view of all the circumstances of the case and the accommodations afforded, I am of the opinion that the terms of the proposed lease are reasonable and just, and that the same may properly receive the approval of the Commissioners of the Sinking Fund.

Respectfully,

EUG. E. McLEAN, Engineer.

Approved:

EDWARD M. GROUT, Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Board of Education, of a lease to the City from the trustees of the German Evangelical Mission Church, of the basement in said church on the southwest corner of Leonard and Stagg streets, Borough of Brooklyn, for use as an annex to Public School 43, for Kindergarten classes, for a term of one year from December 12, 1902, at an annual rental of twelve hundred dollars (\$1,200), payable quarterly, including light, heat and janitor's service—the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution unanimously adopted.

The following report and resolution were received from the Board of Education relative to a lease of the basement in St. Peter's Dutch Reformed Church, Union avenue and Scholes street, Borough of Brooklyn:

*To the Executive Committee:*

The Committee on Buildings respectfully reports that it has received a request from the Local School Board of District No. 33 to lease rooms in the church on Union avenue and Scholes street, Brooklyn, for school purposes.

The matter has been investigated, and it is found that the premises proposed to be leased consist of the entire basement in St. Peter's Dutch Reformed Church, Union avenue and Scholes street, Brooklyn. This basement can be made to afford three large classrooms, well suited for the purpose at a slight expense, and the rental asked, \$780 per year, is considered reasonable for the accommodations to be provided.

The City Superintendent of Schools has recommended that these rooms be leased to relieve the congested condition of Public School 43.

The following resolution is submitted for adoption:

Resolved, That the Commissioners of the Sinking Fund be and they are hereby requested to authorize a lease of the entire basement in St. Peter's Dutch Reformed Church, Union avenue and Scholes street, Brooklyn, for use as an annex to Public School 43, for one year from date of occupation, with the privilege of renewal for an additional year, at an annual rental of \$780. Owners, Consistory of St. Peter's Dutch Reformed Church.

A true copy of report and resolution adopted by the Executive Committee of the Board of Education on October 15, 1902.

A. EMERSON PALMER, Secretary Board of Education.

In connection therewith the Comptroller presented the following report and offered the following resolution:

November 3, 1902.

Hon. EDWARD M. GROUT, Comptroller:

SIR—The Board of Education, by resolution adopted October 15, 1902, requests the Commissioners of the Sinking Fund to authorize a lease of the entire basement in St. Peter's Dutch Reformed Church, northeast corner of Union avenue and Scholes street, Borough of Brooklyn, for use as an annex to Public School 43, for one year from date of occupation, with the privilege of renewal for an additional year, at an annual rental of \$780. Owners, Consistory of St. Peter's Dutch Church.

The Committee on Buildings of the Board of Education reports that it has received a request from the Local School Board of District No. 33 to lease this basement for school purposes; that it can be made to afford three large classrooms, well suited for the purpose, at a slight expense, to relieve the congested condition of Public School 43.

I have caused an examination to be made of the premises and would report that they consist of a basement under the brick church edifice 50 by 100 feet, covering the lot on the northeast corner of Union avenue and Scholes street, Borough of Brooklyn, the lot known on the assessment map of the Sixteenth Ward as Lot No. 20, in Block 21; assessed valuation, \$20,000; exempt from taxation.

The basement is subdivided, providing three rooms, 40 feet by 45 feet, 24 feet by 45 feet and 23 feet by 29 feet, suitable for classrooms, having a floor space of about 3,870 square feet, which, at the rental asked, viz., \$780 per annum, gives a rate of 20 cents per square foot per annum.

The basement is heated by stoves and a hot-air furnace, but the Board of Education will have to provide coal and janitor service.

I have taken into consideration the fact that this property is exempt from taxation, and in view of all the circumstances of the case and the accommodations afforded, I am of the opinion that the terms of the proposed lease are reasonable and just, and that the same may properly receive the approval of the Commissioners of the Sinking Fund.

Respectfully,

EUG. E. McLEAN, Engineer.

Approved:

EDWARD M. GROUT, Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Board of Education, of a lease to the City from the Consistory of St. Peter's Dutch Reformed Church, of the entire basement in St. Peter's Dutch Reformed Church, northeast corner of Union avenue and Scholes street, Borough of Brooklyn, for use as an annex to Public School 43, for a term of one year from the date of occupation, with the privilege of a renewal for an additional year, at an annual rental of seven hundred and eighty dollars (\$780), payable quarterly; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution unanimously adopted.

The following report and resolution were received from the Board of Education relative to a lease of the basement of the Seventh Presbyterian Church, on the northeast corner of Broome and Ridge streets, Borough of Manhattan:

*To the Executive Committee:*

The Committee on Buildings respectfully reports that it has considered the matter of leasing the basement of the Seventh Presbyterian Church, on the northeast corner of Broome and Ridge streets, Borough of Manhattan, for school purposes, to relieve Public School 92. Your Committee believes that these premises are the best available for these purposes, and submits for adoption the following resolution:

Resolved, That the Commissioners of the Sinking Fund be and they are hereby requested to authorize a lease of the basement of the Seventh Presbyterian Church

of Jesus Christ, on the northeast corner of Broome and Ridge streets, Borough of Manhattan, to relieve Public School 92, for a term of one year from the date of occupation, with the privilege of renewal from month to month, at an annual rental of \$1,500, the owner to furnish light, heat and janitor service, and to make interior and exterior repairs.

A true copy of report and resolution adopted by the Executive Committee of the Board of Education on October 15, 1902.

A. EMERSON PALMER, Secretary, Board of Education.

In connection therewith the Comptroller presented the following report and offered the following resolution:

October 31, 1902.

Hon. EDWARD M. GROUT, Comptroller:

SIR—The Board of Education, by resolution adopted October 15, 1902, requests the Commissioners of the Sinking Fund to authorize a lease of the basement of the Seventh Presbyterian Church of Jesus Christ, on the northeast corner of Broome and Ridge streets, Borough of Manhattan, to relieve Public School 92, northwest corner of Broome and Ridge streets, for a term of one year from the date of occupation, with the privilege of a renewal from month to month, at an annual rental of \$1,500, the owner, the Trustees of the Seventh Presbyterian Church of Jesus Christ, to furnish light, heat and janitor service, and to make interior and exterior repairs.

I have caused an examination of said premises to be made and would report that the basement contains three rooms, suitable for classrooms, of the following dimensions: 37 feet by 59 feet, 19 feet by 23 feet, and 21 feet 6 inches by 29 feet, affording in all about 3,243 square feet of floor space, which at the yearly rental asked, viz., \$1,500, makes a rate of 46 cents per square foot per annum.

The Committee on Buildings of the Board of Education reports that these premises are the best available for the purpose of relieving Public School 92.

The property is known on the assessment map as Lot No. 65, Block 342, in section 1, having an assessed valuation of \$50,000, and exempt from taxation.

The premises are well adapted for school purposes.

I have taken into consideration the fact that the property is exempt from taxation, and am of the opinion, in view of the accommodations afforded, that the terms of the proposed lease are reasonable and just, and that the same may properly receive the approval of the Commissioners of the Sinking Fund.

Respectfully,

EUG. E. McLEAN, Engineer.

Approved:

EDWARD M. GROUT, Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Board of Education, of a lease to the City from the trustees of the Seventh Presbyterian Church of Jesus Christ, of the basement of the church on the northeast corner of Broome and Ridge streets, Borough of Manhattan, for a term of one year, from the date of occupation, with the privilege of a renewal from month to month, at an annual rental of fifteen hundred dollars (\$1,500), payable monthly, the owners to furnish light, heat and janitor's service and to make interior and exterior repairs—the Commissioners of the Sinking Fund deeming the said rent fair and reasonable, and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution unanimously adopted.

The following resolution was received from the Board of Education relative to an amendment to resolution authorizing a renewal of the lease of the basement and parish house of St. John's German Lutheran Church, Fulton avenue, between One Hundred and Sixty-ninth and One Hundred and Seventieth streets, Borough of The Bronx (see page 652):

Resolved, That the resolution adopted by the Board of Education on July 7, 1902 (Journal, page 1,459), requesting the Commissioners of the Sinking Fund to authorize a renewal of the lease of the basement and parish house of St. John's German Lutheran Church, Fulton avenue, between One Hundred and Sixty-ninth and One Hundred and Seventieth streets, Borough of The Bronx, used as an annex to Public School 61, for one year from November 28, 1902, with the privilege of renewal for an additional year, at an annual rental of \$1,800, the other terms and conditions to be the same as those of the existing lease, be amended by inserting \$2,100 in place of \$1,800, as the annual rental.

A true copy of resolution adopted by the Executive Committee of the Board of Education on October 15, 1902.

A. EMERSON PALMER, Secretary, Board of Education.

In connection therewith the Comptroller presented the following report and offered the following resolution:

November 3, 1902.

Hon. EDWARD M. GROUT, Comptroller:

SIR—At a meeting of the Commissioners of the Sinking Fund, held July 17, 1902 (Minutes, page 653), a renewal of the lease for the premises on Fulton avenue between One Hundred and Sixty-ninth street and One Hundred and Seventieth street, Borough of The Bronx, was authorized for one year from November 28, 1902, at an annual rental of \$1,800, being the same terms as in the existing lease.

This is church property and the Trustees of St. John's German Lutheran Church have declined to sign a renewal of this lease on the same terms, for the reason that they do not consider the rental sufficient to remunerate them for the use of the church premises, and they request that the rental be increased \$300 per annum.

In the minutes of the Sinking Fund for October 26, 1900, page 423, a full description of these premises will be found, showing that the school has the basement of the church, 12 feet in height and on a level with the street, and also a two-story brick building in the rear, with a total available floor space of 4,168 square feet.

The accommodations are good and the advanced rental, namely, \$2,100 per annum, cannot be termed excessive, even though the church property is exempt from taxation, and I would therefore recommend that the Commissioners of the Sinking Fund amend their resolution of July 17, 1902, by inserting \$2,100 per annum for the \$1,800 contained therein, the Board of Education, by resolution adopted October 15, 1902, having requested such amendment.

Respectfully,

EUG. E. McLEAN, Engineer.

Approved:

EDWARD M. GROUT, Comptroller.

Resolved, That the resolution adopted by this Board at meeting held July 17, 1902, authorizing a renewal of the lease to the City, from the Trustees of St. John's German Lutheran Church, of premises on Fulton avenue, between One Hundred and Sixty-ninth and One Hundred and Seventieth streets, Borough of The Bronx, for the use of the Board of Education, be and the same is hereby amended by substituting twenty-one hundred dollars (\$2,100) as the rental, in place of eighteen hundred dollars (\$1,800).

The report was accepted and the resolution unanimously adopted.

The Comptroller presented the following report of the Engineer of the Department of Finance, and offered the following resolution, relative to a renewal of the leases of premises No. 108 John street and No. 253 Spring street, Borough of Manhattan, and No. 2801 Third avenue, Borough of The Bronx:

November 1, 1902.

Hon. EDWARD M. GROUT, Comptroller:

SIR—Hon. Thomas Sturgis, Commissioner, Fire Department, City of New York,

in a communication bearing date October 18, 1902, requests the Commissioners of the Sinking Fund to authorize renewals of leases which expire January 1, 1903, as follows:

"BOROUGH OF MANHATTAN.

"1. Premises occupied by Engine Company 32, No. 108 John street, for a term of one year from January 1, 1903, at an annual rental of \$1,800, payable quarterly, and upon the same terms and conditions as contained in the existing lease; Isabel R. Clark, lessor.

"2. Premises occupied by Engine Company 30, No. 253 Spring street, for a term of one year from January 1, 1903, at an annual rental of \$540, payable quarterly; otherwise upon the same terms and conditions as contained in the existing lease; Trinity Church Corporation, lessor.

"BOROUGH OF THE BRONX.

"3. No. 2801 Third avenue (being premises in rear of quarters of Engine Company 41), for a term of one year from January 1, 1903, at an annual rental of \$75, payable quarterly, and upon the same terms and conditions as contained in the existing lease; Emma Henneberger, lessor."

I would report thereon as follows:

1. Premises No. 108 John street, south side, between Gold and John streets, consist of a four-story brick building, entirely covering a lot 20 feet 6 inches by 59 feet 4 inches, known on the assessment map as Lot No. 52, on Block 69, in section 1. Assessed valuation, \$18,000.

These premises have been occupied by the Fire Department as quarters for Engine Company 32, under lease, since before 1888 at an annual rental of \$1,800. The last lease was authorized by resolution of the Commissioners of the Sinking Fund, November 10, 1898 (Minutes, page 246), for one year from January 1, 1899, with the privilege of four annual renewals.

2. Premises No. 253 Spring street, north side, 58 feet 9 inches east of Varick street, consist of a three-story brick building, 25 feet by 90 feet, on a lot 25 feet by 99 feet 6 inches, known on the assessment map as Lot No. 46, on Block 505, in Section 2. Assessed valuation, \$10,000. Exempt.

These premises have been occupied by the Fire Department as quarters for Engine Company 30, under lease, since before 1890, at an annual rental of \$540, City to pay all taxes and Croton water rates. Lessor to pay all assessments.

The last lease was authorized by resolution of the Commissioners of the Sinking Fund, March 11, 1898 (Minutes, page 23), for one year from January 1, 1898, at an annual rental of \$540. Said lease has been renewed annually on the same terms.

3. Premises in rear of No. 2801 Third avenue, west side, between Courtlandt avenue and East One Hundred and Forty-eighth street, consist of a plot of ground about 20 feet by 22 feet, fenced in and partly covered by a one-story frame building, immediately adjoining in the rear of premises occupied by Engine Company 41, which is owned by the City (acquired December 26, 1874).

This plot is the rear portion of a lot 25 feet by 112 feet (irregular), fronting on East One Hundred and Forty-eighth street, known as Lot No. 20, on Block 2327, in section 9. Assessed valuation (1902), \$2,500. It has been occupied by the Fire Department under lease since 1886 up to January 1, 1892, at an annual rental of \$25, and since then at \$75 per annum.

The last lease was authorized by resolution of the Commissioners of the Sinking Fund November 10, 1898 (Minutes, page 246), for one year from January 1, 1899, at \$75 per annum. Said lease has been renewed annually up to the present time on the same terms.

As the lot occupied by the Fire Department is only 39 feet in depth on one side and 55 feet on the other, it is claimed by the Department that this adjoining plot in the rear is very essential for the use of the Department, as long as it remains in possession of the front lot. It is used as a storage for hay, grain, etc., and a manure pit.

I am of the opinion that the terms of each of the aforesaid proposed renewals are reasonable and just, and that they may properly receive the approval of the Commissioners of the Sinking Fund.

Respectfully,

EUG. E. McLEAN, Engineer.

Resolved, That the Comptroller be and is hereby authorized and directed to execute renewals of leases to the City for the use of the Fire Department, as follows:

First—Premises No. 108 John street, Borough of Manhattan, for a term of one year from January 1, 1903, at an annual rental of eighteen hundred dollars (\$18,000), payable quarterly; otherwise upon the same terms and conditions as contained in the existing lease thereof; Isabel R. Clark, lessor.

Second—Premises No. 253 Spring street, Borough of Manhattan, for a term of one year from January 1, 1903, at an annual rental of five hundred and forty dollars (\$540), payable quarterly; otherwise upon the same terms and conditions as contained in the existing lease; Trinity Church Corporation, lessor.

Third—No. 2801 Third avenue, Borough of The Bronx, being premises in the rear of quarters of Engine Company 41, for a term of one year from January 1, 1903, at an annual rental of seventy-five dollars (\$75), payable quarterly, and upon the same terms and conditions as contained in the existing lease; Emma Henneberger, lessor.

—the Commissioners of the Sinking Fund deeming the said rents fair and reasonable, and that it would be for the interests of the City that such leases be made.

The report was accepted and the resolution unanimously adopted.

The following communication was received from the Fire Department relative to an amendment to resolution authorizing a lease of premises on the south side of East Fifth street, fifty-three feet east of White Plains avenue, Williamsbridge, Borough of The Bronx (see page 738):

FIRE DEPARTMENT, CITY OF NEW YORK,  
NOS. 157 AND 159 EAST SIXTY-SEVENTH STREET,  
BOROUGH OF MANHATTAN, October 21, 1902.

The Hon. Commissioners of the Sinking Fund:

GENTLEMEN—I have the honor to request that the resolution adopted by your Commission August 21, 1902, at the request of this Department in communication under date of the 6th of said month, in relation to the leasing of temporary quarters for the accommodation of Engine Company 62, be amended so as to read as follows:

"Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City from Edmund C. Johnson of premises situated on the south side of East Fifth street, 53 feet east of White Plains avenue, Williamsbridge, Borough of The Bronx, consisting of a two-story brick stable about 28 feet by 64 feet, for the use of the Fire Department, for a term of twelve months from August 7, 1902, at a rental of sixty dollars (\$60) per month; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller is hereby authorized and directed to execute the same when prepared and approved of by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter."

It appears that the lessor—unless he is accorded a reciprocal privilege—objects to the incorporation in the lease of a provision giving to the City the privilege of surrendering the premises upon thirty days' notice, and under the circumstances, and in view of the consideration that even should the new house for this company now in process of erection be ready for occupancy before the expiration of twelve months from the date of the lease, the temporary quarters could still be utilized for Department purposes for the remainder of the term. I have deemed it advisable to request the amendment in the respect indicated of your resolution of August 21, 1902, authorizing a lease of the property in question.

Yours respectfully,

THOS. STURGIS, Commissioner.

I see no objection to the proposed amendment, as requested by the Commissioner of the Fire Department, of the resolution adopted August 21, 1902, authorizing lease from Edmund C. Johnson, of premises situated on the south side of East Fifth street, Williamsbridge, Borough of The Bronx, for the use of the Fire Department, October 28, 1902.

EUG. E. McLEAN, Engineer, Department of Finance.

In connection therewith the Comptroller offered the following resolution:

Resolved, That resolution adopted by this Board at meeting held August 21, 1902, requesting the Corporation Counsel to prepare a lease to the City of premises situated on the south side of East Fifth street, Williamsbridge, Borough of the Bronx, for use of the Fire Department, be and the same is hereby amended so as to read as follows:

"Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City, from Edmund C. Johnson, of premises situated on the south side of East Fifth street, fifty-three (53) feet east of White Plains avenue, Williamsbridge, Borough of The Bronx, consisting of a two-story brick stable about 28 feet by 64 feet, for the use of the Fire Department, for a term of twelve months from August 7, 1902, at a rental of sixty dollars (\$60) per month; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable, and that it would be for the interests of the City that such lease be made, the Comptroller is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter."

Which was unanimously adopted.

The following communications were received from the Commissioners of Accounts relative to a lease of Room No. 103 in the Stewart Building, No. 280 Broadway, Borough of Manhattan:

NEW YORK, October 30, 1902.

To the Honorable, the Commissioners of the Sinking Fund, New York City:

GENTLEMEN—Owing to the large force of men now employed in, and the increasing demands on the Engineering Department of this office, we find that the present quarters, Room No. 105 in the Stewart Building, has become too small, and is very much overcrowded.

We, therefore, ask that the adjoining room, No. 103, which is vacant at the present time, be rented for our use. Said room is suitable, has a floor space of 705 square feet, and the yearly rental asked is \$1,300.

Respectfully,

WM. HEPBURN RUSSELL,  
EDWARD OWEN,  
Commissioners of Accounts.

NEW YORK, November 5, 1902.

To the Honorable Commissioners of the Sinking Fund of The City of New York:

Gentlemen—We herewith present further details regarding the necessities for additional room for our Engineering Department, for which we recently made application to your Honorable Board.

Room, 105, which we now occupy, contains 705 square feet, and is used as a general engineering office, also as a cement-testing and physical laboratory, but owing to so large a part of the floor space being taken up by desks, closets for the keeping of necessary records, atlases, etc., there is not sufficient desk room for all of the men employed in the engineering department; also several physical instruments, which are used in the examination of materials for construction, cannot be set up permanently owing to the lack of room.

For the same reason, therefore, our drawing table, which is frequently used, can only be set up and used by moving the desks.

Room 104, which is used as our Chemical Laboratory, contains only 446 square feet, and owing to the great accumulation of work in that line, the specimens of which have to be preserved, more room for storage purposes and that examinations may be carried on more advantageously is required.

We trust that this further information will be sufficient.

Respectfully,

WM. HEPBURN RUSSELL,  
EDWARD OWEN,  
Commissioners of Accounts.

The room required is on the third floor in the Stewart Building, Chambers street front, and contains an area of 700 square feet, which is at the rate of \$1.85 per square foot per annum, which I consider reasonable and just.

EUG. E. McLEAN, Engineer, Department of Finance.

October 31, 1902.

Approved:

EDWARD M. GROUT, Comptroller.

In connection therewith the Comptroller offered the following resolutions:

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City, from Horace Russell and Edward D. Harris, Executors and Trustees under the will of Henry Hilton, deceased, of Room No. 103 in the Stewart Building, No. 280 Broadway, Borough of Manhattan, for the use of the Commissioners of Accounts, for a term from the date of occupation to May 1, 1903, at a rental at the rate of thirteen hundred dollars (\$1,300) per annum, otherwise upon the same terms and conditions as contained in the existing lease of certain rooms, offices and apartments now occupied by the various City Department in said building; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable, and that it would be for the interests of the City that such lease be made, the Comptroller is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

Which was unanimously adopted.

The following communication was received from the Department of Street Cleaning relative to a lease of premises No. 231 Bowery, Borough of Manhattan:

NEW YORK, October 15, 1902.

Hon. SETH LOW, Mayor, Chairman Board of Sinking Fund Commissioners:

SIR—I request the consent and approval of your Board for a lease, pursuant to Section 541 of the Greater New York Charter, as amended, from Stephen G. Thomas, of the rear store of premises known as No. 231 Bowery, with entrance thereto through the freight hallway for a term of one (1) year beginning December 20, 1902, for the use of the Department of Street Cleaning, at an annual rental of \$800, payable quarterly; the lessor to put a partition around the stairway so as to enclose the said store from the hallway and stairway and to place in said partition an ordinary door; the lessor to pay for the Croton water used on the premises and to furnish sufficient steam heat to warm the said premises.

The store is about 47 feet by 60 feet and contains two radiators.

This proposed lease is for a section station to take the place of that at No. 167 Chrystie street now leased from the Henry C. Miner estate and which expires on the 10th of December next.

Respectfully,

JOHN McG. WOODBURY, Commissioner.

In connection therewith the Comptroller presented the following report and offered the following resolution:

October 27, 1902.

Hon. EDWARD M. GROUT, Comptroller:

SIR—Under date of October 15, 1902, Hon. John McGaw Woodbury, Commissioner of Street Cleaning, requests the consent and approval of the Commissioners of the Sinking Fund to a lease of the premises No. 231 Bowery, for a term of one year, from December 20, 1902, at an annual rental of \$800, payable quarterly; the lessor to build a necessary partition, to pay for the Croton water used on the premises, and to furnish sufficient steam to heat the said premises.

This proposed lease is for a section station to take the place of that at No. 167 Chrystie street. The lease for the premises No. 167 Chrystie street was made December 19, 1899, for a term of three years, with a floor space of about 1,500 square feet, at \$720 per annum, the lessee to pay for water used, and to do all repairs and alterations.

I am told by the Deputy Commissioner of Street Cleaning that these premises are no longer suitable and that the landlord has notified the department that he proposes to raise the rent on a renewal.

The premises at No. 231 Bowery consist of the ground floor of a rear five-story, brick building, the upper stories being occupied by tenants. Good cement floor, well lighted, ceiling about 18 feet, heated by three steam radiators and piped for gas. Length 63 feet, width 47 feet, containing about 2,670 square feet of available floor space, which at \$800 per annum will make a rental of about 30 cents per square foot.

I consider the rental reasonable and just, and I would recommend that the Commissioners of the Sinking Fund approve of the same, as requested.

Respectfully,

EUG. E. McLEAN, Engineer.

Approved:

EDWARD M. GROUT, Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Commissioner of Street Cleaning, of a lease to the City from Stephen G. Thomas, of the rear store of premises known as No. 231 Bowery, Borough of Manhattan, with entrance thereto through the freight hallway, etc., the lessor to put a partition around the stairway so as to inclose the said store from the hallway and stairway, and to place in said partition an ordinary door, for a term of one year from December 20, 1902, at an annual rental of eight hundred dollars (\$800), payable quarterly, the lessor to pay for the Croton water used on the premises, and to furnish sufficient steam to heat the said premises—the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the city that such lease be made.

The report was accepted and the resolution unanimously adopted.

The following communication was received from the Department of Street Cleaning relative to the lease of premises on Jamaica avenue, near Gillen place, Borough of Brooklyn:

NEW YORK, September 19, 1902.

Hon. SETH LOW, Mayor, Chairman Board of Sinking Fund Commissioners:

SIR—I desire the consent and approval of your Board, pursuant to section 541 of the Greater New York Charter, as amended, for a lease from Frank D. Creamer, of all that piece or parcel of land bounded and described as follows:

Beginning at a point on the northeast corner of Jamaica avenue and Gillen place; thence northerly along the easterly line of Gillen place 250 feet; thence easterly at right angles to the easterly line of Gillen place 100 feet; thence southerly parallel with the easterly line of Gillen place 193 feet 11 inches, more or less, to the northerly line of Jamaica avenue; thence southwesterly along the northerly line of Jamaica avenue 114 feet 8¼ inches, more or less, to the point or place of beginning; excepting, however, the portion thereof on which is now situated a hotel consisting of a strip of land 25 feet 9 inches in width, extending northerly along the westerly side of Gillen place 150 feet from the northwest corner of Jamaica avenue and Gillen place, for a term of ten (10) years from the date of occupancy at an annual rental until the 1st day of May, 1903, of \$3,500, payable quarterly, and thereafter for the remainder of the said term of all of the said premises without exception whatever at the annual rental of \$4,000, payable quarterly; it being understood that the existing lease from William F. Donovan to The City of New York for the use of the Department of Street Cleaning, dated the 29th day of July, 1901, with the consent and approval of the Commissioners of the Sinking Fund, dated the 20th day of June, 1901, as follows:

"Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution of a lease to the City by the Commissioners of Street Cleaning from William F. Donovan of the plot of ground in the Borough of Brooklyn, bounded and described as follows: Beginning at a point on the northerly line of Jamaica avenue, 28 feet 8 inches east of the easterly line of Gillen place; running thence northerly and parallel with Gillen place 236 feet; thence easterly at right angles with the easterly line of Gillen place 60 feet; thence southerly and parallel with the easterly line of Gillen place 202 feet 4 inches, more or less, to the northerly line of Jamaica avenue; thence westerly along the northerly line of Jamaica avenue 38 feet 9½ inches, more or less, to the point or place of beginning; with the stable to be erected thereon in accordance with the plans and specifications submitted to this Board for a term of ten (10) years from the completion and occupancy of said stable at an annual rental of \$3,000, payable quarterly; the lessor to put and keep the premises in good tenantable condition and to pay all ground taxes; the City to pay for water used on the premises—the Commissioners of the Sinking Fund deeming the said rent fair and reasonable, and that it would be for the interest of the City that such lease be made."

—and which said lease has since been assigned by said William F. Donovan to the said Frank D. Creamer shall be cancelled and surrendered at the execution and delivery of the proposed lease; the lessor to put and keep the premises in good tenantable condition and to pay all ground taxes; the City to pay for the water used on the said premises.

It will be perceived that the existing lease referred to above consists of a strip of land running through the said premises, and it is proposed to cancel said lease and to take one lease from Mr. Creamer for the entire land, from now until the first of May next, excluding the above-mentioned hotel and its appurtenances, and thereafter for the remainder of the term the entire plot of ground as described above.

Respectfully,

JOHN McG. WOODBURY, Commissioner.

In connection therewith the Comptroller presented the following report and offered the following resolution:

October 10, 1902.

Hon. EDWARD M. GROUT, Comptroller:

SIR—Hon. John McGaw Woodbury, Commissioner of Street Cleaning, in communication under date of September 19, 1902, requests the Commissioners of the Sinking Fund to cancel the lease of premises, used as a Street Cleaning Department stable on Jamaica avenue (60 feet by 202 feet and 4 inches—236 feet by 68 feet 9½ inches) 28 feet 8 inches east of Gillen place, Borough of Brooklyn, authorized by the Commissioners of the Sinking Fund, June 20, 1901, for a term of 10 years from October 28, 1901, date of occupation, at \$3,000 per annum; lessee, Frank Creamer, assignee of Wm. F. Donovan, and the Commissioners of the Sinking Fund are requested to authorize a lease from Frank D. Creamer, of all that piece or parcel of land bounded and described as follows:

"Beginning at a point on the northeast corner of Jamaica avenue and Gillen place; thence northerly along the easterly line of Gillen place 250 feet; thence easterly at right angles to the easterly line of Gillen place 100 feet; thence southerly parallel with the easterly line of Gillen place 193 feet 11 inches, more or less, to the northerly line of Jamaica avenue; thence southwesterly along the northerly line of Jamaica avenue 114 feet 8¼ inches, more or less, to the point or place of beginning;

excepting, however, the portion thereof on which is now situated a hotel consisting of a strip of land 25 feet 9 inches in width extending northerly along the westerly side of Gillen place 150 feet from the northwest corner of Jamaica avenue and Gillen place, for a term of ten (10) years from the date of occupancy at an annual rental until the first day of May, 1903, of \$3,500, payable quarterly, and thereafter for the remainder of the said term of all of the said premises without exception whatever at the annual rental of \$4,000, payable quarterly."

The proposed lease includes the premises described in the original lease, and a strip of land 14 feet 6 inches by 193 feet 11 inches—202 feet 4 inches easterly of the said premises originally leased, also a strip 25 feet 9 inches by 236 feet—250 feet on Gillen place.

The hotel on the northeast corner of Jamaica avenue and Gillen place is not to be included until May 1, 1903. On occupation of the hotel it is proposed to give up the premises No. 2495 Atlantic avenue, leased for sectional stations Nos. 24 and 25, at \$300 per annum.

The additional land will be of great benefit to the Department of Street Cleaning, affording space for a yard and giving a rear entrance from Gillen place. The hotel when repaired and thoroughly painted will make suitable quarters for sectional stations.

The rentals asked are full, but not excessive, and I think the Commissioners of the Sinking Fund may properly authorize the lease as requested by the Commissioner of Street Cleaning.

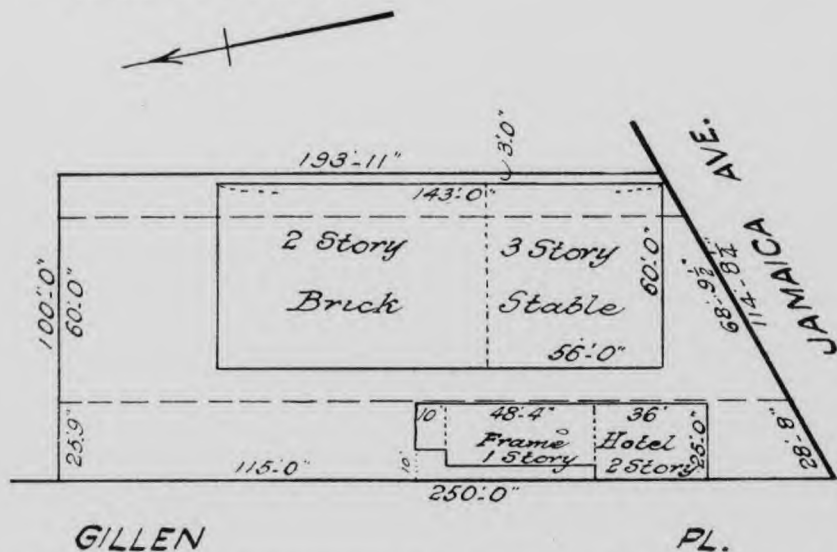

I would advise that the lease require the hotel to be thoroughly renovated and painted outside and inside, and ready for occupation by May 1, 1893.

Respectfully,

EUG. E. McLEAN, Engineer.

Approved:

EDWARD M. GROUT, Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Commissioner of Street Cleaning, of a lease to the City, from Frank D. Creamer, of all that piece or parcel of land in the Borough of Brooklyn, bounded and described as follows:

Beginning at a point on the northeast corner of Jamaica avenue and Gillen place; thence northerly along the easterly line of Gillen place 250 feet; thence easterly at right angles to the easterly line of Gillen place, 100 feet; thence southerly parallel with the easterly line of Gillen place 193 feet, 11 inches, more or less, to the northerly line of Jamaica avenue; thence southwesterly along the northerly line of Jamaica avenue 114 feet, 8 1/4 inches, more or less, to the point or place of beginning; excepting, however, the portion thereof on which is now situated a hotel consisting of a strip of land 25 feet, 9 inches in width, extending northerly along the westerly side of Gillen place 150 feet from the northwest corner of Jamaica avenue and Gillen place. —for a term of ten years from the date of occupancy at an annual rental until the first day of May, 1903, of thirty-five hundred dollars (\$3,500), payable quarterly, and thereafter for the remainder of the said term of all of the said premises without exception whatever, at the annual rental of four thousand dollars (\$4,000), payable quarterly; the lessor to thoroughly renovate and paint the hotel building, both outside and inside, to put and keep the premises in good tenantable repair, and to pay all ground taxes; the City to pay for the water used on the premises and the hotel building to be ready for occupation by May 1, 1903—the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made; and

Resolved, That upon the execution and delivery of the above-mentioned lease, the Commissioners of the Sinking Fund hereby approve of the cancellation and surrender of the existing lease of a part of these premises, authorized by the Commissioners of the Sinking Fund at meeting held June 20, 1901, for a term of ten years, from October 28, 1901, at three thousand dollars (\$3,000) per annum.

The report was accepted and the resolution unanimously adopted.

The Comptroller presented the following report and offered the following resolution, relative to a lease of premises No. 249 Manhattan avenue, Borough of Brooklyn, for the City Magistrate's Court, Fifth District:

October 24, 1902.

Hon. EDWARD M. GROUT, Comptroller:

SIR—A five year lease from John Auer to the City of Brooklyn, of premises on the southwest corner of Manhattan avenue (formerly Ewen street) and Powers street, known as No. 249 Manhattan avenue, Borough of Brooklyn, at an annual rental of \$1,600, payable quarterly, expired on May 18, 1902.

The premises have been and are occupied by the City Magistrate's Court, Fifth District, Second Division. On September 16, 1902, Hon. Frank E. O'Reilly, a Justice of said Court, in reply to a communication of August 4, 1902, from this Department, states that a renewal of said lease would seem advisable; that there is no probability of the City erecting a building for Court uses in that district in the near future; that the premises now occupied are fairly well adapted for the purposes; that he saw no reason why they should not be taken for another term of five years, provided the owner would make certain necessary repairs.

At my request, Mr. Frank J. Helmle, Superintendent of Public Buildings and Offices, Borough of Brooklyn, caused an examination of the premises to be made for the purpose of ascertaining the nature and extent of such alterations and repairs as were necessary to put the building in a good and tenantable condition. A copy of his report and recommendations is attached hereto.

Mr. John Auer, the owner, has agreed in writing to attend to and complete at once all the alterations and repairs as recommended in said report, which he estimates will cost about \$800.

The building is of brick, 25 feet 5 inches front and rear and 37 feet in depth, basement and two stories in height, with an extension 25 feet 5 inches by 37 feet 6 inches, two stories in height, connected with the main building. The lot, 25 feet 5 inches by 74 feet 6 inches, is known as Lot No. 1, on Block 63 on the Assessment

Map of the Fifteenth Ward, Borough of Brooklyn, Land Map section 9, Block 2781; assessed valuation (1902), \$5,600.

I am of the opinion that the rent reserved, viz., \$1,600 per annum, is full, and after advising the owner that you would not approve of a new lease at so high a rental, but would seek other quarters for the accommodation of the Court unless a material reduction thereon was made, he has submitted to you an offer in writing to accept the sum of \$1,350 per annum after May 18, 1903.

I would therefore recommend that the Commissioners of the Sinking Fund authorize a lease of the premises on the southwest corner of Manhattan avenue (formerly Ewen street) and Powers street, known as No. 249 Manhattan avenue, Borough of Brooklyn, for the use of the City Magistrate's Court, Fifth District, Second Division, for a term of five years from May 18, 1902, the annual rental for the first year to be at the rate of \$1,600, payable quarterly, and the annual rental for each of the succeeding four years to be at the rate of \$1,350, payable quarterly, the owner, John Auer (No. 809 Willoughby avenue, Brooklyn), to keep the premises in repair both inside and outside during the said term and to pay the water tax.

Respectfully,

EUG. E. McLEAN, Engineer.

Approved:

EDWARD M. GROUT, Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City, from John Auer, of the premises on the southwest corner of Manhattan avenue (formerly Ewen street) and Powers street, known as No. 249 Manhattan avenue, Borough of Brooklyn, for the use of the City Magistrate's Court, Fifth District, Second Division, for a term of five years from May 18, 1902, at an annual rental for the first year at the rate of sixteen hundred dollars (\$1,600), payable quarterly, and the annual rental for each of the succeeding four years at the rate of thirteen hundred and fifty dollars (\$1,350), payable quarterly, the owner to keep the premises in repair, both inside and outside, during the term of the lease, and to pay the water tax—and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable, and that it would be for the interests of the City that said lease be made, the Comptroller is hereby authorized and directed to execute the same, when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted and the resolution unanimously adopted.

The following communication was received from the President of the Borough of The Bronx relative to a lease of premises at One Hundred and Seventy-fifth street and Anthony avenue, Borough of The Bronx:

NEW YORK, October 22, 1902.

Hon. EDWARD M. GROUT, Comptroller:

DEAR SIR—Mr. Joseph Pickard, the Property Clerk of this borough, reports to me that by some inadvertency the lease of the Mount Hope Stable, situated at One Hundred and Seventy-fifth street and Anthony avenue, has not been renewed this year, due, as he informs me, to the absence of Mr. Schmenger, the lessor, in Europe, about May 1 of this year.

I would respectfully suggest that the Sinking Fund Commissioners authorize the renewal of the lease for one year from May 1, 1902, as the use of the premises is required for the Bureau of Highways in this borough.

Yours truly,

LOUIS F. HAFFEN, President of the Borough of The Bronx.

The above lease was authorized for a term of one year from May 1, 1900, with the privilege of four annual renewals, at \$420 per annum. The terms are reasonable, and I would recommend that the lease be renewed for one year from May 1, 1902, with the privilege of two further renewals of one year each.

EUG. E. McLEAN, Engineer, Department of Finance.

October 24, 1902.

In connection therewith the Comptroller offered the following resolution:

Resolved, That the Comptroller be and is hereby authorized and directed to execute a renewal of the lease to the City, from J. P. Schmenger, of premises on the south side of East One Hundred and Seventy-fifth street (Prospect place), between Anthony avenue and Crane place (now Clay avenue), Borough of The Bronx, occupied by the Bureau of Highways of the President of the Borough of The Bronx, for a term of one (1) year from May 1, 1902, with the privilege of two (2) further renewals of one (1) year each, at a rental of thirty-five dollars (\$35) per month; otherwise upon the same terms and conditions as contained in the existing lease—the Commissioners of the Sinking Fund deeming the said rent fair and reasonable, and that it would be for the interests of the City that such lease be made.

Which was unanimously adopted.

The Comptroller presented a report of the Engineer of the Department of Finance, relative to a request of the Register of the County of New York for a lease of quarters in the Hallenbeck Building, Nos. 497-503 Pearl street, southwest corner of Park street, Borough of Manhattan, pending the completion of the new Hall of Records.

Laid over.

The Comptroller presented the following statement and resolution relative to a transfer of one million dollars (\$1,000,000) from "Interest" to "Redemption Fund":

November 1, 1902.

Hon. EDWARD M. GROUT, Comptroller:

SIR—I hereby certify that the available cash balance in the City Treasury to the credit of the "Sinking Fund for the Payment of Interest on the City Debt," at the close of business, October 31, 1902, was \$1,199,250.73.

Respectfully,

JOSEPH HAAG, Chief Bookkeeper.

Resolved, That a warrant payable from the "Sinking Fund for the Payment of Interest on the City Debt" be drawn in favor of the Chamberlain, for the sum of one million dollars (\$1,000,000), to be by him deposited in the City Treasury to the credit of the "Sinking Fund for the Redemption of the City Debt No. 1," thereby transferring the amount of surplus revenue of the "Sinking Fund for the Payment of Interest on the City Debt" to the "Sinking Fund for the Redemption of the City Debt No. 1," pursuant to section 209 of the Greater New York Charter.

Which resolution was unanimously adopted.

The following communication was received from the Department of Health, relative to a lease of premises Nos. 54 and 56 Water street, Stapleton, Borough of Richmond:

NEW YORK, October 23, 1902.

Hon. EDWARD M. GROUT, Comptroller of The City of New York:

SIR—At a meeting of the Board of Health of the Department of Health, held October 22, 1902, it was

Resolved, That application be and is hereby made to the Honorable the Commissioners of the Sinking Fund for a lease for one year from November 1, 1902, with privilege of renewal, of premises Nos. 54 and 56 Water street, Stapleton, Borough of

Richmond, City of New York, to be used by this Department as headquarters for said Borough, the rental to be at the rate of one thousand three hundred dollars (\$1,300) per annum, including janitor service, water, light and heat.

A true copy.

C. GOLDERMAN, Secretary.

In connection therewith the Comptroller presented the following report and offered the following resolution:

November 3, 1902.

Hon. EDWARD M. GROUT, Comptroller:

SIR—The Board of Health of the Department of Health, City of New York, on October 22, 1902, adopted a resolution requesting the Commissioners of the Sinking Fund to authorize a lease of premises at Stapleton, Borough of Richmond, as headquarters for the Department in said borough.

I have caused an examination of the premises to be made, and would report that they consist of the store floor and part of the cellar of a new three-story brick building, 50 feet by 60 feet, known as Nos. 54 and 56 Water street, north side, between Wright and Beach streets, at Stapleton, Borough of Richmond.

The building is just completed, is heated by steam; the store floor is about 36 feet 6 inches by 53 feet 4 inches, containing about 1,922 square feet, which, at the annual rental asked, viz., \$1,300, gives a rate per square foot per annum of 67 cents.

The lot is part of Lot No. 619 (100 feet by irregular), Plot 4, Volume 1, Ward 2, Borough of Richmond; assessed valuation (1901) before erection of present building, \$8,000. Estimated cost of building, \$17,000; estimated value of land, \$5,000; total, \$22,000.

The upper floors are arranged for dwelling apartments, which are expected to produce a rental of \$984, which with that of the store floor will give a total gross income for the building of \$2,284.

The present headquarters of the Department of Health are located on the first floor in the Richmond Building, corner of York street and Richmond Terrace, New Brighton.

The President of the Borough of Richmond, in a communication dated October 3, 1902, addressed to Dr. John T. Sprague, Assistant Sanitary Superintendent, a copy of which is hereto attached, having special need of increased facilities for the various bureaus connected with his office, has asked the Department of Health if it cannot secure quarters elsewhere than in the Richmond Building.

Pursuant to this request the proposed premises at Stapleton have been selected, and are recommended by the Health Department as being in all respects convenient and affording full and adequate accommodations for the work of the Department.

I am of the opinion that the terms of the proposed lease are reasonable and just, and I would therefore recommend that the Commissioners of the Sinking Fund authorize a lease of the store floor and part of the cellar of premises known as Nos. 54 and 56 Water street, Stapleton, Borough of Richmond, for the use of the Department of Health, as headquarters in said borough, for a term of one year from November 1, 1902, with privilege of renewal at an annual rental of \$1,300, payable quarterly. Owner, Charles Braun, to furnish light, heat and janitor service.

In the event of the approval of this lease, and the removal of the Health Department to these premises, said Department should formally turn over to the Commissioners of the Sinking Fund the rooms vacated in the Richmond Building at New Brighton, and the President of the Borough of Richmond should make application to said Commissioner that the same may be duly assigned for his use.

Respectfully,

EUG. E. McLEAN, Engineer.

Approved:

EDWARD M. GROUT, Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City, from Charles Braun, of the store floor and part of the cellar of premises known as Nos. 54 and 56 Water street, Stapleton, Borough of Richmond, for the use of the Department of Health as Headquarters in said Borough, for a term of one year from November 1, 1902, with the privilege of a renewal, at an annual rental of thirteen hundred dollars (\$1,300), payable quarterly; owner to furnish light, heat and janitor's service; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable, and that it would be for the interests of the City that such lease be made, the Comptroller is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted and the resolution unanimously adopted.

Adjourned, to meet at 2.30 o'clock on Wednesday, November 12, 1902.

N. TAYLOR PHILLIPS, Secretary.

4th. Reports on applications for leave of absence.

On motion, it was

Resolved, That leave of absence be and is hereby granted as follows:

Anna J. Hutchinson, from September 22 to October 12, 1902, without pay.

5th. Certificates in respect to the vacation of premises at east side of Albany avenue, first house south of Fort Independence road, Kingsbridge, Borough of The Bronx; Nos. 10 to 12 Liberty avenue, Borough of Brooklyn, and No. 54 Gordon street, Borough of Richmond.

On motion the following preamble and resolution were adopted:

Whereas, The Sanitary Superintendent has certified to this Board that the building situated upon lot on east side of Albany avenue, first house south of Fort Independence road, Kingsbridge, in the Borough of The Bronx, has become dangerous to life by reason of want of repair, and is unfit for human habitation because of defects in the plumbing and draining thereof, and because of the existence of a nuisance on the premises which is likely to cause sickness among its occupants:

Ordered, That all persons in said building situated on lot east side of Albany avenue, first house south of Fort Independence road, Kingsbridge, in the Borough of The Bronx, be required to vacate said building on or before September 30, 1902, for the reason that said building is dangerous to life by reason of want of repair, and is unfit for human habitation because of defects in the plumbing and drainage thereof, and because of the existence of a nuisance on the premises likely to cause sickness among its occupants.

And further, that this order be affixed conspicuously on the front of and in said building and be served as the law requires, under the direction of the Sanitary Superintendent.

Whereas, The Sanitary Superintendent has certified to this Board that the buildings situated upon lots Nos. 10 and 12 Liberty avenue, in the Borough of Brooklyn, have become dangerous to life and are unfit for human habitation because of defects in the plumbing thereof, and because of the existence of a nuisance on the premises which is likely to cause sickness among its occupants:

Ordered, That all persons in said buildings situated on lots Nos. 10 and 12 Liberty avenue, in the Borough of Brooklyn, be required to vacate said buildings on or before September 30, 1902, for the reason that said buildings are dangerous to life and are unfit for human habitation because of defects in the plumbing thereof, and because of the existence of a nuisance on the premises likely to cause sickness among its occupants.

And further, that this order be affixed conspicuously on the front of and in said buildings, and be served as the law requires, under the direction of the Sanitary Superintendent.

Whereas, The Sanitary Superintendent has certified to this Board that the building situated upon lot No. 54 Gordon street, in the Borough of Richmond, has become dangerous to life by reason of want of repair, and is unfit for human habitation because of defects in the plumbing and drainage thereof, and because of the existence of a nuisance on the premises which is likely to cause sickness among its occupants:

Ordered, That all persons in said building situated on lot No. 54 Gordon street, in the Borough of Richmond, be required to vacate said building on or before September 30, 1902, for the reason that said building is dangerous to life by reason of want of repair, and is unfit for human habitation because of defects in the plumbing and drainage thereof, and because of the existence of a nuisance on the premises likely to cause sickness among its occupants.

And further, that this order be affixed conspicuously on the front of and in said building and be served as the law requires, under the direction of the Sanitary Superintendent.

6th. Report on compliance with certain orders to vacate premises, etc.

On motion, it was

Resolved, That the following orders be and are hereby rescinded, for the reason that the causes for the same have been removed:

## BOARD OF EXAMINERS.

November 5, 1902.

Present—Messrs. William J. Fryer, Warren A. Conover, Cornelius O'Reilly, Chief Edward F. Coker, William C. Smith and A. F. D'Oench (Chairman).

Meeting called to order at 2 p. m.

Minutes of meeting of October 28th ultimo read, and on motion, approved.

Appeal No. 288—On presentation of report and on motion, appeal was denied.

Appeal No. 301—Laid over at last meeting, amendment filed on October 29th ultimo;

In further explanation of our application for the removal of the clause from our building permit to the effect that there will be no manufacturing in the building, we would state that our object in making this application is to avoid the necessity of putting two more staircases in this building, as it would be very detrimental to the building for the purpose for which it is intended. We would respectfully call your attention to the fact that the building has a large stairway at each end leading directly to an outside street, and that the elevators and stairways are enclosed from top to bottom of the building by a fireproof inclosure.

The floors of the building are of cement, and as stated to you previously, the building is figured for a live load of 150 pounds on the second floor and above, and for 200 pounds on the first floor, and has been passed by the Building Department for a manufacturing building, with the exception of the stairways. We would like to have

the building approved for manufacturing purposes, after providing such fire escapes or outside stairways as your Board may order.

Mr. Paul Starrett appeared before the Board.

On motion, laid over; appellant being directed to file drawing showing ideas verbally presented.

Appeal No. 306—On presentation of report and on motion, appeal was denied.

Appeal No. 307—Alteration No. 1307 of 1902, premises Nos. 10 and 12 Catherine street, Manhattan, Max Muller, Esq., architect and appellant;

To allow the building to be altered for the purposes of a lodging house without inserting an additional flight of stairs.

The building covers only about 3,050 square feet, of which about 2,200 square feet are usable after deducting stairhall, elevator and walls; is ten stories high and constructed entirely fireproof, and is provided with wide fireproof stairs running up to the roof, and which are inclosed with 6 inch thick fireproof partitions in each story. The building is also provided with a large passenger elevator inclosed in 6 inch fireproof partitions and having solid fireproof doors to all openings.

There will be provided two additional fire escapes in all stories.

The floors except the second will be used as open dormitories, thus giving ready access to every one of the different exits in case of fire, besides the building being advantageously situated, facing streets and a public square on three sides.

Mr. Max Muller appeared before the Board.

On motion, denied.

Appeal No. 308—Alteration No. 1492 of 1902, premises Nos. 465, 467 and 469 West Broadway, Manhattan, Messrs. Parfitt Bros., architects and appellants;

We respectfully ask the Honorable Board of Examiners to authorize a waiver of the following objections, as per list dated October 20, 1902, on Application 1492, made by the Superintendent of Buildings, Borough of Manhattan, relating to building herewith mentioned.

Objection 1. The appellant desires a modification or waiver of section 105 of the Code, to permit the erection of an additional story on the present non-fireproof building, for the reasons set forth in our application to the Superintendent of Buildings.

Objection 2. We claim our application for an additional mansard story constructed of metal steel and fireproof blocks is strictly within the meaning of section 27 of the Code.

Objection 3. We ask modification of the requirements of section 32 of the Code, for the reason that foundation walls of building proposed to be altered are thicker than are required for building 75 feet high, being of the thickness as required for building 100 feet high. The building with and including additional story will be only 87 feet high.

The walls are built of good hard brick laid in cement, and is now plumb and true, and for the uses to which such building is now or can ever be put to is abundantly strong.

Mr. W. E. Parfitt appeared before the Board.

On motion, denied.

Appeal No. 309—Alteration No. 1596 of 1902, premises No. 133 West Forty-first street, Manhattan, E. E. Gandolfo, Esq., architect and appellant;

To be allowed to build the extension as per plans and specifications now on file at Bureau of Buildings for the Borough of Manhattan.

Mr. E. E. Gandolfo appeared before the Board.

On motion, approved.

Appeal No. 310—Alterations No. 1345 and 1411 of 1902, premises No. 18 and 20 West Thirty-first street, Manhattan, Benj. W. Levitan, Esq., architect and appellant;

The Superintendent of Buildings has approved the plans, and it is now intended to increase the building 9 feet 6 inches in height, making the extra story a bachelor apartment.

I respectfully request that I may classify the building as a "studio" building, with store in ground floor only.

I have built walls of new extension to conform to Code for "dwelling house" only, and I have increased the thickness in one story.

The new walls are built up in Portland cement mortar, making good solid walls.

The old walls and building is well built; the walls are laid up in hard lime mortar and cement in some cases. Where the two independent center walls are built they are bonded together, making this a solid 2 foot wall.

The building will be occupied as follows:

Ground floor, art store;

Second floor, leather or burntwood studio;

Third floor, architect studio.

Fourth floor, bachelor apartments, six rooms;

Fifth floor, bachelor apartments, six rooms;

Sixth floor, studio.

The second and third floors will be subdivided as the tenants may require, but in no case will the building be used for machinery or loft purposes.

Mr. Benj. W. Levitan appeared before the Board.

On motion, approved.

Appeal No. 311—Alteration No. 3916 of 1902, premises No. 90 Manhattan Avenue, Brooklyn, Messrs. Cohn & Mandiberg, appellants;

We pray your Honorable Board to allow us to build an extension 25 feet wide, 18 feet deep, 3 stories in height, as the main building shown on plans and situated at the rear of said main building. Section 142 of the Building Code permits us to make the extension 15 feet deep, but this would not be sufficient for the purpose we intend to use the building for, and we would like to make the extension 3 feet deeper than allowed.

We also propose to build a one-story brick extension in the rear of the proposed three-story frame extension, to the depth of 5 feet from the rear line.

As the first and second floors are to be used for business purposes only, and the building will not be used as a tenement, we contend that it is possible for us to do so.

On motion, approved.

On motion, the Chairman was authorized to communicate with the Commissioners of the Sinking Fund, requesting the renewal of lease of the Board officers from January 1, 1903.

Adjourned.

JAMES GAFFNEY, Clerk.

## Brooklyn Bridge.

Traffic has been maintained with the usual steadiness and safety. During August and September the surface car service was discontinued each night between 8 p. m.

and 6 a. m., to permit repairs to be made on each side of the Bridge roadways. During these hours passengers were transferred to the trains on the Bridge railway.

The following table shows the traffic during the quarter:

## Carriageway Traffic.

1902.	From New York.			From Brooklyn.		
	Led Horses.	Single Vehicles.	Double Vehicles.	Led Horses.	Single Vehicles.	Double Vehicles.
July .....	1,046	31,746	13,520	1,403	33,255	15,559

Totals .....	2,924	95,972	41,228	3,987	99,878	47,745

Totals—Led horses, 6,911; single vehicles, 195,850; double vehicles, 88,973.

## Trolley Cars.

	Total Per Month.	Greatest Number in One Hour.
July .....	119,546	Monday, July 14, 6-7 p. m. .... 292
August .....	112,999	Thursday, August 14, 5-6 p. m. .... 281
September .....	89,524	Friday, September 5, 5-6 p. m. .... 271
Total .....	322,069	

## Repairs.

The Brooklyn Heights Railroad Company is relaying the surface car tracks with new rails, etc. During the quarter all these tracks on the Manhattan approach and terminal have been relaid, and the space between the rails has been repaved. This work was done entirely at night. The straight rails removed had been in use about four years, and the curved rails about two years.

The portions of the roadway used for ordinary vehicles is being repaved. On the Manhattan approach about 14,000 square feet of roadway has been finished. Careful and systematic inspection of the bridge has continued, and repairs have been made wherever needed.

The steel trusses, floor beams and girders, in and around each tower, and fronts of the warehouses and other bridge property under the Manhattan land span, have been carefully cleaned and painted.

A new stairway, eight feet wide, has been built through the brick masonry of the westerly abutment of the Rose street arch, providing a direct connection between Rose street and the bridge promenade, and relieving the pressure of traffic on the stairway at William street.

## Williamsburg Bridge.

Progress during the quarter has been as follows:

Cables—The placing of the wires in the main cables has been fully completed. The cables have been wrapped with wire wrappings into compact cylindrical form, more than half of the cable bands have been placed in position and about 20 per cent. of the suspender ropes have been placed on the bands. About 20 per cent. of the cable bands remain to be delivered; nearly all of the suspenders and the greater portion of the cable cover-plates have been delivered at the site.

Brooklyn Approach—The buckle-plate flooring and the railing are practically completed, and the work of changing the grade of the streets is well advanced, so that it should be completed within sixty days.

Manhattan Approach—The terminal masonry is practically finished, and all of the lower portion of the steel structure, except about 500 feet, has been erected.

Suspended Span—About 75 per cent. of the material for the suspended span has been delivered in the shops, and a small portion of it has been delivered at the site. The contractor has made good progress with the construction of its erecting plant, and expects to have about six or seven hundred tons erected during the present month.

The following table shows the proportion of the work completed and the portion done during the last quarter, as measured by the value of the work at schedule prices:

## Proportion of Work Done, by Values.

Contract.	Total Per Cent.	At End of Last Quarter Per Cent.	During Present Quarter Per Cent.
Cables .....	95	93	2
Brooklyn approach .....	90	86	4
Manhattan approach .....	70	59	11
Suspended structure .....	35	16	19
All existing contracts on which work has been done during the quarter .....	72½	63½	9

## MANHATTAN BRIDGE.

Much progress has been made in the study of the detail plans for this important bridge; and in a short time the same will be far enough completed to invite bids for construction of the Manhattan tower foundation and on both anchorages.

At the beginning of the quarter the amount of work done on the Brooklyn tower foundation, as shown by the monthly estimates, was \$272,000, or about 58 per cent. of the contract. At the present time \$406,500 of work has been done, or about 87 per cent. of the whole.

During the quarter the caisson has been safely landed at elevation -92.85, on an exceedingly compact bed of coarse gravel immediately overlying the rock. The air-chamber was filled with fine concrete (three-fourth-inch broken stone), and the masonry built up above high water.

The contract will probably be completed during the month of October.

## BLACKWELL'S ISLAND BRIDGE.

All of the drawings necessary for letting the contract for the superstructure are nearly completed.

Work is progressing rapidly on the masonry piers. During the quarter the work done, as shown by the monthly estimates, amounted to \$170,000, or about 70 per cent. more than was accomplished during the preceding quarter. At the present time 42 per cent. of the contract has been completed, as shown by the monthly estimates; of which 23 per cent. was done during the quarter just ended.

Pier 2 on Blackwell's Island is nearly completed.

Pier 3 has been finished to elevation + 23. A large amount of stone has been cut and stored, and the work of laying will progress rapidly.

Work on the Manhattan side has been delayed because title to the necessary property did not vest in the City until August 1, 1902. Since that time the property has been vacated at site of Pier 1, and the buildings are now being demolished.

The cash on hand to the credit of this bridge is, approximately (after deducting the amount due on contracts) \$813,000. Of this amount, \$550,000 was authorized for the purchase of land, and condemnation proceedings are in progress for acquiring title to the property at the sites of the piers in Manhattan and in Long Island City. The condemnation commissioners expect to hand in their report about January 1; but title to all the property required for the piers has already vested in the City.

#### BRIDGES OVER HARLEM RIVER AND IN THE BOROUGH OF MANHATTAN.

On September 2 a painting gang, consisting of one foreman and ten men, was organized, and is now at work on the Third Avenue Bridge.

Repairs and improvements have been made as usual by the repair gang and by mechanics from the Brooklyn Repair Shops. A shop and general storehouse is being erected on the fender pier of the Macomb's Dam Bridge.

The asphalt pavement of the Third Avenue Bridge has been repaired, at a cost of \$520.60, and the bridge is now being painted.

The Broadway Bridge has received one coat of paint.

The average number of draw openings per day for the quarter has been as follows:

Ship Canal .....	8 43-100
Macomb's Dam .....	4 97-100
Madison Avenue .....	6 94-100
Third Avenue .....	11 81-100
Willis Avenue .....	14 84-100

#### One Hundred and Forty-fifth Street Bridge.

This bridge is about 85 per cent. complete; only 2 per cent. has been done during the quarter, chiefly upon the approaches. The erection of the draw-span is still delayed by the work on the tunnel of the Rapid Transit Railroad Commission.

#### BRIDGES OVER NEWTOWN CREEK.

##### Vernon Avenue Bridge Construction.

The approaches and center pier and fender of the temporary bridge have been made ready for the erection of the draw-span, which is now under way. The temporary bridge will be completed and ready for traffic by the middle of November. The title to the property required for the permanent bridge will vest in the City on October 24.

##### Grand Street Bridge.

Work upon the new bridge at Grand street has proceeded more rapidly of late, and the bridge is now opened by the contractor for foot passengers every day.

The following table shows the average number of daily openings during the last quarter:

Month.	Number of Openings in 24 Hours.	Boats Passed Through in 24 Hours.	Time Draw is Open in 24 Hours.
<b>Vernon Avenue Bridge—</b>			
July .....	77	293	6 hours 51 minutes
August .....	73	294	6 hours 40 minutes
September .....	75	252	6 hours 39 minutes
<b>Greenpoint Avenue Bridge—</b>			
July .....	72	129	5 hours 53 minutes
August .....	68	123	5 hours 36 minutes
September .....	64	119	5 hours 15 minutes
<b>Meeker Avenue Bridge—</b>			
July .....	36	84	3 hours 53 minutes
August .....	34	78	3 hours 37 minutes
September .....	32	74	3 hours 28 minutes

Preliminary estimates have been made of the cost of installing electric motors upon Meeker Avenue Bridge. From such estimates it is believed that a considerable saving in the expense of operation may be effected by the use of electricity.

#### BRIDGES IN THE BOROUGH OF QUEENS.

The Flushing, Strong's Causeway and Little Neck bridges are in good condition. The Flushing Bridge, however, is too light and narrow to meet the steadily increasing demands of traffic at this point.

Borden Avenue Bridge is in very bad condition. It has been strengthened as much as possible, with a view to guaranteeing safety for a couple of years.

Plans are being considered for lift bridges in place of the present Borden Avenue and Flushing bridges.

##### BOROUGH OF BROOKLYN.

Washington avenue, Metropolitan avenue, Carroll street and Ninth street bridges were repainted in July and August and the Carroll Street Bridge was replanked in July. The back walls on both abutments of the Hamilton Avenue Bridge were rebuilt in September. Other minor repairs were made as needed.

Unused land around the Washington avenue and Metropolitan avenue bridges has been converted into grass plots and much improved in appearance.

Four new bridges are needed over the Gowanus canal, at Hamilton avenue, Third street, Ninth street and Union street. Plans for such bridges are being considered.

##### BOROUGH OF RICHMOND.

The Fresh Kills Bridge was painted in July, and the planking on this bridge is now being relaid.

The following table shows the number of openings of the bridges in the boroughs of Brooklyn and Richmond during the quarter:

Borough of Brooklyn.	July.	August.	September.	Total.	Daily Average.
Hamilton Avenue Bridge.....	904	864	829	2,597	34
Ninth Street Bridge.....	807	840	807	2,454	32

<b>Borough of Richmond.</b>					
Lemon Creek Bridge.....	16	20	35	71	1
Fresh Kills Bridge.....	31	32	30	93	1

##### BOROUGH OF THE BRONX.

#### One Hundred and Thirty-fifth Street Bridge.

The new bridge over Mott Haven Canal at One Hundred and Thirty-fifth street was opened to traffic on the 23d day of July, 1902. The cost of construction was

\$28,995.99, exclusive of the cost of installing an electric motor, which has been provided out of the remainder of the appropriation for this bridge.

#### Westchester Avenue Bridge Over the Bronx River.

The easterly abutment was completed during the quarter. The erection of the superstructure will begin soon. All the steel except the machinery has been completed and shipped to the site.

In August the macadam pavement on the west approach of the Westchester avenue temporary bridge, which had been deteriorating for some time, was completely washed out by repeated heavy rains. New pavement has been laid at a cost of about \$400.

Ordinary repairs have been made to the other bridges.

Nearly all the piers of the old City Island Bridge have been removed during the quarter. This work is paid for from funds provided pursuant to chapter 638 of the Laws of 1894.

#### NOTICE IS HEREBY GIVEN THAT THE

Board of Estimate and Apportionment of the City of New York, deeming it for the public interest so to do, proposes to alter the map or plan of the City of New York by widening East One Hundred and Seventy-seventh street from Boston road to the Bronx river, changing the lines of Tremont avenue from the Bronx river to the first street easterly therefrom, in the Borough of The Bronx, City of New York, and that a meeting of said Board will be held in the old Council Chamber (Room 16), City Hall, Borough of Manhattan, City of New York, on the 28th day of November, 1902, at 2.30 o'clock p. m., at which such proposed widening and change of lines will be considered by said Board, all of which is more particularly set forth and described in the following resolutions adopted by said Board on the 7th day of November, 1902, notice of the adoption of which is hereby given, viz:

Resolved, That the Board of Estimate and Apportionment of the City of New York, in pursuance of the provisions of section 442 of the Greater New York Charter, deeming it for the public interest so to do, proposes to alter the map or plan of the City of New York, by widening East One Hundred and Seventy-seventh street, from Boston road to the Bronx river, changing the lines of Tremont avenue from the Bronx river to the first street easterly therefrom, in the Borough of The Bronx, City of New York, more particularly described as follows:

1—Widening of East One Hundred and Seventy-seventh Street from Boston Road to the Bronx River.

This widening consists in adding a strip 20 feet in width on the south side of the existing East One Hundred and Seventy-seventh street, and cutting off the corner at the southeast intersection of East One Hundred and Seventy-seventh street and West Farms road, in order to make the width of Boston road 150 feet.

2—Change of Lines of Tremont Avenue, from the Bronx River to the First Street Easterly Thereof.

It is proposed to deflect Tremont avenue from the first street easterly of the Bronx river in a northerly direction to West Farms road, and to widen West Farms road from 100 feet to 150 feet, from the Bronx river to the first street easterly thereof.

3—Discontinuance of Tremont Avenue, from the Bronx River to the First Street Easterly Thereof.

This discontinuing extends for a distance of about 150 feet from the center of the Bronx river easterly where it will meet the changed location of Tremont avenue.

4—The Grades.

A—The grade at the intersection of East One Hundred and Seventy-seventh street and Boston road to be 10 feet above mean high-water datum, as heretofore.

B—The grade at the bridge over the Bronx river to be at its westerly end 13.7 feet above mean high-water datum, and at its easterly end 15.2 feet above mean high-water datum.

C—The grade at the intersection of Tremont

avenue and the first street easterly of the Bronx river to be 20 feet above mean high-water datum, as heretofore.

Resolved, That the President of the Borough of The Bronx cause to be prepared for submission to this Board three similar maps or plans for certification and filing in the manner required by law, showing as nearly as possible the nature and extent of the proposed widening and change of lines and the location of the immediate adjacent or of intersecting open or established streets, roads, squares, or places, sufficient for the identification and location thereof.

Resolved, That this Board consider the proposed widening and change of lines at a meeting of this Board, to be held in the old Council Chamber (Room 16), City Hall, Borough of Manhattan, City of New York, on the 28th day of November, 1902, at 2.30 o'clock p. m.

#### NOTICE IS HEREBY GIVEN THAT THE

Board of Estimate and Apportionment of the City of New York, deeming it for the public interest so to do, proposes to alter the map or plan of the City of New York by widening Park avenue on the westerly side, between East Fifty-sixth street and East Forty-ninth street, and closing portions of East Forty-ninth street, East Forty-eighth street and East Forty-seventh street, adjoining the New York Central Railroad, in the Borough of Manhattan, City of New York, and that a meeting of said Board will be held in the old Council Chamber (Room 16), City Hall, Borough of Manhattan, City of New York, on the 21st day of November, 1902, at 2.30 o'clock p. m., at which such proposed widening and closing will be considered by said Board, all of which is more particularly set forth and described in the following resolutions adopted by said Board on the 20th day of October, 1902, notice of the adoption of which is hereby given, viz:

Resolved, That the Board of Estimate and Apportionment of the City of New York, in pursuance of the provisions of section 442 of the Greater New York Charter, deeming it for the public interest so to do, proposes to alter the map or plan of the City of New York, by widening Park avenue on the westerly side, between East Fifty-sixth street and East Forty-ninth street, and closing portions of East Forty-ninth street, East Forty-eighth street and East Forty-seventh street, adjoining the New York Central Railroad, in the Borough of Manhattan, City of New York, more particularly described as follows:

1. The widening of Park avenue, between East Forty-ninth street and East Fifty-sixth street, on the westerly side thereof, so that the westerly line of the said Park avenue, between said streets, shall be described as follows:

From East Forty-ninth street to East Fiftyth street the westerly line of Park avenue to coincide with a line 137.25 feet easterly of and parallel with the easterly line of Madison avenue.

From East Fiftyth street to East Fifty-fifth street the westerly line of Park avenue to coincide with a line 151 feet easterly of and parallel with the easterly line of Madison avenue.

From East Fifty-fifth street to East Fifty-sixth street the westerly line of Park avenue to coincide with a straight line drawn from a point on the northerly line of East Fifty-fifth street, 351 feet easterly of Madison avenue, measured on said northerly line of East Fifty-fifth street, to a point on the southerly line of East Fifty-sixth street, 388.73 feet easterly of the easterly line of Madison avenue, measured along said southerly line of East Fifty-sixth street, said proposed westerly line of Park avenue being shown upon a map thereof, which is hereto annexed and marked "Exhibit 1."

2. The discontinuing and closing of all that part of East Forty-sixth street, which is bounded and described as follows, to wit:

All that portion of East Forty-sixth street lying between a line 100 feet westerly of, and parallel with, the westerly line of Lexington avenue and the present railroad occupation, being a parcel 175 feet in length by 60 feet in width, and which is shown by yellow shading and marked "A" on the map thereof, which is hereto annexed and marked "Exhibit 2."

3. The discontinuing and closing of all that part of East Forty-seventh street which is bounded and described as follows, to wit:

All that portion of East Forty-seventh street lying between the westerly line of Lexington avenue and the present railroad occupation, being a strip 275 feet in length by 60 feet in width, and which is shown by yellow shading and marked "B" on the map thereof, which is hereto annexed and marked "Exhibit 2."

4. The discontinuing and closing of all that part of East Forty-eighth street which is bounded and described as follows, to wit:

All that portion of East Forty-eighth street lying between the easterly line of Madison avenue and the present railroad occupation, being a strip 150 feet in length by 60 feet in width, and which is shown by yellow shading and marked "C" on the map thereof, which is hereto annexed and marked "Exhibit 2."

5. The discontinuing and closing of all that part of East Forty-ninth street which is bounded and described as follows, to wit:

All that portion of East Forty-ninth street lying between the westerly line of Lexington avenue and the present railroad occupation, being a strip 250 feet in length by 60 feet in width, and which is shown by yellow shading and marked "D" on the map thereof, which is hereto annexed and marked "Exhibit 2."

6. The discontinuing and closing of all that part of East Forty-eighth street which is bounded and described as follows, to wit:

All that portion of East Forty-eighth street lying between a line 116 feet 8 inches easterly of and parallel with the easterly line of Madison avenue and the present railroad occupation, being a parcel 33 feet 4 inches in length by 60 feet in width, and which is shown by yellow shading and marked "E" on the map thereof, which is hereto annexed and marked "Exhibit 2."

7. The discontinuing and closing of all that part of Park avenue and all those parts of East Forty-ninth street, East Fiftyth street, East Fifty-first street, East Fifty-second street, East Fifty-third street, East Fifty-fourth street and East Fifty-fifth street, which are comprised within the parcel of land described as follows:

Beginning at the point of intersection of the southerly line of East Forty-ninth street and the westerly line of Park avenue and running thence westerly on said southerly line of East Forty-ninth street 20 feet; thence in a northeasterly direction 62.71 feet to a point in the northerly line of East Forty-ninth street, said point being 380.25 feet easterly of the easterly line of Madison avenue; thence northerly, parallel with Madison avenue, 200.83 feet to the southerly line of East Fiftyth street; thence easterly on the said southerly line of East Fiftyth street 3.75 feet; thence northerly on a line parallel with the easterly line of Madison avenue and 103 feet easterly thereof 1164.17 feet to the northerly line of East Fifty-fifth street; thence in a northeasterly direction 204.34 feet to a point on the southerly line of East Fifty-sixth street, said point being 430.73 feet easterly of the easterly line of Madison avenue; thence easterly along said southerly line of East Fifty-sixth street to the present railroad occupation; thence southerly along said railroad occupation about 1,027 feet to the westerly line of Park avenue; thence northerly along said westerly line of Park avenue 100.42 feet to the point of beginning, and which are shown by yellow shading and marked "F" on the map thereof, which is hereto annexed and marked "Exhibit 2."

8. The discontinuing and closing of all that part of Park avenue and all those parts of East Forty-ninth street and East Fiftyth street which are comprised within the parcel of land described as follows:

Beginning at the point of intersection of the southerly line of East Fiftyth street and the easterly line of Park avenue and running thence southerly on said easterly line of Park avenue 200.83 feet to the northerly line of East Forty-ninth street; thence easterly on the northerly line of East Forty-ninth street 100 feet; thence southerly on a line parallel with and 305 feet distant from the westerly line of Lexington avenue 60 feet to the southerly line of East Forty-ninth street; thence westerly along the said southerly line of East Forty-ninth street about 145 feet to the present railroad occupation; thence northerly along said railroad occupation 370.83 feet; thence southerly about 50 feet to a point on the northerly line of East Fiftyth street, said point being 40 feet westerly of the easterly line of Park avenue; thence southerly on the arc of a circle of 20 feet radius to the point of beginning, and which are shown by yellow shading and marked "G" on the map thereof, which is hereto annexed and marked "Exhibit 2."

Resolved, That the President of the Borough of Manhattan cause to be prepared for submission to this Board three similar maps or plans for certification and filing in the manner required by law, showing as nearly as possible the nature and extent of the proposed widening and closing and the location of the immediate adjacent or of intersecting open or established streets, roads, squares, or places, sufficient for the identification and location thereof.

Resolved, That this Board consider the proposed widening and closing at a meeting of this Board, to be held in the old Council Chamber (Room 16), City Hall, Borough of Manhattan, City of New York, on the 21st day of November, 1902, at 2.30 o'clock p. m.

Resolved, That the Secretary of this Board cause these resolutions and a notice to all persons affected thereby that the proposed widening and closing will be considered at a meeting of the Board, to be held at the aforesaid time and place, to be published in the "City Record" for ten days continuously, Sundays and legal holidays excepted, prior to the 21st day of November, 1902.

J. W. STEVENSON,  
Secretary.

Attest:  
JOHN H. MOONEY,  
Assistant Secretary.

**NOTICE IS HEREBY GIVEN THAT WE,** the undersigned, were appointed by an order of the Supreme Court made and entered herein on the 31st day of December, 1901, and duly filed in the office of the Clerk of Kings County, a copy of which order was filed in the office of the Register of the County of Kings on the 8th day of January, 1902, and indexed in the Index of Conveyances in section 18, blocks 5076, 5077, 5078, 5079, 5080, 5081, 5082, 5083, 5084, 5085, 5086, 5087, 5088, 5089, 5090, 5091, 5092, 5093, section 10, blocks 6266, 6267, 6268, 6269, 6270, 6271, 6280, 6281. Commissioners of Estimate and Assessment for the purpose of making a just and equitable estimate of the loss or damage, if any, to the respective owners, lessees, parties and persons entitled to or interested in the lands and premises to be taken for the purpose of opening the said street or avenue, as particularly described in the petition of The City of New York, filed with said order in the office of the Clerk of Kings County, and for the purpose of making a just and equitable assessment of the benefit of said street or avenue so to be opened, to the respective owners, parties and persons respectively entitled to or interested in the lands and premises and not required for the purpose of opening said street or avenue, but benefited thereby, and of ascertaining and defining the district benefited by said assessment, and the extent and boundaries of the respective tracts and parcels of land participating in said benefit, and of performing the trusts and duties required of us by title 4 of chapter XVII, of the Charter of The City of New York, and the acts or parts of acts supplementary thereto or amendatory thereof.

All parties and persons interested in the lands and premises taken or to be taken for the purpose of opening said street or avenue, or affected thereby, and having any claim or demand on account thereof, are hereby required to present the same, duly verified, to us, the undersigned Commissioners of Estimate and Assessment, at our office in the Bureau of Street Openings of the Law Department, Borough Hall, Borough of Brooklyn, in The City of New York, with such affidavits or other proofs as the said owner or claimants may desire, within twenty days after date of this notice.

And we, the said Commissioners, will be in attendance at our said office on the 5th day of December, 1902, at 10 o'clock in the forenoon of that day, to hear the said parties and persons in relation thereto; and at such time and place, and at such further or other time and place as we may appoint, we will hear such owners in relation thereto, and examine proofs of such claimant or claimants, or such additional proofs and allegations as may then be offered by such owner or on behalf of The City of New York.

Dated Borough of Brooklyn, The City of New York, November 8, 1902.

THOMAS H. TROY,

JOSEPH A. GARDINER,

VICTOR A. ROBERTSON,

Commissioners.

## FIRST DEPARTMENT.

In the matter of the application of The City of New York, relative to acquiring title, wherever the same has not been heretofore acquired, to the lands and premises required for the opening and extending of CHISHOLM STREET (although not yet named by proper authority), from Stebbins avenue to Intervale avenue, in the Twenty-third Ward, Borough of The Bronx, City of New York.

**WE, THE UNDERSIGNED, COMMISSIONERS** of Estimate and Assessment in the above-entitled matter, hereby give notice to all persons interested in this proceeding, and to the owner or owners, occupant or occupants of all houses and lots and improved and unimproved lands affected thereby, and to all others whom it may concern, to wit:

First.—That we have completed our estimate and assessment, and that all persons interested in this proceeding, or in any of the lands, tenements and hereditaments and premises affected thereby, and having objections thereto, do present their said objections in writing, duly verified, to us at our office, Nos. 90 and 92 West Broadway, in the Borough of Manhattan, in The City of New York, on or before the 24th day of November, 1902, and that we, the said Commissioners, will hear parties so objecting, and for that purpose will be in at

tendance at our said office on the 26th day of November, 1902, at 11 o'clock a. m.

Second—That the abstract of our said estimate and assessment, together with our damage and benefit maps, and also all the affidavits, estimates, proofs and other documents used by us in making our report, have been deposited in the Bureau of Street Openings, in the Law Department of The City of New York, Nos. 90 and 92 West Broadway, in the Borough of Manhattan, in said city, there to remain until the 4th day of December, 1902.

Third—That the limits of our assessment for benefit include all those lands, tenements and hereditaments and premises situate, lying and being in the Borough of The Bronx, in The City of New York, which, taken together, are bounded and described as follows, viz.:

Beginning at the point of intersection of a line drawn parallel to and distant 100 feet easterly from the easterly line of Intervale avenue with a line drawn parallel to and distant 100 feet northerly from the northerly line of East One Hundred and Sixty-ninth street, running thence westerly along said last mentioned parallel line to its intersection with a line drawn parallel to and distant 100 feet westerly from the westerly line of Lyman place, thence northerly along said parallel line to the southeasterly line of Prospect avenue, thence northeasterly along the southeasterly line of Prospect avenue to its intersection with a line drawn parallel to and distant 100 feet northerly from the northerly line of Freeman street, thence easterly along said parallel line to its intersection with a line drawn parallel to and distant 100 feet westerly from the westerly line of Chisholm street, thence northerly along said parallel line and its northerly prolongation to its intersection with a line drawn parallel to and distant 100 feet northerly from the northerly line of Jennings street, thence easterly along said parallel line to its intersection with the northerly prolongation of a line drawn parallel to and distant 100 feet easterly from the easterly line of Chisholm street, thence southerly along said prolongation and parallel line to its intersection with a line drawn parallel to and distant 100 feet northerly from the northerly line of Freeman street, thence easterly along said parallel line to the westerly line of Bristow street, thence southerly along the westerly line of Bristow street and its southerly prolongation to the southeasterly line of Stebbins avenue, thence southerly along the southeasterly line of Stebbins avenue to its intersection with a line drawn parallel to and distant 100 feet southerly from the southerly line of Freeman street, thence easterly along said parallel line and its easterly prolongation to its intersection with a line drawn parallel to and distant 100 feet easterly from the easterly line of Intervale avenue; thence southerly along said parallel line to the point or place of beginning, as such streets are shown upon the final maps and profiles of the Twenty-third and Twenty-fourth Wards of The City of New York, excepting from said area all streets, avenues and roads, or portions thereof, heretofore legally opened, as such area is shown upon our benefit maps deposited as aforesaid.

Fourth—That our report herein will be presented for confirmation to the Supreme Court of the State of New York, First Department, at a Special Term thereof, Part III., to be held in the County Courthouse, in the Borough of Manhattan, in The City of New York, on the 5th day of February, 1903, at the opening of the Court on that day.

Dated Borough of Manhattan, New York, October 8, 1902.

#### PROPOSALS FOR BIDS AND ESTIMATES FOR THE CITY OF NEW YORK.

##### NOTICE TO CONTRACTORS.

##### GENERAL INSTRUCTIONS TO BIDDERS.

The person or persons making a bid or estimate for any services, work, materials or supplies for The City of New York, or for any of its departments, bureaus or offices, shall furnish the same in a sealed envelope indorsed with the title of the supplies, materials, work or services for which the bid or estimate is made, with his or their name or names and the date of presentation to the President or Board or to the head of the department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the estimates received will be publicly opened by the President or Board or head of said department, and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, and, if no other person be so interested it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of The City of New York is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned below. No bid or estimate will be considered unless accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City.

The contracts must be bid for separately. The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures. Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which with the proper envelope in which to enclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the department for which the work is to be done. Plans and drawings of construction work may also be seen there.
