Alderman JOHN PURROY MITCHEL, Chairman Board of Aldermen, City Hall, New York City:

Dear Sir—At a recent meeting of the Messiah Social Service League of New York City, the following resolution was recommended and unanimously passed by its members:

Whereas, Ordinance No. 410, proposed by Alderman Stapleton, requiring a plate or sign with the name and address of the owner to be placed in each building, that is, tenement and hotel, of the City of New York, has been introduced before the honorable Board of Aldermen, and has been referred to the Committee on Laws and Legislation, Max Levine, Chairman, where it now rests;

Resolved, The Messiah Social Service League of New York City respectfully asks the prompt consideration of this ordinance by the honorable Board, and urges its adoption as introduced.

Resolved, That copies of this resolution be sent to Alderman Stapleton, Alderman Levine and the Chairman of the Board, Mr. John Purroy Mitchel.

You are hereby requested to bring to the attention of your Board for prompt consideration Ordinance No. 410; and you are further requested to bring pressure to bear upon the adoption of the proposed ordinance. Respectfully submitted,

No. 2679.

New York, January 19, 1911.

Mr. JOHN PURROY MITCHEL, President of Board of Aldermen:

My Dear Sir—On October 21 I wrote you a letter referring to the outrageous conditions existing at the entrances of our leading theatres, or wherever a popular play is in progress, owing to the assembling before these houses of a number of ticket speculators, who, as a class, are a tough lot of villainous loafers, who absolutely refuse to acknowledge any authority, except that of brute force.

Some of the Magistrates appear to be in league with these peddlers, because when the police arrest them, as they have done on various occasions, they are discharged, notwithstanding the fact that they are continually violating the law, which prohibits peddling or the sale of any article on the sidewalk without a license, and it does not specify whether the party is selling shoe strings, cabbages or theatre tickets.

In your letter of October 25, in which you acknowledge mine of the 21st, you stated that the Committee on Laws and Legislation had under consideration at that time an ordinance relating to that subject. That is practically three months ago, and that Committee is still asleep.

I have talked with many citizens in regard to these conditions, asking if anyone could tell me what was the peculiar influence that enabled the speculators to have such a hold on the Board of Aldermen that it was impossible to get an ordinance passed that would suppress them. Of course we all have our ideas why. The conditions are daily growing worse, and they are a disgrace to the City. It is high time that the influence brought to bear on the Board (no matter what it may be) that has prevented the passage of an ordinance to regulate these rascals and prevent their annoying people, by blocking the sidewalk, misrepresenting the location of seats, insulting everyone who objects to them, even assaulting people, should be put one side and our citizens protected against these villainous rascals. Respectfully yours,

CHAS. F. GUYON.

P. S.—I was assaulted by three of the cowardly loafers, who ran away like sheep. Which was referred to the Committee on Laws and Legislation.

President of the Board of Aldermen:

Dear Sir—At the Annual Convention of the C. A. I. L., held on January 10, 1911, the enclosed resolution was passed, and I am sending it to you with the earnest hope that you will do all in your power to secure the passage of the Folks resolution. There is surely great need that something be done to stop the present demoralizing exhibitions, of which one hears on every side, and to promote the giving of wholesome entertainments, so much needed by all the people of our great city.

Trusting you will do your utmost in this direction, Very truly yours,

MARGARET SCHUYLER LAWRENCE, Corresponding Secretary.

Annual Convention of the C. A. I. L., held January 10, 1911. Preamble and resolution offered by Josiah C. Pumpelly, Chairman, Committee on Church and Stage:

Whereas, The motion picture shows, occupying 500 buildings in Greater New York, are now catering to a daily patronage of 500,000 persons, afternoon and evening, the week through, including Sundays; also that large sums of money are involved in the business, and many moral and civic questions are to be considered in the censoring and overseeing of these shows, and

Whereas, A resolution is now pending before the Board of Aldermen recommending “that the Mayor appoint a committee of nine to investigate the entire subject and report proper action in connection therewith,” which resolution has been approved by “The Conference on Motion Pictures,” of which the Rev. A. W. Hind is Chairman, and

Whereas, Said Conference have asked this society to aid them by our influence to obtain the passage of said ordinance; therefore,

Resolved, That this society, in convention convened, heartily commends the object and purpose of this said ordinance, and also the good work that has been done by the “Conference on Motion Pictures”; requests our Secretary to send a copy of this resolution to Alderman Folks, the proposer of the resolution; also to the members of the Committee on Laws and Legislation, asking that they vote for this ordinance, and to the Mayor of the City, the President of the Board of Aldermen, and the Chairman of the Conference on Motion Pictures.

Which was referred to the Committee on Laws and Legislation.

Hon. JOHN PURROY MITCHEL, President, Board of Aldermen, New York City: Sir—On March 8, 1910, the Board of Aldermen, on our request, based upon the recommendation of our architects, Messrs. McKim, Mead & White, authorized the issue of Revenue Bonds not exceeding \$2,000, to be used with other funds then available for the work of converting Ward 31 of Bellevue Hospital into an isolation ward. Following thereon, bids were received as follows:

John J. Kenney Company.....	10,135 00

As the lowest bid was in excess of the appropriation, the architects were requested to modify the specifications to reduce the cost. This was done, and although it was

A. and W. Gray & Company, Inc.....	6,900 00
John J. Kenney Company.....	7,100 00

The President laid before the Board the following communication from the President, Borough of Manhattan:

No. 2682.

City of New York, Office of the President of the Borough of Manhattan, City Hall, January 18, 1911.

The Honorable Board of Aldermen:

Gentlemen—Request is hereby made for an issue of Special Revenue Bonds to the amount of \$4,500 for the construction of an extension to sewer at the foot of One Hundred and Twenty-ninth street, Hudson River. Proceedings for this improvement were initiated by the Local Board of the Riverside District by resolution adopted October 4, 1910.

The sewer heretofore built in this street now outlets at a point about 150 feet from the bulkhead. Since it was built, the Dock Department has constructed at the end of the street a recreation pier, which is also a landing for the boats of the Albany Day Line, and which extends about 70 feet into the river beyond the sewer outlet. The sanitary condition of the water front in the locality having been complained of, it is now proposed to improve it by continuing the sewer to the end of the pier and by giving it an outlet into deeper water. The assessed valuation of the property to be benefited is \$177,533,000, and the drainage area comprises about 5,200 lots, so that the cost of levying and collecting the assessment would be much greater than that of the construction work.

A situation similar to this arose in 1909, in the reconstruction of the sewer at the foot of Clarkson street, North River. When the matter reached the Board of Assessors, objection to proceeding by the method of assessment was made on the ground of the great cost, labor and inconvenience to property owners incidental to the apportionment, and upon the recommendation of the Board of Estimate and Apportionment the cost of the improvement was finally met by Special Revenue Bonds authorized by your Board.

In the present case the matter has been similarly referred by me to the Board of Estimate and Apportionment, and has been referred back to me with the suggestion that I apply to your Board for Special Revenue Bonds sufficient to defray the cost of the work. Respectfully yours,

GEORGE MCANENY, President.

Which was referred to the Committee on Finance.

The President laid before the Board the following communication from the President, Borough of The Bronx:

No. 2683.

City of New York, President of the Borough of The Bronx, 3d Ave. and 177th St., Office of the President, January 18, 1911.

P. J. SCULLY, Esq., City Clerk:

Dear Sir—Copy of resolution relative to drafts on the Comptroller to pay minor incidental expenses incurred during the year 1911 in the Bureau of Sewers, Bureau of Highways-Maintenance, and General Administration of this office enclosed herewith. Very respectfully yours,

PATRICK A. WHITNEY, Commissioner.

Resolved, That for the purpose of enabling the Commissioner of the Department of Correction to carry out the provisions of chapter 471, Laws of 1879, and section 108 of chapter 429, Laws of 1896, relative to Donations to Discharged Prisoners, the said Commissioner of Correction may, by requisition, draw upon the Comptroller for a sum not exceeding one thousand dollars (\$1,000), and may in like manner renew the draft as often as he may deem necessary, to the extent of the appropriation set apart for Donations to Discharged Prisoners during the year 1911; but no such renewal shall be made until the money paid upon the preceding draft shall have been accounted for to the Comptroller by the transmittal of a voucher certified by the said Commissioner of Correction, covering the expenditure of the money paid thereon.

The City of New York, Office of the President of the Borough of Queens, Long Island City, January 19, 1911.

Hon. JOHN PURROY MITCHEL, President of the Board of Aldermen, City of New York:

Dear Sir—I beg to enclose herewith for adoption by the Board of Aldermen a resolution in connection with expenditures for contingencies in the office of the President. I would thank you to take such action as will be necessary for its passing.

A resolution of similar import has been passed in previous years by the Board of Aldermen. Respectfully,

Which was referred to the Committee on Finance.

The President laid before the Board the following communication from the President, Borough of Richmond:

No. 2686.

The City of New York, Office of the President of the Borough of Richmond, Borough Hall, New Brighton, New York City, January 19, 1911.

P. J. SCULLY, Esq., Clerk to the Board of Aldermen, City Hall, New York City:

Dear Sir—Enclosed herewith please find draft of a resolution allowing me to draw from time to time upon the Comptroller for a sum not exceeding \$500 from the Contingency Fund. Will you have this resolution placed upon the calendar for action by the Board, and oblige. Yours very truly,

GEORGE CROMWELL, President of the Borough.

Resolved, That for the purpose of defraying minor incidental expenses contingent to the office of the President of the Borough of Richmond, the said President of the Borough of Richmond may, by requisition, draw upon the Comptroller for a sum not exceeding five hundred dollars (\$500), and may in like manner renew the draft as often as may be deemed necessary, to the extent of the appropriation set apart for Contingencies in his office during the year 1911; but no such renewal shall be made until the money paid upon the preceding draft shall be accounted for to the Comptroller by the transmittal of a voucher or vouchers, certified by the President of the Borough of Richmond, covering the expenditure of the money paid thereon.

The President laid before the Board the following communication from the Trustees of Bellevue and Allied Hospitals:

No. 2687.

Bellevue and Allied Hospitals, Office of the Board of Trustees, 4th Ave. and 26th St., New York, January 11, 1911.

Hon. JOHN PURROY MITCHEL, President, Board of Aldermen, New York City.

Sir—The Trustees have the honor to request the Board of Aldermen to authorize the issue of Revenue Bonds to an amount not exceeding \$5,176.88, for the purpose of paying the wages of three additional engineers and one mechanic required for the operation of the machinery of the boiler house and coaling station and the pathological department and men's dormitory of the new Bellevue Hospital, as follows:

3 Engineers, at \$4.50 per day each (365 days).....	\$4,927 50
1 Hospital Helper—Mechanic.....	720 00

\$5,647 50

Less one-twelfth for month of January.....

470 62

\$5,176 88

The boiler house will be occupied by this Department without fail on January 28. The pathological department and men's dormitory building is now under our care, the work of the general contractor having been completed two or three months ago. These buildings contain much expensive machinery, and serious damage might result if it is not properly looked after. These employees are required at once, and it is earnestly urged that prompt action be taken upon this request.

Provision was made in the Department Estimate for 1911 for the wages of these employees, but was not allowed, as there was some doubt as to what time the buildings would be under the care of the Trustees. This question has been determined by the actual completion of the buildings. Respectfully,

J. K. PAULDING, Secretary, Board of Trustees.

Which was referred to the Committee on Finance.

Respectfully yours,

A. E. PALMER, Secretary, Board of Education.

To the Board of Education:

The Committee on Finance respectfully reports that it is in receipt of a communication from the Secretary, as follows:

"January 17, 1911.

Hon. JOHN GREENE, Chairman, Committee on Finance:

Dear Sir—I beg to advise you that at a meeting of the Committee on Care of Buildings held on January 13, 1911, consideration was had on communications from the Acting Deputy Auditor and the Committee on By-Laws and Legislation relative to the deficiency in the appropriation for "Compensation of Janitors" for the year 1911, and it was ordered that the Committee on Finance be requested to present a resolution to the Board asking the Board of Aldermen to adopt a resolution requesting the Board of Estimate and Apportionment to authorize the issue of Special Revenue Bonds to an amount sufficient to meet the present deficiency in the appropriation for Compensation of Janitors for the year 1911. The President laid before the Board the following communication from the Supervisor of the City Record:

No. 2689.

Board of City Record, Office of the Supervisor, New York, January 18, 1911.

Hon. JOHN PURROY MITCHEL, President of the Board of Aldermen:

Dear Sir—In the matter of the resolution adopted by the Board of Aldermen at the meeting of January 2 last, requesting me to print in the January Civil List supplement to the City Record the names, salaries, etc., of the employees of twelve institutions partly maintained by the City of New York, I have received from the Corporation Counsel an opinion on the question of my legal right to carry out the wishes of the Board of Aldermen. The opinion of the Corporation Counsel is as follows:

Law Department, Office of the Corporation Counsel, New York, January 17, 1911.

DAVID FERGUSON, Esq., Supervisor of the City Record:

Sir—I have your letter dated January 5, 1911, in which you quote a report of the Committee on Finance of the Board of Aldermen, and a resolution adopted by that Board on January 2, 1911, by the terms of which the Supervisor of the City Record is requested to include in the Civil List to be published in the City Record in January, 1911, a list of the employees of the following institutions:

The Aquarium, Metropolitan Museum of Art, New York Botanical Garden, Museum of Arts and Sciences, Brooklyn Public Library, New York Public Library, Astor, Lenox and Tilden Foundations, American Museum of Natural History, Jumel Mansion, New York Zoological Garden, Children's Museum, Botanical Garden and Arboretum, and Queens Borough Public Library.

This resolution was adopted upon the assumption that the publication of the names of the employees of these institutions is authorized by this provision of section 1528 of the Charter:

"There shall be published in the City Record, within the month of January and within the month of July, a list of all the officials and employees employed in any of the departments, bureaus or offices of the City Government, and of the counties therein contained, who have been or have become such officials or employees during the preceding six months." * * *

I do not regard this statute as applicable to the subject. None of the institutions above mentioned are included within any of the "departments, bureaus or offices of the City Government, and of the counties therein contained," but are separately constituted corporations organized and existing by virtue of legislative authority outside of the Charter. In no instance do I believe has any of these institutions relation to the City Government, except by reason of the provisions of section 230 of the Charter, and of contracts existing between them and certain offices of the City Government, executed in pursuance of statute, whereby the City makes certain annual appropriations for the purpose of assisting in the maintenance of them and whereby these municipal officials are vested with certain advisory and supervisory powers over them. They can not in any sense be regarded as forming any part of the Municipal Government, or as being included within any of the departments, bureaus or offices of the City.

It follows in my opinion that the publication of the list of employees of these institutions is not authorized by the provisions of section 1528 of the Charter, nor as far as I have been able to discover, by any other statute. Such being the case, the provisions of section 1526 of the Charter are applicable. The material part of that section reads as follows:

"There shall be inserted in the said CITY RECORD nothing aside from such official matters as are expressly authorized."

This provision, therefore, operates as a prohibition against the publication of these lists. Since in pursuance of the provisions of section 230 of the Charter, the Board of Estimate and Apportionment has been accustomed to include in the annual budget appropriations for many of these institutions, and since in pursuance of contracts, certain relations exist between them and the City Government, the number and names of their employees may be regarded as of official interest. There is, therefore, authority for their publication if the Mayor so directs, for section 1528 of the Charter contains this provision:

"The Mayor may order the insertion of any official matter or report in the CITY RECORD."

In the absence of a direction by the Mayor, I think there is no authority for the publication of the lists which the Board of Aldermen requested of you to insert in the CITY RECORD. Respectfully yours,

(Signed) G. L. STERLING, Acting Corporation Counsel.

As this opinion in effect holds that it would be illegal to print the names and salaries of the employees of the institutions referred to, I regret that I will be unable to carry out the request of the Board of Aldermen. I respectfully direct your attention, however, to the last portion of the opinion of the Corporation Counsel, which states that the Mayor may order the insertion of any official matter or report in the CITY RECORD. Respectfully,

DAVID FERGUSON, Supervisor of the City Record.

Which was ordered on file.

On motion of Alderman Dowling, the Clerk was directed to forward a copy of this communication to his Honor the Mayor, calling his attention to the last paragraph thereof.

The President laid before the Board the following communication from the Board of Education:

No. 2690.

To the Board of Education:

"January 17, 1911.

Hon. JOHN GREENE, Chairman, Committee on Finance:

Dear Sir—I beg to advise you that at a meeting of the Committee on Care of Buildings, held on January 13, 1911, consideration was had on communications from the Acting Deputy Auditor and the Committee on By-Laws and Legislation relative to the deficiency in the appropriation for "Compensation of Janitors" for the year 1911, and it was ordered that the Committee on Finance be requested to present a resolution to the Board asking the Board of Aldermen to adopt a resolution requesting the Board of Estimate and Apportionment to authorize the issue of Special Revenue Bonds to an amount sufficient to meet the present deficiency in the appropriation for "Compensation of Janitors" for the year 1911. No. 2691.

Department of Water Supply, Gas and Electricity, Commissioner's Office, 13-21 Park Row, City of New York, January 19, 1911.

Hon. JOHN PURROY MITCHEL, President of the Board of Aldermen:

Dear Sir—In the introduction of our new accounting methods and the reorganization of the personnel of the Bureaus of Water Register in the different boroughs of the City, we find that we are seriously handicapped owing to the lack of proper facilities to enable us to carry on the work with any degree of efficiency and promptness. This matter was gone into thoroughly last year and the necessary funds provided by the Board of Estimate and Apportionment to fully equip the offices under review. The transfer of the funds necessary was made at such a late day in the month of December that we were unable to avail ourselves of its use; therefore, the money reverted to the general fund.

At the time the 1911 estimate was prepared the Department made no provision for these improvements, it being contemplated to use the unexpended balances from other funds.

The estimate of \$19,000 will allow of the purchase of furniture, fittings, adding machines, typewriters, rearrangement of offices, etc. Part of the furniture necessary consists of cabinets and desks which are to be similar in all respects to those now in use in the Manhattan office, and they will afford the utmost protection to the public records, which, at the present time, are handled and kept in a very unsatisfactory manner, there being at all times a possibility of great loss which the City would not be in a position to adequately determine.

It is the duty of the City to properly preserve its records, especially the books in all the boroughs containing items of revenue, and this can be accomplished only by granting the relief above requested for the proper equipment of the offices.

The amount requested, \$19,000, we wish the Honorable Board to provide by issuing Special Revenue Bonds, and that you kindly present this communication to the Board of Aldermen for consideration at its next meeting. Respectfully yours,

HENRY S. THOMPSON, Commissioner.

Department of Finance, Bureau of Municipal Investigation and Statistics, January 16, 1911.

To the Board of Estimate and Apportionment:

Gentlemen—On December 15 and 29, 1910, and January 12, 1911, the Board of Education submitted resolutions requesting the fixation of the compensation of sundry janitors in the public schools, in accordance with lists attached thereto.

These lists include temporary assignments, changes in compensation due to additional floor area, etc, new appointments and transfers.

In the resolution of the Board of Estimate and Apportionment adopted September 1, 1910, fixing the salaries of janitors in schools for all boroughs, for month of August preceding, and until further modified, the name of the incumbent as well as the title of the position was mentioned, with the result that it now becomes necessary for the Boards of Estimate and Apportionment and of Aldermen to take action in case of every reassignment. In order to avoid such procedure in the cases now under consideration in the future, we recommend that the proposed grades be established as requested, but that the salary be fixed for the position only, the name of the incumbent being omitted. A resolution to this effect is attached hereto.

Respectfully,
 WM. A. PRENDERGAST, Comptroller; J. PURROY MITCHEL, President of the Board of Aldermen.

No. 2695.

Whereas, The Board of Estimate and Apportionment adopted the following resolution at a meeting held January 19, 1911:

Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of section 56 of the Greater New York Charter, hereby recommends to the Board of Aldermen the establishment in the Department of Health, of the grades of positions, in addition to those heretofore established, as follows:

Title.	Rate per Annum.	Number of Incumbents.
Stableman	\$600 00	Unlimited
Cleaner	480 00	Unlimited

Resolved, That the Board of Aldermen hereby approves of and concurs in the above resolution and fixes the salaries of said positions as set forth therein.

Department of Finance, Bureau of Municipal Investigation and Statistics, January 19, 1911.

To the Board of Estimate and Apportionment:

Gentlemen—On January 18, 1911, the President of the Borough of The Bronx requested the establishment in his office, pursuant to the provisions of section 56 of the Greater New York Charter, of the following grades of positions:

Title.	Rate.	No. of Incumbents.
Sewer Cleaner	\$3 00 per diem	Unlimited
Stableman	2 50 per diem	Unlimited
Housesmith	5 00 per diem	Unlimited
Stenographer and Typewriter	900 00 per annum	Unlimited

In connection therewith we report as follows:

The President states the rate of \$2.50 a day for a stableman is to permit of the payment of a lower rate than that paid at present. He states that the grade of sewer cleaner at \$3 a day is for an increase of 50 cents a day to sewer cleaners who enter the sewer basins. The \$3 grade was recently established for sewer cleaners doing similar work in the Borough of Brooklyn. The grade of housesmith at \$5 a day is established for all city departments as the prevailing rate. The grade of Stenographer and Typewriter at \$900 per annum is requested for an intermediate rate of compensation for the position.

We recommend approval of the request, with the exception of the establishment for housesmith, by the adoption of the attached resolution. Respectfully,

WM. A. PRENDERGAST, Comptroller; JOHN PURROY MITCHEL, President, Board of Aldermen; Select Committee.

Gentlemen—On January 17, 1911, the Board of Health requested the establishment in the Department of Health of the grades of positions of Stableman at \$600, and Cleaner at \$480 per annum.

That this is for the regular work of this bureau, and is estimated as being sufficient for six months ending June 30, 1911. A letter of explanation is attached hereto.

Be it Ordained by the Board of Aldermen of The City of New York as follows:

Section 1. The Board of Aldermen hereby approves of and concurs in the following resolution adopted by the Board of Estimate and Apportionment January 12, 1911, and authorizes the Comptroller to issue corporate stock of The City of New York, to the amount and for the purposes therein specified.

Resolved, That pursuant to the provisions of section 47 of the Greater New York Charter as amended, the Board of Estimate and Apportionment hereby approves of the issue of corporate stock of The City of New York to an amount not to exceed thirty thousand dollars (\$30,000), in addition to amounts heretofore authorized, for the Fund for Topographical Bureau of the Borough of Brooklyn, for the payment of salaries and wages in preparing and completing maps of all territory within said Borough, and when authority therefor shall have been obtained from the Board of Aldermen, the Comptroller is authorized to issue corporate stock of The City of New York in the manner provided by section 169 of the Greater New York Charter, to an amount not exceeding thirty thousand dollars (\$30,000), the proceeds whereof to be applied to the purposes aforesaid.

Office of the President of the Borough of Brooklyn, January 23, 1911.

Finance Committee of the Board of Aldermen:

Sirs—The Borough of Brooklyn contains an area of about 50,000 acres. The outlying districts of New Lots, Flatbush, Flatlands, Gravesend and New Utrecht equal about seven-tenths of the entire area of the Borough or approximately 35,000 acres.

The Commissioner's map of the Kings County towns was made in 1874, but unfortunately very few of the proposed streets were monumented, and many of the important features such as the connections between the various street systems were omitted from this Commissioner's map.

Approximately 80 per cent. of all the building operations of the entire Borough are located in these outlying sections. In order to avoid building encroachments upon streets, and also the possibilities of large damages in street opening proceedings, and the great delay to developments due to lawsuits caused by the indefinite locations of the streets as shown upon various property maps, it is absolutely necessary that the street lines be well defined and their positions located by monuments upon the ground.

Provision has been made for carrying on this work in the past by Corporate Stock Funds, and during the past year considerable work has been accomplished in monumenting and fixing new grades for streets as made necessary by the large amount of improvements being carried out in the outlying sections. This work is of permanent value and is a great saving to property owners as it is used in the preparation of the street and park opening maps and for original improvements in new streets.

In order to continue this important work it is necessary that the Board of Aldermen approve of the issue of \$31,500 Corporate Stock for the Topographical Bureau of Brooklyn, as recommended by the Board of Estimate and Apportionment at their meeting held on January 12, 1911. Very respectfully,

CHARLES R. WARD, Chief Engineer.

No. 2582—(G. O. No. 98.)

The Committee on Finance, to which was referred on January 10, 1911 (Minutes, page 37) the annexed request from the former District Attorney of Richmond County for an issue of \$1,839.87 special revenue bonds to meet certain unpaid bills, respectfully

REPORTS:

That, having examined the subject, it believes the desired bond issue to be necessary. The details are set forth in the letter of request. Former District Attorney Evins has explained that during the period covered by these bills there were five murder trials, which made necessary these expenditures. The present District Attorney, who was at that time an assistant in the office, has endorsed this application.

The Committee recommends that the said ordinance be adopted.

Resolved, That in pursuance of the provisions of subdivision 8 of section 188 of the Greater New York Charter, the Board of Estimate and Apportionment be and it

is hereby requested to authorize the Comptroller to issue special revenue bonds to the amount of one thousand, eight hundred and thirty-nine dollars and eighty-seven cents (\$1,839.87), the proceeds whereof to be used by the District Attorney of Richmond County for the purpose of paying certain bills which became a charge upon this office during the year 1909.

District Attorney's Office, Richmond County, Borough Hall, New Brighton, New York, December 31, 1910.

Honorable Board of Aldermen of The City of New York, City Hall, Borough of Manhattan, New York City, New York:

Dear Sirs—The books of this office show unpaid bills amounting to one thousand eight hundred and thirty-nine dollars and eighty-seven cents (\$1,839.87) for the year 1909, for services and attendance of expert witnesses, etc., as follows:

Physicians and surgeons.....	\$845 00
Engineers	75 00
Photographers	80 00
Grand Jury stenographer.....	338 90
Interpreters	225 00
Law Journal and law books.....	15 00
Telephone charges.....	147 22
Expert on value.....	20 00
Maintenance and repairs to automobile.....	62 50
Hire of automobile while office car was out of order.....	24 40
Expenses of Detective McKittrick to Cornwall and Fitchcliff, N. Y.....	6 25
Repairs to typewriter.....	60

Total.....\$1,839 87

During the year 1909 there were a number of cases of exceptional difficulty, including five cases of murder in the first degree, which added greatly to the expense of running this office.

In the year 1909 there was no official interpreter or grand jury stenographer, consequently the charges for both the interpreter and the grand jury stenographer had to be paid out of the contingent fund. The fact that the County Court House is located eight miles from the Borough Hall is an additional cause of expense, especially in mileage charges of witnesses who attend before the court and grand jury.

In the year 1909 there was a balance in the salary account of this office amounting to two thousand dollars and twelve cents (\$2,000.12), which I thought would be transferred to the account of witness fees and contingencies, but without my knowledge this sum was transferred to the general fund.

The bills are proper county charges and should be paid. I, therefore, respectfully request your Honorable Board to authorize the Comptroller of The City of New York to issue special revenue bonds to provide the means necessary to pay the above mentioned deficiency. Respectfully,

SAMUEL H. EVINS, District Attorney, Richmond County, N. Y.

FRANK L. DOWLING, CHARLES P. COLE, JOHN DIEMER, WM. J. HEFFERNAN, THOMAS J. McALEER, FRANCIS P. KENNEY, MICHAEL STAPLETON, Committee on Finance.

Under Rule 21, consideration of this report was deferred. Subsequently this report was laid over.

The Committee on Finance, to which was referred on January 10, 1911 (Minutes, page 333), a request from the President, Borough of Manhattan, for \$70,000 special revenue bonds to replenish fund for repair of street pavements, respectfully

The Committee on Finance, to which was referred on January 10, 1911 (Minutes, page 335) the annexed resolution in favor of an issue of \$12,265 special revenue bonds to meet emergencies in office of County Clerk of Kings County, respectfully

REPORTS:

That, having examined the subject, it believes the proposed issue to be necessary to enable the County Clerk to carry on the work required of his office by law. County Clerk Malloy stated that this amount was probably omitted from the Budget by an error.

The Committee recommends that the said resolution be adopted.

Resolved, That in pursuance of the provisions of subdivision 8 of section 188 of the amended New York Charter, the Board of Estimate and Apportionment be and hereby is requested to authorize the Comptroller to issue special revenue bonds to the amount of twelve thousand two hundred and sixty-five dollars (\$12,265), the proceeds whereof shall be applied as follows: \$7,565, to the payment of copyists at 5 cents per folio to bring the copying up to date; \$1,000, to the payment for services relating to election canvass; \$1,200, to the payment of salary of one clerk at annual salary of \$1,200, said clerk to be employed in Marriage License Bureau; \$2,500, to the payment for steel racks, counters, cases and necessary furniture to equip the Naturalization Bureau of the Supreme Court in the office of the County Clerk of Kings County in the Hall of Records, Borough of Brooklyn, New York.

The Committee on Finance, to which was referred on January 17, 1911 (Minutes, page 351) a request from the District Attorney of Richmond County for \$4,000 special revenue bonds for the purpose of complying with chapter 659, Laws of 1910, respectfully

REPORTS:

That, having examined the subject, it believes the proposed issue to be necessary. The force in this office consists of one assistant, one stenographer and one messenger and at present the work in question is kept up by this force with the assistance of a policeman temporarily assigned for this purpose, much to the neglect of the regular office routine.

The Committee recommends that the accompanying resolution be adopted.

Resolved, That in pursuance of the provisions of subdivision 8 of section 188 of the Greater New York Charter, the Board of Estimate and Apportionment be and it is hereby requested to authorize the Comptroller to issue special revenue bonds to the amount of four thousand (\$4,000) dollars, the proceeds whereof to be used by the District Attorney of Richmond County for the purpose of paying the salaries of two clerks at one thousand dollars a year each, and two county detectives at one thousand dollars a year each to perform work required by chapter 659, Laws of 1910.

REPORTS:

That this meter having passed the required departmental tests, and having been found accurate and efficient, as is certified by the Commissioner of Water Supply, Gas and Electricity, the Committee believes that it should be approved, so that users may have the benefit of increased competition, and therefore recommends that the accompanying resolution be adopted:

Resolved, That in pursuance of section 475 of the amended Greater New York Charter, the American Disc Water Meter, sizes $\frac{3}{4}$ to 2 inches, be and the same is hereby approved as to pattern and price as water meters for use in The City of New York.

Respectfully,

HENRY S. THOMPSON, Commissioner.

The Committee on Laws and Legislation to which was referred on January 17, 1911, (Minutes, page 601) the annexed ordinance in favor of an ordinance to amend section 434 of the Code relating to "the carrying of loaded firearms," respectfully

REPORTS:

That, having examined the subject, they believe the proposed amendment to be necessary. The police authorities are in favor thereof, for the reason that it will minimize the number of applicants for permission to carry loaded weapons and hence their indiscriminate use.

It, therefore, recommends that the said amended ordinance be adopted.

AN ORDINANCE to amend section 434 of Part I of the Code of Ordinances, relating to "the carrying of loaded firearms."

Be it Ordained, by the Board of Aldermen of The City of New York, as follows:

Section 1. Section 434, of chapter 11, of Part I of the Code of Ordinances, relating to "the carrying of loaded firearms," is hereby amended by striking therefrom the sign and figures "\$2.50" and inserting in lieu thereof the sign and figures "\$10.00," so that the same shall read as follows:

Section 434. The Police Commissioner is hereby authorized and empowered, for reasons appearing to be satisfactory to him, to annul or revoke any permission given under this ordinance. Every person to whom a permit shall be granted, as above provided, shall pay therefor the sum of \$10.00, which shall be applied in aid of the Police Pension Fund, and a return, in detail, shall be made to the Comptroller or the Police Commissioner monthly, under oath, of the amount so received and credited. All persons to whom such permission shall be given are hereby declared to be individually responsible for their own acts or the consequences that may arise from the use of loaded pistols, revolvers or firearms carried under the permission obtained as provided in this ordinance.

Section 2. This ordinance shall take effect immediately.

Reports of Committee on Public Letting—

No. 2427.

The Committee on Public Letting, to which was referred on December 13, 1911, (Minutes, page 805) a request from the Commissioner of Docks asking for authority to purchase ferry bridge and pontoon foot of South 8th street, Brooklyn, without public letting, at a cost not to exceed \$3,500, respectfully

REPORTS:

That, as stated in the letter of request, this bridge may now be purchased at a reasonable price, and save the time and expense of advertising.

It, therefore, recommends that the accompanying resolution be adopted.

Resolved, That in pursuance of the provisions of section 419 of the Greater New York Charter the Commissioner of Docks be and he is hereby authorized and empowered to enter into a contract, without public letting, for the purchase of the ferry bridge and pontoon now lying in the northerly of the two ferry slips at the foot of South 8th street, Brooklyn, including also two winch frames upon the bridge, with one set of mooring and one set of hoisting machinery and one hoist chain in connection with each winch frame, also two toggles at the front of the bridge, at a cost not to exceed the sum of three thousand five hundred dollars (\$3,500).

Department of Docks and Ferries, City of New York, Pier "A," North River, New York, December 7, 1910.

To the Honorable, the Board of Aldermen, City Hall, New York:

Gentlemen—On December 2, 1909, the Commissioners of the Sinking Fund approved a lease from The City of New York, acting by the Commissioner of Docks, to the Brooklyn & Manhattan Ferry Company of the franchise to run two ferries:

1. From the foot of Broadway, Brooklyn, to the foot of Roosevelt street, Manhattan.

2. From the foot of Broadway, Brooklyn, to the foot of E. 23d street, Manhattan.

Under the terms of the lease, the City agrees to turn over to the lessee the terminals in good condition and repair and in all respects ready and fully equipped for the operation of said ferries. Prior to the vesting of the title in the City of the property at the foot of Broadway, Brooklyn, the private owners removed one of the bridges to the privately owned property at the foot of Greenpoint avenue, Brooklyn, for use on the ferry operating between that avenue and the Borough of Manhattan.

It is necessary, therefore, to install another bridge in place of the one removed and the owners have agreed to sell to the City the most northerly bridge at the foot of S. 8th street, Brooklyn, for the sum of \$3,500, which bridge can be installed in place of the one removed from the foot of Broadway, Brooklyn.

An examination has been made of the S. 8th street bridge by the engineers of this department and they report as follows:

"In 1906, S. P. Ross furnished the City, under contract 979, two bridges, pontoons and machinery complete for the price of \$19,900, or \$9,950 for one outfit. By comparison, I should say that the bridge, pontoons and machinery in question (that is, at the foot of S. 8th street), when new, were worth about \$7,500. Considering that the outfit in question is 15 years old and assuming the total life of the structure at 30 years and also allowing for hidden defects, I would appraise the bridge, pontoons and machinery at \$3,500."

I respectfully request authority to purchase otherwise than by contract and without public letting, for the sum of \$3,500 the ferry bridge and pontoon now lying in the northerly of the two ferry slips at the foot of S. 8th street, Brooklyn; the bridge measuring 56 feet, 9 inches in length on its center line, and being 37 feet, 3 inches in width, including also two winch frames upon the bridge, with one set of mooring and one set of hoisting machinery and one hoist chain in connection with each winch frame; also two toggles at the front of the bridge. Yours respectfully,

CALVIN TOMKINS, Commissioner of Docks.

FRANCIS P. BENT, JOHN F. WALSH, JOHN McCANN, PERCY L. DAVIS, THOMAS F. BARTON, ALEXANDER S. DRESCHER, Committee on Public Letting.

Under Rule 21, consideration of this report was deferred. Subsequently the Vice-Chairman moved the adoption of this report.

The President put the question whether the Board would agree to accept such report and adopt said resolution.

Which was decided in the affirmative by the following vote:

Affirmative—Aldermen Baldwin, Barton, Boschen, Brush, Callaghan, Campbell, Carberry, Cole, Coleman, Cornell, Cunningham, Davis, Delaney, Diemer, Dotzler, Dowling, Downing, A. S. The Committee on Parks, to which was referred on September 20, 1910 (Minutes, page 385), the annexed proffer of B. G. Hughes of a free gift of land for park purposes, respectfully

REPORTS:

That, having examined the subject, and after a public hearing thereon, it finds that the said proffer is absolutely of no advantage to the City, and it is recommended that the same be courteously refused and paper placed on file.

Office of B. G. Hughes & Bro., 133-135-137 Mulberry St., New York, September 10, 1910.

To the Honorable Board of Aldermen of The City of New York:

Gentlemen—In the Borough of Kings I have a plot of land. Inasmuch as it is bringing me in no income and as I am much interested in public parks and believe there cannot be too many of them, I herewith offer this plot of land to The City of New York for a public park.

There will, of course, be no charge to the City for this property, which is situated in the 30th Ward. It will be a gift to the City, the only stipulation being that it forever be maintained by the City as a public park.

At any time I shall be pleased to accompany your Committee to Brooklyn and show them the property. If this offer is accepted, I am willing to pass title at once.

An early reply will be appreciated, as I intend to sell the property at auction if my offer is not accepted. Very truly,

Hon. JOHN PURROY MITCHEL, President of the Board of Aldermen, New York City:

Sir—Herewith I beg to hand you application addressed to the Board of Aldermen for the issuing of Special Revenue Bonds to the amount of four thousand seven hundred and forty-four dollars and thirty-six cents (\$4,744.36) to cover the preliminary expenses necessary to the establishment of the Botanic Garden and Arboretum on park lands in the Borough of Brooklyn. Very truly yours,

M. J. KENNEDY, Commissioner.

The City of New York, Department of Parks, Boroughs of Brooklyn and Queens, Litchfield Mansion, Prospect Park, Borough of Brooklyn, December 27, 1910.

To the Honorable Board of Aldermen of The City of New York:

Gentlemen—At the request of the Board of Trustees of the Brooklyn Institute of Arts and Sciences, I respectfully make application for the issuing of special revenue bonds to the amount of four thousand seven hundred and forty-four dollars and thirty-six cents (\$4,744.36), to cover the preliminary expenses necessary to the establishment of the Botanic Garden and Arboretum on park lands in the Borough of Brooklyn, to wit:

At that date the annual budget of appropriations for the maintenance of the various departments, divisions, bureaus, institutions, etc., for the year 1910 had already been passed by the Board of Estimate and Apportionment and the Board of Aldermen, and no provision was made for the preliminary work requisite to the establishment of the said garden.

During the current year the grounds were selected, the building planned, and other preliminaries effected.

The above mentioned services of Prof. C. Stuart Gager, D. Barta and Olmsted Bros. were secured, and it is for the payment of the same that the revenue bonds are asked for. Very truly yours, M. J. KENNEDY, Commissioner.

Whereas, The officials and engineers in charge of the construction of the Panama Canal have announced that it will be completed and open for commerce in 1915; and

Whereas, Practically the unanimous sentiment of the President of the United States and other officials, the members of Congress and the American people generally, is that no celebration of the completion of the Canal can produce such immediate and beneficial results as the holding of an Exposition, where the people of the world will be brought closer together through this union of the Atlantic and Pacific, the east and west, and will meet and confer with each other and exhibit the resources and products of their several countries;

Whereas, The Committee on Industrial Arts and Expositions of the Congress, in its report to that body, has declared in favor of holding said exposition in the City of New Orleans, La., be it

Resolved, That we cordially approve the idea of a World's Panama Exposition and pledge it our moral support and assistance; be it further

Resolved, That we see in New Orleans the "logical point" for such Exposition, by reason of its proximity to the Canal and because it is the gateway for a large part of the import and export commerce of these United States with the countries south of us and with the world, easily reached from all points in this continent, North, Central and South America; and in all respects suited to hold a great World's Exposition, and we therefore endorse New Orleans as the best point at which to hold the World's Panama Exposition, in honor of the completion of the Canal.

BOARD OF ESTIMATE AND APPORTIONMENT.

Franchise Matters.

PUBLIC NOTICE IS HEREBY GIVEN THAT at the meeting of the Board of Estimate and Apportionment held this day the following proceedings were had:

Whereas, The New York Cahill Telharmonic Company has, under date of May 10, 1907, made application to this Board for the grant of the right, privilege or franchise to lay, construct, maintain and operate wires and other electrical conductors in the streets of the City of New York, for the purpose of distributing music electrically, and

Whereas, Sections 72, 73 and 74 of the Greater New York Charter, as amended by Chapters 629 and 630 of the Laws of 1905, provide for the manner and procedure of making such grants, and

Whereas, In pursuance of such laws this Board adopted a resolution on May 24, 1907, fixing the date for a public hearing thereon, as June 7, 1907, at which citizens were entitled to appear and be heard, and publication was had for at least two (2) days in the New York Tribune and New York Herald, newspapers designated by the Mayor, and in the City Record for ten (10) days immediately prior to the date of hearing, and the public hearing was duly held on such day, and

Whereas, This Board has made inquiry as to the money value of the franchise or right applied for and proposed to be granted to the New York Cahill Telharmonic Company and the adequacy of the amount of compensation to be paid therefor; now, therefore, it is

Resolved, That the following form of resolution for the grant of the franchise or right applied for by the New York Cahill Telharmonic Company, containing the form of proposed contract for the grant of such franchise or right be hereby introduced and entered in the minutes of this Board as follows, to wit:

Resolved, That the Board of Estimate and Apportionment hereby grants to the New York Cahill Telharmonic Company the franchise or right fully set out and described in the following form of proposed contract for the grant thereof, embodying all the terms and conditions, including the provisions as to rates and charges, upon and subject to the terms and conditions in said proposed form of contract contained, and that the Mayor of the City of New York be and he is hereby authorized to execute and deliver such contract, in the name and on behalf of the City of New York, as follows, to wit:

Proposed Form of Contract.
This contract, made this . . . day of . . . 19 . . . by and between The City of New York (hereinafter called the City), party of the first part, by the Mayor of said City, acting for and in the name of said City, under and in pursuance of the authority of the Board of Estimate and Apportionment of said City (hereinafter called the Board), and the New York Cahill Telharmonic Company (hereinafter

called the Company), party of the second part, witnesseth:

In consideration of the mutual covenants and agreements herein contained the parties hereto do covenant and agree as follows:

Section 1. The City hereby grants to the Company, subject to the conditions and provisions hereinafter set forth, the right and privilege to lay, construct, maintain and operate suitable wires or other electrical conductors in conduits under the streets and avenues within the territory comprised in the Borough of Manhattan and that part of the Borough of The Bronx west of the Bronx River, for the purpose of operating a telharmonic system within the said territory; that is, a system for the generation and distribution of music electrically, and for no other purpose whatsoever.

Sec. 2. The grant of this privilege is subject to the following conditions, which shall be complied with by the Company:

First—The said right and privilege to lay, erect, construct and maintain the wires or other electrical conductors in conduits for the purpose aforesaid shall be held and enjoyed by the Company for the term of twenty-five (25) years from the date upon which this contract is signed by the Mayor, with the privilege of renewal of said contract for a further period of twenty-five (25) years upon a fair revaluation of said right and privilege.

If the Company shall determine to exercise its privilege of renewal it shall make application to the Board, or any authority which shall be authorized by law to act for the City in place of the Board. Such application shall be made at any time not earlier than three (3) years and not later than one (1) year before the expiration of the original term of this contract. The determination of the revaluation shall be sufficient if agreed to in writing by the Company and the Board, but in no case shall the annual rate of compensation to the City be fixed at a less amount than the sum required to be paid during the last year prior to the termination of the original term of this contract. If the Company and the Board shall not reach such agreement on or before the day one (1) year before the expiration of the original term of this contract, then the annual rate of compensation for such succeeding twenty-five (25) years shall be reasonable, and either the City (by the Board) or the Company shall be bound, upon request of the other, to enter into a written agreement with each other fixing the rate of such compensation at such amount as shall be reasonable, but in no case shall the annual rate so fixed be less than the sum required to be paid for the last year prior to the termination of the original term of this contract, and if the parties shall not forthwith agree upon what is reasonable, then the parties shall enter into a written agreement fixing such annual rate at such amount as shall be determined by three disinterested freeholders, selected in the following manner:

One disinterested freeholder shall be chosen by the Board; one disinterested freeholder shall be chosen by the Company. These two shall choose a third disinterested freeholder, and the three so chosen shall act as appraisers and shall make the revaluation aforesaid. Such appraisers shall be chosen at least six (6) months prior to the expiration of this original contract, and their report shall be filed with the Board within three (3) months after they are chosen. They shall act as appraisers and not as arbitrators. They may have their judgment upon their own experience and upon such information as they may obtain by inquiries and investigations without the presence of either party. They shall have the right to examine any of the books of the Company and its officers under oath. The valuation so ascertained, fixed and determined shall be conclusive upon both parties, but no annual sum shall in any event be less than the sum required to be paid for the last year of the original term of this contract. If in any case the annual rate shall not be fixed prior to the termination of the original term of this contract, then the Company shall pay the annual rate heretofore prevailing until the new rate shall be determined, and shall then make up to the City the amount of any excess of the annual rate then determined over the previous annual rate. The compensation and expenses of said appraisers shall be borne jointly by the City and the Company, each paying one-half thereof.

Second—The Company shall pay to the City for the privilege hereby granted the following sums of money:

(a) The sum of five thousand dollars (\$5,000) in cash within three (3) months after the date on which this contract is signed by the Mayor and before anything is done in exercise of the privilege hereby granted, and the further sum of five thousand dollars (\$5,000) within twelve (12) months after the date upon which this contract is signed by the Mayor.

(b) During the first term of five (5) years an annual sum which shall in no case be less than two thousand five hundred dollars (\$2,500) and which shall be equal to three (3) per cent. of its gross annual receipts, if such percentage shall exceed the sum of two thousand five hundred dollars (\$2,500).

During the second term of five (5) years an annual sum which shall in no case be less than five thousand dollars (\$5,000) and which shall be equal to three (3) per cent. of its gross annual receipts, if such percentage shall exceed the sum of five thousand dollars (\$5,000).

During the third term of five (5) years an annual sum which shall in no case be less than seven thousand five hundred dollars (\$7,500) and which shall be equal to three (3) per cent. of its gross annual receipts, if such percentage shall exceed the sum of seven thousand five hundred dollars (\$7,500).

During the fourth term of five (5) years an annual sum which shall in no case be less than ten thousand dollars (\$10,000) and which shall be equal to four (4) per cent. of its gross annual receipts, if such percentage shall exceed the sum of ten thousand dollars (\$10,000).

During the remaining term of five (5) years an annual sum which shall in no case be less than fifteen thousand dollars (\$15,000) and which shall be equal to five (5) per cent. of its gross annual receipts, if such percentage shall exceed the sum of fifteen thousand dollars (\$15,000).

The gross receipts mentioned above shall be the gross receipts of the Company from all sources within the Borough of Manhattan and the portion of the Borough of The Bronx west of the Bronx River.

The annual charges shall commence from the date upon which this contract is signed by the Mayor.

All annual charges as above shall be paid into the treasury of the City on November 1 of each year, and shall be for the amount due to September 30 next preceding. Provided, that the first annual payment shall be only for that proportion of the first annual charge as the time between the date upon which this contract is signed by the Mayor and September 30 following shall bear to the whole of one year.

Whenever the percentages required to be paid shall exceed the minimum amount as above, then such sum over and above such minimum shall be paid on or before November 1 in each year for the year ending September 30 next preceding. Any and all payments to be made by the terms of this contract to the City by the Company shall not be considered in any manner in the nature of a tax, but such payments shall be made in addition to any and all taxes of whatsoever kind or description now or hereafter required to be paid by any ordinance of the City or reso-

lution of the Board or any law of the State of New York.

Third—The annual charges or payments shall continue throughout the whole term of this contract (whether original or renewal), notwithstanding any clause in any statute or in the charter of any other company providing for payments for similar rights or franchises at a different rate, and no assignment, lease or sublease of the rights or privileges hereby granted (whether original or renewal), or any part thereof, shall be valid or effectual for any purpose unless the said assignment, lease or sublease shall contain a covenant on the part of the assignee or lessee that the same is subject to all the conditions of this contract and that the assignee or lessee assumes and will be bound by all of said conditions, and especially said conditions as to payments, anything in any statute or in the charter of such assignee or lessee to the contrary notwithstanding, and that the said assignee or lessee waives any more favorable conditions created by such statute or its charter, and that it will not claim by reason thereof, or otherwise, exemption from liability to perform each and all of the conditions of this contract.

This provision, however, shall not apply to the making of a mortgage, but shall apply to a sale under foreclosure.

Fourth—The rights and privileges hereby granted shall not be assigned, either in whole or in part, or leased or sublet in any manner, nor shall the title thereto, or right, interest or property therein pass to or vest in any other person or corporation whatsoever, either by the act of the Company or by operation of law, whether under the provisions of the statutes relating to the consolidation or merger of corporations or otherwise, nor shall the Company in any manner consolidate or pool its stock, business or interests or enter into any agreement for a division of business, interest or territory, or to prevent competition or a reduction in rates, or acquire, own or make use of or in any manner exercise control over any of the rights, privileges, franchises or stock, or use, own, control or operate any of the property, works, plants or appliances of any such person or corporation without the consent of the City, acting by the Board, evidenced by an instrument under seal, anything herein contained to the contrary thereof in any wise notwithstanding, and the granting, giving or waiving of any one or more of such consents shall not render unnecessary any subsequent consent or consents. This provision, however, shall not apply to the making of a mortgage, but shall apply to a sale under foreclosure.

Fifth—Upon the termination of this original contract, or, if the same be renewed, then at the termination of the said renewal term, or upon the termination of the rights hereby granted for any cause, or upon the dissolution of the Company before such termination, the wires, electrical conductors and other property of the Company within the streets and avenues of the City constructed pursuant to this contract for the generation and distribution of music electrically, shall become the property of the City without cost, and the same may be used or disposed of by the City for any purpose whatsoever, or the same may be leased to any company or individual. If, however, at the termination of this contract, as above, the Board shall so order by resolution, the Company shall on thirty (30) days' notice from the Board remove any and all of its wires, electrical conductors and other property, or any portion thereof constructed pursuant to this contract, and the said streets and avenues shall be restored to their original condition at the sole cost and expense of the Company.

Sixth—Said telharmonic system shall be constructed, maintained and operated subject to the supervision and control of all the authorities of the City who have jurisdiction in such matters, as provided by the Charter of the City.

No construction upon said telharmonic system shall be commenced until written permits have been obtained from the proper City officials.

In any permits so issued such officials may also impose such conditions, as a condition of granting of the same, as are necessary for the purpose of protecting any structures, in the streets and avenues, over which such officials have jurisdiction, and the Company shall comply with such conditions.

Seventh—All wires or other electrical conductors of the Company laid pursuant to this contract shall be placed in ducts, conduits or subways (referred to in this paragraph as subways). Such subways shall be leased from the company or companies having control thereof under the provisions of law, or from the City should it succeed to the rights of such company or companies. If the City shall construct or acquire subways for electrical conductors in the Borough of Manhattan or the portion of the Borough of The Bronx west of the Bronx River the Company hereby agrees to lay its wires and electrical conductors in such subways, and the City agrees to lease to the Company such space as may be required for its telharmonic system herein authorized.

Eighth—The Company shall file with the Board, on the first day of November in each year, a map or plan upon which shall be plainly indicated the number of wires which are used by the Company on the thirtieth day of September next preceding, and the streets and avenues in which the same are located and also those which were put in use during the preceding year.

Ninth—The Company shall commence the construction of its lines or the distributing of music hereunder within nine (9) months from the date of the signing of this contract by the Mayor and within five (5) years thereafter shall either have in operation not less than 2,500 music outlets or else shall have not less than \$500,000 invested in plant in The City of New York, otherwise the Board may, after three (3) months' notice and if the default is not remedied in such three (3) months, declare all rights under this contract forfeited.

Tenth—The Board may, by resolution, direct the Company to install, free of charge, music outlets and necessary appurtenances thereto in any or all of the free wards of Bellevue and Allied Hospitals, situated in the portion of the City for which a franchise is hereby granted. Upon the application of the Board of Education to the Board, the Board may, by resolution, direct the Company to install, at one-half its usual rates for such installation, music outlets and necessary appurtenances thereto, in the assembly halls in public schools within the territory of The City of New York for which a franchise is hereby granted. Upon notice by the Board to the Company that such resolutions have been adopted, the Company shall install such apparatus, provided that the Company shall not be required to extend its wires for the purpose of connecting with such schools a distance greater in any case than one thousand (1,000) feet, and provided further, that no more than ten (10) schools need be equipped by the Company in any one year, but any school situated within a block bounded by portions of streets or avenues in which the Company has its wires shall be equipped when so ordered by the Board in addition to the ten (10) schools which may be required to be equipped in any one year, and provided further that the Company shall not be required to install more than ten (10) music outlets in any one hospital or school. Upon notice of the Board to the Company that a resolution directing such installation has been adopted by the Board, the Company shall install such apparatus and shall furnish music in Bellevue and Allied Hospitals free of charge, and in public schools at one-half the regular rates charged by the Company for similar service.

Eleventh—It is agreed that the Board shall have absolute power to regulate all charges or rates for services rendered by the Company to subscribers, pursuant to this contract, provided such rates shall be reasonable and fair.

Twelfth—The Company shall not require nor receive from its subscribers any deposit or advance payment in excess of the cost to it of apparatus leased or furnished to the subscriber on his premises and of what is reasonably necessary to insure payment of current bills, and on such amounts so paid the Company shall pay interest at the statutory rate whenever such money is held for more than one month. Unpaid bills shall never be charged against property unless due from the owner thereof, and no person not himself in arrears shall be denied service because any previous occupant of the same premises is in arrears to the Company for service.

Thirteenth—The wires of the Company shall be employed for no other purpose than those explicitly set forth herein, and the Company binds itself not to lay, use, lease or operate wires for illegal purposes.

Fourteenth—The Company shall assume all liability to persons or property by reason of the construction or operation of the system authorized by this contract, and it is a condition of this contract that the City shall assume no liability whatsoever to either persons or property on account of the same and the Company hereby agrees to repay to the City any damage which the City shall be compelled to pay by reason of any acts or defaults of the Company.

Fifteenth—It is a condition of this contract that the Company shall bear the entire expense of all work undertaken by reason of this grant.

Sixteenth—If the Company shall fail to give efficient public service and maintain its structures and equipment as herein provided in good condition throughout the whole term of this contract, the Board may give written notice to the Company specifying any default on the part of the Company, and requiring the Company to remedy the same within a reasonable time, and upon failure of the Company to remedy said default within a reasonable time the Company shall for each day thereafter during which the default or defect remains pay to the City a sum of fifty dollars (\$50), as fixed or liquidated damages, or the Board, in case such structures or equipment which may affect the surface of the streets and avenues, shall not be put in good condition within a reasonable time after notice by the Board as aforesaid, shall have the right to make all needed repairs at the expense of the Company, in which case the Company shall pay to the City the amount of the cost of such repairs, with legal interest thereon, all of which sums may be deducted from the fund hereinafter provided.

Seventeenth—If, for a period of three (3) consecutive months, the telharmonic system of the Company shall not be operated, or if the same shall not be operated for a period of six (6) months out of any consecutive twelve (12) months, the Board may, after three (3) months' notice and failure by the Company to give to the Board satisfactory security for the future against further breach, declare the right and franchise and this contract terminated without further proceedings in law or in equity, provided that in case of the destruction by fire or otherwise of any of the Company's central stations or of the machinery thereat, the Company shall be allowed a year in which to restore, rebuild or replace the same, unless the Board shall extend such time for a further period for cause shown.

Eighteenth—The Company shall at all times keep accurate books of account and shall, on or before November 1 in each year, make a verified report to the Comptroller of the City of the business done by the Company pursuant to this contract for the year ending September 30 next preceding. Such report shall contain a statement of the gross receipts received from the operation of the telharmonic system hereby authorized from all subscribers served by the Company, together with such other information and in such form and detail as the Comptroller may require. The Comptroller shall have access to all books of the Company for the purpose of ascertaining the correctness of its report and may examine its officers under oath.

Nineteenth—The Company shall submit to the Board a report not later than November 1 of each year, for the year ending September 30 next preceding, and at any other time upon request of the Board, which shall state:

1. The amount of stock issued, for cash, for property.
2. The amount paid in as by last report.
3. The total amount of capital stock paid in.
4. The funded debt by last report.
5. The total amount of funded debt.
6. The floating debt as by last report.
7. The total amount of floating debt.
8. The total amount of funded and floating debt.
9. The average rate per annum of interest on funded debt.
10. Statement of dividends paid during the year.
11. Total amount expended for same.
12. The names of the directors elected at the last meeting of the corporation held for such purpose.
13. Location, value and amount paid for real estate owned by the Company as by last report.
14. Location, value and amount paid for real estate now owned by the Company.
15. Number of subscribers served by the Company.
16. Total receipts of the Company for each class of business.
17. Amounts paid by the Company for damage to persons or property on account of construction and operation.
18. Total expenses of operation.

—and such other information in regard to the business of the Company as may be required by the Board.

For failure to comply with the foregoing the Company shall pay a penalty of one hundred dollars (\$100) per day until such statement is rendered, which may be collected by the Comptroller without notice.

Twentieth—This grant is upon the express condition that the Company, within three (3) months after the execution of this contract, and before anything is done in exercise of the rights conferred thereby, shall deposit with the Comptroller of the City the sum of five thousand dollars (\$5,000), either in money or securities to be approved by him, which fund shall be security for the performance by the Company of all the terms and conditions of the contract, especially those which relate to the payment of the annual charges for the privilege hereby granted, in default of which payment of the annual charge the City shall collect same with interest from the said fund after ten (10) days' notice to the Company. In case of failure of the Company to comply with the terms of this contract relating to the filing of annual statements and the commencement and increase of construction, or its neglect or refusal to comply with any demand or direction of the Board or other municipal officials, made pursuant to the terms of this contract, or under the authority of any laws or ordinances now or hereafter in force, in such case, and in any of these events the Company shall pay to the City a penalty of one thousand dollars (\$1,000) for each violation, and in case of any violation of the provisions relating to the illegal use of wires, the Company shall pay to the City for each violation a penalty of not less than one hundred dollars (\$100), and not more than five hundred dollars (\$500), to be fixed by the Board.

The procedure for the imposition and collection of the penalties provided in the grant shall be as follows:

The Board, on complaint made, shall give notice to the Company, directing its President or other officer to appear before the Board on a certain day, not less than ten (10) days after the date of such notice, to show cause why the Company should not be penalized in accordance with the foregoing provisions. If the Company fails to make an appearance, or, after a hearing, appears in the judgment of the Board to be in fault, said Board shall forthwith impose the prescribed penalty, or, where the amount of the penalty is not prescribed herein, such amount as appears to the Board to be just, and without legal procedure direct the Comptroller to withdraw the amount of such penalty from the security fund deposited with him. In case of any drafts made upon the security fund the Company shall, upon ten (10) days' notice, pay to the City a sum sufficient to restore said security fund to the original amount of five thousand dollars (\$5,000), and in default thereof this contract shall be annulled and annulled at the option of the Board, acting in behalf of the City. No action or proceeding or right under the provisions of this contract shall affect any other legal rights, remedies or causes of action belonging to the City.

Twenty-first—In case of any violation or breach or failure to comply with any of the provisions herein contained, or with any orders of the Board, acting under the powers herein reserved, the franchise or consent herein granted may be forfeited by a suit brought by the Corporation Counsel, on notice of ten (10) days to the Company, or at the option of the Board, by resolution of said Board, which said resolution may contain a provision to the effect that the wires, electrical conductors and other property within the streets and avenues of the City constructed and in use by virtue of this contract shall thereupon become the property of the City without proceedings at law or in equity. Provided, however, that such action by the Board shall not be taken until the Board shall give notice to the Company to appear before it on a certain day not less than ten (10) days after the date of such notice, to show cause why such resolution declaring the contract forfeited should not be adopted. In case the Company fails to appear, action may be taken by the Board forthwith.

Twenty-second—If at any time the powers of the Board or any other of the authorities herein mentioned or intended to be mentioned, shall be transferred by law to any other board, authority, officer or officers, then and in such case such other board, authority, officer or officers shall have all the powers, rights and duties herein reserved to or prescribed for the Board or other authorities, officer or officers.

Twenty-third—The words "streets or avenues" and "streets and avenues," wherever used in this contract, shall be deemed to mean "streets, avenues, highways, parkways, driveways, concourses, boulevards, bridges, viaducts, tunnels, public places or any other property to which the City has title or over which the public has an easement," encountered in the route hereinabove described, and upon or in which authority is hereby given to the Company to construct, maintain and operate wires or other electrical conductors.

Twenty-fourth—The words "notice or direction," wherever used in this contract shall be deemed to mean a written notice or direction. Every such notice or direction to be served upon the Company shall be delivered at such office in the City as shall have been designated by the Company, or if no such office shall have been designated, or if such designation shall have for any reason become inoperative, shall be mailed in the city, postage prepaid, addressed to the Company at The City of New York. Delivery or mailing of such notice or direction as and when above provided shall be equivalent to direct personal notice or direction, and shall be deemed to have been given at the time of delivery or mailing.

Twenty-fifth—Whenever the term "outlet" or "music outlet" is used in this contract it shall be deemed to mean one telephone or music translating device such as is used by the Company on the premises of the subscriber.

Sec. 4. The Company promises, covenants and agrees on its part and behalf to conform to and abide by and perform all the terms, conditions and requirements in this contract fixed and contained.

IN WITNESS WHEREOF the party of the first part, by its Mayor, thereto duly authorized by the Board of Estimate and Apportionment of said City, has caused the corporate name of said City to be hereunto signed and the corporate seal of said City to be hereunto affixed, and the party of the second part, by its officers thereto duly authorized, has caused its corporate name to be hereunto signed and its corporate seal to be hereunto affixed, the day and the year first above written.

NOTICE TO BIDDERS AT SALES OF OLD BUILDINGS, ETC.

TERMS AND CONDITIONS UNDER WHICH BUILDINGS, ETC., WILL BE SOLD FOR REMOVAL FROM CITY PROPERTY.

THE BUILDINGS AND APPURTENANCES thereto will be sold to the highest bidder, who must pay cash or a certified check, drawn to the order of the Comptroller of The City of New York, and must also give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of \$50, the sum of \$50 shall be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.

The purchaser shall not lease, occupy, cause or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal, nor shall he collect any rental or other revenue for the use of either the land or the buildings, etc., situated thereon. The breach of either or any of these conditions shall forthwith void the sale and cause immediate forfeiture of the purchase money and the security deposited for the faithful performance of the conditions of the sale. The placing therein or permitting the occupancy of any such building by any tenant free, for rent or otherwise, excepting the necessary watchmen or the workmen engaged in the actual demolition thereof, shall of itself be a breach of the above conditions of sale.

The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances, between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstance of vacating the structures of their tenants will permit.

All the material of the buildings, sheds, walks, structures and cellars of whatsoever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the exterior walls of the buildings and their foundations and the sidewalks and curb in front of said buildings, extending within the described area shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point. The exterior walls and their foundations shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building. Where there is no curb the elevation of the surrounding ground shall be considered curb level. All wells, cesspools, sinks, etc., existing on the property must be filled to the level of the surrounding ground with clean earth.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all house sewer connections to the main sewer in

the street, and the opening of the main sewer in street shall be properly closed in compliance with the directions of the Bureau of Sewers in the Borough in which the buildings are situated, and furnish the Department of Finance with a certificate from the Bureau of Sewers that the work has been properly performed.

The permit for all opening in the street to be obtained by and at the expense of the purchaser of the building.

Failure to remove said buildings, appurtenances, or any part thereof, within thirty days from the day of possession will work forfeiture of ownership of such buildings, appurtenances, or portion as shall then be left standing, together with all moneys paid by said purchaser on account thereof at the time of the sale, and the bidder's assent to the above conditions being understood to be implied by the act of bidding, and The City of New York will, without notice to the purchaser, cause the same to be removed, and the cost and expense thereof charged against the security above mentioned.

The work of removal must be carried on in every respect in a thorough and workmanlike manner, and must be completed within thirty days from the day of possession, and the successful bidder will provide and furnish all materials of labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless The City of New York, its officers, agents and servants, and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against and from all damage and costs to which it, they or any of them be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of said buildings.

Where party walls are found to exist between buildings purchased by different bidders, the materials of said party walls shall be understood to be equally divided between the separate purchasers.

Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All furnishings, plaster, chimneys, projecting brick, etc., on the faces of such party walls are to be taken down and removed. The walls shall be made permanently self-supporting, beam-holes, etc., bricked up, and the wall pointed and made to exclude wind and rain and present a clean exterior. The roofs of adjacent buildings shall be properly flashed and painted and made watertight where they have been disturbed by the operations of the contractor.

The Comptroller of The City of New York reserves the right on the day of sale to withdraw from sale any of the buildings, parts of buildings and machinery included therein, or to reject any and all bids; and it is further

Resolved, That, while the said sale is held under the supervision of the Commissioners of the Sinking Fund, the Comptroller is authorized to cause the sale to be advertised and to direct the sale thereof as financial officer of the City.

No bid or estimate will be considered unless as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The certified check or money should not be inclosed in the envelope containing the bid or estimate, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City.

The contract must be bid for separately. The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.
