  - (3) Suspension from applying for an Access Permit;
  - (4) Suspension from access to some, any or all City property;
  - (5) Arrest and prosecution to the [full] <u>fullest</u> extent of the law.

### STATEMENT OF BASIS AND PURPOSE

The rules have a number of purposes. First, the rules make the definition of "group" consistent with the number of people eligible to receive a Group Access Permit. Second, the rules prohibit certain fishing equipment due to the threat of invasive species from such equipment. Third, the rules establish a maximum amount that NYCDEP can charge to retrieve a boat that has been removed from the water and stored by NYCDEP and limit boaters' abilities to change Boat Storage Areas to facilitate NYCDEP's management of Boat Storage Areas. Fourth, the rules expand year-round boating to the Kensico and New Croton reservoirs and, when available, enable all boaters to use steam cleaning facilities belonging to non-NYCDEP entities. Fifth, the rules establish a penalty schedule for violation of the rules.

The proposed rules are derived from historical recreational uses of the lands that are recognized in the New York City Watershed Memorandum of Agreement dated January 21, 1997, and are not intended to establish supervised recreational activities on these lands.

# STATEMENT OF BASIS AND PURPOSE

The Police Commissioner is responsible for the licensing and regulation of handguns, rifles, shotguns and other weapons in New York City, including activities such as possessing, carrying, selling, manufacturing, transporting or repairing such weapons. The administrative arm of the Police Department, which fulfills these functions at his direction, is the New York City Police Department's License Division.

As part of a comprehensive revision of the City's laws, rules and procedures for gun licensing in order to improve their efficiency and effectiveness, the Police Commissioner has amended the rules administered by the License Division.

The rules pertaining to the issuance of handgun licenses and rifle/shotgun permits have been amended to provide applicants with additional guidance regarding the potential grounds for denial of an application for such license or permit. Based upon comments received, the language of the opening paragraphs of sections 3-03 and 5-10 has been further modified to clarify that the factors enumerated therein are to be considered in reaching a determination on the existing legal standards of good moral character and the lack of good cause for denial.

The rules have also been amended to provide licensees and permittees with additional guidance regarding the grounds for suspension for a defined period or revocation of such license or permit.

In addition, the rules have been amended to remove the requirement that various documents be notarized, in acknowledgment of the ability of the License Division to verify identity through in-person visits and available technology.

The requirement for a judge's signature on a Certificate of Relief from Disabilities has been removed as such certificates can be issued by a court or the Board of Parole. Finally, based upon comment within the agency, the rules have been amended to remove the requirement that Certificates of Relief from Disabilities include a statement granting the applicant firearms privileges under Penal Law articles 265 and 400.

Consistent with the intent of the New York State Penal Law and the Administrative Code of the City of New York, and pursuant to the powers of the Commissioner under sections 434(b) and 1043 of the New York City Charter, Title 10 of the Administrative Code of the City of New York, and Article 400 of the New York State Penal Law, the Police Department has amended its rules to improve the efficiency and effectiveness of the licensing of handguns, rifles and shotguns.

# **READER'S GUIDE**

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

### NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers. workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced

# CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

# VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at http://nyc.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

# Attention Existing Suppliers:

Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.

If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

# SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

# PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the  $\it CR$ .

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

### **NON-MAYORAL ENTITIES**

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

### PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

# ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

### PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

### PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City Website,  $\label{eq:http://nyc.gov/selltonyc} http://nyc.gov/selltonyc$

### HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.
