**HHS ACCELERATOR**

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

**Participating NYC Agencies**

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

# AGENCY RULES

## HUMAN RESOURCES ADMINISTRATION

■ NOTICE

### NOTICE OF ADOPTION OF RULE

NOTICE IS HEREBY GIVEN THAT PURSUANT TO THE AUTHORITY VESTED IN THE COMMISSIONER OF THE NEW YORK CITY HUMAN RESOURCES ADMINISTRATION (“HRA”) by Sections 34, 56, 61, 62, 77, and 131 of the New York Social Services Law and sections 603 and 1043 of the New York City Charter, HRA hereby adopts the following rule amending Chapter 10 of Title 68 of the Official Compilation of the Rules of the City of New York.

A previous version of Section 2 of this rule was issued as an emergency rule on January 30, 2020, and a proposed final rule (incorporating Sections 1 and 2) was published on March 20. All public comments have been reviewed and considered.

#### Statement of Basis and Purpose of Rule

In order to implement the Mayor’s priority of preventing homelessness and moving households into stable housing, the Commissioner of the New York City Department of Social Services/Human Resources Administration (DSS/HRA) issues these amendments to the rule concerning the CityFHEPS rental assistance program.

The first amendment authorizes DSS/HRA to make additional payments, over and above the regular CityFHEPS rental assistance amounts, in certain regulated units where such payments are needed to make up the difference between the CityFHEPS maximum rent and the regulatory rent as set by the New York City Department of Housing Preservation & Development (“HPD”) or the New York City Housing Development Corporation (“HDC”). Specifically, additional payments are authorized where both of the following conditions are met: (1) a unit is subject to the HPD/HDC Marketing Handbook pursuant to a regulatory agreement or similar instrument; and (2) HPD and/or HDC is requiring or approving that such units be filled by homeless individuals or families instead of or subsequent to an affordable housing lottery. These additional payments were originally authorized by emergency rule issued on January 30, 2020. The emergency rule was prompted by the availability of more than 150 rent-regulated units, many under the State’s 421-a Affordability Option C program. Payments made under the emergency rule have already enabled many people to exit shelter and move into these units. Making these provisions permanent will enable these payments to continue for the individuals and families who have already moved out of shelter and will enable other individuals and families to move into units that meet the same criteria. These additional payments were originally authorized by emergency rule issued on January 30, 2020. The emergency rule was prompted by the availability of more than 150 rent-regulated units, many under the State’s 421-a Affordability Option C program. Payments made under the emergency rule have already enabled many people to exit shelter and move into these units. Making these provisions permanent will enable these payments to continue for the individuals and families who have already moved out of shelter and will enable other individuals and families to move into units that meet the same criteria.

The second amendment revises section 10-09(a) concerning midyear recalculations of the CityFHEPS rental assistance amount. That provision currently provides that the agency will recalculate the CityFHEPS rental assistance amount, at the household’s request, only where the household’s income has decreased prior to renewal. However, there are instances, including when a smaller household who was previously on cash assistance receives disability benefits, where a household may potentially benefit from a midyear recalculation when their income has increased midyear. The amended provision provides that, upon request, the agency will recalculate the CityFHEPS rental assistance payment prior to renewal whenever there is a change in income that would decrease the household’s client contribution.

HRA’s authority for this rule may be found in sections 34, 56, 61, 62, 77, and 131 of the New York Social Services Law and sections 603 and 1043 of the New York City Charter.

New material is underlined. Deleted text is [bracketed].

**Section 1. Subdivision a of section 10-09 of Chapter 10 of Title 68 of the Rules of the City of New York is amended to read as follows:**

...  
 (a) At the household’s request, [where the household’s income has decreased prior to renewal] when the household’s income has changed in such a manner that would decrease the household’s base client contribution, the Commissioner will recalculate the CityFHEPS rental assistance payment amount in accordance with section 10-06 or 10-07 of this chapter, as applicable.

...  
**§ 2. Section 10-15 of Chapter 10 of Title 68 of the Rules of the City of New York is amended by adding a new subdivision (h), to read as follows:**

...  
 (h) Notwithstanding any provisions in this chapter to the contrary, HRA in its discretion may offer payments to landlords of units that are subject to the New York City Department of Housing Preservation and Development (“HPD”)/New York City Housing Development Corporation (“HDC”) Marketing Handbook pursuant to a regulatory agreement or similar instrument, for which HPD or HDC is requiring or approving such units to be filled by homeless individuals or families instead of or subsequent to a lottery, where such payments are needed to make up the difference between the CityFHEPS maximum rent under section 10-05 and the regulatory rent. In such instances, the rent for the unit may exceed the maximum rent levels set forth in section 10-05, including at the time of initial approval of the CityFHEPS application, but may not exceed the regulatory rent.
