The communication was referred to the Committee of the Whole.

(10) COMPLAINT ORDER (No. 760).

On motion made and duly seconded, a Complaint Order (No. 760) was adopted, for satisfaction or answer within ten days by the Brooklyn Union Elevated Railroad Company in the matter of the complaint of the Sheepshead Bay Board of Trade with respect to through service to Coney Island on the Brighton Beach Division.

(11) Commissioner Bassett presented the following opinion in the matter of the re-hearing of Final Order No. 156, with respect to station repairs at the Lafayette Avenue Station of the Brooklyn Union Elevated Railroad:

OPINION.

"By Order No. 156 the Brooklyn Union Elevated Railroad Company was required to repair in a certain manner their Lafayette Avenue station by February 10th, 1908. The company accepted this order and stated that it would comply. After the said date passed an inspection showed that the company had not complied with the order, and on July 14th, 1908, a resolution was passed by the Commission directing the counsel to begin an action for the penalty in accordance with the law. Thereupon the company asked for a rehearing. It will not be the practice of the Commission when a company has seen fit to disobey an order and steps are initiated to enforce the penalty according to law, to allow the company to excuse itself by proposing a modification.

"Inasmuch, however, as some confusion has occurred in this case I recommend that the default of the company be excused and that the time to comply with the order be extended to November 13th, 1908, but without any modification of the order itself. If the company decides that it wants to remove the station it must make an application for a modification of this order before such time, and such application will be heard on its merits. Let an order be prepared accordingly."

EXTENSION ORDER (No. 761).

Thereupon, on motion of Commissioner Bassett, duly seconded, an Extension Order (No. 761) was adopted, extending to November 13th the time of the Brooklyn Union Elevated Railroad Company to comply with the terms of Final Order No. 156 above mentioned.

(12) TARIFF ORDER (No. 762).

On motion made and duly seconded, a Tariff Order (No. 762) was adopted, granting permission to the Staten Island Rapid Transit Railway Company to put into effect immediately a Supplement No. 5 to its Tariff P. S. C.—1 N. Y. No. 47, applying to all freight traffic to and from or between all points on said railroad.

(13) EXTENSION ORDER (No. 763).

On motion made and duly seconded, an Extension Order (No. 763) was adopted, extending to and including October 15, 1908, the time of the Nassau Electric Railroad Company and the South Brooklyn Railway Company to answer Order No. 734 on the complaint of James J. Hunter et al. with respect to the operation of freight cars on Marcy avenue.

(14) HEARING ORDER (No. 764).

On motion made and duly seconded, a Hearing Order (No. 764) was adopted, directing a hearing on October 17, 1908, at 10:30 o'clock a. m., to determine

(1) Whether the Nassau Electric Railroad Company should be directed to change the system of transferring at present employed at Borough Hall, Brooklyn, whereby passengers coming from Park Row, Manhattan, desiring to transfer to lines which are

not operated across the Bridge are required to obtain transfer tickets from one of the Company's agents stationed at Borough Hall;

(2) Whether said Nassau Electric Railroad Company should be directed to operate cars on the St. Johns Place Line through to Manhattan;

(3) Whether said Nassau Electric Railroad Company should be directed to operate cars on the St. Johns Place line at suitable intervals throughout the night.

The Acting Chairman stated that he would conduct the hearing.

(15)

On motion made and duly seconded, a Complaint Order (No. 765) was adopted for satisfaction or answer within ten days by the Brooklyn Heights Railroad Company in the matter of the complaints of H. G. PROPOSALS FOR BIDS AND ESTIMATES FOR THE CITY OF NEW YORK.

NOTICE TO CONTRACTORS.

GENERAL INSTRUCTIONS TO BIDDERS.

The person or persons making a bid or estimate for any services, work, materials or supplies for The City of New York, or for any of its departments, bureaus or offices, shall furnish the same in a sealed envelope, indorsed with the title of the supplies, materials, work or services for which the bid or estimate is made, with his or their name or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the estimates received will be publicly opened by the President or Board or head of said Department and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, and names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of The City of New York is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath in writing of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, or of a surety or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned below.

No bid or estimate will be considered unless, as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The certified check or money should not be included in the envelope containing the bid or estimate, but should be either included in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City.

The contract must be bid for separately. The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.
