The unfinished business laid over from previous meetings was taken up. 1st. East River Park extension, between Eighty-sixth and Eighty-minth streets. After a discussion of the subject by members of the Board, its consideration was again postponed to give such of the members who had been unable to view the location an opportunity to do so. The matter of High Bridge Park was next taken up, and a debate was carried on by the members of the Board in regard to the area of land, properties, etc., to be taken and the dimensions of said park, and it was decided that while awaiting the opinion of the Comportion, or the necessary legislation giving this Board the power of fixing the proportion of assessments to be paid by the City, etc., the matter be referred back to the Department of Public Parks with the request that a further investigation be instituted with a view to the suggestion of some modification of the plans recommended in the report of that Department, which would avoid so extensive an outlay of money.
