Resolved, That the Boroul of Local Improvements of the Nine(centh District of the Borough of Manhattan, recommend that the prayer of the patitioners be granted.

Hon. Austratics W. Parker. Project of the Benergh of Manuallan, No. 1 of Cor-

Dank Sin-The indersigned citizens of this city beg to call your attention to the following INCLE

Mount Morris Square, incorded by One Handred and Telepholand the Hundred and Twenty-fourth street, Madison and Mount Morris assumes, attracts large numbers of people to its confines. The traffic on the highways in the streets sorrounding it is great, and as the appear part comings. The traffic on the highways in the structs sorrounding it is easily as a support part of the city becomes more thickly populated, will increase. Now welly every schole entering into any of the given source the park, must form a course, and the same to make it. The conners on all structs and are now corrounding the boolers of the park, are sharp, as part settle because to all structs are not received and the source of the park, are sharp, as part settle because, which is complete amount in the accompanying steach.

Those which are four show for tomorround by the attention of the carb, that this is an improving to traffic to sleep in the opening of the interior of the carb, and the encountries are connected in a prince of the carb, and do encroach on space properly belonging to frame to sleep in the opening discretion.

For these reasons are the above of the maintest approvement in the greater safety of the meets of the Highways, the undersuped persons that all courses the long the Mount Morre Square to made to conform in shape to the southeasterly course of the Handred and Twentieth street and Fifth avenue, as it is that it made as a given in face.

Lighther the structure of the southeasterly course of the Education and Twentieth street and Fifth avenue, as it is struct in each to face.

The following communication from the President of the Borough of Manhatian was read, and referred to the Commissioner of Highways:

Lucai Borgo, Surressiu District.

Meeting and a Boss of affice. Sing 20, 1858

Resolved. That the found of Local improvements of the Succeeds District, of the Bremagh of Machattan, recommend to the Board of Paulin Deprovements that the carriageway of West Twenty-state areas, from the westerly presented of Touch avenue to the castrily or await of Touchests avenue to the castrily or await of Touchests avenue to required with appearing presenting of the present processes, and the carriage areas, the consistence be included to the terminating or interacting street or avenue where not already done, under the direction of Commissioner of Highways.

Local process of the direction of Commissioner of Highways.

The following communication from the President of the Borough of The Bronx was read and laid over until next meeting:

laid over until next meeting :

Whereas, The Gund Bonlevard and Concourse was laid out on the map system of the
Twenty-third and Twenty-fourth Wards, under special legislative authority, and with the implied
understanding that the actual work of construction would be commenced as soon as the City
had acquired title to the land embraced within the Grand Bonlevard and Concourse and the

had acquired title to the land embraced within the Grand Roulevant and Concourse and the approach thereto; and
Whereas, The City has acquired such title, and all of the buildings on the line of said Grand Roulevard and Concourse have been sold; and
Whereas, The strp of land involved, more than four miles long, pays an cases and is barren to the city for all practical purposes,
Received, That this Board hereby recommends to the Board of Public Improvements and the Municipal Assembly that impositing action be taken toward procuring trace the proper city authorities an appropriation sufficient to grade and make passable the said Grand Boulevard and Concourse.

Mr. Haffen—I would suggest that the Commissioner of Highways make a second application to the Board of Estimate and Apportionment for an oppropriation to commence this work.

The following communication from the Penident of the Borough of Beneatyn was read :

City of New York-Borough of Brooklyn, Office of the President of the Horovin, May 26, 1898.

Board of Public Improvements :

A communication from the Commissioner of Highways reporting in regard to repaying Gold

A communication from the Commissioner of Highways reporting in regard to repaying Gold street, from Fulton avenue to the East river, Borough of Branklyn, was read and laid over, and the secretary directed to send a copy of the report to the President of the Borough at Brooklyn.

The following communication from the Chief Topographical Engineer was read and referred to the Commissioner of Highways 2

BOARD OF PUBLIC IMPROVEMENTS,
TOFOGRAPHICAL BUSINESS, ROBOTION OF THE BRONK,
ONE HUNDRED AND SEVENTY-SEVENTH STREET AND THIRD AVENUE,
NEW YORK, May 31, 1895.

Hot, MATRICE F. HOLATIAN, President, Heart of Public Improvements.

Sin—Prior to consolidation (January 1, 1805) it was the duty of the Topographeni Bureau of the Papartment of Street Improvements to prepare, from time to time, a catalogue showing the microschment of buildings, ferices, etc., to be sold at public auction on the line of screets and avenues in which title was vested in the City.

Under section 416 of the new Charter it is the duty of the board of Public Improvements to prepare 200 recommend to the Monicipal Assembly an endinance for "Eneroschments upon and obstructions in the city streets, and authorizing and enquiring their removal," and under section 524, the Commissioner of Highways shall have "experience and rootfol of the removal of incumbrances."

For the information of the Board of Public Improvements and the Commissioner of Highway I subjuit he cewith a list of streets and avenues in which little is vested in the City, but in which the encrumbments have not as yet been sold:

1. Washington avenue, from Third avenue to Fast One Handred and Fifty-night street to

l'elham avenue. 2. East One Hundred and Forty-ninth street, from the Southern Boulevard to the easterly

bulkhead line of the Harlam river.
3. Trinity avenue, from Pater street to Westchester avenue.

Francy avenue, from Dater street in Westchester avenue.

Broadway, from its southerly terminus to Van Cardandi Fark.

East One thundred and Eightieth street, from Cresses avenue to Welsorr avenue.

Lorillard place, from Third avenue to Pelhaus avenue.

Concord avenue, from East One Hundred and Forty-first street to Kelly street.

East One Hundred and Sevensy-third arrest, from Weeks street to the Grand Bonlevard memorie. and Conemirae.

g. Eyer avenue, from Burnside avenue to East One Hundred and Eighty-seventh street, in Devce street (Due Hundred and Fifty-sixth street), from Sedgwick avenue to Opden avenue, and from Frence avenue in Anderson avenue.

17. East One Hundred and Seventieth street, from Aqueduct ascence to Jerome ascence.
17. East One Hundred and Eighty-second street, from Jerome ascence to Valendise ascence.
13. Turbout ascence. From East One Hundred and Eighty-ninth street to Fordham road.
14. Firedham road: from East One Hundred and Eighty-ninth street to Kingsbridge road.
15. Fairmout place, from Croiona arence to the Southern Boulevard.
16. Briggs ascence, from East One Hundred and Ninety-Jourth street to the Southern levard.

Boolevard. 17. Flympton avenue, iron Boscobel avenue to Featherbed lane,
18. Grand Roulevani and Concourse, from the land or the Metropolitan Real fistate Associa-

tion to Modella Parkway, including transverse roads at East Two Hundrolth-crost and East Two

Hombred and Fourth street. The entalogue, showing in detail the extent of the encroachments on the streets and avenues alone mentioned, can be prepared by the Topographical Euresu, when so ordered by the Board. Heretotore it has been customary to have a number of these catalogues printed for distribution and a nonce of the safe inserted in the City Record. One of the conditions of the safe was that

the energachments, buildings and fences must be removed within thirty days from the date of the out. Respectfully, LOUIS A. RISSE,

Chief Topographical Engineer and Engineer of Concoune.

The following communication from the President of the florough of Quocos was read :

Boscondii or QUEKES, June 1, 1898,

Board of Public Improvements, No. 346 Brosslway, New York City:

N. B. A plan of the property is also hereby submitted.

[INCLOSURE.]

The President submitted a plan of the premises which on the City Map is designated lot or plot No. 1, Block No. 126, Third Ward, which years ago was ilonated by deed from Trustees of Union College of Schenectady, N. V., to Long Island City for a city hall or other such like purposes.

On motion daily scanned, the following was annimously adopted;

Resolved, That the Board of Improvements of The City of New York he and it is petitioned to authorize and direct the Commissioner of Public Balldings to engage the services of an architect for the purposes, situated and forming the junction of Jackson assence, Nott ascence and Hunter assence in Third Ward of late Long Island City, and designated on said City map as lot or plot No. 1 in Block No. 126, Third Ward, City as aforesaid, as per sketch submitted.

On motion of President Bowley, the matter was referred to the Commissioner of Public Bolldings with instructions to investigate the matter and make recommendation to this Board, and also the ascertain in advance whether it is possible to get an appropriation sufficient to creek a buildings.

The following communication from the President of the Borough of Queens was read, and

PERSIDENT OF THE BOROUGH OF QUEENS, CITY HATL, May 31, 1898.

Board of Public Improvements, No. 346 Brondway, N. V. City:

General of Funda Improvements, No. 340 Broadway, No. 2. City:

General Board some time age entertained the petition for the construction of severs in Taylor street, but as Hopkins avenue, from Taylor street to Grand avenue, has not been could to the city and as no such offer as to do is set forth in the application for sever, and the Corporation Counsel having advised not to approve of any petition for such like improvement until title in the street is first vested in The City of New York, together with the then uncertainty of debt limit caused the Local Board to suspend any further action therein, hence, the petitioners sought to obtain the much needed refirst through the Health Board.

Respectfully yours.

Respectfully yours, FREDERICK BOWLEY, President of the Borough of Queens.

The following communication was read and referred to the Commissioner of Water Supply;

KALTENBACH & STUTIENS,
MASUFACTURES OF SILE RIBBONS,
NOS. 233-247 LYNCH STRUET,
BROOKLYN, May 31, 1898.

Prevident HOLARAN, Bount of Public Improvements, City Hall, New York :

DEAR Six—I have a factory at the corner of Irving as once and Cooper street, Borough of Queens (just outside the line of the Borough of Browleyn), for the manufacture of artificial stone. It is necessary for a to establish a water connection of the Long Island Water Company's system, and we hereby request from your Honorable Board permission to effect such a connection. Inclosed sketch will indicate location, etc.

By giving this your very early attention you will greatly oblige,

Yours truly,

ERNEST J. KALTENBACH, of above firm.

A communication from the President of the Borough of The Bronx was read, recommending that a sewer to battle in Two Hundred and Fourth street, between Jerome avenue and Mosholu

Parkway.

As this matter had already been before the Board and Ind been reported on by the Commissioner of Sewers and the Chier Topographical Engineer, the Settletary was directed to communicate again with the Aspertiest Commissioners, in accordance with the resolution adopted April 6, 20,0

eate again with the Appendict Commissioners, in accordance with the resolution adopted April 6, 1812.

A communication from the Chief Topographical Engineer, enclosing localical description of the property prepared to be ceded to the city by the estate of Nathaniel P, floiley, who had, and the following resolution was manimously adopted.

Whereas, The Board of Street Opening and Improvement of The City of New York, on the 5th day of Pelmany, 1867, adopted a resolution requesting the Cosmel to the Corporation to take the accessary proceedings in the name of the Mayor, Aldermen and Community of the City of New York to acquire title to the lands required for the opening and extending of East One Hundred and Ninety-second street, from Bailey avenue to the buildhead line of the Harlem river and Externa creet, from East One Hundred and Ninety-second street to Broadway; and

Whereas, The estate of Nathaniel P, Bailey, deceased, by its counsel and attorney, Fordham Morris, has presented to the Board of Public Improvements of The City of New York a perition asking of that The City of New York accept from said estate a deduction of Enterior street and One Hundred and Ninety-second street, instead of resorting to condemnation proceedings, so that the construction of the oatlet to the sew-sage system of the Tibbets Brock Valley may be contracted and arranged for, and to haven the improvement south of Kingsbridge road and at the outlet, over all of which territory the estate has title, and that the estate will waive all compensation for land taken;" therefore

Resolved, That the petition of the estate of New York, presented in this Board by its counsel and attorney, Foodham Morris, together with a map and technical description of such lands by him decemed advisable, to take the necessary proceedings to carry into effect the provisions of the said petition, in pursuance of the property is as follows:

The description of the property is as follows:

The description of the property is as follows:

The description of the proper

The description of the property is as follows:

To hotel description of those portions of East One Hundred and Ninety-second street, extending from Balley avenue to the bulkhead line of the Harlem river and Exterior street, extending from East One Hundred and Ninety-second street to Kingsbridge road in the Twenty-fourth Ward of The City of New York, Borough of The Bronx, to be coded by the estate of Nathaniel P. Balley, deceased.

Beginning at a point in the southern line of Kingsbridge road distant 249.75 feet westerly from the intersection of the southern line of Kingsbridge road with the western line of Balley

tst. Thence westerly along the southern line of Kingsbridge road for 60.20 feet.

2d. Thence southerly curving to the right on the arc of a chicle of 3.7.15 feet radius, whose radius drawn westerly from the western extremity of the preceding course forms an angle of 4 degrees, 42 minutes and 35 seconds to the north with the western prolungation of said course and

whose length is 37.3 feet.
