Re: Office of the Queens County District Attorney
Follow-up Audit Regarding Previous Non-Compliance:
Employment Practices and Procedures
Audit Period: July 1, 2017 to June 30, 2018
Determination: PRELIMINARY

Dear District Attorney Brown:

On behalf of the members of the Equal Employment Practices Commission (EEPC), thank you and your agency for the cooperation extended to our staff thus far. This letter contains the EEPC's evaluation and preliminary determinations pursuant to the Queens County District Attorney's Employment Practices and Procedures Audit for the period covering July 1, 2017 to June 30, 2018.

Purpose

Chapter 36, Sections 830(a) and 831(d)(2) and (5) of the New York City Charter (Charter) authorize the EEPC to audit, review, evaluate, and monitor the employment practices, procedures, and programs of city agencies and other municipal entities, hereinafter "entities," and their efforts to ensure fair and effective equal employment opportunity (EEO) for women and minority employees and applicants. Charter Sections 831(d)(2) and 832(c) authorize the EEPC to make a determination that any plan, program, procedure, approach, measure, or standard does not provide equal employment opportunity, require appropriate corrective action, and monitor the implementation of the corrective action prescribed.

The Queens County District Attorney, hereinafter simply termed "agency" or "entity," falls within the EEPC's purview under Chapter 36, Sections 830(a) and 831(a) of the Charter, to review, evaluate, and monitor the coordination and implementation of affirmative employment programs of equal employment opportunity for any "city, county, borough or other office, administration, board, department, division, commission, bureau, corporation, authority, or

other agency of government where the majority of the board members of such agency are appointed by the mayor or serve by virtue of being city officers or the expenses of which are paid in whole or in part from the city treasury...”

Scope

The EEPC has adopted uniform standards for auditing municipal entities¹ and minimum standards for community boards (collectively “Standards”) to review, evaluate, and monitor entities’ employment and EEO-related practices, procedures, approaches, measures, standards, and programs. These standards are founded upon, and consistent with federal, state, and local laws and regulations, and policies and procedures to increase equal opportunity for women, minorities, and other employees and job applicants identified for protection from discrimination. Corrective actions prescribed are consistent with the aforementioned parameters including, but not limited to, the City of New York’s *Equal Employment Opportunity Policy, Standards and Procedures to Be Utilized by City Agencies 2014*, as amended (Citywide EEO Policy); the New York City Human Rights Law (New York City Administrative Code Title 8); New York State Human Rights Law (New York Executive Law, Article 15); the New York State Civil Service Law §55-a; and the equal employment opportunity requirements of the New York City Charter.

Policy and Plan Requirements

The aforementioned Standards require, at minimum, that mayoral entities distribute the Citywide EEO Policy; non-mayoral entities establish or adopt a comprehensive EEO policy; and Community Boards, which are comprised of members appointed by the respective Borough Presidents, adopt and distribute the corresponding Borough President’s EEO Policy.

Because the EEPC is authorized to review and recommend actions that each entity should consider including in its annual plan of measures and programs to provide equal employment opportunity, or Annual EEO Plan, entities are also required to incorporate the EEPC’s corrective actions in prospective Annual EEO Plans and programs.

Methodology

The EEPC communicates with EEO professionals (including, but not limited to, past or current EEO Officers, Deputy or Co-EEO Officers, EEO Counselors, EEO Trainers, EEO Investigators, Disability Rights Coordinators, Career Counselors, and 55-a Program Coordinators) and other employees identified as having involvement in EEO program administration such as the Principal Human Resources Professional and relevant Counsel.

The EEPC’s audit methodology includes review of the agency’s Annual EEO Plans and Quarterly EEO Reports; analysis of workforce and utilization data from the Citywide Equal Employment Database System (CEEDS) (see Appendix 1 for CEEDS EEO Job Groups); and the collection and analysis of documents, records, and data an entity and its representatives provide in response to the Employment Practices and Procedures Preliminary Interview Questionnaires (collectively PIQs). All PIQs contain requests to attach supporting documentation for answer options selected.

¹ Corresponding audit/analysis standards are numbered throughout the document.

EEO Professionals designated for electronic interviews are assigned a three-week deadline to complete and return the PIQs. The EEPC's PIQs were sent to the Queens County District Attorney on October 2, 2018; the completed PIQs with supporting documentation were returned on October 23, 2018. Additional requests for information were made on November 5, 2018 with responses provided on November 8, 2018.

The following determination indicates where the Queens County District Attorney has or has not complied, in whole or in part, with the established Standards.

Description of the Agency

Pursuant to Article 13, section 13 of the State Constitution, District Attorneys are constitutional officers elected every four years. Section 927 of the County Law imposes upon District Attorneys the duty to protect the public by investigating and prosecuting criminal conduct in the counties in which they hold office. At the end of the period in review, the CEEDS Report: *Work Force Composition Summary* for the Office of the Queens County District Attorney, attached as Appendix 2, indicated the agency's headcount was 684; 317 of whom were in the title Assistant District Attorney.

PRELIMINARY DETERMINATIONS AFTER AUDIT AND ANALYSIS

Following are the corresponding audit standards for each subject area along with the EEPC's findings and required corrective actions, where appropriate:

I. ISSUANCE, DISTRIBUTION AND POSTING OF EEO POLICIES

Determination: The agency is in compliance with the standards for this subject area.

1. Issue a general EEO Policy statement or memorandum annually reiterating commitment to EEO, declaring the agency's position against discrimination on any protected basis, advising employees of the names and contact information of EEO professionals, and attaching, or providing employees pertinent electronic links to, an EEO Policy/Handbook.
- ✓ During the period in review, the District Attorney's (DA) August 2016 "*Equal Employment Opportunity (EEO) Policy Statement*" (EEO Policy Statement) was distributed in hard copy to new employees during orientation and emailed to all employees by the principal EEO Professional. The EEO Policy statement reiterated that the agency was "*committed to providing its employees with a work environment in which all individuals are treated with respect and dignity.*" It further stated that "*This office is an equal opportunity employer and strives to provide equal employment opportunity to all employees and applicants for employment without regard to actual or perceived race, color, national origin, alienage or citizenship status, religion or creed, gender (including 'gender identity' – which refers to a person's actual or perceived sex, and includes self-image, appearance, behavior or expression, whether or not different from that traditionally associated with the legal sex assigned to the person at birth), disability, age (18 and over), military status, prior record of arrest or conviction, marital status, partnership status, pregnancy, caregiver status,*

predisposing genetic characteristic, sexual orientation, status as a victim of domestic violence, a sex offense or stalking, unemployment status and consumer credit history.” The EEO Policy statement informed employees of the contact information for and responsibilities of the principal EEO Professional and the EEO Coordinators to implement the agency’s EEO program and was issued with “*Equal Employment Opportunity and Sexual Harassment Policy and Program.*”

- The agency did not demonstrate that an EEO Policy statement or memorandum was issued annually during the period in review. Corrective Action Required.

NOTE: Subsequent to the period in review, on November 18, 2018 and February 1, 2019 employees were advised, via agency-wide emails from the principal EEO Officer, that the EEO Policy, which contained the EEO Policy statement, was available on their computer desktop via a folder icon entitled “*QDA EEO Policy.*”

2. Distribute/Post a paper or electronic copy of the *Equal Employment Opportunity Policy, Standards and Procedures to Be Utilized by City Agencies* – or an agency EEO Policy that conforms to city, state and federal EEO laws – for use by managers, supervisors, and legal, human resources and EEO professionals. Include, or attach as addenda: a policy against sexual harassment; uniform and responsive procedures for investigating discrimination complaints and providing reasonable accommodations; an up-to-date list of protected classes under NYC and NYS Human Rights Laws; and current contact information for the agency’s EEO professionals, as well as federal, state and local agencies that enforce laws against discrimination.
- ✓ In August 2016, the principal EEO Professional emailed all employees electronic copies of the agency’s “*Equal Employment Opportunity and Sexual Harassment Policy and Program*” (EEO Policy) and “*Reasonable Accommodation Policy and Procedure*” (Reasonable Accommodation Policy). The agency also reported that during the period in review, paper copies of its EEO Policy were distributed to new employees during orientation. The EEO Policy contained the following sections: *Statement on Sexual Harassment in the Work Place; Responsibilities for Implementing the Equal Employment Opportunity and Sexual Harassment Program; Internal Equal Employment Opportunity and Sexual Harassment Complaint Procedures; Communication of the Goals and Procedures of the Equal Employment Opportunity and Sexual Harassment Program;* and contact information for *federal, state and local agencies that enforce laws against discrimination and sexual harassment.* A list of most of the protected classes under NYC and NYS Human Rights Law, and contact information for the agency’s EEO professionals was included in the EEO Policy statement, which was distributed as an attachment to the EEO Policy.
- The agency’s EEO Policy did not include “*familial status*” as a protected class under NYS Human Rights Laws. Corrective Action Required.

NOTE: Subsequent to the period in review, on November 18, 2018 and February 1, 2019, employees were advised, via agency-wide emails, from the principal EEO Officer, that the EEO

Policy was available on their computer desktops via a folder icon entitled “QDA EEO Policy.” The EEO Policy was updated to reflect all the current protected classes under NYS Human Rights Laws.

II. EEO TRAINING FOR AGENCY

Determination: The agency is in non-compliance with the standards for this subject area.

3. Establish and implement an EEO training plan for new and existing employees to ensure that all individuals who work within the agency, including managers and supervisors, receive training on unlawful discriminatory practices under local, state and federal EEO laws; EEO rights and/or responsibilities; discrimination complaint and investigation procedures; prevention of sexual harassment; and reasonable accommodation procedures.
- ✓ During the period in review, the agency’s new hire orientation program for Professional Staff (Assistant District Attorneys (ADAs)) included EEO training conducted by the Deputy EEO Officer/EEO Trainer within the first week of employment. Emails in April, September, and November 2018, sent by the Director of Human Resources, advised Support Staff (staff other than ADAs) that they were required to complete the Department of Citywide Administrative Services’ (DCAS) EEO computer-based training (EEO CBT) within their first six (6) months of employment. A “*New Hire Details - EEO CBT Tracking*” spreadsheet details the start date of new hires for the period in review, the date they were emailed about completion of the *EEO CBT Training*, the completion status, and the date of follow-up. Topics covered by the agency’s new hire orientation for Professional Staff and the DCAS EEO CBT included unlawful discriminatory practices under local, state and federal EEO laws; EEO rights and/or responsibilities; discrimination complaint and investigation procedures; prevention of sexual harassment; and reasonable accommodation procedures.
 - The agency did not demonstrate the implementation of an EEO training plan for existing employees. Corrective Action Required.

Corrective Action #1: Establish and implement an EEO training plan for new and existing employees to ensure that all individuals who work within the agency, including managers and supervisors, receive training on unlawful discriminatory practices under local, state and federal EEO laws; EEO rights and/or responsibilities; discrimination complaint and investigation procedures; prevention of sexual harassment; and reasonable accommodation procedures.

III. EMPLOYMENT PRACTICES (Recruitment, Hiring & Promotion)

Determination: The agency is in partial compliance with the standards for this subject area.

4. Assess recruitment efforts to determine whether such efforts adversely impact any particular group. To the extent that adverse impact is discovered, at a minimum, identify relevant professional and community organizations serving women, minorities, and other protected groups throughout the City, review and update listings of recruitment outreach sources, and

contact these organizations when positions become available or where the agency may otherwise use discretion in hiring.

- The agency did not assess its recruitment efforts to determine whether such efforts adversely impacted women, minorities, or any other protected group. Further, CEEDS Reports – *Work Force Compared with Internal and External Pools* from the period in review indicated underutilization of *Blacks* in the *Managers, Clerical, and Police and Detectives* job groups for all four (4) quarters of fiscal year (FY) 2018, and underutilization of *Blacks* in the *Clerical Supervisors* and *Paraprofessionals* job groups for the first three (3) quarters of FY 2018 (see Appendices 3 and 4).

NOTE: The same CEEDS Report for the second quarter of FY 2019 (the most recent quarter available), indicated underutilization of *Blacks* in the *Managers, Clerical, Police and Detectives*, and *Clerical Supervisors* job groups (see Appendix 5). Corrective Action Required.

Corrective Action #2: Assess recruitment efforts to determine whether such efforts adversely impact any particular group. To the extent that adverse impact is discovered, at a minimum, identify relevant professional and community organizations serving women, minorities, and other protected groups throughout the City, review and update listings of recruitment outreach sources, and contact these organizations when positions become available or where the agency may otherwise use discretion in hiring.

5. Ensure that the principal EEO Professional, HR Professional, and General Counsel, review the agency's statistical information (i.e. workforce, hires, promotions, and separations by race/ethnicity and gender) the annual number of EEO complaints, and the agency's employment practices, policies and programs on an annual basis to identify whether there are barriers to equal employment opportunities and determine what, if any, actions are required to correct deficiencies. (e.g. underutilization or adverse impact).
- ✓ During the period in review the principal EEO Professional prepared and distributed for review a "*Semi-annual review of Professional and Support Staff*" memorandum to the District Attorney, Chief Assistant District Attorney, General Counsel, and the Executive Assistant District Attorney for Administration. The aforementioned memorandum detailed the agency's headcount and demographic composition by gender and ethnicity.
 - The agency did not review the annual number of EEO complaints or the agency's employment practices, policies and programs on an annual basis to identify whether there were barriers to equal opportunity within the agency and determine what, if any, actions were required to correct deficiencies. Corrective Action Required.

Corrective Action #3: Ensure that the principal EEO Professional, HR Professional, and General Counsel, review the agency's statistical information (i.e. workforce, hires, promotions, and separations by race/ethnicity and gender) the annual number of EEO complaints, and the agency's employment practices, policies and programs on an annual basis to identify whether

there are barriers to equal employment opportunities and determine what, if any, actions are required to correct deficiencies. (e.g. underutilization or adverse impact).

6. Assess the manner in which candidates are selected for employment, to determine whether there is any adverse impact upon a particular racial, ethnic, disability, or gender group. To the extent that adverse impact is discovered, determine whether the selection criteria being utilized are job-related. Discontinue using criteria that are not job-related, and adopt methods which diminish adverse impact.

- The agency did not assess the manner in which candidates were selected for employment to determine whether such efforts adversely impacted women, minorities, or any other protected group. Further, CEEDS Reports – *Work Force Compared with Internal and External Pools* from the period in review indicated underutilization of *Blacks* in the *Managers, Clerical, and Police and Detectives* job groups for all four (4) quarters of FY 2018, and underutilization of *Blacks* in the *Clerical Supervisors and Paraprofessionals* job groups for the first three (3) quarters of FY 2018 (see Appendices 3 and 4).

NOTE: The same CEEDS Report for the second quarter of FY 2019 (the most recent quarter available), indicated underutilization of *Blacks* in the *Managers, Clerical, Police and Detectives*, and *Clerical Supervisors* job groups (see Appendix 5). Corrective Action Required.

Corrective Action #4: Assess the manner in which candidates are selected for employment, to determine whether there is any adverse impact upon a particular racial, ethnic, disability, or gender group. To the extent that adverse impact is discovered, determine whether the selection criteria being utilized are job-related. Discontinue using criteria that are not job-related, and adopt methods which diminish adverse impact.

7. If women, minorities, or other protected groups are underrepresented in titles where there is discretion in hiring, determine the usefulness of the selection procedures (criteria, practices, and patterns) and their relevancy to measuring suitability for the job and advertise in minority- or female-oriented media outlets; contact organizations serving women, minorities, and other protected groups; participate in career fairs/open houses; or use internships to attract interested persons and hire qualified candidates.

- The agency did not determine whether the aforementioned job groups, in which underutilization was indicated, included discretionary titles (see Appendices 2, 3 and 4). Corrective Action Required.

Corrective Action #5: If women, minorities, or other protected groups are underrepresented in titles where there is discretion in hiring, determine the usefulness of the selection procedures (criteria, practices, and patterns) and their relevancy to measuring suitability for the job and advertise in minority- or female-oriented media outlets; contact organizations serving women, minorities, and other protected groups; participate in career fairs/open houses; or use internships to attract interested persons and hire qualified candidates.

8. If women, minorities, or other protected groups are underrepresented in *civil service* (list) titles, review the competencies, skills and abilities required (as presented in job vacancy notices and notices of examination) for available positions to ensure that these standards are updated, job-related and required by business necessity. (This includes working with DCAS or the Civil Service Commission if applicable). Then advertise in minority- or female-oriented publications, contact organizations serving women, minorities, and other protected groups; participate in career fairs or open houses; or use internships to attract interested persons and to develop and hire interested and qualified candidates.
- The agency did not determine whether the aforementioned job groups, where underutilization was indicated, included *civil service* (list) titles (see Appendices 2, 3 and 4). Corrective Action Required.

Corrective Action #6: If women, minorities, or other protected groups are underrepresented in *civil service* (list) titles, review the competencies, skills and abilities required (as presented in job vacancy notices and notices of examination) for available positions to ensure that these standards are updated, job-related and required by business necessity. (This includes working with DCAS or the Civil Service Commission if applicable). Then advertise in minority- or female-oriented publications, contact organizations serving women, minorities, and other protected groups; participate in career fairs or open houses; or use internships to attract interested persons and to develop and hire interested and qualified candidates.

9. Ensure that human resources professionals, managers, supervisors, and other personnel involved in recruiting and hiring are trained to consider EEO laws/policies and use uniform, job-related techniques to identify, interview and select the most capable candidates (e.g. structured interview training or guide).
- ✓ The agency demonstrated that two (2) employees who conducted interviews for support staff completed the DCAS training on *Structured Interviewing and Unconscious Bias*. Certificates of completion issued in March and May 2017, which was prior to the period in review, were provided for these two employees.
 - The agency did not demonstrate that all employees involved in recruiting and hiring were trained to consider EEO laws/policies and use uniform, job-related techniques to identify, interview, and select the most capable candidates. Although the agency reported that seven (7) employees conducted interviews for support staff, five (5) of whom completed the DCAS training on *Structured Interviewing and Unconscious Bias*, the agency did not provide verification that this training was completed for five (5) employees. The agency further reported that the principal EEO Professional (Counsel to Chief Assistant District Attorney), who had completed EEO training (see §VI.19) but not structured interview training, was the main person responsible for final interviews for Professional Staff. Corrective action required.

Corrective Action #7: Ensure that human resources professionals, managers, supervisors, and other personnel involved in recruiting and hiring are trained to consider EEO laws/policies and use uniform, job-related techniques to identify, interview and select the most capable candidates (e.g. structured interview training or guide).

10. Promote employees' awareness of opportunities for advancement and transfer within the agency by: administering incentive programs; publicizing promotions, including promotions into, or changes in, the managerial ranks; and/or using other methods to communicate internal opportunities.

✓ During the period in review, the principal EEO Professional and the Director of HR & Payroll Services emailed Professional Staff in December 2017 and Support Staff in June 2018, to promote employees' awareness regarding opportunities for advancement and transfer within the agency.

11. Ensure that employees are considered internally for career enhancement, development opportunities and transfer by: encouraging and providing training, development or mentorship programs to improve their performance and skills; establishing internal talent pools via cross-training, cross divisional assignments, job transfers, and/or job rotation; and identifying internal successors with applicable knowledge/skills/abilities.

✓ During the period in review, the agency utilized a monthly review system called the "*Appellate Division Reviews*," which required the attendance of all Professional Staff and was aimed at improving employees' job performance and skills.

➤ During the period in review, the agency did not demonstrate that it had programs for Support Staff for career enhancement, development opportunities, and transfer. **Corrective Action Required.**

Corrective Action #8: Ensure that employees are considered internally for career enhancement, development opportunities and transfer by: encouraging and providing training, development or mentorship programs to improve their performance and skills; establishing internal talent pools via cross-training, cross divisional assignments, job transfers, and/or job rotation; and identifying internal successors with applicable knowledge/skills/abilities.

12. At minimum, indicate the agency is an equal opportunity employer in recruitment literature.

✓ Representative internal and external recruitment literature from the period in review indicated that the agency was an equal opportunity employer. Four (4) external job vacancy notices advertised online and in newspapers, for *Crime Victim Case Manager*, *Crime Victim Associate*, *Senior Racquets Investigator*, and *Supervising Racquets Investigator* vacancies, each indicated that the agency was an "Equal Opportunity Employer". Three internal job vacancy notices, for *Clerk*, *Criminal Court Bureau*, and *Queens Treatment Intervention Program Case Manager* positions, each indicated that "The Office of the Queens County District Attorney is

an equal opportunity employer with a strong commitment to the diversity of our organization and workforce.”

13. Use and maintain an applicant/candidate log or tracking system which, at minimum, includes the *position, applicants'/candidates' names or identification number, race/ethnicity, gender, disability, veteran status, interview date, interviewers' names, result (or disposition), reason selected/not selected* for each applicant, and *recruitment source*. (For employers that collect protected status criteria via visual observation: Minimize the risk that an applicant's protected status may play a role in his/her hire by having someone other than the final decision-maker conduct the visual observation.)
- ✓ During the period in review, the agency maintained its *ADA Recruitment Database*, an electronic applicant tracking system for Professional Staff positions. Screenshots of the *ADA Recruitment Database* demonstrated its ability to capture the following information for each applicant: *applicant's name, date of application, address, telephone number, school, gender, interviewers' name, result, reason selected/not selected, and recruitment source*.
- During the period in review, the agency did not use or maintain an applicant/candidate log or tracking system for Support Staff. Although the *ADA Recruitment Database* captured the names and gender of applicants for its Professional Staff, it did not capture: *race, ethnicity, veteran status, and disability status*. Corrective action required.

Corrective Action #9: Use and maintain an applicant/candidate log or tracking system which, at minimum, includes the *position, applicants'/candidates' names or identification number, race/ethnicity, gender, disability, veteran status, interview date, interviewers' names, result (or disposition), reason selected/not selected* for each applicant, and *recruitment source*. (For employers that collect protected status criteria via visual observation: Minimize the risk that an applicant's protected status may play a role in his/her hire by having someone other than the final decision-maker conduct the visual observation.)

IV. CAREER COUNSELING

Determination: The agency is in compliance with the standards for this subject area.

14. Designate a professional (may be referred to as the Career Counselor) with training, knowledge and familiarity with career opportunities in City government to provide career counseling to employees upon request. Remind employees of the identity/type of guidance available from the Career Counselor at least once each year.
- ✓ On February 2, 2017, the DA informed all employees via emailed memorandum, of the identities, contact information and the services available from the agency's two Career Counselors; one for the Professional Staff and another for the Support Staff.
15. Assign the Human Resources Professional (or designee) the responsibilities to ensure that all employees have access to information regarding job responsibilities, performance evaluation standards, examinations, training opportunities, job postings, and Career Counseling

(including the identity of the Career Counselor); and to inform and involve the principal EEO Professional in the 55-a program and/or efforts to employ, promote or accommodate qualified individuals with disabilities.

- ✓ On February 2, 2017, the DA informed all employees, via emailed memorandum, of the identities of the agency's two Career Counselors. The memorandum also informed employees that information regarding job responsibilities, performance evaluation standards, examinations, training opportunities, and job postings could be obtained from those Career Counselors. Further, the agency's *Reasonable Accommodation Policy* provided contact information for the agency's Disability Rights Coordinator (DRC) and established that the DRC "shall be responsible for ensuring effective communication between applicants or employees and agency staff at every stage of the application and reasonable accommodation process." The agency's *Reasonable Accommodation Policy* also addressed the involvement of the principal EEO Professional in the agency's efforts to employ, promote, or accommodate qualified individuals with disabilities; specifically the responsibility of processing reasonable accommodation requests for applicants and consulting with the agency head about applicant or employee appeals.

**V. EEO AND REASONABLE ACCOMMODATIONS FOR EMPLOYEES/
APPLICANTS FOR EMPLOYMENT WITH DISABILITIES**

Determination: The agency is in partial compliance with the standards for this subject area.

16. Utilize the Section 55-a Program, which allows City agencies to employ qualified persons who have been certified as disabled in competitive positions on a non-competitive basis.

- The agency reported that it did not distribute information to employees about the 55-a program. Corrective Action Required.

Corrective Action #10: Utilize the Section 55-a Program, which allows City agencies to employ qualified persons who have been certified as disabled in competitive positions on a non-competitive basis.

17. Ensure that information regarding employee EEO-related rights and obligations, and the complaint, investigation and reasonable accommodation procedures is made available in appropriate alternative formats (i.e., large print, audio recording and/or Braille) upon request to employees and applicants for employment with disabilities.

- ✓ The agency reported that during the period in review, its EEO Policy, including the complaint and investigation procedures, was available in large print and that the reasonable accommodation procedures could be made available in large print, if necessary. However to date, it has received no requests for the policy in alternative formats.

18. Document reasonable accommodation requests and their outcomes.

- ✓ During the period in review, the agency documented reasonable accommodation requests and their outcomes via its *Reasonable Accommodation Tracking Sheet*, which captured the date the request was received, the type of accommodation requested, the outcome of the request and relevant notes pertaining to each request. Sought

VI. RESPONSIBILITY FOR EEO PLAN IMPLEMENTATION - EEO PROFESSIONALS

Determination: The agency is in partial compliance with the standards for this subject area.

19. Appoint a principal EEO Professional to implement EEO policies and standards within the agency. Ensure the principal EEO Professional is trained regarding city, state and federal EEO laws; the requirements of the agency's EEO policies, standards and procedures; and the prevention, investigation, and resolution of discrimination complaints.
 - ✓ A certificate of completion indicated that the agency's principal EEO Professional during the audit period, and to date (Counsel to Chief Assistant District Attorney), completed DCAS's five-day *Diversity and EEO Basic Training* in April and May 2017. Topics covered in the aforementioned training included city, state, and federal EEO laws; the requirements of the agency's EEO policies, standards, and procedures; and the prevention, investigation, and resolution of discrimination complaints.
20. Ensure that the responsibilities of the principal EEO Professional are competently discharged by providing adequate resources such as opportunities for continuing education and professional development, and/or support staff to meet EEO obligations.
 - ✓ During the period in review, the principal EEO Professional was provided resources to competently discharge the responsibilities of the office in the form of training (see §VI.19) and the allocation of EEO support staff. EEO support staff during the period in review included a Deputy EEO Officer/EEO Trainer, an EEO Investigator, and seven (7) EEO Coordinators. The EEO Policy statement established that the EEO Coordinators "...will assist the EEO Officer in all aspects of the EEO Program and serve as the primary recipients of any EEO complaints from members of this Office." Sign-in sheets indicated that the Deputy EEO Officer/EEO Trainer and the EEO Investigator attended all five (5) days of DCAS's *Diversity and EEO Basic Training* in April and May 2017.
21. Assign the principal EEO Professional (or EEO-related designee) the responsibility to supervise the activities of EEO professionals, and ensure that: the policies against sexual harassment and complaint procedures are distributed/posted at all agency locations; employees/managers receive sexual harassment prevention training; EEO-related policies are made available in alternative formats (i.e., large print, audio recording and/or Braille) upon request; managers, supervisors and human resource professionals receive guidance on issues pertaining to sexual harassment; and allegations of sexual harassment are promptly investigated.
 - ✓ The District Attorney assigned the principal EEO Professional the responsibility to establish, develop and monitor the agency's EEO program as per the agency's EEO Policy. The EEO Policy

outlined specific aspects of the agency's EEO Program, including that the District Attorney's EEO Policy statement will be posted on all employee bulletin boards (Section V.A.), that the EEO Policy and EEO Policy statements will be distributed to all employees and new employees during orientation (Section V.A), and that sexual harassment training will be incorporated into "*managerial, supervisory, EEO, [and] employee orientation*" (Section II.J). The EEO Policy also established the responsibilities of the principal EEO Professional and EEO Counselors to provide guidance on issues pertaining to sexual harassment to managers, supervisors, and human resource professionals; and to investigate allegations of sexual harassment in accordance with the time frames established in agency's complaint investigation procedures (Section III.A, Section III.C, and Section IV.C). The EEO Policy also states that "*the EEO Coordinators shall report directly to the EEO Officer*" Further, the agency's Reasonable Accommodation Policy designated that the DRC "*shall be responsible for ensuring effective communication between applicants or employees and agency staff at every stage of the application and reasonable accommodation process. Effective communication may require arranging for sign language interpreters, assistive listening equipment, alternative formats for people with visual impairments, or other approaches.*"

22. Ensure that the principal EEO Professional reports directly to the agency head (or a direct report other than the General Counsel) in order to exercise the necessary authority and independent judgment to fulfill EEO responsibilities.
- ✓ The agency's current organizational chart, dated February 2011, indicated that the principal EEO Professional reported directly to the Chief Assistant District Attorney, who reported directly to the District Attorney.
23. Maintain documentation regarding directives or decisions between the agency head (or a direct report other than the General Counsel) and the principal EEO Professional that impact the administration and operation of EEO programs, policies or procedures.
- ✓ The agency reported that the principal EEO Professional and Deputy EEO Officer/EEO Trainer met monthly with the District Attorney and the Chief Assistant District Attorney to discuss the administration and operation of the agency's EEO program, including status of training, status of complaints, and new members of Support Staff and Detective Bureau.
 - The agency did not maintain documentation regarding directives or decisions that occurred during, or as a result of, the abovementioned monthly meetings that impacted the administration and operation of EEO programs, policies or procedures. Corrective Action Required.

Corrective Action #11: Maintain documentation regarding directives or decisions between the agency head (or a direct report other than the General Counsel) and the principal EEO Professional that impact the administration and operation of EEO programs, policies or procedures.

VII. RESPONSIBILITY FOR EEO PLAN IMPLEMENTATION – SUPERVISORS/MANAGERS

Determination: The agency is in partial compliance with the standards for this subject area.

24. Establish and administer an annual managerial/non-managerial performance evaluation program to be used for probationary periods, promotions, assignments, incentives and training.
- ✓ During the period in review, the agency maintained performance evaluation programs for its Professional Staff and Support Staff. The Chief Assistant to the District Attorney emailed all Bureau Chiefs with *Professional Staff Evaluation Forms* and reminders along with the evaluation due dates. The Chief Assistant's Secretary tracked evaluation completions via a list and followed up with each Bureau Chief to ensure that evaluations for all members of each Bureau were completed. The hard copies of the completed evaluations for each Assistant District Attorney were maintained by the Chief Assistant and the electronic copies were uploaded into the *Paradox Program* database for storing electronic documents. The agency's Support Staff evaluation program was maintained by the HR Director. Support Staff evaluations were conducted at the six month intervals for the first year (and annually thereafter) and tracked via the agency's *Support Staff Evaluation Database*. Citywide Equal Employment Database System (CEEDS)
Utilization of Reports in Audits

The Equal Employment Practices Commission reviews the workforce statistics and utilization analysis information available from CEEDS to understand the concentrations of race and gender groups within an agency's workforce. (CEEDS may be unavailable for certain non-mayoral agencies. In such cases, the EEPC requests that the agency submit similar statistics and analysis.) CEEDS serve various purposes in an audit; but most importantly, it allows the EEPC's EEO Program Analysts to examine imbalances between the number of employees in a particular job category and the number that would reasonably be expected when compared to their availability in the relevant labor market. Personnel actions are reviewed to ascertain the agency's employment practices. Where underutilization is revealed within an agency's workforce, the EEPC's EEO Program Analysts assess whether the agency has undertaken reasonable measures to address it.

Re: Resolution #2018AP/228-904-(2019)
Office of the Queens County District Attorney
Evaluation of Employment Practices and Procedures
Audit Period: July 1, 2017 to June 30, 2018
Determination: FINAL

Dear District Attorney Brown:

On behalf of the members of the Equal Employment Practices Commission (EEPC), thank you for the continued cooperation extended to our staff. This document serves as a follow-up evaluation and Final Determination to the following:

Preliminary Determination Issued on: February 8, 2019
No Response Received.

Purpose

Chapter 35, Sections 815(a)(15) and (19) of the New York City Charter (Charter) calls for agency heads to ensure and promote equal opportunity for all persons in appointment, payment of wages, development, and advancement, and to establish measures and programs to ensure a fair and effective affirmative employment plan to provide equal employment opportunity (EEO) for minority group members and women.

Charter Chapter 36, Sections 830(a) and 831(d)(2) and (5) authorize the EEPC to audit, review, evaluate, and monitor the employment practices, procedures, and programs of city agencies and other municipal entities, hereinafter "entities," and their efforts to ensure fair and effective EEO for women and minority employees and applicants. Charter Sections 831(d)(2) and 832(c) authorize the EEPC to make a determination that any plan, program, procedure, approach,

measure, or standard does not provide equal employment opportunity, require appropriate corrective action, and monitor the implementation of the corrective action prescribed. The attachment contains the EEPC's final determination regarding the audit, review, and evaluation of the Office of the Queens County District Attorney's Employment Practices and Procedures.

As the Office of the Queens County District Attorney falls within the EEPC's purview under Charter Chapter 36, Section 831(a), the EEPC is authorized to review, evaluate, and monitor the coordination and implementation of its affirmative employment programs of EEO and related practices. As indicated in our Preliminary Determination, the EEPC has adopted uniform standards¹ to this end. The purpose of this Final Determination, as authorized by Charter Chapter 36, Section 832(c), is to determine the sufficiency of the Office of the Queens County District Attorney's actions taken or planned thus far to correct areas of non-compliance identified in the EEPC's Preliminary Determination. Further, Chapter 36, Section 832(c) requires that: (1) the EEPC assign a compliance-monitoring period of up to six (6) months to monitor efforts taken to eliminate areas of non-compliance, if any; and (2) the agency respond in thirty (30) days and submit a report each month during this period on the progress of efforts taken to correct outstanding areas of non-compliance.

Next Steps

The assigned compliance-monitoring period is: April 1, 2019 to September 30, 2019. Correcting all outstanding areas of non-compliance without delay is highly encouraged and will serve to shorten this period.

If corrective actions remain: Corrective actions will be listed under the *Monitoring Required* section of the attached Final Determination. The EEPC requires that the agency head submit a signed response to this Final Determination. The signed response should indicate what steps the Office of the Queens County District Attorney has taken, or will take, to correct outstanding areas of non-compliance during the designated compliance-monitoring period. The Office of the Queens County District Attorney will be monitored monthly until all outstanding areas of non-compliance have been sufficiently corrected. The Office of the Queens County District Attorney is required to submit documentation that supports the implementation of each corrective action via TeamCentral, the EEPC's Automated Compliance-Monitoring System. Instruction on how to access and navigate TeamCentral is attached.

Final Memorandum: Upon the Office of the Queens County District Attorney's implementation of the final corrective action, if any, the EEPC requires that the Office of the Queens County District Attorney submit a final memorandum, signed by the agency head, that recognizes the EEPC's audit and reiterates commitment to equal employment practices. **Upon receipt of this final memorandum, the EEPC will issue a *Determination of Compliance*.**

If no corrective actions remain: In lieu of a response to this Final Determination, the Office of the Queens County District Attorney must submit a final memorandum (See Next Steps, Final Memorandum). Upon the EEPC's receipt of the final memorandum, the Office of the Queens County District Attorney will be exempt from the abovementioned compliance-monitoring period.

¹ The EEPC's uniform standards for auditing municipal entities and minimum standards for auditing community boards (collectively "Standards") are founded upon, and consistent with, federal, state, and local laws and regulations, and policies and procedures, including, but not limited to, the City of New York's *Equal Employment Opportunity Policy, Standards and Procedures to be Utilized by City Agencies 2014*; New York City Human Rights Law (NYC Administrative Code 8); New York State Human Rights Law (New York Executive Law, Article 15); New York State Civil Service Law §55-a; and the equal employment opportunity requirements of the New York City Charter.

Conclusion

This is the EEPc's Final Determination. Questions regarding next steps may be addressed to Jennifer Shaw, Esq., Executive Agency Counsel/Director of Compliance at jshaw@eeepc.nyc.gov or 212-615-8942.

Thank you and your staff for your continued cooperation.

Sincerely,

Charise L. Terry
Executive Director

FINAL DETERMINATION

A response indicating progress of the Office of the Queens County District Attorney's efforts to correct outstanding areas of non-compliance, with supporting documentation, is due within 30 days.

The Equal Employment Practices Commission's findings and corrective actions required to remedy areas of non-compliance are based on the audit methodology, which included collection and analysis of the documents, records, and data provided; the EEPC's *Preliminary Interview Questionnaires* (PIQs) for EEO professionals and others involved in EEO program administration; and, if applicable, the *EEPC Employee Survey*; the *EEPC Supervisor/Manager Survey*; the *Annual EEO Plans* and *Quarterly EEO Reports* of the audited entity; and workforce data from the *Citywide Equal Employment Database System*. Additional research and follow-up discussions or interviews were conducted as appropriate.

After reviewing the optional response² (if applicable) to the EEPC's Preliminary Determination, our Final Determination is as follows:

Monitoring Required

The agency's implementation of the following required corrective actions will be monitored during the assigned compliance-monitoring period.

Corrective Action #1: Establish and implement an EEO training plan for new and existing employees to ensure that all individuals who work within the agency, including managers and supervisors, receive training on unlawful discriminatory practices under local, state and federal EEO laws; EEO rights and/or responsibilities; discrimination complaint and investigation procedures; prevention of sexual harassment; and reasonable accommodation procedures.

Corrective Action #2: Assess recruitment efforts to determine whether such efforts adversely impact any particular group. To the extent that adverse impact is discovered, at a minimum, identify relevant professional and community organizations serving women, minorities, and other protected groups throughout the City, review and update listings of recruitment outreach sources, and contact these organizations when positions become available or where the agency may otherwise use discretion in hiring.

Corrective Action #3: Ensure that the principal EEO Professional, HR Professional, and General Counsel, review the agency's statistical information (i.e. workforce, hires, promotions, and separations by race/ethnicity and gender) the annual number of EEO complaints, and the agency's employment practices, policies and programs on an annual basis to identify whether there are barriers to equal employment opportunities and determine what, if any, actions are required to correct deficiencies. (e.g. underutilization or adverse impact).

Corrective Action #4: Assess the manner in which candidates are selected for employment, to determine whether there is any adverse impact upon a particular racial, ethnic, disability, or gender group. To the extent that adverse impact is discovered, determine whether the selection criteria being

² Excerpts are italicized.

utilized are job-related. Discontinue using criteria that are not job-related, and adopt methods which diminish adverse impact.

Corrective Action #5: If women, minorities, or other protected groups are underrepresented in titles where there is discretion in hiring, determine the usefulness of the selection procedures (criteria, practices, and patterns) and their relevancy to measuring suitability for the job and advertise in minority- or female-oriented media outlets; contact organizations serving women, minorities, and other protected groups; participate in career fairs/open houses; or use internships to attract interested persons and hire qualified candidates.

Corrective Action #6: If women, minorities, or other protected groups are underrepresented in *civil service* (list) titles, review the competencies, skills and abilities required (as presented in job vacancy notices and notices of examination) for available positions to ensure that these standards are updated, job-related and required by business necessity. (This includes working with DCAS or the Civil Service Commission if applicable). Then advertise in minority- or female-oriented publications, contact organizations serving women, minorities, and other protected groups; participate in career fairs or open houses; or use internships to attract interested persons and to develop and hire interested and qualified candidates.

Corrective Action #7: Ensure that human resources professionals, managers, supervisors, and other personnel involved in recruiting and hiring are trained to consider EEO laws/policies and use uniform, job-related techniques to identify, interview and select the most capable candidates (e.g. structured interview training or guide).

Corrective Action #8: Ensure that employees are considered internally for career enhancement, development opportunities and transfer by: encouraging and providing training, development or mentorship programs to improve their performance and skills; establishing internal talent pools via cross-training, cross divisional assignments, job transfers, and/or job rotation; and identifying internal successors with applicable knowledge/skills/abilities.

Corrective Action #9: Use and maintain an applicant/candidate log or tracking system which, at minimum, includes the *position, applicants'/candidates' names or identification number, race/ethnicity, gender, disability, veteran status, interview date, interviewers' names, result (or disposition), reason selected/not selected* for each applicant, and *recruitment source*. (For employers that collect protected status criteria via visual observation: Minimize the risk that an applicant's protected status may play a role in his/her hire by having someone other than the final decision-maker conduct the visual observation.)

Corrective Action #10: Utilize the Section 55-a Program, which allows City agencies to employ qualified persons who have been certified as disabled in competitive positions on a non-competitive basis.

Corrective Action #11: Maintain documentation regarding directives or decisions between the agency head (or a direct report other than the General Counsel) and the principal EEO Professional that impact the administration and operation of EEO programs, policies or procedures.

Corrective Action #12: Ensure the managerial performance evaluation form contains a rating for EEO (which covers responsibilities and processes for assuring their ability to make employment decisions based on merit and equal consideration, or treat others in an equitable and impartial manner).

Corrective Action #13: Submit to the EEPC an Annual Plan of measures and programs to provide equal employment opportunity.

The EEPC thanks you and your staff for your continued cooperation.

Memo

TO: All Employees
FROM: Equal Employment Practices Commission
DATE: 12/16/2019
RE: Evaluation of Employment Practices and Procedures
Office of the Queens County District Attorney

The New York City Charter requires the Equal Employment Practices Commission (EEOC) to conduct an audit once every four years to ensure each City agency or municipal entity (collectively “agency”) complies with federal, state, and local laws and regulations, and policies and procedures that increase equal opportunity for employees and applicants.

The EEOC recently concluded an audit and evaluation of the Office of the Queens County District Attorney’s practices and procedures for compliance with city, state, and federal equal employment opportunity laws and regulations, and identified enhancement by means of the following:

- Establish and implement an EEO training plan for new and existing employees to ensure that all individuals who work within the agency, including managers and supervisors, receive training on unlawful discriminatory practices under local, state and federal EEO laws; EEO rights and/or responsibilities; discrimination complaint and investigation procedures; prevention of sexual harassment; and reasonable accommodation procedures.
- Assess recruitment efforts to determine whether such efforts adversely impact any particular group. To the extent that adverse impact is discovered, at a minimum, identify relevant professional and community organizations serving women, minorities, and other protected groups throughout the City, review and update listings of recruitment outreach sources, and contact these organizations when positions become available or where the agency may otherwise use discretion in hiring.
- Ensure that the principal EEO Professional, HR Professional, and General Counsel, review the agency's statistical information (i.e. workforce, hires, promotions, and separations by race/ethnicity and gender) the annual number of EEO complaints, and the agency’s employment practices, policies and programs on an annual basis to identify whether there are barriers to equal employment opportunities and determine what, if any, actions are required to correct deficiencies. (e.g. underutilization or adverse impact).
- Assess the manner in which candidates are selected for employment, to determine whether there is any adverse impact upon a particular racial, ethnic, disability, or gender group. To the extent that adverse impact is discovered, determine whether the selection criteria being utilized are job-related. Discontinue using criteria that are not job-related and adopt methods which diminish adverse impact.

- If women, minorities, or other protected groups are underrepresented in titles where there is discretion in hiring, determine the usefulness of the selection procedures (criteria, practices, and patterns) and their relevancy to measuring suitability for the job and advertise in minority- or female-oriented media outlets; contact organizations serving women, minorities, and other protected groups; participate in career fairs/open houses; or use internships to attract interested persons and hire qualified candidates.
- If women, minorities, or other protected groups are underrepresented in *civil service* (list) titles, review the competencies, skills and abilities required (as presented in job vacancy notices and notices of examination) for available positions to ensure that these standards are updated, job-related and required by business necessity. (This includes working with DCAS or the Civil Service Commission if applicable). Then advertise in minority- or female-oriented publications, contact organizations serving women, minorities, and other protected groups; participate in career fairs or open houses; or use internships to attract interested persons and to develop and hire interested and qualified candidates.
- Ensure that human resources professionals, managers, supervisors, and other personnel involved in recruiting and hiring are trained to consider EEO laws/policies and use uniform, job-related techniques to identify, interview and select the most capable candidates (e.g. structured interview training or guide).
- Ensure that employees are considered internally for career enhancement, development opportunities and transfer by: encouraging and providing training, development or mentorship programs to improve their performance and skills; establishing internal talent pools via cross-training, cross divisional assignments, job transfers, and/or job rotation; and identifying internal successors with applicable knowledge/skills/abilities.
- Use and maintain an applicant/candidate log or tracking system which, at minimum, includes the *position, applicants'/candidates' names or identification number, race/ethnicity, gender, disability, veteran status, interview date, interviewers' names, result (or disposition), reason selected/not selected* for each applicant, and *recruitment source*. (For employers that collect protected status criteria via visual observation: Minimize the risk that an applicant's protected status may play a role in his/her hire by having someone other than the final decision-maker conduct the visual observation.)
- Utilize the Section 55-a Program, which allows City agencies to employ qualified persons who have been certified as disabled in competitive positions on a non-competitive basis.
- Maintain documentation regarding directives or decisions between the agency head (or a direct report other than the General Counsel) and the principal EEO Professional that impact the administration and operation of EEO programs, policies or procedures.
- Ensure the managerial performance evaluation form contains a rating for EEO (which covers responsibilities and processes for assuring their ability to make employment decisions based on merit and equal consideration or treat others in an equitable and impartial manner).

- Submit to the EEPC an Annual Plan of measures and programs to provide equal employment opportunity.

Through successful completion of the EEPC's audit, evaluation, and monitoring processes and the aforementioned enhancements Acting District Attorney Ryan reaffirms the commitment to ensuring that the Office of the Queens County District Attorney's employment practices encourage and maintain a workplace free from unlawful discrimination and sexual harassment, and that all employees are aware of their rights and obligations under the agency's equal employment opportunity policies.
