the person or persons for whom he consents to become surety. The adequacy and sufficiency of the sureties offered to be determined by the Comptroller. The contract for the work, if awarded at all, will be awarded to the lowest bidder, whose proposal, consider-ing the price, quality, and durability of the payement which he offers to lay, will, in the opninon of the Depart-ment, be most advantageous to the city. But the Department reserves the right to reject all the bids received in response to this advertisement if it shall deem it for the interest of the city so to do, and to read-vertise until a satisfactory proposal shall be received. But the contract, when awarded, will be awarded to the lowest bidder with adequate security, for the particular kind of pavement which shall be adopted by the Depart-ment.

In the person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute the contract, within forty-eight hours after written notice that the

same has been awarded to his or their bid or estimate; and in case of neglect or refuel als ot do, he or they will be considered as having abandoned it and as in default to the corporation. The work to be done is the grading and paving of such portions of the walks and foot-paths in said park as the Commissioners of said Department shall designate on the map and ground, and is estimated to amount to about— rooco square feet. This estimate is only approximate, and not to be held as entiting the contractor to any claim for damages, should the actual amount of work be greater or less. He under-stands that he contracts with reference to the actual amount of space to be paved or repaved, so designated on the map or plan of the park and on the ground. Each bidder must furnish with his bid or estimate full and com-plete specifications for the work, showing the mode of making and laying the pavement he proposes to lay. A copy of the specifications, furnished by the bidder to whom the contract may be awarded, will be annexed to and form part of the contract. Bidders will state in writing and also in figures, a price for square foot for laying the pavement. This price is to cover the furnishing of all the necessary materials, tools, and labor, the removal of old walks (where there are any), the excavation and grading of the bed for the pavement, and the full and enture performance of the whole work set forth in the contract and specifications. The time in which to complete the whole work will be nameed in the bid, and attention is called to the claim of the contract, by which the damages for delay beyond that time are fixed and indicated at §100 per day. The form of the contract which the successful bidder will be required to execute and with reference to which all bids must be made, can be seen at the office of the partment.
