Twenty-first Precinct, Mary Lennon. Discharged.

Twenty-first Precinct, Margaret Daly. Fined \$2.00.

Daily reports of the Superintendent of Boats, and weekly report of the Superintendent of Stables, were referred to the Committee on Street Cleaning.

On recommendation of the Committee on Street Cleaning, it was

Resolved, That Gardner & Co. be granted permission to dump ashes, etc., at dump foot of Forty-sixth street, East river.

The following report of the Committee on Street Cleaning was approved, and, with the accompanying papers, was ordered to be transmitted to his Honor Mayor Wickham:

The Committee on Street Cleaning of the Board of Police, to which was referred the complaint transmitted to the Board of Police by his Honor the Mayor; that—

“On Thursday, between 8 and 9 o'clock P. M., January 14, 1875, from fifty to sixty carts came to Pier 34, North river, loaded with earth, etc., refuse mixed with a little ice, and dumped their contents into the slip between Piers 33 and 34, filling up the slip from the bottom to several feet above the surface of the water.

“Reported to the Dock Department, and was informed that said Department had written a very strong letter to the Police Department remonstrating against said action.

“No relief has been obtained, but on the contrary the practice is still continued, and has been so all the winter long.”

—respectfully report, as follows: After a thorough investigation, it appears that there was no violation of the rules by any of the employees of the Street Cleaning Bureau in respect to this matter. It has been ascertained, that during the night in question there was a considerable amount of material dumped by street car companies and private parties doing business on the line of railroads, who were engaged in carting off snow and ice from the vicinity of the tracks.

The material dumped by said companies and private parties on the night in question was of the consistency of “snow such as would come from Broadway.”

The employees of the Street Cleaning Bureau observed the strict orders issued by the Committee to dump only from the ends of the piers designated by the Department of Docks for the dumping

of snow and ice. There was no material removed by the Bureau of Street Cleaning on the night of January 14, excepting snow and ice from Broadway, and that only was dumped from the ends of the piers designated.

In addition to the evidence by employees of this Bureau, Mr. John M. Smith, Superintendent of Docks, furnished corroborative testimony, a copy of which is herewith submitted.

Respectfully submitted,

ABM. DISBECKER,

Chairman,

Committee on Street Cleaning.

List of documents submitted herewith—

A.—Copy of letter to Inspector of Street Cleaning.

B.—Report of Inspector and Deputy Inspector of Street Cleaning, with affidavit of Foremen in charge of the section in which Piers 33 and 34 are located; together with copy of order given to Foremen and notice posted up in office of Street Cleaning Bureau.

C.—Copy of evidence of Mr. John M. Smith, Superintendent of the Department of Docks, in charge of the district in which Piers 33 and 34 are located.

Adjourned,

S. C. HAWLEY,

Chief Clerk.
