STATE INDUSTRIAL COMMISSION—DEPARTMENT OF LABOR.

Public Notices.

Whereas, the Tupper Lake Chemical Co., Inc., of Tupper Lake, N. Y., has made application to this Commission for a variation from the provisions of Section 8-a of the Labor Law to permit twelve (12) men employed at their plant at Tupper Lake, N. Y., to work seven days per week; and
 Whereas, an investigation by the Supervising Inspector having jurisdiction in the district wherein this plant is located shows that the output of said plant has been commandeered by the Federal Government, that the process of manufacture is necessarily continuous, and that compliance with the provisions of Section 8-a of the Labor Law in so far as the same applies to these twelve men would entail practical difficulties and unnecessary hardship; and
 It appearing that the Secretary of War has certified to this Commission that an emergency exists warranting the granting of such variation until July 1, 1918, therefore
 Be it resolved by the State Industrial Commission, That variation from the provisions of Section 8-a of the Labor Law be and it hereby is granted to the Tupper Lake Chemical Co., Inc., of Tupper Lake, N. TERMS AND CONDITIONS OF SALE.

All bidding shall be upon the basis of an aggregate per annum rental to be paid to the Commissioner of Docks quarterly in advance and in equal sums on the first days of June, September, December and March, respectively.

The upset price of the parcel offered for sale is \$85,000 per annum, and no bid will be received which shows a less than that price.

The Commissioner of Docks reserves the right to reject, by or before noon on Friday, May 17, 1918, any bid, if in his judgment he deems it to be for the interest of The City of New York so to do, and to return the deposit which accompanied the bid to the bidder who submitted same.

No person will be accepted as a successful bidder who is delinquent on any contract with The City of New York, or who is in arrears to The City of New York upon any debt or contract, or who is a defaulter as surety or otherwise upon any obligation to The City of New York.

The Commissioner of Docks expressly reserves the right to resell the lease of the premises bid for, by those failing, refusing or neglecting to comply with these terms and conditions, the party so failing, refusing or neglecting to be liable to The City of New York for any deficiency resulting from or occasioned by such resale.

The term for which the lease is sold will commence at the date mentioned, namely, June 1, 1918, and rent will be payable from that date.

No dredging will be done prior to the commencement of the lease in the slip or basin or water immediately adjacent to the premises, and the premises and the structures thereon must be taken in the condition which they are at the commencement of the term of the lease, and no claim or demand that the premises or property or any structures thereon are not in suitable and tenable condition at the commencement of the term will be allowed by the Commissioner of Docks.

THE LEASE SHALL CONTAIN THE FOLLOWING TERMS AND CONDITIONS:

The rent shall be payable in four equal quarterly payments in advance.

The lessee will not at any time assign the lease, nor sublet the premises demised, nor in any way charge or encumber the same without the consent, in writing, of the Commissioner of Docks and the approval thereof by the Commissioners of the Sinking Fund.

All structures erected upon the property during the term of the lease shall be and become the property of The City of New York at the expiration or sooner termination of the lease.

All repairs, maintaining, rebuilding or painting required, or necessary, in the opinion of the Commissioner of Docks, to be done to or upon the premises leased or the structures thereon, including the shed, shall be done by and at the sole expense of the lessee to the satisfaction of the Commissioner of Docks.

If, by reason of total or partial destruction from any cause, the premises hereby leased or the structures thereon, including the shed, shall require to be rebuilt, the same shall be so rebuilt under the direction of the Commissioner of Docks, in like manner and similar to the prem-

ises destroyed, by and at the expense of the lessee and in accordance with plans and specifications submitted to and approved by the Commissioner of Docks.

In case the lessee shall make default or shall neglect to make repairs or rebuilding, or to do such painting or dredging for the space of ten (10) consecutive calendar days after notice so to do shall have been given by the Commissioner of Docks, or any proper officer, agent or employee of the Department of Docks and Ferries, then the lease shall be null and void and the lessee shall pay to The City of New York such damages as it may have sustained, or the Commissioner of Docks may, at his option, make such repairs and rebuilding, or do such dredging or painting, and the full cost and expense thereof shall and will be paid by the lessee, on demand, to The City of New York, and no claim for damages or for reduction of rent shall be made by the lessee by reason thereof.

No claim or demand will be considered or allowed by the Department for any loss or deprivation from use of said premises or otherwise resulting from or occasioned by any delay on account of or by reason of the premises or any part thereof being occupied for or on account of any repairs, rebuilding, painting or dredging.

The lessee will be required, upon the execution of the lease, to furnish a bond executed by a guaranty or surety company, to be approved by the Commissioner of Docks, in double the amount of the annual rent bid for the faithful performance of all the covenants and conditions of the lease. In the event that the Commissioner of Docks shall, during the term of the lease, for any reason whatsoever, deem it advisable that other surety or sureties should be substituted in lieu of the surety or sureties upon the bond, then, and in such event, the lessee shall and will, whenever so ordered by the Commissioner of Docks, furnish a new bond with such surety or sureties as may be approved by him, in lieu of the bond originally furnished.

The premises demised, or any part thereof, shall not be used as a stable nor for the sorting or storage of rags, barrels, boxes or refuse of any kind, and the premises shall at all times be kept in a clean and sanitary condition to the satisfaction of the Commissioner of Docks.

The establishment of violation of any of the terms and conditions herein contained as fact, in the judgment of the Commissioner of Docks, shall be sufficient ground for the cancellation of the lease, and in such event the lessee shall make no claim of any kind whatsoever for damages against The City of New York.

The lessee will be required to agree that if at any time during the term hereby created the Commissioner of Docks shall determine to proceed with the work of building or rebuilding wharves, piers, bulkheads, basins, docks or slips within a section or district of the waterfront which shall include the premises heretofore described, according to any plan or plans now adopted or approved, or which may hereafter be adopted and approved, and pursuant to any existing or future law, and if the said Commissioner of Docks shall determine that for the purpose of such building or rebuilding it will be necessary to terminate the interest of the lessee in the property hereby leased, or any part thereof, then upon service upon the lessee of written notice from the Commissioner of Docks to that effect the interest of the lessee in the said property or part thereof shall be thereby terminated, and the rent hereby reserved shall cease from the date specified in said notice, and no claim for damages or compensation in favor of the lessee by reason of the termination of such interest, or to or on account of any construction or improvement that may have been erected by the lessee shall at any time be made by the lessee or by any person or persons whatsoever.

The remaining terms and conditions of the lease shall be similar to those contained in leases of wharf property now used by the Department of Docks and Ferries, copies of which may be seen and examined at the office of the Department, Pier "A," foot of Battery pl., North River, Borough of Manhattan.

The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstances of vacating the structures of their tenants will permit.

None of the dirt, debris or waste resulting from the demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point. The exterior walls and their foundations shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building. Where there is no curb the elevation of the surrounding ground shall be considered curb level. All wells, cesspools, sinks, etc., existing on the property must be filled to the level of the surrounding ground with clean earth.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all houses and the openings of the main sewer in street shall be properly closed in compliance with the directions of the Bureau of Sewers in the Borough in which the buildings are situated, and furnish the Department of Finance with a certificate from the Bureau of Sewers that the work has been properly performed.

The work of removal must be carried on in every respect in a thorough and workmanlike manner, and must be completed within thirty days from the date of possession, and the successful bidder will provide and furnish all materials or labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless The City of New York, its officers, agents and servants, and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against and from all damage and costs to which it, they or any of them be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of said buildings.

Where party walls are found to exist between buildings purchased by different bidders, the materials of said party walls shall be understood to be equally divided between the separate purchasers.

Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All furnishings, plaster, chimneys, projecting brick, etc., on the faces of such party walls are to be taken down and removed. The walls shall be made permanently self-supporting, beam holes, etc., bricked up, and the wall pointed and made to exclude wind and rain and present a clean exterior. The roofs and adjacent buildings shall be properly flashed and painted and made watertight where they have been disturbed by the operations of the Contractor.

"No buildings, parts of buildings, fixtures or machinery sold for removal under these terms and conditions shall in any case be relocated or re-erected within the lines of any proposed street or other public improvement, and if any such buildings, parts of buildings, fixtures or machinery, etc., shall be relocated or re-erected within the lines of any proposed street or other public improvement, title thereto shall thereupon become vested in The City of New York and a resale at public or private sale may be made in the same manner as if no prior sale thereof had been made."
