TO RESIDENTS, BUSINESS OWNERS, GROUPS, COMMUNITY BOARDS AND AGENCIES:

New York City has completed a proposed amendment to its plan for the \$4.21 billion in Federal disaster aid from the Department of Housing and Urban Development (HUD) to help with recovery from Hurricane Sandy. - Updates need assessments and makes other non-substantial updates in all areas

- Reallocates **\$200 million** to Build it Back from other prior allocations: \$96 million from Business programs, \$44 million from Infrastructure and Other City Services, and \$60 million from Resiliency
- Creates an optional Temporary Relocation Program to provide financial assistance for homeowners who must move during Program-provided construction
- Provides an option for homeowners to receive a direct grant to complete moderate repair projects (those projects not requiring elevation) instead of having the Program complete the construction work.
- Extends the Temporary Disaster Assistance Program (TDAP) rental assistance benefit to households from two years to four years

Resiliency

- Describes **\$355 million** in new funding for Rebuild by Design projects, including \$335 million for the Lower East Side and \$20 million for Hunts Point. The City is supplementing the Lower East Side project with \$3 million (see below) and Hunts Point with \$25 million from reallocated Business funds
- Provides **\$28 million** for Staten Island University Hospital resiliency programs
- Ends the Integrated Flood Protection System competition, freeing up **\$5 million** for direct design and planning, which will now cover \$3 million for Lower Manhattan flood protection, and \$2 million to study integrated flood protection systems in East Harlem and on the North Shore of Staten Island

Business

 - **\$3 million** for a business resiliency technical assistance program
 - **\$12 million** for implementation of a wetland bank at Saw Mill Creek in Staten Island
 - **\$15 million** for Coney Island storm water management and commercial corridor improvements

"Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- Win More Contracts at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement

Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)
Department for the Aging (DFTA)
Department of Consumer Affairs (DCA)
Department of Corrections (DOC)
Department of Health and Mental Hygiene (DOHMH)

West 15th Street/Special West Chelsea District Expansion

The applicant, the New York City Department of City Planning is proposing a zoning map amendment and zoning text amendment to the NYC Zoning Resolution (ZR) to expand the Special West Chelsea District to include a portion of a block bounded by West 14th and West 15th Streets, and Ninth and Tenth Avenues in the West Chelsea neighborhood in Manhattan, Community District 4. The proposed Special West Chelsea District extension (the "Project Area") is bounded by West 14th and West 15th streets, and Ninth and Tenth Avenues (Block 712, Lots 1, 6, 11, 36, 38, 40, 42, 46, and 51 and part of Lots 26, 27, and 29). In addition, the proposal includes text amendments related to street wall regulations, rear yard provisions, maximum building heights, and unenclosed sidewalk cafes that would apply to the 17 blocks within the Special West Chelsea District and proposed extension area, generally bounded by West 14th Street to the south, West 30th Street to the north, Eleventh Avenue to the east, and Tenth Avenue to the west. The Proposed Action is intended to reinforce the context and scale of the Special West Chelsea District and implement height and setback controls on West 15th Street that are consistent with envelope regulations governing adjacent blocks, and would have no effect on the amount of development that could take place in the Project Area or the overall district.

The Proposed Action includes the following:

Zoning Map Amendment

- To extend the Special West Chelsea District to the block that is directly south of the district, bounded by West 14th and West 15th Streets, and Ninth and Tenth Avenues, excluding the segment of the block beyond 325 feet east of Tenth Avenue and south of the block centerline (the "Project Area"). It should be noted that with the proposed incorporation of the Project Area into the Special West Chelsea District, the underlying zoning district designation, M1-5, will remain.

Zoning Text Amendments

- To Appendix A of Article IX, Chapter 8 to expand the Special West Chelsea District map to include the Project Area, as described above;
- To Appendix B of Article IX, Chapter 8 to expand the High Line Transfer Corridor Location map to include the Project Area as described above;
- To ZR Section 98-423, Street Wall Location, Minimum and Maximum Base Heights and Maximum Building Heights, to:
 - Strengthen street wall requirements applicable to corner lots located outside of a Special West Chelsea District subarea and containing narrow street frontages, by requiring that beyond 50 feet of an intersection along a wide street, buildings at applicable lots contain street walls that extend along the street line for at least 70% of their zoning lot's narrow street frontage for up to at least the minimum base height required; and
 - To correct the maximum building height permitted in

Subarea C for zoning lots with Tenth Avenue frontage from 145' to 125';

- To Section 98-41, Special Rear Yard Regulations, to clarify that where rear yard equivalents are required, they shall be provided at the mid-block;
- To ZR Section 14-44, Special Zoning Districts Where Certain Sidewalk Cafes Are Permitted, to allow sidewalk cafes on wide streets, along portions of Ninth Avenue, Tenth Avenue, Eleventh Avenue, and West 23rd Street.

While the Proposed Action would not increase the amount of allowable floor area, a range of development alternatives could occur as a result of the proposal. Therefore, for conservative analysis purposes, two reasonable worst case development scenarios ("RWCDs 1" and "RWCDs 2") have been identified. For environmental assessment purposes, projected development was identified as being likely to occur on two sites pursuant to the Proposed Action, "Development Site 1" (Block 712, Lots 36 and 38) and "Development Site 2" (Block 712, Lots 1 and 6).

Under RWCDs 1, Development Site 1 (Block 712, Lot 36 and 38) would be developed with a commercial building consisting of 83,450 gross square feet (gsf) with a base height of 50 feet and an overall height of 252 feet in the future without the Proposed Action (the "no-action scenario"). In future with the Proposed Action (the "with-action scenario") the proposed 83,450 gsf commercial building would reach a height of 135 feet. As the overall effect of the Proposed Action is a modification in the permitted height and bulk, there is no net increment between the no-action and with-action scenarios under RWCDs 1.

RWCDs 2 differs from RWCDs 1 in that it considers an additional development site (Block 712, Lot 1 and 6) and assumes that certain administrative actions would be sought, resulting in a difference of bulk configuration on both sites. Under RWCDs 2 for Development Site 1 (Block 712, Lot 36 and 38), it is assumed that 22,479 sf of floor area would be transferred from an under-built building adjacent to the south (Block 712, Lot 29). Development Site 1 would be improved with a 297-foot, 105,929 gsf commercial building in the no-action scenario. In the with-action scenario, Development Site 1 would be developed with a 105,929 gsf commercial building, with a reduced overall height of 135 feet. Development Site 2 (Block 712, Lot 1 and 6) consists of an existing commercial 111' foot-tall, 241,567 gsf building containing office and light manufacturing uses, and a single story 16,558 gsf retail building. Under RWCDs 2, it is assumed that an administrative certification from the Department of City Planning pursuant to ZR Section 43-121 (Expansion of Existing Manufacturing Buildings) would be sought to expand the floor area available to Development Site 2 by 30,724 gsf. In the no-action scenario, the western portion (Lot 1) of the existing building at Development Site 2 would be enlarged with a 34-foot tall, 30,724 expansion, for a total building height of 145 feet and a total gross square footage of 272,291 gsf. In the with-action scenario, the 30,724 sf addition would be in the form of a 24-foot enlargement, for a total building height of 135 feet. As with RWCDs 1, no net square footage increment between the no-action and with-action scenarios under RWCDs 2 would result; the overall effect of the Proposed Action is a change in the height and bulk of the development.

The analysis year for the Proposed Action is 2024.

The Proposed Action includes (E) designation (E-350) applicable to Development Site 1 (Block 712, Lot 36 and 38) and a portion of Development Site 2 (Block 712, Lot 1), in the event that Development Site 2 is enlarged.

READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these

entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

The Rules may also be accessed on the City's website at www.nyc.gov/selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
